THE year now departed was fraught with that pleasure:
 And if destined another's existence to prove,
 It may teach me, perchance, by experience to measure
 How close the connexion 'twixt friendship and love.

VII. JULY hath XXXI Days. 1812.

Unknown the region of his birth,
The land in which he died unknown;
His name hath perished from the earth,
This truth survives alone :—

That joy and grief, and hope and fear,
Alternate triumph'd in his breast;
His bliss and woe,---a smile, a tear !
---Oblivion hides the rest.

vt. AUGUST hath XXXI Days 1813.

This bounding pulse, the languid limb,
The changing spirits' rite and fall;
We know that these were felt by him,
For these are felt by all.

He suffer'd,---but his pangs are o'er;
Enjoy'd,---his delights are fled;
Had friends,---his friends are now no more;
And foes,---his foes are dead.

He loved, - but whom he loved, the grave
 Hath lost in its unconscious womb;
 O she was fair! - but nought could save
 Her beauty from the tomb,

The rolling seasons, day and night,
 Sun, moon and stars, the earth and main,
 E'er while his portion, life and light,
 To him exist in vain.
