HORRIBLE ATROCITIES COMMITTED BY TURKS; MURDERED 10,000 ARMENIANS

Eighty-five Girls Under Protection of U. S. Mission Reported to Have Been Killed—Followed Fighting Between French and Ottoman Forces.

WASHINGTON, March 1.—The most brutal of all Turkish atrocities is the massacre of ten thousand Armenians and the murder of eighty-five girls who were under the direct protection of an American mission house at Marash in Cilicia, Turkey, was reported yesterday to the state department.

The massacre took place after fearful fighting between French and Turkish forces. The French were compelled to withdraw and the Turks desecrated the unprotected city and began their butchery. Americans in the American college at Marash were ordered upon when they offered to mediate between the Turks and the French.

They were told it was a national and not a local affair. It is believed here that all Americans are out of danger and they understand to have left Marash with the French forces.

All the American government can do under the circumstances is to forward a protest to the Ottoman government through Admiral Mark Bristol, who is the American high commissioner to Turkey, and is stationed in Constantinople.

The only assistance in sight for the Americans in the new war zone is the presence of a few torpedo destroyers in the eastern Mediterranean, that are under the command of Admiral Bristol. The dispatches to the state department indicate there is open war at present between France and Turkey. It has been reported, though not verified here, as yet, that both Great Britain and France will send large forces to Asia Minor immediately. If this is not done the French retreat now in progress may at any moment be turned into a rout.

The state department's announcement, which was declared as received from reliable source regarding conditions in Cilicia, Turkey, is a graphic account of the atrocities. It follows in full:

"The Turks cut the railroad beyond Adana.

"Fighting began near Marash on the 20th ultimo between French and Turkish troops. On the same day an American car proceeding to Aintab and having five Americans and a French officer as passengers was several times fired upon by the Turks, but no one was really injured

and all six returned to Marash. On the following day in the city a battle began between Turks and French and did not cease before the 10th instant, when the French withdrew owing to the fact that they were greatly outnumbered by the Turks.

"Prior to the beginning of the regular fighting between the French and Turks, the latter had commenced massacring Armenians at Marash and vicinity, and before the eyes of responsible foreigners at Marash they committed horrible atrocities. It was estimated at that time the number of killed exceeded five thousand, and it is feared that as many have been killed since then. Some of the mutilated victims succeeded in escaping, and the tortures of children and women have been verified. Turks have destroyed the Armenian parts of the city as well as the churches and they are frequently burning the dead in lime kilns.

"At Marash Americans were running a rescue home for Armenian girls. On the 7th instant that house was sacked and eighty-five girls were murdered. On the same day the mountain cottage of the missionaries, as well as the building of the Near East farm were burnt.

SIR ROBERT BORDEN, whose health is said to be such that he cannot resume the Premiership.

Price of Bread Given a Boost

Housewives Greeted With Price of Thirteen Cents For Single Loaf.

When the delivery sleighs of the bakers went to the doors of the customers today the housewives were greeted with the blue Monday announcement that bread had been advanced to 13 cents a single loaf. Rising costs are given by the master bakers as the reason for the advance in the cost to the consumer. They also hold that the price of 13 cents is not higher than is charged or will be charged in other Ontario cities.

SOVIET PROPOSAL TO GREAT POWERS

New Peace Offer Has Been Submitted By Lenin.

WASHINGTON, Mar. 1.—In a new peace proposal to the Great Powers, according to official despatches received here yesterday, Soviet Russia pledges the establishment of democratic principles in that country and the calling of a constituent assembly.

Will Withdraw Decree

It promises to withdraw the decree annulling Russia's foreign debt, restoring 60 per cent. of the liability, and also to pay arrears of interest giving to an Anglo-American syndicate as a guarantee of the fulfillment of its obligations valuable platinum and silver mining concessions.

Ask United States Credit.

In return, the Powers are asked to give up intervention in Russia. The United States is asked to allow a credit to Russia conditioned upon considerable concessions.

Business Has Been Almost at a Perfect Standstill During the Past Ten Days, Owing to Storm and the Heavy Sickness Throughout the District.

The business staffs have been reduced in numbers by about one-half, and in a few instances it has been almost impossible to carry on. Matters are much improved however this week, and it is expected that things will be back to normal within another week.—Smithville Review.

Few Drops and Corn Lifts Out

Says There is No Excuse For Cutting Corns and Inviting Lockjaw.

Sore corns, hard corns, soft corns, or any kind of a corn can harmlessly be lifted right out with the fingers if you will apply directly upon the corn a few drops of Freezone, says a Cincinnati authority.

It is claimed that at small cost one can get a quarter of an ounce of Freezone at any drug store, which is sufficient to rid one's feet of every corn or callus without pain or soreness or the danger of infection.

This simple drug, while sticky, dries the moment it is applied, and does not inflame or even irritate the surrounding tissue.

This announcement will interest many women here, for it is said that the present high heel footwear is putting corns on practically every woman's feet.

HON. J. A. CALDER, Western Liberal Member of the Union Cabinet, who it is predicted will succeed Premier Borden.

PRESIDENT FLYNN OF THE U. V. L. DECLARES OTTAWA GOVT. ROTTEN; ASSAILS BORDEN

Says He Will Lead an Army of 50,000 Men on Ottawa to Demand Gratuity—About a Thousand Returned Soldiers Were in Sunday Audience

At a meeting of returned soldiers in the Griffins Opera House Sunday afternoon violent denunciation of the Dominion Government and of Sir Robert Borden personally was made by President Harry Flynn of the United Veterans League. About a thousand returned soldiers were present and listened to the appeal for additional gratuity. Flynn accused Sir Robert Borden because of his connection with the Winnipeg cold storage business of being the biggest crook and profiteer of them all, because food had been allowed to rot in the warehouses of this company while prices were mounting higher and higher. He claimed there are five thousand returned soldiers out of work in Toronto and twice as many as that in unsatisfactory employment.

Nothing was good enough for you when you went away to the war but now they don't need you any more and they are indifferent," said Harry Capewell of the United Veterans League also spoke on lines similar to those of Flynn.

The meeting passed no resolutions nor were any suggested.

President Flynn declared the country is well able to pay the \$2,000 to the men who went to France; \$1500 to those who only got as far as England and \$1,000 for the men who did not leave Canada, if the profiteers who waxed rich by the war were made to shell out. In any event, he said, the \$2,500,000,000 Canadian debt is all owed to Canadians, as it was raised in Victory bonds.

