ESTABLISH WINTER CAMP FOR TROOPS

Citizens of Opinion That Regiment Should Be Stationed in Hamilton.

CAMPAIGN NEAR CLOSE

Colts Split Honors in Double-Header With St. Thomas.

By a Staff Reporter.

HAMILTON, Wednesday, Aug. 18.—A winter camp at Toronto Exhibition Grounds, at which 10,000 men in training for overseas duty will be quartered, has been officially announced by the military authorities, but whether Hamilton will have a battalion quartered here at the old armories, as was Col. Ashton's command, has not yet been decided.

With regard to Hamilton, it is different. The grounds for muster parade are so far out from the armories, where the men sleep, that the conditions are unsatisfactory, and consequently military men will probably oppose locating a camp here.

Encourage Recruiting. The Hamilton Recruiting Association are taking the matter in hand, as the members are of the opinion that the presence of a regiment here would considerably encourage recruiting.

Local military men do not believe that any Canadian troops were aboard the Royal Edward when it was torpedoed in the Aegean Sea.

Major Walters announced yesterday that he was strenuously endeavoring to secure the establishment here of a winter camp for one of the Canadian contingents.

The manner in which the men of Hamilton are enlisting with the Fourth Field Battery gives credence to the statement made a few days before the artillery began to recruit, that a large number of good men have been waiting for an opportunity to get into the artillery branch of the service.

The board of control will inspect the sewer at the foot of Wellington street on Thursday, with a view of seeing what can be done to remedy conditions, preparatory to the establishing of a swimming beach and picnic ground.

The champions of the Hamilton Machine Gun Association are bending their efforts to clean up the compound, this week, and hope to have the required two hundred guns by the end of the month.

Hamilton and St. Thomas broke even in their double-header here yesterday. The visitors won the first contest by a score of 6 to 4, while the locals carried off the second by a similar route.

A special and private meeting of the city council was held last evening for the purpose of considering what course should be taken in order to induce a large manufacturing concern to locate here.

CAPT. J. GOODWIN DIED SUDDENLY

Had Been Ill for Some Time, But End Came Unexpectedly.

COMMANDED FIRE TUG

Rendered Valuable Service at Various Conflagrations on Water Front.

After an illness of several months, Capt. Joseph Goodwin, the veteran of many fires in the vicinity of Toronto Bay, and the captain of the fire tug Nellie Bly and Joe Goodwin, died quite unexpectedly after midnight yesterday at his home, 138 Berkeley street.

Mr. Goodwin was 59 years of age and had been a sailor practically all his life.

Residents at the island owe the origin of a fire tug service to Capt. Goodwin, as he was in charge of the first vessel of its kind on the bay.

The 19th Regiment are endeavoring to arrange for a recruiting office at the University Avenue armories.

LANGTON TURNED DOWN BY COUNCIL

Appointment as Fire Commissioner Rejected by Fourteen to Ten.

FAILED FOURTH TIME

Special Council Meeting Could Not Solve Fire Department Muddle.

The effort of the board of control to force the city council to appoint Col. F. Langton as fire commissioner failed again yesterday for the fourth time, when at a special meeting of council the nominee was defeated by a vote of 14 to 10.

In opening the meeting Mayor Church urged that something be done to settle the fire department muddle. He complimented the department and said that he thought it was being fought better than they had been for 30 years.

Personal remarks of a character that did not add to the confidence of council were flung from one alderman to another, and back again in plenty, but thru it all the nominee made no progress, and when the vote was taken history had repeated itself for the fourth time, and Col. Langton went down to defeat.

The board of control will today make an effort to nominate another candidate, the mayor favoring Fred Dane of the provincial license commission.

Consider Park Situation. The parks committee yesterday instructed Assessment Commissioner Forman and Parks Commissioner Chambers to confer and prepare a report on the properties required by the city for park purposes.

On a motion of Ald. Risk the board of control will be asked to request the harbor commission to place the bathing stations under the supervision of the parks department.

Exhibition Offices Move. On Saturday the offices of the Canadian National Exhibition will be moved from the city hall to the fair grounds.

His colleagues in the medical department of health have presented H. Arncliffe with a wrist watch. He leaves the department to become a sergeant in the Army Medical Corps.

According to Mayor Church, many complaints are being received regarding the treatment of soldiers' wives at the offices of the Toronto and York patriotic fund headquarters.

A set of life-saving appliances will be placed at the mouth of the Humber River by the harbor commission. On account of the death by drowning of Bolton M. Calvert, Property Commissioner Chistolin took the matter up with the commission, and altho the mouth of the Humber is outside the city limits, they agreed to furnish the necessary equipment.

