CARRIAGE BUILDERS. DEG leave to announce to their numerous Patrons, and the Public generally, that owing to the increase in their business, they have removed to leave to large and commodious building formerly occupied by Mr. HENRY COOMBS, corner Great George and Euston Streets, where they will be able to give every satisfaction in their interior of business, at their usual moderate rates.—All orders will receive prompt attention.

of the Opposition had introduced in the battle with such great success, Protestants? They are Protestants, and it is for that reason that Irish Cotholics should stand by them. There is, of course, a very respectable minority in Ireland opposed to Home Rule, but it is hoped and believed that this measure will afford to these people the same protection in their rights and privileges as is afforded to the minority in Quebec, and to the minority in Ontario. It their business, they have removed to the large and commodious building formerly occupied by Mr. HENRY COOMBS, corner Great George and Euston Streets, where they will be able to give every satisfaction in their line of business at their usual moder-ate rates.—All orders will receive prompt attention.

REMOVAI

REMOVAI

Consign your vessels to our house will receive personal attention. Charters, Freights and Vessels for the United States, Newfoundland, West Indies, South America ports, Lumber, Stone and Oil freights.

April 28, 1886.

REMOVAI

REMOVAI

Consign your vessels to our house with great the spoke with great sincerity. He said that no resolution has been taken since then, as our resolution has been taken since then, as our resolution should now be introduced which would not meet with unanimous support, as, instead of strengthening Mr. Gladstone's hands, such resolution would have a depressing effect.

Consign your vessels to our house this Parliament, that we should rest our record on that. We should now say a remark on what was said by the hon. member for Muskoka Mr. O'Brien). He spoke with great sincerity. He said that no Protestant in Ireland was actually in favor of Home Rule, He must have read history astray. Is not Mr. Parnell a Protestant, as good a Protestant probably as the hon. member? Is he not the aposte of Home Rule in Ireland at this time? Is not Mr. Justin McCarthy a Protestant probable cost to Cansda in connection with the Colonial Ethibilition would have a depressing effect.

considered sufficient.

Mr. Mills.—No; it was changed and another motion brought in.

Mr. Hackett.—Well, the motion affirmed the principle of Home Rule, and hon. gentlemen were fully aware it would be brought in. It was found that owing to the business of the Session, it would be impossible to reach the motion in due coure, and the right hon. the leader of the Government consented to allow the hon. gentleman to move it in amendments to reach the motion in due coure, and the right hon. the leader of the Government consented to allow the hon. gentleman to move it in amendments to Supply; but the leader of senting home the address of 1882, I

Commission & Shipping Herbands, and the right bon. the isself or the discovered and the respective of the following the proposition introduced his recolution is the common to move it in amendation of the proposition introduced his recolution in the common to move it in amendation of the proposition introduced his recolution is sufficient of the proposition introduced his recolution is recovered by the proposition introduced his recolution is sufficient of the proposition introduced his recolution is sufficient of the proposition in the proposition in the common to make the proposition of the proposition in the proposition in the proposition in the proposition in the common to make the proposition in the proposition in the proposition in the proposition in the proposition of the proposition of the proposition in the proposition of the proposition in the proposition of the proposition of the proposition of the proposition of the proposition in the proposition of the proposition in the proposition of the proposition of the proposition in the proposition of the proposition of the proposition in the proposition of the proposition in the proposition of the proposition in the proposition of the proposition of the proposition in the proposition of the proposition in the proposition of the proposition in the proposition of the proposition of the proposition in the proposition of the pro

1882 was the most important time, that now when the victory is almost won, now at the very threshold of Edward Hackett, Esq., M. P., in the Canadian House of Commons on Home Rule for Ireland:

Although the resolution before the House does not strictly affect Canadian interests, still I consider granulate them upon their great for Ireland, those gentlemen who have succeeded in obtaining this for Ireland, though we should contain the great property of the second statement of the second state

ion would have a depressing effect.

It was rather astonishing to find, the other evening, that the leader of the Opposition had introduced the battle with such great success, his motion as an amendment to go his motion as an amendment to go.

Lobsters and Canned Goods.

PoR the convenience of Lobster Packers and Shippers we will place that large three-storey building on No. 2 Wharf, at a cheap rate of storage, and will grant warehouse receipts for goods stored therein. On goods so warehoused and shipped by any of our vessels no storage will be charged.

As this warehouse is well situated, there is scarcely any risk from fire, and being almost surrounded by water, Insurance can be effected at a very moderate rate.
