

The Acadian

DEVOTED TO THE INTERESTS OF WOLFVILLE AND EASTERN KINGS

WOLFVILLE, NOVA SCOTIA, FRIDAY, May 12, 1922

\$2.00, payable in advance

Vol. XLI. No. 30.

HALIFAX CARRIED OFF THE HONORS

In the Swimming Championships Held Here Last Friday—Local Athletes Made Good Showing.

Benny Marshall, of Halifax, took the indoor 100 yards swimming championship of the Maritime Provinces in the Acadia College tank last Friday night, doing the 100 yards swim, free style, in 1 min. 11 4-5 sec. Marshall was given a good race by Armitage and Burton. Roddy Armitage took the men's 50 yard back stroke in 43 4-5 sec., with Marshall second.

The preliminary events took place at the Acadia Gym in the afternoon before a moderate crowd, who enjoyed the sports. The 100 yards men's final, in which Marshall just beat Burton and Armitage, and the spurt made by Miss McLaughlin, which enabled her to beat Miss Hebb by a mere fraction, were particularly exciting. The evening session was crowded with spectators, whose enthusiasm was kept at a high pitch throughout. A. B. Dawson, of Halifax Y.M.C.A. proved an admirable starter and referee. The judges were Prof. Conant, Mr. Hebb and Miss Reynolds; while Dr. DeWitt, Mr. C. B. Russell and Professor Rau timed the events. Mr. C. A. Lewis also acted as starter. The events and winners were as follows:

Wolfville boys, under 125 pounds, 20 yards free style—1, R. Prescott; 2, J. E. Williams; 3, Willie Cutten. Time 15 1-5 sec.

Boys 50 yards—1, R. Prescott; 2, J. E. Williams; 3, W. Cutten. Time 50 sec.

Women's 20 yards, free style—1, Kitty Foley, St. Mary's, Halifax; 2, Mae Proctor, Acadia; 3, Beatrice Hebb, Halifax. Time, 16 4-5 sec.

Women's 50 yards, breast stroke—1, Kitty Foley; 2, Beatrice Hebb; 3, Mae Proctor. Time, 49 sec.

Women's 100 yards—1, Jean McLaughlin, Acadia; 2, Mae Proctor; 3, Beatrice Hebb. Time, 2 mins. 4 sec.

Men's 100 yards, free style—1, B. Marshall; 2, G. Burton, St. John; 3, R. Armitage, Halifax "Y". Time, 1 min. 11 4-5 sec.

Men's 50 yards, back stroke—1, B. Armitage; 2, Marshall; 3, Burton. Time, 43 4-5 sec.

Men's 50 yards, breast stroke—1, Burton; 2, Armitage; 3, DeBlois, Acadia. Time, 41 sec.

Men's, 50 yards, free style—1, Marshall; 2, Crosby; 3, Armitage. Time, 30 sec.

Men's 20 yards, free style—1, Crosby, Halifax "Y"; 2, Marshall; 3, J. E. Burchell, Halifax "Y". Time, 10 1-5 sec. Armitage has qualified for this event, but was scratched.

Men's 200 yards, free style—1, Armitage; 2, Marshall; Burton failing to finish through cramp. Time, 3 mins. 22 sec.

Long plunge—Armitage was first with 33 ft. 7 in.; Brown and DeBlois tied with 32 ft. 8 in. In the evening Brown and DeBlois competed again, each exceeding the winner. DeBlois was second with 36 11, and Brown third with 34 9.

Fancy diving, Men's—1, Marshall; 2, Brown, Acadia; 3, DeBlois.

At the close Mr. Dawson announced that Mr. Marshall, who during the season had trained 187 pupils in the art of swimming at the Halifax "Y," would perform a few stunts while the judges got ready. His display, despite strenuous experiences in both afternoon and evening, was highly appreciated. Mr. Dawson also presented the gold, silver and bronze medals to the respective winners. The shield was won by Halifax Y.M.C.A.

GRADUATING RECITALS

Recitals of the graduating students of Acadia Seminary will be as follows:

Friday, May 12—Miss Minnie MacLean completing the course in Expression for a diploma, and Miss Vera F. Coy completing the Teacher's Course in Expression for a diploma.

Monday, May 15—Mr. William Miller completing the course in Expression for a diploma.

Friday, May 19—Miss Mary Eagles completing the course in Piano for a Soloist's and a Teacher's diploma.

Monday, May 22—Miss Frances E. DeWolfe completing the course in Voice for a Soloist's and a Teacher's diploma, and Miss Eleanor M. Mitchell completing the course in Piano for a Soloist's and a Teacher's diploma.

Thursday, May 25—Miss Miriam Bancroft completing the course in Piano for a Soloist's and a Teacher's diploma, assisted by Miss Myra B. Alcorn receiving a Certificate of Standing in the Teachers' course in Violin.

Friday, May 26—Miss Edys E. Wilson completing the Soloist's and Teacher's Course in Piano for a diploma, and Miss Mary Lusby receiving a Certificate of Standing in the Artist's Course in Violin.

VETERAN CANADIAN LUMBER KING

John R. Booth, who is frequently referred to as "the grand old man of the Canadian lumber industry" has just past his 95th birthday. He was born on April 5th, 1827, in Waterloo in the County of Shefford, in Eastern Townships of Quebec. During his business career he has become a millionaire.

PUPILS' RECITAL

At the Acadia Conservatory of Music

An interesting recital was given at Alumnae Hall, Acadia Seminary, on Saturday evening last, by pupils of the Pianoforte Normal Department of the Conservatory, which is under the supervision of Miss Anne M. Bonnett. All the numbers were splendidly rendered and much enjoyed by those present. The program was as follows:

Class Drill—Conducted by Miss Eleanor Mitchell. Hand Culture.

Class Drill—Conducted by Miss Miriam Bancroft. Definitions, notation and rhythm.

Selections from, "Thirty Easy Pieces" and "Seven and Twenty Easy Pieces."

Over the Fields So Gay... Betty deWitt

Merrily We Dance... John Eaton

The Cloud... John Eaton

Under the Tree... Frances Roach

Let Us Sing a Merry Lay... Frances Roach

Happy Days So Bright and Fair... Enid Hardy

Sleep Birdie, Softly Sleep... Enid Hardy

Sunshine Bright... Norman Phinney

Fair Spring Days... Dorothy Lockhart

Study... Frances Brown

In the Garden... John Miller

Happy Morn... Hild Balcom

Little Dance... Harold Perry

Cuckoo, Cuckoo, Calls from the Wood... Jean Manely

Song... Ruth Ingraham

At The Chapel... Jean Archibald

Along The Way... Greta Rose

Waltz... Greta Rose

At Vespers... Greta Rose

Playtime... Greta Rose

Cradle Song... Jessie Amos

Study... Estelle La Blanc

Gurilt—March... Ruth Colt

Burgmuller—Barcarolle... Ruth Colt

God Save The King

CANNING NOTES

The unveiling exercises in connection with the Canning soldier's memorial will be held on the afternoon of Sunday, May 14th, at 3 p. m. His Honor Lieut.-Governor Grant, of Halifax, will be present and assist in the program for the afternoon. Addresses will be given by Rev. Dr. MacKinnon, principal of Pine Hill College, and Dr. Cutten, of Acadia University. An interesting musical program will also be given, and it is hoped many will avail themselves of this opportunity of paying their last tribute of respect to our valiant heroes and heroic dead.

The Canning Dramatic Society presented the comedy-drama, "The Country Doctor," in the Armories, on the evening of May 3rd and 5th. A large number attended each performance, which was voted one of the best yet.

Mrs. Annie Avery, who spent the winter months in Halifax, returned home recently.

Mrs. A. M. Covert spent last week in Halifax, returning on Saturday.

All are pleased to hear encouraging reports from Rev. and Mrs. Hodgson, who are in Boston for medical treatment.

About thirty members of Athlon Lodge, Canning, visited Pesequid Lodge, Windsor, on Thursday evening, May 4th and conferred the Second Degree on three members. This visitation was in response to an invitation extended by the Windsor Lodge and the work was done very creditably.

The first strawberry blossoms we have seen this season were handed to us on Tuesday by little Miss Deja Fitzgerald.

WILL ERECT A TABLET

In Memory of Boys of Baptist Church Who Fell in Great War

A pleasant gathering was held at the dining-room of the Wolfville Baptist Church last Friday evening, the occasion being the annual banquet of the Bible Study Class which has just terminated its meetings for the season. The ladies of the Social and Benevolent Society, with characteristic hospitality, served a sumptuous luncheon, which after grace had been said by Rev. Noble Crandall, the large number present enjoyed to the full.

