To Merchants and others desiring to obtain reliable reports of the Halifax markets, we can confidently recommend the Crizzex, it being in fact the only paper issued in Halifax which publishes a regular Commercial Review. Sev eral other journals have attempted it, but have allowed it to drop. In its shipping reports the Crizzex has always been acknowledged to be in advance of any journal published in the Mari- tisers most desire to reach. Merchants, Ship- owners and men of means generally. It contains more reading matter than any other Halifax Tri-Weekly or Weekly, and is the largest paper published in the Province.
