OTTO W. NIXON COMMITS SUICIDE

Well Known Citizen of Margaretsville Found Dead in His Garage Inquest Held.
Middleton.—Otto W. Nixon, well known and respected resident of Margaretsville, near here, was found dead in his garage Monday morning having taken his own life. Mr. Nixon shot himself with a 12 gauge shot gun, his dead body being found by the unfortunate man's son, who had gone to the garage to get the father to answer a telephone call.
Mr. Nixon had not been in good health for some time past, and was despondent, his mind having become affected. When the son failed to locate the father in the barn, near the house, Mrs. Nixon told the boy to go to the garage. There the young man found his father lying on the floor, with the shot gun alongside of the body.
An inquest was held Monday afternoon by Dr. S. N. Miller, coroner, and the jury returned a verdict of death by suicide.
Mr. Nixon is survived by a widow and six children, also brothers and sisters. The funeral services are to be held on Wednesday and will be conducted by Rev. W. H. Watts with burial at Margaretsville.

SERIOUS ACCIDENT NARROWLY AVOIDED

What might have been a very serious accident took place at Carleton Place on Saturday night, when a car driven by W. D. Rice, of Newburg, ran into a team driven by Mr. D. H. Sarsfield, of West Paradise, with him as his young son and his son-in-law, Mr. Alfred Spinyer. Mr. Sarsfield was driving east and the auto was proceeding in the same direction. Another carriage, the name of whose occupant was not ascertained was driving west and both carriages were on the proper side of the road. In their relative position it appears that Mr. Rice was obliged to take a chance of going between them but was unable to quite negotiate it without collision. From information secured it appears that the accident might have been avoided had the driver going west and in the better situation to note the position of the auto pulled up so as to allow more space between the teams. None of the occupants of Mr. Sarsfield's carriage were injured but the vehicle lost a wheel and incurred considerable damage.

LOWER GRANVILLE WOMEN'S INSTITUTE TO HOLD ANNUAL MEETING FRIDAY

The yearly business meeting of the Lower Granville Women's Institute will be held at the home of Mrs. J. K. Winchester on the evening of November 13th, 1925. Reports of the past year's work will be given, officers elected and plans made for the work of the coming year. A full attendance of members is requested and it is hoped that all interested in community improvement, who intend to join the Institute may do so at this meeting, or at the earliest possible date. By so doing, the next year's work may be organized without delay, and all can have a part in the planning of it.

"BEST SHOW EAST OF TORONTO"

Ottawa.—"The best facilities and the best show east of Toronto," was the verdict of Dr. J. H. Grisdale, Deputy Minister of Agriculture, who returned here yesterday from the winter fair at Amherst, N. S. "Largely as the result of federal assistance that fair," he said, "had expanded and was now on the way to prosperity." Dr. Grisdale spoke enthusiastically of the quantity and quality of live stock exhibited.

OBITUARY

Mrs. Lavinia Brinton.

The death occurred at Port Lorne, on November 3rd, of Mrs. Lavinia Brinton, widow of John C. Brinton. The deceased had always enjoyed exceptionally good health without warning she was stricken with an apoplexy and died in a few hours. She was born at Port George in 1851 and was a lifelong resident of this region. Of six children four survive, Minard and George of Keene, N. H., Willie of Port Lorne and Mrs. M. C. Foster, Bridgetown. She is also survived by four brothers, Lockhart, Avery and Joseph Hines, Port George, Hallett Hines, Worcester, Mass., and two sisters, Mrs. Janet Wilson and Mrs. Augusta Sullivan, both in U. S. A. She was also a member of the Methodist Church, Brooklyn, Annapolis Co. The funeral sermon was preached by the Rev. D. W. Dixon.
Interment took place in the Port Lorne cemetery.

The deceased had a wide circle of friends and a very large number availed themselves of the opportunity of showing their respect and love by being present at the last rites.

Albert Cook.

Death has again entered our village taking one of our esteemed young men, Mr. Albert Cook, aged 29. He was a favorite with all, and will be missed in the community. He leaves a wife, and aged parents, Mr. and Mrs. C. Cook, who had two boys drowned in the Andrews Lake a few years ago, also their eldest son drowned in Maine. Three sisters, Hedy in Newburg, Lydia and Annie in North Range. Our sympathy goes out to the bereaved wife and aged parents and sisters, who mourn the loss of a kind husband, a loving son, and brother.

BELLEISLE

Mrs. I. J. Parker is spending the week end at Granville Ferry, with Mrs. William Amberman. Miss Hazel Gould is visiting her sister, Mrs. (Capt.) A. J. Willett. Mrs. Elroy Bent and two children are visiting her parents, Mr. and Mrs. P. H. Inglis, Tupperville. Miss Cora J. M. Parker and Miss N. Chipman spent Thanksgiving with Mr. and Mrs. Fred Chipman, Niagara West. Mrs. T. C. Fasson of Morristown, Kings Co., is visiting at her old home here. Miss Kathryn Fraser, who is teaching in Berwick, is home for a time as her school is closed on account of diphtheria.

On Friday, November 6th, the members of Silver Thread Band of Hope, were at home to the members of Belleisle Division. A programme of music and recitations had been prepared under the leadership of the Worthy Patron, Miss Genie L. Troop. Despite the rainy weather, a goodly number were present and were much pleased with the manner in which the children conducted their exercises. Master Ronald Bent and Little Miss Marjorie Condon were initiated into the order. Home made candy in abundance was passed, after which the meeting closed. Much credit is due Miss Troop in her untiring efforts as leader of the Band.

NORTH RANGE

Mr. and Mrs. C. B. MacNeil have gone to Bridgetown to spend the winter with their daughter, Mrs. C. F. Whyte.
What might have been a very serious accident occurred at Barton recently, when an Overland Sedan and a Ford truck met in a head on collision. The Ford was badly wrecked, while the Overland was somewhat smashed. It was not in so bad a condition as the Ford. No serious results to the drivers excepting a slight cut on the head of one.
Mrs. E. J. Andrews has returned from Bear River where she has been stopping with her daughter Mrs. A. Marshall.
Mr. Avar Marshall and son, from Bear River, were the Sunday guests of Mr. and Mrs. J. V. Andrews.
Mrs. Sarah MacNeil returned from Tiverton, on Friday, November 6th. She left Friday, November 6th for Brockton, Mass., where she will spend the winter with her brother.
Mr. C. Shortell and family have rented Mr. C. B. MacNeil's house for the winter, as he has taken over the P. O.

TRIP TO THE PACIFIC COAST

Interesting Account and Notes by the Way From Mr. and Mrs. J. W. Peters in Journey to Odd-fellows and Rebekah Convention.
After passing through Montreal and Ottawa, nothing of interest was passed until we reached the shores of Lake Superior, which we followed for miles. The scenery was grand all along the way and we arrived at Port Arthur at midnight. Here is the largest grain elevator in the world, holding ten million bushels of grain, situated at the head of Lake Superior. The grain is brought from the west and then shipped down the Lakes by boats. A fine city. As we looked upon the immense wheat fields we did not wonder that so many men were needed to harvest the millions of bushels imported from Manitoba and Saskatchewan Provinces. The wheat was being threshed in the fields as we journeyed along, and the heaps of chaff burned, making immense bonfires.
Winnipeg is one of the leading cities of Canada. Because of its situation in the narrow gap between Lake Winnipeg and Lake of the Woods, it stands as the gateway to the Canadian West. All the grain and cattle shipped from the Prairie Provinces must pass through Winnipeg, making it the greatest grain market in the world.
Brandon is truly a prairie city. It is situated on the flattest part of the prairie. The Western Baptist College is situated here.
From Winnipeg to Moose Jaw is all prairie, one can look farther and see less than anywhere else. There is a wonderful fascination about the prairie to those who see it for the first time, such a great expanse of vision one wants to see just how far they can look; few houses, that is few good houses, many mere shacks, every real home has trees, some completely surrounded by large trees, telling a story of long years of prairie life and longing for trees. I think one would have to live in the treeless prairie to really appreciate our wonderful eastern trees and forests, the shade, the coolness and love of nature that goes with the tree.
Our next stop was Calgary, where we spent four lovely days meeting and visiting friends. Met a number of New Brunswick people. Visited cousin Fred McAlpine and family, he has been in the west about twenty years, has a fine Government position. Also Mrs. B. Palmer and daughter Ethel Palmer. Her son Dr. Palmer is Hospital surgeon for the City Hospital as well as Gov. Surgeon and Physician for Alberta Prov. Mr. and Mrs. J. Mosher are from St. John, having followed their two sons to the west a number of years ago and it is the old story, the lure of the west has held them. Also met several former Bridgetown folks. Louis Young, holds a responsible position as Accountant in the Dominion Lands Office and his wife, Flossie Troop, is enjoying Calgary, her new home and making new friends in a friendly city. Boyd Chute, another Bridgetown boy making good in the West, holding the same position he held in Ottawa for some time, Inspector of weights and measures.
We also met Mrs. Kenneth Craig and Mrs. Arch Kenney. Kenneth and Arch, were away from home, but we understand they are doing well and are in love with the West. Calgary, like many western cities has grown wonderfully in the past few years and is still growing rapidly.

MR. LITTLE NOT TO BE TRANSFERRED

Very general satisfaction is expressed at the acquiescence of the Royal Bank management to the largely signed petition that there be no change in the management here. It is a matter of general congratulation that Mr. Little who has for the past thirteen years so efficiently administered banking business here for the Royal Bank is not to be transferred elsewhere.

RESIDENCE OF J. W. SPROULE DESTROYED BY FIRE

On Wednesday last the residence of Mr. J. W. Sproule, of Clarence was totally destroyed by fire which was noticed about one o'clock in the afternoon. The flames spread with great rapidity and defied the efforts of neighbors, who gathered quickly, to extinguish them. Their efforts however, were successful in saving the larger proportion of the furniture. The cause of the fire is not certainly determined, but was probably due to a defect in the flue. The loss is partly covered by insurance. The building, it is estimated, would cost about \$500 to replace. Much sympathy is felt for Mr. and Mrs. Sproule in their loss.

Personal Mention

One of the nicest courtesies you can show your friends is let them learn through this column of your visit whenever you go away. Let us know when you have visitors at your homes. The Monitor will consider it a courtesy whenever you give us an item of this kind. Write or phone No. 12 or 102.
Miss L. Beryl Hayden spent Thanksgiving with her brother, Samuel B. Hayden, a member of the teaching staff of the School for the Blind in Halifax.
The many friends of Mr. Avar Anderson, who is a patient at the Victoria General Hospital, Halifax, are pleased to learn that he is making satisfactory progress toward wanted health and strength after an operation.
Miss Mona Harris, of Kentville, was a guest over the week end of Miss Ruth Fowler.
Mr. Ray Wood, who has been in charge of evaporator operations at M. W. Graves & Co's. factory has returned and is back in his home in Berwick. He is succeeded by Mr. Parker Whitman. Mr. Wood goes to Florida about the end of the month.
Mr. James Fay and Mr. Robert Ross, from Dalhousie University, spent the Thanksgiving season with the former's parents, Stipendiary and Mrs. F. R. Fay.
Miss Elsie Davis, who is attending Acadia Seminary, spent Thanksgiving with her aunt, Mrs. (Dr.) Armstrong.
Mr. Charles LeBrun, accompanied by Mr. George Kibbet, both from Kings College, spent the holiday with the former's parents, Mr. and Mrs. Thomas LeBrun.
Dr. W. E. Harlow spent Thanksgiving with friends in Halifax.
Mrs. Blanche Michie has gone to Lunenburg for a few weeks on professional duties.
Mrs. Melissa Hall, of Milton, Mass., is visiting Mrs. E. C. Hall.
Miss Aileen Freeman, teacher of Expression at Halifax Ladies College and Miss Ila Freeman, of Acadia College, Wolfville, spent Thanksgiving with their parents, Mr. and Mrs. Karl Freeman.
Mr. Beverly Prosser, who has been visiting his father, Rev. A. J. Prosser.

