HOCKEY PLAYER INJURED. These on the return run through the White at work at Miller's Mill on machine broke off leaving a sharp point which entered and ran through the most promising players on the local hockey team, sustained a most painful injury to his hand which will probably prevent his participating in the game last night he will probably be sore. The unfortunate player was hospitalized for a month or more.

MUNICIPAL COUNCIL
NOW IN SESSION

Assembled at Dalhousie Tuesday for Transaction of Business.

Dalhousie, Jan. 18.—The regular annual session of the Restigouche Municipal Council opened at 11 a.m. Warden Gilles in the chair. The following Council members were present:—Durham—Archibald MacNeil, Paul Doyle, Colborne—Alex. B. Arsenault, Jackson Miller, Dalhousie—Edward Savard, Arthur MacNeil, D. M. Simpson, Hugh Addington, Warden H. C. Gilles, D. Murray, M. D. Eilon—Wm. Copeland, George A. Murray, St. Quentin—Joseph Soucier, Town of Campbellton—Joseph D. Brown, Town of Dalhousie—Andrew Barberie. The minutes of the July session were read and approved. The council then adjourned until 2 o'clock.

Tuesday Afternoon. The Council reassembled at two o'clock.

The minutes of the previous session were read and approved. As Dr. DeLamont and Secretary A. McG. McDonald of the Restigouche Sub-District Board of Health were present it was decided to deal with Board of Health matters at once. Dr. DeLamont was to address the council. Dr. DeLamont is a few well chosen remarks complimented the Municipality, the Council and the Sub-District Board of Health for the way the business had been carried for the past year, and for the fact that there had been no serious epidemics. True there had been some cases of diphtheria, scarlet fever and typhoid, but nothing of a serious nature. The expenditures had been kept down, so that the Board had a nice balance on hand and this year were asking for a grant of \$2000 instead of \$5000 as last year. With the balance on hand they hoped to be able to carry on until the taxes were collected. For this \$2000 we were getting a three fold service, and the work being done was much ahead of that performed by the old Board of Health. This year the government was taking over the entire cost of medical inspection of schools, so that the county would not be as much taxed for this work.

Sec. McG. McDonald then addressed the Council and presented the following report:—Restigouche Sub-District Board of Health, statement of receipts and expenditures for year 1922:—

Receipts	
Apr. 1—Cash in Bank left by Secretary Bernatchez	\$1264.55
Aug. 2—Cheque from Co. of Restigouche	5000.00
Aug. 2—Fine collected by Magistrate Matheson	25.00
Aug. 2—Cash handed in by Louis Giroux	1.00
Nov. 30—Fee for one Hotel License	1.00
\$2291.55	

Expenditures	
July 26—Paid salaries	\$500.00
Aug. 19—Paid bills and accounts	\$10.50
Oct. 2—Paid salaries	\$63.34
Dec. 14—Paid bills and accounts (299.63)	299.63
Dec. 30 paid salaries (2331.29)	607.92
Dec. 30—Cash in bank	\$909.91

Jan. 1st, 1923, cash in bank \$3909.91 A. McG. McDONALD, Secy. Checked out by Secretary Bernatchez, not account for above, \$1821.54 Estimate of cash required for the year by the Restigouche Sub-District Board of Health:—Supplies from the Department of Health 150.00 Telephone and telegraph 100.00 Travelling and other expenses of members 250.00 Salaries of officers 2500.00 Postage and stationery 1000.00 Contingent expenses 750.00

Respectfully submitted, A. McG. McDONALD, Secy. Upon resuming business Council Archibald suggested that the Sec. Treas. be requested to put the names of the members and seconds in each motion. The Sec. Treas. explained that he had to get the names of the members and seconds in each motion and carried so quickly that he could hardly get them transferred. If this rule was enforced all motions would have to be put in writing, which would delay the work of council. The minutes were read and any Council member could object them. The Sec. Treas. read a number of communications which were laid on the table to be taken up later.

BATHURST DEFEATS
CAMPBELLTON

Locals Lose Sensational 3-4 Battle With Two Overtime Periods.

Amidst the wildest cheering from over 100 lusty throats the local curling club has now reached a membership of some 165 members and thus bears the distinction of having the largest enrolment of any curling club in the province. But with their fine new building with its up-to-date accommodations the club is ready to enroll many more. Those who intend to curl should join up with delay, however, as new members are signing up almost daily and before long the executives may have to put the lid on.

First Series Finished. The first series between the Presidents and Vice-Presidents was completed on Saturday night, the former rinks winning by a margin of twenty-five points. A new series will follow shortly. A special feature of those matches will be the fact that the curlers will have an equal chance to get his share of the sport without long waits between games.

Below we give the skips and their scores in the recent series:—

A. McG. McDonald	8

One man, however, never lost his head in the turmoil. That was "Tart" Titus of Fredericton who refereed the match. The contest was an unusually hard one to keep tab on owing to its unusual speed, but "Tart" kept the reins and performed a most difficult task in a most creditable manner. The Campbellton boys are thoroughly pleased with his work.

The line-up was as follows:—Campbellton Goals—R. Cribbs 2, Ryan 1, D. Cribbs 1. Campbellton Goals—Sharpe 1, Matheson 1, McLean 1.

"Reported Missing" at the Opera House Friday and Saturday is out of the ordinary run of pictures and should draw big houses.

PERSONAL. Miss Marie and Gertrude Thompson entertained at a bridge of two tables last week. The prize was won by Mrs. W. G. Mott. Those present were:—Miss Nita MacDonald, Nita Wetmore, Freda Davidson, Jeanette Duncan, Estelle Bruce and Mrs. W. G. Mott.

Miss Mary Price entertained a number of her friends at a bridge party Tuesday evening. Those present were:—Misses Wilfred Delaney, Myrtle MacNeil, Lilian Hamilton, Vera McLeod, Blanche Crockett, Helen Crockett, Jessie Ferguson, Fern Ferguson, Jessie Currie, Isabel Currie and Amanda Quinn.

As the night was not ready the Council adjourned until 10 o'clock Wednesday.

FIRST CURLING
SERIES FINISHED

Presidents Win From Vice-Pres. by Margin of Twenty-Five.

Curling is now well under way here and the big new curling rink is humming with activity and the cheery whistle of throngs of happy curlers. The local curling club has now reached a membership of some 165 members and thus bears the distinction of having the largest enrolment of any curling club in the province. But with their fine new building with its up-to-date accommodations the club is ready to enroll many more. Those who intend to curl should join up with delay, however, as new members are signing up almost daily and before long the executives may have to put the lid on.

