BEAVER BOARD
If you are building or going to build, please come and see our stock of Beaver Board. It is the best material for walls and ceilings in all classes of buildings. We carry a large stock in assorted sizes.

MAIL ORDERS
We collect out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how long it takes in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is impossible to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in our power to give prompt service.

ASSESSORS APPOINTED TUESDAY EVENING

Hanover Street Extension Up For Further Discussion—Other Business

A meeting of the Town Council was held in the Council chamber Tuesday evening. His Worship Mayor Andrew presiding. There were present Couns. McBeath, Quinn, Patterson, Alexander, Evans and Harquail.

Previous to the calling to order of the Council His Worship Mayor administered the oath of office to Couns. McBeath and Patterson, who were absent at the previous meeting. A communication from A. J. Conseau, bandmaster of the Campbellton Brass band stating in answer to a question, that the grant of \$100 had been spent for new instruments and uniforms, was read and on motion placed on file.

The clerk read the names of thirteen citizens who had requested the services of the town team for preparing ground for seeding.

After discussion Coun. Alexander moved that the Public Property and Streets committee be authorized to have the lots plowed and to have the necessary arrangements carried.

The following departmental accounts were passed:

Public Property and Streets. \$41.65
Shives Lumber Co., 58.86
Water and Sewerage. 44
L. C. R. 44
Canada Wire & Iron Goods Co., 148.50
Police and License. 1.00

John Tannier, 1.00
H. P. Doyle, 5.60
Electric Light. 2.08
Canadian Express, 5.70
McLennan Foundry, 1.80
Canadian Oil Co., 24.57
Palatine Insurance Co., 62.50
Can. Gen. Electric Co., 60.58
Graphic, .25
A. McG. McDonald, 1.85
Shives Lumber Co., 20.25
Finance. 76.00

John T. Reid, 7.25
National Typewriter Co., 7.25
Coun. McBeath of the Fire Protection committee reported some defect in the hose wagon which caused it to upset if turned sharply to the right. This was left to the committee to have repairs made.

On motion of Coun. Harquail Mr. F. M. Anderson was given permission to address the council.

Mr. Anderson set before the council the need of electric lights over the hill to Andersonville. He said that the residents of that section felt that they were not being fairly treated, and also he was losing tenants because of the lack of lights. Felt sure that if light was put in many of the residents would install them in houses. He also asked that the matter of over assessment of property on Aberdeen street be looked into. For some years he had been published as a defaulter and deprived of his vote because of this. A former Councillor had promised to look into the matter but had never done so.

Mr. Anderson was asked to put the matter in writing and lay it before the council when the matter would be enquired into.

Coun. Patterson reported in reference to the matter of the extension of Hanover Street to Athol and submitted the following proposition from Mr. Havelock Sansom:

To the Mayor and Councillors of the Town of Campbellton:

I beg leave to submit to you the following offer with respect to the extension of Hanover Street to connect with Athol street.

I will remove the buildings erected on the land and settle all claims with the estate of David Sansom, and give to the Town a deed in fee simple of sixty-two feet of land—the amount asked for—to enable the Town to complete the extension of the said street, all for the sum of nine hundred and eight dollars.

This offer is for immediate acceptance.

HAVELOCK SANSOM, Campbellton, May 8, 1917.

Coun. Patterson also read an offer from Dr. McNichol to sell a few feet of the side of his lot for what it cost him.

Coun. Harquail moved, seconded by Coun. Evans that the Town accept the above offer.

Coun. Patterson was not in favor of buying land for streets. So far as he was aware, with the exception of the Moores property, the land required for streets had always been given free by the owners. It opened up a bad precedent.

Coun. Alexander was not in favor of spending over a thousand dollars.

NO POLITICAL INTERFERENCE

Chief Prohibition Inspector Brands as False Attempted Misrepresentation

"Just as soon as I meet with any political interference in my work, I will let the newspapers know about it," said Rev. W. D. Wilson, chief inspector under the prohibition act, in speaking of charges which have been made in papers opposed to the present provincial government.

"On the recommendation of the temperance people of Restigouche, I recommended the appointment of the chief of police as the inspector under the act. Since then I have been told that he is an enthusiastic Conservative. I selected the vendors for Madawaska on the advice of the temperance people of that county, and I have been told since then that at least one of them is a Conservative.