NEWSY NOTES FROM PARADISE

"Crusade Meeting" of Missionary Society.—Mrs. Carl Ritcey Receives Social and Personal Items.
Mr. Stephen Jefferson was in Halifax on business last week.
Miss Leola Banks, teacher at Wadlock, spent the week end at her home.
Miss Lillian Henry spent the week end in Bear River, where she was the guest of Mrs. R. A. Harris. Miss Henry was Vice-Principal in Bear River for the past two years.
Mrs. Carl Ritcey received on Thursday afternoon and evening at her home in Paradise. Mrs. F. H. Beattie, mother of the bride and Mrs. C. W. Durling received with her. The door was opened by little Miss Marion Beattie. Mrs. Boehner and Mrs. Jesse Saunders poured, while Miss Muriel Ritcey and Miss Edith Bent served. Mrs. Ritcey has been a very efficient teacher in Bridgetown, where her former home was and more than one hundred of her friends from there and Paradise called on her at this time.
The Ladies Missionary Society held their Crusade Meeting in the vestry of the Baptist Church on Monday afternoon. The members were delighted with the pleasing addresses given by Mrs. McLearn, Secy. of the Home Missions for Nova Scotia, of Wolfville, and Mrs. A. J. Prosser, of Bridgetown. Refreshments were served and the birthday offering amounted to over thirty dollars.
Mrs. Fred Bishop left for Boston on Saturday, where she will visit her sister, Mrs. Baird.
Mr. and Mrs. Frank Balcom and children are the guests of Mrs. Balcom's parents, Mr. and Mrs. Daniels, for the winter.
Miss Dorothy Hogge spent the holiday in Digby, the guest of her aunt, Miss Burnham.
Miss Minnie Jackson left for Florida on Tuesday, where she was accompanied by Mr. George W. Wilson, who has employment there for the winter.
Miss Elizabeth Banks who is attending Acadia, spent the holiday at her home.
Edgar Bent, Chesley Rice and Richmond Longley, who are attending Acadia, spent the holiday at their homes.
Mr. and Mrs. May Saunders and son Gordon, were the guests of Mr. and Mrs. Byron Chesley during the week end.
Miss Louise Harris of Annapolis Royal spent Thanksgiving here, the guest of her sister, Mrs. John Jackson.
Messrs. Robert and John Longley returned from Amherst on Friday.
Mr. William Backer and Mrs. Emma Hines, of Annapolis, spent Thanksgiving at the home of Mrs. Martha Jackson.
Miss Marion Beattie spent the holiday with her sister, Mrs. Carl Ritcey. Mrs. Mercer and son Ronald, accompanied by Mr. Haycock, of Wolfville, spent the week end guests of the former's parents, Mr. and Mrs. J. S. Longley.
Miss Cora Lantz of Kingston, is the guest of Mr. and Mrs. J. S. Longley.
Miss Margaret Trimper, teacher at Douglasville, spent the holiday at her home.
The many friends of Mrs. William Sharp are sorry to learn of her recent illness and wish her a speedy recovery.

GRANVILLE FERRY

The death occurred Wednesday morning of Mrs. Susan Norton, aged 79 years, at the home of her brother, Rupert Gilliatt.
The deceased was a daughter of Wesley and Louisa Gilliatt and was twice married, her first husband being Major Remsen, and her second Jacob Norton, who at one time conducted a singing school here.
The late Mrs. Norton was a life long resident of the village and a faithful member of the Methodist Church.
One son, Vorheis Remsen, of the police force of Lynn, Mass., and one brother, Rupert Gilliatt survive.
The funeral service was conducted on Friday afternoon by Rev. R. B. Thomas. Interment was made in the Parker cemetery.
Miss Janet Boss has been visiting friends in Paradise.
Mrs. Alfred Ellis, of Sheffield Mills, who has been visiting her father and

HYMENEAL

Woodworth-Willett

On the evening of Wednesday, November 4th, St. Mary's Church, Belleisle, was the scene of a wedding of unusual interest to Belleisle and neighboring communities. Miss Josephine Willett, daughter of Mr. and Mrs. Lawrence Willett, Belleisle, becoming the bride of Mr. Benjamin Crosscup Woodworth, of Kingston Village, Kings Co., N. S.
A considerable time before the ceremony commenced, the sacred edifice was filled.
At 8 o'clock the bride, attired in travelling suit, entered the church on the arm of her brother, Capt. J. A. C. Willett, who gave her away. Otherwise, both bride and groom were unattended.
At this point the choir (especially augmented for the occasion) sang Kehl's well known hymn, "The Voice that Breathed O'er Eden." Then commenced the marriage service proper, Canon Underwood officiating.
This service is always impressive, but it is especially so when taking place, as designed, in the church.
The actual service concluded, and whilst the register was being signed, the choir sang the lovely hymn written by Dorothy Frances Gurney, "O Perfect Love, all human thought transcending," to the equally lovely tune composed especially for it by Sir J. Barnby. Also "O Father all creating." (Rev. John Elliott).
These being concluded, the bridal couple left the church to the strains of Mendelssohn's Wedding March, played by Mrs. Ernest Bent, followed by the hearty good wishes of the whole community, for it is true to say that no more deservedly popular bride has left Belleisle in many years.

UPPER GRANVILLE

Mr. Ralph Berry is adding to his property, a neat fox ranch, being the fourth in this vicinity within a radius of a mile or more. To all owners of this valuable industry we wish success.
Miss Pearl Beeler is convalescing from her recent illness at the home of Mr. and Mrs. S. K. Mack.
Mr. James Pickett arrived home on Thursday after a pleasant summer spent with relatives in Sydney, C. B.
Miss Wheelock, popular teacher in Chesley section, is enjoying a Thanksgiving holiday.
November thus far has given us some ideal days fully appreciated after cold wet weather during the last two months, it may be a touch of "Indian summer," may be continued ere winter comes in earnest. Let us echo our annual Thanksgiving by the fruits of "good living," with thankful hearts for the blessing of peace amongst countless blessings, keeping ever-green in memory those who sleep in "Flanders fields" that we might live.
The Town Council held its regular monthly session on Friday night. The following accounts were passed:
Ross Bishop, piano for Court House \$135.00
Alden Walker, gravel 73.05
Pay sheet for October 117.75
Bureau Vital Statistics 3.60
Children's Aid Society 60.99
Barnes & Co. 30.25
Messrs. C. B. Longmire, H. B. Hicks and Herman Young were appointed revisors.

TOWN COUNCIL HOLDS SESSION

Barnes & Co. 30.25
Messrs. C. B. Longmire, H. B. Hicks and Herman Young were appointed revisors.

WEDDING

A very pleasant surprise was given Mr. and Mrs. C. L. Piggott, at their home on Saturday evening. The occasion being the 25th anniversary of their wedding.
While they were sitting talking with a couple of their friends the door bell rang, and about fifty neighbouring friends entered to spend a few pleasant hours with the bride and groom.
An interesting feature of the evening was a very pretty wedding cake appropriately decorated by their daughter Iya, who also remembered them with a silver jardiniere and fern dish. Alice, who is teaching at Ladies College, Ottawa, sent them a telegram of good wishes and a handsome silver flower basket. Other immediate members of the family remembered them with gifts of silver and cash. The groom's gift to the bride was an electric silver candelabrum of five lights. On behalf of the assembled friends Dr. Anderson presented Mr. and Mrs. Piggott with a pair of silver candle sticks and best wishes for many happy returns of the day.

HISTORICAL SOCIETY ELECT OFFICERS

Fred. W. Harris New President.—Passing of Mrs. Mary Lynch.—Personal Items.

Annapolis Royal.—Mrs. Mary Lynch, a life-long resident of Annapolis Royal, passed away at her home here, on Monday evening, after a lingering illness. The deceased was the daughter of the late Robert and Anne Stalling, and was born here seventy-two years ago. About 1877 she married James Lynch, who with two sons and two daughters, survives her. The daughters are Miss Anna Lynch and Mrs. George H. Robertson, who were both with their mother during her illness, as was also the younger son Edward, chief engineer of S. S. Prince George. The older son George is married and resides at Benk, Oregon. An only brother, Capt. George Stalling, met with a tragic death in January, 1899, when the barque "Andalana" of which he was master, crashed and sank in Tacoma harbour. The late Mrs. Lynch was a devoted member of St. Luke's Church, and one highly esteemed by a large circle of friends, who sympathize with the family, in their loss of a loving wife and mother. The funeral services on Thursday were conducted by Rev. S. J. Woodroffe, with interment at St. Alban's cemetery.
The annual meeting of the Historical Association of Annapolis Royal, on Monday evening, was especially interesting. Owing to a by-law of the constitution that one person can only serve as President, three years consecutively, Mrs. J. M. Owen, who has served so efficiently for that period, retired, and was elected a life-director of the Association. The officers elected for the coming year were:—
President—Mr. Frederick W. Harris
Vice-President—Mrs. J. W. Thompson
Secretary—Mrs. George W. Belliveau.
Mr. Fortier exhibited a remarkable relic—a diary of Ensign Jeremiah Bancroft, who served under Colonel Winslow in 1755, and who gave an account of the expulsion of the Acadians. Miss Charlotte Perkins then read her excellent paper on "Old Schools of Annapolis Royal," which contained much valuable information, expressed in a very interesting manner, many rare articles relating to school work, such as copy-books, samples, photos, of the various school houses; a daguerotype of Andrew Henderson, Master of Abinonvale Academy, etc., were exhibited after the meeting adjourned.
Mrs. F. M. Dargie returned on Monday from a two weeks visit to Halifax.
Daniel Owen, K. G. left on Tuesday for a trip to Boston.
Dr. L. St. C. Saunders, of Kentville, was a visitor in town on Saturday.
Dr. and Mrs. B. C. Borden left on Saturday for a trip to Sackville, N. S.
Miss Ethel Miller, of Kentville, who was the guest of her mother, Mrs. Eva Miller, during Thanksgiving, returned on Tuesday.
Mrs. Jamieson and Miss Jamieson at Digby; Mr. Robt. Taft, of Wolfville; and Mr. Emil Gaboury, of Halifax, were among the guests at the Queen (Continued on Page Eight)

On behalf of the assembled friends Dr. Anderson presented Mr. and Mrs. Piggott with a pair of silver candle sticks and best wishes for many happy returns of the day.

WEDDING

A very pleasant surprise was given Mr. and Mrs. C. L. Piggott, at their home on Saturday evening. The occasion being the 25th anniversary of their wedding.
While they were sitting talking with a couple of their friends the door bell rang, and about fifty neighbouring friends entered to spend a few pleasant hours with the bride and groom.
An interesting feature of the evening was a very pretty wedding cake appropriately decorated by their daughter Iya, who also remembered them with a silver jardiniere and fern dish. Alice, who is teaching at Ladies College, Ottawa, sent them a telegram of good wishes and a handsome silver flower basket. Other immediate members of the family remembered them with gifts of silver and cash. The groom's gift to the bride was an electric silver candelabrum of five lights. On behalf of the assembled friends Dr. Anderson presented Mr. and Mrs. Piggott with a pair of silver candle sticks and best wishes for many happy returns of the day.

Press Comment

THE NEW TRANSPORTATION

New York Evening Post: New problems in regulation, in carrier liability, in supervision and in taxation are crowding in with the motor bus. What share of the road maintenance should these private concerns operating on the public highway pay? How shall their service be guaranteed? How can they be made properly responsible to the public they serve? They are here to stay; but how can they be merged and welded into existing transportation systems?

lashed and while the world was contemplating its horrors, has acted as a corrosive agency upon the outlook of millions of people, particularly the young. But it is certain that the war and its aftermath cannot be held responsible for all the evils of the day. So far as the youth of the land are concerned, and their evident desire to have their living, the lessening of the restraints of home life complained of by preachers and other moralists would seem to cut a greater figure in the matter of what is going on under the new code than a war that terminated seven years ago and to which the rising generation gives little thought.

TASKS FOR THE LEAGUE

London National and Athenaeum: It is by tackling successfully the tasks of pacification and reconstruction which are allotted to it, rather than by the improvisation of new machinery, that the League can best lead the nations towards disarmament. A wise decision on the question of Mosul, and the admission of Germany at an early date, are the two things which would do most to raise the prestige of the League and strengthen its hands for the further tasks which lie before it.

CITY BOUND TO GAIN FARM POPULATION

Only 15 Per Cent. of People Needed on Land, Owing to Machinery.

New York.—Although the proportion was one to three in 1914 within the next five years only one-fifth of the working population over 19 years of age will be found on the farms. Benjamin C. Marsh, managing director of the Farmers' National Council, asserted last night before the Civic Club.

GERMAN FOREIGN POLICY

Hamburg Fremdenblatt: The aim of German foreign policy must also be the revision of the eastern frontiers, the impossibility of which is now recognized by all. It must furthermore consist in securing realization of Germany's claim to colonial activities and to reacquire colonial possessions. It must be the protagonist of the fight of self-determination, which in the question of union with Austria has been handed with incomparable cynicism by the Allies.

New York.—The change from man to motor power on the farms was discussed in detail by Mr. Marsh, who declared that efficient farm management and operation would require only 15 or 16 per cent. of the population to produce all the raw material for food and clothing which could possibly be marketed. The increasing use of machinery and electric power has reduced the need for man power.

EDUCATION'S DEBT

Boston Globe: No college education is entirely a private investment. A college or university, whether it be a State or a privately endowed institution, which is untaxed, receives substantial subsidies. A tuition fee does not defray the cost of educating a boy or girl; the public helps pay the traffic, and is entitled to some return. No college graduate has the moral right to use his training solely for his own selfish purposes. The recipient of such an advantage is fully bound to give some thought and energy to the advancement of the general welfare.

Mr. Marsh showed that since 1916 there has been a continued falling off of the number of persons gainfully employed in agriculture. "By 1922 the proportion fell to 26.7 per cent," he asserted, "and with the present tendencies, by 1930, out of a population of 121,000,000, only about 21 per cent, or 9,550,000 which is 3,200,000 fewer than in 1910, will be on farms."

NEWSPAPERS EAT TREES.

