HOPE GOLD; FULLY DIE AT DAWN

KNOCK-DOWNS ARE A FEATURE OF THE BRITISH CAMPAIGN

Violence increases as the end of the contest draws near.

WEAPONS USED

Razors, bottles, wrenches and stones figured in disturbances.

BY LLOYD ALLEN (United Press Staff Cor.)

London, Oct. 23.—Razors, bottles, wrenches and stones figured in the British election campaign today. Violence marked meetings in many constituencies.

A 22-year-old Dulwich man was sent to the hospital in a critical condition with a razor gash from mouth to ear, received in a melee designed to break up a Conservative meeting.

In South London, a man was knocked unconscious with a bottle, and several others were severely injured by wrenches in the hands of the hecklers.

A heckler at a Derbyshire Conservative meeting called candidate Sherwood Kelly a liar. Kelly left the platform and knocked the man down.

Sir Robert Horne was obliged to abandon a speech at Glasgow because of wild disorders.

Lady Nancy Astor faced a hostile crowd at Plymouth during an open air meeting. Children stepped her automobile of stones of herself and substituted those of her labor opponent. The Liberal candidate was supported by the Communist Party.

FACING ARREST TRIES SUICIDE

Serious scandal over passports in Rumania.

Bucharest, Rumania, Oct. 23.—Discovery of an extensive organization for the issuance and sale of bogus passports to the United States resulted yesterday evening in the attempted suicide of General Viateliano, brother of a member of the Rumanian Cabinet, and today threatened a Cabinet shake-up.

The passport frauds were revealed by the United States consul in Cherbourg, France, who reported there irregularities in the papers of Rumanians attempting to board steamers for the United States. His reports resulted in the unearthing of an elaborate scandal and prompted the Rumanian authorities to order the arrest last night of General Viateliano. When an attempt was made to take him into custody, however, he shot himself, and was taken to a hospital, where it was said his condition was grave.

The scandal is considered in political circles as certain to result in the resignation of the general's brother and the reorganization of the Cabinet, particularly since other Cabinet members are reported to be involved.

Says His Pension Is Not Adequate

(Special to Times-Star)

Fredrickton, Oct. 23.—Michael Hickey, who claims Newfoundland as his birthplace, was arrested here yesterday on a charge of vagrancy. He is a former member of the C. E. P., but says that his pension of a month is inadequate, and that he cannot secure employment.

On his person were found letters from Ottawa to the effect that the Pension Board refused to permit him to commute his pension, as it was a 15 per cent pension, and as such was too large for the regulations to permit of commutation. He also has a discharge certificate from the United States Army, to the effect that he had served seven months in 1920 and had been discharged with recommendation against re-enlistment, but with good character.

Hickey has been about Fredrickton some time. His case will be investigated.

His Case Set Heather Afire

Violence increases as the end of the contest draws near.

ANTLERS SPREAD FIFTY-FOUR INCHES

Big Moose Shot at Keswick by Sportsman From U. S.

(Special to Times-Star)

Fredrickton, Oct. 23.—Chief Game Warden L. A. Gagnon has received a report of the taking of a moose head with a spread of fifty-four inches, on the South Branch of the Keswick. An American sportsman was the successful hunter. He had Isaac Farrer of Keswick as guide.

Prosecutions for the violation of the Game Act are being carried on steadily. At Bonascond, Victoria county, an American sportsman was the successful hunter. He had Isaac Farrer of Keswick as guide.

Prosecutions for the violation of the Game Act are being carried on steadily. At Bonascond, Victoria county, an American sportsman was the successful hunter. He had Isaac Farrer of Keswick as guide.

FRANCE SAYS RUHR ACTION JUSTIFIED

Figures Presented to Prove That It Was a Financial Success.

Paris, Oct. 23.—(United Press.)—Repeating her economic grip on the Ruhr and Rhineland, France considers the entire venture to have been worth while. Thousands of miles of railways and canals, and great mines and factories, have been returned to Germany, and military evictions have begun, to continue gradually over a period of years.

Proponents of the Ruhr invasion assert that the Daves-McKenna plan would never have been accepted had it not been for the presence of French and Belgian troops in the Ruhr. Also according to the latest official figures, France and Belgium collected, during 1923, from all sources, 1,948,000,000 francs, against a total bill for occupation of 96,800,000. In the first four months of 1924 they collected 1,588,000,000 francs, against expenses of 70,400,000. Semi-officially it is said the balance in favor of the Allies has been maintained to date.

Wire Briefs

Halifax, N. S., Oct. 23.—Rev. John Mackinnon, pastor of St. John's Presbyterian Church here, announced yesterday that he had received a call from the Bradford, Ontario, Presbyterian Congregation. He would not say today whether or not he had accepted.

New York, N. Y., Oct. 23.—The congregation of the First Presbyterian Church last night unanimously accepted Dr. Harry Emerson Fosdick's resignation.

The meeting, however, extended an invitation to Dr. Fosdick to preach at the church on such Sundays as he finds it convenient.

Batavia, N. Y., Oct. 23.—One woman was burned, perhaps fatally, by fire Chief D. B. Benedict when she was overcome and stricken with a heart attack; and more than a dozen persons narrowly escaped death when fire swept the down town business buildings early this morning. Fire loss was estimated at \$25,000.

PRINCE OF WALES HAS A VERY BUSY SIXTEEN HOURS

Luncheon, Hunt, Tea, Dinner and Dance Planned for His Pleasure.

A ROYAL MOUNT

Many Were Out to Cheer His Royal Highness at Montreal Station.

Hamilton, Mass., Oct. 23.—Crowds of curious, waiting to catch a glimpse of the Prince of Wales, were gathered early along the road leading to the British throne. A programme of luncheon, a hunt, tea, dinner, and a dance was planned to fill every minute of the royal visitor's stay.

The drag hunt, the special occasion of the visit of the Prince, was arranged to include the sportiest jump which had previously been included in two hunts, which had been planned when the Prince was expected to stay for three days. Desert Queen, Mrs. Tuckerman's chestnut mare, was chosen for the royal guest's hunt.

The Prince of Wales lunched at the residence of Francis R. Appleton at Ipswich, and after the hunt look with his host, meeting the three hundred friends who had been invited. Dinner at the home of Mr. and Mrs. John S. Lawrence at Ipswich, was scheduled at eight o'clock. A dance followed shortly after dinner, and continued until the Prince left for his train, which, routed through Worcester, carried him to New York to take the steamer Olympic for England.

Lowell, Mass., Oct. 23.—The Prince of Wales, coming to New England for a visit of one day as the guest of Mr. and Mrs. Bayard Tuckerman, Jr., at their estate, Savin Hill Farm, Hamilton, arrived Lowell by special train a little after 10 o'clock this morning. The Prince was met by Mr. Tuckerman and Mrs. Tuckerman.

BOTH CONFIDENT IN ONTARIO FIGHT

Temperance Act is on Trial—Women Take Great Interest in Voting.

Toronto, Oct. 23.—Prohibition of alcohol is the all-absorbing interest in Ontario today. Two million men and women are entitled to vote on the question.

In nearly 1,500 polling stations in 117 provincial ridings, from Windsor on the International boundary to the trading posts of Northern Ontario, the voters are being called upon to decide whether the Ontario Temperance Act of 1916, restricting the sale of liquor to homopathic quantities on physicians' prescriptions shall survive, or whether it shall give place to a comparatively open sale at government distilleries.

Vote Is Simple.

It is the first time that a vote has been taken in Ontario in five years on the continuation of the Ontario Temperance Act, and for the first time ballot papers ask for a simple vote on the question. For these reasons supporters of the Moderation League hope for a favorable vote in spite of the fact that sentiment was overwhelmingly for prohibition in the last two ballots taken in Ontario.

Indication is that weather conditions are ideal in most districts. In the Toronto district the day is fine and sunny; roads through the rural districts are in good shape, and the bulk of harvest work being over, farmers are free to journey to the polls. In the cities and towns automobiles have been pressed into service to carry the voters to the polls.

Women Very Active.

The tremendous interest taken by women in today's vote is bound to influence, if it does not decide, the result. Not only have women registered everywhere their determination to vote, but women scrutineers and even women returning officers have entered the field. The women societies have been active in the campaign, and nearly every district has its special women's plebiscite committees on each side of the question. The prohibition union plans its hope of success on the women's vote the rural vote.

The Moderation League expects the larger urban centres to go "wet" and "dry" majority in the rural districts will permit the "wets" to roll up a majority of 100,000 in the whole province.

The "drys" point to overwhelming dry majorities in former plebiscites, and are certain that at the worst these majorities can only be somewhat reduced.

Empire and U. S. Together—Peace For World

Two of the famous Langhorne speeches last night.

In London Lady Nancy Astor said: "I wish that the United States would join the League of Nations, and then you will get peace in the world. I wish that the two countries would lead the way and set the standard for the rest of the world to follow."

Said Mrs. Charles Dana Gilbertson in New York: "Our country is one of the best minds, including Secretary Hughes, and it is our duty to support the League of Nations, and then you will get peace in the world. I wish that the two countries would lead the way and set the standard for the rest of the world to follow."

MONCTON LADIES FORM ORGANIZATION

Liberal Conservative Women Elect Officers and Hear Mr. Doucet.

(Special to Times-Star)

Moncton, Oct. 23.—At a meeting of Liberal Conservative ladies in Moncton yesterday afternoon, with Ald. Ambrose Wheeler presiding, the following officers were elected: President, Dr. O. B. Price; first vice-president, Mrs. J. A. Geary; second vice-president, Mrs. Antoinette Leger; third vice-president, Mrs. Frank L. Thompson; convener of polling district No. 1, Mrs. George W. Madisson; convener of polling district No. 2, Miss Alice Lee; secretary, Mrs. A. E. Lord; assistant secretary, Mrs. Sylvère LeBlanc; treasurer, Mrs. Mabel B. Steeves.

A. J. Doucet, M. P. for Kent, gave an address.

FREDRICKTON NEWS

Two Deaths and a Marriage at the Capital Are Recorded.

Fredrickton, Oct. 23.—Mrs. Margaret I. Coffey, widow of George Coffey of Milltown, N. B., died on Wednesday afternoon at the home of her daughter, Mrs. Harold Green, 25 Carleton street. Surviving are four sons, Frederick of Banwood, in the Grand family plot in the old Protestant burying grounds.

Miss Charlotte Elizabeth Hazlett, daughter of Mrs. Sadie Hazlett of Victoria Mills, and Angus McDonald of Fredrickton, formerly of Charlottetown, P. E. I., were united in marriage at the home of Mrs. Hazlett at 8:30 by Rev. A. F. Bate. The bride and groom were accompanied by Miss Frances Henderson and Marvin Hazlett, brother of the bride. They will reside in Fredrickton.

DeValera Sets Out For Ulster

Dublin, Oct. 23.—Addressing a crowd at Newry last night prior to his departure for Ulster, Eamon De Valera answered a challenge of the northern government to arrest him if he crossed the border. Mr. De Valera said he was elected a representative of County Down, and that no man worthy of the people could ignore that challenge.

In the course of his speech Mr. De Valera declared he always had stood for unity in Ireland, and that if the Catholics of the six counties wanted to secede he would oppose them as strongly as he had opposed Sir James Craig, the Ulster Premier. If the north was determined to fight for partition, Mr. De Valera said he determined the men of the south would win in the final contest.