Flynn said a great petition was going on to Ottawa asking for the gratuity and if it is not granted he will head an army of 50,000 to march on Ottawa and demand it.

ment. Flynn said he had been accused of being a Bolshevik, socialist and anarchist. If bolshevism means fighting against being trampled underfoot then he was bolshevist, if socialist means fighting for equal rights for men then he is socialist and if anarchist means trying to get rid of such a rotten government as we have at Ottawa then he is anarchist.

Frank Greenlaw, M.P.P., presided and he said no doubt the supposed unrest among the soldiers was more like impatience over promises made to them being unfulfilled.

"Nothing was good enough for you when you went away to the war but now they don't need you any more and they are indifferent," said Harry Capewell of the United Veterans League also spoke on lines similar to those of Flynn.

The meeting passed no resolutions nor were any suggested.

President Flynn declared the country is well able to pay the \$2,000 to the men who went to France; \$1500 to those who only got as far as England and \$1,000 for the men who did not leave Canada, if the profiteers who waxed rich by the war were made to shell out. In any event, he said, the \$2,500,000,000 Canadian debt is all owed to Canadians, as it was raised in Victory bonds.

FUNERAL OF MRS. SERVOS.

The funeral of the late Euphemia Magdalene, beloved wife of Peter T. Servos, was held on Saturday afternoon and was largely attended. A short service of prayer was conducted at the family home, Grantham township, after which the remains were taken to Christ Church, McNab, where Rev. J. D. Mackenzie Naughton conducted the service. The choir was present and rendered very sweetly "Abide With Me," and "Peace, Perfect Peace." The service over the late Mrs. Servos was removed from the church where she had been a faithful member, having been organized for a number of years, and placed very tenderly in the family plot in the church cemetery.

Those who acted as bearers, and conveyed the remains to their last resting place were: A.D.K. Servos, Frederick Servos, Raymond Servos, George Irvin and Walter James. The floral tributes were many and very beautiful.

SAYS THAT BORDEN MAY NOT RETURN

The Toronto Globe today carries a report from Ottawa that Sir Robert Borden's health has not improved sufficiently to permit him to resume the responsibilities of Premiership. It is suggested that Hon. J. A. Calder now conferring with Sir Robert in New York, may be selected as leader of the Government.

Three died at the General and Marine hospital on Sunday morning, the 29th February, Arakel Parsigian, aged 55 years. He came to the city seven years ago and worked on the corporation about three years. He leaves a wife in Armenia. The funeral will be held from Grob Bros' Chapel on Monday afternoon, where the Armenian priest will officiate, thence to Victoria Lawn cemetery.

A Wonderful Discovery Cures Catarrh Permanently

Formerly doctors prescribed stomach treatment for Catarrh and bronchitis. They seldom cured and catarrh has become a national disease. To-day the advanced physician fights catarrh by medicated air. He fills the lungs, nose and throat with the antiseptic vapor of Catarrhazone. It is easy then for Catarrhazone to cure. It contains the essences of pure pine balsams, reaches all the germs and destroys the disease. Every case of catarrh, bronchitis and sore throat can be cured by Catarrhazone. The dollar outfit lasts two months and is guaranteed to cure; small size 50c, trial size 25c, all dealers, or Catarrhazone Co., Kingston, Ont.

Over 100 Memberships Are Taken Out the First Day In New Commerce Chamber

This morning the teams that have been organized to conduct the campaign for memberships in the new Chamber of Commerce began their competition under the direction of captains. The result of the first day's efforts were most gratifying, according to the posted lists. The total up to date number 109, and four Majorships stand to the credit of the campaign as follows:

- Capt. Meikle 4, Capt. Wyman 6, Capt. Tait 4, Capt. Eagle 1, Capt. Graves 2, Capt. House 3, Capt. Lancaster 2, Capt. Brown 4, Capt. Bradley 6, Capt. Jackson 7, Capt. McMillan 5, Capt. Sandham 11, Capt. Yates 5, Capt. Burgoyne 20, Capt. Gadsby 1, Capt. Heath 8, and four Majorships with 20, making a total of 109.

William Scull of Jordan is Chosen the U. F. O. Candidate For Lincoln For Parliament

Four Other Names Went Before the Convention—Efforts Were Made to Postpone the Nominations Because of Uncertainty of Tariff Questions in Relation to Fruit.

William Scull, farmer of Jordan, was on Saturday chosen as the United Farmers candidate for the Dominion Parliament at a largely attended convention of the U. F. O. The convention was held in the Griffin Family theatre which not having been used for weeks was almost at zero temperature. The three hundred and fifty to four hundred men and women delegates—there were quite a number of the fair sex—sat muffled to the cars and shivered while John G. Smith, the organizer recited the Farmer platform for the Federal House. The cold no doubt helped to induce Hamilton Fleming of Grimby to bring in a resolution to the effect that in view of the fact that Hon. A. T. Cramer, leader of the United Farmers had made no special reference to a fruit tariff in his new National policy and Lincoln County is more interested in the fruit industry than any other county in Canada, the nomination of a candidate be postponed.

Mr. Fleming stated that while a plank in the platform of the United Farmers favored a reciprocity pact with the United States which defeated the Laurier government, it would mean certain defeat for any candidate in Lincoln to come out in favor of the reciprocity pact.

William Scull, who acted as chairman, told Mr. Fleming plainly that the convention had been called expressly to nominate a candidate and nominate one they would. The Fleming resolution had few supporters.

A delegate wanted to know what was the use of having a candidate before they knew what he is going to stand for.

The chairman stated that the candidate would have to pledge himself to support most of the Cramer program. He said the Union Government would probably try to hang on just

as long as possible, but at the same time they might spring a surprise and Lincoln wanted to be ready with its candidate.

"In September last," said Mr. Scull, "we didn't think we could elect enough United Farmers to control the Legislature, but we did. In the four bye elections held we have won every time and whether we can control the Dominion House or want to do so, remains to be seen."

J. G. Smith, the organizer, said they were not there as farmers but as Canadians and wished to select a candidate who would represent all classes. "We feel that the business of the country has not been carried on right," said he.

Five names were voted upon: G. A. Welstead of Grantham, Levi Moyer of Clinton, H. J. McAvoy of St. Catharines, O. E. Tallman of Jordan and William Scull of Jordan. Hamilton Fleming, Beamsville, J. A. Wills of Jordan, Arthur Craise, Port Dalhousie, and J. G. Smith were nominated but retired. All the candidates are farmers.

John McAninch, president of the Independent Labor Party in Lincoln County brought offer of support for a joint Labor and farmer candidate but it was rejected and Mr. McAninch predicted that the United Farmer candidate would be defeated without Labor's support.