Prof. F. E. Wheelock, the president of the class presided, and announced the program which began with an exceedingly well rendered vocal solo, by Mr. A. J. Mason. This was followed by an address by the pastor, Rev. Dr. Mac Donald, who paid a fitting and eloquent tribute to the boys who had gone from the congregation to participate in the great war and especially to the fourteen who never came back. He outlined the purpose of the present gathering to arrange for the placing of a suitable tablet in the church to perpetuate their memory and to be a permanent reminder of the church's share in the great struggle for world liberty.

Appropriate addresses were also given by President Cutten and Col. N. H. Parsons, after which, on motion of Mr. A. M. Young, seconded by Mr. F. E. Peck, it was unanimously decided to raise at least \$300 towards the procuring of a suitable tablet and to appoint a committee to procure same and arrange for its unveiling as soon as possible.

After a hearty vote of thanks had been tendered the ladies for their contribution to the success of the gathering, the meeting closed with the singing of the National Anthem.

CLOSING EXERCISES AT ACADIA

May 25th to May 31st

The closing exercises of Acadia University will take place as follows:

Thursday, May 25—Recital in Baptist church.

Friday, May 26—Recital in Baptist church. Both recitals at 8 p. m.

Saturday, May 27, 3 p. m.—"The Dramatic Secretary," presented by Dramatic Society.

Sunday, May 28—Baccalaureate sermon by Rev. Clarence Barbour, D.D., President of Rochester Theological Seminary. Vesper service at afternoon at 4.

Annual Y.M.C.A. service at 7 p. m.—preacher, Rev. Herbert S. Johnson, D.D., of Boston—followed by a sacred concert by the College Band on the College grounds at 8 p. m. All other services in Baptist Church.

Monday, May 29, 11.30 a. m.—Girls' Aquatic meet at Gymnasium. Seminary Class Day at Baptist Church at 2 p. m.

Track sports in the afternoon. Graduating exercises of Acadia Collegiate and Business Academy in Baptist church at 7 p. m. Address by H. S. Ross, K.C., Montreal.

Tuesday, May 30—Class day exercises of Graduating Class at 10 a. m. in church. At 11.30 Boys' Aquatic meet at Gymnasium. 7 p. m., at church, Graduation exercises of Acadia Ladies' Seminary.

Wednesday, May 31, 10.15—Graduating exercises of Acadia University in Baptist Church. Reception at President's residence in the evening.

VALLEY BASEBALL LEAGUE

Executive Meets and Draws up Schedule—Wolfville Plays First Game June 8th.

A meeting of the executive of the Valley League was held at Kentville Monday evening with the following delegates present: A. L. Davidson, president, Middleton; W. S. Prince, secretary, Kentville; J. H. Cunningham, Bear River; H. T. Mackenzie, Bridgetown; C. Messenger, Lawrencetown; G. L. Andrews, Middleton; George Cox, Berwick; Dr. McGrath, Kentville; H. G. Evans, Wolfville, and W. Singer, Windsor.

On motion Bear River was admitted to the Valley League, thus making eight teams.

It was voted to divide the league into two sections as was carried out last year, with Windsor, Wolfville, Kentville and Middleton in the eastern section, and Berwick, Lawrencetown, Bridgetown and Bear River in the western section.

Each team is to play home and home games with the other teams in that section, the two sections to complete games by July 19th.

Following are the schedules drawn up with the last named as the home team:

Eastern Section.
June 7—Kentville vs. Middleton.
June 8—Wolfville vs. Windsor.
June 14—Middleton vs. Wolfville.
June 14—Windsor vs. Kentville.
June 21—Windsor vs. Middleton.
June 21—Kentville vs. Wolfville.
June 27—Middleton vs. Windsor.
June 28—Wolfville vs. Kentville.
July 5—Wolfville vs. Middleton.
July 6—Kentville vs. Windsor.
July 19—Middleton vs. Kentville.
July 19—Windsor vs. Wolfville.

Western Section
May 31—Lawrencetown vs. Bear River.
May 31—Berwick vs. Bridgetown.
June 7—Bear River vs. Lawrencetown.
June 7—Bridgetown vs. Berwick.
June 14—Berwick vs. Bear River.
June 14—Lawrencetown vs. Bridgetown.
June 21—Bridgetown vs. Bear River.
June 21—Lawrencetown vs. Berwick.
June 28—Winners May 31 vs. Winners.
June 28—Losers May 31 vs. Losers.
July 5—Bear River vs. Bridgetown.
July 5—Berwick vs. Lawrencetown.
July 19—Bear River vs. Berwick.
July 19—Bridgetown vs. Lawrencetown.
July 19—Lawrencetown vs. Bear River.
July 19—Berwick vs. Bridgetown.

The D. and M. ball was made the official ball for use in all league games, and the offer of Magee and Charlton, Bridgetown, to furnish a cup on this condition accepted.

A fixed hour for the games, namely, four o'clock, was set unless it was agreeable to both competing teams to change the hour of any particular game. If either team is not on the field within fifteen minutes of the time set the game is to be forfeited if a reason for the delay is not offered. All disputes in the matter are to be settled by the president.

A fixed entrance fee of 25 cents is to be charged for all league games, with an additional charge for grandstand if so desired by the home team.

The resignation of W. S. Prince as secretary of the league was accepted, and F. G. Wark was appointed in his place.

The Ladies' Bridge Club was entertained on Tuesday evening at the home of Mrs. D. G. Whidden. This was the final meeting of the season.

HON. SIR CLIFFORD SIFTON

who, in an address before the Hamilton Chamber of Commerce, said that the settlement of 30,000,000 acres of land in the Prairie Provinces with desirable peasants from the European countries would soon overcome the deficit of the Canadian National Railways System and would facilitate the payment of the National Debt.

PORT WILLIAMS HAPPENINGS

Capt. J. E. Faulkner, of the Canadian Mariner, is spending a few days at his home here. His ship is loading at Montreal for Australia and he leaves to join his ship the 18th.

On Tuesday evening, May 14th, there will be a concert given in the Baptist Church by the members of the "Mission Circle" assisted by the Sunday School.

The program is "Lights and Shadows," a good representation of the heathen people also the Christians. A silver offering for Mission work.

Dr. Zwicker and family have returned to their summer home on Belcher Street after spending the winter in Wolfville. On Friday evening May 5th Miss Edith Zwicker entertained a number of her friends at an informal dance. Among the guests was Miss Purdy, teacher of stenography and typewriting at Acadia Seminary, who spent the week end with Miss Zwicker.

On Tuesday, May 2nd, some of the members of the W. M. A. S. attended the Women's meeting at the District Convention, which met at New Minas; a very interesting and profitable program.

The most important part was a talk given by Miss Mabel Archibald, returned missionary. This proved to be quite as interesting for the older ones as for the young.

On Thursday afternoon the Rev. O. N. Chipman attended the funeral of Mrs. Collins, of White Rock, Mrs. Collins was the relict of the late James Collins of the same place.

Rev. Mr. Miller, of Wolfville, gave a lecture on "Dickens" before the Women's Institute, Port Williams, on May 11th. Every one thoroughly enjoyed hearing Mr. Miller again.

Miss Josephine M. Edmonds (teacher) attended the funeral of the late Mrs. Collins, of White Rock.

There is being prepared a musical concert, under the auspices of the "Lily of the Valley" Division (S. O. T.) to be given within a few weeks. The work is all being done by local talent under the direction of Mrs. O. G. Cogswell. The date will appear in a latter issue, also the program.

Mrs. Shaffner who has been spending several months with her daughter, Mrs. O. N. Chipman, has returned to her home in Lawrencetown.

Mr. Roy Chipman (son of Rev. O. N. Chipman) leaves for Toronto on May 15th where he will join his uncle Mr. K. G. Chipman, and from there they proceed to Gaspé Bay, Quebec, on a Geological survey. This is the third year of his appointment for this work. No more proof is needed of his ability for this special work, and we wish him every success.

The "Lily of the Valley" Division paid a fraternal visit to the Gaspereau Division, on Friday May 5th. After the program all sat down to a bean supper which was very acceptable on a cold night such as it was. Everyone is always sure of a jolly good time when they visit Gaspereau Division.

Mr. William H. Graves, since moving back to Port Williams, has been improving his home to a great extent. He has had the electric lights put in, also a bathroom, besides many other improvements. He is also building a garage.