Special Board Meeting. The board of control will hold a special meeting today to discuss the offer of the Toronto and York Railway to hold a conference regarding the entrance of the Metropolitan cars into their terminal south of Parkham avenue.

Mayor Church's remarks about the city department in connection with the decision of the Ontario Railway Board giving the Metropolitan the right to cross the sidewalk to get to their terminal south of Parkham avenue, called forth a strong protest from Assistant City Solicitor I. S. Fairly, who conducted the case.

It was an evidence of ignorance and entirely untrue. Any man who for the sake of public notoriety would bludge the board of control, and on a civic official is entirely devoid of principle. When the decision was given the mayor gave vent to some harsh criticism of the legal department.

Yesterday afternoon the mayor stated that he had made no criticism of Mr. Fairly personally, and that he held the head of the department responsible for the statement made by his deputy. He has written City Solicitor Johnston in regard to the matter, and if it is shown that Mr. Fairly made the remarks claimed he will be brought before the board of control and disciplined.

Over a hundred young men had come over in the second cabin of the vessel in which Mrs. Amory reached New York, and when the vessel docked Mrs. Amory told the newspaper reporters that these young men were running away from their duty, and that England was full of shirkers.

In order to prove his contention that the legal department at the city hall was not sufficiently active, the mayor handed out a long list of pending applications of the city in regard to railway, telephone and other matters from which there have been no results to date. He remarked in conclusion: "We have got to get somebody active enough to look after the city's interests."

C. J. Dougherty, inspector of heating appliances and boilers for the department of education, will be the nominee of Controller Thompson for the fire commissionership at the board of control meeting today.

FOUR SONS FIGHTING ANOTHER GOES SOON

Mrs. Phoebe Amory, Who Survived Lusitania Disaster, Returned to Toronto Yesterday.

Mrs. Phoebe Amory, 602 Bathurst street, who was a passenger on the ill-fated Lusitania, has just returned from England.

She survived the horrors of the sinking of the great vessel. Terrible as was her experience, she has already four sons at the front, and is proud of the fact that she has come back to permit of her fifth son going to join his brothers in fighting for King and country.

Over a hundred young men had come over in the second cabin of the vessel in which Mrs. Amory reached New York, and when the vessel docked Mrs. Amory told the newspaper reporters that these young men were running away from their duty, and that England was full of shirkers.

In face of the fact of the part being taken by her own gallant sons, the indignation with which the Toronto woman made the charge may easily be imagined.

Mrs. Amory is 60 years of age, and while in England her mother, the widow of the late Lieut. William Siegel of the royal navy, died. Three of her nephews have been killed in the Dardanelles, and while in England she bade adieu to three of her sons who were then leaving for the front.

Mrs. Amory lost \$2500 when the ship went down.

BEST PEACHES IN YEARS

Quantity Not So Great, But Quality Excellent.

Reports from the peach-growing districts are distinctly favorable. The wet weather that has prevailed during the latter half of July and the middle of August has retarded ripening. The fruit will not be ready for market as early as in former years, but the quality has been improved rather than impaired by the unusual amount of moisture in the soil. Peaches grow best on sandy soil, and in this kind of land the natural drainage is good. There is, therefore, little or no danger of the trees having "wet feet."

A few days of bright, warm sunshine will perfect the peaches, and every indication points to the juiciest best developed fruit we have had in years. It is perhaps unfortunate that the trees are not carrying the quantity of peaches that they have in former years. From the standpoint of the housewife, however, this is not a misfortune. It simply means that with less peaches to the tree, the size and quality will be above the standard.

This will be an unusually good year to can, preserve and jam peaches. With so much uncertainty about the crop from year to year, it would pay the thrifty housewife to put down an extra supply this season. It is certain that there will not be any improvement in quality, and by price promises to be moderate. Plums are also in fine condition. The Burbanks and other good varieties are already on the market. The Burbank is the best Japanese plum. Bradshaws and Gages will follow, and everybody knows how good they are.

HARVEST HELP TRAINS START ON SATURDAY

HEARD FINE SPEECHES

Large Crowd Gathered at City Hall Yesterday and Listened to Addresses.

Toronto has given between 21,000 and 25,000 of the 85,000 men which Canada already contributed for the empire's cause, according to a statement made by Mayor Church at the first of a series of recruiting meetings under the auspices of the Citizens' Recruiting League before a crowd of over 4,000 people who were cupped available inch of space in front of the city hall at noon yesterday. Spirited addresses were given by Lieut.-Col. Brock and the Bishop of Toronto, supplementing the words of the mayor in praising Toronto for the splendid response and calling upon the young men to augment the numbers still further.