First Series Finished. The first series between the Presidents and Vice-Presidents was completed on Saturday night, the former rinks winning by a margin of twenty-five points. A new series will follow shortly. A special feature of those matches will be the fact that the curlers will have an equal chance to get his share of the sport without long waits between games.

MRS. PANKHURST
TO LECTURE HERE

World-Famous Leader in Social Welfare Work to be Here Tuesday.

Mrs. Pankhurst of England, the world-famous leader in Social Welfare work and author of many memorable articles on Social Evils of today will lecture at the Opera House next Tuesday evening on "Social Evils," and will be assisted by Dr. Bates of Toronto who will doubtless deal with the physical side of this great problem. This is clearly an unique opportunity of hearing the world famous leader in Social Service work. Besides being a speaker of undisputed oratorical ability, Mrs. Pankhurst possesses an intimate knowledge of this work, which she has chosen to make her chief interest and there is little doubt but what citizens as a whole will be eager to hear Mrs. Pankhurst's address. The meeting on Tuesday next is one of a campaign which has been arranged for by the New Brunswick Branch of the Canadian National Social Hygiene Council, in an effort to combat with the prevalence of vice and the prevention of diseases which tend to interfere with the national fitness and happiness of the country. Mrs. Pankhurst has already addressed large audiences throughout the western provinces and Ontario where her efforts have been productive of considerable success. It is understood that all the larger centres in the province are to be visited by this well-known trio of speakers and it is possible that a province-wide campaign may be inaugurated.

HARRISONVILLE, QUE. The weather has been very cold and stormy for a few days.

Miss Leona Harrison has been ill for a few days, but glad to say she is recovering. Mr. Eddie Harrison has been ill for a few weeks, having injured his foot, but is now recovering and will soon be able to go to the woods again. Mrs. Peter Coull is very ill. Mrs. Matthew Willett has been ill for some months, but we are glad to hear she is improving.

Miss Edna Harrison entertained a few of her friends on Monday evening at the home of her parents, Mr. and Mrs. Sid Harrison. The guests included:—Misses Jean Coull, Nellie Coull, George Robertson and Reginald Harrison.

"Reported Missing" is going to be much talked about. See it so you'll be in the "know."

ELECTION ONLY
IN WARD THREE

Former Mayor and Six Councilors Re-elected by Acclamation—Election Tuesday.

Tuesday was nomination day here for the civic election which will take place Tuesday the 23rd inst. No opposition presented itself against the present town council except in the case of Ward III and it is unlikely that there would have been a contest in this ward either had not one of last year's councilors dropped out. The former mayor and six councilors were re-elected by acclamation, while former Councilor D. K. Graham, who chose A. B. Gorham as his partner will be opposed in the coming election in Ward III by J. Walter Howard and J. Wesley MacDonald. Following is the result of the nomination poll:—For Mayor—N. C. McKay. For Councilors-at-Large—Joseph Duncan and George St. Onge. For Councilors Ward I.—A. G. Belle Isle, John Gilber. For Councilors Ward II.—James Moors, Hugh Marquis. For Councilors Ward III.—D. K. Graham, Benjamin O'Grady, J. W. Howard, J. Wesley MacDonald.

For Councilors Ward III.—D. K. Graham, Benjamin O'Grady, J. W. Howard, J. Wesley MacDonald.

FERGUSON & WALLACE

WHERE COLDS STRIKE

The throat, breathing passages and lungs are the weak spots at which colds strike. And these are the very organs most difficult to reach. Because only a breathable remedy is capable of reaching the trouble spot there, Peps provides a breathable remedy, and their superiority over remedies which are swallowed into the stomach is therefore obvious. For convenience, this breathable remedy is contained in tablet form. To take the treatment, merely dissolve Peps in your mouth, and the medicinal vapor that is released is carried by the breath to the remotest parts of the breathing passages and lungs, healing, soothing and strengthening every part with which it comes in contact. At the same time, by destroying all disease germs, these medicinal fumes prevent the development of colds, coughs and serious chest trouble.

Carry Peps with you, and when you go from an overheated building to the bitter cold of outdoors, put a pessette in your mouth. Also as a protection against germs, keep a Peps in your mouth, when breathing the impure air of a crowded theatre or store.

For colds, coughs, or chest trouble, which have already developed, Peps are equally invaluable; also for bronchitis, sore throat, laryngitis, etc. All dealers, etc. box.

Sporting News of the Week

BATHURST DEFEATS MONCTON 7-2 IN NORTH SECTION OF N.B. & P.E.I. LEAGUE

Bathurst, N. B., Jan. 11.—The Bathurst hockey team continued its winning streak tonight when in a fast and clean game at the rink here they scored seven goals to Moncton's two.

Moncton drew first blood when Vanhook found the net about ten minutes after the opening of the game; three minutes later Ryan notched the first one for Bathurst.

The second period started with a speeding up by the Bathurst team, which kept the visitors almost continually on the defensive. R. Crippa scored ten minutes after the period opened, and five minutes later D. Crippa scored Bathurst's third tally.

In the third period Bathurst started a run of scoring after five minutes of play, Ryan sliding in the fourth score, and one minute afterwards Crosby found the net and followed it a minute later with Bathurst's seventh and final tally.

Moncton took the offensive and Milton got past Moar for their second and last score.

Charles Brown refereed the game to the satisfaction of both sides and handed out only two penalties of a minute each, one to each team.

The line-up of both teams was practically the same as in their previous games this season.

FREDERICTON WINS 3 TO 2 FROM MARYSVILLE

Fredericton and Marysville teams of the New Brunswick and Prince Edward Island League pried the lid off the senior hockey season last night in an exhibition game at the Arctic Rink, Fredericton winning by a score of 3 to 2.

Fredericton had all the promised speed but lacked the scoring punch in their attack, and after they had taken an early lead Marysville pulled up to within a single tally in the final period and before it was all over it looked like anybody's game.

Unusually good exhibitions by the specially well guarded and numerous opposing goal-tenders, both nets being dangerous shots turned away, and the strong rushing game with Billy Leamy, who has always played on the forward line, turned in as a defense player featured. The Marysville team were without Edgar Wade, the mainstay of their outer defence and their most spectacular rusher, who is ill and threatened with pleurisy, but "Peewee" Harrison proved a surprisingly capable substitute.

CAMPBELLTON WINS FIRST LEAGUE GAME

Local Players Outclass Moncton Hockeyists By Score of 10-2.

In Campbellton's first home game of the season in the Northern Section of the N. B. & P. E. I. Hockey League played here on Friday night of last week the local squad literally swept the Moncton players off the ice to the tune of a 10-2 score. The contest would probably have been more closely contested had the visitors not been through a hard fought game the previous night at Bathurst.