Mr. J. Lloyd Jess, elder in the local branch of the Royal Bank of Canada, is at present enjoying his annual vacation.

The Bridgetown Cricket Club have appointed as captain, Charles Bothamley; vice-captain, Charles Ollerhead; Secretary-treasurer, H. T. McKenzie. Ground committee, Herman Young, George Wheeler and A. F. Little.

The Ladies' Bridge Club was entertained on Tuesday evening at the home of Mrs. D. G. Whidden. This was the final meeting of the season.

ACADIA DEFEATS DALHOUSIE

In Fast Game of Baseball—Score 1 to 0—Brown Pitched Splendid Game.

Acadia shut out Dalhousie by a score of 1 to 0 in the first game of the season, on the Acadia campus Tuesday. It was a pitcher's battle all the way with little to pick between the two hurlers. Although neither of them sent many down by the strike-out route, the batters were unable to do little more than send up pop flies or die on easy rollers. Acadia played heads-up ball all the way, while Dalhousie lost several golden opportunities to score, through poor judgement on the bases and at the bat, twice having the sacks crowded.

The game was played on a wet ground, with a cold wind sweeping the diamond, yet the teams performed in mid-season style. While Brown was giving the Halifax batters lots of trouble, Acadia was finding nothing easy in Richardson's delivery, and but one ball was driven to the Dalhousie outfield. For six innings neither team was able to shove a man across the platter, and with both pitchers going strong it looked like extra innings. But in the seventh however, Acadia spoiled this idea when by means of two hits and a Dalhousie error, Anthony chased across the rubber with the big run. This one tally looked as big as a mountain, and plenty for a win. With two down in the eighth Blanchard drove out the longest hit of the day, but died on second, when Phinney grabbed a high foul from Wilson on a pretty play. In the ninth Dalhousie went down in order.

"Fabe" Bates turned in the feature of the game when he nabbed a foul from Grimmer's bat after a long run, and Mont Haslam topped off a good day in the field when he hauled down what looked like a sure hit by Murray, while running back to the diamond. Murray, picked off a few promising looking drives in centre field and reached up after a sizzler from the Dalhousie first sacker that appeared labelled for extra bases.

In the third inning the Halifax collegians crammed the bases, but it was in the seventh stanza that they had the chance to bust the game wide open, yet this chance went glimmering by when Wilson was forced at the plate, Beaton laying out down into the pitcher's hands for a easy force-out.

Brown started the game as if he was going to hang up a mark for strike-outs getting two victims in the first, while in the second after giving a free ticket, he struck out the side. Though the batters commenced to connect with his shoots with more regularity he always tightened up in the pinches, and his team gave him support, their two misuses coming when they weren't dangerous. Only in the seventh did he really seem to be in any difficulty when he found him for three fruitless safeties.

Although under most adverse conditions the game was fast and the brand of ball was smooth. It took but an hour and fifteen minutes to run it off. In the fourth inning Dalhousie went down on five pitched balls. Joe Garnett, of Halifax, called the balls and strikes and kept the players on their toes the whole way. He missed none. Carl Angus acted as base umpire.

PROHIBITION IN CANADA

Hon. P. C. Larkin, High Commissioner of Canada, arrived in England last week and, in an interview published in the Press, he gave his views on the effect of prohibition in Canada. The fact that he is not himself an abstainer gives all the more weight to his testimony to the beneficial results of the abolition of the liquor traffic. Generally speaking, he says that prohibition is popular in the Dominion and is already producing very striking effects. By direct and indirect means, Canada is saving the interest on her public debt. This, of course, is a hint to ourselves. Our expenditure on drink last year was upwards of 400,000,000 pounds so that prohibition in this country would at once and directly cover the interest on our debt, vast as it is. But it is in other directions that Mr. Larkin sees the most beneficial effects of prohibition. It is always the poorest and the weakest classes of the community which suffer most from the evils of drink, and it is therefore they who benefit most from the removal of those evils. Mr. Larkin notes especially that debts are paid more regularly in a "dry" Canada than they were in a "wet" one, and that employers find that their workpeople waste less time and do their work better. This is also the experience of America, and it has been one of the chief reasons why the great employers of labor in the States have throughout given their support to the prohibition movement.—From The British Weekly.

BOOST YOUR OWN TOWN

One of the evils of trading with mail houses (Yes, we are at it again, dear reader) is seen in the effects on the schools. That may seem a trifle far fetched at first but let us see how it works out. As you all know, the schools are dependent for their buildings, for their equipment, for their teaching staff, for every small outlay of money, upon the taxes paid by the community. The prosperity and fitness of the schools depend upon the size of those taxes. Now, as you all know, the amount of the taxes depend upon the wealth of the community and to a large extent, that wealth depends upon the amount of money that is spent in the community. After all, the town loafer has his purpose just as the drone serves a purpose in the hive. He shows up to a greater advantage the work that the others are doing and thus encourages them to keep on. Spend your money at home, the merchant puts it into merchandise that is taxable and that helps support the school, the laborer invests it in a home and in his turn is taxed. It is on the taxes that the school depends. Spend your money away from home and it is gone for good. Some merchant you do not know is benefitted; some other community's wealth is increased; some other high school can have new and better equipment. Where is the advantage in that?

HAVE YOUR Family Wash

done at the Valley Laundry and save the bother of having it done at home. Wet wash or rough dry. Ironing done if desired. Flat work and Men's soft shirts. All work called for and delivered. Valley Laundry F. J. McINNIS, Gaspereau Phone connection.

DISRAELI FILM IS MASTERPIECE

The Victorian Era, rich as it was in great men, brilliant in its record of illustrious figures who trod the stage of history for a brief space, illuminating the pages of Britain's story with deeds that raised up empires and brought empires crumbling to the dust, produced no more remarkable man than Benjamin Disraeli. A statesman who graduated step by step from the humblest ranks, a man whose enemies cursed as an opportunist and whose friends were puzzled for a word to embrace him, Disraeli was brilliant in his achievements and never more scintillating than in his reverses. His whole character stands out in bold relief against that of his lifelong opponent, Gladstone. The former was subtle and rapier-like in thought and word, the latter ponderous, overwhelming and virtuously dignified. Disraeli did not hesitate to employ small men and small means to attempt the attainment of big things; his methods were un-English, revolting to the dignity of his party, but they were the methods of Disraeli. Their result was beneficial to England; they served England's purpose in a time when statesmanship was a combination of craft and cross-dealing. In the great picture of that name, Disraeli is made to live again. One is transported back to the reign of Queen Victoria and once again we see England as she was in the flood-tide of her greatness, England whose navies controlled the seven seas and whose armies stood guard at the outer doors of the far-flung empire. No more charming and educationally invaluable film has ever been thrown on the screen, and it would be a tribute to one's own grasp of "welt-politik" to see the masterpiece of George Arliss, at the Opera House next Monday afternoon and evening.

THE PROVERBS SOUND FAMILIAR

What is home without another? A fool and his honey are soon mated. Eat your steak or you'll have stew. Stays make waist. As you sew so must you rip. A lie in time saves nine. One touch of nature makes the whole world squirm. Matri-money is the root of all evil. Necessity is the mother of invention. Sweet are the uses of diversity. A word to the wise is resented. Where there's a will there's a lawsuit. Hell is paved with big pretensions. Pride will have a Fall bonnet. Pride goeth before and the bill cometh after. There is no soak without some fire water. Misery loves company, but company does not reciprocate. Look before you sleep. Many are called but few get up. It's a strong stomach that has no turning Saint heart ne'er won fair lady. Silence gives content. People who love in glass houses should pull down the blinds. Honor is without profit—in most countries. A church fair exchange is robbery. Fools rush in and win—where angels fear to tread. Consistency, thou art a mule! Economy is the thief of time. A bird on a bonnet is worth ten on a plate. Displays are dangerous. The poor ye have with ye always—but are not invited. Once they married drinking men to reform them; now they marry drinking men to find where they get it. Ask for Minard's and take on other.

GREENWICH NOTES

Last Tuesday evening, Mrs. Lee Bishop, Misses Mary, Harvey, Esther Pearson and Annie Pearson, with Gil Rand of Wolfville acting as chauffeur, motored over to Canning, where they enjoyed the play, "The County Doctor", given at the Armories by the Canning Dramatic Club. The same play was put on at our hall a few years ago, by our "Greenwich Dramatic Club". It is a good play. Another splendid play, "Breezy Point", which was played by our club at our hall and other places a few years ago, was again the cause of renewed interest by many here during the past winter, as the Halifax papers stated at times "Breezy Point" being given in both Halifax and Dartmouth, by local Clubs.