THE WEATHER

TORONTO, March 1.—Pressure is quite low from the Gulf of St. Lawrence southward to Bermuda, while another high area accompanied by cold weather has come in from the northward over Manitoba and Northern Ontario. Snow is falling in the Maritime Provinces. Elsewhere the weather is fair.

FORECASTS: Fresh westerly winds; fair; colder again tonight and on Tuesday.

SAGE TEA DANDY
TO DARKEN HAIR

Grandmother's Recipe to Bring
Back Color and Lustre to Hair

You can turn gray, faded hair
beautifully dark and lustrous almost
over night if you'll get a bottle of
Wyneth's Sage and Sulphur Com-
pound at any drug store. Millions
of bottles of this old famous Sage
Tea Recipe, improved by the addition
of other ingredients, are sold annu-
ally, says a well-known druggist
here, because it darkens the hair so
naturally and evenly that no one can
tell it has been applied.

Those whose hair is turning gray
or becoming faded have a surprise
awaiting them because after one or
two applications the gray hair vanishes
and your locks become luxuriantly
dark and beautiful.

This is the age of youth. Gray-
haired, unattractive folks aren't
wanted around, so get busy with Wy-
neth's Sage and Sulphur Compound
tonight and you'll be delighted with
your dark handsome hair and your
beautiful appearance within a few
days.

What God
hath
Wrought

IN 1865 there stood alone on
Mile End Waste, London,
a young man fired by the
Spirit of God to make war
on sin.

MILE End Waste was then
one of the toughest places
in London. Policemen pa-
trolled it rarely, and then
only in pairs.

HIS audience more than
filled—they were down-
right abusive—but the young
man persisted, and generally
attracted a few souls to his
standard.

THE man is now dead—but
to-day his example is
zealously fostered by thou-
sands of Officers and Soldiers
of the Salvation Army in
sixty-six countries through-
out the world, speaking forty
different languages.

SIX MILLION JEWS
ARE FACING DEATH

Starvation and Disease Cause
Indescribable Suffering in
Eastern Europe.

The hardships of this winter will
mean death to thousands of Jews in
Poland, unless outside aid intervenes.
at once, according to Lieutenant Shel-
ton Wright of the American Red
Cross Commission to Poland, recently
returned to the United States after
months of relief work in eastern
Europe.

He painted a vivid picture of this
half-starved people, clad in rags, who
are now creeping back toward their
deserted homes after months of
refugee wandering, and dying of
starvation and typhus along the
roads, as they go.

"Outside starvation, numerous dis-
eases, attributed to malnutrition and
typhus have killed men and women
and children like flies," he said. "I
remember a family trying to live un-
der an over-turned wagon by the
roadside. The mother was dead un-
der a tree a few yards away—she had
been dead for days. The father was
stretched upon the ground dying of
typhus. He died that day. Under the
wagon were two little children, both
under five, sick with typhus. An old-
er child sat stupidly beside them—a
girl driven out of her mind."

Many of the people are driven to
making "bread" out of leaves and
bark, and "soup" out of grass and
water, Lieutenant Wright reported.
There was unspeakable joy among
them when the American ships, load-
ed with relief supplies purchased
with the funds raised by the Ameri-
can Jewish Relief Committee and
other American Jewish agencies, and
American and Canadian Red Cross
supplies were unloaded at Danzig and
other ports. In spite of the fact that
the American Jewish Relief agencies
are spending almost \$2,000,000 a
month now on their relief work in
Poland, and that the Red Cross is
doing its work on so vast a scale,
hundreds of thousands of Jews and
Poles will die during the winter un-
less more aid comes.

"Every box-car full of refugees re-
turning to their homes has in it those
who die along the way, and those who
have contracted typhus," Lieutenant
Wright said. "The people try to
avoid disease by keeping clean, but
it is impossible to do so, under exist-
ing conditions. Even old diseases and
diseases that fall ill typhus, a disease
caused by filth and lice."

The Red Cross and the American
Jewish Relief agencies are doing their
utmost to keep both the Jews and the
Gentiles in these stricken lands alive.
Six million Jews in eastern Europe
face death unless immediate ship-
ments of food, clothing, and bedding
from Canada and the United States
reach them before the cold weather
sets in.

An appeal for funds is to be made
in Ontario and a generous response
from this district is confidently ex-
pected.

MOBS OF CHILDREN
CRAVING FOR BREAD

Gaze Into Bakeshop Win-
dows for Hours at a Time,
Hoping for Something
to Eat.

"The saddest thing in all Eastern
Europe at the present moment—
worse than all the other instances of
starvation and even of death and dis-
ease on every hand—are the child-
mobs one sees outside of the few bak-
eries that are able to keep going in
Warsaw," Sholom Asch, the famous
Yiddish playwright and poet reported
to the American Jewish Relief
Committee upon his return from
Eastern Europe, where he went as
a commissioner of the Joint Distri-
bution Committee of American Funds
for Jewish Sufferers from the War.

"In the bakery windows are a few
loaves of bread, and sometimes cakes,
that are sold at a simply prohibitive
price," he explained, "and even if
these were as cheap as in Canada and
the United States, their taste would
still be unknown to the hungry Jew-
ish children, who live on the cup of
soup a day they get from American
Jewish relief agencies. But the
youngsters tantalize themselves with
the sight of food, when they cannot
get the taste of it."

DESTITUTION IN
EUROPE TERRIBLE

Long Processions of Starving,
Ill-Clad Children Seen Daily
on the Streets.

Long processions of little Jewish
children in Eastern Europe, bearing
their tin cups in their hands, daily
walk from their villages to the near-
est town in which there is a Jewish
relief station, according to relief
workers in these stricken lands,
sometimes journeying five or six miles
in order to get the cup of soup with
a piece of hardtack, or the mug of
milk which is often their sole food
of the day.

Those tin-cup processions empha-
size, as nothing else could do, the re-
lief workers say, the terrible destitu-
tion of the Jews in Eastern Europe
at present. The children in them are
barefoot, almost without exception.

Reports received by the Canadian
Jewish War Relief Committee say
that both boys and girls are wrapped
in burlap, or dressed in clothing
made from the sacks in which the
relief supplies have come, or in the
rags which they have worn during
the five years of the war, their gaunt
little bodies showing through the
tatters. They do not walk as children
usually do, without effort or restraint,
but drag themselves along wearily
and hopelessly, like tired little
ghosts condemned to move in hungry
processions throughout eternity.

