The copy filmed here has been reproduced thanks to the generosity of:

Department of Rare Books
and Special Collections,
McGill University, Montreal

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shell contains the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Department of Rare Books
and Special Collections,
McGill University, Montreal

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon la cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

In presenting this, our annual Catalogue of publications, we cannot refrain from admitting that in the present days book-reading is going out of fashion, a most deplorable fact, yet, nevertheless true ; it being largely substituted by the flimsy magazine, dime novel and light newspaper reading, despite every kind of inducements held out by Catholic publishers. Our youths and young men are adverse to serious studies, and to counteract this mental depression and literary exhaustion ; we cannot too strongly urge upon the Reverend Clergy, heads of Catholic Colleges, Convents and Schools, the necessity of cultivating a pure and high literary taste.

In issuing this list of publications now on our shelves, it contains not only our own, but that also of

the other numerous Catholic publishers with whom we have made special arrangements, which thus enables us to keep their publications on hand in large quantities, so as to be in a position to supply them to our patrons at the publishers lowest figures.

Soliciting the patronage of the Catholic public

Respectfully yours,

D. & J. SADLIER & CO.

THE CENTENARY EDITION—THE COMPLETE WORKS OF ST. ALPHONSUS DE LIGUORI—Translated from the Italian. Edited by Rev. Eugene Grimm, C.S.S.R.

In commemoration of the one hundredth anniversary of the death of their founder, which occurs in the year 1887, the Redemptorist Fathers have undertaken the publication of a new and the only complete uniform edition in English of the ascetical and dogmatical works of St. Alphonsus. It will contain many explanatory notes which will enable the reader to understand more fully the writings of the holy Doctor. It was usual with the saintly author to insert in his works Latin Scripture texts and Latin quotations from the Fathers. This method is also followed in this new English edition. The Latin texts will, however, be given as foot-notes. The sacred poetry composed by the Saint will be found interspersed through the different volumes of the ascetical works. Besides the table of contents, each volume will contain an alphabetical index.

THE ASCETICAL WORKS—18 vols., Price, per vol., net, \$1.25
—Each book is complete in itself, and any volume will be sold separately—Vols. 1, 2, 3 and 4, now ready; Vol. 5, in press.

Subscriptions Solicited for the Complete Works,

VOL. I—PREPARATION FOR DEATH; or, Considerations on the Eternal Truth. Maxims of Eternity. Rule of Life.

VOL. II—WAY OF SALVATION AND OF PERFECTION—Meditations. Pious Reflections. Spiritual Treatises.