The timber from 7,500 acres of land is required each week for America's Sunday newspapers. It takes the pulp trees from that much land to provide their newspaper print. Yet publishing is only one of the hundred groups of industries that draw their material from the forest. The gigantic lumber industry, with its 20,000 mills, consumes only a third of the wood that is annually removed from the forest. More wood is used for fuel than for lumber. Directly and indirectly the responsibility for depletion of forests rests on every citizen who uses wood in any form of its manufactured forms. Carelessness and waste characterize our attitude toward forest products. They have been too cheap and plentiful to be appreciated.—Boston Transcript.

HOME MADE "CHILI SAUCE."

This is a good time to buy tomatoes for preserving. The season for them is about over and there are plenty

that cannot be used for slicing which are to be had at a reasonable price. Very ripe tomatoes are especially desirable for "chili sauce, which can be served with meat or used to flavor gravies or soups.

Wash and quarter ten quarts of tomatoes, place them into a large enameled ware preserving kettle, the vitreous surface of which will not be affected by the tomatoes. Simmer until they draw their own juice, then boil an hour. Press through an enameled ware colander so that the skins are removed. Then add the following, chopped fine: one stalk of white celery, two dozen onions, two green peppers and one dozen red, hot peppers. Also, three cupfuls granulated sugar, one cupful of salt and one cup of vinegar. Blend thoroughly. The one-half pound of mixed pickling spices in a cheese cloth and boil in the mixture gently for four hours. Bottle while hot and seal securely.

ONE-DISH DINNER

In many families it is a problem to serve up a simple meal on one course. Here is a dish that will please a family of six, besides having the indispensable elements of nourishment:

- 2 cups cooked macaroni.
- 1 cup cooked carrots (diced).
- 2 tablespoons grated onion.
- 2 tablespoons chopped parsley.
- 2 tablespoons chopped fresh red pepper.
- 1 cup chopped ham.
- 2 tablespoons buttered crumbs.
- 1 cup Borden's St. Charles Milk.
- 1 cup water.
- 2 tablespoons butter.
- 2 tablespoons flour.
- 1 teaspoon salt.
- 1/4 teaspoon paprika.

Cook macaroni in boiling salted water 35 minutes. Make a white sauce of butter, flour, milk, water, salt, paprika. Place a layer of macaroni in a well-greased baking dish. Sprinkle with ham, carrots and seasonings. Repeat until all are used. Pour over all the white sauce. Cover top with bread crumbs and bake in a moderate oven for 40 minutes.

"JUST DIFFERENT"

Baked Apples.

In most localities apples are abundant at practically all seasons, but they are inclined to be better at this particular time of the year. Perhaps no one fruit lends itself to serving in more varied ways and a baked apple doesn't necessarily mean the usual kind that is served at breakfast. Baked apples filled with tempting dainties would never fail to make an appeal as dessert.

Select six large firm, tart apples, core and pare them about one-third of the way down from the stem end. Place them with the peeled surface upward in a deep enameled ware dish, the vitreous, porcelain-like surface of which makes it perfect for this use. Make a syrup of one cupful of sugar and one and one-half cupfuls of water boiled together for six minutes. Squeeze some lemon juice over the peeled part of the apples, pour the syrup over them and bake in a moderate oven for ten minutes. Then remove from the oven and fill the cavities with a mixture made of chopped dates and raisins which have been mixed with cinnamon and marsh-mallow. Return to the oven for thirty-five minutes and taste occasionally.

The only reason some of us don't settle down and take a wife, says Tom MacInnis, is because we don't know whose wife to take.

Facts show that men are getting smaller every generation. Who wouldn't work all day to make it and stay up all night to see how much they owe the government.

Los Angeles is thinking of requiring lights on baby carriages; they are equipped with stunts already.

NERVOUS BREAK-DOWN

Pains in Back and Legs Relieved by Lydia E. Pinkham's Vegetable Compound

Ford, Ontario.—"I had a nervous break-down, as it is called, with severe pains in my back and legs, and with fainting spells which left me very weak. I was nervous and could not sleep nor eat as I should and spent much time in bed. I was in this state, more or less, for over two years before Lydia E. Pinkham's Vegetable Compound was recommended to me by my neighbor. Before I had taken five doses I was sitting up in bed, and when the first bottle was taken I was out of bed and able to walk around the house. During my sickness I had been obliged to get some one to look after my home for me, but thanks to the Vegetable Compound I am now able to look after it myself. I have taken Lydia E. Pinkham's Blood Medicine in turn with the Vegetable Compound, and I certainly recommend these medicines to any one who is not enjoying good health. I am quite willing for you to use these facts as a testimonial."—Mrs. J. SHEPHERD, 180 Joss. Janisse Avenue, Ford, Ontario.

Nervousness, irritability, painful times, run-down feelings and weakness are symptoms to be noted. Women suffering from these troubles, which they so often have, should give Lydia E. Pinkham's Vegetable Compound a fair trial. All druggists sell this medicine.

NOVA SCOTIA COMPANY WINS HONORS AT LONDON FRUIT SHOW

Word has been received in Halifax to the effect that the United Fruit Companies of Nova Scotia have been awarded the bronze medal in class 3, for four boxes of McIntosh apples and the silver medal in class 9, for four boxes of Golden Russets, at the Imperial Fruit Show, now being held in Holland Park, London, Eng. Cable advice received by A. E. McMahon, Kenville, also states that the company has been awarded six first prizes in the Nova Scotia section of the show.—Herald.

N. B. FOXES SHIPPED TO SWITZERLAND

Swiss Rancher Makes \$100,000 Purchase—Leave Montreal Today

Montreal.—Black foxes valued at about one hundred thousand dollars purchased in New Brunswick by a Swiss rancher who has spent about three years in Canada studying their care, will be shipped from Montreal to Switzerland via Antwerp by the Canadian Pacific Steamships liner Melitta tomorrow.

Similar shipments in the past have been successful, it is said. The animals are in thirty-odd crates, five feet long by four feet high, and will be left on deck during the voyage. Their owner and special attendants from the express company handling them will care for the shipment.

COLDS

At the first sneeze, heat and inhale Minard's. Also rub on throat and chest.

Here and There

The entire Province of Prince Edward Island and adjacent islands have been leased for oil prospecting purposes to Henry L. Deberry & Company, according to an announcement by the concern. The lease has been taken on option.

Indications are that 1925 will be one of the best tourist seasons ever experienced by Montreal. It is estimated that 750,000 people from all over the continent visited Montreal last year, while this year the number is placed at a million.

It is understood that a contract has been let for the laying of a submarine cable from Vancouver Island to Suva, Fiji Islands, by the Pacific Cable Board. This is part of the "All-red" cable and wireless route which is being established between British possessions the world over.

In order to facilitate the work of the air force patrol radio stations are being erected at the Pas, Norway House, Victoria beach, and Fort Osborne Baraback, Winnipeg. The stations will be completed shortly and will have, it is stated, a radius of communication all over Canada.

"Judging from the amount of sound business activity noticeable here, British Columbia is launching into an era of constructive development which augurs well for her future prosperity," comments Grant Hall, Vice-President of the Canadian Pacific Railway, who recently spent ten days on the Pacific Coast.

"So long as the Canadian Pacific Railway has a dollar left in its treasury, it will fight to the limit, up hold the faith and maintain the precious heritage of confederation," said E. W. Beatty, Chairman and President of the Canadian Pacific Railway, when addressing the Canadian Manufacturers' Association at their annual convention held at Hamilton recently.

Eleven hundred pounds of speckled trout, gray trout and pike were the trophies taken last week by New York recently by a crew, members of the Coughnawaga Hunting and Fishing Club, private preserves near Montreal, after a two-week stay on the fishing grounds. The catch included a 19-lb. gray trout and the average weight worked out at around eight pounds.

Frank W. Ashby, secretary of the Australian Manufacturers' Association, visiting here recently, said the impression in Australia was that Canada was the back door to the North Pole. People in the Antipodes think that Herschel Island and Ebfins Bay are linked up municipally with Montreal and Winnipeg, he said. He was surprised to find the Dominion had a delightful climate and cities more modern than those in Australia.

What is stated to be the biggest log jam in sixty years recently occurred on the Montreal River in a gorge through which the river flows into Lake Temiskaming. 300,000 logs were piled up to a height of 80 feet with a width of 250 yards, choking the river for 300 yards down at the point where the jam took place. An army of 100 men, working night and day for three days, at last succeeded in breaking the jam with dynamite.

A three-week tour of Canada by teachers and their friends, under the auspices of Dean S. Laird, of Macdonald College, will leave Toronto July 20 on the Canadian Pacific Railway. The party will travel by train to Vancouver and Victoria, and will return by way of Southern British Columbia, across the northern end of the Prairie Provinces and by boat from Fort William east. Stops will be made at all the principal points of interest.

MRS. ALLERY GETS \$30. AND GIVES UP NAG

Seizes Horse For Debt, Walking 40 Miles Leading Animal

Truro.—Mrs. Mabel Allery, charged jointly with William Fife, of theft of a horse from Calvin Harvey was before Magistrate Crowe here today, and the charge was dismissed. Mrs. Allery stated that Harvey borrowed \$30 from her some time ago, while working at Mount Thom, and in default of payment she seized the horse at West Gore, and brought it to Truro. Not having any wagon, the woman walked the whole distance of forty miles, leading the animal. Arriving in Truro she put the horse in a stable, and shortly afterwards was arrested on the charge of theft. Fife had nothing to do with the transaction, his part in the affair being merely to accompany the woman along the road on a bicycle.

The case was settled by Harvey paying Mrs. Allery the \$30 due, and in turn regained possession of his horse.

A WHOLESOME BAKED DINNER

Most housewives do not realize that oven dishes require really less attention than those prepared on top of the stove. But those who are fortunate enough to have a self-basting enameled ware roaster, know from experience that this is a fact. The old-fashioned way of basting the meat every ten minutes or so did keep one almost constantly on the job if the meat was to be well-flavored and browned.

The enameled ware roaster, which not only roasts but bastes as well, has eliminated all the attention and thought that the old method involved.

Roasts are said to be much better for one than fried foods and an additional advantage is that potatoes and vegetables can be roasted with the meat, which saves considerable time. White and Bermuda onions are on the market now and for a change from the usual boiled and creamed style of preparing them, try roasting them with the beef and potatoes.

Select a six-pound roast, wipe with a damp cloth, sprinkle with salt, pepper and flour and cook in a very hot oven for twenty minutes. Then place around the meat six or eight large peeled potatoes and the same number of medium sized onions. Season the potatoes and onions, cover and cook at the same temperature for forty-five minutes.

Prevent Grippe with Minard's Liniment.

Counter Check Books

Now is the time to order your counter check books for there are indications that the rate war which has prevailed for months between the various manufacturers is now nearing a finish. When that finish comes the price goes up. Be wise. Enough said. Order through the Monitor.

Law enforcement will be rather effective even though poor in quality, while liquor is.

The Value of Father John's Medicine as a Body Builder

Is Positively Proven By Over 70 Years of Success

FIRST-The quality of the Cod Liver Oil used, along with other valuable ingredients in compounding this remedy. Dr. Harvey A. Sell, one of the best known analytical chemists on this continent, made an analysis of Father John's Medicine and said, "We have never examined finer cod liver oil than used in Father John's Medicine."

SECOND-The tiny particles into which the Cod Liver Oil is divided by the wonderful equipment in our new Montreal laboratory. Concerning the degree of fineness, Dr. Sell states in his report on Father John's Medicine, "The cod liver oil is broken up more completely than in any other medicine we have ever examined of this type, many of the oil particles in Father John's Medicine being only one-tenth the size of the particles of butter-fat found in cream."

The cod liver oil is so excellent in quality and is so finely divided that its full food value is easily absorbed by even weakened digestive systems. This is why people, especially the aged and weak, and pale, thin, underweight children grow healthy taking Father John's Medicine.

of attending a wide-awake, progressive school is the progressive training received in that institution. You reflect the atmosphere of the school you attend and your success is determined very largely by that fact.

FREE BOOKLET ON SOAP MAKING

In the old pioneer days the thrifty housewives used to make their own soap as a regular part of their household duties. It used to be quite a laborious undertaking because they had to make a lye from wood ashes. But nowadays it's different. Hundreds of Canadian housewives are still making their own soap but they are not bothering with wood ashes. They get their lye for a few cents at the grocery store, and the rest is easy.

The manufacturers of Gillett's Flake Lye have prepared a little booklet which gives complete directions for home soap-making, using such things as tallow, bacon rind, bones, etc., that too often are thrown into the garbage can. The beauty of it is that there is practically no labor about the business, and the directions are followed, success is as certain as sunrise. This seems like a good way to save money, to say nothing of creating that satisfied feeling which always results from contemplation of a really good and useful article which you have made yourself. Our readers would certainly be well advised to write E. W. Gillett Co. Ltd., Corner Fraser Avenue and Liberty St., Toronto 2, asking for a copy of their Lye Booklet.

When hoarse use Minard's Liniment.