Arrived at the relief station, the
children are so tired and so weak
that they sit down upon the pave-
ments to await their turn in line. Up-
on the faces of every one of them
there is an expression of unchildlike
anxiety. It has to do with the only
really vital question in the world to
them—whether or not the soup or
milk will hold out, until their turn
comes. Every day some of them have
to be turned away without food, since
their numbers are so great that the
funds at present on hand are not al-
ways sufficient to care for them all.

MILLION CHILDREN
ARE CLAD IN RAGS

Their Wasted Bodies Show
Thru Tatters, Result of Star-
vation and Misery.

The art of making two covers
bloom where only one bloomed before
isn't half so hard as that of making
two garments exist where only one
existed before; yet even this can be
accomplished, according to reports
recently received by the Canadian
Jewish War Relief Committee from
relief workers abroad.

Cloth of any kind, either cotton or
wool, is particularly impossible to ob-
tain in Eastern Europe, except at pro-
hibitive prices. A round of buttons
Jewish children in these unhappy
lands are clad in the rags that they
have worn all through the war, their
wasted little bodies showing through
great tatters. Some of these children
are still sleeping on the streets, since
there are at present neither orphan-
ages nor funds for all.

Miss Harriet B. Lowenstein, of New
York, sent to Europe as a commis-
sioner of the Joint Distribution Com-
mittee of American Funds for Jew-
ish War Sufferers, was able to pur-
chase more than a carload of pajamas
from the salvage department of the
American army in France. These
were sent to Eastern Europe, and in
the workrooms opened there were
made over into clothing for children.

Each pair of pajamas made at least
two Russian blouse suits for little
boys it was reported. The larger
pieces left over in the cutting were
used for the cloths that the children
of Eastern Europe bind around their
feet in lieu of shoes.

MILLION PAIRS OF
SHOES ARE NEEDED

Destitute Jewish Children of
Eastern Europe Use Rags to
Protect Feet From the Cold.

A million pairs of shoes are need-
ed by the destitute Jewish children
of Eastern Europe to-day, according
to reports received by the Canadian
Jewish Relief Committee from relief
workers abroad.

At least that many of the helpless
and hungry Jewish youngsters of
Eastern Europe are absolutely with-
out footwear of any kind, their relief
agents say. Thousands of others have
rags sewn around their feet in lieu of
shoes.

Several carloads of shoes that for-
merly belonged to Allied soldiers in
France were purchased there by the
Joint Distribution Committee of
Funds for Jewish Sufferers from the
War, for the Jewish women of East-
ern Europe. But it was impossible
to buy the shoes in sizes that could
be worn by the children, and all oth-
ers sold in Europe are at a prohibi-
tive price. So a million youngsters are
barefoot during the hard winter of
Eastern Europe.

There is a great lack of every con-
ceivable kind of clothing, as well as
shoes. In Serbia, a common child's
costume just now consists of two
sacks, with holes cut through for the
head and feet. In Poland, flour sacks
and sugar sacks sent with supplies to
the destitute Jews by Jewish relief
agencies are all being made over into
clothing, and even small salt sacks
are pieced together, and used for
this purpose.

Women of Canada
Testify

Daere, Ont.—"I am more than pleased
with Dr. Pierce's Favorite Prescription. I
was run-down and so nervous that I
could not even stay
in the house alone
in the day-time and
tried every kind of
medicine I heard of
but got no result.
One of my friends
advised me to take
"Favorite Prescription,"
said that it
would cure me, and
it did. After taking
four bottles I felt
like a new woman
and it is also the very best medicine for a
woman bringing up a family. I will recom-
mend "Favorite Prescription" to any one
suffering like I did."—MRS. JOSEPH
BEAUDRY, R. R. 2.

WEAK AND NERVOUS

Tillsburg, Ont.—"I found Dr. Pierce's
Favorite Prescription an excellent medicine
for the ailments of women. I had become
very weak and nervous. I was just miser-
able when I began taking the "Favorite
Prescription" and it proved most beneficial.
It so completely restored me to health that
I have never had any return of this ailment.
I do advise the use of "Favorite Prescription"
by women who suffer with womanly trou-
ble."—MRS. GEO. WALKER, P. O. Box
490.

Dr. Pierce's Favorite Prescription is
made of lady's slipper root, black cohosh
root, unicorn root, blue cohosh root and
Oregon grape root. Dr. Pierce knew,
when he first made this standard medicine,
that whiskey and morphine were injurious,
and so he has always kept them out of his
remedies. Women who take this standard
remedy know that in Dr. Pierce's Favorite
Prescription they are getting a safe woman's
tonic so good that druggists everywhere sell
it in liquid or tablet form.

COMMISSIONER HIGGINS
**HERE TO CONFER ON SAL-
VATION ARMY MATTERS**

Com. W. J. Richards, head of the
Salvation Army in Eastern Canada
and Col. John McHillan, Chief Sec-
retary are conferring with Commis-
sioner Higgins, Chief of Staff and
Second in Command of the Salvation
Army for the work who arrived in
Boston from London, England, recent-
ly. Com. Higgins came to America
to discuss matters pertaining to Sal-
vation Army affairs in Canada and
the United States, with Commander
Eva Booth, head of the Salvation
Army in the United States and with

Canada.

Ford

WE ARE Ford Dealers in this
district and have formed an
estimate of the number of cars
we will require to meet the needs of
this territory. We cannot get enough
cars to fill that estimate because there
are not enough cars being made to
fill all dealers' estimates throughout
Canada.

The number of cars we can get
depends upon the number of orders
we send in and the early date at which
we send them in, as the Ford Shipping
Department follows the principle,
"First Come, First Served."

Cars ordered now will not be de-
livered until March, and deliveries
will be uncertain throughout the year.
If you do not want to wait for sum-
mer or autumn delivery, come in

The Right Time to Invest is Now. The Right Place to Invest Your Money is in

Great State Petroleum Co.,

Copy of the Statutory Prospectus

NOW PAYING 2% DIVIDEND MONTHLY.

Of Texas, Incorporated

Of Great State Petroleum Company of Texas (Inc.) filed with the Provincial Secretary of Ontario, Canada, and dated 30th September, 1919.

The Company is incorporated under the laws of the State of Delaware, with an authorized capital of \$15,000,000, the par value of shares being \$10.00, all common stock. Its head office is at Room 205, 320 Fifth Avenue, New York City.

