

INTERMENT OF BENEDICT XV OCCURS TODAY

Ceremony Takes Place at 3 O'clock This Afternoon at St. Peter's.

STRICTEST PRIVACY AT THE FUNERAL

Office of Major Domo Besieged by Applicants for Tickets to St. Peter's.

Rome, Jan. 25.—The body of Benedict XV will be entombed in the basilica of St. Peter's tomorrow. The ceremony will take place at 3 o'clock in the afternoon, after which the Sacred College will devote itself exclusively to matters pertaining to the Conclave to be held February 2.

Preparations for the funeral and the collecting and arranging of documents and medals to be placed in the coffin, occupied practically the entire day of the members of the Sacred College and the Vatican officials. The medals include all those struck during the pontificate of Benedict.

The funeral ceremony will be in the strictest privacy, the Vatican officials holding to the letter that none be admitted to the vast basilica, except the Sacred College, the members of the Pontifical household, diplomatic officers, accredited to the Vatican, officers of the units of the Pontifical armed forces, which are detailed for the ceremony according to the rites, and members of the most ancient families of Papal nobility.

Many Want Tickets. The office of the Major Domo of the Vatican, Monsignor Ruffini De Sampaio, were besieged throughout the day by applicants for tickets for St. Peter's.

Victim's Son Called As Witness At Murder Trial

Attacked by Alleged Murderer at Time Mother Was Killed Last November.

St. Scholastique, Que., Jan. 25.—The feature of the trial here today of Onésime Hélop, charged with the murder of Mrs. Clermont, of St. Yermolise, Dr. Surgeon, in November 1921, was the calling as a witness of Alfred Clermont, son of the victim, who is alleged to have been murdered by Hélop at the same time as his mother was killed. He showed long scars on his face and neck, and his left shoulder is paralyzed in consequence of a stab that cut the nerves. His right hand is also paralyzed having been almost cut to pieces. He was not examined at length, merely giving details of name, age and identity.

City Basketball League Results

Trojans Defeated Y. M. C. I. Seniors; Outlaws Won from Business Boys; Byng Girls Victorious.

The Trojans defeated the Y. M. C. I. Seniors by a score of 57 to 23; the Y. M. C. I. Outlaws won from the Y. M. C. A. Business Boys by a score of 31 to 23; and the Byng Girls took their game from the Fairville Baptist Girls by a score of 17 to 7, in the City Basketball series played in the Y. M. C. A. gym last night.

Although hours were even, with each team having a game to its credit, previous to last night, the Trojans had quite the better of the argument. At half time the score was 31 to 4, and although the scoring was not as one-sided in the second period, the Trojans won out by a considerable lead.

The line-ups follow: Trojans (37) Y. M. C. I. (23)

Forward: Kerr, McConry, Urquhart, Bennett, Centre: Malcom, Maher, Defence: MacGowan, Brown, Garrett, Miller, Spare: Cross, Kennedy, Referee—George Margolis.

The intermediate game was closely played, and fast combination together with clean ball checking, were much in evidence. The first period ended with the Outlaws leading by 16 to 15 in their favor. In the final half, they went ahead in their scoring however, leading their opponents by eight points when the final whistle blew.

The line-ups follow: Business Boys, Outlaws, Forward: Johnson, Johnson, Yeamans, Defence: Johnson, Kirk, Campbell, Killam, Spare: Campbell, Codner, Referee—B. Shaw.

The girls' game was marked by heavier scoring than has been the rule with games in this section of the league this year. The Byng Girls showing a decided improvement in their shooting. The Fairville girls played a good game, but did not work together as well as their opponents.

SENIOR LEAGUE STANDING A glance at the standing of the senior teams in the City Basketball League would indicate that the Y. M. C. A. Seniors were again to cop the leadership of the league this season. At the conclusion of next Saturday's games each of the teams will have played eight games. The standing of the teams to date follows:

Table with 3 columns: Team, Won, Lost. Y. M. C. A. Seniors: 7, 0; Trojans: 4, 4; Alberts: 2, 4; Y. M. C. I. Seniors: 1, 6

Second Round For Jones Cup At St. Andrew's rink last night, the rink skipped by W. B. Tennant defeated that skipped by H. G. McBeath by a score of 14 to 9, in the second round for the Jones' Cup.

The rinks were: Dr. Chypan, G. Dick, F. P. C. Gregory, E. H. Murray, F. M. Maunsell, G. M. Robertson, W. B. Tennant, H. G. McBeath, Skip: 14, Skip: 9

Tommy Tebo Little Tommy Tebo, of St. John, finished second in his heat at Plattsburg, N. Y., yesterday in the 440 yards dash for twelve year olds, but failed to be mentioned in the final.

NATIONAL HOCKEY LEAGUE GAMES PLAYED YESTERDAY

World's Champion Ottawas Added Another Game to String by Defeating Hamilton by Score of Four to Two—Toronto Won from Canadiens, Three to One.

Ottawa, Jan. 25.—The world's champion Ottawas added another game to their long string of victories here to-night at the Laurier avenue arena, when they defeated the fast skating Hamiltons by a score of 4 to 2. The visitors put up a surprisingly good game and at various stages of the play had the league leaders extended their utmost to keep in the van.