CORNING HERD FOR ROYAL FAIR

Thirty Head of Guernsey Stock Go to Show at Toronto.

Yarmouth.-In charge of Russell Davidson, as herdsman, about thirty head of the Guernsey cattle, from the herd on the estate of the late H. W. Corning, Hillcrest, Chagoggin, left by the C. N. fast freight last evening for Halifax, enroute to Toronto, where they will be exhibited at the Royal Winter Fair. Accompanying the herd was G. Edgar Rose, also of Chagoggin, who is taking a number of his hand-some pure bred Jersey stock for exhibition purposes.

Miss Frances Corning, of Chagoggin, left by the D. A. R. Wednesday morning, for Amherst, where she will attend the annual meeting of the Nova Scotia Guernsey Breeders Association, of which she is Secretary. Following that, Miss Corning will proceed to Toronto, to attend the Royal Winter Fair.

SURPRISED AT CANADA'S PROGRESS

Quebec.-"If Canada develops her wonderful resources to their fullest extent, she will be one of the richest countries in the world," declared Sir Frederick Dutton, of Middleham, England, on arrival here.

Sir Frederick, who is a member of the Royal Colonial Institute, is now concluding his second visit to Canada, and will sail from here next Friday for home.

It is 45 years since he made his first trip to the Dominion, and he expressed his astonishment at the amazing development in the country at large since he was last here, remarking that tremendous progress had been made in all respects.

25,000 MILES IN SEARCH OF A MEAL

Paris.-The famous French Club of One Hundred (Club des Cent) has completed 25,000 miles by motor car in search of a good meal. The organization of this club was for the purpose of visiting hotels, cafes and village inns to find where the best meals were prepared. They award two gold medals yearly to the chefs who best suit their palate. Some of their mottoes are: "We eat beefsteak not expensive furniture." "Feed your guests, not the flies." "Coffee made in advance is bad coffee."

THE MONTHLY LETTER OF THE ROYAL BANK OF CANADA

Canadian Business Conditions

Not since the beginning of the economic readjustment period have fundamental conditions been more favorable to a healthy expansion of industry and trade. There are already signs of improvement in the business situation, and while for the most part they relate to seasonal conditions, some of the changes are indicative of the gradual restoration of balanced relations which are so necessary to general prosperity. The maladjustment between industry and agriculture has during the past twelve months been mitigated if not entirely relieved, and the highly satisfactory crop returns now indicate that the purchasing power of the farming community will be greater than the past five years and more widely distributed. The yield for the three Prairie Provinces as estimated by the Northwestern Grain Dealers Association in their mid October report, compared with the final estimates of 1924, are as follows:

Table with 2 columns: Crop, 1925, 1924. Wheat: 400,385,000 vs 235,594,000. Oats: 392,653,000 vs 223,325,000. Barley: 65,355,000 vs 70,620,000. Rye: 9,220,000 vs 11,126,000. Flax: 6,395,000 vs 9,577,000.

Livestock markets showed a very encouraging tone during the month. Supplies were heavy, but export demand from Great Britain and the United States was strong. Hogs are bringing high prices, and this is likely to be the case for some time to come owing to short supplies.

The major industries of the country are generally more active. The iron and steel mills are again operating closer to capacity. More than sixty thousand tons of rail business has been placed, and the demand from automobile and agricultural implement companies has been in larger volume. The important textile industry which in 1924 had one of the worst years in its history, is feeling the stimulus of improved conditions.

The reduction in primary costs gives the trade better prospects for earnings. In woolen goods the situation is slightly better, and in silks, including rayon, relative prosperity prevails. The boot and shoe industry has been unsatisfactory for some time, but there is a general report of better business, and leather prices are firmer. Mineral production records for Canada show a steady growth. Production of metals and non-metals reached a total value of \$90,347,698 as compared with \$84,307,385 in the first half of 1924. The output of gold for the six months was \$14,506,210 as against \$11,810,000, and silver \$591,882 oz. as compared with \$5,008,256 oz. for the corresponding period of the previous year. In British Columbia the production of non-ferrous metals, especially lead and zinc, shows a large increase, and at present market prices the total output for the first eight months of the year is estimated at \$41,000,000 or only \$7,500,000 short of the total value for the whole of 1924. The coal mining industry, after being completely disorganized by protracted strikes, is making rapid recovery and a better feeling is in evidence. Export trade in lumber is quiet. The Maritime Provinces find it difficult to obtain satisfactory business against European competition. The Australian market appears to be satisfied, and the demand from Japan has fallen off. There is a steady increase, however, in shipments from the Pacific Coast to the Atlantic Ports of the United States, and domestic demand is expected to improve with western conditions. In the pulp and paper industry, production and shipments are ahead of last year. The production of newsprint for the eight months ended the 31st August is 988,746 tons as compared with 907,683 tons in 1924.

The value of building permits and contracts entered upon for construction work in Western Canada for the first nine months of the year show an increase of \$5,582,000 over the figures of a year ago, although the figures for the Dominion for the same period are slightly lowered. The usual statistics which reflect the current volume of business indicate a tendency to expansion. Car-loadings and bank debits throughout the past two months have been well above the corresponding figures of last year. The agricultural situation is contributing in no small degree to larger and better balanced buying power. Wholesalers generally report increased turnover, although in all these buying is cautious and closely confined to immediate needs. Commercial failures for the third quarter of 1925 show a distinct improvement both in number and extent of liabilities. Our foreign trade continues to show growth that is particularly noteworthy. During September, exports amounted to \$168,477,911-a considerable increase over \$80,960,729 for the corresponding month last year. This represents a record total for this month since 1920. For the six months of the fiscal year ended September, total exports were \$571,315,340 against \$482,691,954 for the same period last year.

The comfortable position of the money market, the small fluctuations in commodity prices, light stocks of merchandise, the increased purchasing power based on good crops and a high state of employment are factors which collectively inspire greater confidence in the business situation.

The French Debt Negotiations

The failure of the United States to reach an agreement with France produces widespread disappointment, since there is now general appreciation of the necessity for the return of France to a condition of financial stability. Whatever merit is attached to the plan that France shall pay \$40,000,000 a year for five years with remission of further interest during the period, lies in the suggestion that both countries are now nearly ready to face the true situation. For France to reach the point where she is prepared to recognize her debts as far as her resources will permit, will constitute almost as much a step in advance as for the United States, possessing half the gold in the world, to recognize the real conditions in Europe and the necessity for the adjustments necessary to permit her to begin to receive the goods in which ultimate payments must be made. Like the "Davies Plan" this interim agreement bridges an awkward situation, and permits a lapse of time in which both peoples may grow accustomed to the idea that further concessions are necessary. That France's capacity to pay may be even smaller than her own statesmen are willing to admit, constitutes one possibility which should be given careful consideration. So general is the recognition that France requires stabilization of her credit, that many well informed people thought that she might promise more than she could ever hope to perform in order to secure settlement together with credits which would stabilize her finances and her money. At the last Mr. Caillaux offered more than most Frenchmen felt France could pay, and it is quite possible that the ultimate settlement will be in some such terms as these which now seem too large in France and too small in the United States.

The fact that many financial and business periodicals such as the Chase Economic Bulletin and the Magazine of the American Chamber of Commerce, are beginning to do serious discussions to the possible methods of receiving payments from Europe, leads to the hope that this question will soon receive general serious consideration in the United States. All of the articles of the type point out that the present tariff barriers are so high as to preclude the possibility of substantial payments in goods, and suggest that the longer the United States maintains an export surplus, the more difficult the eventual payments will become.

On the whole it seems that none of the negotiations with the United States have laid sufficient emphasis upon the fact that these loans were made at a time when prices were high, or what is the same, when gold had a comparatively low purchasing power. Thinking of these matters in terms of commodities helps to clear the situation. Owing to this very difference in price level, the repayment by Europe of commodities at their present gold value would imply the return of a volume of goods nearly twice as great as the volume of the same kinds of goods secured from the United States with these loans. When one considers the obvious reluctance of the United States to admit imports other than raw materials, tropical fruits and manufactured goods which cannot be produced in the United States, it is not surprising that debtor countries feel that most obvious channels of payments have been blocked by tariff walls.

What is to be the ultimate solution is a matter that must be decided in the United States, but it is quite encouraging to realize that business men and bankers in the United States are giving these economic factors a careful consideration which may lead to new developments in the whole debt situation. Had France and the United States arranged a permanent settlement, it is almost a certainty that it would have been accompanied by the revaluation and stabilization of the franc. Without such an arrangement no settlement would have been considered satisfactory, and it might prove completely futile. Should the present arrangement result in a five years deferral of stabilization, and should the uncertainty due to the outcome of the present conference result in so undermining the credit of France that further inflation follows, the result must be considered most unfortunate. Without financial stabilization, certainly there can be little industrial improvement, and without increases in production there can be neither foreign payments nor internal harmony.

A Canadian Budget System During the years 1920-1925, while Canada's gross debt was decreased (Continued On Page Six)

\$24.50 PUTS THIS GREAT NEW FURNACE IN YOUR HOME

I Can give you real warmth for less money

THE New Gilson "Magic" Tungsten Plate Furnace is proving a tremendous sensation. Everyone is astounded by the way in which it produces heat—the small amount of fuel needed—the speed with which it circulates the heat into every room—the many remarkable improvements—and, above all, the low price. Never before were you able to buy such cozy comfort and economy in a heating plant. And for such a small cash payment and on such easy terms! See me to-day and I'll show you a guaranteed way of getting warm home comfort with a great big saving in your coal bill.

GILSON "MAGIC" THE ONE PIECE FURNACE Built of Tungsten Plate F. W. STEVENS Bridgetown, N.S.

Canadian Products Arriving at Southampton

Apart from the importation of frozen meat, what is perhaps one of the most extensive and important branches of the trade of Southampton, England, is the import of flour and fruit from Canada and the United States. These commodities have for a good many years been arriving at the Hampshire port in steadily increasing volume, and as they are usually carried in large passenger vessels, to ensure prompt and regular delivery, the recent rapid development of liner traffic at Southampton has naturally been reflected in a corresponding growth in the imports of these commodities. So many of the big trans-Atlantic steamers have been diverted from other British ports that this movement was almost inevitable, and during the last few years developments in this connection have been very rapid. In consequence of the growth of the Southern Railway Company and their success in so organizing their business in the docks that they have been able to deal with all the increased traffic which has come their way in a most efficient and satisfactory manner. The appliances for handling cargo of this description are of the most up-to-date character, and the methods employed are such as to guarantee to the consignees of the goods the most prompt and careful despatch. As can be seen from the photographs we reproduce one of the improvements adopted by the port authorities is the transporting of goods from ship's side to shed by means of electrically driven runabout trucks, which results in a great saving of time and labor, and also reduces the amount of handling to which the goods are subjected, and so minimizes the risk of damage. The system of road transport from Southampton Docks is also well organized, so that local consignees are excellently served, whilst the railway connections to London and the North of England are such that to quote only one example, it is possible for goods to be put on rail in the west of Canada or the United States, shipped across the Atlantic to Southampton, and be on sale in London inside 10 days. Besides box-truck and flour, which are shown in our illustrations being unloaded from the Canadian Pacific liner "Empress of France," bacon is another commodity which is now playing an important part in the rapidly growing import trade of the port.

J. H. HICKS & SONS
QUEEN STREET, BRIDGETOWN, N. S.

To the Electors of Digby--Annapolis--Clare

LADIES AND GENTLEMEN:

I wish to express my sincere thanks to all those who gave me their loyal support and who were responsible for the magnificent victory accorded me on the 29th ultimo and elected me as your Representative in the House of Commons at Ottawa.

I wish expressly to thank the workers throughout the Constituency for the excellent manner in which they carried on the Campaign. No Candidate ever had a more loyal and efficient staff of workers than those who stood by me all through the Campaign.

Considering that I was unable to visit many of the polling districts and that I did not make a personal canvass the result is most satisfactory, and it is a splendid victory for Maritime Rights which was the principal issue in the Campaign.

I shall during the time I am your Representative at Ottawa do everything in my power to merit the Confidence you have placed in me. Again thanking you most heartily for your support.

Sincerely yours,

H. B. SHORT

VICTORY

Mrs. Fred C. Simpson has gone to spend the winter in Ottawa. She was accompanied as far as St. John by Mr. Simpson, who is remaining for the winter months.

Mr. Frank Kaulbach, has purchased F. C. Simpson's farm, and taken up residence here.

Mrs. Walter Gehu, is improving slowly. We trust she will soon be restored to her former health.

Mr. Freeman K. Darres, our new foreman, has been working on the roads here.

Mrs. Carrie Baxter of Digby has been spending a few days with friends here.

ST. CROIX COVE

Mrs. Melissa Charlton Hall, Dorchester, Mass., has been spending a few days with relatives here.

Mr. E. C. Hall and Mr. W. E. Reed, of Bridgetown, and Mr. and Mrs. Norris Mitchell, of Hampton, were visitors at the home of Mr. and Mrs. Bradford Poole the 1st.