The original incorporators, each of whom subscribed for five shares for the purpose of incorporation, are: Isadore M. Katz, attorney, and Richard L. Cunningham, stenographer, both of No. 32 Liberty street; Walter H. Marshall, clerk, 111 Broadway; Martin A. Purnell, salesman, 43 W. 32nd street, all of New York City; Percival K. Frowert, President of Percival K. Frowert Company, Inc., New York City; Albert C. Rick, oil operator, Dallas, Texas; Martin A. Purnell, salesman, 43 W. 32nd street New York City. Further directors up to fifteen, the number fixed in the by-laws are to be appointed.

By contract dated Sept. 26, 1919, between them and the Company, Albert E. Shahan and Harry A. Hurt, dealers in oil properties, Dallas, Texas, acting for themselves, and Albert C. Rick and W. F. Sims, oil land dealer, Hillsboro, Texas, sold to the Company ten groups of oil and gas leases in Texas, consisting of 11,277.33 acres, for \$845,350.00, par value of stock (64,336 shares); by another contract dated September 26, 1919, between the same parties and the Company, they have sold to it twenty four other oil and gas leases, covering in all 69,380 acres, all in Texas, except 200 acres in Oklahoma, and a 3-18ths interest in the production of other producing oil wells, at prices fixed for each property and totalling \$3,803,362.00. This property is to be paid for by the Company in stock of the Company at par value, the Company having the right to investigate titles and to refuse to complete purchase of any property, the price of which is not approved by appraisers, one of which is to be selected by the Company and one by the vendors, and they to select a third in the event of disagreement, and the Company having the right to take any one of the individual properties at the stipulated price in shares of the Company at par. The vendors agreeing to furnish an abstract of title to the respective pieces of property within ample time for the Company to have same examined in order that the Company may proceed with the appraisal heretofore referred to; all appraisements made are to be made to the Company in writing, without unnecessary delay.

Another contract dated September 26, 1919, has been made between the same parties, giving Hurt and Shahan an option on all of the stock of the company, except 300,000 shares, which is reserved by the company for the purpose of acquiring more oil leases or personal property, and except 64,336 shares and 380,336 shares above referred to, which has been set aside for exchange for properties on the terms therein set out, a copy of which is filed with this prospectus and which may be inspected at the office of the Provincial Secretary of Ontario, where also the other contracts may be inspected. Copies of all of the above contracts may also be inspected during any business day at the office of the Company. The law of Delaware, not calling for any minimum allotment, the contracts are now binding. Shares are not sold subject to call, but fully paid and non assessable, and certificates will only be issued upon payment being made in full, but there is power to sell on 30 per cent. being paid in cash and the balance in thirty, sixty and ninety days, with interest at 6 per cent. per annum from date of contract, and subject to forfeiture for failure to pay any balance.

The by-laws provide that any shareholder is qualified to be a Director, and, do not allow Directors to receive salary for being Directors, but the officials, President, Vice President, General Manager, Secretary and Treasurer, will be entitled to salaries as such.

The preliminary expenses are estimated at under \$5,000.00, the expenses of procuring the properties being borne by the vendors, and the Company paying no part of any expense of Hurt and Shahan in selling the stock optioned to them.

Dated 30th September, 1919.

ALBERT C. RICK
PERCIVAL K. FROWERT,
MARTIN A. PURNELL,
WALTER H. MARSHALL,

Being all of the Directors of Great State Petroleum Company of Texas (Inc.)

This young Company is a consolidation of the independent oil companies of Texas and Oklahoma. The people affected by this consolidation have all received shares at par in payment of their holdings, and therefore only receive returns as dividends are paid.

We believe that investments in the **THE GREAT STATE PETROLEUM COMPANY OF TEXAS, Inc.**, will be a source of pleasure to the investors, for the reason that the Company is to-day beyond a mere speculation, as it is a decided success. The shares of all well managed oil companies are considered the most profitable class of investment in the world to-day. Successful oil companies require three things, viz: Capable and successful business men to manage and direct its affairs. Experienced and successful oil men to manage and develop its properties. Properties in Proven Oil District. The Company already has the first three, and we are rapidly adding a fourth requirement, which is very essential to successful oil companies, and this is further capital.

The property owned by this Company is so advantageously located that it is our opinion that the Company will result into one of the leading oil companies of to-day. Considering the fact that the management is unexcelled, we know of no reason why the Company's success should not be extraordinarily rapid. The Company earns at the rate of \$800,000.00 per month, or a total of more than 50 per cent. on the entire capitalization, of which less than one-third is outstanding.

Around April of this year stock of this Company will be selling on the New York market for a great deal above par and we would not be surprised if it were selling for at least \$50.00 per share, as the dividends and earnings the company has and will have by then will justify such a value.

Since issuing the prospectus, the Company has increased the production from its oil lands to 10,000 barrels per day, and an added acreage which now makes the entire acreage leased or controlled by this company 95,000 acres. Additional assets added consist of a 5,000 barrel refinery, 200 tank cars and a 45 mile pipe line running from the Burk Burnett Field in Wichita County, Texas, to the refinery at Lawton, Okla., together with all pumping stations, loading racks, switching tracks, etc. The line alone is earning the Company \$2,500.00 per day.

Dividends at the rate of 2 per cent. monthly have been declared and paid. Next dividend March 1st.

We would suggest that you make the fullest investigation of this Company and the Board of Directors, and it will be our pleasure to give you any further particulars you may desire. We confidently assure you from the success that has attended this Company in the past, purchasers of this stock, in my opinion, will receive very large returns within the next twelve months.

PRICE UPON APPLICATION

GREAT STATE PETROLEUM CO. Of Texas, Inc.

The Managing Director of this Company, Mr. A. C. PARKER, is also interested in these big successful concerns:

President Park Oil and Refining Co.; Director Sunshine State Refining Co.; Director American National Bank, Wichita Falls; Director Wichita State Bank, Wichita Falls, and there are twelve other big financial and business men behind Great State Petroleum Co., of Texas, Inc.

RUSSELL SAGE ONCE SAID:

"Pick out a young growing enterprise, make sure it is a business in which large profits can be made, and that it is honestly managed by competent people, and then put your money in it. If you wait until it is a fully developed money-making proposition, you will buy on a four-to-six per cent. basis, while by investing at the start you can get the same thing on a basis that will return a per cent. of hundreds and sometimes thousands."

Influenza Has Later Dangers

Particular Care Needed When Patient is Convalescent, Says Expert.

The influenza convalescent who has apparently recovered from the disease and is yet in a strangely weak and depressed condition should be the object of particular care, according to Dr. Louis I. Harris, director of the Bureau of Preventable Diseases

of the New York Health Department. In the opinion of Dr. Harris the after care of the influenza patient is most important. The co-operation of the patient, coupled with the willingness to see that the weakness and depression are a part of the illness, though coming after the disease itself has spent its force, is a big factor in affecting a complete return to full health. On the other hand, the determination to ignore this debilitated condition and to fight against it, will, Dr. Harris says, frequently bring

serious consequences upon the patient.