League Council Will Give Hearing

London, Oct. 23.—The British Government will be represented at the special meeting of the Council of the League of Nations at Brussels Monday, when the differences between Great Britain and Turkey on the Iraq question will come up for consideration, by Lord Parmoor and Sir Cecil H. D. Lewis, legal adviser to the foreign office. Lord Parmoor, who was at the head of the British delegation at the Assembly of the League in September, was largely responsible for bringing the question before the League. It is understood he will stand firmly on the terms of the Lausanne Treaty.

Belgian Treaty Is Now Ratified

Ottawa, Ont., Oct. 23.—The final agreement in connection with the trade agreement between Canada and Belgium took place yesterday, when Hon. George P. Graham and Hon. J. A. Robb, representing the Canadian Government, and John Vantriestal, Belgian Consul at Montreal, formally exchanged ratifications on behalf of the sovereigns of the two countries.

BODY OF LEO XIII WILL FIND REST IN ST. JOHN LATERAN

Imposing Ceremony in Basilica of St. Peter's Last Evening.

HIS OWN WISH

A Great Ceremonial Funeral Service Will be Held on November 3.

(Canadian Press)

Rome, Oct. 23.—As evening fell yesterday, in the closed Basilica, workers of St. Peter's removed the body of Pope Leo XIII from its temporary niche to the centre of the adjoining chapel, for its removal to its final resting place in the Basilica of St. John Lateran, in the presence of Cardinals Gasparri, Merry Del Val and De Azavedo, several prelates and high church dignitaries.

The Canon of St. John Lateran presided at the ceremony. The body of the Pope was placed in the arms of the Arch-priest of St. Peter's, the transport of the remains of the dead Pontiff to the final resting place he himself desired. The Arch-priest had received a similar letter from His Holiness. An impressive scene.

After formal verification of the coffin and the benediction over the remains, which had been pronounced by the Dean of the Vatican, workmen placed the coffin on a wheeled bier which, followed by the torch-bearing squad with lighted tapers, was pushed towards a door opening upon the Piazza Santa Maria. Here was waiting the transport car, converted into a hearse with hangings of black and silver and lighted tapers, surrounded by a cordon of blackwood and having lighted lanterns at the four corners.

The body of the pontiff was lifted into the hearse by a special mechanism and given over to the Canon of St. John Lateran. After a second benediction of the hearse, preceded by two carriages from the Apostolic Palace, conveying High Churchmen and followed by five automobiles and three other carriages from the Vatican, moved towards the church. Here it was received by the Chaplain of St. John Lateran and deposited in the Chapel of St. Severino, which was draped with black.

The Final Service.

It will rest exposed there until November when the sixteenth centenary of the dedication of the Archbasilica of St. John Lateran will be celebrated. Solemn funeral ceremonies will be observed in the Basilica of St. Peter's.

Each Has Three Days For Talk

Chicago, Oct. 23.—On Mondays, Wednesdays and Fridays of each week Mrs. Rose Kopoun will do all the talking in the Kopoun household and there will be no "back talk" from her husband, George Kopoun. Judge Harry Lewis so ruled after hearing evidence in Mrs. Kopoun's suit for separate maintenance. On Tuesdays, Thursdays and Saturdays, the husband and wife are to share the talking. On Sunday the couple are not to talk at all.

His ruling was that the husband and wife are to share the talking on their differences after both said their troubles.

WILL NOT SUIT US, SAYS MACDONALD

Canadian Minister of Defence Does Not Like The Amended Protocol.

London, Oct. 23.—Hon. E. M. MacDonald, Minister of Defence for Canada, who was a Dominion representative along with Senator Dandurand at the League of Nations Assembly in Geneva, sailed from Southampton yesterday aboard the Homecroft for New York. Mr. MacDonald said the amended protocol, as finally amended at the instance of Japan, would not commend itself to Canada and the other self-governing Dominions of the Empire.

Italian Alliance With Jugo-Slavia

Paris, Oct. 23.—Premier Mussolini of Italy and the Jugo Slav Foreign Minister are to meet as soon as the Jugo Slav ministerial crisis is settled. Mr. L. Matin, for discussion of an Italo-Jugo Slav defensive alliance.

The principal aim will be to guarantee the status quo in Central Europe and maintain order on the Adriatic. The paper's Belgrade correspondent reports that the alliance will be signed when the sovereigns of Jugo-Slavia make their visit to Rome.

GERMANS FAVOR MR. LA FOLLETTE

He is For Revision of Treaty of Versailles and is Pro-German.

BY CARL D. GROAT (United Press Staff Correspondent)

Berlin, Oct. 23.—The average German's interest in the American election centres on the question of the probable effect upon the Treaty of Versailles, with the tariff secondary. Since Senator La Follette has said he favors revision of the treaty, most Germans favor La Follette. Every German yearns for revision of the treaty, and the post-war tendency has been to look to America for initiative in this matter.

Another matter entirely is the tariff. The average German industrialist is greatly concerned with this; he hopes for revision downward, so that German-made goods may more easily enter the United States, and believes that such is possible with either La Follette or John W. Davis. The demands of the experts scheme would be lightened if more German goods could be sold in America.

Mr. Coolidge recently praised Germany's vanity by his praise of Dr. Hugh Eckener and his exploit in piloting the ZR-8 across the Atlantic. It is also believed that the Republican administration will favor retention of the Zeppelin plant at Friedrichshafen, a project dear to the German heart.

A majority of Germans, however, consider La Follette "pro-German" and hence are for him.

Weather Report

Toronto, Oct. 23.—The area of high pressure has moved southward and there are no disturbances of importance on the continent. This morning the weather has been mostly fair and cool from Ontario eastward and in the western provinces.

Forecasts:

Partly Cloudy.

Maritime—Moderate to fresh northwest and west winds, partly cloudy tonight and Friday, stationary or higher temperature.

Washington, Oct. 23.—Northern New England—Fair tonight and Friday; warmer Friday, and in western Massachusetts tonight.

Aladdin and His Lamp

Marcus Loew was once a ragged newsboy in New York's East Side. Here is the home he has just bought at Glen Cove, Long Island. It cost the present theatre magnate almost a million dollars.

C. P. R. Has Loaded 33,764 Cars Of Canadian Grain This Season

Winnipeg, Man., Oct. 23.—From Winnipeg down through Kenora, past the Lake of the Woods and almost to Ignace in Ontario, for approximately 350 miles, would stretch the train, created in imagination, for the transportation of all the grain which had been loaded by the Canadian Pacific Railway on the prairies from the opening of the crop year to date, according to figures available at the transportation offices of the company. From August 1 to Oct. 20, inclusive, there were 27,475 cars of wheat loaded by the Canadian Pacific Railway, as well as 6,289 cars of other grains, making a grand total of 33,764 cars.

Loadings for the last day of the period aggregated 1,106 cars, comprising 257 from Manitoba, 388 from Saskatchewan and 431 from Alberta. Grain that left the hands of farmers Monday amounts to 2,311,04 bushels, of which 645,246 bushels came from Manitoba, 777,775 from Saskatchewan, and 888,025 from Alberta. Delivered at Fort William for the day were 774 cars, and unloaded at the same point 1,140 cars.

Excellent quality wheat was shown by inspections of the day, carried out by Dominion inspection Bureau officials, these having been 739 cars of wheat inspected Monday. Inspections for all railroads for the day numbered 1,964 cars.

PEKING IS CUT OFF

No Telegraphic Communication With Chinese Capital is Reported Today.

Shanghai, Oct. 23.—(Canadian Press.)—Peking was completely cut off from telegraphic communication with all outside points this morning.

London, Oct. 23.—(United Press.)—Cable companies today reported that all telegraphic communication with Peking is completely disrupted. They understood that "local fighting" is the cause, but there is no confirmation of this.

London, Oct. 23.—(Canadian Press.)—An attack by 15,000 Chinese (Peking Government) troops upon the Mukden forces is reported by the Mukden correspondent of the Daily Mail under night battle, fiercely contested, the Mukden troops turned the left flank of the enemy troops and pressed the right flank upon prepared mine fields. The mines were exploded Monday morning, killing thousands.

Miners Had Very Narrow Escape

(United Press)

Mansfield, Ky., Oct. 23.—Rescue squads today were attempting to reach five men entombed 220 feet below the surface of the earth, in the workings of the mine of the Hart Coal Corporation, which was wrecked late yesterday by a dust explosion.

Nine men were trapped by the blast, which occurred shortly after 230 workers had left the mine for the day, but four crawled out through an abandoned shaft. The explosion shot a flame 100 feet into the air.

The remaining five men at first were believed to have been killed outright. Later, however, one of the entombed miners shouted up a shout that all had escaped injury.

DEATH WARRANT HAS BEEN SIGNED; LAW TAKES COURSE

The Government at Ottawa Has Refused to Recommend Clemency.

APPEAL DISMISSED

Montreal Murderers Must Pay the Penalty of Their Crime Tomorrow.

(Special to Times-Star)

Ottawa, Oct. 23.—The fate of five of the Montreal bandits was settled some days ago, when the Cabinet Council considered their case, and refused to recommend clemency. The Governor General signed the death warrant last week, and the Supreme Court dismissed their appeal, on a question as to the jurisdiction of Judge Wilson, of Montreal, who had presided at the trial.

The case of Davis, the sixth man condemned to death, is different. His execution was postponed until November 6 and his appeal will be heard before the Supreme Court today.

With regard to the other five, Hon. George P. Graham, acting Prime Minister, announced yesterday that an order-in-council had been passed providing that the law take its course.

A Last Effort.

Montreal, Oct. 23.—What will probably constitute the last effort to save from the scaffold the five doomed bandits now spending their last day on the Bonaventure jail, where they are to hang early tomorrow morning, was on foot today in the form of a petition asking the Dominion Cabinet for a stay of execution for which several hundred signatures are being frantically sought by those intent upon delaying the carrying out of the death sentence. The men are Giuseppe Seralini, Louis Morel, Tony Frank, Frank Gambino and Mike (Continued on page 2, column 6.)

DAWES PLAN MADE ISSUE IN GERMANY

Fascist and Communists Unite to Denounce in Extravagant Terms.

BY KARL D. GROAT (United Press Staff Correspondent)

Berlin, Oct. 23.—Fascist and Communist political extremes of the German republic have adopted a common campaign slogan upon the Dawes plan: "Down with the Dawes plan."

Opposition to the experts' plan and to the Government which accepted it will be the principal motive in the speeches of General Ludendorff and of the most extreme "red" of the opposite wing.

A Fascist proclamation fairly froths against the Government's "breach of constitution in passing the Dawes-McKenna scheme." It demands that the voters in the general election on December 7—which is a result of the recent dissolution of parliament—free Germany from the fearful slave chains of the experts' laws.

Simultaneously, the Communists vowed war on the Dawes plan, cursing fulsomely against the "penitentiary election" of the Dawes-Deutschland idea, which they declare is intended to enslave the workers and make them work 12 hours a day for a few marks a week.

St. John people have learned to use Times-Star rental ads. You will get prompt results if you take this convenient way of securing a desirable tenant.

THE EVENING TIMES-STAR, ST. JOHN, N. B. THURSDAY, OCTOBER 23, 1924

Bullock Suggests Leasing West Side Wharves To C. P. R.

HARBOR COMMISSIONER TO MOVE FOR SOME CONCESSIONS TO STEAMSHIP MEN

Does Not Favor Return to 1914 Schedule—Figures are Given in Discussion of Port Business and Charges—Lease to C. P. R. as One Solution of Problem.