Mrs. Lavenia Brinton, widow of the late John C. Brinton, passed away very suddenly at her home here, on Tuesday morning, of hemorrhage of the brain, aged 74 years. The funeral service, conducted by her pastor, Rev. D. W. Dixon, was largely attended. Interment in Port Lorne Cemetery.

Mrs. Brinton will be much missed in the home and church, where she was a faithful attendant.

HILLSBURY

A bad accident happened on Sunday evening, when a car driven by George Stephenson, accompanied by Stewart Saunders went over the bank in Clark's hollow, but fortunately neither of the occupants were hurt, and with the help of some men and an ox team, the car was hoisted on to the road next morning, though considerably damaged.

Mrs. Watson Guest of Young's Cove, spent a few days recently with her daughter, Mrs. Charles Wade.

Miss Leta Longmire entertained the young folks at a birthday party on Saturday afternoon.

Parents day was held in the school recently and a number of parents were entertained by the teacher and scholars. The programme consisted of readings, exercises, songs and drills. Much credit is due Mrs. Stark (teacher) for the interest she is taking in the school.

C. G. I. T. will meet with Mrs. Arthur Longmire on Friday evening.

NEW "QUO VADIS" IS THRILL SPECTACLE

Audience Spellbound at Gigantic Film of Sienkiewicz Novel.

(Prepared Review.) Nothing more realistic has been produced in the motion picture art which has been born and reached maturity in our own generation than First National's gigantic film version of the Sienkiewicz novel, "Quo Vadis," which opens a 2 days' engagement at the Primrose Theatre today.

In the arena scene, where the Christians are hurled to the lions and that great scene in which Rome is burned, one feels the terror and panic of the fleeing populace as, bearing their household goods, their children and their aged relatives, they flee before the all-devouring flames.

One contrasts, too, this scene when the Roman Empire was crumbling with the scenes of modern times, when the inhabitants of many villages in Belgium and northern France have likewise fled from their homes--but before the invading hordes, not to make a Roman Emperor's holiday.

In the scene in the arena where the band of Christian martyrs assist Nero's persecutions, one is reminded also of the martyrs of our own day who face privation and death for the sake of an ideal dearer to them than life.

After the games are over, when the Roman populace has imposed its will upon the selfish and degenerate Nero, Vitellius escapes with Lygia and later marries her.

Emil Jennings well remembered for his dramatic characterizations in "Passion," "Deception" and others, has the role of Nero, and does perhaps the most brilliant work in his career.

Lillian Hall Davis, a young English stage star, is seen as the beautiful Christian girl, Lygia.

The supporting cast is said to number 30,000 persons, and its hugeness is in conformity with the remainder of the stupendous spectacle.

PORT LORNE

Mr. and Mrs. Ernest Kay, of Hampton, spent Sunday, November 1st, with Mrs. Celena Starratt.

Mr. and Mrs. Charles Grant, of Halifax, are visiting Mr. Grant's parents, Mr. and Mrs. William Grant.

Mrs. Frank Charlton, of Dartmouth, is visiting her father, Capt. Samuel Beardsley, and sister, Mrs. Alice Neaves, Mr. and Mrs. J. F. Titus, of Hampton, and J. A. Beardsley, of Clarence, were visitors Sunday, November 1st, at the same place.

Miss Nellie Lewis returned home from Boston this week.

Miss Laura Lewis has been visiting friends in St. John, recently.

Mrs. A. C. Clark spent a few days with friends here last week.

Miss Grace Smith was calling on friends here Tuesday, November 3rd.

On October 29th, Deacon Hiram Johnson passed peacefully away. He was eighty years of age. One who has always lived in this place and was respected by all who knew him.

Mr. Johnson will be much missed, especially in the church, where he was always found as long as health permitted. He is survived by his son William, and his wife, who has kindly cared for him, one sister, Mrs. Aseneth Brinton, who was also with him during his sickness.

The sudden death of Mrs. Lavenia Brinton came as a shock to her friends here. We extend our sympathy to the sorrowing family.

MOSCHELE

Mr. and Mrs. Clifford Fader, who have been visiting Mrs. James Rice, the past two weeks, returned to their home at St. Margarets Bay on Thursday last. They were accompanied by the latter's uncle, Mr. Crompton Mitchell.

Mr. Henry Buckler, Miss Elva and Mrs. E. Harris, went to Paradise on Saturday. The latter remaining to visit her sister, Mrs. C. Jackson.

Mr. and Mrs. Frank Ritchie left on Friday for a month's visit with relatives in the U. S.

Miss Edna Johns returned to Halifax on Saturday, October 21st, after visiting her friend Miss Helen Miller.

Our teacher, Miss Mary Walker, is spending the week in Bridgetown, owing to the illness of her brother.

Mr. and Mrs. W. F. Ritchie went to Halifax on Thursday. The former for medical treatment.

Mrs. E. Stalling, of Millford, is visiting her daughter, Mrs. Alton Ritchie.

Mr. and Mrs. Stewart Spurr left last week for Chester, where the latter is employed.

Mr. and Mrs. Wentford Ritchie and three sons spent the week end, November 2nd, with the former's parents, Mr. and Mrs. W. F. Ritchie.

A well equipped jazz orchestra contains practically every noise making device but a concrete mixer.

After all there's no Tea Like Morse's!

FIELD INSPECTION OF POTATOES FOR CERTIFIED SEED.

(Experimental Farms Note.) The acreage inspected this year for certified seed potatoes was considerably below that of 1924, which, however, was not unexpected. The area inspected throughout the country—not including British Columbia—was approximately 13,500 acres, of which 10,000 acres, or seventy-five per cent, passed the two field inspections. With an estimated crop from this area of 175 to 200 bushels per acre of the Irish Cobbler variety, and 225 to 250 bushels of the Green Mountain variety, there will again be a large quantity of certified seed potatoes available, sufficient for extensive export to other markets where the favourable reputation of such seed has become firmly established. As an indication of the merits of certified seed potatoes, it will be interesting to readers to note that comprehensive information has recently been collected by Mr. H. C. Moore, of East Lansing, Michigan, on the results obtained from 11,627 test plots of certified versus non-certified seed planted in all parts of Canada and the United States, and that the certified seed was 46.4 bushels and in Canada alone, 58 bushels. This information, and the knowledge, through personal experience, which large numbers of growers have acquired during the past few years, warrants the statement that there is no doubt about the quality of seed which has fulfilled certification requirements.

Some outstanding features as a result of inspection for certified seed are, the general improvement in cultural practices, followed by the growers who enter their fields for inspection, the interest which they evince in the various diseases, and the practice of the methods recommended for their control, and the honest efforts they put forth to comply with the rubber inspection standard when preparing their crops for sale. These features are of great assistance to the efficient conduct of the inspection service, and are much appreciated.

Any growers interested in the above, or desirous of securing a supply of certified seed for planting next season, may secure further information by communicating with the Dominion Botanist, Central Experimental Farm, Ottawa.

Division of Botany, Central Experimental Farm, Ottawa, Ont.

THE WINTER GROWING OF RHUBARB

(Experimental Farms Note.) Rhubarb can be successfully grown in any warm cellar during the winter, and it is much more tender and delicious than even the earliest rhubarb grown outdoors in the spring. Strong, vigorous plants should be selected, we prefer those with deep red color. In digging the plants leave as much clay as possible attached to the clump, and cut off the coarse roots that protrude. The clump is then exposed until it freezes hard, and should then be stored in a shed until required for the cellar. If the rhubarb clumps are brought in about every two months, they should supply the average family with this delicious vegetable throughout the winter.

When the rhubarb plants are brought in, they should be put in deep boxes or stood on fine cinder dirt that has been dampened, and the spaces around the clump should be filled in to the level of the crown with the same cinder dirt. Ordinary soil will do. The box should be covered to keep the plants in darkness, unless the cellar is dark. For best results the cellar should be warm, with a temperature of about 60°.

When the stalks are about 18 inches high, they should be pulled. When pulling, remove both the large and any small stalks, as the small stalks, if left, might start decay. Three or four pullings should be secured from each clump, when it can be removed and replaced by another one brought in from outside storage. The cinder dirt should be kept moist throughout the forcing period. The rhubarb plants that have been forced throughout the winter can be replanted in the garden. They should have from two to three seasons growth before being used for forcing. J. A. Clark, Superintendent, Dominion Experimental Station, Charlottetown, P. E. I.

THE MONTHLY LETTER OF THE ROYAL BANK OF CANADA

Continued from page three

by \$200,000,000, her active assets were decreased by \$80,000,000, so that her net debt was increased by \$180,000,000. In comparing this record with that of 1924, there has been a decrease in gross debt from 25 1/2 billion dollars in 1919, to 20 1/2 billion at the present time, one must recognize the fact that the Budget Director, receiving the steady support of the President, has played no inconsiderable part in securing the result.

In June 1925, when speaking before the Meeting of the "Business Organization of the Government," the President of the United States said in part: "We have met this evening to take counsel together for the purpose of securing greater efficiency in government by the application of the principles of constructive economy, in order that there may be a reduction of the burden of taxation now borne by the American people. The object sought is not merely a cutting down of public expenditures; that is only the means. Tax reduction is the end."

The direct beneficiaries are composed of those who file the 5,000,000 tax returns. The indirect beneficiaries are all the rest of the American people, who must make an indirect contribution to the payment of the enormous sum of more than \$10,000,000,000 every day in the year which goes out from the National Treasury. This is nothing more or less than a restriction upon the freedom of the people. This money has to be earned. Those who have earned it, instead of being able to retain it for their own benefit, must necessarily turn it over to the Government.

It is this gigantic task is self-imposed, it is none the less a gigantic task. We are seeking to let those who earn money keep more of it for themselves and give less of it to the Government. This means better business, more of the comforts of life, general economic improvement, larger opportunity for education, and a greater freedom for all the people. "That first meeting was held at the end of the fiscal year 1921. During that fiscal year our expenditures, exclusive of the moneys applied to the reduction of the Public Debt and the operation of the Postal Service, amounted to \$5,110,000,000. Our Public Debt then amounted to \$2,971,000,000. We are now nearing the close of the fiscal year 1925. The expenditures for this fiscal year will amount in round figures to \$2,935,000,000, and the public debt will stand at approximately \$2,851,000,000.

"In the four years of operating under the budget system, the annual expenditures have been reduced \$2,651,000,000 and the Public Debt has been decreased \$3,428,000,000. "The history of public affairs will hardly show a parallel case of retrenchment in the cost of government. Nor will such history show a more worthy motive. Back of this tireless persistence and drastic campaign for constructive economy in Federal expenditure, has been the relief of the people of this nation from a great burden of taxation. It has been reduced. Taxes have been reduced. The burden of the people has been materially lightened."

"Economy in the cost of government is inseparable from reduction in taxes. We cannot have the latter without the former. From some sources the statement has been made that this continuing drive for economy in Federal expenditures is hurting business. I have been unable to determine how reduction in taxes is injurious to business. "Each tax reduction has been followed by a revival of business. If there is one thing above all others that will stimulate business, it is tax reductions. If the Government takes less, private business can have more. If constructive economy in Federal expenditure can be assured, it will be stimulation to enterprise and investment."

"There are still reductions to be made. There are yet wastes to be eliminated. I expect you can prosecute a campaign of relentless economy to that end, not only in expenditures for 1926 but in the preparation of estimates for 1927. I am convinced that in this way lies the welfare of the people of this country. Fidelity to our oaths of office admits of no other course. Wasteful, careless administration of the Government's substance, are out of place in the Federal Service. They will not be tolerated."

"If this policy means sacrifice—it is sacrifice for the benefit of 115,000,000 people. Their interests are paramount. Criticism by a few, who look askance at drastic paring down the scale against the millions of people who have had brought to them with unmistakable clearness the result of such economy. And similarly, the strongly urged desires of a class should have little weight with you if adverse to the interests of the whole people."

WHY RHEUMATISM OFTEN COMES BACK

The Usual Treatment Does Not Reach the Root of the Trouble.

Most treatments for rheumatism do no more than aim to keep down the poison in the blood and enable nature to overcome that particular attack. Then when the system breaks down again from any cause the disease again gets the upper hand and it all has to be done over.

Sufferers from rheumatism who have found their condition unrelieved or actually growing worse while using other remedies, would do well to try Dr. Williams' Pink Pills. The tonic treatment with this medicine has proved up in thousands of cases that it builds up the blood to a point that enables it to cast out the rheumatic poisons through the regular channels, the bowels, kidneys and the skin. When this is done rheumatism is banished, and as long as the blood is kept pure and rich the patient will be immune from attack. This is fully proved by the case of Mr. Samuel Zink, Upper Blandford, N. S., who says: "For a long time I was a great sufferer from rheumatism which settled in my hip and down my leg to the knee. At times the pain was so great that I could not walk. I tried liniments and medicines but without getting more than mere temporary relief. Then one day a friend called who said that he had been afflicted with this trouble which was banished by Dr. Williams' Pink Pills, and urged me to try them. I did as advised and after using a few boxes there was no doubt they were helping me. Not only was the rheumatism disappearing, but my general health was improving. I continued the pills until I had taken about a dozen boxes when every trace of the trouble had disappeared, and I have not felt a twinge of it since. I may add that my wife used these pills for a run-down condition with equally good results."