MR. CURRIE IS SPEAKER

After the Graphic had gone to press we received word that Mr. Wm. Currie, M. P. F. had been chosen speaker of the Local Legislature which opened its session this afternoon.

MATAPEDIA RED CROSS.

The next Red Cross Meeting will be held at the home of Mrs. D. A. Lawlor on Friday evening, May 18th.

DIED AT MONTREAL

The death of Ester Ferguson, a native of Restigouche Co., and a sister of Conductor Wm. Ferguson of this town took place last week. The funeral was held here, interment being made in the Rural Cemetery.

to open up about a hundred feet of street, and he would vote against it.

Coun. Harquail stated that he did not think that this would open up any precedent and asked if there were any other streets in the town situated as this one is. In cases where land was given for streets it was to open up property for building on. The petition to have this street extended was signed by many of the heaviest ratepayers in the town. The Sanson offer was a reasonable one and so was Dr. McNichol's. He was sure that if the deal went through it would be approved of by a majority of the ratepayers.

Coun. Evans also spoke in favor of the extension and said the council should lose no time in accepting the offer.

Coun. Patterson moved in amendment that the matter be held over until the next meeting when it was hoped the full board would be present. The amendment was carried.

Coun. Patterson read an estimate of the cost of properly grading King street from Cedar to Prince William, and he was authorized to proceed with the work.

On recommendation of the Police & License committee Policemen Adams and Perry were granted an increase of \$5 per month.

His Worship Mayor Andrew was appointed a member of the Legislative committee of the Union of N. B. Municipalities.

Coun. Harquail moved that H. J. Currie be Assessor for Ward I.

Coun. Alexander moved in amendment that the Town Clerk, John T. Reid be Assessor for Ward I.

Coun. Quinn moved that Peter Jamieson be appointed Assessor for Ward II.—Carried.

The amendment was carried. Coun. McBeath moved that John L. LeBlanc be Assessor for Ward III.—Carried.

Coun. Harquail was given permission to burn brush on his lot on Bay View Avenue, under direction of the Fire brigade.

Coun. Alexander reported that a fire had started in the brush on the McMillan estate on the Hill. The present state of the property was a menace to surrounding property and should be cleaned up. He suggested that Messrs. Blyea, St. John be notified.

Coun. Alexander stated that he had copies of the St. John and Moncton traffic by laws which he would like the councilors to study as he wished to have a by law passed to govern traffic on our streets.

Coun. Alexander also stated that in accordance to directions of Council the By law and Legislation committee had interviewed Architect Brody in reference to preparing a set of building by laws. He had agreed to do the work for \$150.

The committee was authorized to have the work done.

The council then adjourned.

RESTIGOUCHE BOYS KILLED IN ACTION

Bravely Doing Their Duty in The Service of Their Country

As reported briefly last week more of our noble boys have made the supreme sacrifice while fighting for right and freedom in the trenches in France.

These young men, the best that our country could give have fallen, but their memory will ever live.

Pte. Judson P. Nelson, son of Mrs. Robert Nelson was a popular Sergeant in the 132nd Battalion. Shortly after arriving in England he volunteered for duty in France as a private and was sent to a famous regi-

JUDSON P. NELSON

ment. He served three months in the trenches, and at the charge of Vimy Ridge was killed, as many others of our boys were, in upholding the honor of Canada.

Jud. as he was familiarly called was the youngest member of the Nelson family, and owing to his quiet, yet jovial manners was beloved by the members of his family and liked by everyone who knew him. He was an employee of the McLennan Foundry & Machine Works previous to enlisting. He was just 21 years of age.

A brother Robert has been in active service in France for many months, but so far has escaped.

The bereaved family have the sympathy of all.

Through a telegram dated April 24th received from Ottawa, by Mr. Wm. A. Noble of Glen Levit, N. B. the sad news that his son Private Ernest Fairfield Noble, was killed in action, April 9th, reached him.

Private Noble enlisted in the 132nd North Shore Battalion and went overseas last September, after remaining a short time in England, he was sent to France, where he volunteered for the front. He was in his 24th year, a Presbyterian by birth, and a member of said church.

Highly respected and a favorite with his neighbors and those who knew him, the sad news of his death has cast a gloom throughout the Settlement.