We understand Mr. Burpee Bishop and boys, recently enjoyed a fishing trip thereby testing the fine new boat made by Mr. Bishop this Spring.

Mrs. Bryon Cox, entertained a good number of the married ladies on Wednesday evening last week. Dainty refreshments were served and a pleasant evening enjoyed by all present. Mrs. J. Robertson was guest of honour as she will soon be leaving us, with her husband, children and aged mother, Mrs. Lovett Bishop, to again make their home in the Canadian West.

"Arbour Day" was observed by the teacher and pupils of our school last Friday. They cleaned up the school ground etc.

The news of the marriage to take place in June, of Harry Morse of Kentville, to Miss Sealy of the same town, was received with interest by many in this place, as Harry was formerly one of our boys, being the eldest son of Mr. and Mrs. J. E. Morse, now of Kentville, but for many years highly respected residents of this place.

Miss Isabelle Hawley, whose home is in New Brunswick, was the guest of Mrs. George Bishop for the week-end and a few days this week.

Miss Ethel Fisher, our teacher, spent Sunday with friends in Kingston.

Mrs. T. Andrew Pearson spent the week-end in Middleton, having received word of the death on Friday of Mrs. Lewis Shaffner of that place. Mr. Pearson and daughter motored through to Middleton on Sunday to attend the funeral of Mrs. Shaffner.

NEW COAT-OF-ARMS REPLACES SHIELD

OTTAWA, April 28.—The Government has passed regulations whereby the new Canadian coat-of-arms replaces the shield at present in use on the Canadian red ensign and the blue ensign flown on the ships of the navy and those in the Canadian Government service. The change goes into effect as from April 26, but use of flags bearing the old shield is permitted up to March 31, 1924.

"What I did to cure a cough which was Racking my system to pieces."

"One very hot evening last summer, while in the mountains, a cool breeze suddenly came up, which left me thoroughly chilled. Next day I felt a slight cold in my head but thought nothing of it. The following day the cold had developed into a cough. This kept up for some weeks but instead of getting better the cough kept getting worse. A tickling sensation developed in my throat. I tried everything I could think of to get rid of it. It was worse when I went to bed. As soon as I laid down the tickling sensation started and the only relief I could get was to sit up in bed. Towards morning, I sometimes, from sheer exhaustion, managed to get a little sleep. During all this time my cough was getting worse. Sometimes in these severe fits of coughing spasms I was left weak and exhausted. Anything I tried only gave me temporary relief. I couldn't take anything but liquid foods. I couldn't sleep. I was losing weight every day. At times I suffered the most intense agony with headaches. A friend of mine told me about Carnol. After trying it for three weeks I noticed that my cough was beginning to soften, that my appetite was returning, that the headaches had left me, that I slept longer. After taking seven bottles of Carnol, I am perfectly well and enjoying better health than I have ever had before in my life."

Writes Mrs. J. of Montreal

Carnol is sold by your druggist and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 10-172

The Ideal Bathtub for Baby

EDDY'S Indurated Fibreware Washbath is just the thing for baby's bath. Besides being light, easy to handle and unbreakable, it has a surface which cannot cause injury—no cracks, no joints, no nails or rivets. It is moulded in one piece and unlike wood, it cannot splinter or come apart. It is much superior to metal because it cannot dent or rust. Metal tubs quickly absorb heat and are liable to scald baby's skin, even after cold water is added. In a like manner, metal if cold will strike chill to the skin and also cause the water to cool quickly. Eddy's Indurated Fibreware does not radiate heat or cold and is quite safe. For the same reason it keeps the water warm longer. Ask Your Dealer to Show You One

POTATO CULTURE

(Experimental Farms Note). Potatoes are easily grown. They are a very valuable, cheap food. In one form or another they are wanted on everybody's table, every day, everywhere throughout the civilized world.

SOIL

Potatoes do best in a warm, rich sandy loam soil. They require a lot of moisture and should have good well drained soil.

SEED

Like begets like. The seed potato trade asks for Irish Cobbler and Green Mountain. They are recommended as among the best. Grow the potato that people want.

SEED BED

Potatoes require a lot of work and attention and like other worth while things, pay back most when they receive it. Plow and work the soil, make it friable, work it thoroughly until the necessary tilth is obtained.

PLANTING

Plant as soon as the land is warm enough. Do not allow the seed to get chilled before covering. Planting machines are satisfactory. Make the rows straight from 30 to 36 inches apart.

CULTIVATION

Harrow the potato field with smoothing harrow before the young plants appear and once after they are up. Cover the plants with three inches of soil when three inches above ground.

SPRAYING

Spraying is safe insurance that pays its own premiums. Start spraying in July and keep all the foliage covered with Bordeaux and poison or dust fungicides throughout the season until the first frost kills the disease spores.

HARVESTING

Harvest immature plants for seed. Dig potatoes in dry weather. When disease is present leave them in the ground until a frost occurs if possible.

Golf is easier to play than to speak.

There are children in New York who think birds and flowers grow on hats.

Laughing yourself to death is better than worrying your head off.

PROPOSED MUSEUM AND CHAPEL AT GRAND PRE PARK

The proposed museum or chapel at Grand Pre was brought to the attention of the Municipal Council last month. Mr. F. J. G. Comeau, General Passenger Agent, was before the Council asking for the reopening of the old French road leading from the Amasa Harris Hill northward, crossing the railway and entering the park near the monument.

The purpose of the conference held at Grand Pre on September 13th, was to determine the exact location where the memorial church was to be built, the size of the proposed building and details as to the material to be used in the construction, etc.

"It was proposed that the site would be at the corner of the old French road leading from the railway to the well, in line with the stone cross and well to the south. The size to be approximately 40 x 60 feet, with a vestry 12 feet by 15 feet. Building to be of native stone and be made so as to have the appearance of being as weather-worn as possible, the design to be as much as possible similar to the church in which the Acadians were assembled for the deportation—viz., Norman design.

"While the exterior is to be as plain as possible, it is the intention of the committee in charge to have as elaborate and expensive an interior as the architect can design. White or tinted marble is to be used with mosaic floor. The memorial chapel will be dedicated not for ordinary church purposes, but as a memorial to commemorate the event of 1755, and it is the intention to gather as many relics as possible of Acadian history. To this end, Mr. Herbin has offered his entire collection. Some gentleman in New Brunswick has also a collection of 187 different articles of considerable historic value which he will donate.

"The vestry of the building is to be used for the displaying of resources of the Annapolis Valley and will be handed over to the Dominion Atlantic for this purpose.

"The interior of the memorial church will therefore be used principally as a museum. An historical sketch of all the articles collected will be written up and a guide book printed containing same for use of tourists and visitors.

"It is also the intention to have the ceilings and possibly some parts of the walls decorated with paintings of historical value. No pains will be spared to make the memorial a creditable one from every viewpoint, and it is proposed to spend in the vicinity of \$50,000 on the building."

KING'S VARSITY TROUPE COMING

The Varsity Troupe of King's College, which is playing at the Opera House on Tuesday night are not strangers to the theatre goers of this town. Last year they played in all the chief centres in the Maritime Provinces, and everywhere the general comment was, "Equal to professionals."

The St. John Telegraph said of them, "Playing their respective roles with an air of breezy naturalness that was most refreshing; the Varsity Troupe of King's University achieved a distinct triumph and instantly won their way to the favor of the St. John theatre goers."

The Truro News also said of them: "The cast was a strong one and there was no poor actor on the stage, without doubt one of the best amateur companies on the road."

Such comments as the above were heard in every city and town where the Troupe visited. The three act play "Ann", which they are presenting this year, is a very amusing comedy, full of delightful complications and interesting situations. The vaudeville bits are new and original and those who enjoyed all the humorous situations of Mrs. Temple's Telegram will find nothing lacking in "Ann". The Troupe have secured new scenery, new costumes and carry their own

stage settings. They will undoubtedly receive a cordial reception when they visit Wolfville on Tuesday next.

Mr. Wilbert Avery, the talented young violinist, who offered a delightful musical treat to his audiences last year, has consented to accompany the Troupe again this year.

KNEW HE WAS A NORTHERNER.

At Southern railway stations it is the custom of darlings to sell chicken patties and other delicacies to passengers. A passenger who had enjoyed a patty and was leaning out of the window to buy another, asked of the dusky salesman: "Where do you get your chicken?"