The local players were in fine form and their heady combination and clever stick-handling successfully contrived to outclass their opponents at all times.

Matthews, Campbellton's speedy right wing was probably the outstanding player of the evening, contributing no less than half the score. Williams and Fraser who took turns in the centre position did themselves credit. Thomas on left wing played his usual dependable game while Moar and McLean were always on the alert and supplied admirable support at every critical moment.

MacKenzie, in the local net, gave a stellar exhibition as goal-tender stopping many fast difficult shots.

The Moncton team put up a game fight despite the onerous turn of the contest in the first period. It takes good sportsmanship to keep playing a clean game when the odds are overwhelming and the visiting team, displayed the spirit of "no" "no" goals. Leamy defended the Moncton net with obvious skill while Wilson on the defence and Campbell at centre both did some nice playing.

The visitors failed to score until the final period. Motivated by this reason from being "demoralized" in a short game they rallied with spirit and made a desperate effort to cut down the lead. In their feverish efforts they abandoned all organization, each man chasing after the rubber for himself. As this point the contest reminded one of a flock of hens scrambling after grain in the barnyard at feeding time. Of speed it had been plenty but of system, nil.

G. L. Triton of Moncton referred the game to the satisfaction of both teams.

The line-up and summary is as follows:

Moncton	Goal	Defence	D. Wilson
McLean	Centre	Vanhook	Centre
Williams	Wings	Vanhook	Centre
Thomas	Wings	Vanhook	Centre
Matthews	Wings	Vanhook	Centre
Mowat	Spares	Vanhook	Centre
Fraser	Spares	Vanhook	Centre

First period: 1—Campbellton, Williams, 6 min.; 2—Campbellton, Matthews, 5 min.; 3—Campbellton, Matthews, 8 min.

Second period: 4—Campbellton, Mowat, 2 min.; 5—Campbellton, Matthews, 6 min.; 6—Campbellton, Thomas, 2 min.; 7—Campbellton, Thomas, 2 min.

Third period: 8—Moncton, Carroll, 3 min.; 9—Campbellton, Thomas, 1 min.; 10—Campbellton, Matthews, 3 min.; 11—Moncton, James, 5 min.; 12—Campbellton, Matthews, 6 min.

Penalties: Campbellton—Fraser 2 min.; McLean 3 min.; Mowat 2 min.; Matthews 2 min.; Moncton—Dupuis 2 min.

As the Moncton team only carried two spare Campbellton agreed to use only the same number.

SUSSEX DEFEATS ST. STEPHEN, 6 TO 1

Sussex, Jan. 11.—Sussex won from the St. Stephen team last night in a league game by a score of 6 to 1.

The St. Stephen team includes a fine lot of boys. Good sports and a coming hockey team. Only two penalties were imposed and they were on the home team. Local getting two minutes and Miller one.

In the first period St. Stephen scored their only goal, Sussex bagging four. In second and third periods, Sussex scored one in each.

Stomach Trouble Has Vanished

St. John Man Tells How Dressed Up His Stomach, Improving Pure Appetite and Him Up.

Everyone should get out of bed in the morning feeling refreshed from a night of perfect sleep. There should be no aches, pains or twinges, no sore muscles or stiff backs, no headaches, dizziness, bad taste in the mouth, or constipation. This would prove that every organ was doing its duty, like a motor car hitting on all cylinders, but do you? That is the question.

Take the advice of hundreds of men and women right in this district, who of gag in the stomach, palpitation, nervousness, poor sleep, weak appetite have discovered the underlying cause constipation, headaches, and dizzy spells. They have taken Dreo and restored the vital organs to full action.

Mr. William Matzson, 96 Pond street St. John, N. B., says: "I have found Dreo a very good preparation for stomach trouble. I was bothered for years with my stomach, gas would form after each meal, causing dizzy spells. I had tried everything without results, but after taking one bottle of Dreo I got relief, so I decided to keep it up, as I am positive it is the best remedy for my stomach trouble, for it has succeeded where other medicines have failed."

"My appetite is better, my food digests properly, I sleep the night through, thanks to Dreo. I want to let you know of the great results they can obtain from taking your wonderful preparation."

Dreo is sold in Campbellton, by Wan's Drug Store, and by good drug stores everywhere.

If YOU could Visit our Mills—

VISITORS to the Quaker Mills no longer marvel at the exclusive flavour, texture and goodness of all things baked with Quaker Flour. They see for themselves the inside care with which Canada's finest wheat is treated from the very first steps.

They see how thoroughly the grain is selected and cleaned—how gradually and finely it is milled—to produce a perfect flour. They see how Quaker Quality is ever maintained, by constant vigilance and hourly tests in the process of milling—by an actual baking of bread from each day's flour. Quaker Flour must be up to the Quaker standard before it can leave the Quaker Mills.

They realize why no other flour can equal "Quaker." Try it for your next baking.

INTERESTING ITEMS ON DAIRY COW

Series of Four Articles on the Dairy Cow From Calhoun to Cowhood.

The Graphic has received from Mr. J. E. McIntyre of the Agricultural Department, Bathurst a series of four articles which every farmer should read. The first one appears herewith and others will appear from time to time.

OUR DAIRY BULLS.

(Part One).

The dairy cow is the factory which manufactures the raw material of milk. No argument should be necessary to prove that the factory should be efficient. One of the ways to make it efficient is to build it properly. We are at once brought face to face with the question, "Does the way in which the dairy calf is fed and handled influence the ability of the future cow to produce milk?" We believe that question should be answered in the affirmative.

Before beginning to discuss the feeding of the calf a few words could be said about its breeding. There are some who believe that feeding is more important than breeding. Evidently it is no use to try to get production without first building up the animal. It is no use to try to get production without first building up the animal. It is no use to try to get production without first building up the animal.

"I Was a Fright!"

"Nothing I Could Take Made Me Any Fatter."

"Up to the time I was seventeen years old, I believe that I was the most miserable and unhappy girl that ever lived. I was a close cousin to the word 'fright' and I was the most miserably looking creature you ever saw. I was thin and very—straight up and down. My height was five feet nine inches and I weighed only ninety-one and three-quarter pounds. No matter what kind of clothes I put on I looked like a fright. I was clumsy and awkward. I used to stand before the glass and study my features. I found I had a good nose, good eyes and a good mouth, but my cheeks were sunken and my face looked like a skull with a piece of parchment stretched over it. But nothing could do or take made me any fatter. Men rarely even glanced at me. When they did, they surely gave me a casual, amused or pitying look—an expression which I am sure meant, 'why is a being like that allowed to live?' I used to lie awake at night for hours at a time wondering why there were so many beautiful girls in the world and I was so hideous. I was sold in Campbellton by THOMAS WRAN.