SEED WHEAT NOW FOR OUR FARMERS

Government Has Procured 1,000 Bushels—Also Barley and Potatoes

Fredericton, May 7.—Hon. Mr. Tweeddale said this morning that the agricultural department had purchased in the west 1,000 bushels of wheat for seed purposes, and the C. P. R. had undertaken to deliver it in six days. The department had previously purchased 850 bushels of barley, 300 of potatoes. The potatoes and grain will be distributed from Moncton, Bathurst, Edmundston and Fredericton. Potatoes have been sent to points on the Intercolonial Railway where there is a shortage.

LOST TWO MARES

Mr. Narcisse Levesque has met with a severe loss in the death of two driving mares, one five years and the other nine years old. Both took sick at the same time and the vet. could do nothing for them.

YOU OUGHT

to try Zam-Buk for that skin disease of yours. If you have tried numerous other ointments without success—that is a case for Zam-Buk!

This wonderful herbal balm has cured many cases of skin diseases after other treatments had failed.

Mrs. Minnie Carmichael, of 72 5th Ave., Montreal, writes: "For a long time I suffered with wet eczema. I tried ointment after ointment without any benefit. Finally I went to a hospital for treatment, but even this had no effect. The disease continued as bad as ever."

"Then a friend recommended Zam-Buk, and I commenced using it. It was really marvellous how soon the healing powers of this balm became apparent. The inflammation and soreness were soon drawn out, the irritation was ended, and before long the sores showed signs of healing. Needless to say, I persevered, and I am thankful to be able to tell you that I am now completely cured. I should like you to publish my letter for the benefit of other sufferers, as everyone should know of Zam-Buk."

Zam-Buk is equally good for old wounds, ringworm, ulcers, blood poisoning, salt rheum, boils, scalp sores, piles, burns, scalds, cuts and all skin injuries. All druggists and stores, or Zam-Buk Co., Toronto. 50c. box, \$1.00. \$1.25.

SUMMER SHOES FOR MEN WHO WORK

Here is something new in footwear specially suitable for farmers, woodmen, millmen, trappers, laborers—all those needing strong yet light, cool, easy shoes. These are made on good fitting right and left lasts from our famous abandoned shoe makers.

Palmer's "Moss Head Brand" "SUMMER PACK" and "HARVEST SHOES" are light weight, comfortable, durable, working shoes for spring, summer and fall wear.

It is with deep regret that we announce the death of Pte. Angus G. MacDonald, Matapedia, formerly of Beside, Que. Pte. MacDonald enlisted with the 26th Battalion when the battalion was first organized and has been in the trenches for nearly two years.

The deceased was very well thought of throughout the whole Matapedia community and many sympathies are expressed to the family.

He is survived by his mother Mrs. Hannah MacDonald and three sisters, Clara, Lula and Doris two brothers, Neil and Bruce, the latter serving his country at Saloniki.

Plans Completed for the Establishment—Will Contain One Hundred and Fifty Beds.

The plans are about completed for remodeling and renovating the old Government House at Fredericton as a convalescent home for returned soldiers.

The building when completed will contain about one hundred and fifty beds, and the regular living rooms, including the nurses and orderly quarters. Every facility, modern and scientific, will be used in the interior arrangement of the new home.

DALHOUSIE

The sad news was received here last week that Private Harry Carter had been killed in action on April 9th. This popular young boy of 18 years enlisted here last winter in our North Shore Battalion. He trained here and at Valcartier and then proceeded overseas with his battalion last summer.

In the same action one of the comrades of Pte. Carter fell, Private Howard Callahan one of the boys of the 132nd who enlisted here from Jacquet River. He also volunteered at once for active service and upheld the traditions of the "Canadians" through the hard winter fighting, and went down fighting gloriously.

The families of both these boys have the sympathy of all in their sad bereavement.

NEW CARLISLE

The G. K. C. met at Mrs. J. A. LeBrocq's on Monday, April 30th. Nineteen members were present. Receipts of the evening amounted to: Donations \$1.00, Fines .35, Total \$1.35.

The next meeting will be held at Mrs. John Gilker's on May 14th.

A special meeting was called on Friday at Mrs. W. L. Kempfer's to pack up parcels. The following were sent: Bert Allison, Dominique Arsenau, Henry Arsenau, Willie Battle, Ben Caldwell, Lionel Caldwell, Percy Chisholm, Everett Cooke, Gordon Fraser, Richard Flowers, Charlie Gilker, Claude Hall, Basil Hamilton, John Jacobson, Guy Kempfer, John LeGace, Frank LeGresley, Charlie LeMaitre, Dewey Smollett. Others will be sent as soon as possible.