In Maple, Reiss and Munnery, Hamilton had a stalwart and trusty defence, and Lockhart, despite his injuries sustained last week, put up a phenomenal game. Wilson was best on the attack and helped out the defence throughout the evening, but in close quarters seemed to have difficulty in keeping his feet. Arbour also put up a fine game. The Ottawas as a whole played well and there was no outstanding player in the uniforms of the champions. Benedict had lots to do in goal, and put up one of his best games.

The match was clean, not a penalty being inflicted by Referee Smeaton or Cooper, although in the final period, the players warmed up considerably and Munnery was warned. The line-up: Hamilton Goal: Benedict, Defence: Gard, Reiss, G. Boucher, Centre: Malone, Neighbor, Wing: Arbour, Broadbent, Progers, Cy Deneny, Sub: Munnery, Bell, Referee—Cooper Smeaton.

The Summary: First period—1, Ottawa, Deneny, 4:45; 2, Ottawa, Deneny, 5:00. Second period—3, Hamilton, Reiss, 3:00. Third period—4, Ottawa, Broadbent, 4:5; 5, Ottawa, Boucher, 1:45; 6, Hamilton, Wilson, 4:00.

Toronto, 3; Canadiens, 1. Toronto, Jan. 25.—John Ross Roach and "Babe" Dye stood out in the fine victory of 3 goals to 1 which St. Patrick's scored over Canadiens.

In their National Hockey League game here to-night, Roach was invincible as the nets for the Irish and his sensational stopping in the first two periods undoubtedly saved his team from defeat, while St. Patrick's had just as much of the play, and perhaps a little more, than the Canadiens, they did not break through the Corbeau-Cleghorn defense for close-in shots like Canadiens broke in on coach. The Port Perry wizard hopped and fopped around between the sticks getting the heaves, high and low, of Canadians' sticks as fast as they were sent at him.

Babe Dye's shooting was deadly. He scored two goals and should have had at least three more in the last period when he side-stepped his way past Corbeau and Cleghorn to get right in on Vesina.

St. Patrick's tried out their new centre player, Andrews, from Niagara Falls, Ont. He was on the ice twice, showing good speed, but a timidity in checking. Billy Boucher, of the Canadiens, was hurt in the last period, his shoulder getting a bad wrench when he and Deneny collided.

Neway Lalonde, after an absence of two weeks, was back at centre for the Frenchmen. He played his good old game, but lacked condition. The line-up: St. Patrick's Goal: Vesina, Defence: Roach, Centre: Stuart, Cameron, S. Cleghorn, Noble, Lalonde, Right Wing: Dye, Left Wing: Boucher, Noble, Berlingette, Substitutes: Deneny, Bouchard, Andrews, P. Reiss, Cleghorn, Smith, Referee—Low Marsh, Toronto.

The Summary: First period—No score. Second period—1, St. Patrick's, Noble, 8:00. Third period—St. Patrick's, Dye, 2:00; 3, St. Patrick's, Dye, 4:00; 4, Canadiens Corbeau, 1:30.

Bathurst Curlers Hold McLellan Cup In Game With Chatham, Two Rinks a Side, They Won by Score of 32 to 27.

Moncton, N. B., Jan. 25.—Bathurst curlers held the McLellan Cup in the game with Chatham, two rinks a side, by the narrow margin of five points. The score by rinks follows: Bathurst, 17; S. D. Heckbert, 17; Thibodeau, 15; Jardine, 10. Totals: 32 to 27.

Curling Matches Were Postponed Because of the extreme cold, the matches to have been played for the President's Trophies in the Thistle Rink last night were postponed until the first of the week. The curlers held a special meeting in lieu of the matches, and it was arranged to play the Carleton Curling Club five rinks a side Friday night.

It was also decided to play eight junior rinks against the St. Andrew's Club on Saturday. Six rinks leave today for Moncton to play the Moncton Curling Club a friendly match. The skips of the rinks will be S. W. Palmer, A. D. Malcom, J. S. Malcom, F. W. MacAndrews and J. C. Cheater.

Wanderers' Protest Was Disallowed Halifax, Jan. 25.—The protest of the Wanderers' hockey team against the Dalhousie 5-3 victory on last Friday night, has been disallowed, it is announced. The protest was made when it was discovered that Dalhousie had seven men on the ice in the latter period of the game due to a relieved man not noticing the signal for him to leave the ice.

A letter was read at the meeting of the executive of the Halifax City Hockey League, which heard the protest from the president of the Canadian Amateur Hockey Association, Montreal, in which he expressed the opinion that the disputed game should be replayed.

The league executive decided that in future changes of players during a game can only be made when play has ceased, either because of a score or infringement of the rules.

Willie Logan

Plattsburg, N. Y., Jan. 25.—While somewhat disappointed in our Senior races as to the final results, our representatives were by no means easy marks. Garnett is not in form at present, but will probably make better showing later, not qualifying in trial heats.

In the 440 yards, Gorman won two trial heats, but lost in the grand semifinal. He won his heat in the one mile and finished ahead of Joe Moore, who was fourth place in final.

Willie Logan qualified for his trial in the half mile, and gave a nice exhibition in the final, getting third place.

In the twelve year class Tebo skated a splendid race with Leonard also showing up well in their 440 yards.

