Warming-Water for Farm Animals

WOMEN'S COLUMN

One Good Samaritan

i by Members of Sackville W. C. T

The question, Does it pay? has been propounded to several dairymen who have warmed the drink for their George Reutledge, the well cows in cold wea her, and every one has answered, Yes. How could the John Groenleaf Whittier, the answer be etherwise? If the water is

The members of Sir John Macdenald's family whose death has recently been recerded was his sister, Miss Loiusa Macdonald, of Kingston, not his daughter, as many people have supposed.

The Island Farmer publishes a statement of the exports from Summerside this season, which shows the values to be: Horses, \$107.167; sheep, \$40.789; eggs, \$84.120; eyesters \$32.667; tetal \$264.752.

These persons had done no wrong there \$32.667; tetal \$264.752.

These persons had done no wrong the safety farmed over it some distance. Eighty-one miles have been completed from Tien-Tsen to Lutal and Tengahan, with five miles of sidings and bound the size of an egg, and boul until it becomes brittle when dropped from a spoon into cold water. Pour into buttered pans, and sever with the back of a knife when half cold.—Island from the loss to him, how he had though the officers were told that removal would be probably fatal to a sick child.

These persons had done no wrong they had not refused to pay rent not carry out any contract. They had bought land of men who had not clear title to it. A struggle in the fullest sense of the word as he seems to be?

The reperts of evictions in Ioward redeaths size, the loss of him, how he had the loss to him, how he had the loss to

Cultivating Colt Courage.

are making efforts to induce traders to visit Halifax to make purchases between the 21st and 28th inst., and abuse. If he often receives blows them in the hotel safe, but himself the Intercolonial Railway will issue the fear of them is uppermost; and and his soul, so much more valuable, any unknown noise is imagined to were in constant danger. Bennett Smith & Sons have contracted with J. B. North, of Hantsport, N. S., for the building of a large ship, to be completed early next season. The dimensions are—keel, 215 to 220 feet; beam, 42 feet; depth of hold, 24 feet. Prebable register, 1700 tons.

—The Vatican notifies the former

any unknown noise is imagined to be a coming burt, to e-cape from which is an uncentrollable impulse. The man who abuses his horse is often rewarded by the destruction of the meantime many of our party, including my husband, had returned, so, somewhat disconsolately, I strayed into the parlor one morning, only to meet the Judge. Such as self, the result of runaways. But when the courage of the colt is developed, it is not nearly so likely to run away, though it be hampered with blinds or abused by a cruel mass.

—The Vatican notifies the former with blinds or abused by a cruel mass. from taking part in elections. At a conference of the Sacred College, at which the Pope presided, it was decided to allow Catholics entire liberty of action.

The gold mining men of Nova Scotia are agitating for a Dominion assay official at Halifax, so that promote the professional assay official at Halifax, so that promote the professional and training requires firmness, and the professional and training requires firmness.

The condition of the celt has an hospital till cured, and asked me to search out some such haven of refuge for his infirmity. Most unwillingly he becoming dignity, ruling always with the greatest deference for the proprieties, and taking apparently great in terest in the point at issue.

The trial lasted for two days, both sides then summed up, and, in accordance with the usual custom, each of the counsel requested that the sould be trained, not broken; and training requires firmness, and training requires firmness.

The country to which his honor listened with becoming dignity, ruling always with the greatest deference for the proprieties, and taking apparently great in terest in the point at issue.

The trial lasted for two days, both sides then summed up, and, in accordance with the usual custom, each of the counsel requested that the sould be arranged and training requires firmness.

Sould Celt Has an obstitute of the country to which his honor listened with the createst deference for the proprieties, and taking apparently great in terest in the point at issue.

The trial lasted for two days, both sides then summed up, and, in accordance with the usual custom, each of the country to the cou adelphia mint before their value can be ascertained. The warped by anger is not fit to train town. Even then I dared not trust warped by anger is not fit to train a colt. As abuse will make it coursissandly entired as the landing I knew stood was look of ineffable disgust crossed his said, be very much greater this winter than last season. Very large quantities of supplies have been sent up. This year pay is from \$18 to \$26 per month, and the supply of men.

warped by anger is not fit to train a colt. As abuse will make it coursissand to town. Even then I dared not trust him alone on the boat, for its bars boldly entired such as he, and then is acolt. As abuse will make it coursissand to will make it coursissand to will be acolt. As abuse will make it coursissand to will be acolt. As abuse will make it coursissand town. Even then I dared not trust him alone on the boat, for its bars boldly entired such as he, and then grown the landing I knew stood aries before him and remarked: 'You fellers mus think I'm the blamedest own. Even then I dared not trust him alone on the boat, for its bars boldly entired such as he, and then fixed his eye upon the legal luming aries before him and remarked: 'You fellers mus think I'm the blamedest own. Even then I dared not trust him alone on the boat, for its bars boldly entired such as he, and the landing I knew stood aries before him and remarked: 'You fellers mus think I'm the blamedest own. Even then I dared not trust him alone on the boat, for its bars boldly entired such as he, and the landing I knew stood aries before him alone on the boat, for its bars boldly entired such as he, and then its provide disputed to both in a colt. As abuse will make it courseless to boldly entired such as he, and then I dared not trust him alone on the boat, for its bars boldly entired such as he, and the landing I knew stood aries before him alone on the boat, for its bars boldly entired such as he, and then I dared not trust him alone on the boat, for its bars boldly entired such as he, and then I dared not trust him alone on the boat, for its bars boldly entired such as he, and then its provide its boldly entired

over appetite, a minister who himself calls the cup "one of God's good creatures;" and he spoke as though nothing was easier than to set a watch on one's lips. I know of two Chris John Groenleaf Whittier, the answer be stherwise? If the water is not warmed for the animal, it must warm it itself. In the stomach the lady not even a member of our world.

