Every one has heard of the wonderful effects of the Spruces and the Pines in cases of Lung Disease. The Rev. The beneficial effects of Cod Liver Oil in all Lung troubles and Scrofulas affections are o widely known to need any comments from us; and Dr. Dobell, of London, Eng., has oved by a series of experiments that Pancreatic Emulsion is even of greater benefit in onsumption than Cod Liver Oil, as it is much more readily retained by the Stomach.