Plattsburg, N. Y., Jan. 25.—Roy McWhirter, of Chicago, tonight was leading the point winners in the senior events of the National Amateur Outdoor Skating Championship events at the close of the second day. He had a total of 80 points, while Chas. Jewtraw, of Lake Placid, was close behind with 70. McWhirter finished first in the one mile and third in the 440 yards dash, while Jewtraw, with whom he was tied yesterday, won the 440 yards dash but failed to be a point winner in the mile event.

Joe Moore, of New York, winner of the Canadian Amateur Championships at St. John, N. B., last week, and Russell Wheeler, of Montreal, who yesterday failed to win any points because of a collision, did not reach the finals in either senior event today.

Wesley Champagne, a local 13-year-old, who did not even have a reputation as a fast skater in his home town, surprised everyone by skating away from Jack Shea, of Lake Placid, and Raymond Murray, of New York, in the junior 230 yards dash. The final was always in the lead.

Orlie Green, of Saranac Lake, who won the junior 230 yards dash for 16-year-olds yesterday, was leading in the line up follows: Chatham—Eagles, goal; Currie, point; Duncan, cover point; McMahon, centre; Keough, left wing; R. Cripps, right wing; D. Cripps and Martin Lawlor spares. Shediac—C. McArthur, goal; Smith point; Webster, cover point; F. McArthur, centre; Thompson, right wing; McDevitt, left wing; L. McArthur, W. McArthur and Casey, spares.

SECOND DAY'S PROGRAMME OF SPEED SKATING AT PLATTSBURG

Jewtraw Won 440 in 39 Seconds — McWhirter Captured Mile in 2.49—William Logan of St. John Finished Third in Event for Junior 14 Year Olds.

POINTS FOR THE TWO DAYS: Senior—McWhirter, 80; Jewtraw, 70; Buengen, 30; Gorman, 20; Murphy, 20 and Donovan, 20. Junior, 16 years old—Reed, 60; Green, 20; Norton, 20; Bloomfield, 10; Smith, 10. 14 year olds—Finch, 60; Graves, 40; Parody, 10; Logan, 10. 12 year olds—Jack Shea, 60; Champagne, 30; Murray, 20; Leonard, 10. 10 year olds—E. Shea, 30; Spiegel, 20; Werner, 10.

By FRANK WHITE. Special to The Standard. Plattsburg, N. Y., Jan. 25.—While somewhat disappointed in our Senior races as to the final results, our representatives were by no means easy marks. Garnett is not in form at present, but will probably make better showing later, not qualifying in trial heats.

In the 440 yards, Gorman won two trial heats, but lost in the grand semifinal. He won his heat in the one mile and finished ahead of Joe Moore, who was fourth place in final.

Willie Logan qualified for his trial in the half mile, and gave a nice exhibition in the final, getting third place.

In the twelve year class Tebo skated a splendid race with Leonard also showing up well in their 440 yards.

Plattsburg, N. Y., Jan. 25.—Roy McWhirter, of Chicago, tonight was leading the point winners in the senior events of the National Amateur Outdoor Skating Championship events at the close of the second day. He had a total of 80 points, while Chas. Jewtraw, of Lake Placid, was close behind with 70. McWhirter finished first in the one mile and third in the 440 yards dash, while Jewtraw, with whom he was tied yesterday, won the 440 yards dash but failed to be a point winner in the mile event.

Joe Moore, of New York, winner of the Canadian Amateur Championships at St. John, N. B., last week, and Russell Wheeler, of Montreal, who yesterday failed to win any points because of a collision, did not reach the finals in either senior event today.

Wesley Champagne, a local 13-year-old, who did not even have a reputation as a fast skater in his home town, surprised everyone by skating away from Jack Shea, of Lake Placid, and Raymond Murray, of New York, in the junior 230 yards dash. The final was always in the lead.

Orlie Green, of Saranac Lake, who won the junior 230 yards dash for 16-year-olds yesterday, was leading in the line up follows: Chatham—Eagles, goal; Currie, point; Duncan, cover point; McMahon, centre; Keough, left wing; R. Cripps, right wing; D. Cripps and Martin Lawlor spares. Shediac—C. McArthur, goal; Smith point; Webster, cover point; F. McArthur, centre; Thompson, right wing; McDevitt, left wing; L. McArthur, W. McArthur and Casey, spares.

CHICAGO SCHOOL BOY SKATING TEAM Chicago, Jan. 25.—Participation in meets at Montreal, Toronto and Boston is planned for the Chicago school boys of the Canadian Amateur Skating League in the inter-city tournament to be held next month. It was announced today.

Fast Hockey Game Here On Saturday

New Brunswick Champions Will Battle With St. John Who Are Second in Western Section.

St. John hockey fans will be given a rare chance on Saturday afternoon to witness a star game, when the champion Sussex team will battle with the St. John senior players. Sussex is in the eastern section of the N. B. and P. E. Island league, while St. John is now in second place in the western section, and is composed of very fast players. Sussex won the New Brunswick championship last year, and is coming here on Saturday to play a game before they journey to Nova Scotia to play off with Antigonish for the championship of the Maritime Provinces. The Sussex champion team is made up of the same players as last year, and is said to be even stronger.

