BOER VISITORS.

The Boer delegates who are making a tour of Canada studying Canadian agricultural methods, arrived in Kentville on Wednesday afternoon at 4 o'clock from Wolfville.

The visitors were Mr. and Mrs. Moody Lane, of Blackstaple, H. F. Rood of Pretoria and Mr. and Mrs. Joorte. They are being accompanied through Canada by Capt. H. J. and Mrs. Kirkpatrick, of Pretoria, and by W. W. Moore of the agricultural department, Ottawa, President Bigelow, of Wolfville, and Col. Blair, of Truro, accompanied them from Wolfville to Kentville.

They were guests of the Aberdeen Hotel and were met by the Mayor, Town Council and a delegation from the Board of Trade and also a few prominent farmers. Mr. M. G. DeWolf was present and presented each lady with a beautiful bunch of Sweet Peas. As Mrs. Kirkpatrick is a lady he presented her with a bunch of pure white ones.

Those who were in conversation with the visitors found them most affable and highly delighted with what they had seen of Canada. The woods and beautiful streams were of much interest to them, as such as is found in Canada is not seen in their country.

They will be in Canada about two months, after which they will return to their own country filled with valuable information in regards farming etc., far advanced of their methods. Messrs. Joorte and Moody Lane, are wealthy men owning fifteen large farms. The latter is an Irishman who went to the Transvaal, thirty years ago. Mr. Rood, of Pretoria, is a young man, a son of an immensely wealthy Boer. All three men fought through the war, either until it ended, or until captured. Mr. Lane and Mr. Joorte, were amongst those of Cronje's soldiers who surrendered after the gallant night attack by the First Canadian Contingent at Paardeberg.

PERSONALS.

Miss Mary Snide, of Windsor spent Sunday with Mrs. Fred Harvey

Mrs. Jacob Lockhart leaves tomorrow on a few weeks visit in Boston and vicinity.

Dr. Harding, of Yarmouth, has been spending a few days in Berwick the past week.

Mrs. Chas. Burbridge and daughter Francis leave tomorrow to spend the winter in Boston.

Mrs. Brown, of Halifax spent a few days of last week with her sister, Mrs. J. P. Chipman.

Mrs. F. H. Armstrong was in Halifax last Saturday attending the funeral of Mrs. Jaggis.

Mrs. Todd Woodworth and family, who have been guests at the Aberdeen, returned to their home in the States last week.

Mrs. Freese and Mrs. S. Thomas, of Boston, after several months spent in Berwick and vicinity have returned home.

Miss Pearl Haley who has been spending a few days at the "Chester" returned to Halifax last Saturday.

Mr. Nicholas Dunn, of Boston, who has been spending a few weeks at North Alton, returned to Boston on Wednesday.

Dr. R. B. and Mrs. Mulloney who have been visiting the former's parents, Dr. J. E. and Mrs. Mulloney, returned last Saturday to their home in New York.

Mr. O. C. Jones who has been station agent at Berwick for some months has been transferred to Digby. Mr. Turnbull, of Digby takes his place in Berwick.

Mrs. Lombard and little daughter of N. Cambridge, Mass., who came home to attend the funeral of the former's father, the late Elisha Burbridge, return home tomorrow.

Mrs. and Miss Alboro, of Megawatic, are spending a few days at Mrs. John Moore's. Last Friday evening a very enjoyable dance was given in honor of the latter.

Miss Nash, who has been spending the summer here in town, the guest of Mrs. T. P. Calkin, returned last Monday to her home in Charlottetown. Her very leaving manner was for her a host of friends who regret her departure.

A SHOE SAIL

We are selling Shoes, lots of them and if you haven't been in recently, this is meant as a personal invitation. Suitable for fall wear are our Boots and Shoes. Low in price but high in quality.

Your feet in our King quality Rubbers will be dry and comfortable. Costs you money but much better in quality than other make.

Band of the 5th Royal Garrison Regiment comes to St. John

The Band of the 5th Royal Garrison Regiment which has been engaged to give seven programmes during the Autumn Carnival in St. John, is one of the best, if not the best Military Band ever sent to America. During the past year while stationed at Aldershot, this band has been the one selected for various State and Military functions. The bandmen, thirty-five of whom come to St. John, are thorough musicians, and have just been completely refitted with instruments of the highest class, and most modern make. A rare musical treat is promised all who visit St. John during the Carnival.