ow the snow is on the ground,
And the frost is on the glass;
ow the brook in ice is bound
And the great storms rise and pass,
ring the thick, gray cloud;
Toss the flakes of snow;
et yeur voice be hearse and loud,
And blew, wind, blow!

Blow, Wind, Blow!

Them our day in school is done Out we come with you to play.
You are rough, but full of fan,
And we boys have learned your way.
All your cuffs and slaps
Mean me harm, we know;
Try to snatch our coats and caps,
And blow, wind, blow!

You have sent the flowers to bed;
Cut the leaves from off the trees;
From your blast the birds have fled;
New yea do what you may please.
Yes; but by and by
Spring will ceme, we knew.
Spread your clouds, then, wide and high,
And blow, wind, blow! -Eudora S. Bumstead in St. NICHOLAS

A Double Wedding.

A Double Wedding.

Almost everybody knews old man Stringfellow. He is a tall, lank personage, with shoulders like a dromedary's. His face is long, like that of a horse, and he has black hair, streaked with gray, on his chin. Old man Stringfellow wears neither mustache nor whiskers, besiden, with a tuft of the same on his chin. Old man Stringfellow wears neither mustache nor whiskers, besiden yery particular te shave himself at least twice a week, undergoing some pain, and twisting his long face into all manner of contertions. Which are circus clews would give ship the eperation, owing te the stiff nature of the erop he is resping and the dellness of the instrement with which he works. He seldem wears a ceat, going in his shirt-sleeves summer and winter, eally changing the garment of woel as the seasens vary—his jean pantaloons being hoisted up with suspenders—galluses he calls wedding.

A Double Wedding.

"Yes," he replied, still looking musingly at the fire; "the marrige giarments heve been prepared an' the giarment a honored and without doubt be peopled.

As I was in no particular hurry I concluded to accept an invitation so the formy a visit frem his return home. What had w ASH. ing him look, at a little distance, host. "H

New Goods!

I tainment of myself and heast—which had been led off by one of the boys to share the stable of the shaggy pony—se I let the ripple of my talk flow in a continuous current, turning on my inventive valve at the same and to be highly delime, to give a sparkle to plain facts indispensable to make them enjoy.

The contract of myself and heast—which had been led by the been dead to be highly delime, to give a sparkle to plain facts indispensable to make them enjoy. keeping the jedge on the right track, and the court was about to be ad-

sble.

During the evening I gathered from the whispering and giggling going on among the young folks that there was some mystery affoat—something in which they all seemed more or less interested—and when they had gone to bed (the old woman had retired immediately after supper, getting into one of the beds without my know ing anything about it until I heard her snoring) old man Stringfellow enlightened me after a rather peculiar fashion of his own.

"Well, stranger," he said, "I disremember your name. I reckon you'll stay."

I had already told him my name half a dozen times, and he had as often disremembered it, so I did not the steam was up, when he wents the steam was up, when the steam was up, when the steam was up, when the steam of the propriety of comply of comply larger of comply larger of comply larger of comply. So, so mother than the alteriate the propriety of comply larger of comply larger of comply larger of comply larger of comply being the first and learn what a wonderful thing it is to be in the authing it is to be in the lift it is to be in the illing it is to be in the authing it

half a dozen times, and he had as often disremembered it, so I did not repeat it, but told him I proposed to stay—a fact which I suppose he was already cognizant of.

"Yes," he said, rubbing his long jawbone thoughtfully, "I 'lowed yer would, an' I'm glad uv it; yes, I am; fur the mo' comp'ay the better on fur the mo' comp'ay the better on the last of the front while the stam was up, when he went through the usual formula in a disjointed way and immediately collapsed and was put to bed, where he lay snoring through all the noise, made by the young people, only shouting out occasionally, "Silence in the mo' comp'ay the better on co'rt."

which is roomy enough, he and Mrs.

replied Stringfellow. "This here's printed in green, and who writes

witided as to sex. Is the room, which is roomy enough, he and Mrs. Stringfellow occupy one bed, and the three girls—Namay, Gin, for Jane, and Merier—asselher, and bore all the cooking is done is the wide clay fireplace of the stick and mud chimney. The shed attachment accommodates the beys, Bill, Ben and Jim.

Occasionally a belated traveller will stop at the Stringfellow mansion and ask for a night's ledging. He will be invited to "light an' come in." and when he has done sewill be treated with primitive hospitality.

These people are peor and uneducated, but there is a spirit of independence about them that nothing cated, but there is a spirit of independence about them that nothing razor backs come home, to pick up a light fait in the field after the crop is garnered, and then pay tribute to the larder, they care not for king nor kaiser. They never treat anybody, no matter who he may be, es anything more than an equal, and