The St. Johns will have its strongest line-up for the game, and there should not be one dull moment from start to finish. The locals are doing all possible to place St. John on the hockey map again and should be given the necessary support by a large attendance at the game on the East End Rink.

The local team will turn out for practice this afternoon at 4:30 o'clock.

Montreal Chief Knocks A Fight

Montreal, Jan. 25.—Chief of Police Delagard stated this morning that last night's fight in the Mousser Nationale was the worst he had ever seen in Montreal. The fight he referred to was the bout between Soldier Davis and Eugene Broesevan. The chief added that the boxing game in Montreal is being killed by these rotten fights, and the sooner we have a Boxing Commission the better.

van, St. Paul, second; Edward Gloster, Toronto, third. Time, 2 minutes 49 seconds. Junior 12 years old 440 yards dash—Won by Wesley Champagne, Plattsburg; Jack Shea, Lake Placid, second; Raymond Murray, New York, third. Time, 47.34 seconds.

Junior 14 year olds, one-half mile race—Won by Earl Finch, Lake Placid; Ernest Graves, Saranac Lake, second; William Logan, St. John, N. B., third. Time, 1 minute 23 seconds.

ST. JOHN, N. B., THURSDAY, JANUARY 26, 1922.

THE REAL REACTIONARIES.

During the election campaign "reactionary" was a favorite mode of reference by the Meighan Government. As a matter of fact there are few words less applicable to the late Government's policies than the word "reactionary." No policy the Meighan Government ever propounded favored a return to dead and gone conditions; their leading policy was to let well alone, and permit such conditions as had made Canada so prosperous to remain untouched.

The Borden and Meighan Governments were responsible for several changes in methods of administration, but one and all were in the nature of improvements upon previous conditions. One of the greatest of these changes was the abolition of patronage. One has only to look back to the rainy days of the Laurier regime to find evidence in abundance of the evils arising out of the patronage system. Its abolition was one of the boldest and biggest acts of the old Government. Every administration since Confederation had promised to abolish patronage, but it was not until Union Government came to power that an honest endeavor was made to carry out an election pledge on the question. Patronage in the Civil Service was abolished by it lock, stock and barrel.

However, the Government never gained any credit for this progressive move. It is doubtful if it secured a single vote in Canada for its action in Ottawa the Civil Service, which gained most by the Government's legislation, actually voted against it. On the other hand, the abolition of patronage did much to break up political organization. The party worker, with no possibility of ever securing a job, no matter how small, lost interest.

Signs are now very apparent at Ottawa that the new Government contemplates an early return to the patronage system. The Quebec Liberals opposed in the House the abolition of patronage, and according to an announcement by Hon. W. R. Meighan, Minister of Agriculture, the Cabinet is going to lose no time in restoring it. If this is not "reactionary," it would be difficult to say what would be. It is to be the policy of the new Liberal Cabinet, what did Hon. Mackenzie King and the Liberal press mean by their protestations on the subject during the election campaign? Was it all by accident slipped trap? The Government was condemned because it was said to be handing out "shameful patronage." Now that the Liberals are in power and the spoliens are crowding to Ottawa, they suddenly discover that there is no patronage and that the old Government had actually and really abolished it. The heifers are real satisfied, and, according to Mr. Motherwell, patronage is to be restored with "the evils of the system eliminated," the said evils being wicked Tories.

The move to restore the patronage system can only be blocked by the union of the Conservatives and the Progressives. If ever there was need for an alert and active Opposition party at Ottawa, it is at the present time. The reactionary element of the Liberal party is in control, and unless Hon. Mackenzie King is a stronger and a more courageous man than he appears there will be a return to the old days when the rallying cry was "to the victors belong the spoils."

THE HEALTH ACT.

The Times has come to the conclusion that either political partisanship or ignorance is responsible for the opposition that is so prevalent in regard to the Public Health Act. We ourselves doubt very much if either of these alleged causes is the correct one. The real objection to the administration of the Act calls for the assessment of such large amounts of money, for nine-tenths of which no apparent benefit whatever accrues. No one is so partisan or so ignorant as to doubt or deny the necessity and importance of taking all measures calculated to preserve and improve the general health of the community; but rightly or wrongly the impression is abroad that the Act is far too full of fetters and fads, which all cost money, and that the actual beneficial service that it is intended to provide, could be provided very completely and effectively for less than half the money. Nearly ninety per cent of the amounts that the municipalities are asked to provide, is for salaries for an army of officials; and in the City and County of St. John public opinion leans very strongly to the view that equally good results were obtained under the old Board of

checking reckless drivers might be capably handled in Toronto through special efforts of the Transportation Commission, which, as a civic body, is interested especially in protecting the public from reckless drivers.

Booze-tongues in Toronto complain that their customers cannot pay for a bottle that is found necessary to charge if there is to be any profit in the business. This phase of the trade depression can be borne with calmness. The money the law-breakers do not get may be available for the purchase of non-contraband goods.

A Lynn (Mass.) young man complained that a girl upon whom he attempted to call had thrown him out of the house had torn his belt and slapped his face. The young lady explained that her parents had given the man permission to call but that she had not. Unanimous consent in such cases is always judicious.