A few years ago, Mr. Puller, of the Nova Scotia Department of Agriculture, tried to establish a bull exchange where agricultural societies could exchange their three and four year old bulls for other proven bulls. The scheme proved a complete failure as we follow the present method of using only young bulls as breeders, the low average of the system to get rid of the old bull but they all wanted yearlings in exchange. Mr. Puller even went so far as to collect the best bulls and take them to Truro and keep them six weeks free of charge.

Societies that wanted to exchange bulls or to buy a new one could send their representative to Truro and see just what could be had. It was up to them all to produce three years. The real reason why the bulls are killed so young is because it takes more care and more skill to handle them till they are ten years old. It seems a pitiable thing that we have confined to the farm and we are not willing to take the time and use the skill to do it. We will go on all our lives with very ordinary live stock.

Among the great scientific discoveries of the year 1922 it is not improbable that posterity will estimate as the most important the discovery of the insulin treatment for diabetes, the discovery of a Toronto physician.

MURINE You Cannot Buy New Eyes

But you can prevent a loss of vision. Murine Eye Remedy is the only eye medicine that can cure all eye troubles. Murine Eye Remedy is the only eye medicine that can cure all eye troubles. Murine Eye Remedy is the only eye medicine that can cure all eye troubles.

LOCAL ITEMS OF INTEREST

News Notes of Town and Country Happenings Gathered by Graphic Reporters.

A LUSCIOUS DESSERT

The delectable "Thinking" soup of a satisfying meal. That's Gray's Velvet Ice-cream. Exquisite in quality and taste. Try it and you'll agree. In bricks or bulk at Gray's Wholesale Water Street.

FINED FOR SELLING HOCHI

A conviction was obtained here last week by the local prohibition inspectors in an inland revenue case against a Bathurst man, charged with illegal manufacturing of intoxicating liquor. A fine of \$50, and costs was imposed.

NEW BOWLING RECORD

By chucking up a strike, six games, a nine pin roll in two boxes and eight on another, Guy Wyss captured the bowling records on the North Shore by a margin of five pins on Wednesday last at the Boulevard Bowling Alley, totaling 146 on the string. The former record of 141 on a 10 box string was made by Harry Hachey. Starting with Monday of this week the Boulevard Alleys are offering weekly and monthly prizes to the bowler who rolls the highest score during these periods. Crickable interest is being taken in the contest and competition is keen.

ELECTION OF OFFICERS

At a meeting of the North Star Lodge, No. 48, I.O.O.F., on Monday evening the following officers were elected for the ensuing term:

N. G.—H. J. Keith.
V. G.—J. Foster.
R. S.—L. Scott.
F. S.—W. R. Campbell.
Treas.—A. E. Black.
Warden—R. Mair.
Conductor—H. McManan.

NO MORE WHEELS OF FORTUNE

The Hotel Merchants' Association has been taking steps to draw the attention of all persons promoting various affairs to raise moneys for charitable and other purposes to an amendment to the criminal code passed at the last session of parliament and which went into effect a few weeks ago. It is to the effect that all persons of chance, such as the punch board, wheels of fortune, guessing contests, etc., are illegal and anyone convicted of operating them is liable to two years imprisonment and a fine of \$2,500.

GEESSE FLY NORTH

Cape May N. J., Jan. 5.—Large flocks of geese have been flying north all day, some of them just clearing the tops of church steeples.
Uncle Bill Kinney, a veteran of the civil war, and a well known weather prophet, said that the children might as well put away their skates, as the winter would be the mildest in 25 years. The old veteran pointed to the fact that geese rarely fly north in such great numbers before the first of March, and it is a sure sign of warm weather.

HOCKEYISTS TAKE NOTICE

Now that we have a big rink suitable for hockey, we want the best hockey teams in the province. To do this, we will have to go some, but a friendly rivalry with such teams as are at Sussex, Fredericton, Moncton and the North Shore will result in a lot of the best friendships and good feeling between the metropolis of the province and the energetic auxiliary rinks on the outside.—St. John Journal.

CAMPBELLTON, N. B.

IS CREDIT TO CAMPBELLTON

New Curling Rink One of Finest in Maritime Provinces—Splendid Club Rooms.

When the new rink and club rooms on Ritchie Street is completed within the next few days Campbellton will possess a curling rink which will, in size and up-to-date equipment, compare very favorably with anything of its kind in the maritime provinces. The new building which provides ample room for four sheets of ice is 170 ft. in length and 68 ft. wide. This leaves sufficient room for spacious club quarters on both floors. The total cost, when completed, will be about \$12,000. The rink itself is a substantially constructed building, founded on a concrete sub-structure. It is warmly clap-boarded and careful provision has been made for adequate light. The finish of the ground floor which the entrance gives ingress to is tastefully finished in beaver board and Douglas fir and besides providing cherry and comfortable club quarters will be used as an observatory by spectators watching the matches; as large windows run the length of the room in the rear wall facing the ice.

The banquet hall and kitchen are located on the second floor in convenient proximity to each other. This hall, which will be used for social meetings of the club runs the full width of the building, and is tastefully finished on the same plan as the lower room. It is the intention of the club to have this apartment luxuriously furnished and when completed it will doubtless be one of the most pleasing features of the new rink.

Praise From Visitors.
From time to time visitors from various parts of the Dominion who are interested in curling have called to look over the new rink, and all have been enthusiastic in their praise. One party from St. John who travels extensively and who, incidentally, is an old curler, declares that Campbellton's new curling rink is equal to any in the maritime provinces.

Another Blow.
Stranger (to office boy)—I want to see the editor.
Office Boy—What editor? We got all kinds of editors around this point, nophin' but editors; just like the Mexican army, all generals and no privates.

MILD WINTER

Cape May N. J., Jan. 5.—Large flocks of geese have been flying north all day, some of them just clearing the tops of church steeples.

CAMPBELLTON, N. B.

OF INTEREST TO RETURNED MEN

Asked to Present Complaints and Suggestions Regarding Pensions.

A Royal Commission is to sit at St. John early in February for the purpose of investigating any complaints concerning pensions or any further suggestions former service men care to present. All claims are to be presented to a committee of not more than six who will present them at this sitting. At a recent conference of former service men of New Brunswick held at St. John, a committee was nominated for the purpose of preparing the arrangements and getting the final committee of six to argue any cases which they might find advisable to present. The committee is as follows:—E. A. Schuchfield, St. John, chairman; G. B. Logan, St. John, secretary; G. B. Weldon, Moncton; J. P. Bourgeois, Moncton; H. B. McLean, Chatham; H. Priestman, McAdam Junction; John R. Gale, Dr. G. B. Peet; and Dr. J. A. McCarly, St. John, and A. L. Barry, New Brunswick.