THE ACADIAN

(Established 1883)

Published at Wolfville, N. S., every Friday by
DAVIDSON BROS., Printers and Publishers
Members of the Canadian Weekly Newspaper Association.

Subscription Rates—In British Empire, in advance, \$2.00 per year. To U. S. A. and other countries \$2.50 per year.

Advertising Rate Cards and information respecting territory and samples of paper mailed upon request, or may be seen at the office of any advertising agency recognized by the Canadian Weekly Newspaper Association.

Advertisers must have copy in by Tuesday noon in order to insure changes for standing advertisements. New display advertising copy can be accepted one day later.

Correspondence—Letters addressed to the Editor and intended for publication must be short and legibly written on one side of the paper only. The longer an article, the shorter its chance of insertion. All communications must bear the name of the writer, not necessarily for publication. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

FRUIT EXPORTATION INCREASING

About the year 1888 a then prominent fruit-grower of this section called at the office of THE ACADIAN and chided the editor with having misled the people of the valley by advising them to continue the planting of orchards with the assurance that the work could not be overdone. Prices were low that fall, due as some of the growers surmised to the large crop of the Annapolis Valley. The total yield of apples in Nova Scotia at that time was not more—and probably considerably less—than a tenth of that produced now in an average year, and yet today we never hear the fear expressed that we are growing too many apples. On the contrary during recent years when we have had extraordinarily large crops prices have been phenomenally high and fruit-growers have prospered as never before. After all the 2,000,000 barrels or so produced in this province are only a drop in the bucket when distributed in the world's markets. Nova Scotia apples have long been famed for their splendid quality and flavor and if we are able to maintain this reputation we need not fear that our fruit will ever cease to be sought after. The aim should ever be to take advantage of all the latest and best methods of caring for our orchards and maintaining and improving the quality of our apples. Much may be done along this line, by more attention paid to the selection and grading of fruit, the putting up in more attractive packages and a wise policy of publicity.

We understand that some of our readers were disappointed that no mention of the recent Music Festival was made by THE ACADIAN last week. Our explanation is that no tickets were furnished us for admission and no report was handed us for publication. As a general thing those who desire to have THE ACADIAN refer to performances given are good enough to furnish us with seats and an opportunity of securing a report. It is a courtesy that is a matter of common practice and one that is expected and appreciated by all newspapers. Why we were not so favored at the recent festival we do not know. It is the function of a newspaper to publish the news and THE ACADIAN is always ready to devote its space to the extent merited by any public affair. We publish from week to week reports of happenings of local interest and are glad to do so.

A drive through the country these days furnishes abundant evidence that farming is to be prosecuted on a large scale in Kings county during the present season. Large areas of land have been ploughed and are being made ready for seeding and planting, and orchards are receiving

generous attention. With agriculture and fruit growing our chief industries and production so much needed in the world today, the indications point to the continued prosperity of this highly favored valley. This year should be a banner one in our history.

Most of the clocks in New England were set ahead one hour on May 1st and although Massachusetts was the only state to adopt a uniform daylight saving law in most other states, with the exception of Vermont and New Hampshire, daylight saving has become general. It was a good provision in war-time when we were all trying to do our best in the direction of efficiency and it ought to be a good rule for all time—barring a few possible exceptions.

SPLENDID RECITAL

The first of the series of graduating recitals of the Acadia Conservatory of Music and Fine Arts was given last evening at the Baptist Church by Miss Alice Alexandra MacLeod, reader, and Miss Alice Annabelle VanWart, reader, pupils of Leah B. Whidden and Evelyn E. Smallman. Both Miss MacLeod and Miss VanWart are completing the teacher's course in expression for a diploma. Their selections were well presented and much enjoyed by the large number present. They were assisted by Miss Elsie Smiley, soprano, and Miss Mary Lusby, accompanist. The program was as follows:

The Gift of the Gods, or Undercurrents in Agnes Marion Hill Miss MacLeod

Vocal Aria:
"With Verdure Clad," from the Creation Haydn
Miss Smiley
Act I. "The Dawn of a To-Morrow" Frances Hodgson Burnett
Scene: Apple Blossom Court, London.
Characters: Sir Oliver Holt Glad
The Thief Polly
Miss Montaubyn
The Curate

Act II. "The Dawn of a To-morrow" Frances Hodgson Burnett
Scene: Miss Montaubyn's room.
Miss VanWart

Vocal soli:
(a) Madrigal Pasternack
(b) At Eventide Shrethoff
(c) That's the World in June Spross
Miss Smiley
Scene from "The Tale of Two Cities" Charles Dickens
Miss MacLeod
GOD SAVE THE KING

THE UNRELIABILITY OF MEMORY

A joke is being told of an absent-minded professor. He was taking some students to the country to study rocks. At the station he said, "We haven't a watch. We'll need one or we'll miss the train back. John, run home and get mine."
"Have I time before the train comes?" John asked.
"Yes," said the professor, pulling out his watch, "you have about 15 minutes."
No faculty of the brain is as unreliable as memory. That's why man makes the same mistakes over and over.

Items Of Local Interest

Long before other brands of Orange Pekoe were heard of MORSE'S SELECTED ORANGE PEKOE was known and appreciated by the people who knew good tea.

The reported discovery of the presence of anthracite coal in the Sudbury district suggests great possibilities for Ontario. If substantial deposits should be found, the problem of the winter fuel supply, independent of the United States, would become less formidable.

The three-masted schooner "T. K. Bentley," Capt. Berry, was in port this week with a cargo of 300 tons of fertilizer. She was from New York, having discharged part of her cargo at Windsor. She left last night for Parrboro where she will load piling for Boston. The "T. K. Bentley" is a fine appearing vessel and was much admired while in port.

Rev. Dr. Bennett, the popular pastor of the Baptist Church at Gaspereau, is at Westwood Hospital, where he underwent a rather serious operation on Monday. His many friends will be glad to learn he is making very satisfactory progress. On Sunday next his pulpit will be occupied by Rev. Dr. DeWolfe, principal of Acadia Seminary, who has kindly consented to preach at both services.

The Daytona (Florida) Morning Journal of April 27 contains the following notice:

To Mr. and Mrs. Charles Newman, on Tuesday April 25, a son, their first born, weight 8 pounds. Before her marriage Mrs. Newman was Miss Mildred Hill of Daytona. Mr and Mrs. Newman are completing a new bungalow home on Fairview Avenue, which will be ready for the new arrival and his mother, when she returns from the hospital.

CHANGE COLOR OF CANADIAN STAMPS

OTTAWA, May 8.—A number of changes in the color of Canadian postage stamps are being made, to conform with the new international regulations. A straw-colored one cent stamp is being issued to replace the old green cent stamp which has been in use for many years; and as the various offices exhaust their supplies of green stamps, they will be replaced with the new issue. The red two cent stamp is being replaced with a green stamp, and should a six cent stamp ever be issued, it will take the red color hitherto distinguishing the two cent stamp. The five cent stamp is of a violet shade, while the ten cent stamp is blue.

THE SPRING GARB

The landscape is fast taking on its spring garb, and in order to keep in harmony with nature, it is essential for us to "clean up and paint up."

The Chicago Examiner says: "Three unfailing signs of spring are the circus, the ball game and the mobilization of soap and brushes in a house cleaning campaign. We are not responsible for the first two, though we enjoy them to the full. The third we are responsible for, and as the years go by we are learning that these campaigns for municipal cleanliness are a big factor in the public health. The cleanliness of a city is the measure of its modernity."

There is no doubt that cleanliness has a psychological effect upon the citizens of a town. You can't expect to find "pep" among the inhabitants of a shabby-looking community. So let Wolfville clean up and paint up, thus showing that its citizens are not lacking in pep and ambition.

HOUSEHOLD HINTS

When cleaning natural finish or any dark painted or enameled wood work, put one tablespoon of lincseed oil to a gallon of very warm water. Wash small place at time, then wipe dry and polish with soft cloth. It takes time but makes old varnish nice and bright.

For brass water pipes or stair protectors which become discolored and unsightly, rub lightly with very fine sandpaper. Removes all stains at once.

Coming Events

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

Don't miss the Rummage Sale Saturday afternoon and evening at the store recently occupied by W. O. Pulaifer.

CANARD NOTES

Miss Irene McFadden, of Canard, went to Halifax on Tuesday to attend the closing exercises of Dalhousie College.