WHAT OTHERS SAY

The Alternative is Collapse. (London Morning Post.) Lenin has one most effective reply to all his critics. The alternative to negotiations with the Western Powers is the collapse and extinction of Bolshevism. That is why Bucharin, the Cheka, Trotsky, and all the other smartwits must follow Lenin, reluctantly perhaps, to the House of Rimmon.

Quit in a Huff. (Detroit News.) The reason Lloyd George is still in office when all others of his contemporaries have passed into obscurity is because Mr. George fights and fights first. No one wishes to desert Mr. Briand's notable services to his country, and, indeed, to the world, for he has striven hard to bring his country's name before the world with a mixture of thought. The fact remains that he quit mad when he should have fought mad. It is the sixth time he has done that. Often enough, he has just outside the ranks of the really great.

In the Mist of Life. (London Daily Express.) We have been brought up to remember that in the midst of life we are in death. Does not the motor-omnibus that lined descendant of Bodicee's war-chariot remind us of it every day? We shall continue to get shaved, smoke cigarettes, cross Piccadilly, or drive the Champs Elysees with the same quantity of hot bed, yet, too many of us who suffer no ill on these accounts. If we stopped to reflect on all life's possible perils we should not get out of bed. Yet, when one comes to think, that is the most dangerous place of all. Do not most people die in it?

Subsidizing Culture. (Indianapolis News.) There is some question as to how good those subsidies do which amount to a tribute to foreign culture. Grand opera in many countries is the flower of a widespread desire for an emotional appeal in which the artist indulges. Plucking the flower at enormous expense, and exhibiting it for a minor purpose of aesthetic decoration, and a major purpose of ostentatious display and municipal glory, is not especially laudable, but the process leaves its stamp on the seeds of genuine culture, rooted in the people.

Forgotten in the Heat of Battle. (London Sunday Observer.) At the same time with the experience of the late war behind us, it is worth asking ourselves how much value there is in the rules of war which prohibit weapons not used in particular ways. Before 1914 there were elaborate codes of such rules drawn up at The Hague and signed by Germany; and after 1914 Germany never scrupled to break them without ado, whenever it served her purpose. Thus rules were of no value indeed, of less than no value. These were like a rotten rafter in a bridge, which is worse than no rafter, because it causes it to lean on it, and if you do it you will fall into the water.

What Will Polnare Do? (Brooklyn Eagle.) A destructive critic of government himself, Mr. Polnare is now in an exceedingly bright position. He must be constructive or he must go down. He is compelled to choose between the adoption of policies left uncompleted by M. Briand or "restraining" into new fields where France would find herself isolated from her former allies. He has already shown a marked preference for the former course, not because he has a real liking for it, but because he is obviously afraid of the alternative. He has always been the strongest in attack. Suddenly shifted to a defensive, with powerful enemies ready to aid in pulling him down, his future is cloudy indeed.

Britain and the U. S. (London Daily Telegraph.) The International Conference at Geneva which is the object of our own statesmanship to bring about the economic restoration of Europe would yield only advantages to America, and would be by far the more effective if this is not to be expected, and the best must be done to save the situation without it. A habit of mind cherished for more than a century is not to be thrown off at short notice. Its existence does nothing to impede the deep and intense satisfaction felt in the country in regard to the new warmth of friendly relations between the two great sections of English-speaking mankind.

Benny's Note Book

Me and Puds Simkins was both talking to Mary Watkins, Puds telling her compliments so she would think he was grate, saying, 'Hey Mary, I bet yours the smartest girl in school, I bet yours smarter than all the other girls put together, I bet. O I don't know, and Mary Watkins making a modest face. Me thinking, Puds that say, he's just trying to make a bit, that's all he's doing. And Puds said, Sure you are, Mary, every time the teacher asks a hard question yours the only one can answer it, you certainly are smart. O I'm not so smart, the others are so dumb, that's all, and Mary Watkins.

Me thinking, Aw how's that dumb guy know who's smart and who ain't? And Puds said, Well G, Mary, didn't I hear you test-cher tell our teacher that you get the best reports in the class? Sure I did, heley smooks, yours so smart it's a wonder you had to go to school at all. O I don't know, and Mary Watkins with a expression as if she didn't hardly believe it herself. Me thinking, G, that guy thinks he's grate, I wouldn't lower myself talking that way, G, I wish I could think of something to say to tell her. Which just then I did, saying, Hey Mary, do you know some-thing, I heard somebody talking about you and they said you looked just like Mary Pickford in the moving pictures, and I think you do too. O Benny, do you really, O I don't say that perfectly wonderfull, and Mary Watkins looking as if she believed it knockly, and Puds said, Aw, he just made that up. Puds Simkins, you just keep quiet, I don't speak to you, and Mary Watkins, And he keep on looking at me as if she thought I was much greater than was Puds was. Proving it don't matter if a compliment is true or not as long as the person is glad to hear it.