Through the courtesy of the press this is given publication in the hope of reaching any ex-service men anywhere in the province, whether he is a member of any of the organizations or not. If any such man will present his case with particulars in writing to any branch of the G. W. V. A. or to C. B. Weldon, secretary-treasurer of the Army and Navy Veterans, Moncton, or address to G. B. Logan, secretary to committee, at his address, P. O. Box 664, St. John, it will be given consideration.

Meetings of this committee will be held in McAdam Junction, Moncton and St. John, when individual cases will be heard. The committee is anxious to hear from the men at as early a date as possible, and as this may be the final hearing of these cases, those interested are requested to act promptly.

Your thanks are due to the press of New Brunswick for this notice.

Note: Anonymous communications will be disregarded.

ELECTION DAY

IN GLOUCESTER
February 15th is Day With Nomination Day One Day Earlier.

Polling day to select a representative for the Provincial Legislature from Gloucester County to fill the vacancy caused through the resignation of John G. Robb, M. P., will be February 15. Nomination day will be February 16. Nomination day will be announced by Premier Foster yesterday. It is understood that a Liberal convention will be held at Carleton Place on January 23 to select a standard-bearer. The names of A. J. Doucette, Carleton, P. P. Morris, Carleton, and others are prominently mentioned as candidates.

Public Notice

It is strictly forbidden for any persons to use water from the water system for the purpose of making private skating rinks. The police officers are instructed to enforce this request if necessary.

Consumers are again requested to stop all waste of water so that there may be sufficient for all legitimate purposes during the winter, so that it may as far as possible maintain adequate pressure for fire fighting purposes.

The greatest waste of water is to be found in private houses. A liberal daily capita consumption is being far exceeded. Citizens your co-operation is requested.

R. J. SANDOVER SLY, Manager Water and Sewerage Departments.

Campbellton, N. B., Jan. 18th, 1923.

A PROBLEM THAT MUST BE FACED

Improvement in the electric power system of Campbellton is now a matter that demands immediate consideration. For some time past numerous citizens have had occasion to complain of the inadequate supply of local electric power. Until recently, however, the inconvenience caused by this deficiency has been confined mostly to a number of parties who really needed light or power at such times as it was not to be had. But of late the feeling of dissatisfaction has become more general as a result of many citizens seeking to acquire themselves with the cause and attempting to secure information as to a possible solution of the problem.

It is needless to relate any of several incidents which prove conclusively that additional power must be provided. Most everybody is more or less familiar with the facts. The town council also realizes that immediate action is necessary and preliminary steps have already been taken. But the question remains. How can this matter be permanently and judiciously disposed of?

At present three different courses appear to be open to experiment. The first, addition to our present power plant, offers an apparently easy solution of the problem but not a permanent one. Moreover, following this course would necessitate the expenditure of a considerable sum of money. The second, obtaining power from the Niagara development through the New Brunswick Hydro Commission seems to offer a reasonably economical way out of the difficulty and an apparently permanent settlement of the matter. According to information received the H. D. Commission has offered to supply Campbellton with power at from 2 1/2 to 3 cents per kilowatt hour delivered at the switch board here, according to the quantity contracted for by the town. Fairly speaking, this seems a reasonable rate and, unless there are other matters to be considered, the town ought to be able to distribute this power at a cost to consumers, not exceeding, and probably less than, the present rate.

The third possible course in the present issue is independent local development of water energy on the North Shore. This would naturally entail very heavy expenditure and, so far, gives no definite promise in return. As yet, however, the second surveying expedition is not completed, so little of an authentic nature can be said in regard to the proposed enterprise.

Whatever the final decision of those who bear the responsibility in the matter, however, it is only fair to assume that this important issue will be carefully considered and the wisest and most economical course adopted. It should be borne in mind, however, that no time must be lost as Campbellton's progress and growth must not be hindered in this way. Our town is obviously entering a new era of development and unwise delay in the provision of adequate electric power would be detrimental to the town's industrial and commercial growth.

The Canadian Treasury is feeling the effects of the payment of \$5,000,000 a month on the British war debt to the Dominion. The debt was originally \$130,000,000. On November 30 last, it had been reduced to \$75,000,000.

Making The Meat Ends Meet

Meat is a heavy item of our food account and we must give it particular attention.

Do you consider it wise to buy your Meat and Fish from your grocer who makes a profit to cover expenses in proportion with the rest of his stock? Judge for yourself which has the heaviest expense—a Meat Market or a Grocery Store.

This Market has no charge account system that costs hundreds of dollars.

Our Meat and Fish though bought at a lower rate than most grocers or meat markets can buy them, is the Highest Quality obtainable.

These facts will prove that we can give you a fair price, lower than you can get elsewhere.

We call for your order and deliver it or you can telephone 140.

G. S. Wiseman

Roseberry Street Near Andrew St. Phone 140

LIQUOR AND REVENUE

Dissemination of provincial financial news for the last fiscal year enlightens us with the welcome information that New Brunswick will show a slight surplus for that period and gives ample proof that there is no logical reason why the government should continue to derive a large revenue from the sale of liquor. Business conditions are steadily improving and the government can reasonably look forward to a steadily rising Crown Land revenue. In view of this, it is therefore evident that the propagandists who are today asserting that unless the government continues to derive a substantial revenue from the sale of intoxicants the provincial income will be inadequate are making statements which are not only untrue but which are designed to lead the government, and a majority of the electors who support it on a false scent.

But the chief elements of the present prohibition situation are too clear to permit of misunderstanding. The revenue derived from the sale of liquor in New Brunswick should, in the light of the present situation, be confined, so far as is reasonably possible, to that emanating from the sale of liquor actually necessary for medicinal, mechanical and sacramental purposes. Moreover, the government should undertake to properly enforce the prohibitory law regarding the sale of intoxicants. The voice of the majority of electors in New Brunswick gave us prohibition. It is a provincial law. Why should it not be efficiently and faithfully enforced until such times as public sentiment proves that it is not feasible or not just.

Should the government see fit to bring the machinery of enforcement up to a better standard of efficiency there is a possibility that Campbellton might see some changes in regard to liquor matters here. It is hardly likely that the same force which is apparently being staged hereabouts, would be permitted to go on indefinitely. Delinquency and despicable shamming on the part of officials would probably cease. It would be a wonderful change and something entirely new to even the oldest citizens.