Miss Claire Payzant, of Dartmouth, has been visiting her aunt, Mrs. James E. Eaton, Lower Canard, her many friends will be interested to know. The marriage of Miss Claire E. M. Payzant, Dartmouth to J. Louis Lohrke, of East Orange, N. J., will take place at the residence of the bride's parents, corner of Pine and Tulip Streets, on Thursday, May 18th. They will reside in Philadelphia.

Mr. Palmar, of Dalhousie College, has been visiting at Mr. C. G. H. Eaton's.

Mr. Joe McFadden, who has been attending Dalhousie College the past year, has been home a few days. He returned to Halifax on Tuesday. After the closing exercises he will go to Regina to practice law, with his brother-in-law, Mr. Curtin.

Mr. Earl Dickie, of Lower Canard, has purchased a fine Dodge car.

"PEACE TIME RED CROSS"

As in war so in time of peace the Red Cross is proving to be a mighty instrument for the betterment of humanity. While the operations so far in this county have of necessity been of a limited character, enough has been done to show that the possibilities are great.

A meeting of the county executive was held on Monday morning at the rooms of the County Nurse at Kentville, and although the attendance was not large those present evidenced a lively interest in the business under consideration.

An interesting feature was the report of the County Nurse, Miss Hayden, of the work done at the eye, ear, nose and throat clinic which was held on Friday last at Kentville through the action of the County Red Cross and the generosity of the specialist, Dr. Kirkpatrick, of Middleton. Miss Hayden reported that twenty-one patients had been operated upon with beneficial results. Provision was made for the supplying of necessary glasses, for those unable to procure these for themselves.

In the near future it is proposed to hold a mass public meeting at which the work of the Red Cross will be more fully explained and the organization extended along more efficient lines.

In the meantime the opportunities for work in the interest of the public health throughout the county are many and it is hoped that increased interest may be awakened among our people in this important matter.

GRAND PRE ITEMS

The Women's Institute met at Mrs. A. Bishop's on Friday, May 5th. Miss Mary Fisher spent the week end at her home in Somerset.

Mrs. E. Jenners, of Digby, has been the guest of her sister, Mrs. H. Chipman. Mr. Hardwick, of Wolfville, is visiting his daughter, Mrs. Frank Trenholm.

We are pleased to report Mr. Wm. Stewart improving from his recent illness. Lt.-Col. and Mrs. P. Weatherbe, who returned recently from Florida, expect to be in Grand Pre shortly.

The Mission Circle, which was well attended met on Monday last at the home of Mrs. W. C. Trenholm.

Mr. and Mrs. John Boutiller and family left a few days ago for Evangeline Beach where they will spend the summer.

The Boy Scout concert held on Monday evening was well attended and greatly enjoyed by all.

Mr. W. P. Eaton is still on the sick list, but we trust he will have a speedy recovery.

Miss Freada Townsend is spending a few weeks in Kentville and vicinity.

CARD OF THANKS

Mr. and Mrs. Robert Wakeham wish through THE ACADIAN to convey their sincere thanks to those who assisted in the search for their little daughter last week. They wish to especially acknowledge the kindness of Mr. E. Percy Brown and the Boy Scouts and to warmly thank Master Freeman Welsh who led in the search which proved successful in restoring the lost child to her anxious parents.

The Acadia baseball team will play a return game with Dalhousie at Halifax to-morrow.

MOTORS AND MOTORING: A Page Full of Interest to the Owner or Prospective Owner of an Automobile.

THE AUTOMOBILE'S CONTRIBUTION TO FARMERS

Has Broadened Farm Life, Thought and General Attraction of Farming

(From Farmers' Magazine.)

The motor car has been a social agent of the most advanced type. Its advent has worked many changes in the ordinary everyday lives of both city and country people. In fact, the distinction between the two tends to the vanishing point. The farmer is becoming better acquainted with city ways, city viewpoints, and with business methods generally.

The city man, with all his wealth of ignorance of the real business of production of our natural products, is seeing with his own eyes, and feeling the jolts and jars with his own nerves that which comes to him who works a farm or depends on our ingenious transportation systems for the carrying of his products from the farm to the factory.

So it is that distinctions of class are being levelled. Charity for the other fellow's viewpoint is growing. An all-round good is being gradually spread over the people through the benign agency of the motor-driven vehicle.

Markets have been opened up for farm products. Many things that formerly went to waste are now put into consumption because of the motor truck. Fruit and vegetables, poultry and dairy, as well as other products, are placed on the distant market at little cost and with the minimum of lost time. The farmer forty miles from the city, formerly took two or three days to get his produce delivered. Now he has it done in less than a day with no loss of sleep and his earning powers increased.

The best evidence that we can give that all these things are efficiency producers, and therefore business investments of a high order, is the way some of the most utilitarian farmers have broken all neighborhood traditions for economy and invested heavily in these conveniences. Such men do not continue to spend money this way unless they are getting something back from it. Some of the neighbors who have always been regarded as tight-wads, close, shrewd, hard business men invested readily in motor cars, tractors, trucks, gasoline engines and better living advantages. There was no other reason than that these things paid them to do so.

The car has enlarged the neighborhood. It would be a bad state of affairs indeed, if, with our decreased population on the land, with our smaller families, and consequently fewer local gatherings, there was no compensation. But we have it in that our circles of friendship grow wider. We go where the crowds are, when we want a U. F. O. picnic, a family re-union, a church social or a farmers' club gathering. The car puts the fellow ten miles away about as near to us as Farmer Jones on the next concession formerly was.

MOTORISTS ADVISED TO TAKE ROPE ALONG

One of the most useful things to carry along in the car is a twenty-five-foot length of one-half-inch Manila rope. In the first place, it is an admirable tow-rope. It can be wrapped around the axle and spring after some of the sprung leaves have been broken, to get home without breaking the rest of the leaves. It can be cut in two and wrapped around a wheel to give traction in some mudhole where it would be impossible to fasten chains. The rope can be used even as a tire when the last spare has blown out, and will save the rim on the journey home.

The man with a small automobile is always the most willing to give a ride.

Mail Contract

SEALED TENDERS, addressed to the Postmaster General, will be received at Ottawa until noon, on Friday, the 2nd June, for the conveyance of His Majesty's Mails, six times per week over

GREENWICH No. 1 R. M. ROUTE under a proposed contract for a period not exceeding four years, dating from the 1st October next.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the terminal and route Post Offices, and at the office of the undersigned.

W. E. MACLELLAN, Acting District Superintendent, DISTRICT SUPERINTENDENT'S OFFICE, Halifax, April 16th, 1922.

Keep Your Shoes Neat

WHO SHOULD DRIVE AUTOS

Many automobile accidents are caused by people driving cars who should never be allowed to. There are always two possibilities for accidents when an unqualified person is driving: One is that of wrecking the car being driven and the other is that of causing a well-qualified person to wreck his because of carelessness or ignorance of traffic rules on the part of the first party. In answering the question "Who should drive autos?" it is easier to tell who should not drive them. The following is the list to which anyone is privileged to add if more are thought of:

Children.

Persons whose height does not permit easy reach of the controlling pedals.

Persons who do not have sufficient strength to operate levers easily and positively.

Persons under the influence of liquor, whether bought or homemade.

Epileptics or others subject to fits or fainting spells.

Persons who do not know and understand the traffic laws, ordinary rules of the road and other points concerning safe and efficient automobile operation.

Persons with dangerously defective hearing or eyesight.

Cripples or persons minus arm or leg, whose defect interferes with their safe control of an automobile.

Women who become easily excited and "lose their head" in case of an emergency.

A COOL SUMMER PREDICTED

The cold weather of late seems but the fulfillment of prophecy, or rather that of a certain weather prophet who has been given publicity in a Toronto paper. This weather man says that "beginning April 15 and continuing until the end of August there will be cold winds, rain, snow and sleet. It will be the coldest summer since 1879, when the corn ears were frozen on the stalks and were never fit for food." The dismal forecaster is probably encouraged in this guess by the chilliness of the weather since March 21. But the people who look for a warm, bright summer may take courage from the utter confusion that attended on the predictions of the woodmen respecting last winter. They were almost unanimous in forecasting bitterly severe winter.

To keep irons soft, add a pinch of baking soda to the whites of the eggs before beating them, then beat in the usual way and pour the hot syrup over beaten eggs, and it will be soft and creamy.

Rheumatism?

Or Neuralgia, Sciatica, Lumbago? The remedy is simple, inexpensive, easily taken and harmless.