KINGS COUNTY CO TAKE ANOTHER PROVIDE

Council Votes \$1,000 Toward Erected at Hampton in M Who Fall in the World W

Special to The Standard.
Hampton, Jan. 25.—The Kings County Municipal Council took another crack at the Provincial Health Act today, and dismissed its former appointees to the Board of Health and appointed, in their place, three members of the Council who were instructed to curb the doctors of King County. Dr. Gilchrist was to spend money, Dr. Gilchrist was to spend money, Dr. Gilchrist was to spend money. It was decided to memorialize the Government to repeal the dog tax, so far as the county of Kings was concerned, and to assess the sum of \$1,000 toward the cost of a monument to be erected to the 104th Battalion, and other fallen heroes of King County, the same to be erected at Hampton. Estimates to the amount of \$31,000 were passed. The draft bill to amend the present rates and taxes on property was approved, but the draft of a bill to provide a superannuation fund for municipal officials did not meet with the favor of the councillors. The wardens, Councilor Gilliland and the County Secretary were appointed delegates to the 1922 meeting of the Union of New Brunswick Municipalities. A proposition to make the assessment for the care of pauper patients in the Provincial Hospital apply to the general county assessment, instead of the rates from which the patient came, was defeated.

Warden Gorham occupied the chair and all the councillors were in their places at both sessions today.
Morning Session
The council was called to order by the warden at ten o'clock.
The first business was a resolution, moved by Councilor Walton and seconded by Councilor Sear, that, in the opinion of the Council, it would be advisable to have the law requiring a tax on dogs repealed.
Councilor McAuley, in supporting the motion, said the reason why dogs had gone out of the sheep business was not because of the dogs, but because they did not fence property

I'm So Tired

Fatigue is the result of poisons in the blood. So when the kidneys fail to purify the blood one of the first indications is unusual and persistent tired feelings and pains in the back.
Neglected kidney troubles lead to years of suffering from rheumatism or develop into such fatal ailments as Bright's disease.
The kidney action is promptly corrected by use of Dr. Chase's Kidney-Liver Pills—the best known regulator of kidneys, liver and bowels.
Mrs. John Ireland, R.R. No. 2, King, Ont., writes:
"I was a great sufferer from severe rheumatism and kidney trouble. A number of remedies without obtaining any benefit until I was advised to use Dr. Chase's Kidney-Liver Pills. KINGS COUNTY COUNCILLORS TAKE ANOTHER RAP AT PROVINCIAL HEALTH ACT

Council Votes \$1,000 Toward Cost of Monument to be Erected in Hampton in Memory of Kings County Boys Who Fell in the World War—Estimates Passed.

Special to The Standard. Hampton, Jan. 25.—The Kings County Municipal Council took another crack at the Provincial Health Act to day, and dismissed its former appointees to the Board of Health and appointed, in their place, three members of the Council who were instructed to curb the desire of the board to spend money. Dr. Gilchrist was present at the morning session and paid his respects to the members of the Council who had made charges of extravagance in connection with the building of the municipal hospital.

It was decided to memorialize the Government to repeal the dog tax, so far as the county of Kings was concerned, and to assess the sum of \$1,000 toward the cost of a monument to be erected to the 19th Battalion, and other fallen heroes of Kings County, the same to be erected at Hampton. Estimates, to the amount of \$81,000 were passed. The draft bill to amend the present rates and taxes and to provide a superannuation fund for municipal officials did not meet with the favor of the councillors.

Mr. McKenna moved, seconded by Councillor Armstrong, that the bill be referred to the Finance Committee at the July meeting of the Council. Mr. McKenna declared the debate over. Mr. McKenna moved, seconded by Councillor Armstrong, that the bill be referred to the Finance Committee at the July meeting of the Council.

When the afternoon session opened, Councillor Sprout asked permission to refer to the much talked of Health Act, and the powers of the Board of Health, which, he thought, were misconstrued by a great many people, and this was confined altogether to the lay mind. He then read from the judgment of His Honor, Judge Barry, who, in that judgment, made the statement that it was a mistake to say the municipality had no say in the amount of money which the Board of Health could ask for, inasmuch as they appointed a majority of the members of the Board. This was true under the original act which provided that if the Board was composed of three members, the municipal council should appoint two, or if of five they should appoint three, but the amendment of 1919, the Government enacted that the district Medical Health Officer should also be a member of the Board and this made the Government and Municipal appointees even.

The present Municipal appointees, Messrs. O. W. Wetmore, M. L. A. S. and, therefore, could not keep their sheep at home. The motion carried, eighteen voting in favor and twelve against it. Councillor McKenna moved that Dr. Gilchrist who was chairman of the committee which interviewed the Government with regard to having the terms of Councillors changed from two to four years, be heard in connection with their mission. Dr. Gilchrist reported that the committee had seen the Government in regard to extending this legislation, but, as it applied only to the county of Kings, they would not bring it in as a Government measure, but would pass it as a private measure. As there was not time to have the bill prepared the matter was dropped.

He asked permission to say a few words in connection with the proceedings of the council on Tuesday. There had been some criticism and charges of extravagance in connection with the municipal hospital. It was quite true there had been tenders for between \$700 and \$800 for the work, but the Commissioners thought these figures too high for the work proposed and decided to do the job by day's work. After the work was started nearly twice as much was done as was originally intended, and this was the reason for the difference in the figures. The job was given to Mr. Glendinning, not because he was a brother-in-law of Mr. King, but because they knew he was a good mechanic. He also pointed out that Mr. Glendinning was a resident of the parish of Springfield, not of Queens County, so far as the lights and heating plant were concerned, these had been put in on the recommendation of a committee of which Councillor McAuliffe was chairman.