An intimation that he would bring in a resolution offering some concession to the steamship men but would not recommend that they be given what they asked for, a return to the schedule of 1914 was given by Commissioner Bullock this morning at the committee meeting of the City Council.

The council should give serious consideration to the arguments advanced by the shipping men.

Commissioner Harding said he felt that things do not seem to be working out as well as they should in the harbor. He suggested that the city should get some concession from the wharves to pay its capital and carrying charges or whether they should be operated at a loss in order possibly to obtain more business.

Table with 2 columns: Item and Amount. Includes items like 'Dunnage wood, per 1,000 feet', 'Spruce lumber for grain fittings', 'Spruce lumber for grain fittings', etc.

There had been one disquieting feature brought out at the conference, he said, and that was that the C. P. R. did not make any top wharfage charges at Portland and this he understood applied at the C. N. R. berth here.

AVERAGE RENT WAS \$19.60 FOR ROOM

What Apartment House Dwellers in States Paid Monthly in 1923

Chicago, Oct. 23.—Apartment house dwellers in the United States paid an average monthly rental of \$19.60 a room last year, according to a report of the National Association of Building Owners and Managers. The report was based on a compilation of figures furnished by apartment house owners in the principal cities in the annual accounting and exchange report.

The highest rent recorded was \$62.81 for New York, reported to be \$84.86. The New York figures, however, indicated the average cost of the finest apartments in Gotham, since the buildings reporting were all of the higher grade.

The owner of an Omaha nine-apartment building, on the other hand, reported the lowest charge a room in the country. He listed his rooms at \$7.96 each a month. The income to owners ranged from 1.85 per cent. to 14.09 per cent. of the tax valuation, with a general average of 7.69 per cent. of the owner's valuation of the buildings. The taxes paid by apartment buildings averaged 9.28 per cent. of the gross income. The cost of heat to the buildings and supply hot water averaged 7.37 per cent. of the gross income.

The Evening Times-Star

The Evening Times-Star, printed at 23-25 Canby street, every evening (Sunday excepted) by New Brunswick Publishing Co., Ltd., J. D. Hanna, President.

ST. JOHN, N. B., OCTOBER 23, 1924

SAVE THE PARTRIDGES

Some very interesting suggestions have been made about introducing into New Brunswick either the Hungarian partridge or some one of the more hardy varieties of the more numerous non-migratory game birds, and that their presence might aid immensely to the value of our game covers and to the already great attraction our shooting holds for both our native population and for visitors.

The Times-Star believes that with a little thinking on these subjects throughout the province, a movement to put practical measures of conservation into effect would quickly enlist an army of men really animated by the spirit of true sportsmanship.

Two-thirds of the forty-five harbors they called at were British, the New York Times observes in telling its readers of the cruise of the British Special Service Squadron, now in home waters after a 30,000-mile voyage around the world.

There are other practical steps which should be considered by all interested. In our well-wooded country there is not a county in which a sanctuary for partridges could not be established and maintained, in order that all through the province there might be, in these reserves, the proper opportunity for the birds to hatch and rear their young without fear of the man behind the shotgun.

The Vanishing Pedestrian

(A letter in the New York Herald-Tribune.) I am a pedestrian, one of the few remaining specimens of a fast disappearing race. If the United States government would preserve a herd of us for zoological purposes, now is the time to set apart a reservation.

It is only a few years since the pedestrians roamed the wide reaches of this free country, just like the buffalo. But where are they now? I ask you.

It is only a few years since the pedestrians roamed the wide reaches of this free country, just like the buffalo. But where are they now? I ask you.

It is estimated that there are now 148,000 radio sets on the farms throughout the U. S.

BRITISH STRENGTH IS CHRISTIANITY

Former St. John Clergyman Addresses Toronto Sons of England.

Addressing the members of the Central District of the Sons of England at the annual service of the society at Holy Trinity church in Toronto, the rector, Rev. Canon L. Ralph Sherman, former curate of Trinity church in St. John, declared that Christianity had been, and still was, the great strength of the English race.

The speaker's text was: "God is Our Help and Strength." In commencing he showed how man in all ages had striven to understand the ultimate. With the coming of Christ the world had learned that the ultimate was to be found in the offer of the opportunity of becoming a part of His great strength.

Strength of English Race. "Undersneath all our pomp and show, that strength has been the great strength of the English race," asserted the speaker. "Without pride, without boasting, or without hypocrisy, that has been the keynote of our civilization in its best sense."

As proof of this statement Canon Sherman offered a comparison between the English civilization and the civilization of other great races. Rome, for instance, had developed two great principles—government of the community by law and the supremacy of the claims of the State as against those of the individual—but it was Christianity, and not the operation of these two principles, that had arrested the decay of the Roman State. Greece had produced the very flower of philosophy and literature, and yet Greece, too, had had to turn to Christianity for salvation. Similarly, in modern times the fate of Germany, obsessed by the doctrine that right is might, had shown how futile were the struggles of a nation that forgot Christianity.

Must Be Personal.

On the positive side, England's history at every phase had revealed the reality of Christianity. "Sporting power," it had always to be remembered, however, that Christianity was essentially personal, and that the Englishman who believed that Christianity was the underlying strength of the English race had himself to make Christianity live in his own experience.

British Lines Leaving Russia

Moscow, Oct. 22.—The White Star, Cunard and other big steamship lines which have been operating in Russia for three years are rapidly liquidating their affairs and will soon withdraw entirely from this country. The Canadian Pacific, which has done considerable business transporting Memettes from Southern Russia to Canada, will remain on until the end of the year. All of these companies were heavily

OCTOBER BRIDES

AGENT-GENERAL IS INTRODUCED

Paris, Oct. 22.—Seymour Parker Gilbert, now agent-general for reparations payments under the Dawes plan, was today introduced to all the members of the Reparation Commission by Col. James A. Logan, Jr., United States observer attached to the commission. The two Americans visited each of the members in turn and also conferred for half an hour with President Louis Barthou. Colonel Logan gave an informal dinner at his home in the evening for Mr. Gilbert.

B. C. BISHOP DEAD.

Prince Rupert, B. C., Oct. 22.—Right Rev. F. H. Duvernet, Bishop of the Anglican diocese of Carletonia and Archbishop of British Columbia, died at his home here this morning.

Leighton-Briggs.

Dr. Goucher, of St. Stephen, was the officiating clergyman at the marriage which was solemnized at St. Stephen, Oct. 19, of Miss Verrechia Briggs, of York Mills, eldest daughter of Mr. and Mrs. J. M. Briggs, of York Mills, and Charles Everett Leighton, of McAdam, N. B., only son of Mrs. R. Campbell, of St. Stephen. The bride was given away by her father. Only the immediate members of the family were present. After the ceremony, the bridal party motored to the home of the bride's parents. In the evening the wedding reception was celebrated at York Mills Hall, where about one hundred of the more intimate friends and relatives of the bride and groom assembled to offer their congratulations. The bride was georgette, trimmed with silver and beads, and a bandeau of orange blossoms. Her slippers were broad-based satin. The bride carried a beautiful bouquet of Ophelia roses, white carnations and maiden-hair fern. The hall was decorated with autumn leaves and cut flowers. Bountiful refreshments in the form of fruits, nuts, candies, sandwiches, coffee, cakes of every variety, ice cream and brides' cake were served by girl friends. The presents were beautiful and numerous, the groom's gift to the bride being a platinum wrist watch set with diamonds. They are spending their honeymoon at Lake Utopia.

Kirkpatrick-Gilliland.

A quiet wedding took place yesterday afternoon at the home of Mr. and Mrs. J. A. Gilliland, Ononette, when their youngest daughter, Annie Ida, became the bride of Foster G. Kirkpatrick. Rev. Robert Smart officiated at the ceremony. They were unattended. The bride was dressed in a traveling suit of gray with hat to match. Many beautiful gifts were received by the young people. After a short motor trip through the province they will reside in Westfield.

MacCallum-Page.

At the residence of the bride's parents on Oct. 7 Alice Lorraine, daughter of Mr. and Mrs. Granville H. Page, and Cecil L. MacCallum, of Boston, were united in marriage. Rev. H. B. Bell, pastor of the Baptist church at Centreville, officiating. The double ring ceremony was used. Mrs. W. Webb, aunt of the bride, played the wedding march while Miss Hilda Wilson sang a solo before the ceremony. Miss Hilda MacCallum, sister of the groom, attended the bride while Howard Page, a cousin of the bride, supported the

DEATHS

George Gorham
George Gorham, aged 76 years, died in the General Public Hospital at midnight, after an illness of 10 days. Mr. Gorham, who was one of the oldest residents of the North End, was a leading merchant tailor for 87 years, being in partnership prior to establishing his own business, and Fred Tapley, now in British Columbia. He was one of the oldest members of the Independent Order of Odd Fellows, having received recently his jewel for 80 years membership in the order. Mr. Gorham was a charter member of No. 2 Salvage Corps, North End, and was very proud of his part in organizing it about 25 years ago. He was harbor master of Indiantown for years, succeeding the late Robert Dalton. He also held a medal for military service in the Fenian raid of 1868. He was born in Glenwood in 1848 and was married to Miss Sarah Campbell, of this city, when quite a young man. Mrs. Gorham died several years ago. Mr. Gorham was the last of a family of 12. He leaves four sons, Frank M., and H. L., of St. John; A. C. Gorham, of Sussex, director of agriculture in the schools, and Edward, of Glenwood. H. L. Gorham has been in partnership for some time with his father. Two daughters also survive. Mrs. F. B. Kleintell, of this city, and Mrs. W. H. Kleintell, of Philadelphia. There are eleven grandchildren and four great grandchildren. James Gorham, of Douglas Avenue, is a nephew. The funeral will be announced later.

Mrs. W. S. Belyea.
The death of Mrs. W. Sanction Belyea occurred Tuesday at Central Greenway. Beside her husband she is survived by two sons and four daughters, Mrs. N. B. Jones, of Kenora, Ont.; Mrs. J. B. Graham, of Middleton, Mass.; Mrs. J. L. Williams and Miss Olive S. Belyea, both of Montreal; Arthur S. Belyea, of St. John, and Clarence L. Belyea, of Sault St. Marie.

MRS. SHERIFF
Sixteen years of school-teaching prepared Mrs. Melissa Akers for the life of a sheriff in Shannon county, Mo. She shirked none of the duties of her office, arresting law violators of all sorts, even going into the hills to raid moonshining distilleries.

For COFFEE particular people.
Pure! No chicory or any adulterant in this choice coffee

The Milltown Mill of Canadian Cottons, Limited, which ran on a three-day schedule all summer, is now running full time. The Marysville Mill is owned by the same company but is still running half time.

Now—a quick, hot breakfast

NOW you can prepare a whole some HOT breakfast more quickly than ever you could before. Quick Quaker cooks perfectly in 3 to 5 minutes. It is quicker than coffee—quicker than toast.

Quick Quaker is milled from the same choice Canadian oats as regular Quaker. Both kinds have the same nourishing food values. Both have the same incomparable Quaker flavour. Both are packed in sealed cartons that ensure perfect cleanliness.

But in Quick Quaker the grains are cut in two, rolled thinner and partly cooked before packing. Therefore Quick Quaker is quick. It cooks perfectly in 3 to 5 minutes.