TO SELL AUTOMOBILES, DEALERS SHOULD ADVERTISE

In a letter to their dealers, the McLaughlin Motor Car Co. pays the following tribute to newspaper advertising as a factor in making sales:

Advertising has been called "printed salesmanship." Newspaper advertising alone will not sell autos, but it will bring many men into your salesroom with an interest already aroused in your car, and in a receptive mood for a sales talk and demonstration. Carefully written and properly displayed newspaper ads. provide the groundwork for the final personal talk with the dealer which closes the sale.

Also—newspaper advertising will reach a great number of people whom the dealers could not possibly reach in any other way—people whom the dealer did not even know were remote prospects but who were quietly determining in their own minds the choice of a car. These people will be strongly influenced in favor of your car by good advertising and will come to you for further information and in a mood that should make the closing of the deal comparatively easy for a good salesman.

Minard's Liniment used by Physicians.

COMBINED LIGHTING AND IGNITION SETS BY NEW DISCOVERY

A new discovery in cobalt magnet steel at Sheffield, England, will, it is believed by experts, revolutionize the making of motor car and airplane engines, as well as the construction of telephones. It is claimed that it will be possible to make combined lighting and ignition sets for motor cars by this method, something which has been aimed at for a long time. Magnetos, it is asserted, could be made half the present size and cheaper. There is intense interest in the British steel industry over the discovery.

Recent registration statistics in England disclose the odd fact that there are more motorcycles in operation there than all other automotive vehicles combined. Motorcycles are widely used in England by people in all walks of life. They are used by a sporting class who prefer the motorcycle because of the thrilling sport and fascination it has.

FLIES SPREAD DISEASE

(Issued by the Department of the Public Health, Nova Scotia.)

A single fly may carry thousands of bacteria. Flies have been repeatedly found to carry the germs of typhoid fever, tuberculosis and other infectious diseases. They unquestionably are accountable for much spread of infection.

Flies multiply at an enormous rate. A single female fly, making its appearance in April or May, may breed millions before the end of the summer.

The presence of flies means the presence of filth in the near neighborhood. They feed upon the most disgusting materials, carrying filth from the most nauseous and dangerous sources to deposit it upon our food.

The most effective means of suppressing flies is to prevent them from breeding. The favorite breeding places are manure heaps, garbage pails, and privy vaults. Manure should not be permitted to remain longer than four days in any place within a half mile of a house, except in a concrete pit which is fly tight. Garbage should be kept in tightly covered pails, which should be emptied frequently—the contents being either burned or buried. Privy vaults should be fly and vermin proof.

The most rational time to begin the good work of ridding a community of flies is when they make their appearance with the advent of warm weather. Every fly killed in April or May means many thousands less in August or September. All through the fly season, no manure, garbage or rubbish of any kind should be allowed to remain where flies may gain access to it and breed.

Kitchens, dining rooms and sick chambers should be screened and any flies which enter should be immediately killed.

The importance of such measures, from the standpoint of health, can scarcely be overestimated.

RELATION OF CARDS AND TIME

Present-day playing cards—at least a close resemblance to them were designed in 1392 by Jack Gringonneur, court painter to Charles VI of France, who had lost his reason. He founded his pack on a regular system. For instance a pack consisted of 52 cards—the number of weeks in the year, 365 dots correspond to the number of days in the year, and there are 13 cards to a suit, the number of lunar months. The four suits represent the four social classes of Gringonneur's time: Spades for the pikemen or soldiery; clubs were designed as a clover leaf, the emblem of husbandry; diamonds represented the diamond-shaped hat of the artisan, and hearts come from the French word "coeur", an evolution of chorur, meaning clergy. The first cards actually in use in the United States were brought by the Spanish to their early settlements in Santa Fe and St. Augustine, Fla. Every nation on the globe has some kind of card game, although the pack is not always the same in style or number. The French national game is piquet, one of the oldest games known. The Germans play skaat. Spain, the greatest card playing nation, favors pedro. It goes without saying that the most universally popular game today is auction bridge.

Keep Minard's Liniment in the house.

THEY ALL ADVERTISE

A hen is not supposed to have Much common sense or tact, Yet every time she lays an egg, She cackles forth the fact. A rooster hasn't got a lot Of intellect to show, But none the less most roosters have Enough good sense to crow. The mule, the most despised of beasts, Has a persistent way Of letting folks know he's around By his insistent bray. The busy little bees they buzz, Bulls bellow and cows moo, The watchdogs bark, the ganders quack, And doves and pigeons coo. The peacock spreads his tail and squawks, Pigs squeal and robins sing And even serpents know enough To hiss before they sting. But man, the greatest masterpiece That nature could devise, Will often stop and hesitate, Before he'll advertise.

CHIPS FROM HOUSEWIVES ANVIL

A bean pot can easily be washed if it is put to soak on the stove with a teaspoon of soda in cold water. Let it come to a boil for five minutes, being sure it is full of water. This plan works quicker if a cover is placed over the top.

If copper or brass is very dirty don't worry, but put some fine salt on a plate, dip it into a cut lemon and rub on the metal. The strong acid will remove the worst stain.

Don't allow graniteware to dry over a hot fire, as the heat in expanding may cause the outside to scale.

Never use water which has been standing overnight in the teakettle. In the morning fill it with fresh water, boil and use at once.

A teaspoon of salt will season a quart of vegetable soup.

Remove mud from black clothing by rubbing with raw potato.

Add a pinch of salt to eggs when whipping. It will hasten the process.

IT HAS ITS USES

An old Scotchwoman, much against her will, was induced to sit for her picture, the first she had taken since she was a girl in her teens. When the photograph was handed to her she failed to recognize herself. She thought there must be some mistake. "Is this me?" she said. "Yes, madam," said the photographer, "and it's a speaking likeness." The old lady gazed at her counterfeit presentment for a full minute in silence. "Aweel!" she said resignedly, "it's a humblin' sight."—The Mail and Empire.

THE WAY OF THE STYLIST

Chief Justice Taft was discussing books at a dinner party. "This high brow talk about 'style,'" he said, "amuses me. 'Style' usually means 'affectation.' The best writers have no style. It's as if they were talking to you. Stylists are always looking for trouble. One of them entered a drug store the other day and asked for a man's comb." "Do you want a narrow man's comb?" said the attendant. "The stylist gave a disgusted laugh. "No!" he said, "I want a comb for a stout man with rubber teeth."—The Mail and Empire.

FOR SUCCESS

Don't assume the loser's attitude towards Life. Don't go about with an expression of failure on your face.

The world very quickly detects the signs of success or failure, and will help you the way you are going.

Keep your courage up and your temper down.

The best way out of a difficulty is through it.

A man's hardest competitor ought to be himself.

Waiting to be somebody will make you a nobody.

Courtesy is to business and society what oil is to machinery.

The art of pleasing is the art of rising in the world.

Man never reaches heights above his habitual thought.

Do not turn your back on troubles; meet them squarely.

A minute of keeping your mouth shut is worth an hour of explanations.

Every man is a fool at least ten minutes a day. Don't exceed the limit.

The barriers are not yet erected which shut out aspiring talent.

Your heart must inspire what your hands execute, or the work will be poorly done.

Many a man thinks he is a shining light when he is only a flash in the pan.

Are You Well? If Not? Why Not?

Do you know?

- that CHIROPRACTIC can make you well and keep you well;
- that CHIROPRACTIC never harms and always benefits one and relieves pains and aches; it reaches the cause of your trouble;
- that CHIROPRACTIC has been proved scientifically correct;
- that Clinical Records show that 9 out of every 10 cases can be benefited by CHIROPRACTIC;
- that CHIROPRACTIC is the Drugless, Knifeless and Painless method of relieving humanity of its many and varied ailments, such as

- Asthma, Arthritis,
- Bronchitis, Bladder Troubles,
- Colds, Constipation, Catarrhal Conditions,
- Dreadfulness, Dizziness,
- Eye Affections, Epilepsy,
- Fevers (acute and chronic),
- Gall Stones, Goiter, Gastritis,
- Headaches, Heart Disorders,
- Indigestion, Insomnia, Infantile Paralysis,
- Jaundice,
- Kidney Troubles,
- Liver Complaints, Laryngitis,
- Muscular Contractions,
- Neuralgia, Neuritis and Nervousness,
- Ocular Abnormalities,
- Pneumonia, Piles,
- Quinsy Sore Throat,
- Rheumatism,
- Sciatica, Skin Affections,
- Tonsillitis,
- Urethral Inflammation,
- Varicose Veins,
- Womb Troubles,
- X? (Human Ailments as yet unnamed),
- Your own individual case, eczema.

