PROGRESS OF THE WAR

[April 5 to April 11]

NO week since the war began has been more full of events of the greatest importance than the period under review...

The greatest gain for the Entente Allies was made in the Western campaign, the chief honors falling to the British, of whom the Canadians achieved the greatest distinction.

In the Eastern campaign activity was reported in the Riga district, in Volhynia, in Galicia, in the Carpathians, and in Rumania, but in none of these sectors were important gains claimed by either side.

Very little news was received of the Balkan campaign, though activity seemed to be well maintained at many points on the Macedonian front.

The activities of the German submarines accounted for a number of victims during the week, those reported in the daily dispatches being mentioned under "News of the Sea."

NEW BRUNSWICK'S FUTURE POLICY

The defeat of the Murray Government in New Brunswick and the success of the Opposition under W. E. Foster will probably have no unfavorable effect upon the important forest conservation policy...

Local and General

The Whist Party and Social held by the Pythian sisters this week realized \$324. After payment of expenses \$22 will be available for Soldier's Comforts.

A. Milne Fraser, Halifax, N. S.

The Women's Canadian Club will hold its April meeting on Thursday, 19th, in Paul's Hall at 8 p. m. This is the last meeting of the year, and according to the usual custom will be chiefly a Social Evening, but in addition the Chorus Club will give an entertainment, and there will also be a short address.

All Saints Church was prettily decorated with spring flowers on Easter Sunday. Easter lilies adorned the reading desk, and narcissi, tulips, and geraniums were used very effectively on the altar, choir rails, and font. The evening service was a special one for the Sunday School children.

The Charlotte County Agricultural Society has still for sale some special grade seed oats, tested for high germination by government experts. The Society purchased a carload and will sell at the rate of \$1.00 per bushel as long as the seed lasts. Orders will be filled in the sequence in which they are received. Any one wishing to obtain extra good seed should send at once to the Society's Secretary, W. S. Stevens, St. Stephen.

On Monday night and Tuesday a regular blizzard prevailed over the Maritime Provinces, the wind reaching a very high velocity and snow falling to a depth of from five to twelve inches. The storm was felt with full force in St. Andrews, the snow-fall being not less than six inches, as the temperature was low and the wind violent in places, other places being left bare. Snow ceased falling Tuesday afternoon, and the wind began to subside in the evening, but the temperature kept quite low till well into Wednesday. The storm was one of the most severe April storms for many years.

The Card Party and Social which the Pythian sisters held in Paul's Hall on Monday evening suffered from very adverse weather conditions, many intending guests being kept away by the fierce wind and snow storm. Altogether fifteen tables of cards were arranged and the prizes were keenly contested. The winners were:

First Ladies—Miss Sara McCaffrey, China Vase.
 Second Ladies—Mrs. T. Williamson, China Vase.
 Ladies' Booby—Miss Sara Donahue, Easter Chicken.
 First Gentlemen—Mr. Freshwater, a Pipe.
 Second Gentlemen—Mr. Arthur MacFarlane, Cigarette Case.
 Gentlemen's Booby—Mr. Lewis Hivon, Easter Chicken.

A very tempting supper was served when the prizes had been awarded, and dancing was afterwards enjoyed.

An admission of 25c. had been charged, and the proceeds will be partly used for Soldiers' Comforts.

A musical recital by the pupils of Miss A. E. Kerr was held on Thursday evening at the residence of Mrs. C. S. Everett. Exigencies of space make it impossible of the entire community is extended. Of a kind and loving disposition, the little girl became endeared to the hearts of all who knew her. She was born June 24, 1905, and leaves besides her incorporeal two sisters, Charlotte and Margaret, and four brothers, Norman, D. Will, Thos., and Kenneth, to mourn their sad loss. The body was laid to rest beside her mother and two sisters in the cemetery of England cemetery. The Rev. Rev. J. Spencer conducted the funeral service.

Dr. Newton R. Colter, who vacated the office of Post Office Inspector for New Brunswick on April 1, died at the residence of his brother, Thos. H. Colter, Fredericton, on Saturday morning of last week. He had gone to Fredericton to attend the funeral of his brother James on the previous Thursday and caught a severe cold which developed into pneumonia with speedy fatal result.

Dr. Colter was born at Sheffield, Sunbury County, in 1846. He was educated at Mount Allison College, and studied medicine at Harvard and at London. After completing his medical studies he settled in Woodstock, N. B., and in 1891 he was elected to represent Carleton County in the Dominion House of Commons, but was defeated at the next general election. In August, 1897, on the death of Mr. Stephen J. King, Dr. Colter was appointed Post Office Inspector, which office he held till the first of this month, a period of nearly twenty years. He is survived by a wife and four daughters, one brother, and one sister. The funeral took place in Fredericton on Monday afternoon from the residence of Mr. T. H. Colter, the services being conducted by Rev. Thomas Marshall. Interment was in the Rural Cemetery.

Mrs. Edwin McCoy
 After an illness of ten weeks, the death of Mrs. Edwin McCoy occurred at her home in Allston, Mass., last Tuesday.

Mrs. McCoy was born in St. Andrews, N. B., second daughter of the late Mr. and Mrs. Andrew Elliott. Elliott, of New York, Robert Elliott, of Dorchester, Mass., and William Elliott, of Brownville Jct., Maine. The funeral services were conducted by the Rev. W. Weddall, of the Methodist Church, at 2 p. m., at the home of Mrs. Edwin Odell.

FIRST

HE never wanted gold so much
 That he would risk dishonor's Touch
 To gain it.
 All that was fair he'd bravely do
 For victory sweet, and struggle to
 Attain it.
 Yet he would rather miss the goal
 Than put a bight upon his cheer.
 He ne'er o'ervalued plaudits, cheers,
 That every conquering hero hears.
 Or yearned them:
 He wanted to deserve success,
 Yet would not claim its joys unless
 He earned them.
 He never made the great mistake
 Of risking all for victory's sake.
 No victory could compensate
 For any mean or treacherous trait.
 He chose to fail
 Rather than conquer any foe
 By striking a dishonest blow.
 And first of all
 He held, above both fame or pelf,
 His own opinion of himself.