Quaker Oats

ADVENTURES OF THE TWINS
By Olive Roberts Bertie

TWEAKANOE PROMISES TO BE GOOD.
The last they saw of him, he was riding off on a star-fish. When the sword-fish poked his sharp nose into the bag of sleepy sand and spilled it all over the ocean, Tweekanoose laughed and laughed. "Ha, ha, ha! Ho, ho, ho!" he chuckled. "You've caught me but it won't do you any good. The sleepy sand is gone."
"Oh, goodness! That doesn't matter!" exclaimed Nancy. "We know a charm."
"Yes, I know," said Tweekanoose, "but your old charm won't do you any good, either. Suppose you do gather up the magic sand. You haven't a thing to put it into. The bag is all torn. There's a great big hole in it."
"That's easy to fix!" said Nancy. "We know another charm."
"Say what are you talking about?" whispered the Sand Man uneasily. "We don't know any charm that will mend holes."
"Of course we do," said Nancy. "The one Davy Jones taught us. Don't you remember?"
"Of course we do," said Nancy. "The one Davy Jones taught us. Don't you remember?"
"Of course we do," said Nancy. "The one Davy Jones taught us. Don't you remember?"

WORKING GIRL'S EXPERIENCE

Read how She Found Help in Lydia E. Pinkham's Vegetable Compound
Arnprior, Ontario.—"I must write and tell you my experience with your medicine. I was working at the factory for three years and became so run-down that I used to take weak spells and would be at home at least one day each week. I was treated by the doctors for anemia, but it didn't seem to do me any good. I was told to take a rest, but was unable to, and kept on getting worse. I was troubled mostly with my periods. I would sometimes pass three months, and when it came it would last around two weeks, and I would have such pains at times in my right side that I could hardly walk. I am only 19 years of age and weigh 118 pounds now, and before taking the Vegetable Compound I was only 108 pounds. I was sickly for two years and some of my friends told me about Lydia E. Pinkham's Vegetable Compound and had found it very satisfactory. I am willing to tell friends about the medicine and to answer letters asking about it."
—Miss HAZEL BERRY, Box 700, Arnprior, Ontario.
A day out each week shows in the pay envelope. If you are troubled with some weakness, indicated by a run-down condition, tired feelings, pains and irregularity, let Lydia E. Pinkham's Vegetable Compound help you.
whales and the squids how very much obliged we are for trying to help us," said Nancy, who never forgot her manners.
"Deed 'n' I will," nodded Captain Pennywinkle.
"Please, sir, if you'll let me go," begged Tweekanoose, "I'll promise to be good. I'll never touch another baby's nose, and I'll never try to steal the sleepy sand again, and I'll promise not to sit on the chimneys and steal the dreams the Dream Maker Man drops down."
"What shall I do, Mister Sand Man?" asked Captain Pennywinkle.
"What shall he do, Twins?" asked the Sand Man.
"Let him go!" said Nancy. "I know he's going to be good."
So Captain Pennywinkle let the bad little gnome go, and the last they saw of him, he was riding off on a star-fish.
"Good-bye, Cap'n," said the Sand Man.
"Good-bye!" said the Twins.
And they swam up to the top of the ocean and waded out on the shore.
(To be continued.)

THE OLD HOME TOWN By STANLEY

THE OTEY WALKER MARCHING CLUB ERECTED A LARGE FLAG POLE AND HAD A BIG RALLY LAST NIGHT—THE FLAG BURN FIRE BURNED BRIGHTLY UNTIL NEARLY TEN O'CLOCK.

FABLES ON HEALTH
More Foot Exercises

There are any number of good exercises for the feet, as Mr. Mann learned from his physical instructor. In addition to those that previously had been given here were a few more to try in the morning directly after rising:
Sit on the edge of the bed with legs crossed. Let foot hang loosely and then begin making circles with the foot. Do this first with right and then with left foot.
Foot gripping is another good exercise, particularly for the toes. Sit on the bed with feet parallel. Stretch out toes and then pull them in, as though they were clenching at something.
Rising to feet, start walking about the room, gripping at the floor with each step. Be careful not to grip with the foot upon which the weight of the body rests matter. It acts as a very mild laxative. All pure food. Guaranteed free from dangerous drugs.

SCOUT TROOP AND CUBS ORGANIZED

Three Formed Yesterday—Visit is Paid Industrial Home Troop.
H. Lister, district field commissioner of the Boy Scouts here, had a busy day yesterday. He went to St. John the Baptist church, where he organized a Wolf Cub pack. Rev. J. J. McDermott, rector of the church, was greatly pleased with the work shown by the boys by Mr. Lister. Miss Margaret Hennessy was appointed lady cubmaster and she will have an assistant later.
St. Patrick's Orphanage boys were then visited at Silver Falls, and a scout troop formed with Rev. C. P. J. Carleton as their master. Sister Leonard was appointed lady cubmaster of a fine Wolf Cub pack. The boys were keenly interested in learning about knot tying, rope spinning and larlat work. Commissioner Lister was a guest at St. Patrick's for a good supper, which fortified him for one of the busiest evenings he has experienced for some time.
Accompanied by L. L. Johnson, district secretary of the Boy Scouts, and F. Choppin, of the Mission church troop, Commissioner Lister arrived at 7 o'clock at the Boy's Industrial Home, East St. John, where the first meeting of the newly formed scout troop was held. Moving pictures of the leading features of scout work were shown, Mr. Choppin operating the lantern which threw the scenes on a large screen. The boys received the pictures with hearty appreciation. O. J. Lawson, scoutmaster of the Edith avenue troop, brought his boys along and they swelled the number of spectators. The boys of the Industrial Home will be under the direction of Mr. Lawson, who had them pick their patrol last evening. Hon. R. J. Ritchie was present to represent the board of the home and extended thanks to Mr. Lister and his party for their splendid work in getting the boys of the home into line for such constructive work. He said that he felt that this would be one of the greatest benefits that had ever come to them. As the boys have to go to bed at 9 o'clock, the meeting adjourned. Mr. Lister said they had been two of the busiest hours he had put in for some time.

Old People Need a Tonic Now

They Should Take Father John's Medicine
It is not uncommon for old people to feel frail and weak and unable to resist the cold as the chill of winter comes on. Their body energy is often at a low ebb. They have not been getting quite the proper amount of nourishment from their food.
When this is so, they should at once begin to take a food medicine to strengthen the body and to nourish and enrich their blood.
Father John's Medicine is the best food tonic and is perfectly safe. It nourishes nerves and body tissue and builds up the resisting power so that the system is able to throw off poisonous waste matter. It acts as a very mild laxative. All pure food. Guaranteed free from dangerous drugs.

Where Fair Ones Buy Complexions

New York, Oct. 23—(United Press)—America's drug trade has reached a total volume of about \$200,000,000. It is estimated in a review prepared by a special committee of the National Wholesale Druggists' Association, and made public by Secretary Charles Harold Waterbury of New York.
Sources of this estimate, which includes medicines, such as confectionery and miscellaneous items, are, it is explained, figures derived from the special taxes on proprietary medicines, and dentifrices.
The number of druggists and dealers has risen from 6,100 "apothecaries and druggists" in 1850 to 49,000 "dealers in drugs and chemicals and pharmacists," in 1924.

PARTRIDGE SCARCE IN BATH DISTRICT

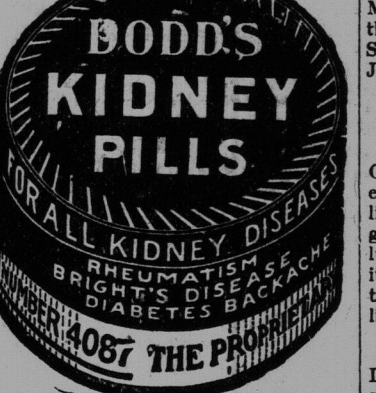

The loss is partly covered by insurance.
The new school erected here a few years ago is now too small, it appears, for the number of children who desire to attend. Classes up to grade 5 are under the direction of Miss Dora Barker, and up to grade 9 under that of Mr. Patrick McParlane, the principal. Those boys and girls who have passed the eighth grade, and who desire to pursue the High School course, have to take up the course privately. Mrs. Stanley Barker is now in charge of this class of students.
Very Rev. Dean Carney, of Fredericton, arrived in town Monday on his annual tour of inspection of the Catholic churches in his diocese. On Monday evening he was present at the Benediction of the Most Blessed Sacrament, which was held in St. Joseph's church.

CURED HIS RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of relief was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely relieved me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no loss of time, no trouble. I have nothing to sell, but will give full information about how you may find a complete relief without operation, if you write to me, Eugene J. Puller, Carpenter, 4515, Macmillan avenue, Manassas, N. J. Better cut out this notice and show it to any other who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.
Mixed.
A preacher who was vainly endeavoring to impress his congregation with the necessity of more earnest attention to his parish of thought said: "Trying to impart knowledge to some folk is like pouring water on a duck's back: it goes in one ear and out the other—Everybody's Magazine."

HAS BIRTHDAY PARTY

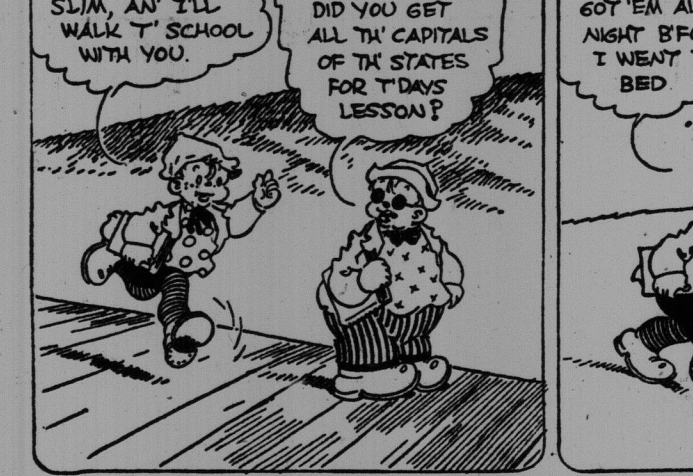

Twelve little friends gathered at 14 Orange street yesterday to honor the eighth birthday of Thelma Pitt. The little hostess received many pretty gifts. The children enjoyed a dainty lunch and voted the birthday cake with its array of dolls and lighted candles, the most pleasing feature of the delightful afternoon.
American excavators in the Holy Land have discovered traces of five separate civilizations.

"Back was Very Painful I am now Well Again"

Mrs. Wm. Walker, Webbwood, Ont., writes:
"I was sick for several months with my stomach. I had pains in the back, and how I used to dread wash day, for my back would pain so that I couldn't lie down when night came. I also had gas on my stomach, and my appetite was so poor that some times I did not care whether I ate or not. The doctor gave me medicine, of which I took a number of bottles without benefit. At last I started to use Dr. Chase's Kidney-Liver Pills, and although I have only used three boxes, I am quite well again."
Dr. Chase's Kidney-Liver Pills
25 cts. a box of 25 pills, Edmanston, Bates & Co., Ltd., Toronto

FRECKLES AND HIS FRIENDS—HE'S RIGHT

KIPLING'S DAUGHTER MARRIED IN LONDON

London, Oct. 22—Miss Elsie Kipling, daughter of Rudyard Kipling, was married today at St. Margaret's church, Westminster, to Captain G. Hambridge, honorary attaché of the British legation at Brussels. A reception was held at Stanley Baldwin's home in Eaton square, which was loaned for the occasion.
The loss is partly covered by insurance.