The deserter was formerly a military policeman.

The above deserter joined the Forestry Battalion here, signing up with Recruiting Officer, A. McG. McDonald, and was billeted. Shortly after they signed on Mr. McDonald discovered that they were deserters and notified headquarters and guards were sent from Amherst to take them in charge.

The two young men did not even give fictitious names, and seemed quiet, inoffensive lads.

AMHERST DESERTERS

Amherst News Publishes Fantastic Story of Arrest—Had Joined Forestry Co.

The Amherst News says: "Leonard Peever, the Returned Soldier of the 207th Ottawa-Carleton Battalion, will be granted the D. C. M. This D. C. M. is no medal, but means District Court Martial. In reality it is not a question of granting; he gets it."

"Three times has Peever deserted, and as many times has been recaptured. Certainly an expensive soldier for the guards have journeyed all the way between Montreal and Amherst to lay hands upon him. His last escapade caused the most excitement, for he held up the Sergeant of the Guard with a revolver, and forced him to open the barracks door, while he and two comrades made their getaway. Brooks, the other deserter was also captured. "Bill" Richards is still at large."

"Word was received yesterday from Newcastle that Peever and Brooks were located there for the time being and immediately an escort, started out for the New Brunswick town. After a conference with the Newcastle police, the 207th soldiers started out on the trial of their former comrades. The precious pair were discovered in a boarding house. Peever had on a railroad fireman's suit over his uniform, while Brooks who was arrayed for speed, had abandoned his khaki. Both had secured jobs on the road. The trailer knew that Peever was armed. They took good care that he had no chance to pull his gun. On entering the room he reached under the clothes, and the bunch jumped him. Subsequently they found that he was only hunting for his trousers. Yet on hunting for his weapon, it was discovered carefully holstered in the leg of the nether garments, where it would escape a casual search."

Peever and Brooks were brought back to Amherst and have since appeared before Lieut. Colonel McLean. A court martial will be held it is understood, as soon as the same can be convened.

CO. COUNCILLORS ASKED TO CO-OPERATE

Director of National Service Writes Letter to Each Councillor in N. B.

The following letter was sent to every County Councillor in the Province:

Dear Sir— Might I ask for your warmest sympathy and co-operation in regard to the following matter of National Service to our country.

You are well aware of the shortage in food supplies—especially in farm produce—in the Mother country and to some extent in this country. As each week passes the stringency in the food market becomes greater. It is absolutely necessary, therefore, that every effort should be put forward by the farmers of our Province to increase their output during the coming season, and an organized effort should be made throughout the whole Province to bring about this result.

The Dominion Minister of Agriculture has made a general appeal to the farmers of Canada to bend every effort towards increased production and I am now writing you this personal request on behalf of the National Service Board of Canada that you will, as a representative of the people in your own district and community, kindly call the farmers together in your district and ask them as a matter of National Service and in the interests of their country to bend every effort towards increased production for the coming year.

I quite appreciate the fact that there is a shortage of farm help and labor but England and France have had to meet with the same difficulties. I trust arrangements may be made by the National Service Board to secure the services of a number of men (who have volunteered for overseas and who are physically unfit) to assist the farmers in the spring seeding and fall harvesting. We could also secure, I think, quite a number of volunteers for such work from city or town, men who would perhaps turn to for their holiday period either in the fall or spring.

Will you be good enough to advance this movement all you can and as soon as possible in the interests of National Service. I should highly appreciate any practical suggestions from you in support of this movement.

Yours very truly,

Mr. Jas. Miller of Port Daniel returned home this week after visiting his daughter Mrs. W. J. Jardine.

DEATH OF MRS. R. HAMILTON.
The death of Mrs. John R. Hamilton occurred on Friday, April 27th, at the home of her daughter, Mrs. John Newington, South Dartmouth, Mass. Mrs. Hamilton formerly resided at Eel River Crossing, N. B., and was 77 years of age. Three sons and three daughters are left to mourn her loss. The bereaved are: J. and E. Hamilton, Eel River Crossing; E. Hamilton, Campbellton; Mrs. Wm. Gould, Dalhousie; Mrs. C. Smith, Bathurst; Mrs. J. Newington, South Dartmouth, Mass. The funeral took place on Wednesday, May 2nd, at 2 p. m., from the residence of her son, Mr. James Hamilton, Eel River Crossing.