After Effects Bad.

"The subject of the after effects of influenza," said Dr. Harris, "is one of particular interest to the scientist at the present time.

"First, and perhaps the most momentous condition to be considered is the striking depression, mental, nervous, and physical, complained of by most patients. Those attacked by the disease with moderate severity are almost always afflicted with this depression, which should be recognized and dealt with. Those who have had mild cases of the epidemic are little affected by depression and their quick return to health and strength gives rise to the belief that influenza is trivial. On the contrary, influenza in its after effects is anything but trivial, and calls for the application of rules of common sense and sanitation

which are the fruit of years of experience.

"Tonic treatment, well chosen diet and great care in not becoming overtired or allowing the body to be chilled are necessary. Eggs may be eaten, but not more than two a day, for the average adult. Of course, it must be remembered that in many cases this disease tends to direct its force against the kidneys, and therefore we instruct patients to avoid eating a great amount of meat, eggs, or beef extracts. Eggs, soft boiled, poached, or beaten, raw, are advisable in limited number. The raw eggs should always be well agitated before taking.

When Good Food is Bad.

"With milk and eggs as a foundation the patient should eat good nourishing food, including meat, fish and vegetables, simply prepared. Frying for instance, is out of the question.

Good food prepared in an unassimilable manner becomes bad food; especially is this to be noted in cases of convalescence from influenza for the disease often manifests itself in vomiting, and in intestinal and gastric disturbances, and it is important not to weaken the poorly prepared food, or even the best of food in ill advised quantities. The quantitative distribution of foodstuffs should be so adjusted as not to overtax the stomach but the patient should eat generously and frequently."

As a tonic to build up the blood and stimulate the shattered nerves, Dr. Williams' Pink Pills are unsurpassed. These pills actually make new, rich, red blood, which reaches every organ and every nerve in the body, improves the appetite, strengthens digestion and drives away the feeling of weariness and depression always following an attack of la grippe or influenza. Those who give Dr. Williams' Pink Pills a fair trial will be amply repaid by the new health and strength this tonic medicine always gives.

LAI D TO REST.

The funeral of the late Henry St. George Rogers took place on Friday morning at 11 o'clock from the family residence, Oak street, Merrittton, and was largely attended by sympathizing friends. Following the Church of England service which was conducted by Rev. H. L. A. Almon, rector of St. James Church, the remains were placed on a special funeral car and conveyed to Trinity Church, Chippawa, where a service was conducted by Rev. Mr. Almon assisted by Rev. Canon Scutemore, rector of that church. After the service the late Mr. Rogers who had lived such a quiet and useful career during his

Scene from "The Old Homestead" with Wm. Lawrence as Uncle Josh, at the Grand Wednesday, March 3rd.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

WINTER WEATHER
HARD ON LITTLE ONES

Our Canadian winters are exceedingly hard on the health of little ones. The weather is often so severe that the mother cannot take the little one out for an airing. The consequence is that baby is confined to overheated, badly ventilated rooms; takes cold and becomes cross and peevish. Baby's Own Tablets should be given to keep the little one healthy. They are a mild laxative which regulate the stomach and bowels and thus prevent colds. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ontario.

Wool's Cotton Wool Composts.
A safe, reliable, vegetable fertilizer. Sold in three sizes: No. 1, 5 lb. No. 2, 10 lb. No. 3, 25 lb. per box. Sold for all districts. Write for free pamphlet. Address: THE WOOL MEDICINE CO., 222-224, Queen Street, Toronto.

SOILS AND COMPOSTS

Best Suited for Pot Plants, Hot Beds, Seed Sowing, Etc.

Well-rotted, Tough, Fibrous Sod the best Basis—How to Prepare It—Substitute Potting Soil—Bone Meal a Valuable Fertilizer.

(Contributed by Ontario Department of Agriculture, Toronto.)

SECURING suitable soil or compost for all features of horticulture or horticulture is a very important matter if the best results are to be obtained.

The best basis for all ordinary potting soils is well-rotted, tough, fibrous sod, taken from loamy or light clay loam soils. Sod from an old pasture field, or from the roadside, from where the grass has been kept fed or cut down constantly, will give the closest growing sod, with lots of fibrous roots attached. These fibrous roots are one of the very necessary essentials to a good soil. Sod should be cut from heavy clay soils, or where noxious weeds, especially "couch," "sparr" or "twitch" grass is growing. The sod should not be cut from near pine or cedar trees as the turpentine in the leaves or pinnae of these trees is very detrimental to plant life. It is also best not to cut the sod from very swamp soil. Well-rotted, barnyard manure such as from an old hot bed, or cow manure, are both good fertilizers to use for a soil compost. Horse manure alone is not a good fertilizer for a compost. About one-third horse manure and the balance cow manure will be suitable. Late in autumn or early in spring the best time to prepare the soil compost, autumn preferred.

How to Prepare.—The sod should be cut about four inches thick, and about eight to ten inches square. It should be stacked out of doors in an out-of-the-way part of the garden or grounds. A space six or eight feet long by five or six feet wide would be a good size for a small greenhouse, or for a few hot beds for a year or two. Start by placing one layer of sod packed close together with the grass side downward over the space selected. Then add a second and third layer on top of the first layer. About four or five inches in depth of either of the fertilizers should be spread evenly over the third layer of sod. Another three layers of sod should then be placed on top of the fertilizer as before. Then another layer of the sod should be put on top until the pile is four or five feet in height. About two inches in depth of soil should be placed on top of the pile to finish off with. Place some good manure (not fish-bone or cedar) all over the top of the pile to keep off chickens or animals. Keep the pile quite level while building, and draw it in slightly narrower toward the top. It should be flat on the top when finished. It may be necessary to give the pile one or two good soakings with water after it is finished, or during dry weather in the winter season.

Preparing for Use. When ready for use, turn, or slice down with sharp spade, the quantity required from top to bottom of the pile so as to secure the proper proportions of soil and manure. For potting purposes this should be put through a coarse sieve having a 3/4-inch mesh. All the decayed fibrous part and the fertilizer, should be worked through the sieve. The part consisting of fibrous or organic matter that will not pass through the sieve readily should be chopped or pulled finely to pieces and put into the soil, if at all decomposed.