FACTS OF IMPORTANCE

TO ALL RATEPAYERS

In the last week's issue of your paper you published the second Mail letter signed "Citizen", in which the writer of same took to task in no mild terms, the five Councillors who last year blocked the Central Street subway proposal, for reasons only known to themselves and regarded as of what dreadful accident and calamities might befall us at any moment, and if any loss of life ever occurred on these death traps of ours, they would be responsible for said calamities and might reasonably be found guilty of manslaughter, through their gross indifference.

On Tuesday next the 23rd inst., an election for Councillors will be held in Ward Three. The candidates in that ward are Mr. J. Wesley McDonald, with Mr. J. Walter Howard against ex-councillor D. K. Graham and Mr. Ben Gorham.

It will be interesting to the voters of Ward Three, to learn before casting their vote that Mr. D. K. Graham was one of the five as referred to by "Citizen".

NOTE AND COMMENT

Sir Herbert Holt, President of the Royal Bank says there is a reason to look forward in Canada with "a great degree of confidence." And his view is shared by many of the Canadian captains of industry and finance.

The Times says: "The sidewalks of St. John are a disgrace to the city. In many places they are positively impassable in the evenings. Those responsible should be called on to make them passable."

At present we are glad to say the opposite is more or less noticeably the case here. Those responsible for keeping the snow aside have this year had no difficulties to contend with such as St. John has experienced, but it is only fair to say that we believe our street commissioner is "getting on."

At present we are glad to say the opposite is more or less noticeably the case here. Those responsible for keeping the snow aside have this year had no difficulties to contend with such as St. John has experienced, but it is only fair to say that we believe our street commissioner is "getting on."

WANTED

Three hundred people to attend a Social Masquerade at the K. of C. Hall, given by the Catholic Girls' Guild on Monday, 25th, at 8 p.m. Admission 50c. Lunches served.

A poll will therefore be opened in said Ward Three on TUESDAY, JANUARY 23rd, at or near Peter Vautour's Shop, next Durick's Drug Store, Roseberry Street, at the hour of ten o'clock in the forenoon and remain open until four o'clock in the afternoon, unless sooner closed as provided for by law.

I will be at the Fire Hall, Roseberry Street, at 4:30 o'clock p.m., on the 23rd instant, to receive the return from the said Ward Three and declare the candidates having the greatest number of votes to be duly elected. Dated at Campbellton this 18th day of January, 1923.

JOHN T. REID, Town Clerk.

PEOPLED HIS WORLD

How a Youthful Invalid Has Used His Time.

All the thirteen years of his life, Morris Wilkinson, of Ripley, Ont., has spent lying on his back, bed-ridden, and in the hands of his mother.

Yet, out of plasticine, deftly moulded, and from the fancies of his own childish brain, Morris has peopled a little kingdom, bounded by the four walls of his bedroom. Quaint figures from history, well-known statesmen, and all sorts of animals, scarce statue-like, but depicting quivering motion in every line, form the exhibit while the young artist has to his credit.

Marks of real genius, more than positive talent are shown in the models, and what adds to their cleverness and charm is the fact that their young creator has lain since as was a baby, entirely helpless except for the use of his two hands.

It is not so very long since an interested friend thought of providing Morris with the plastic material as a means whereby he might while away the hours by making things to him, lying helpless, and so quite by accident the genius of the boy was discovered.

From colored clay he has modelled animals, known to him solely from pictures. Out of the pages of history he has taken the idea for a tiny Roman legionary, mounted on horseback, and from history of more recent date, he conceived the idea for the figure of a Royal Canadian Mounted Policeman, lifelike in every detail of mounting and equipment.

The names of all his models, Morris keeps in a little black book, and he has a list of them, as carefully as though it were a mahogany filing cabinet. A wax swan, graceful and fragrant, the work of his own fingers, is Morris' chief pride.

W. D. Robb, who has been appointed ranking vice-president of the Grand Trunk Railway system, with the title of vice-president and general manager, is the first native-born Canadian who has been called upon to occupy this high office. He is also the first chief executive officer of the Grand Trunk to have served in that position with unbroken service, from an apprenticeship in the company.

Mr. Robb's railway record is one which illustrates to the full the romance of big business in the transportation world. His knowledge of success may be written as hard work and sheer ability. From his first day with the Grand Trunk he is noted as never having shirked a task, nor did he leave one half-done.

Mr. Robb was born in Longueville, Quebec, in 1857, his father having come to Canada from Scotland to join the Grand Trunk in its construction. He received his early education at Sherbrooke Academy and at St. Francis College, Richmond, Que. He began his career with the Grand Trunk in 1873 as an apprentice machinist. He was appointed night foreman at the Montreal shops in 1882 and was promoted to the position of foreman at Belleville in charge of motive power and car department in the same year. In 1887 he was appointed chief mechanic of the middle division, with headquarters at London, Ont., and in 1901 was made acting superintendent of motive power at Montreal. Mr. Robb was promoted to the office of superintendent of motive power in 1902, a position which he occupied until his appointment in 1917, as vice-president in charge of motive power, car department and machinery. His jurisdiction was extended in 1918 to include the operating, maintenance and construction departments of the system.

Mr. Robb was promoted to the office of superintendent of motive power in 1902, a position which he occupied until his appointment in 1917, as vice-president in charge of motive power, car department and machinery. His jurisdiction was extended in 1918 to include the operating, maintenance and construction departments of the system.

WANTED

Three hundred people to attend a Social Supper at the R. of C. Hall, given by the Catholic Girls Guild on Monday, Jan. 22, at 8 p.m. Admission 50c. Luncheon served.

STOCK-TAKEN OVER

Mr. Phillips, representing the STILLMAN SALES CO. OF CANADA, have taken over the stock of D. Goldenberg & Co. We understand that this company have undertaken to liquidate this stock as quickly as possible anticipating some immediate changes in the firm.

PUBLIC HEALTH NURSE

Miss Maloney, the Campbellton Public Health Nurse, wishes to announce that until she makes a survey of the town she will answer any call needing her services as public health nurse. The clergy, doctors and citizens are specially requested to report to her any case among the poorer classes requiring her assistance. Phone 240. Mrs. Alex. Robertson.

REPORTED MISSING

Much regret is being expressed by the management of our local theatre over the fact that owing to a last-minute change in bookings, necessitated by the movement of the theatre, they have for showing on Friday and Saturday a remarkably fine picture, to which they have not been able to do full justice in the matter of advertising because of the shortness of time. The picture is called "Reported Missing". Over 1000 people in the theatre player and everyone who is fortunate enough to read this is urged to see it.