Before the hour at which the meeting was scheduled to start the entire space had been filled and crowds gathered at every spot from where a view of the city hall steps could be had. The band of the Governor-General's Body Guard played patriotic tunes until the meeting was called to order and the mayor asked Bishop Sweeney to offer a prayer of intercession for victory. Mayor Church stated that altho Toronto's population was just one-sixteenth of that of the entire Dominion, the proportion of men sent by this city was much larger. Out of 81,000 men under arms slightly over a quarter had been drawn from Toronto.

Altho Toronto had done splendidly renewed efforts were called for, to keep Toronto in her proud position. With assurance given by the civic authorities that each man would be insured in which the present employers of labor to keep positions open for the men who left to take their places in the firing line, the mayor said that every inducement was being made to swell the recruiting figures.

Lieut.-Col. Brock gave a brief address in which he described the purposes of the recruiting depot. The discipline and moral surroundings at the Niagara Camp were said to be of a very high order.

Bishop Sweeney in an eloquent appeal called upon every young man who was untrammelled and fit to obey the dictates of conscience and come forward to join the ranks, and see to it that the men who had already died had not given up their lives in vain. There were three arguments, he claimed, why the young man should not hesitate in offering himself in connection with the moral argument, the Bishop claimed the truth of the Lord Bishop of London's phrase that this was a holy war, and that any man who believes in honor is bound to take part in the conflict. The patriotic plea might seem to be hackneyed, he said, but it ought to be a powerful factor in making a decision.

His lordship made an appeal for men to think impartially and not colorfully, that each man should consider himself an individual contributor to the greatest empire the world had ever seen. He asked the people of Toronto to make good the professions made in their name on the occasion of King George's visit to Toronto in 1901.

"The only thing for the empire to do now," concluded the bishop, "is to have every man to contribute, a long pull and a strong pull, a pull from every corner of the empire is what is necessary to bring down the menace of Europe, and then to enjoy a time of peace and prosperity."

PLAYERS SUSPENDED BY T. & D. COUNCIL

Fighting on Soccer Field is Dealt With—Juniors May Become Seniors.

As a result of a very lengthy enquiry, Morfitt of York Argyle and Lough of Linfield were suspended, up to and including Sept. 11, for fighting. Morfitt of York Argyle was exonerated and Reterefo Fopham, who had charge of the game, was suspended for the remainder of the season.

The game in question was between York Argyle and Linfield and practically settled the junior championship, as the Yorks had to win to clinch it, whereas Linfield have won, by winning this game, a point to the good and one game yet to play. A large crowd saw the game, which was played at Little York.

Junior players are warned that their season will be completed on Saturday and they are eligible to sign for any senior team, but in signing a senior form they become senior for all time.

H. Taylor was transferred to Polsons. The following additional referees were selected: Duster v. Parkview, A. J. Phillips; Linfield v. West Toronto, H. C. C. Dunlop v. St. David's, C. M. Hall.

Fred Victor F.C. will meet Gunns on the Riverdale High School grounds this evening at 8.15. The following are expected to be on hand: C. Phillips, W. McMullen, A. Robinson, Stevenson, Drissell, Holdsworth, Bedford, McLeod, J. Robinson, Foster, Blackman, Smith, Edwards, Connell.

The following will represent Polsons against Corinthians at Little Vic Rink grounds, corner West Charles and North streets, at 8.45 today: Scott, Law, Howson, Love, McGrath, Greer, Taylor, Russell, White, Gow, Fowler.

All Caledonian players are requested to turn out for practice on Thursday evening. Any new players will be welcome.

All players of the Maple Leaf F.C. are specially asked to be at Queen Alexandra school grounds on Thursday evening for a practice game. The management would like to impress on all the advisability of turning out to this practice, as afterwards some matters likely to prove beneficial to the club will be discussed. HANDICAP DID NOT STOP G. GOULDING

Some Fine Contests at Central Y.M.C.A. Weekly Games—The Results.

The Central Y.M.C.A. weekly handicaps were run off at Varsity Stadium last night and the fine contests resulted. The two-mile walk had eight starters, with Champion Goulding on scratch, and a one-mile race, with two winners, the first and second, and two minutes and twenty seconds' start. Goulding hit up a strong, steady pace from the first, and with a whole lap to go, was in the lead. Jake Freeman also caught the field and got second, just eleven seconds in front of Harry Leask. Goulding's time of 13.55 was exceptionally good, considering the strong wind.

The 100 yards was a close contest for 75 yards, when Harry Riddell went to the front and won by two yards from Beasley in 19.3-5.

The one-mile run provided excellent sport, with Harry Tresler and Walter Newell on scratch. They raced together for the first quarter in 40.1-5, and the half in 2.15. At the three-quarter mark Newell was in the lead. Tresler tried hard, but Newell let out an extra stride and won by five yards in 44.2-5.