Tempering or Mixing Soils.—If the soil is of a heavy clay loamy nature about one part sand should be mixed at the time of using, with eight or ten parts of the soil compost for retarding purposes, for plants such as geraniums, roses, chrysanthemums and similar plants. If the soil is a light loamy nature, or very little sand, if any, will be required.

For Begonias, Coleus, Callias (Arun Lilies), Gloxinia, Salvia, Ferns and similar plants one part of leaf soil (rotted leaves or black soil from the bush (decayed leaves)) may be added to the compost and sand before mentioned. Black leaf soil from the bush alone does not make a good potting soil for most very few plants, it should be mixed with other soil as stated.

Substitute Potting Soil.—A good substitute potting soil or compost may be made by mixing about seven or eight parts of good, light, loamy garden soil, or loamy sub-soil taken from underneath sod, with one part sand and one part leaf soil as before mentioned, mixed well together. One part of dry cow manure, which can be secured from the fields where cows have pastured, or one part of pulverized sheep manure should be added as a fertilizer for this substitute potting soil. The pulverized prepared sheep manure can be purchased at almost all large seed stores for about one cent per pound, or one pound of fine bone meal or bone flour to each bushel of soil may be used as a substitute fertilizer to those named.

Sheep and cow manure are two of the best fertilizers to use in connection with all horticultural work, whether incorporated in potting composts as stated, or used out of doors as liquid solutions for flower borders or the vegetable garden during summer, if the ground is not rich enough in fertilizers. Seepage from the barnyard or stable, or used out of doors as a good liquid fertilizer for outdoor use where the soil is poor.—Wm. Hunt, O. A. College, Guelph.

Canadian General Electric had a sharp advance on the Toronto and Montreal exchanges.

A New Blood-Food Has Been Discovered That Works Wonders

For years doctors have been searching for a combination that would enable them to inject into thin blood the elements it lacked. This can now be done, and any weak-blooded person can quickly be made stronger and well.

Already a small army of ailing people have proved the merit of taking after each meal with a sip or two of water two chocolate-coated Ferrozone tablets. This is easily done, and even one week's use of this wonderful blood-food will prove how nourishing and strengthening and flesh building the treatment is.

Just think of it—Ferrozone uplifts the entire nervous system, removes the blood, makes it rich and red—gives the sort of aid that's needed in throwing off weakness and languor.

Tens of thousands enjoy the advantages of renewed health through Ferrozone; if you'll only use it, you will surely grow strong, too; its beneficial action is noticed even in a week. You see it goes right to work, removes the causes of the trouble and then quickly makes a cure.

For those who sleep poorly and have nervous apprehensions, Ferrozone cases.

Where there is pauceness, poor appetite and languor, Ferrozone makes the patient feel like new in a few days.

In tired, nervous exhaustion, spring fever and debility, the power of Ferrozone is known from coast to coast and universally used with grand results.

Let Ferrozone build you up, let it win you back to robust health—it will do so quickly if you give it the chance. Sold by all dealers. 50 cents per box or six boxes for \$2.50. Remember the name Ferrozone.

It was unofficially announced on Saturday that the Newcastle United soccer team will accept the invitation of the D.F.A. to tour Canada this coming summer.

EMPLOYMENT SERVICE OF CANADA

EMPLOYERS
THE
EMPLOYMENT SERVICE
OF CANADA

The PROFESSIONAL and BUSINESS SECTION has been established to assist professional, business and technical men and women.

Many officers, soldiers, sailors and war workers, who sacrificed their positions during the war, now desire to secure employment in the occupations for which they have been specially trained.

Employers should not wait until increasing business forces them to employ anybody they can obtain, but should look ahead and avail themselves of this unusual opportunity to enlist the services of highly trained workers, ordinarily secured only with difficulty. On application there can be referred to you, for example:—

- ENGINEERS
- ARCHITECTS
- BUSINESS EXECUTIVES
- ACCOUNTANTS
- SECRETARIES
- TEACHERS
- LAW CLERKS
- COMMERCIAL ARTISTS
- SALES MANAGERS
- TRAVELLING SALESMEN
- CHEMISTS
- YOUNG COLLEGE GRADUATES

These workers are returning to civil occupations with increased initiative, a broader view of life, and a greater capacity for work.

EMPLOYERS
Please state your requirements to the nearest office of the
EMPLOYMENT SERVICE OF CANADA

Sold by all druggists, or mailed in plain pkg. on receipt of price. New pamphlet mailed free. THE WOOD MEDICINE CO., TORONTO, ONT.

DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS. The knowledge gained from many years' experience in treating diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION
A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MANNER OF LIVING—OUR WORRY AND HURRY—AMERICANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.

There are a great many men who need treatment for tight nervous system. These men do not know what is the reason they don't feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

RHEUMATIC AILMENTS
SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, ACING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering until old age thinks they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions. I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attached by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.

Quick and Lasting Results Assured the Ailing Man.
BLOOD YOUR WHOLE HEALTH OF BODY AND MIND DEPENDS ON YOUR BLOOD. Any "building process" of the body and mind, of the muscle and tissue formations, of any of the various vital organs, can be accomplished only by working direct through the blood stream.

Two-Party Line Telephone Service

NECESSARY curtailment of new construction during the war, followed by the unprecedented development since the armistice, have resulted in a universal shortage of telephone material.

In order to utilize our supply of equipment to the best advantage, to reduce delay in installations to a minimum and to avoid refusing service to anyone, we ask those intending to order telephones to consider the advantages of Two-Party Line Service.

With the central energy system in use here the operator can ring either of the telephones on a two-party line without disturbing the other. The cost to the user is substantially lower than for individual line service.

The rate for two-party line service is, for Business telephones \$30.80 and for Residence, \$22.00 per annum.

We will be glad to furnish full information to anyone interested.

SHE COULD NOT STAND OR WORK

But Lydia E. Pinkham's Vegetable Compound Restored Her Health and Stopped Her Pains.

Portland, Ind.—"I had a displacement and suffered so badly from it that at times I could not be on my feet at all. I was all run down and so weak I could not do my house-work, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Vegetable Compound the credit."

—Mrs. JOSEPHINE KIMBLE, 385 West Race St., Portland, Ind.

Thousands of American women give this famous root and herb remedy credit for health restored as did Mrs. Kimble.

For helpful suggestions in regard to such ailments women are asked to write to Lydia E. Pinkham, Medicine Co., Lynn, Mass. The result of its long experience is at your service.