You can get these pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

With these words the President urged renewed interest in the process of decreasing public expenditure and greater effort towards tax reduction. During the years of prosperity which permitted this successful debt reduction in the United States, Canada has been suffering from a prolonged depression which made it impossible to reduce the Canadian debt. We find ourselves, seven years after the end of the war, with a national debt of 2 1/2 billion dollars. The load of national, provincial and local taxation has continued to grow until we are now faced by the necessity for a national policy of retrenchment. So long as each part of the country interested itself only in savings which might be effected in some other district, no great economies could be secured, but now the necessity for governmental economy has become a matter of such outstanding importance that a balanced budget must cease to be a party issue, and the time is ripe for all Canadians to unite in a decisive effort to reduce expenditure. Men representative of leading industries and business from all parts of Canada have expressed themselves as feeling that this is the paramount issue before the country to-day. Agriculture, industry and commerce have experienced prolonged, costly and discouraging depression, and are now ready for a season of recovery. It is exceedingly important that this recovery should be given the added stimulus which comes from reduced taxation.

RADIO CHECKS TRAINS

Safety Device Tried Out on Pere Marquette

Detroit.—A radio-operated safety device that checks speeding locomotives automatically when danger looms ahead was given a successful demonstration over a ten-mile stretch of the Pere Marquette Railroad tracks yesterday. This test was in the presence of officials of the Pere Marquette, the Michigan Central, and Thomas E. Clark, of Detroit, inventor of the device.

Following the demonstration, railroad officials said they believed the invention, if generally adopted, would result in the saving of thousands of lives by preventing railroad accidents, and millions of dollars in equipment destroyed in wrecks. By means of a system of radio-controlled signal lights installed in the engine cab, it was demonstrated that the engineer can be forewarned of impending disaster, making it possible for him to know many minutes in advance if danger is ahead. Should the engineer be disabled or dead, the engine's speed is brought to a halt at any danger point, at any time.

WHEEL IS USED AS ROTARY "AD"

Kentville.—A Rotary Wheel, cast and made in the D. A. Railway work shops, has been erected on the grounds of the Cornwallis Inn, where the weekly luncheons of the Rotary Club are held. It is attracting much attention. The wheel is inscribed "Rotary International" while the base on which it is mounted has printed on it, "Rotary, 12.30 p.m. Mondays."

This was presented to the Club by Rotarian George E. Graham.

Here and There

That Hollanders are making good and are satisfied is the statement of Baron W. Van Heeckeren, of Rotterdam, after a recent tour of investigation.

The forming of a mining bureau as a branch of its activities is announced by the Winnipeg Board of Trade. The bureau is to collect data on the mining situation in the province and will do everything possible to foster greater mineral production in Manitoba.

Tourist traffic in Canada this year is likely to constitute a new record, in the opinion of the Commissioner of Parks. No estimate has been compiled as yet but the figures for 1923, which were carefully estimated at \$136,000,000, indicate the value of this traffic to the Dominion.

Up to the end of October, 1924 more than 1,000 circulating libraries were in operation in Saskatchewan, as compared with about 800 at the same time in 1923. The average number of families reading each book is 17. More than half a million volumes were circulated by these libraries during the year.

A huge wooden, tar-paper lined shell erected over the space provided for the structure and heated by thousands of feet of steam coils connected with 380-horse power boilers, which provide a summer-like atmosphere for the carrying on of construction, is an interesting and novel feature of the arrangements made to combat the difficulty of building the new wing of the Chateau Lake Louise, the Canadian Pacific Railway's famous Rocky Mountain hotel, under winter conditions. Thanks to this innovation, the wing, despite frequent drops in temperature to far below zero, is progressing excellently and the company expects it to be ready for next summer's tourist season.

Sweeping changes in the Canadian Pacific Railway's service of great benefit to the communities concerned are scheduled for January 11. They include revision of the timetable of the Vancouver express (Toronto-Vancouver) to reach Fort William and Port Arthur between 10 and 11 p.m., instead of 2 and 3 a.m., and Winnipeg at 10 a.m., instead of 2:30 p.m., as heretofore. The new times are more convenient to the Twin Cities than the old and a half-day is gained for business in Winnipeg. Regina is to be reached by the same train at 11 p.m. instead of 1:20 a.m., and Moose Jaw at midnight instead of 2:45 a.m., Regina-Saskatoon connections being thus radically improved, while arrival at Calgary at 4 p.m. enables Edmonton to be reached that evening. Vancouver is reached at 7 p.m. instead of 5:30 p.m. as previously. The Toronto Express (Vancouver-Toronto) reaches Winnipeg more conveniently, while arrival at Toronto at 8:40 a.m. will make possible connections with early morning trains for Ontario points and with day trains for American cities, thus saving more time. Gains on other trains between Montreal, Ottawa, Toronto, Chicago and Winnipeg are also scheduled. These arrangements follow the cancellation of the recently inaugurated train between Winnipeg, Montreal and Toronto, which is to come off January 10.

CLEMENTSPOUR HEIGHTS

Mrs. George McClelland entertained relatives from Deep Brook, Friday, 26th, ult.

Miss Dorothy Beeler and Miss Doris Frail spent Saturday in Deep Brook.

Mr. Fred Earle and Miss Woodland were recent guests of Mrs. Amos Frail.

The Clementsvalle Sewing Circle met at Mrs. George McClelland's Thursday afternoon. Miss Etta Beeler of Lake Munro, Miss Ethel Long, Mr. Gilbert Browne and Mr. Carrol Browne, of Springhill East, called on relatives and friends here Halloween eve.

Mr. Judson Frail made a business trip to Bridgetown one day recently.

Mr. and Mrs. Percy Ruggles and two children, were guests of Mrs. Judson Frail, the 28th, ult.

Mr. Ralph Long, who has been for the past few months in Round Hill, has returned home.

Delicious

Home-made Sausages, Bacon Breakfast Ham, and numerous other meat delicacies—this is the place to get them, always fresh and at a reasonable price. WE HAVE IN STOCK. Choice meat for mincing, Beef, Pork, Veal, Lamb, and Poultry, Canned goods and groceries. ORDER EARLY

LOWE'S Meat Market Queen Street, Bridgetown

UNITED CHURCH NOTES

(Continued from Last Issue.) Did you have a peep into the Church School Room on last Friday evening? The "Poverty" Social was rather in the nature of a grand old fashioned Halloween party. The costumes were clever and funny—all the way from Bran sack to Bridal veil. Quaint dames of the 18th Century, ghosts and fortune teller mingled in the motley crowd. The prize, a box of chocolates, was awarded to Mr. Douglas Tupper. During the evening lantern pictures were shown of our Province's lunch served. Yes, a real Halloween lunch served. Yes, and there was a short programme. Among other things was a recitation by Lydia Hopkins. The comic motion song by Allister and Albert MacKinnon was very entertaining and well done.

There is already great interest shown in the Sunday School Auto Race. The cars have made their first move, and each class is hoping to lead next time.

Those who are attending the Sabbath Services are hearing fine earnest discourses. While under the efficient leadership of Mrs. McKinnon, the choir is doing splendid work, the music being an inspiration to both pastor and people. The men's chorus is greatly appreciated and the song each Sunday morning by the C. G. I. T. girls, as well as the regular choir music.

The "Aconia Mission Circle will meet at 2:30 p.m.

LOWER GRANVILLE

Maintenance and Extension Fund! The sermon on Sunday evening last was a strong plea for interest in this, on the part of the congregation. This fund was initiated by the first general council of the United Church—designed to make provision in one appeal and through one fund for the maintenance of the Missionary, Social, Educational and Benevolent work of the three uniting churches for the financial period ending March 31st, 1926. "All that we have of life and substance and opportunity is the gift of the living God; His trust to us, that we may serve His children."

United we hoost, divided we bust.

Does not affect the Heart

Unless you see the "Bayer Cross" on package or on tablets you are not getting the genuine Bayer Tablets of Aspirin proved safe by millions and prescribed by physicians over twenty-five years for Colds, Headache, Neuritis, Lumbago, Toothache, Rheumatism, Neuralgia, Pain, Pain. Each unbroken "Bayer" package contains proven directions. Handy boxes of twelve tablets cost a few cents. Druggists also sell bottles of 24 and 100.

Mr. and Mrs. Fred Johnson, of Bridgetown, spent the week end with his sister, Mrs. Frank Covert. Oscar Shaffner, who has been visiting his aunt, Mrs. J. K. Winchester, expects to leave on Tuesday for his home in Lynn, Mass.

The supper held in the Lower Granville Hall by the ladies of the Women's Institute was very successful. The supper was excellent. The proceeds, amounted to thirty-seven dollars.

How's Business?

"Business is as good as we make it" is the answer of business leaders. And it is worth while to note that most big businesses owe much of their success and prestige to the steady use of Advertising.

ADVERTISING in THE WEEKLY MONITOR would help you promote your business. It would attract new customers, retain the goodwill of old ones and increase public confidence in your store and service.

ADVERTISING is simply salesmanship in the mass. It is an efficient, low-priced salesman. Investigate its merits.

Here and There

Conditions in the fruit areas of British Columbia are reported as satisfactory. Weather conditions have been good and the trees are healthy.

According to recent reports general conditions in the Maritime Provinces are normal. Potato seedling is about complete. Trees in the Annapolis fruit districts are in good shape and estimates point to a normal crop.

A consignment of lumber from South Westminster, B.C., arrived recently at Dorval, Quebec, on the Canadian Pacific lines, consisting of twenty-nine logs of Douglas Fir, some of which were so long that three flat-cars were required to carry them.

Field Marshal Earl Haig and Countess Haig, travelled through western Canada to the Pacific coast over the Canadian Pacific Railway recently, after attending the conference of the British Empire Service League at Ottawa.

"Western Canada has never had better crop prospects than which exist now," stated Ernest G. Cook, of E. Cook, Ltd., Crop Insurance Co., of Moose Jaw, Sask., who recently spent two weeks at Banff, after touring the West and studying crop conditions.

According to "Agricultural and Industrial Progress in Canada" the Department of Trade and Commerce has issued the following comparative statement for 1924 and 1925 trade in the Dominion:—

Total	1924	1925
Trade	\$1,902,130,164	\$1,878,294,189
Imports	893,366,867	796,932,537
Exports	1,058,763,297	1,081,361,643
Fav. Bal.	165,396,430	284,429,106

According to the Dominion Bureau of Statistics the annual consumption of standing timber for use, amounts to about 2,600,000,000 cubic feet. The loss by fire, insects and fungi about doubles this depletion, and it is estimated that Canadian forests are depleted at the rate of upwards of five and a half billion cubic feet per annum.

For the first time in the history of Canada upwards of three thousand redskins from the four western provinces and Montana journeyed to McLeod, Alberta, early in July, and held an all-Indian celebration and formed a league of plains Indians. Five thousand white people attended the ceremony and watched the Indians stage their spectacular mounted war-dance.

Deep gratification is felt in Canadian Pacific Railway circles over the receipt of the following cable-gram sent to President E. W. Beatty by His Royal Highness the Prince of Wales:—"Umvuma, South Africa, July 2nd.—Have just heard of Mr. Howard's death. Please convey to relatives my deepest sympathy. (Signed) Edward P." The late Mr. W. B. Howard was twice in charge of the Prince of Wales' train when His Royal Highness travelled over Canadian Pacific lines.

For the second time in the history of the newspaper industry, Canadian output has run ahead of that of the United States. During the month of May Canada produced 130,013 tons of newspaper, as compared with 129,026 tons in the United States. The cumulative production of Canadian mills for the first five months of the current year totals 622,235, which favorably compares with a production of 622,034 in the United States during the same period.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas.
 A new oil lamp that given an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 19 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).
 The inventor, J. M. Johnson, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him to-day for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month. 29-111.

Here and There

All tourists' records, motor and train, are being broken at Banff, Alberta, this year. More than 13,000 cars were registered by the first of August with the big rush yet to come. As many as 2,000 were under canvas at one time in the Government auto camp ground.

Maple sugar and maple syrup production in Canada during the season of 1925 amounted to 9,791,359 pounds and 1,672,093 gallons, respectively, with an aggregate value of \$6,825,416. This compares with an output of 9,385,415 pounds of maple sugar and 1,970,696 gallons of maple syrup during 1924. Quebec province accounted for over 90 per cent. of the production of maple sugar and over half of the output of maple syrup.

Production of the four basic industries of British Columbia during 1924 aggregated in value \$210,692,793, as compared with \$207,934,041 in the previous year, according to a statement issued by the Provincial Government. The 1924 production was made up as follows, with 1923 comparative figures in brackets: Forest products, \$50,702,000 (\$56,674,400); agriculture, \$60,029,224 (\$59,139,798); mines, \$48,704,604 (\$41,304,320); and fisheries, \$21,256,965 (\$20,795,923).