CANADA-BELGIUM TREATY RATIFIED

Ottawa, Oct. 22—A ceremony which is without parallel in the history of Canada took place in the office of the Prime Minister here today when ratifications of the commercial treaty between Canada and Belgium were formally exchanged. This is the final act in the conclusion of the first treaty to be signed in the Dominion capital. The ratifications were exchanged by J. V. Rickstall, of Montreal, representative of Canada in the Belgian Government, in the absence of General D. S. Fanshawe, and Hon. James A. Robb, acting Minister of Finance for Canada. Hon. G. P. Graham, acting Prime Minister, was also present.

Insist on BAYER TABLETS OF ASPIRIN
Unless you see the "Bayer Cross" on tablets you are not getting the genuine Bayer product proved safe by millions and prescribed by physicians 24 years for
Colds Headache
Pain Neuralgia
Toothache Lumbago
Neuritis Rheumatism
Accept only "Bayer" package which contains proven directions. Handy "Bayer" boxes of 12 tablets—Also bottles of 24 and 100—Druggists. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocarbonyl-acid of Salicylic Acid (Acetyl Salicylic Acid, "A. S. A."). While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their central trade mark, the "Bayer Cross."

Social Notes
of Interest

A literary and social event will be the Eclectic Club meeting at the residence of Mrs. F. A. Stetson, Mount Pleasant Avenue, this evening. Mrs. Francis Ayscough, of St. Andrews-by-the-Sea, will give an address on "Chinese Literature" and a very enjoyable evening is anticipated. The attendance at the Natural History Society rooms yesterday afternoon was representative of the society women of the city and Rothesay. Mrs. Ayscough wore a handsome gown of royal purple silk of the softest texture, gracefully draped, with necklace of rare opals. Mrs. Margaret Lawrence, president of the Ladies' Auxiliary, who was in the chair, was in a tailored gown with black hat. Among the many present, who filled the assembly room were Mrs. J. Royden Thomson, Mrs. J. D. Chipman, her mother, from Toronto; Mrs. John A. McAvity, Mrs. William McAvity, Mrs. G. Heber Vroom, Mrs. John Sealy, who moved the vote of thanks, Mrs. W. C. H. Grimmer, Mrs. Justice Grimmer, who was a special guest as host to the speaker; Mrs. William H. Shaw, Miss Anne Puddington, Mrs. L. de V. Chipman, Mrs. A. W. Murray, Mrs. F. Stetson, Miss Frances Stetson, Mrs. R. A. Rankine, secretary of the society; Miss Grace Leavitt, who seconded the vote of thanks to the speaker; Mrs. E. R. Taylor, Mrs. A. L. Fleming, Mrs. Alfred Murray, Mrs. J. Verzer McLellan, Mrs. W. Edmond Raymond, Mrs. Allan G. McAvity, Mrs. Frank B. Ellis, Miss Pauline Baird, and many others. Mrs. Ayscough met personally many of the audience after the lecture, being introduced by Mrs. Lawrence.

China in Kate Matthew
Series.
Opening new doors of understanding between Eastern and Western minds and showing China to be in the truest sense a democracy and a democracy that in its present struggles is consistently following the thread of the past.

Rinso
FOR THE FAMILY WASHING
No rubbing-no boiling
For every
wash-day method

RINSO is ideal for any wash-day method you use. You do not have to change any of your usual steps—just use Rinso where you used to use ordinary soap.
If you like to boil your white cottons, Rinso will give you just the safe cleansing suds you need in the boiler. If you use a washing machine, follow the advice of the big washing machine manufacturers—use Rinso.
Just soaking with this new kind of soap loosens all the dirt until a single rinsing leaves the clothes clean and spotless.
However you do your wash, make it easy by using Rinso.

JAEGER
Pure Wool
This month there again arises that yearly question of winter underwear. Why not answer it so that it will answer for the next three years at least. You may do this by purchasing three suits of any weight JAEGER pure wool. Get into pure wool early and be warm and comfortable all winter. JAEGER suits are made in every weight down to finest wool goods and the finish and workmanship are worthy of the registered name that appears only upon the best.

Don't Squeeze Black-Heads—Dissolve Them
Squeezing and pinching out blackheads matt the pores large and cause irritation. Blackheads are caused by accumulation of dirt and oil beneath the skin, and there is only one safe and sure way and one that never fails to get rid of them—a simple way, too—that is to dissolve them. Just get from any drug store about two ounces of peroxide powder—sprinkle a little on a hot, wet cloth—rub over the blackheads briskly for a few seconds—wash off, and you'll be surprised to see that every blackhead has disappeared, and the skin will be left soft and the pores in their natural condition.

Pythian Sisters Hold Tea and Sale
Loyalist Temple, No. 13, Pythian Sisters, held a successful tea and sale in Temple Hall, North End, last evening. The room was attractive with its decorations of roan berries and pine on the small tables and centering the sales tables. The streamers which hung from the ceiling were of red, white and blue and made the room very festive in appearance. Mrs. Miles Saunders is most excellent chief of the temple. Mrs. George R. Baird was general convener and was assisted by Mrs. Fred Brennan and Mrs. Harry Welsford. There were 18 prettily set tea tables for patron, Mrs. Welsford was filled for the hours between 4 and 8 o'clock. Those in charge were Mrs. E. S. Waters, Mrs. Fred Brookings, Miss Hilda Dykeman, Mrs. Hartley Vanward, Mrs. Wallace Day, Mrs. George Ferris, Mrs. Earl Kincaide, Mrs. William Wetmore, Mrs. Alexander McBeth, Mrs. O. S. Dykeman, Mrs. Reid Dunham, Mrs. Walter Moore, Mrs. Frank Glasgow, Mrs. Oscar Price, Miss Elizabeth Mowry, Mrs. William Clarke, Mrs. Fred Miller and Mrs. M. V. Daisell.

Fairville Church Entertainment
St. Columba Presbyterian church, Fairville, held a very successful supper and entertainment last evening in their hall. It was given under the auspices of the ladies of the church, the general convener being Miss A. M. Townshend, who presided at the concert. The supper tables were well patronized, being replenished by Mrs. Edward Duff, Mrs. John Baird, Mrs. J. Semple, Mrs. Gifford Lawrence, Mrs. Alonso Craig, Mrs. J. McQuarrie and Miss A. E. Townshend. Those who served were Mrs. R. Small, Mrs. Edward Moore, Mrs. Fred Morrow, Mrs. William Stinson, Miss Dorothy Campbell, Mrs. Tennyson Curry, Miss Viola Leggett, Miss May Kilpatrick, Miss Alice Leggett, Miss Bertha Miles, Miss Ethel Miles, Miss M. Clarke, and Miss Beatrice Stinson. The tickets were taken by Messrs. Fred Duff and John Baird. The proceeds of the affair will be used for church purposes.
Those taking part in the concert were Miss Sadie Gouge, Miss Lucy Black, Miss Dorothy Spence, Miss Madeline B. Daley, Miss Willa Waters, Miss Doris Moore and Miss Kate Fox.

C. W. R. President Sets Forth Principles For Private Lines

THORNTON TALKS ABOUT RAILWAYS AND OWNERSHIP

Says Service, Rates and Wages Must Satisfy the People.

MUST BE SOLVENT

If Conditions Not as They Should be the State Intervenes.

Chicago, Oct. 23.—Sir Henry Thornton, president of the Canadian National Railways, told the conference on Education at the University of Chicago yesterday that railroads must obtain a high degree of public approval...

"If the wages paid and the working conditions imposed upon the employees are of such character as to provoke strikes and continued interruption of service, there must be some form of correction at the hands of the state..."

"The subject is one which vitally affects the welfare of every nation. In no two nations are the circumstances identical. It is futile to argue that the policy of one nation is necessarily good for another."

A PLEA FOR BEAUTY IN OUR FURNITURE

Chicago Artist Says It Will Help to Enrich Our Lives.

Chicago, Oct. 23.—With the resources for obtaining beautiful and harmonious things tenfold greater than those possessed by America's forefathers, we nevertheless seem to have lost their sense of taste...

"The individual should exert his own taste and not slavishly attempt to follow what others are doing. The home furnishings should make for atmosphere. Furniture in a room need not necessarily all be in one period, as it easily might become monotonous. Colors are the greatest decorators the world has ever known."

CONTEST OFFICES AT U.M.W. ELECTION

Only Two Men Declared Elected by Acclamation to Represent Operators

Glouce Bay, N. S., Oct. 23.—All the district offices for the forthcoming U. M. W. election of November 3, will be contested. The list of candidates completed yesterday at local U. M. W. headquarters shows that there will be two candidates for the office of president, seven for vice-president, five for secretary-treasurer, five for international board member, three for board member in sub-district No. 1, Glouce Bay, three in sub-district No. 2, Sydney Mines, two in sub-district No. 3, Cumberland, five in sub-district No. 4, New Waterford, Thomas I. Scott is elected board member in the Pictou district by acclamation, as is John Kennedy in the Springdale district.

Explorer-Cameraman Frozen

C. W. Scarborough of Fort Worth, Tex., who was a member of the expedition two years ago that rescued the Stefansson refugees on Wrangell island, has been frozen to death near Point Barrow. He was working on an assignment for a motion picture company. This picture of him, showing the ship Duxbury, upon which he made his trip, was taken just a short time before his death.

WORLD WAR VETS WORK FOR PEACE

Inter-Allied Association is Planning Big Things This Year.

Washington, Oct. 23.—Bent upon establishing lasting world peace and aiding the war-disabled, the Fidac, an inter-allied world war veterans' association, intends to push an ambitious program during the coming year...

EVERY SWEAR WORD COST SOMETHING

From Proceeds of Sinful Language Club House Was Built.

Durham, England, Oct. 23.—Pines collected from blasphemers have paid for a handsome club house opening recently at Newburn, a Durham Colliery village.

\$35,000 JEWEL A PAPERWEIGHT

Indian Sapphire Now on Exhibition in City of London.

London, Oct. 23.—Declared to be the largest sapphire in the world, a jewel, once used as a common paperweight, has been brought from India and is now being offered for exhibition in London.

Budapest Uses Houses of Metal

Budapest, Oct. 23.—Associated Press by mail.—The successful use of this sheet metal in the making of toy houses has been developed in this city into the manufacture of dwellings.

Crown Topics Tid-bits on the Tip of Everybodys Tongue

The British Weekly States in a recent issue: "For a great many of us who served in the trenches a good deal of chocolate was a great deal of chocolate. It is eating and thought after in the half hour before dawn, or on the top of the mountain in the Springdale district."

COMMUNITY SALE BRINGS VISITORS

St. John Merchants Report Success—Two More Big Days.

"The best day yet" was the unanimous opinion of several of the local merchants engaged in each of the different branches of retail trade, when seen late yesterday afternoon concerning the Community Sale which is now four days old. The message that the merchants of the city were combining in one of the greatest business enterprises ever attempted had gone over with the result that in nearly every case they affirmed that their stores yesterday had more people than they could accommodate there were many out-of-town people in their stores yesterday at there were many people.

POOR DOCUMENT MC 2035

THE EVENING TIMES-STAR, ST. JOHN, N. B., THURSDAY, OCTOBER 23, 1924

MARTELLO TOWER NEEDS REPAIRING

Historic Monument Should
be Restored, Says
C. B. Allan.