RUN-OFF AT GLEN EMMA

Twenty-one cars and the locomotive of a freight train jumped the track Monday morning at Glen Emma and the Canadian National Railway main line was as a result blocked for some fourteen hours. The track for quite a distance was badly damaged. The freight consisted of wheat, meat, oats and merchandise which escaped with but little damage, though some of the cars had to be towed. Several of the freight cars were smashed up but the locomotive escaped with but slight damage. No one was injured in the wreck.

MRS. PANKHURST COMING HERE
By Dr. Hager, director of the Canadian National Social Hygiene Council, Ottawa, and by Dr. Bates, of Toronto, will address a mass meeting in the Opera House next Tuesday evening, Jan. 23rd, at 8 p.m. on "Social Evil". This is a unique chance of hearing this world famous orator. Hon. Judge McIntosh will preside and nurses from the two local hospitals will usher. Musical numbers between speeches. Be at your seat early for the hall will be overcrowded. Admission free. Silver collection to pay expenses.

SUDDEN DEATH OF S. A. POIRIER

Former Local Merchant Died of Heart Failure at Chandler, Saturday.

BORN

To Mr. and Mrs. R. F. C. Malt at the Soldiers' Memorial Hospital on Wednesday, January 10th, 1923, a son.

DIED

Much sympathy is felt for Mr. and Mrs. E. J. Winkler in the death of their little son Armand, aged five months, which took place on Jan. 17.

CARD OF THANKS

Mr. and Mrs. E. J. Winkler wish to thank their many friends for their kindness and sympathy shown them in their recent sad bereavement.

THOMAS YOUNG OF OAK HAY

ELECTED IN MANN
At the Municipal election held at Cross Point on the 10th inst., Mr. Thomas Young of Oak Hay Mills was elected Mayor of the Municipality of Mann, and Messrs. Alfred A. Fraser, Michael W. Murray, and Charles Berthelotte, as Councilmen.

IN MEMORIAM

FRANK—In loving memory of Frank who died on Jan. 19th, 1922.

In the lonely grave yard,
One year of silent sleep,
One I loved and cherished,
One I could not keep.
Oh my darling how I miss you,
No mortal tongue can tell,
But we must not murmur nor complain,
The Lord doeth all things well.

LARGE STOCK TO SACRIFICE

Mr. Phillips, representing the STILLMAN SALES CO., has taken over the stock of D. Goldenberg & Co. and has definite instructions to liquidate this large stock as quickly as possible. This is an event, a mighty sacrifice of merchandise that will be the talk of the countryside for months to come. Mercantile circles will be shaken by the marvelous values offered. Drastic methods must be used and we earnestly urge all old friends and neighbors to take immediate advantage of the tremendous values offered.

THE STILLMAN SALES CO.

WEEK OF PRAYER
The week of United Prayer as arranged by the Interchurch Council of Canada was carried out in Campbellton last week, the Baptist Methodist and Presbyterian churches co-operating. This arrangement provides a much appreciated opportunity for the various churches of our town to get together as was evidenced by the large crowds in attendance each night. On Tuesday night in Wesley Church, Rev. Mr. Camp gave the address, Rev. Mr. Boothroy in St. Andrew's church on Wednesday night, and on Thursday night Rev. Mr. McNeil, St. Andrew's new minister, spoke in the Baptist Church. The topic of addresses throughout was "The Lord's Prayer". The laymen held a meeting on Friday night.

J. E. LEVESQUE IS
NEW MAYOR

Youngest Man to Hold This
Office in Pasphebec—Elected
by 118 Votes.

Pasphebec, Jan. 17.—The Municipal election took place here this year with little more excitement than usual. The nomination was held on Wednesday last and the retiring councillors were all re-elected by acclamation. The mayor, however, Mr. James Levesque, had an opposing candidate in Mr. J. Edmund Levesque. The polling took place on Monday and was well attended although quite a few of the electors failed to vote. The result of the poll was as follows: For Mr. Levesque, 21 votes; for J. E. Levesque, 189 votes. Mr. Levesque has been mayor of Pasphebec for several years. In view of the fact that Mr. Levesque is quite a young man and did not canvass for his election, his majority is an unusually large one.

\$1500 FIRE YESTERDAY.
A loss which will probably amount to \$1500 was occasioned by fire here yesterday afternoon when a blaze broke out in a barn on Ramsay Street near Harcourt's factory, owned by Chas. Parker. The alarm was rung in about 2.30 and in a very few minutes the local squad of fire-fighters were on the scene. For a time the flames leaped high fanned by a stiff breeze from the west, but the water from the fire engine and the men soon contrived to avert danger of a spread although nearby buildings caught several times at first. Mr. Parker's loss will be a heavy one as it includes besides the barn a Chevrolet automobile and some furniture which was stored in the building. Moreover the property was not insured. The fire was extinguished about 5 o'clock. It was a bitterly cold day for fire fighting and several members of the department had their hands and feet painfully, although not seriously, frozen. It is believed that the fire originated from an outburst on the part of children who were playing about the barn.

OUR MEN'S

\$5.00

Shoes

Our lines of \$5.00 Men's Shoes, Goodyear Welt, meets every requirement of the man wanting better moderate priced shoes.

Man

SYNOPSIS
John Stuart Webster, mining en-
gineer after cleaning up a fortune in
Death Valley, California, starts back
East. He befriends a young lady,
Dolores, and after a month's
thoroughly rounding the cad. Re-
ceiving a letter from Billy Geary, his
closest friend, while in Denver, Web-
ster decides to journey West. His
chum's request to go to Sonoma, Cal-
ifornia, and undertake the de-
velopment of a mining claim there.
He is surprised to learn that Miss
Ruey is also on her way to Sonoma.
At Bonaventura, the capital of
Sonoma County, they find the
legendary "Mother Lode" keeper of a dram-
shop. Hearing that Dolores is com-
ing south, the old woman, ashamed of
her occupation and habits of life, sends
Geary to the town to tell the girl that
her father-in-law (Mother Lode) who
defended her as a child, has return-
ed to the United States. But Dol-
ores sees through the story and greets
the old woman as her friend and house-
hold. Geary falls desperately in
love with the girl. At New Orleans,
while waiting for the steamer to Bon-
aventura, Webster meets a man who
tells him that Dolores is married.
Later he learns that the
elbow he has befriended is Dolores'
brother who was believed dead and
who is now planning to overthrow the
ruthless government of President
Sarros who was responsible for the
death of his father, the former Pres-
ident of the Commonwealth. From
then on Webster is mixed up in the
plot of this revolution and is swept
along in a seething current of perils-
ous adventures. The revolutionary
party is victorious and the bad govern-
ment is overthrown. Webster has fallen in love
with Dolores but the swift and trou-
blesome march of events has prevented
him from speaking to her.
Ten years later, Dolores is a
staunch friend, however, in the person
of John J. Cafferty, a big-headed Irish
American. Webster has fallen in love
with Dolores but the swift and trou-
blesome march of events has prevented
him from speaking to her.
Ten years later, Dolores is a

MacPherson, Misses Bliss, Vivian Graves, Mrs. MacDonald, Jessie Moggie, Mona McLennan, Nan Wetmore, Jessie Macintosh and E. K. Mills.