BRUSH FIRE.
A brush fire supposed to have been set by a tramp caused some alarm on the Hill Tuesday morning. The fire brigade was summoned and extinguished it before it had gained much roadway, although it spread in close proximity to the residence of F. E. Shepherd. Piles of dead brush which have never been cleared off since the woods were burned through in 1910 one a serious menace to the property in the vicinity. The owners of the property should be notified to put it in proper condition.

DUSTY STREETS.
The streets are very dusty and need the services of the watering cart.

BORN.
On Monday, May 7th to Mr. and Mrs. W. W. Cool, Campbellton, a daughter.

STEAM FERRY RUNNING.
The steam ferry was launched Thursday afternoon, May 3rd, and is now making regular trips.

PREPARING FOR NAVIGATION.
The gas buoys are being recharged and made ready to be anchored in their usual summer stations.

SCHOOL BOY FARMING.
The Government has offered seed, at cost, to school children who cultivate land. This should encourage our boys and girls to plant gardens this year and thus help with the war.

TO DALHOUSIE.
Mr. H. J. Currie ran his car from Campbellton to Dalhousie and return Tuesday, the first through trip of the season. The roads are a little rough, but good time was made.

DIED FROM WOUNDS.
Mr. F. J. King of Campbellton on Monday evening received the sad news of the death of his son, Lieut. J. J. Wallace King, which occurred in England on April 27th. He enlisted as a private not caring to wait for a commission. He was wounded in France on 27th of Sept. last, and later removed to Shorncliffe Hospital in England where he remained until his passing away.

PLEASANT RECEPTION.
The congregation reception to Rev. and Mrs. Barnes was held in the basement of Christ Church, Friday evening was a most pleasant affair and was largely attended. A program of musical numbers was rendered by Miss Mowat, Mr. Chaston, Mr. Jones and Mr. Mallen. Mr. Chaston on behalf of the Wardens and Corporation delivered an address of welcome, to which Mr. Barnes replied on behalf of Mrs. Barnes and himself. Refreshments were served and a pleasant social evening spent.

EARNING GOOD MONEY.
A good record for a four-year-old cow was set in Ontario in 1916. She was 12,985 pounds of milk and 456 pounds of fat; she earned \$206.86 for her owner. Yet close by her were many cows that did not bring in one hundred dollars each in the same time, some earned even less than that. Dairy records discover these facts and help owners to discriminate, to see that cows are handled so as to give the best possible pay any dairyman to test each of his cows. There may be one or two in your herd capable of great development. A few minutes per cow per month spent in weighing and sampling will give most valuable information on which to build up a better herd. Drop a line to the Dairy Division, Ottawa, asking for milk record forms, either three days or daily. They are free; the keeping of records helps to increase your income.

KILLED IN FRANCE.

Many friends in St. John did not realize when they read on Saturday of the death in action of Wm. S. Gray, whose wife has been living at Victoria Mills, that that young man was really a resident of this city. He was a son of the late Walter Gray of Campbellton, but had lived in St. John since early boyhood. He formerly worked with T. McAvity & Sons, but after his marriage moved to the state of Maine. He came home again to enlist and went over as a bugler with an infantry battalion, but spent only a day and a half in England, going at once with a draft to France to join a famous New Brunswick battalion. He was one of the heroes of Vimy Ridge.—Telegraph.

The deceased was a nephew of Mr. Wm. P. Gray of this town.

BLACK CAPE.

Many friends of Mrs. Abraham Carey will regret to learn of her recent accident which will confine her to her room for some time. Miss Bella Campbell is at present in Campbellton. Mrs. Benjamin McColl left last week for Bathurst.

SICK WIFE'S STORY SUR- PASSES CAMPBELLTON

The following has surprised Campbellton: A business man's wife suffered from dyspepsia and constipation for years. Although she dieted she was so bloated her clothes would not fit. ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Adler's-ka relieved her INSTANTLY. Because Adler's-ka empties BOTH large and small intestines it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. A. McG. ALL SHOULD HELP.

The steps taken by different government bodies in New Brunswick to stimulate production of food stuff should have the hearty co-operation of every citizen. All should do their duty in this respect.

In the town of Campbellton there are many vacant lots which could produce if properly cultivated. The civic authorities have generously offered the use of the horses to plow these but out of the whole town only thirteen applicants signified that they had lots to plow and many of these were not the particular class of people that it is desired to reach.