Councillor McAuliffe said he had not intended to cast any reflection on Mr. King, or to intimate there was anything improper in Mr. Glendinning getting the work, but he did think there was need for explanation when it was stated that a job costing \$1469 when a tender for \$785 had been turned down. Neither had he said that Dr. Gilchrist had switched a vote of money from the purpose for which it was voted to another.

Councillor McKenna said Councillor McAuliffe had indicated there was something improper in Mr. Glendinning getting the work, and that Mr. King had used his influence to that end and that Dr. Gilchrist had been the means of having a vote of money switched from one purpose to another. Councillor McAuliffe charged that Councillor McKenna was putting words in his mouth which he had not used. At this stage the Warden declared the debate over.

THE CAMEL AND THE NEEDLE'S EYE.—Brooklyn Eagle.

Mr. Viewelling and A. D. Murray, had, in his opinion, been remiss in their duties in that they had failed to keep in touch with the Council, and failed to regard their wishes in the matter of money, expressed by their action in refusing to assess for more than part of the amount the first year, and in voting nothing at all last year, and he moved they be removed from office forthwith. His motion was seconded by Councillor McAuliffe and passed unanimously.

Councillor Balfour moved, seconded by Councillor Hayes, that the sum of \$1,000 be voted for the purpose of erecting a monument to the fallen heroes of the 19th Battalion and other men from Kings County who had laid down their lives in the great war, this being one-fourth of the cost, the other three-fourths to be borne by Senator Fowler and the 19th funds. The motion carried unanimously.

On motion of Councillor Gilbert, the division of the assessment on the Parish of Rothsay, between the village and the rest of the parish, was made on the basis of \$100 on the village and \$60 on the parish. Councillor McKenna moved the appointment of Councillors P. M. Sprout, J. E. McAuliffe and Elias Keith, to the sub-district Board of Health for Kings.

Assessments Ordered. The assessments ordered were: treatment of patients in hospital, \$4,000; county school fund, \$12,500; contingent, \$8,000; patriotic fund interest and sinking fund, \$1,000; pauper lunatics, \$5,300.38; of the latter by parish was: Cardwell, \$628.10; Greenwick, \$487.50; Hammond, \$107.50; Hampton, \$1,016; Westford, \$215; King's, \$1,075; Norton, \$335; Rothsay, \$217; Springfield, \$287.10; Studholm, \$1,177.50; Sussex, \$482.50; Upham, \$107.50; Waterford, \$215; Westfield, \$107.50.

On motion it was decided to hold any semi-annual session this year. The Meadows Committee reported as follows: Sale of Hay on Grass Island, \$1,075; Plan Island, \$60; expenditure of \$65; leaving a net balance of \$1,075, and recommended that C. H. Gorham be the collector for Rothsay, and that the committee be authorized to build or buy a scow for the eastern side of the river. The report was received and the recommendations ordered carried.

The Warden read a letter from Robert Crawford offering for the sum of \$100 per month, provide special police protection for the summer cottages in the parishes of Rothsay and Westfield, two men being on the job all the time and stated he had been asked to take this step by a large number of the taxpayers of this district. Councillor Gilbert thought this should be a charge on the two parishes which he proposed, and that the whole county, and said he thought Rothsay would be willing to pay its share. Councillor Langley thought the Parish of Westfield would not get the worth of its money from only two men to cover such a large beat. Councillor McAuliffe moved the committee should be authorized to accept the offer for the amount of \$120 per month, and that the draft of a bill to provide for a superannuation of municipal employes was not approved.

The report of the committee who administered the relief fund for the Westfield fire sufferers, was received and ordered printed in the minutes. This committee spent \$583.37 for shingles, and the balance of \$1,000 was distributed in cash. The rate of pay for the collector of the Parish of Rothsay was fixed at six per cent, instead of the usual five per cent. The sum of \$94 was assessed on the Parish of Hampton for road damage.

Warden Gorham, Councillor Gilliland and County Secretary Oty were appointed delegates to the 1922 meeting of the Union of New Brunswick Municipalities. A large number of bills approved by the Finance Committee were passed for payment. Councillor Smith moved, seconded by Councillor Langley, that legislation be sought to provide that the assessment for the maintenance of pauper patients at the Provincial Hospital be made on the county at large instead of on the parishes as at present. Carried. The Finance Committee reported that four bills for constables appointed to watch property after the Westfield fire, had been cut down from \$12.00 each to \$10.00 each and they recommended this amount be paid and charged to the Parish of Westfield; and refused payment of three bills adopted. By this time the councillors had adjourned to the effect of the motion.

Salts If Backache And Kidneys Hurt. Stop eating meat for a while if your Bladder is troubling you. When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and lazy.

A Last Resort. Honora Greely once received a letter from a woman who said that her church was in distressing straits, and they had tried every device they could think of—fairs, donkey parties, moon marriages, etc. Would Mr. Greeley be so kind as to suggest some new device to keep the church alive? The old man replied: "Try religion."

THE WEATHER

Toronto, Jan. 25.—The weather has continued fair and cold from the Great Lakes eastward, while in Saskatchewan and Alberta, it has become quite misty.