OBITUARY.

Edouard P. Boudreau.
St. Omer, Quebec, lost one of its most respected citizens in the person of Mr. Edouard Boudreau, whose death occurred at Quebec, Jan. 5th, after an illness of several months.

The service and burial took place at St. Omer, Jan. 10th, Rev. Fr. Melancon of Campbellton celebrated Requiem Mass, assisted by Rev. Fr. LeBlanc of Charlottetown and Rev. Fr. Rioux P.P. of St. Omer as sub-deacon. The church was filled with relatives and friends from far and near as a mark of esteem in which the deceased was held.

The late Mr. Boudreau was sixty-four years of age and besides his wife Jeanne, he leaves also five brothers, Joseph of Coniston, Ont., Jerome of Bancroft, Maine; Adeline of St. C. has de Caplan, Francis and Honore of St. Omer; three sisters, Mrs. N. Audet of Maria, Mrs. J. LeBlanc and Mrs. F. LeBlanc of New Richmond.

To the sorrowing family we offer our sincere sympathy.

FISH AND GAME

CASES SETTLED

Defendants Abandoned Defence and Confessed—\$800 in Fines and Costs.

The Fish and Game Law violation cases which occupied the attention of the court here for four days last week came to an abrupt conclusion on Monday when, after maintaining a stubborn defense throughout the hearings, several of the defendants withdrew their plea of not guilty and confessed to the charges against them. The fines imposed together with costs aggregated to approximately \$800.

Summary of Cases
Acting upon certain information given by one William Bass on the 23rd December, 1922, that a certain French foreman, Pierre Deschene, of the County of Rimouski, Quebec, who was operating on the upper waters of the Kedgwick River, near the boundary between New Brunswick and Quebec, but within the province had, through his camp foreman, taken salmon from the river by means of contrivances made for that purpose, and also that he was destroying the game in that country, informations were laid before the Police Magistrate of the Town of Campbellton in which M. M. Mowat acted as informant against Charles Michaud, the "walking boss" of all the camps, Joseph Briveau, camp foreman, one Laviole, Pierre Deschene and Stanislas Albert.
Two constables were then sent to

ELECTION CARD

Campbellton, N. B.,
Jan. 16th, 1923

To the Electors of
Ward Three
Ladies and Gentlemen:—

At the request of a large number of the ratepayers of Ward Three, we have consented to become candidates for this ward, at the election to be held on the 23rd inst.
We therefore take this opportunity of soliciting your kind support on this occasion. The time being quite limited between this and polling day, it would undoubtedly be impossible for us to interview everybody, but we can assure you, right now; that if we are elected to represent you at the Town Council Board, we will earnestly and to the best of our ability give our keenest attention to every question pertaining to the good management of our town affairs, as well as the reasonable continuation and distribution of the several long needed improvements.
Thanking you in anticipation of your kind support, we are
Respectfully yours,
J. WESLEY MACDONALD,
J. WALTER HOWARD.

ELECTION CARD

To the Ratepayers of
Ward Three:—

Ladies and Gentlemen:—
Having been requested by a large number of ratepayers to offer as Councillors for this ward at the election to be held on Tuesday next, we have consented to do so, and if elected, will give the best in us to advance the interests of this ward and town in general.
As it will be impossible for us to see each and all the ratepayers before election day, we take this opportunity of asking you for your kind support on Tuesday, Jan. 23rd.
Thanking you in anticipation, believe us,
Your obedient servants,
DAVID K. GRAHAM
A. BENJAMIN GORHAM.

Rimouski, Que., with warrants endorsed on the back to enact in that province so that the accused might be arrested thereon. They secured the services of J. C. Gauvreau, chief detective of that district, engaged teams and went through the head waters of the Kedgwick River, a distance of some seventy miles. Arresting all the members of these camps, and they brought them to Campbellton, through Rimouski, on the night of January 19th.

The case against Charles Michaud for taking salmon from the river by means of a four-hook jigger and hay wire contrivance came up for hearing on the 10th January. He was represented by Mr. Casgrain, lawyer of the province of Quebec. This case of Michaud's was concluded on Friday evening, the 12th instant. The accused was found guilty and a fine of \$75.00, together with \$88.00 costs, was imposed.

Two further cases were laid against William McGraw and Charles Poulin for killing salmon in the Kedgwick River. These cases, along with that of Stanislas Albert, were concluded on Monday, the 15th January and convictions were entered up in each case. Upon the conclusion of the four cases, the remaining three defendants withdrew their plea of "not guilty" and entered a plea of "guilty." Thus convictions were entered up in the whole seven cases.

One case was also prosecuted under the Game Act for the province of New Brunswick. The cases prosecuted under the Dominion Fisheries Act were proceeded with under the direction of the Restigouche Riparian Association, for which A. T. LeBlanc and H. A. Carr acted throughout. The defendants were represented by Mr. Casgrain, J. Allen LeBlanc and T. Stanger Crockett.

The action for infringement of the Game Act of the Province of New Brunswick was prosecuted by M. A. Kelly and in this last case, in which the defendant withdrew his plea of "not guilty" and confessed a fine of \$50.00 and costs was imposed.

OBITUARY
Mrs. Jane Thompson.
of Mrs. Jane Thompson, daughter of the late Mr. and Mrs. Walter Glover of Kempt Road, will learn with deep regret of her death which occurred at Ontario, on January 13th. The deceased lady was in her seventy-eighth year.

HAIR PINS AND ROLLING PINS

After our stock had been swept away by holiday shoppers, we began at once to stock up again.

In place of the Gift Articles we have now countless notions. Many articles of Hardware needed around the house, all kinds of Utensils for the kitchen, and, and—and—well, if we made a list of everything it would take you a week to read it. We have a score of articles for every letter of the alphabet.

But we must not forget to mention our MAGAZINES, we have all the Latest and Most Popular of these. If we have not yours we will get it for you.

Our Magazines are sold at the price marked on them—and not ten or fifteen cents more.

Call on us often, you are always welcome.