(Copyrighted in Canada, 1922, by Dr. Robert Pauwels.)

- that ABSOLUTELY WITHOUT CHARGE I will consult with you regarding your individual case regardless of the nature of your trouble and tell you frankly whether or not you can expect results with CHIROPRACTIC;
- that I am permanently located in well appointed offices over THE BARTEAUX STORE, Wolfville, N. S.—Separate Waiting Rooms for both Men and Women—Lady Assistant in attendance;
- that my Office Hours are 10.30 - 12.30 Tuesdays, Thursdays, Saturdays.
- that I make Residence Calls by appointment;
- that I have been specializing in CHIROPRACTIC for over 10 years and have benefited thousands of suffering people—my record in Nova Scotia speaks for itself—Many of my patients in Nova Scotia have voluntarily given me permission to use their names upon request;
- that I am a Graduate of the Palmer School of CHIROPRACTIC, Davenport, Iowa, U. S. A., which is the Fountain Head of CHIROPRACTIC and the mother school of all Chiropractic schools and colleges in the world;
- that Dr. B. J. Palmer, President of the Palmer School of Chiropractic, is the son of the late Dr. D. D. Palmer, discoverer of Chiropractic;
- that the Palmer School of Chiropractic is recognized the world over for its graduates as being the best trained and technically qualified to practice Chiropractic.

Investigate for yourself. Be open to reason and conviction. Don't say: "I can't be helped." "I've had my troubles too long." "I'm too old."

While you are guessing about yourself, I can be busy restoring you to Health with the aid of CHIROPRACTIC. Kindly call and let me explain fully the merits of Chiropractic, its possibilities and the work I have mapped out for myself in this community.

Personal Paragraphs

Dr. G. B. Cutten was in Halifax this week on business.

Mrs. F. H. Christie, who has been spending the winter at Halifax, has returned to her home here.

Miss M. Troyte-Bullock, who has been spending the winter in England, returned home this week.

Mr. J. F. Herbin went to Halifax on Monday morning, to attend a meeting of the Board of Examiners in Optometry.

Miss Minta Hatfield, who has been spending the past winter with relatives and friends at Toronto, returned home last week.

Mrs. P. H. Hamon, little daughter and maid, who have been spending some weeks in Wolfville, left on Tuesday morning by the "Prince Albert" for their future home in Parraboro.

Two Wolfville boys, George Nowlan and Donald Grant, received the Bachelor of Laws degree from Dalhousie University yesterday. Mr. Nowlan ranked fifth in a class of twenty-two.

Mr. Leander Thurber recently left Wolfville for Portland, Me., where he has accepted a position for the summer months, as chief wireless operator on a steamer in the Canada-U. S. A. trade.

Mr. and Mrs. W. H. Chase have been attending the Dalhousie convocation at Halifax this week. Mr. Wm. H. Chase, Jr. has completed his course at the Medical College and received his degree yesterday.

Mr. and Mrs. Harrison F. Lewis and two children, of Ottawa, are visitors at the home of Mrs. Lewis's parents, Rev. and Mrs. MacLeod, Westwood avenue. Mr. Lewis is on his way to Labrador, where he will spend the summer in the interest of bird protection.

Mr. and Mrs. W. H. Chase, who arrived in Halifax by the S. S. Corona on Sunday reached home on Monday. Miss Chase, who accompanied them on their trip, remains for a time in England. Mr. and Mrs. Chase, who have had a delightful winter in Southern France, are gladly welcomed home by many friends.

Mr. John Caldwell and little son, of Ottawa, have been spending a few days in town and left this morning to return home. A former resident of Wolfville it has been eighteen years since his last visit, and he was delighted with the progress that has been made in his native town and surprised at the changes which he noted. While in Wolfville Mr. Caldwell was a visitor at the home of his sister, Mrs. (Rev.) D. B. Hemmeon.

Mr. Reg. Taylor, teller in the Bank of Montreal, has been transferred to Halifax. His place has been taken by Mr. Eric Lavelle, who comes from the St. John branch. The St. John Globe says the following:

"Eric Lavelle, the well-known teller in the Bank of Montreal corner of King and Prince William Streets, has been promoted to the position of accountant with the Bank of Montreal branch at Wolfville, N. S., and will leave on Tuesday morning. Mr. Lavelle came to this city from Halifax two years ago and established a wide reputation here as an efficient and courteous official. Friends will wish him every success in his new position."

When cleaning painted walls in kitchen, have a can with nail ho'es in cover filled with baking soda, shake a little on the wet cloth, rub lightly. Rinse cloth in clear water and wipe paint dry. The soda removes all smoke and grease and leaves paint like new.

OUT IN FRONT

By the Pioneer Sergeant

LITTLE is heard of late REGARDING the College ABSCONDING.

NEVERTHELESS we presume THE pot is still boiling AND eventually the POTTAGE will be complete—

WHETHER or not IT will be of a BIRTHRIGHT purchasing quality WE cannot say.

NOW is the time for AMBITIOUS citizens to GAZE about for some LIVE industry to take ITS place if necessary.

WE would suggest one IN which home labour AND home produce might BOTH benefit, such as CIDER making.

WE understand that this PROFESSION HAS been carried on EXTENSIVELY in this part WITH decided financial gain.

THE home market IN itself is unlimited.

AND with the KICK the NATIVE article produces FOREIGN markets MIGHT be easily captured.

DID we hear the N. S. T. A. Inspector PRICK up his ears.

HE'S out of luck on THIS deal.

WE are not running a STILL—

MERELY making Apple Cider.

IT won't harm anyone—

ONLY make them happy

WE thank you.

GASPEREAU NOTES

The many friends of Mr. James Gert-ridge will be pleased to hear he is slowly improving from an attack of pneumonia.

Congratulations are extended to Mr. and Mrs. William Allen on the birth of a daughter on April 20th.

The "Lily of the Valley" Sons of Temperance paid a fraternal visit to the GasperEAU Sons of Temperance on Friday evening, May 5th.

Miss Hazel Dodge, of Kentville, spent the week-end at the home of her friend, Miss Estella Miner.

Miss Gladys Kennie left on Friday morning last for Boston where she will visit relatives.

Annapolis Royal has decided not to put a team in the Valley Cricket League this season.

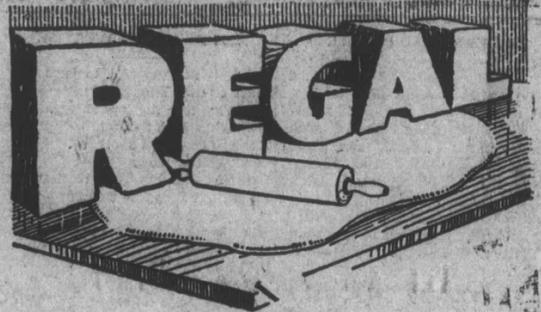

A FITTING MEMORIAL

Everybody who knew him respected and esteemed "Tom" Choiset, formerly Editor and Publisher of the Parraboro Leader. A militia officer before the war Captain Thomas C. Choiset did splendid service when the war began in recruiting for the Canadian Army and finally, failing to secure a commission for overseas duty, he entered the ranks and went to France, where he fell in battle. His fellow townsmen mourned his death and revered his memory.

The other day a handsome pulpit in St. George's church (Anglican) at Parraboro was dedicated to his memory with appropriate ceremony. The pulpit, which is of oak with brass rail and plate, is a handsome piece of work, and is a fitting memorial to a worthy life.

The Yarmouth Board of Trade is agitating against the continuance of an increased rate for passengers of \$9.00 from Yarmouth to Boston or Boston to Yarmouth, single fare. They claim that it was sufficiently high all through the war at \$8.00 and should not be increased now. It would react against tourist travel to the Province and injure Yarmouth and other tourist towns.

"The Chimes of Normandy", the beautiful light opera soon to be presented by Messrs. Mason and Evans, is making most satisfactory progress and promises to be one of the best musical events of the season. It is expected that it will be put on on Wednesday afternoon and evening, May 31st, and music lovers will look forward with interest to its presentation. A more lengthy reference will be made in our next issue.

Biscuits for Tea

Light, and crisp, and appetising, and above all, healthful and nourishing. These are best, of course, when made with REGAL FLOUR.

BOOTS & SHOES

Ladies "EMPRESS"

Children "CROSBY"

Men "SLATER"