Baptist Church—Morning Subject,—"Christian Possession and their Limitations." Evening Subject,—"Harvest Home." Sunday School immediately after morning service.

There will be special music in the Baptist Church on Sunday evening next. Miss Lottie Holland will render a solo entitled "The Two Cities" by Hamilton Grey. This will be her last appearance in the choir here as she leaves next week for Boston.

The Goose Supper by members of the Presbyterian Church of Horton, in Messrs. Northard and Lowe's new ware house at Grand Pre Station on Wednesday evening was a grand success. A splendid representation from Kentville, Port Williams, Wolfville, Hantsport, Mount Denson, Arvonport and Gaspereaux was present.

Receipts of the evening, \$125.00. The building was all that could be desired as it is airy and bright. The little band of workers in the church deserve great credit for their push.

BOERS AT BERMUDA

A DENSTAN II.

Before the joyful news of the cessation of hostilities in South Africa reached Bermuda, several of the prisoners asked to be permitted to take the oath of allegiance. Report to that effect soon spread throughout the camp, and those who were desirous to become loyal to Great Britain were hurriedly rushed into the water by their fellow prisoners, and in order to prevent drowning, the soldiers were ordered out and after a brief struggle the few helpless ones were rescued from the azure deep and their unworthy comrades. Such is an account of one of the many similar incidents.

On several occasions a daring Boer effected his escape, but only to be recaptured. One succeeded in eluding the guards and swam about half a mile to the United States mail boat and managed to reach New York in safety. In all other cases, however, the fugitives were captured soon after their escape, as a roll in each camp was called twice a day. The reward offered by the British for an escaped prisoner was \$15, and one colored Bermudian was fortunate enough to secure \$45 in one day for having captured three by strategy.

Very strict discipline was observed in the camps during hostilities. The waters around the prison islands were marked off with buoys inside of which no craft was permitted, except the government duty boat, conveying provisions and mail. Several natives were bold enough to trespass on the forbidden waters, but they rapidly withdrew when a shot would pierce their sail or lodge in their boat, and in one instance a man was shot in the wrist for disobeying martial law. These buoys were placed about 500 yards from the shore.

Besides having military guards around the island, several war ships were placed among the various camps, and their searchlights were frequently used after dark. It was owing to the ships' searchlights that several fugitives were recaptured while endeavoring to swim across the main island. One prisoner was caught climbing the iron barbed wire fence encircling the camp and was hailed by the sentry, but owing to him treating the call with contempt a bullet was sent through him, and he was taken up lifeless.

The death rate among the prisoners was very small considering their dirty manner of living. Only once were three buried in one day. The average was about two per week, and this speaks for Bermuda's excellent climate.

PERMANENT CURE FOR NEURALGIA.

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Polson's Nervine, the strongest liniment made. Nervine is certainly very penetrating and has a powerful influence over neuralgia pains, which it destroys almost at once. Nervine is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c. bottle, it's all right. No Pills like Dr. Hamilton's

WHY NOT CHANGE YOUR MEDICINE?

If You Have Failed Up to the Present to Banish Rheumatism and Sciatica Try

Paine's Celery Compound

There is but one true and reliable specific for the cure of all forms of rheumatism; it is Paine's Celery Compound. This decided and weighty assertion is fully supported by letters from thousands of cured men and women, and prominent physicians have ably and fearlessly supported the statement. If your efforts up to the present with other medicines have failed to drive the terrible disease from your system, remain no longer in agony and peril; change your medicine at once. Prudence and wisdom will surely direct you to use Paine's Celery Compound, the medicine that has cured so many of your friends and neighbors.

The prompt and marvelous cure of Mrs. E. King, Cedar Hill, Victoria, B. C. who endured the tortures and agonies of rheumatism for almost a lifetime, points unmistakably and truly to the fact that Paine's Celery Compound is the king of medicines for the cure of rheumatism; she says: "I have been troubled with rheumatism nearly all my life and about eight years ago I had a very severe attack, almost losing the use of my right arm. A friend recommended the use of Paine's Celery Compound, and kindly gave me a bottle. I was so much benefited by that one bottle, that I took three more, and was quite cured. Since then it has been almost my only medicine for all the ailments from which I have suffered, and all my family have found some benefit from it. I am sixty-five years of age; I live on a farm, get up early in the morning, and am now equal to a good day's work."

There's one respect, at least, in which fishing is a good deal safer sport than hunting.

We don't make any fatal mistakes hooking up men who happen to look like fish.