Every head of family should make an effort to secure a piece of ground upon which to raise enough vegetables for his family's use. If there is no such ground about his home he should apply to some one who has a vacant lot and who is not going to use same.

Any person having ground that they cannot use should make the fact known so that those desiring same may know to whom to apply. The Graphic's columns will be open for this purpose.

There is yet plenty of time for planting potatoes and many other vegetables and we hope many more applications for plowing will be sent in to the town clerk.

Let every citizen do his or her best to increase production this year.

SAWDUST.

Plant vegetables at home. If you have no ground to plant, get into partnership with your neighbour. Buy at home all the time.

The Crisis!

Untold sacrifices are being made in defence of the world's liberty, assailed by the Hun, who declares he fights for "existence." Let us not forget that other crisis in which the fate of the dread Liquor Traffic, subdued just now by the necessities of war, is also fighting for existence.

Prohibition must be impregnable fortified now by means of proper enforcement in readiness for the struggle to come when Prohibition must be finally ratified or lost by the votes of the people in many provinces, including New Brunswick.

Alberta, Saskatchewan, Manitoba, Ontario, Nova Scotia and New Brunswick have adopted Prohibition during the war. Prince Edward Island has enjoyed its benefits since 1901. The great majority of districts in Quebec are "dry." That is the situation to-day, but remember, the crisis comes after the war.

The total value of foodstuffs destroyed by the liquor traffic in 1916 was approximately \$4,244,090.22. Add to this the immense waste of transportation facilities, clogged and hindered by carrying the grain to destruction, and again conveying the product of the breweries and distilleries to make precious men less efficient in this solemn hour!

Ontario's Splendid Record

Since September 16, 1916, Ontario has enjoyed good enforcement of Prohibition in all but a few districts. Not the most daring anti-prohibitionist hopes for a return of the curse of the traffic in Ontario. Here are some figures showing results in Ontario's largest cities for the last three months of 1915 and 1916:

	ARRESTS FOR DRUNKENNESS	
	Under License 1915	Under Prohibition 1916
Toronto	2,908	953
Ottawa	286	234
Hamilton	498	61
London	367	144
Brantford	152	16

Note.—"It will be noted that Ottawa has not much reduction in arrests for drunkenness. It is perhaps strange that it should show any reduction in the drunkenness record, inasmuch as it is separated only by the river from the license city of Hull."—PIONEER, Toronto.

Whether your district be under the new Provincial Prohibitory Law, or under the Canada Temperance Act, help us to arouse the full force of public opinion for vigilant enforcement of province-wide Prohibition.

PATRIOTISM

is a country's biggest asset, but patriotism should begin at home,—in the town you live, in your native province. This is an appeal for a practical patriotism that will make the people of this community realize that they have neglected their own town in looking at the larger national problem.

Practical patriotism demands that we devote ourselves to the advancement of our community; if all the people do this, we shall have a big country and not a few big cities. We must patronize our home industries and above all, if we are to make our community a large, prosperous and attractive one in which to live, we must support OUR OWN LOCAL STORES. We must buy our goods from our own community merchant that we may have big, attractive shops, and a PROSPEROUS town. Patriotism demands that we "buy at home" and insists that we instigate a "BUY-AT-HOME" Campaign.

The folly of buying goods wherever offered so long as they were cheap has been realized by Great Britain. For years she bought her dyes from Germany because the German dyes were cheaper. The result was her own dye factories were ruined. But when war broke out, no more German dyes could be obtained and British factories worth billions were helpless from lack of dyes. Britain needed practical patriotism.

In the same way, the buying of goods away from home is proving a serious menace to your community and your province. Your merchants feel it keenly and stagnation is bound to come to your town if the people persist in buying anywhere but at home. In some towns of this province the effects are already apparent. The danger is a real one. Are you practical enough in your patriotism to see that your duty is to "BUY-AT-HOME"? This is part of a big, earnest campaign of appeal to the people of this province to "BUY AT HOME."

To realize the danger you must consider your community as if it were a country. It was realized in practically every country in the world that if people were given permission to buy wherever they thought they could buy cheapest, that the result would be prosperity for some and poverty for others. The result was each nation put up a high tariff wall. That is, each nation said to the other, "If you try to sell goods to my people, I am going to charge a heavy duty and make it so expensive to buy your goods that people at home will buy only home made goods." They did it. And the result everyone knows. This policy has built up enormous industries in Canada so that we have kept our money at home and have become a rich nation.