AROUND THE CITY

St. John has had a stretch of zero weather ever since Monday with very little signs of change.

According to a report received in the city last night, the survivors of the steamer Mod, which foundered in mid-ocean a few days ago, are being brought to this port on the steamer Montclair and Malmore Head.

Notices have been posted in the Depot announcing to C. N. R. railway men the nomination of six railway employees for election to the Provident Fund Board on February 14th.

The C. P. R. Montreal train, due here at 1:20 o'clock yesterday afternoon, was bulletined to arrive at 3:50, running two hours and a half late.

A. Price, general manager of the C. P. R. eastern lines arrived at McAdam yesterday and conferred there with agents and other officials relative to business conditions.

Before the Public Utilities Commission yesterday morning representatives of the Sackville Electric Light Company, and Messrs. Allison University were heard in regard to a dispute concerning lighting charges.

Two young Portuguese, Alfred Lobes, and Alessandro Nunez were given in charge by Captain H. A. Flynn of the steamer City of St. Joseph, on the charge of being stowaways last night.

The first of a series of fortnightly dances for the members of the St. John Power Boat Club and their friends, was held in the club house at Marine Cove, last night.

The steamer City of St. Joseph, which arrived in port yesterday and anchored in the harbor, presented an unique and spectacular appearance.

The Daily News of St. John's, Nfld., Jan. 25th, notes that a song "When You Have Gone" composed by Mrs. Charles H. Ayre of that city and a sister of Julia Arthur, the famous actress, was sung at the Majestic Theatre by Miss Katherine Galloway and was favorably received.

F. B. Haskell, attorney of Portland, Maine, has written the common clerk of the city, asking for information regarding relatives of Mary Burns, who is now in Portland.

The growth of the congregation was marked, he said, by an addition of 20 families to the parish roll, and an increased enrollment in the Sunday School from 145 to 295.

He spoke of the great assistance he had derived from his wireless message, especially Messrs. A. C. Skeel, F. B. Schofield and Andrew Jack.

He commended highly the excellent staff in the Sunday School, the superintendent Geoffrey Sizer, Miss Laura Hazen, Mr. and Mrs. C. G. Kirby, Dr. was also present.

COMMON COUNCIL BUSY DISCUSSING ESTIMATES

If Proposal of Commissioner is Passed it Will be Necessary to Provide \$53,000 in Addition to Revenue from City Wharves to Pay for Needed Repairs.

The City Council yesterday discussed the estimates of the water and sewerage and harbor departments, and the proposal of the commissioner of harbors to increase the rate on the city wharves to pay for the repairs necessary during the coming year.

The net result of morning session was a suggestion that upwards of \$5000 be granted from the general fund and that further details of other items be forthcoming, together with an estimate of revenue from the new Spruce Lake main.

Regarding an item of almost \$5,000 for auto parts, he referred to the seven cars. Referring to gasoline, Mr. Sewell said several plumbers' furnaces and torches are also used by the department.

Superintendent Sewell was called in. He was asked to explain an item of \$3,000 for gasoline. He said the department had seven cars. He said the consumption is checked by the mileage.

He also referred to a contract entered into with the Nashuaak Pulp and Paper Co. regarding increased revenue from that company on account of the Spruce Lake extension.

At the social meeting, A. C. Skeel, the senior warden presented the annual statement for the past ten months, a most satisfactory one, and the report of the Rev. Archdeacon Crowfoot, gave a comprehensive and exhaustive report on the church's activities.

Two interesting events he said had transpired during the year. Ladies had been admitted to the choir, and had proved a valuable addition, and the 50th anniversary of the church had been observed by a jubilee celebration in August.

He referred movingly to the loss by death of two esteemed members of the congregation, Mrs. Vall, and Mrs. R. M. Hazen.

He spoke of the great assistance he had derived from his wireless message, especially Messrs. A. C. Skeel, F. B. Schofield and Andrew Jack.

John B. Armstrong Was Badly Injured

Injured While Fighting Fire in His Duke Street Home—The Building Was Badly Damaged.

The condition of John B. Armstrong, who was badly burned about the face and hands while fighting a fire which broke out in his home, 174 Duke street, early yesterday afternoon, was reported much improved at the General Public Hospital early last evening.

It is believed that the fire was caused by the explosion of an oil heater in the front room of the second story of the building, where Mr. Armstrong was lying on a sofa. Mrs. Armstrong, who was also in the room at the time, was removed by Mrs. Sydney Kerr, while Mr. Armstrong remained to fight the flames.

He had regained consciousness last evening, and it is believed that he will recover, although his advanced age will be an important factor to be considered.

He was picked up, and rushed out of the building, where when his serious condition was seen, it was realized that no time could be lost waiting for the ambulance, so he was rushed to the Salvage Corps car and pushed to the hospital, where he was treated by Dr. G. A. B. Addy.

The regular weekly meeting of the college Law Students' Society was held last night in the Law School building, with the president, Ralph G. McInerney in the chair.

Plans were formulated for the holding of a series of sessions of mock parliament, Government and opposition parties will be chosen and the first session of the house will be held on next Wednesday night.

Lectures for the second term at the law school began this week. All the students from outside points have returned to continue their work after spending the vacation at their respective homes.