Lighting Remedy for Cramps.

Some people have cramps pretty often, others only now and again. But when you do have them it's a mighty quick relief you want. Polson's Nervine is as sure a death to relieve cramps in five seconds—it's instantaneous, just a few drops in sweetened water and the pain is gone. Buy a bottle of Nervine today, and keep it handy. Nervine is a common household necessity and only costs 25 cents. Dr. Hamilton's Mandras Pills cure Constipation.

Mr. Bahful (Casually) — If I thought any nice girl would accept me, I'd propose to-morrow.

Miss Artful—Why not this evening? (The affair will take place in about a month.)

SCOTT'S EMULSION

Scott's Emulsion is the means of life and of the enjoyment of life of thousands of men, women and children.

To the men Scott's Emulsion gives the flesh and strength so necessary for the cure of consumption and the repairing of body losses from any wasting disease.

For women Scott's Emulsion does this and more. It is a most sustaining food and tonic for the special trials that women have to bear.

To children Scott's Emulsion gives food and strength for growth of flesh and bone and blood. For pale girls, for thin and sickly boys Scott's Emulsion is a great help.

One step won't take you very far— You've got to keep on walking; One word won't tell folk what you are— You've got to keep on talking. One inch won't make you very tall— You've got to keep on growing; One little act won't do it all— You've got to keep on blowing.

A BABY CHANGED.

The Mother Tells How it Was Accomplished.

"A wonderful change," is the verdict of a lady correspondent who writes about her little one. "I take pleasure," writes Mrs. B. B. Bickford, of Glen Sutton, Que., "in certifying to the merits of Baby's Own Tablets, as I have found them a sure and reliable remedy. My baby was troubled with indigestion and was teething and cross and restless, and the use of the Tablets made a wonderful change. I think the timely use of Baby's Own Tablets might save many a dear little life, and I would recommend mothers to keep them in the house."

The opinion of this wise mother is echoed by other correspondents. Baby's Own Tablets give such comfort and relief to a sick baby, they so infallibly produce calm, peaceful sleep, that you would almost think them a narcotic. But they are not. They are only a health-giver for children of any age. They cannot possibly do harm—they always do good. May be had from druggists, or by mail, post paid, at 25 cents a box by writing direct to the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y.

Three knots an hour isn't such bad time for a clergyman, smilingly said the minister to himself, just after he had united the third couple.

Critic—Well—sir—if you don't mind, I should prefer to tell you over the telephone.

General Botha has just received \$100,000 in aid of the destitute Boers from Arthur White, an American.

It Pays To Use The Kind That Has No Mud

The immense popularity of Wells Richardson & Co's Improved Butter Color has induced speculators with little chemical ability to put up imitations of the famous color that makes prize butter. These imitations are butter colors contain mud and other impurities that ruin well made butter. Wells Richardson & Co's Improved Butter Color is noted for its purity. There is not the slightest trace of any injurious ingredient in it, and the last drop is as clear and pure as the first. Wells Richardson & Co's Improved Butter Color gives the true and natural June tint; common colors produce a bricky red that soon fades from the butter, leaving it with a lard-like color. Ask your druggist or dealer for Wells Richardson & Co's Improved Butter Color, the kind that has no mud.

CLOSING OF EXHIBITION

The closing exercises of the exhibition at Kentville took place at 9 o'clock last Thursday evening, and a large number were present. President H. H. Wickwire was in the chair and made several happy and encouraging remarks in reference to the exhibition. Sir Frederick Borden was to speak for and with much expectancy and his speech was just what the people were anxious to hear about and he spoke with an uncertain sound. The agitation through our Boards of Trade and in our columns for an Agricultural College in this valley and for better facilities in the transportation of fruit to Great Britain were dealt with by him in a way which delighted the audience—for even the ladies were interested in these questions which our fruit growers have been working out.

Mr. Wickwire suggested that the magnificent display of fruit be placed in the hands of the Canadian High Commissioner to be placed on exhibition in London. This was moved by Councillor J. W. Kinsman and carried.

The chairman hoped that we would have an exhibition like this, if not every year, at least very often. He spoke of the great services rendered by Secretary Rockwell and Treasurer Chas. Smith. He considered the burning question was to have an agricultural college established in our midst.

Mr. P. Innes said he had always contended for district exhibitions and believed it would help the Provincial one. He congratulated the promoters on the great exhibit, and also referred to the many disadvantages suffered by inadequate and proper shipment of the fruit across the Atlantic.