The unsightly conditions of the surroundings of the Martello Tower in West St. John, and dilapidations to the tower itself, have called forth some criticism from C. B. Allan, secretary of the New Brunswick Tourist Association. Speaking to a reporter for The Times-Star yesterday Mr. Allan said that he felt the opening of the Admiral Healy Hotel would bring many more tourists to St. John next season, and that tourists would be more interested in things historical than in beautiful scenery. If the authorities would not put the place in order for the sake of its associations, they should do so, because of the historical appeal which the old Tower made to visitors.

Mr. Allan has approached the Junior Red Cross supervisors with a view to having the members of the Martello branch of the Juniors in Beaconsfield school take a special interest in fixing up the grounds and guarding the building from further dilapidations.

Some time ago the tower passed from the control of the militia and defence department to the control of the public works department of the Federal Government. W. W. Allingham, resident architect for the public works department said yesterday that there was no provision made for any care being given the tower, and not one cent was to be spent in this cause. Mr. Allan has written to the Department of Marine and Fisheries, and has had a reply that the matter will be investigated by that department.

History of Tower.
In searching for records of the old Tower ready assistance was received at the Public Library, where the following article taken from the Daily Telegraph of 1896 is on file:
The Martello Tower was built during the war with the United States, which began in 1812. It is similar to many towers that were erected on the coast of Great Britain about the beginning of the 19th century, at a time when Napoleon was threatening to invade the British Islands.

"Yes, Sir, these brown shoes have discoloured, haven't they, but then you have been using unsuitable and probably inferior dressing. Take my advice and use only 'NUGGET' Dark Brown Polish, it keeps shoes in condition and restores them to an even tone when they are rubbed or knocked.

Made in Black, Tan, Toney Red, and Dark Brown.
Also White Dressing (cake) and White Cleaner (liquid).

"NUGGET" Shoe Polish

The pattern of these towers was brought to England by Admiral Nelson, whose ships were much annoyed by similar towers which had been built on the coast of France and Italy. The name Martello is believed to have been derived from a tower of this kind on Point Martello in Corsica, which gave the British fleet a great deal of trouble in 1794. All these towers on the shores of the Mediterranean had been originally erected during the 17th century as a protection against Algerine pirates, but they proved very efficient against almost any enemy, for owing to their great elevation they could not be well attacked from the sea."

The Name Martello.
In the scrap books of the late Ven. Archdeacon W. O. Raymond, which are now in the Library, there is a reprint of a paper read by Alfred H. DeMill before the Eclectic Club in 1889 which gives a very interesting historical sketch of the Tower, and has somewhat different derivation for the name Martello. Mr. DeMill says Martello is Italian for hammer, and watchmen in similar towers on the Italian coast used to sound the alarm by striking a bell with a hammer, and the name of hammer was given to the towers.

Mr. DeMill refers to the Martello Tower as one of the most prominent objects seen by a stranger approaching the city, an object that at once arouses the curiosity and which venerable and picturesque gives an antique and feudal air to the landscape. The tower, he says, was commenced in 1800 and slow progress was made as the stone used was carried by soldiers in barrows over rough ways from the beach or from the quarries in the woods. The whole neighborhood was then a forest. After the outbreak of the American Revolutionary War the work was pressed with great energy. Bands of "Machias rebels came repeatedly, plundering and burning buildings and making things unpleasant for the loyal subjects of the King along this district and the tower was to afford protection against them. As it turned out, the British squadron captured the eastern part of Maine and held it in control until 1815 and marauders were kept from this section of the country.

Armament Placed.
In 1818 the work was sufficiently finished for the tower to receive its armament and it was mounted with two 24-pounders and four 48-pounders. A blockhouse on the adjoining hill was built to house a garrison of 40 and was given the title of Fort Drummond. Escaped slaves employed by the British fleet for a time took possession of adjoining vacant land and spent much time digging for buried treasure. The holes they made could still be seen when Mr. De Mill wrote. These ex-slaves being very superstitious spread many tales about the old tower being haunted and for a time it was held somewhat in awe on that account.
At one time the militia department gave some thought to demolishing the tower and using the stone for cart-work. The citizens were apparently sympathetic in the matter, Mr. De Mill says, and the tower was only saved because of the agreement with the Imperial Government which obligated the Dominion Government to keep in good order all military buildings existing at the time of the agreement. In Mr. De Mill's day also, boys appear to have been a danger to the old tower, for he quotes a nature lover as criticizing a legislature that passes an act authorizing the shooting of birds, and says if it permits the destruction of birds it should allow him to shoot boys who he considers much more injurious to fruit trees. Mr. De Mill describes the tower as the oldest substantial building in good preservation at St. John and he says that if it is not a curious relic of antiquity it will become so in the eyes of posterity if it is handed down intact.

In Archdeacon Raymond's scrap-books there is also a poem written to the Martello Tower, the last verse of which is as follows:
Stately upon its site
It meets the gaze;
Its rubble wall a softened brownish grey,
A sturdy structure of that by-past age
Which now, thank God, has pass'd for aye away!
Much better work have we than war to wage,

Stately upon its site
It meets the gaze;
Its rubble wall a softened brownish grey,
A sturdy structure of that by-past age
Which now, thank God, has pass'd for aye away!
Much better work have we than war to wage,

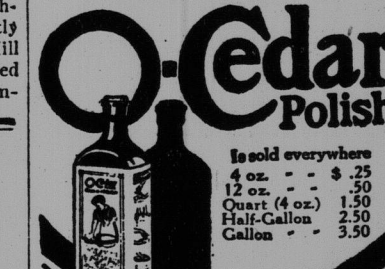

Tint Gray Hair Safely

Use a Guaranteed Harmless hair tint—BROWNATONE. Millions of bottles sold with uniformly gratifying results. Quick acting, no delay, no trouble, natural shades assured. No artificial dyes. Or deadly foes to smite
In these new days,
When meet as once met only friends,
And each gives kindly greeting to his fellow
And Peace with her twin sister Learning
For ancient hate of race to make amends
Beneath the old Martello.

WINS THE BACON.
St. Rose's annual autumn fair, which opened on Monday evening of this week is keeping up the splendid pace it made at the start. The attendance has been good and the supports have been well patronized. This evening will close the fair, and it is expected that the attendance will be a record one. Last evening, a guessing contest was staged

At sixteen
fine stationery has a special charm
FRENCH ORGANDIE
Writing Paper

which was 18 pounds, three ounces. The lottery tickets are scattered and cannot be estimated until early in November, when the winners will be known. The music has been delightful throughout the fair, the Fairville orchestra furnishing this pleasant feature every evening, except Monday, when the City Cornet Band opened the event with a fine programme. The Fairville orchestra will play this evening.

WHO IS HE, ANYHOW?
(Springfield Republican)
Nokomis, "daughter of the moon," is a favorite in the competition for fancy names for ZR-8. Why not appeal to the man who names the Pullman cars for something really special?

Sifto Salt is a decided table convenience—it flows freely in any weather. Sold in dust-proof cartons. The Dominion Salt Co., Limited, St. John - Oct. 1924

"CEETEE"

THE PURE WOOL UNDERCLOTHING THAT WILL NOT SHRINK.

Why it is different
This sheep on knitted underclothing signifies—
it is guaranteed NOT TO "ITCH" or irritate—it is made of the same long fine wool that our babies' garments are made from. If baby can wear it—you can.

For COMFORT, wear Turnbull's (Knitted) Underclothing
a truly Canadian product of 60 years reputation and a quality, unequalled by even the best imported.
A Suggestion—
FOR LADIES! Buy "CEETEE" No. 225—a beautiful, pure white wool combination or Turnbull's No. 428.
FOR MEN Buy "CEETEE" No. 220—fine, soft, pure wool, fully knitted, or "CEETEE" No. 432—a 1/2 inch garment of wool and cashmere machine knit made.

The Hall Mark For Cheese

Of course you know the meaning of the Hall Mark on Silver Plate—one of the oldest pledges of quality in the world, dating from 1180 and used primarily by members of the famous Goldsmiths' Company of London.

To the modern housewife the Kraft Trade Mark is the Hall Mark for Cheese. She insists on Kraft Cheese because the Kraft Trade Mark is to her a promise, a guarantee, of inimitable flavor, of quality beyond compare—and a protection against the inevitable disappointment of imitations.

Tailors and Furriers
FUR COATS made to order and made over. Work guaranteed—Morris, Tailor and Furrier, 53 Germain.

Trunks
BUY your trunks at home—at factory prices. Trunks, bags and suit cases repaired. Dealers in dried fruits are seeking assurance that the three cents a pound preference to be granted Australia should be pending the completion of the treaty, be applied to imports immediately.

It is not considered likely that this will be agreed to by the Government. At the suggestion of the Australian Government the treaty will not come into operation until approved by the Parliament of Canada and it is suggested here that the delay in due to pressure brought on the Australian Government by Australian commercial interests desirous of having more time to adjust themselves to the new conditions.

WAS PROMINENT
IN ROWING GAME

Robert Hunter, of Renforth Club, Transferred to Bank in Montreal.

Robert Hunter, accountant in the Union Bank, will be leaving the city in the near future, as he has been transferred to the large branch in Montreal, where he will at least temporarily occupy a similar position. Mr. Hunter was a member of the staff of the local branch for nine years, and during that time made a host of friends, who will regret to learn of his transfer, although they will be pleased to hear that it is in the form of a promotion. Mr. Hunter is a native of the Hebrides and came to Canada 17 years ago. He landed in Montreal and soon afterwards was appointed to the staff of the Union Bank. During his years of service he steadily advanced until he was appointed accountant of the St. John branch. While in Montreal he became a member of the Lachine Rowing Club, and in 1914 competed in the regatta and captured the president's trophy in the single sculling event. He also rowed in their four and eight-oared crews. Upon his arrival here he continued to manifest an interest in rowing and joined the Renforth Club. For three years he was chairman of the rowing committee and in addition held other offices. His many friends throughout the city will miss his smiling face and his continued success in his banking career, as well as in sporting circles.

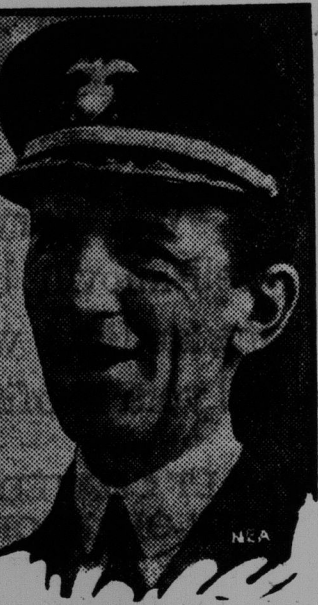

AWAIT COURT ACTION ON FIRPO

Washington, Oct. 22.—Final action by the Labor Department on the case of Luis Angel Firpo, against whom deportation proceedings have been brought, will await the outcome of the case against him in the courts of New York. Assistant Secretary of Labor White has announced. The department will go ahead with consideration of the record, however.

THE TRAGEDY OF A KISS

Prescott, Oct. 23.—Attempting to avoid a kiss which was being persistently offered him over his shoulder in a truck he was driving, just outside the Village of Gouverneur, Ben Glascoff stretched his body far out over the steering wheel, lost control, and he and his truck and its female occupant went into the ditch, the machine turning completely over. Glascoff sustained a few bruises, but his affectionate companion, Jean, a fine young cow which was travelling in the rear of the truck, escaped without injury.