The 15-lb. shot was won by Harry Riddell, which gave him two firsts, and second place went to Gault from scratch.

The summary: Two-mile walk—J. Geo. Goulding (sc.); Jake Freeman (30); Harry Leask (1.30) Time 13.55. One-mile run—Walter Newell (sc.); Harry Riddell (sc.); John Raburn (100 yards); Time 4.11-5. 100 yards—Harry Riddell (sc.); 2. Time 19.3-5. 15-lb. shot—Harry Riddell (2 feet); Gault (sc.); J. A. A Logical and Sure Dyspepsia Treatment

During the past two or three years reports have frequently appeared in the press concerning the remarkable value of bisulphated magnesia as a stomachic, and its ability to promote normal, healthy digestion by preventing food fermentation and neutralizing dangerous stomach acid has often been demonstrated. This new tablet of bisulphated magnesia can now obtain a 5 grain tablet which combines all the valuable anti-acid properties of the ordinary bisulphated magnesia in a very convenient form. This new tablet of bisulphated magnesia can now be had of druggists everywhere, and many physicians are already prescribing them instead of the powder form.

Notes of Women's World

It is expected that there will be a surplus of \$200 from the Parkdale W. C. T. U. garden party, held at the home of Mr. Joseph Norwich, Sorara avenue. A fine program of entertainment was presented, the Queen's Own band supplying the music and patriotic numbers being given by Messrs. Hill, Murdoch, Day, Newlove and Flett. Meenan of the Highlanders' band in the evening the grounds were tastefully illuminated, the picturesqueness of the scene being added to by the pretty costumes of the Red Cross allies worn by the maids and matrons. Eleven dollars of the amount named was contributed by a band of five little girls, who raised the money by means of a bazaar.

THE RUNNEMEDD REED CROSS SOCIETY

received \$48 from the \$226 made at the Red Cross booth at the Runnemede Conservatory picnic.

Mrs. A. E. Gooderham, president of the Imperial Order, Daughters of the Empire, has issued the following: "The Daughters of the Empire in the United States are to be congratulated on the wonderful work they are doing in the way of war relief. They have recently added six nurses to the number already sent by them to the front, and this last month alone have sent quantities of comforts for the aviators, 500 handkerchiefs and 1,200 cigarettes. When we realize in what a restricted field they have to work, we cannot but admire their unbounded energy and loyal devotion to the country of their birth."

The Women's Conservative Club report that this week their shipment is largely of tobacco, pipes, cigars, gum, chiclets, magazines, face-cloths and 200 pairs of socks. They are also expressed for the contribution of \$50 from the committee for the "Allied for Right" buttons of the Centre and South-west Conservative Club; also for donations of socks and other comforts for the soldiers from Miss Casey, Mrs. Carr, Mrs. Miss Ruby Moffatt and Miss McLean Howard. Those desiring to contribute to the next shipment early next week are asked to send their contributions to Mrs. Van Koughnet, 233 College street, as soon as possible.

EDDIE MULLINS DEAD FROM BLOOD POISONING

Well-Known Toronto Newspaper Man Met With Slight Accident, But Complications Set In.

In the death of "Eddie" Mullins, who died early yesterday at St. Michael's Hospital, Toronto loses one of its most familiar figures in newspaper work.

As a member of the staff of The Mail and Empire for the past nine years, "Eddie" had cultivated a legion of friends, who deeply regret his untimely death, which was due to an accident last Thursday morning. He stepped off the curb at the corner of Bloor street and Spadina avenue, striking his leg in his leg that had previously been fractured. Monday blood poisoning set in and he gradually sank. Death occurred early yesterday morning.

Mr. Mullins was born in Sherbrooke, Que., about thirty years ago and began his newspaper work with The Montreal Star. He came to Toronto as telegraph editor of The World and went to The Mail and Empire, where, with his qualities as a news gatherer he covered some of the big stories in recent years.

The body was taken to Sherbrooke last night by his mother and sister, who had been called to Toronto.

To Keep Skin White, Velvety, Wrinkle-Free

J. C. M. says: "I perspire so excessively that my face and neck are greasy these days and creams make it greasy and shiny. What can I use? Try the pills recommended to Helen. M. H. writes: 'My skin seems so loose and wrinkly in hot weather that I am dissolving 1 oz. powdered salicylic acid in 1/2 pint of water. This I apply to my face with a brush once a day for a while and results will surprise you. It keeps my skin smooth, soft and white as to apply ordinary mercurials was too irritating. This keeps the face free from the particles of lifeless cuticle which are the cause of wrinkles. It absorbs these worn-out particles, so the younger, fresher, healthier skin is always on one's face. An ounce of salicylic acid may be had at small cost at any drug store. Use like cold cream—Aunt Sally in Woman's Realm."
