Report of Session for 1895.

Dear Brethren and Fellow-Workers.

Your Session in once more presenting their annual report would record their deep sense of the abiding mercies of God to us in sparing our people, in adding to our membership, and in the increasing attendance at public worship.

Out of our large membership we have only lost 8 by death during the year that is past, Mr. John Steen Mrs. S. Ritchie, and Miss Oliver.

Our membership, which was 281 last year, after purging the roll still retains 306 members. 8 were removed by death and 6 by certificate, 25 were added on profession of faith and 9 by certificate, leaving a net gain of 25 during the year.

All the ordinances of the sanctuary have been well attended; but the Session would urge upon its members the duty of more actively supporting the mid week services and more active participation therein so that our prayer meetings may be the means of strengthening every worker and specially staying the pastor's hands.

The Session would also urge upon the Congregation the duty of aiding the services of the sanctuary song by heartily joining in themselves, and by securing for the leader the best talent the congregation contains.

We would express our sympathy with those who are bereaved and commend them to the unfailing comfort of the word and spirit.

In behalf of the Session,

J. CAMPBELL TIBB,
Moderator.

Sunday School and Bible Class.

61st Annual Report.

In presenting our report we are deeply thankful to God for his watchful care over us during another year.

We have been abundantly blessed as a school, having only one removed by death.

We have been very much encouraged in the past year by the presence of several heads of families, together with their children in the school.

We would ask that the attendance in our Bible Class be even larger than at present, thereby encouraging the teacher (our Pastor) in this noble work.

In our Bible Class and School the attendance has been as good, if not better than in former years; but we would urge the parents to see that their children are both prompt and faithful in their attendance.

During the past year sixteen new members have been added to the roll ; but on account of removals our total number is the same as last year, being forty-five, of which twenty five are active members. The society lost by death this year a valued and active member, Mr. J. L. Pickard, who for several years had been a most earnest worker and an honored officer of our society. His sudden call left a blank in many a home in the congregation wherein he was ever a welcome guest ; but he is now the eternal guest of his Divine Master.

We regret that only one of our associate members has taken the pledge of active membership, but we

hope that all associates, who are now members of the church, may be led during the coming year to take this step.

The interest in the weekly prayer meeting has been well kept up throughout the year and the subjects assigned to members have, in nearly every case, been taken up by the member appointed.

On November 8th we held an Endeavor Rally, but owing to the very unfavorable weather the attendance was not up to expectations.

The society was represented at the annual convention of the Provincial Union, at Brantford, in September, and a report of the meetings was presented to this society at its next meeting.

We have accepted the constitution for union of young people's societies issued by the Presbytery's committee and are now a part of the young people's union of the Presbytery of Toronto, under the control of a Presbyterial committee.

The decided interest taken by the members in all our meetings and work of the past year has been a source of much pleasure to the officers, and we hope that this year may see this interest more than doubled so that we may indeed "be useful in the service of the Lord."

JENNIE CUNNINGHAM,
Secretary.