Canada's ordinary revenue for the four months of the present financial year ended July 31 last, shows an increase of \$2,332,163 over the same four-month period last year, according to a statement made by the Department of Finance. Ordinary revenue for the four months of 1925 amounted to \$117,729,418. Ordinary expenditures during the four-month period show a decrease from \$96,545,541 in 1924 to \$95,955,592 this year.

George H. Ham, known throughout Canada as the Grand Old Man of the Canadian Pacific, celebrated his seventy-eighth birthday on Sunday, August 23rd, and was the recipient of a deluge of congratulatory messages from all parts of the country. Col. Ham has been with the Canadian Pacific since 1891 and by his social activities and powers as an orator has made for himself and for the company a veritable army of staunch and faithful friends.

Butter exported from Canada during the twelve months ending June, 1925, amounted to 25,995,120 pounds, valued at \$8,934,794, a decided increase over the figures of the previous year when exports amounted to 13,668,379 pounds, valued at \$5,031,634, according to a report issued by the Federal Department of Agriculture. Shipments were made to the United Kingdom, the United States, Indies, Alaska, South Africa, West Indies, China, Japan, Germany, Belgium, Cuba, Holland, New Zealand and many other countries.

James Oliver Curwood, the well-known American novelist, who crossed not long ago to Europe on the "Empress of France" and returned a few weeks later to Canada on the "Empress of Scotland," wirelessly the following message from the "Scotland" to the Canadian Pacific headquarters in Montreal: "Can never fully express my appreciation of the splendid treatment accorded me by Captain Gillies and Captain Griffiths, and the staffs aboard the 'Empress of France' and the 'Empress of Scotland.'"

A party of British journalists is now touring Canada at the invitation of President E. W. Beatty, of the Canadian Pacific Railway, for the purpose of gaining first hand knowledge of economic and industrial conditions in this country. They are John A. Buist, Glasgow Herald; C. J. Jory, London Daily Telegraph; F. R. Peterson, London Times; H. Read, South Wales Daily News, Cardiff; Captain E. Dalham, London Morning Post; Hugh Martin, London Daily News; R. A. Colwell, Western Morning News, Plymouth; W. A. Renton, Daily Chronicle, London; J. F. Chapter, Westminster Gazette, London; John Sayers, Belfast Telegraph.

NEWSPAPER GREATEST FORCE
 Elmer Hart, of Long Prairie, Minn., who built a metropolitan department store in the little Minnesota town said at the Cotton States Merchants' Association Convention in Memphis recently, that newspaper advertising is the greatest force the merchant has in his business today to build and hold his trade against the encroachments of mail order houses.
 Advertising was essential he said, window displays were a big help, but service to the buying public was an all-important factor.

COST OF CRIME IN UNITED STATES

Writer in New York Times Says It Is Costing Ten Billion Dollars Yearly

Ten billion dollars is a lot of money. It is more than three times the U. S. national budget for 1925. It is as much as the entire debt owed to that country by all foreign nations. It is twelve times as much as the annual cost of the army and navy. Ten billion dollars is what crime in all its departments, costs the people of the United States each year, according to the estimate of a writer in the New York Times.
 The writer claims to have made a careful and exhaustive study of crime in all of its ramifications, and feels that his estimate is a Conservative one. He goes into details, giving estimate of the cost of different classes of crime, and includes the cost of the legal machinery necessary to combat crime.

ROCK OF AGES.

"Rock of Ages, cleft for me"
 Thoughtlessly the maiden sang,
 Fell the words unconsciously
 From her girlish, guileless tongue.
 Sang as she sang the birds in June;
 Fell the words as light leaves down
 On the current of the tune—
 "Rock of Ages, cleft for me,
 Let me hide myself in Thee."
 "Rock of Ages, cleft for me,"
 "Twas a woman sang them now;
 Sang them slow and wearily—
 Wan hand on her aching brow,
 Rose the song as storm-tossed bird
 Beats with weary wing the air;
 Every note with sorrow stirred,
 Every syllable a prayer—
 "Rock of Ages, cleft for me,
 Let me hide myself in Thee."
 "Rock of Ages, cleft for me,"
 "Lips grown aged sung the hymn
 Trustingly and tenderly,
 Voice grown weak and eyes grown dim—
 "Let me hide myself in Thee."
 Trembling though the voice and low,
 Ran the sweet strain peacefully,
 Like a river in its flow;
 Sung as only they can sing
 Who life's thorny paths have pressed
 Sang as only they can sing
 Who behold the promised rest,
 "Rock of Ages, cleft for me,
 Let me hide myself in Thee."
 "Rock of Ages, cleft for me,"
 "Sung above a coffin lid,
 Underneath, all restfully,
 All life's joys and sorrows hid,
 Never more a storm-tossed soul,
 Never more from wind and tide,
 Never more from billows' roll,
 Will thou ever need to hide,
 Could the slightest, sunken eyes
 Close beneath the soft, white hair;
 Could the mute and stiffened lips
 Moved again in pleading prayer,
 Still, aye, still, the words would be,
 "Let me hide myself in Thee."

SMITH'S COVE

Miss Elizabeth Woodman, of Digby, who has been visiting her parents, Mr. and Mrs. H. H. Woodman, left on Saturday, for Kentville, where she will be the guest of her sister, Mrs. M. Woodman. Miss Woodman was accompanied by Miss Blanche Woodman, of Joggins Bridge. Before returning home they will spend a few days in Halifax.
 Mrs. Simmons, of Round Hill, spent a few days last week the guest of her daughter, Mrs. William Berry. William B. Snow, colporteur for the Canadian Bible Society, is spending a few days at his home here.
 Dean Clayton, and Joseph Steadman spent Friday and Saturday in Young's Cove, the guests of their respective parents, Mr. and Mrs. Charles Clayton and Mr. and Mrs. Allen Steadman.
 Mr. and Mrs. William Cossaboom, accompanied by Mrs. H. H. Woodman motored to Gulliver's Cove, on Tuesday, to be present at the golden wedding anniversary of Mr. and Mrs. William Cossaboom, of that place.
 "Home" Division paid a fraternal visit to "Hope" Division, Acadiaville, on the evening of October 27th. A very interesting programme was given by members of Hope Division, after which Halloween games were played and refreshments served. A goodly number of members were present from both Divisions and all report an evening happily spent.
 On Saturday evening last, a Halloween social, under the auspices of "Home" Division, was held in the Temperance Hall. 16 cents admission admitted one to the pleasures of the evening, which consisted of Halloween games and refreshments. The proceeds were \$11.60 to go toward repairing the hall.

TO SAVE THE HANDS ON WASH DAY

Add a large handful of salt to the rinse water and the clothes will not freeze whilst being put on line. When you are ready to go out soak the hands in vinegar. Let it dry on. No

Baby's Own Tablets An Excellent Remedy

For Any of the Many Minor Afflictions of Infants and Young Children.

No mother can expect that her child will escape all the ills to which babyhood and childhood are subject, but she can do much to lessen their severity, and to make baby's battles for health easy won.

Nine-tenths of the minor ailments which afflict babyhood and childhood are caused by some derangement of the stomach and bowels. Regulate the stomach and bowels and these troubles will disappear. To do this nothing can equal Baby's Own Tablets. They are a mild but thorough laxative which through their action on the stomach and bowels never fail to banish constipation and indigestion; colds and simple fevers; colic worms and make the dreaded teething time easy.

Concerning Baby's Own Tablets Mrs. A. Koshan, Hamilton, Ont., writes:—"Kindly send me your booklet, 'Care of Baby in Health and Sickness.' I have two little children four and a half and three years old and have used nothing else for them but Baby's Own Tablets. I think the Tablets are a wonderful medicine for little ones."
 Baby's Own Tablets are sold by all medicine dealers or will be sent by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Put the clothes pins in a pan, set them in the oven to heat, then just before going out to hang clothes put them in the clothes pin bag. These hints are extremely comfortable when it is so weather.

Do you know that a FINGER cut from an old kid glove placed on the end of a curtain rod makes it run through the hem of a curtain as if by magic?

When shaking a FURNACE many people make the mistake of closing the registers. Instead of doing this leave them open and lay wet clothes over them. The ashes and dust will cling to the clothes; but if you shut the register, when you open it the draught will cause the ashes and dust to fly out in the room.

To clean ALUMINUM, mix a little whiting with cold water to form a paste. Rub the aluminum well with it and polish with soft cloth.
 To separate whites from yolks break the eggs into a funnel over a cup. The whites pass through, the yolks remain.
 If INK in the ink well gets thick, dilute it with strong black coffee. It gives better results than vinegar or water.

One person in ten is partly deaf, says a writer, but Tom MacInnis says of course, a good deal depends on what there is to listen to. Lots of people can hardly hear the 8 a.m. whistle, and have no trouble at all in distinguishing a similar blast at 5 o'clock the same afternoon.

There are two sides to everything—except the most expensive phonograph records.
 Rub the scalp with Minard's Liniment

CULLED POTATOES FOR FATTENING STEERS.

(Experimental Farms Note.)

Prince Edward Island increased its area of certified seed potatoes in 1924 to 9600 acres. The seed trade demands a certain type and weight of tuber and when the potatoes are graded there are considerable quantities of cull potatoes left with the grower. Some of these can be marketed as table stock, but most of them are available at small cost for feeding to live stock.

An experiment was started in the autumn of 1924 in feeding cull potatoes to fattening steers to determine if they could be used to replace roots in the ration and still produce beef profitably. Six lots of steers were purchased at \$5.50 per cwt. They were run on grass, most of them dehorned and given a preliminary uniform feeding period up to December 19th, when the test started. The cost of the cattle, plus feed to that date, was \$6.35 per cwt.

Three lots of four steers each were fed 25 pounds of cull potatoes per steer per day. The testing period lasted for 89 days until March 17th, 1925. The estimated value of the potatoes was twice as much per pound as the turnips and the amount fed was just one half, so the estimated cost per steer was the same throughout the experiment for the roots and potatoes.

In order to feed a balanced ration and counteract the laxative effect of the potatoes, cotton seed meal was fed in the grain mixture while oil cake meal was added to the grain fed with turnips. The cattle all ate heartily and remained healthy throughout the experiment. The amount of oats and meal fed was 3 pounds per steer per day at the beginning. This was gradually increased to 12 pounds per day at the close of the test.

At the commencement of the test the nutritive ratio for the ration containing turnips was 1:7.3, and for the ration containing potatoes it was 1:7.4, except lot 6, which was fed oil straw instead of hay. The nutritive ratio of the ration for this pen was 1:5.6.

The steers fed turnips made an average gain of 151 pounds in the 89 days. Those fed cull potatoes made an average gain of 155 pounds in the same period.

The average cost per pound gain was 17 cents for those fed turnips and 20 cents per pound gain for those fed cull potatoes. The oil cake meal cost \$58.00 per ton while the cottonseed meal cost \$70.00 per ton; this gave a profit per steer fed turnips of \$10.35 and a profit per steer fed cull potatoes of \$9.94. A balance in favor of the turnips of 45 cents per steer.

When cull potatoes are available they may be used to advantage to replace turnips or other succulent forage crops provided the ration is balanced and the laxative tendency of the potatoes is counteracted by some other food in the ration.

J. A. Clark, Superintendent,

OUTRAM

Mr. and Mrs. Sidney Stephens, Mrs. Aubrey Drew and son Stewart, were recent visitors of friends in Mount Hanley.

Miss Mary Marshall of Mount Rose, is a guest at the home of Mr. and Mrs. Edmund Bent.

Mr. and Mrs. Alfred Healy were guests of Mr. and Mrs. Edwin Risteen, of Port Lorne, on October 29th.

Miss Beatrice Slocumb has returned from P. E. I.

Miss Doris Healy recently visited friends in Port Lorne.

Mr. Richard Balsor was recently called to the Memorial Hospital, Middleton, to see his son Percy, who was very ill there. We have since been very sorry to learn of his demise. We wish to extend sympathy to the family.

Misses Elma MacKenzie, Doris and Grace Healy, Mrs. Aubrey Drew and Mr. Alfred Healy attended the Halloween concert and pie sale held at Port George on Tuesday evening, October 24th, and report a pleasant time.

Miss Hilda Barnes, of Bridgetown, and Miss Etta Banks of Brooklyn, were recent guests of Mr. and Mrs. Avard Marshall.

Mr. and Mrs. Joshua Banks, of Port Lorne, visited her mother, Mrs. P. S. Balsor, on October 26th.

EXPERIENCE OF A DOLLAR BILL

The Chicago Chamber of Commerce recently carried out an interesting experiment in order to trace what happened to a dollar bill in the short space of fourteen days. It put into circulation a new bill, with a circular attached asking every person into whose hand it came to make a note of the use he had made of it. By the end of the fortnight it had been spent thirty-one times—five times in payment of salaries or wages, five times for tobacco, five times for cigarettes, three times for candy, twice for shaves, twice for "men's furnishings," and once for collar buttons, automobile accessories, bacon, washing-powder, garters, and tooth paste respectively.

Personal Mention

(Continued from Page One.)

ser, has returned to Lansing, Michigan.