IN COMMAND

This is the man who will command the ZR-3 for Uncle Sam. He is Captain George W. Stealy, Jr., U. S. N. He was one of the U. S. officers making the trip over from Germany as the big ship. This picture of him was taken just after he climbed out of the cabin.

JOSEPH BONAPARTE'S MYSTERIOUS TUNNEL

The grave scientist who made tunnels in the vicinity of his house in Washington to amuse himself was following the universal human impulse to burrow in the earth. The desire to have underground passages as a means of promoting mystery is shown in the boy who digs his pirate lair, and there is enough of the spirit of youth in the grown man to induce him to keep up the game. One of the most notable tunnels ever made in the U. S. was that discovered on the estate of Joseph Bonaparte near Bordentown, N. J., says the New York Times. When this brother of the Emperor Napoleon I. gave up the throne of Spain he sought refuge in the U. S., and for some years lived at Bordentown. His house stood on a plateau which was skirted by a large stream. From the shore of the stream a tunnel was dug into the bluff, which connected with a shaft leading directly into the house. The mouth of the tunnel was masked by evergreen trees and laurel, so that at all times it was concealed. The tradition is that Joseph Bonaparte had a hope that at some time his distinguished brother could escape from St. Helena and find asylum in the United States. In that event the house in Bordentown could be made into a safe retreat from which the exile could come and go at night by means of the secret passage. Others believe that the tunnel was dug merely for the amusement of Joseph himself, who delighted in romance and mystery.

EX-PREMIER DRURY WAS ON THE STAND

Did Not Know Jarvis Firm Had Got \$500,000 Out of Bond Deal.

Toronto, Ont., Oct. 22.—Trial of the former treasurer of Ontario, Peter Smith, on a charge of conspiracy to defraud the Provincial Government in connection with the purchase by the Provincial Government of duty free bonds, was advanced rapidly yesterday, and before the afternoon session was adjourned, Herbert Lennox, K. C., counsel for the defence, had opened his address to the jury. The star witness for the defence was E. C. Drury, former Premier of Ontario, who declared that the purchase of the bonds had been authorized by the full Cabinet, but he had been much surprised to learn that the principals of the Aemilius Jarvis firm, who stand indicted with Peter Smith on charges of conspiracy to defraud, made \$500,000 out of the transaction. In answer to questions, the ex-Premier declared he had no personal knowledge that his former colleague, Peter Smith, had received any of this \$500,000. Following the conclusion of the Crown's case defence counsel moved for dismissal of the charges against all four, Peter Smith, Aemilius Jarvis, Sr., Aemilius Jarvis, Jr., and Harry Peplai, the latter three of the Jarvis brokerage firm, but Mr. Justice Meredith refused the application. During the day the evidence taken in England for the defence, in which the British bankers and brokers who had been connected with the bond transactions put through in England by Aemilius Jarvis, Sr., testified, was read. This, without exception, was to the effect that nothing of any apparent irregular nature had transpired in England in connection with these deals.

NORWAY ELECTION RESULTS ARE CLOSE

Christiania, Oct. 22.—The leading feature of the elections held throughout Norway yesterday was the considerable gains of the Conservatives and Agrarians, giving these parties combined the narrow margin of four votes over all other parties. The election has proved a great vindication for the Communist Party, the members of which are also members of the Moscow Internationale. They received only 2,400 votes, while the Labor Party received 45,900 and the Conservatives 67,000.

Use the Want Ad. Way

Soak your beard in Mennen lather—and the bristles will like a starched collar in July. That's DERMUTATION. This softening of the beard—this changing of its character from wiry stiffness to a soft, pliant condition is called by scientists D-E-R-M-U-T-A-T-I-O-N. Hairs thus softened offer no resistance—and instead of turning back the cutting edge of the razor, it cuts right through them and literally mows them off. Tomorrow, soak your beard in Mennen lather—use any water, hot—hard or soft—Mennen's works equally well in any kind of water. Buy a tube and test the Mennen Dermtation. We'll promise you the sweetest, easiest shave you ever had, and if you aren't enthusiastic after, say, seven shaves, return the tube to us and we'll refund its cost. In the familiar green and white striped package. Mennen Shaving Cream. The Mennen Company, Limited—Montreal, Que.

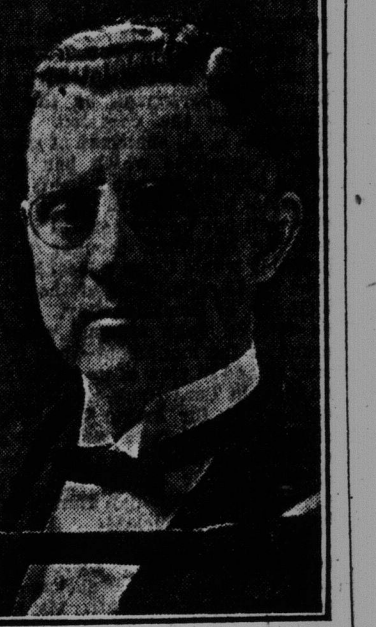

Shoes, Stockings and Hankies

By HEDDA HOYT. (Fashion Editor of the United Press.) New York, N. Y., Oct. 22.—Following on the heels of fashion come the new evening shoes! Heels play an important part this season, as they form the decoration to the shoe in the plain pump of gold or silver kid. For street wear some of the most fashionable shops are displaying shoes with heels which are ornamented with full colorings. The heels of such shoes are made of kid and the ornamentation in colors is done in pyrography. Very rich greens and browns and reds are the colors used to depict leaves and berries and other naturalistic designs. Often the toe of the shoe also shows sprays of color to correspond with heel decorations.

Heels on dancing slippers and on bridal slippers are becoming more and more than ever before. Heels are being used on silver and gold brocade for dancing and heels jeweled to represent cupid's bow and lover's knots are shown in the bride's footgear. Shoes in General. Shoes have become quite as important as hats. One chooses them only if they correspond in color and type to the frock with which they are to be worn. The trend of fashion is turning towards plain shoes. Plain pumps and evening slippers are made in plain pump styles to accompany the dressy frock of the season. It is forecasted that plain shoes will come into vogue again for evening wear, where they will match the shade of the frock. As to evening slippers, silver tones still predominate with silver kid leading over brocade. Those who like the bronze shoe will find many models in plain pump and one-strap effect in the fall collection. Browns and bronze are among the leading costume colors and for this reason we find the return of all types of brown shoes. Hosiery. Hosiery matches the shoes or corresponds in color if not in exact shade this season. Light tan wood shades and light cinnamon browns are worn more than any other colors, both with brown shoes and with black shoes. Silver-toned hosiery is chosen for evening wear by most women, although there are a few who prefer a slight pinkish cast in their evening hosiery. Fashion Notes. The newest handkerchief shades for fall are plum and wine. Little squares of plum or wine-colored linen are worn with the frock during the day time, while for evening or dancing purposes one chooses more pastel shades to correspond with one's frock. The latest dance handkerchief is a little wisp of round-shaped linen outlined in lace and where it is buttonholed slit in the centre of the handkerchief through which the little finger may be placed. An Effective Frock. One of the most effective of plaid frocks was worn in Fifth Avenue the other day. This was made with a separate slip-on tunic of blue and yellow plaid, the tunic terminating just above the knees in a self-fringe. The narrow plaid slip which formed the lower portion of the frock was also self-fringed at the hemline. Plaids of large design

APPOINTED TO THE ROYAL NAVY

Dr. E. Cosman Davis of St. John Joins H. M. S. Blenheim

Dr. E. C. Davis. Dr. E. Cosman Davis, son of Mrs. E. N. Davis, Elliott Row, has been given the rank of Surgeon Lieutenant on H. M. S. Blenheim, of the home fleet, after a two months' course in the naval hospital, Hasler, near Portsmouth, England. He received his appointment on Monday, October 13. Dr. Davis left here in August, expecting to take six months at least in the naval hospital, instead he received his commission after only two months.

until a thorough examination had been made of the value of the company's plant and equipment. There were five companies represented in the \$600,000 valuation, he said, four of them being in other places. He thought that some of the heavy operating expenses might be due to inefficiency in the management of the plant. The company was ready to pay its share of the cost of having an examination made, he said. The chairman of the board announced that the arguments would be taken into consideration and that a decision would be announced later.

DECISION ON FREDERICTON RATES LATER

(Continued from page 9.) been small because of the fact that the old company was paying only 8 per cent. on a base of \$50,000. The plant was worth more than the \$111,000 paid for it, he said. He thought it was unfair to use this as a basis for calculating the value of the stock. The inventory value of the present equipment was the only fair basis, he said. He thought the appraised valuation of \$4,000 for the company's land, 95,000 square feet, was fair. The building was worth more than the \$24,000 valuation of \$24,000, which he thought was also eminently fair. He went through several of the other figures of the report. Mr. Winslow said that all of the \$300,000 stock of the company was watered when it was issued but that the "water" had been absorbed since in earnings which were not paid out in dividends. There had been only two dividends paid, he said, both of 6 per cent. on the stock valuation of \$300,000. He asked that the board take no ac-

JUST IMAGINE THIS—
YOU'LL SEE HUNDREDS OF MEN, WOMEN, CHILDREN, HORSES, OXEN—A two-mile wagon train of pioneer days—fleeing for their lives from a raging fire that laid waste nine square miles of prairie. You'll see a thousand red, yelling, painted Indians riding madly to attack in their famous "circle of death" formation. You'll see a buffalo hunt with the world's only remaining herd of buffalo. You'll see the wagon train ford a turbulent mile-wide torrent. You'll see the whole spectacular heart-drama of the perilous, glorious days of '49. The story of a man's love and sacrifice for a beautiful girl in the most amazing settings ever photographed. Your most gorgeous screen adventure.

MR. HAYES SAW CAST OF MEMORIAL

Sculptor's Work for Monument Promises to Prove His Best.

Unveiling of the city's soldier memorial monument, which is now in course of construction, is expected to take place next spring with a distinguished personage as the chief speaker for the occasion. R. T. Hayes, M. L. A., chairman of the Citizens' Committee, which has charge of the project, announced this today. The date has not been set and probably will not be for several months, but the chairman hopes that it probably would be on a local holiday, such as Loyalist Day, or the King's birthday, or Dominion Day. He said he felt St. John citizens would be proud of the monument when it was erected and in view of its importance, he thought Lord Byng, the Governor-General, or Sir Arthur Currie, principal of McGill University and commander of the Canadian forces in the great war, or some other person prominent in Canadian affairs, would be invited to officiate.

Mr. Hayes said he was in Toronto recently and while there visited Alfred Howell, who has charge of the construction of the shaft. Mr. Hayes saw the plaster cast of the upper figure. The lower one still is in the foundry. The sculptor has done work of this kind for several Ontario cities which has given much satisfaction and many who have seen the St. John unit believed it would prove the best work of this kind he has done. The contract for the stone base has been let to a St. George company while Spoon Island granite will be used in the memorial.

The monument, which already has been announced, will be situated in the plot in King Square facing the Admiral Beatty Hotel. The committee had hoped to secure the site near the fountain at the head of King street and have the fountain shifted to the north to make a balance with the Tilley monument but owing to objections the other site was secured. Not Money Enough Yet. The committee now needs about \$3,000 to reach its objective of \$20,000 for payment of the monument and Mr. Hayes and other members of the committee hope that this will be quickly forthcoming. The chairman said this morning that in this respect St. John lagged far behind other cities in Canada and that even such smaller communities as the Loyalist city had erected monuments worthy of their soldier heroes.