There passed away early this morning at the family residence, No. 48 Lake street, Bessie Shepherd, beloved wife of James S. Douglas, aged 56 years, following an illness of two years duration suffering from rheumatism. Deceased was born in Sheffield, England, and came to St. Catharines about thirty-five years ago, where she has resided ever since. Beside her sorrowing husband she is survived by two daughters, Daisy, of Toronto, Margery, at home, and four sons, Allan of Winnipeg, Robert of Port Dalhousie, and Fred and Charles of St. Catharines. Definite announcement of the funeral will be made later.

Much sympathy is being extended to Mr. and Mrs. Gregory Page, 194 Lake street, in the death of their infant son, Roy Thomas, who passed away early this morning, following an illness of four days suffering from double pneumonia. It is only a short time ago that Donald, the seven-year-old son of Mr. and Mrs. Page, was drowned in the canal. The funeral will be held on Wednesday afternoon to Victoria Lawn cemetery.

Peter Biggar, a well known resident of the city, passed away at the General and Marine Hospital on Sunday morning, after a brief illness. He was stricken with paralysis last week.

Put Stomach in Fine Condition

Says Indigestion Results From An Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydro-chloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

CITY AND DISTRICT

It is proposed to open a condensed milk factory at Smithville.

We buy everything you want to sell. McGuire & Co.

A Beamsville to Hamilton fruit-truck service may be started this season.

Miss Warren will address the Women's Canadian Club on Thursday afternoon of this week.

The first day of March comes in with a sharp frost, but a clear atmosphere. A heavy mantle of snow still covers the ground and slighting remains good.

Travellers going to Toronto, Hamilton and other points are still delayed and inconvenienced by the late arrival here from Buffalo of the early morning G.T.R. train.

The United Farmers of Lincoln are beginning to plan a strong political organization in support of the candidature of Mr. Skull, who was nominated on Saturday to contest the Federal seat.

By the death of Mrs. Lanson Miller, which took place recently at Smithville, Lincoln County lost one of its oldest and best known citizens. He was a pioneer of a pioneer family and had reached an advanced age.

The numerous friends of Mr. Wm. A. Meikle will extend their sincere sympathy in the death of his wife, which occurred at the General and Marine Hospital early yesterday morning. Besides a sorrowing husband, she is survived by two young children, Margaret, aged two years, and an infant of ten days.

Unless there is strong cause shown why the application is absolutely necessary, it is probable that opposition will be offered to the proposed request of the City Council before the private bills committee of the Legislature for increased borrowing power and a greater rate. The feeling is said to be growing that municipal expenditures in this and other cities has been too lavish in the past.

TEAMSTERS

W. D. ORDER NO. 4477

SEALED TENDERS will be received, addressed to the Chairman of the Board of Works, City Buildings, St. Catharines, Ontario, up to five o'clock in the afternoon of Tuesday, March 4th, 1920, for the supply of one to five teams with teamsters and suitable wagons for the collection of garbage in the City of St. Catharines for the year beginning April 8th, 1920.

Forms of contract and additional information may be had from the office of the City Engineer.

The City reserves the right to accept the lowest or any other tender or to reject all tenders.

W. P. NEAR, City Engineer.

THE VANCOUVER EXPRESS

for

A POSITION WITH A FUTURE

A bank requires several young men with a High School or Business College education for positions with excellent opportunities for advancement and financial training. No experience necessary. Give full particulars in first letter. Address Box 15

The convention of the United Farmers of Lincoln, held Saturday afternoon in Griffin's Family Theatre to select a candidate, was very largely attended. A number of citizens, who are not of the U.F.O., went also to hear and see what happened.

A well known resident of the city, William Coombs, passed away on Saturday evening at the family residence, 12 Pelham street, after a short illness. The deceased was a valued employee of the Kinleith Paper Company. Besides a sorrowing widow he leaves a family of four young children.

TO THE GRAVE.

The funeral of the late Robert F. Patterson who passed away at Haddonfield, N. J., in the County of Camden, on February 24th. last, took place from Grobb Bros. Chapel, after the arrival of the remains on the 7.35 train on Friday morning. The service was conducted at the chapel by Rev. Dr. Miller of Ridley College, and Rev. A. H. Howitt, rector of St. Thomas Church, after which the interment took place in the Patterson plot in Victoria Lawn Cemetery.

The late Mr. Patterson who was the only son of General R. F. Patterson of the U. S. A. was for eight years a student at the Ridley College where he was very popular among his fellow students, and his death was heard with deepest regret by many friends.

Joe Taylor of Fort Chipewyan drove in with dogs to Fort McMurray, and two days after died of the flu.

Demands Ele
Foster Opt
Minist

OTTAWA, March 2. — Demands that the Union Government should once introduce a Franchise Bill that a general election should be brought on immediately, Hon. Mackenzie King, the Liberal leader in the House of Commons, today afternoon made a spirited attack on the Administration. He criticized his criticism in an amendment which he moved, seconded by J. D. McKenzie, to the Address in reply to the Speech from the Throne.

Foster's Satire.

Speaking after recess, the Acting Prime Minister, Sir George Foster, replied to the wholesale denunciations of the Government by the Liberal Opposition. He spoke for an hour and a half. Sir George held out no hope at the request of the Liberals could be met. Instead, he characterized the action of Mr. King as a "strategical camouflage," which was taken because the Liberals were reasonably sure that the amendment would be defeated. "Has my honorable friend any lurking shadowy disaster to himself in this question should be acted upon?" asked the Acting Premier.

Sir George declared that a sign was in full swing to displace the Government, and to create an impression that the Administration

The following sketch of the career and achievements of Dr. Murray Clark, Toronto, but who is known to a large number of St. Catharines residents, having married Miss Chapman, this city, appeared in National Geographic Magazine. It is a synopsis as given by Dr. W. L. Goodwin, Dean of the Faculty of Science, Queen's University, Kingston, who had the honor of presenting Mr. Clark for the degree of L.L.D., in that noted institution among other things Dr. Goodwin said: "It is with rather unusual pleasure that I carry out the will of the Senate and the Segate of Queen's University for an honorary doctorate. Mr. J. Murray Clark, M.A., L.L.D., etc. It is usual on such occasions to give an account of the career and achievements of the recipient of the honor. Mr. Clark has been an exceptionally industrious and successful man in many of his professions and work must be justly commended, carefully taken. His knowledge of geology while a student of Toronto University. Examining his records there, I reached the conclusion that he was 'everything' in sight in the academic distinctions, such as the Murrich Medal in natural science, the gold medal in mathematics, physics, and the prize in logic (Gordon Young), the Blake Scholarship in Constitutional Law, Economic Jurisprudence, and the Univ