Mr. George Foster was home from Acadia to spend Thanksgiving with his parents, Inspector and Mrs. M. C. Foster. He was accompanied by his friend, Mr. Hollice Spinney, of Wolfville.

Mrs. E. P. Jackson was a recent guest of Mr. and Mrs. Ingraham Whitman, of Middleton.

Mr. J. F. English is Relieving Manager of the Bank of Nova Scotia, during Manager Arnold's absence.

Miss Cora Munro, of the Public School teaching staff, at Kentville, spent the holiday with her parents, Mr. and Mrs. J. A. Munro.

Mrs. F. H. Fowler went to Kentville Friday to visit Mrs. C. F. Rockwell.

Mr. Sandy Cochrane of St. John, spent Thanksgiving here with his mother, Mrs. E. A. Cochrane.

Mr. Maurice Armstrong was home from Pine Hill College to spend Thanksgiving with his parents, Dr. and Mrs. M. E. Armstrong.

Miss Rose Orlando, who is taking a post graduate course at Mt. St. Vincent, spent the holiday season here with her parents, Mr. and Mrs. J. P. Orlando.

Miss Ruth Connell left on Saturday for St. John, where she will be the guest for the next three weeks.

Head and Chest Colds Relieved In a New Way

A Salve which Releases Medicated Vapors when Applied Over Throat and Chest.

Inhaled as a vapor and, at the same time absorbed through the skin like a liniment, Vicks VapoRub reaches immediately inflamed, congested air passages. This is the modern direct treatment for all cold troubles that is proving so popular in Canada and the States where over 17 million jars are now used yearly.

Splendid for sore throat, tonsillitis, bronchitis, croup, head and chest colds, catarrh, asthma or hay fever.

Just rub Vicks over throat and chest and inhale the medicated vapors. It quickly loosens up a cold.

Over 21 Million Jars Used Yearly

of Mrs. T. H. Cosgrove.

Mr. and Mrs. Freeman Corbett have moved into their new and attractive residence, on West Granville Street.

Miss Janet Messenger was home from Acadia visiting her parents, Mr. and Mrs. Lewis Messenger, Centerline.

Miss Henrietta Miller, teacher at North Range, spent the holiday with her parents, Mr. and Mrs. E. B. Miller.

Miss Ethel Craig and Miss Kathleen Craig spent the holiday with friends in Bridgewater.

Mr. Vernon Rice arrived home from Greenwich, Conn.

Mr. Handley Brinton, of Hampton, an old and esteemed subscriber of the Monitor, made a friendly call at the office last week.

Mrs. Mary Hyslop and daughter, Miss Gertrude Hyslop, have arrived home from Greenwich, Conn.

Mrs. (Dr.) Logan, of Pittsburg, is visiting her mother, Mrs. W. I. Troop.

Miss Ethel Daniels, was home from Dalhousie Law School, to spend Thanksgiving with her parents, Hon. O. T. Daniels and Mrs. Daniels.

Mrs. J. O. Elliott and Miss Muriel Elliott are visiting friends in Halifax.

Miss Albertine Angers spent Thanksgiving with her parents, Miss Edith Bent, Paradise.

Edgar D. Bent, of Acadia, spent Thanksgiving with his parents, Mr. and Mrs. Harry O. Bent, Paradise.

Mr. D. E. Crowell, who has been visiting in town the guest of Mr. and Mrs. J. E. Beazanson, returned to his home in Middleboro, Mass., Tuesday.

Miss Gertrude Barnes, of Windsor, spent the week end in town with her parents, Mr. and Mrs. Nelson Barnes.

Messrs Charles Longmire of his town, Gordon Landers, of Middleton and R. Hanson, of St. John leave next week for Florida, where as the famous Syncopated trio, they will organize and promote dances at centres in the "boom" State.

Mr. and Mrs. Floyd Banks and Mr. Stanley Banks, of Morristown, Kings County, and Miss Lennie McNeill, teacher at Smith's Cove were guests over Sunday of Mr. and Mrs. Chesley Forsythe. The ladies mentioned are sisters of Mrs. Forsythe.

Miss Dorothy Moses of the teaching staff at Digby, and Miss Jean Moore of Ohio, Yarmouth County, were guests over the week end of their brother, Mr. J. S. Moses and of Mrs. Moses. Guests at the same home were Mr. Moses' brother-in-law, Mr. A. W. Spears and Mrs. Spears of Yarmouth.

Miss Gladys Corbett, B. A. Vice-Principal of Bridgewater High School, spent Thanksgiving with her parents, Mr. and Mrs. Freeman Corbett.

Jack Lockett was home from Kings Collegiate for the holiday to visit her parents Mr. and Mrs. J. Lockett.

Mrs. P. J. Smith and daughter Miss Grace of Port Lorne are occupying rooms in Miss Newcomb's house on Church Street.

Mr. and Mrs. Nell Walker and Miss Nellie Walker and Mr. J. E. Lawrence spent Thanksgiving in Halifax, guests of Mr. and Mrs. Ernest Jackson.

Mr. and Mrs. H. S. Barnaby of Bridgewater were recent guests of the latter's sister, Mrs. S. N. Wear and of Mr. Wear.

Local Happenings

Next week we shall publish the full advertisement of the evening's entertainment to be put on by St. James' Church young people, on Thursday, November 26th, which will include the Two-Act Drama by G. M. Baker, "Among the Breakers." Of this Drama we have been assured that few can equal and none surpass it. Reserve the evening. The young people concerned are working hard to give a delightful evening's entertainment.

Dr. H. W. Kirkpatrick, of 317 Barrington St., Halifax, will be at his office in Middleton for the treatment of diseases of the Eye, Ear, Nose and Throat on Tuesday, Nov. 17th and Wednesday, the 18th. Appointments by letter or call 163 Middleton.

The Brotherhood of the United Baptist Church were entertained most royally at the home of Mr. and Mrs. J. W. Peters on Friday evening. The evening was not very fine and there was not a full representation of the Brotherhood present, but a most enjoyable time was spent. The evening was taken up with games and music, and with the sumptuous luncheon that was served at the close, everybody went away fully satisfied that Mr. and Mrs. Peters have the happy art of knowing how to entertain and give their company a good time.

Judge S. A. Chesley and Miss Mary Albee Chesley of Lunenburg sailed on the liner Orbita on Monday for England, where they will make their home. Shortly before leaving while on a motor trip through the Valley, they visited Annapolis Royal accompanied by James A. Chesley and Miss Eva Chesley of Paro, N. D., and San Diego, Calif., and Mrs. John McCormick and Miss Sadie Chesley of Upper Granville. James Chesley was greatly pleased with the many improvements made in the lovely historic town since his last visit 31 years ago--Spectator.

Mr. B. S. Ellis of Digby has rented the house of Mrs. Minnie Miller who with her daughter, Miss Edna, leaves for the U. S. next week. Miss Miller will train for a nurse. Attention is called to Mr. Ellis' ad in another column for pupils in vocal and instrumental music.

On Wednesday evening last Mr. Ingram Saunders Nally of Victoria West, was married at the Baptist parsonage here, by Rev. P. R. Hayden, to Miss Elsie Dinmore Mitchell of Sandy Cove.

Mr. Gordon McLeod, who has represented the Metropolitan Life Insurance Company in the county, has been promoted to assistant manager at Yarmouth. He is succeeded here by Mr. R. D. Wells. Mr. McLeod's friends congratulate him on his promotion and wish Mr. Wells, who takes his place a good measure of success.

OFFICERS ELECTED

Mrs. (Dr.) L. J. Lovett is New President Bear River Women's Institute.

Bear River--The Women's Institute held its annual meeting Monday afternoon in the Masonic Reading Room, with a large attendance. After the regular business was disposed of officers for the ensuing year were appointed as follows:

President--Mrs. (Dr.) L. J. Lovett.
1st. Vice President--Mrs. J. H. Cunningham.
2nd. Vice President--Mrs. W. M. Romans.
Recording Secretary--Mrs. J. L. Warren.
Corresponding Secretary--Mrs. Fred Schmidt.
Treasurer--Mrs. (Dr.) A. B. Campbell.

The committee appointed last month to solicit funds for the Digby Memorial Hospital reported that they had received \$175.00, which will be used in furnishing a room in the hospital to be known as the "Bear River Room."

COLDEST OCTOBER

Temperature Was Lowest in 32 Years, Says Dominion Experimental Farm.

Ottawa--The month just passed has been the coldest October recorded in the last 35 years at the Dominion Experimental farm, and it may be that it has been the coldest over a still greater number of years as this is as far as the records at the farm run. The mean temperature for the month was 33.9 degrees Fahrenheit, as compared with the average of 46.5.

LOCAL

Declaration proceedings in Annapolis were brief. Mr. H. B. Short was declared elected Federal member for Digby-Annapolis-Clare constituency with a majority of 283 over Dr. L. J. Lovett. This was considerably larger than the earlier returns given indicated.

APPLES FEATURE MONCTON DINNER

Served in Several Styles at Luncheon When Saint John Man Talks

Moncton--J. G. Willett, of Saint John, addressed the Moncton Rotary Club today, speaking of the various grades of apples produced in Canada, particularly in New Brunswick and Nova Scotia.

Mr. Willett said that an apple grown up the Saint John River, a Mackintosh Red, took first prize at the exhibition in England for the finest specimen of dessert apple in the world. Efforts would be made next year to help the cultivation of the apple in New Brunswick and particularly in the vicinity of Moncton, where the climate was well adapted to the raising of the finest grades of apples, he said.

At the luncheon today various grades of apples were on display, an especially fine group being supplied by H. B. Steves, of Shediac. Apple sauce and baked apples with cream were provided for dessert and special containers holding New Brunswick apples were on every table.

Dr. J. A. L. Henderson, of London; R. E. Healy, of Moncton; Rotarian W. D. Gunter, of Fredericton, and Mr. Hopper, of New York, were the guests today. Mayor Edgett was chairman.

Mr. Willett referred to above is a son of Mrs. Lansdale Pigott, of this town, and is President of the Maritime Fruit and Vegetable Jobbers Association--Ed. Monitor.

A JOB FOR YOU.

\$6 to \$10 Daily

50 MEN WANTED. No previous experience necessary. INSTITUTE HOLDS ANNUAL MEETING

Splendid Reports on Last Year's Work--Officers Elected--Hot Lunch Proposed for School, Parents Day, Nov. 19th--Quarterly Exam, Results.

Paradise--Twenty-five of the young people gathered at the home of Mrs. H. D. Starratt on Sunday evening and enjoyed a rousing "sing song."

Miss Alice Jackson is the guest of her mother, Mrs. Christopher Jackson. Miss Jackson has just returned from Greenwich, Conn.

Mr. and Mrs. George Woodbury, of Tronmont, N. S., were recent guests of Mr. and Mrs. C. S. Covert.

Mrs. Benjamin Starratt is the guest of Mrs. Alvin Starratt, where she will spend the winter.

We are very sorry to hear that Miss Margaret Chesley fell this week, receiving slight injuries, but her many friends hope to hear of her speedy recovery, real soon.

Mr. and Mrs. Charles Foster spent Sunday, the guests of Mr. and Mrs. C. S. Covert.

Mrs. Foster, of Yarmouth, who has been the guest of her sister, Mrs. J. C. Pinney, for some time returned home on Monday.

Mr. S. F. Banks and Mr. and Mrs. P. C. Banks and baby Emerson, were recent guests of Mr. and Mrs. G. M. Burke.

The Women's Institute met at the home of Mrs. H. D. Starratt on Thursday for their yearly business meeting. The following officers were appointed for the coming year:

President--Mrs. R. S. Leonard, (Temporary)

Vice-President--Mrs. F. W. Bishop, Seelye, Trux--Mrs. H. A. Longley, Board of Directors--Mrs. Layte, Mrs. Darling, Mrs. Howard Longley and Mrs. C. E. Bent.

Convenor School Com.--Mrs. Roy Wiltman.

Convenor Home Economics--Mrs. E. W. Rice.

Convenor Public Health--Miss Henry.

Convenor Legislature--Mrs. Harry Longley.

Splendid reports were given of the past year's work by the different committees. A vote was taken in favor of the introduction of the Hot School Lunch as suggested by the teachers and a committee appointed to meet with them and aid in buying the necessary equipment. A pleasing piano duet was rendered by Misses Dorothy Balcom and Helen Starratt. Ice cream and cake was served and the meeting adjourned.

Mrs. B. Saunders of West Paradise was the guest of Mrs. Brooks this week.

Dr. C. B. Sims recently paid a visit at his home in Yarmouth.

Mr. Roy Rhodensier left for his former home in Riverview, on Saturday, where he was called by the illness of his father.

Mrs. Carl Ritcey spent the week-end at the home of her parents, Mr. and Mrs. F. H. Beattie, Bridgetown.

Results of First Quarters Exams of Paradise School, Advanced Dept.

Grade XI	79
Muriel Ritcey	79
Dorothy Balcom	73.1
Karl Starratt	66.3
Edith Bent	64.5
Edgar Bent	64.1
Rosamond Longley	57.1
Malcom Leonard	56
Florence Jackson	55.2