WAS PROMINENT IN KINGS COUNTY

S. H. Flewelling, of Hampton, Passes Away at Home There.

By the death of Samuel H. Flewelling, which occurred last night about 1 o'clock, St. John has lost one of its best known and most highly respected citizens and friends from all parts of the province. He extended their sympathy to the bereaved.

Mr. Flewelling was a son of the late Mr. and Mrs. Gilford Flewelling and had lived in the village of Hampton all his life. For many years he was the active head of the Flewelling firm which operated a boy mill and match factory at that place and the product of that plant was used all over Canada.

He took an active part in activities pertaining to the welfare of the community and was for more than 30 years a member of the Board of School Trustees and for many years acted as chairman. He had been a deacon of the Baptist church for about the same period. He was a past master of Corinthian Lodge, F. and A. M., Hampton and past senior grand warden of the Masonic Grand Lodge of New Brunswick.

He is survived by his wife, formerly Miss Annie Bridges, of Sheffield; two sons, Gilford of Boston and Herbert of Jamaica; one daughter, Miss Madeline, who is teaching in Vermont; two brothers, E. A. and R. B., both of Hampton; and three sisters, Mrs. Glover and Miss Jessie of Saskatchewan and Mrs. McKinnon of Toronto.

LAND AND WATER POWER CASE IS BEING ARGUED

In the Chancery Court this morning, before Chief Justice Sir Douglas Hasen, the case of the N. B. Power Co. vs. Price Hatt and J. T. McGuire, an action involving the title to and partition of certain land in the Parish of St. George, was resumed. The defendant called three witnesses, and the plaintiff one in rebuttal. Argument of counsel will occupy this afternoon's proceedings. H. H. McLean, Jr., and T. L. McClellan are appearing for the plaintiff company, and E. E. B. Smith of St. Stephen for Mr. Hatt.

City Case.

This morning, in the Circuit Court, before Mr. Justice Crockett, all the evidence for the defendants was heard in the case of Donald vs. Moses and the City of St. John. Addresses of counsel to the jury had begun when court adjourned for lunch. The case will likely go to the jury this afternoon.

FROM WEST INDIES.

The R. M. S. P. Tevlot arrived off Partridge Island last night and docked about 9 o'clock this morning at Pettibone wharf after a run from Bermuda and the West Indies. The steamer was a day and a half late in arriving, but this delay was caused by her late sailing from Bermuda. She was due to leave there on Friday morning and did not get away until Saturday evening. The Tevlot is bringing about 875 tons of general cargo in addition to the mail. This steamer does not carry passengers. Captain Arthur Watts is in command of the vessel.

ALMANAC FOR ST. JOHN, OCT. 23.

LOCAL NEWS

BANK CLEARINGS. St. John bank clearings this week were \$294,330 last year, \$2,786,927, in 1922, \$2,471,986.

AT DRY DOCK. The tug Joseph was taken on the marine slipway at East St. John this morning to undergo some repairs.

ONE TODAY. One man arrested last night for drunkenness appeared before Magistrate Henderson this morning and was fined \$8 or two months in jail.

IS FINED \$200. John McGoldrick was adjudged guilty on his own confession in the police court this morning on a charge of having liquor in his beer shop in Prince William street and a fine of \$200 was struck by Magistrate Henderson.

HELPED TO SUCCESS. The name of Purdy Cougle was inadvertently omitted from the list of those who took part in the concert last evening in St. Columba Presbyterian church and the organ solo during the course of the evening.

BURIED TODAY. The funeral of Mrs. William Henderson was held this afternoon from her late residence at 83 Adelaide street. Service was conducted by Rev. W. Ferner, and interment was in Greenwood.

MARRIED IN ST. PETER'S. In St. Peter's church at 6 o'clock this morning Rev. James Cloran, C. S. R., who was celebrant at nuptial mass, united in marriage Miss Helen Lecoutre and William Dawson of this city. Mr. and Mrs. Dawson will reside in Sherbrooke street. They were the recipients of many very pretty presents.

MORE BLOOMS. The Times-Star today received a very pretty bunch of wild flowers, which were picked at Fair Vale by Mrs. William Parks. Despite the late season and the recent heavy frosts the flowers were in full bloom.

BOXING NEXT MONTH. The Arena management announced today that a boxing card is being arranged for the evening of Monday, November 3. The local promoters are in touch with three or four outside cracks and expect to have a definite announcement in the course of a few days.

VISITORS ENTERTAINED. The convention of chief operators and bookkeepers of the New Brunswick Telephone Company was continued this morning. This afternoon the visitors were taken for a sightseeing tour and were as far as Robbsey, after visiting points of interest about the city. This evening there will be an entertainment at the assembly hall of the Telephone building.

ST. JOHN SINGER HEARD. Mrs. Blake Ferris of St. John sang in Boston last night and people in her native city had the pleasure of hearing her, as her voice came clearly by radio. She sang two numbers, "The Song of the Soul" and "The Valley of Laughter." The assembled about a fine radio set owned by Oscar Colwell, Mecklenburg street, report that they were in the audience and heard the distinctness with which it was heard.

DIED IN PORTLAND, ME. The death of Mrs. Minnie MacLeod Webster, wife of H. A. Webster, occurred yesterday at her home, 30 State street, Portland. She was born in St. John, N. B., and was married to Mr. Webster in 1885. She was a member of the St. John Episcopalian church. She was survived by her husband, Mr. Webster, and two sons, Mr. C. W. Jones of Rosedale, Mass., two sisters, Mrs. R. F. Evison of Lowell, Mass., and Mrs. J. Robinson Vanwart of 83 Alderton street, St. John. Mrs. Vanwart has just returned from her sister's home and Mrs. O. T. Mullin, a niece of Mrs. Webster, left here on Monday for Portland. Interment will take place in Portland on Friday.

BOILERS ARRIVE FOR NEW HOTEL

The work of taking one of the large boilers into the engine room at the Admiral Beatty Hotel attracted attention this morning. The boiler was being taken in through an alleyway off Charlotte street and it took up nearly the entire width. The other two boilers to be used here also arrived in the city and they will be taken to the engine room within a few days. The work on the chimney has been completed.

The first shipment of the facing brick for the outside above the third floor on the Charlotte street and King Square sides of the hotel will arrive on Friday. This brick is being brought from Scotland. Another carload of stone for the front will arrive tomorrow from Montreal.

PERSONALS

George M. Bosworth, chairman of the Canadian Pacific Steamships, Ltd., who came here yesterday to attend a conference on port matters, will return to Montreal this evening in his private car Mataspedia.

Hon. H. A. MacKown, chairman of the railway commission, and Mrs. MacKown, will leave for Ottawa this evening in private car, Acadia.

R. G. Schofield of St. John was at the Queen Hotel, Fredericton, yesterday.

John Kenny, factory inspector, was in Fredericton yesterday.

Mrs. D. W. Griffiths and Mrs. J. D. Black of Fredericton, motored to St. John yesterday morning.

G. G. Murdoch, of St. John was in Fredericton yesterday.

J. E. Marshall, superintendent of construction for the N. B. Telephone Co., returned to the city today after a trip to St. Stephen and St. Andrews.

SPRAGG IS OUT OF HALIFAX RACE

St. John Runner Injures His Ankle in Training for Event.

Local fans will regret to learn that George Spragg, Marathon runner, who was entered in the Halifax Mail 10-mile road race next Saturday, has had to give up the race as a result of an injury sustained while training. A few nights ago he was running down one of the hills in Rockwood Park when he stepped on a stone and turned his ankle quite badly, straining some of the ligaments. Since then he has had the injury cared for, but it refused to respond to treatment to any marked degree, and on the advice of a physician he has withdrawn from the big running event.

Spragg has been making quite a name for himself this season in Marathon running. In the Dunlop road race he had a good chance to win premier honors, but was held up in a traffic jam and had to be content with third place. In the Amherst 10-mile road race, held on September 1, he led the field, but was disqualified because he had been shown the wrong course and had covered 11 instead of 10 miles. His time in that event was 69 min. and 40 sec., and he was naturally greatly disappointed when he was disqualified, as he says he was led over the course by one of the officials cars.

EXPECT PATRIOT TOMORROW A. M.

Destroyer Will be in Saint John Harbor Till Next Monday.

The latest word on the arrival of H. M. C. S. Patriot is that the destroyer will be here tomorrow morning as the vessel was to leave Halifax early this afternoon. The Patriot will be here until Monday when it is expected that she will return to Halifax to enter drydock to receive overhauling and repairs.

A dance for the visitors has been arranged by the members of the local R. C. V. N. R. at their headquarters in Charlotte street and it will take place on Saturday evening. Several of the local theatres are opening their doors to the visitors, it was announced this afternoon. Owing to the short stay of the Patriot in port it has not been decided as yet whether or not a "boat pulling" contest will take place.

CAN CALL FOR TENDERS FOR MILL POND TIMBER

At a committee meeting of the common council this morning Commissioner Wigmore was given authority to call for tenders for the timber which will be required in the construction of the Carleton Mill Pond sewers. If it is decided to proceed with that work.

Commissioners Frink was given authority to arrange for the placing of two cannon on the soldiers' memorial lot in Fernhill.

Mayor Fotts referred to the death of George Gorham, harbor master at Indiantown, and on motion of Commissioner Bullock the common clerk was instructed to send a letter of sympathy to the family. Appreciation of service of Mr. Gorham was expressed by master and member of No. 2 S. C. and F. P. was voiced by Commissioners Bullock, Wigmore, Frink and Harding.

The rest of the meeting was taken up with the port changes matters.

MACGOWAN OF TROJANS HURT; MAY BE FRACTURE

Allan MacGowan, Trojan halfback, injured his foot in a workout on the High School grounds at noon today, and it is feared he has fractured a bone. An X-ray will be taken tomorrow. This injury, coming on top of injuries received in Saturday's game by Eric Snow, Leslie Kerr and Bridges, gives them a shaky lineup for their game with Mount Allison at Sackville on Saturday, and it is probable the game will be called off.

In addition, Humphreys has developed a twisted shoulder and "Pete" Millidge is suffering from blood-poisoning in his arm. A week from this Saturday the Trojans are playing Moncton here, the proceeds to go toward payment of medical expenses in connection with Kerr's and MacGowan's injuries.

IMPROVING, SAYS HEAD OF CREDIT MEN'S ASSOCIATION

Business conditions throughout Canada are slowly and steadily improving, in the opinion of Henry Detchon, general manager of the Canadian Credit Men's Trust Association, Ltd., who is in the city today to confer with local officials of the company. Mr. Detchon is on his way back to the head office in Winnipeg after a short visit to Halifax. He reports conditions are getting back to normal down here. He will leave the city tomorrow for Montreal.

TO MEET TOMORROW.

A regular meeting of the Civic Power Commission will be held tomorrow afternoon. Among the matters to come up will be a further report by the engineer on the extension of the hydro line to the Isolation Hospital. It was said 10 of 14 possible customers have agreed to take the current, and the rate which the Isolation Hospital must pay if the line is extended will be worked out. The report of the engineer on the tenders for line material will also be submitted. The installation of the new accounting system for the commission has been practically completed, and A. L. C. Chalk of Price, Waterhouse & Company will leave on Saturday for Montreal.