The community is the nation in miniature. We cannot put up a high tariff wall to protect our own merchants, but we can appeal to the high sense of patriotism among our people. That high sense of patriotism will show them the permanent advantage of buying from their own town merchants and demonstrate the weakness of buying from other cities, for a possible temporary advantage.

Practical patriotism then demands that we patronize our home industries, that we buy from our home merchants. Just as, nationally, we have seen the folly of sending out of the country all our money, so municipally, we can now see the menace of sending thousands of dollars yearly out of our own communities to buy goods in distant cities. The spirit of patriotism says that we shall BUY AT HOME. And this an appeal to that spirit, an appeal to the patriotism of the people of this community to buy their goods at home and build up their home town.

BUY AT HOME IS THE SLOGAN

Say it over, BUY AT HOME.

Everybody, BUY AT HOME.

This is the great BUY AT HOME MOVEMENT

Wincarnis is a tonic, a restorative, a blood-maker, and a nerve food. It is all in one. Therefore it promotes strength, new blood, new nerve force and new vitality. That is why over 10,000 doctors recommend Wincarnis. And it is also the reason why you can take Wincarnis with the easiest knowledge that it can give you new health. If you are weak, Wincarnis will give you new strength. If you are anemic, Wincarnis will give you new rich red blood. If you are nervous, Wincarnis will give you new nerve force. If you are run-down, Wincarnis will give you new vitality. Wincarnis has been famous in Europe for a third of a century. Thousands have testified that it has restored them to health and strength. Don't confuse it with the many inferior preparations of apparently similar nature. Buy Wincarnis itself, the tonic that has been successfully initiated for 33 years.

GASPE

Gaspe Loses A "D. C. M."

It is with heartfelt sympathy that we announce the death of Pte. Leo LeBoutillier, who died of wounds on April 18th, 1917, in France. He was the youngest son of Mr. and Mrs. G. S. LeBoutillier of Gaspe Harbor, Que. Pte. LeBoutillier enlisted in the V. R. C. 24th Battalion on November 1st, 1914, and entered the Signalling Corps of that Battalion. After a few months training in Montreal, he crossed over to England in April 1915, and whilst completing his military training in that country was transferred from the Signalling Corps to the Scout Section; and on the 15th of September 1915 he entered the trenches in the battle-field of France with his Scout Section (the Scout Section is considered one of the most hazardous sections of the infantry regiment).

WOMAN ALL RUN DOWN

Made Strong and Well By Vinol

Waynesboro, Pa.—"I was all run down after a hard spell of bronchitis so it was hard for me to keep about. I had pains in my chest and took cold easily. A friend asked me to try Vinol. I did, and it built me up so I am strong and well and I am able to do my housework which I had not done for three months before taking Vinol."—Mrs. Y. R. HOSKINS, Waynesboro, Pa.

Vinol creates an appetite, aids digestion, makes pure blood and creates strength. Your money back if it fails.

ment. It was with great pleasure, and not with astonishment, as Pte. LeBoutillier was continually distinguishing himself for conspicuous bravery and excellent service, that Gaspe received information announcing that Pte. Leo LeBoutillier had won the much coveted and honorable award of merit called the "D. C. M." for bravery on the field of battle. Owing to his continued good work at the front, he was awarded a commission in the Flying Corps, and was going to return to England to take up a course of instruction in this section, when he was mortally wounded on April 18th during severe fighting and was transferred to a field hospital; but his wounds were so fatal that Pte. LeBoutillier passed away on April 18th. His death is greatly felt by the whole of the Gaspe community, as he was regarded by all who knew him to be a thorough sportsman and a man of sterling quality and strong determination; he has proved himself perfectly worthy of these excellent qualities by his past record of bravery at the front. Pte. LeBoutillier was the first Gaspe boy to enlist for Overseas Service, and has certainly stood a strong test during his long stay in the battle-line. The Gaspe people are proud of the fact that Pte. LeBoutillier was a Gaspe boy, and of the honorable manner with which he upheld the glory of his Country by giving his life. The entire populace of this town extend their deepest sympathy to Mr. and Mrs. G. S. LeBoutillier and family, in their very sad bereavement. Memorial Service in honor of the late Pte. Leo LeBoutillier was held in the Roman Catholic Church on April 27th, and the service was attended by a large gathering of relatives and friends.