M. G. deWolfe referred to the outcome of the exhibition 9 years ago. The N. S. F. G. A. have now a medal for that fruit which was afterwards exhibited in the old country.

Mayor Yould stated how pleased the town had been to entertain all the exhibitors and friends.

Sir Frederick Borden said he had consolation in two facts that this fair had been a great success and that it was likely to be repeated annually. He considered it a great idea to have our fruit re-exhibited in the great metropolis of the world and be viewed there with wonder by millions. The Canadian arch had been a great advertisement to Canada and this would be another for this valley. There were two considerations of prime importance to us—education and transportation. We should have in the centre of the valley, a college similar to the one at Guelph, an institution that would command the respect of the country so that our young men may have the best possible training. This country has lost thousands of young men because of this lack of training. We had places where men were qualified for preachers who were of course necessary; for doctors who were not necessary, (applause) but we had no education for the agriculturist. There was no nobler profession for one who understands it and it should be more honored than ever it was. In it there was greater chance for advancement and development than in any other profession, for agriculture was a profession.

In reference to transportation Mr. Innes had said there were more barrels of apples shipped from Halifax than any other port. That should help solve the question. He (Sir Frederick) was prepared to consider the matter of subsidies and if it would help the matter of export, he would impress upon his colleagues for an increase. He believed we would have a fast service soon, one that would carry our fruit in 5 to 6 days to London. He understood that the boats at present were only 8 days. The solution is coming when in the near future we will export 800,000 barrels. He would do anything in his power according to his light to solve this problem of the fruit growers. He advised the young men to stay at home and build up the country. If the West was great, Nova Scotia with its fruits be now beheld and other industries were greater.

Advise Suffering Women Strongly, to Take Doctor Pierce's Favorite Prescription.

This advice comes from a woman who had suffered all the miseries women can suffer from disease, and had been perfectly and permanently cured by the use of Dr. Pierce's Favorite Prescription. "When I think how I was five years ago, and then see how I am now, I say, God bless Dr. Pierce's works, and may he live long to help poor suffering women. I have never had any return of my weakness and misery. Can do all my own work without any pain. You need me from the grave when all others failed. I advise suffering women strongly, to take Dr. Pierce's Favorite Prescription, as I know it will cure in all cases, if indeed there is a cure."

Read Mrs. Kempson's letter and, if you are sick, follow her advice. "Although it has been quite a time since I wrote you," says Mrs. Fred Kempson, of Cambridge, Hillsdale Co., Mich., Box 57, "until your name is a blessing in our house, and I think it my duty to let you know that I am still enjoying good health, thanks to you and your 'Favorite Prescription.' When I think how I was five years ago, and then see how I am now, I say, God bless Dr. Pierce's works, and may he live long to help poor suffering women. I have never had any return of my weakness and misery. Can do all my own work without any pain. You need me from the grave when all others failed. I advise suffering women strongly, to take Dr. Pierce's Favorite Prescription, as I know it will cure in all cases, if indeed there is a cure."

Dr. Pierce's Pleasant Pellets are an excellent laxative, suited to the use of delicate women.

HYGIENEAL

WHITMAN—BURGOYNE

An interesting event occurred on September 25th, in the presence of a few immediate friends at the parsonage of Dr. Crane of the Temple Methodist church, Boston. The occasion was the solemnization of the marriage of Mr. William S. Whitman, Mayor of Hantsport to Miss Mary Burgoyne, a former teacher of the preparatory department of the Hantsport high school.

After the ceremony was performed by Dr. Crane, the couple proceeded to New York, and were conveyed to Hotel Holley, Washington Square. The principal sights around the city were seen, and a few days afterwards Mr. and Mrs. Whitman left for their home in Hantsport, arriving here on Wednesday last. The boys gave them a nearly serene on the same evening the Hantsport Band followed with a good program of music.

Both contracting parties have many friends in Kentville and Hantsport and through the province, who will heartily join with us in extending congratulations to Mr. and Mrs. Whitman and wish for them a happy married life. They will be at home to their friends at their residence on William street after Monday October 13th.

Bad Appetite, Indigestion

Mr. Jas. McMath, 31 Inverness Street, Stratford, Ont., states:—"My digestive organs were entirely deranged, my appetite was poor, I was run down in health and had severe attacks of dizziness and severe headaches. The use of Dr. Chase's Nerve Food has entirely cured me, as my digestion is very much improved, the headaches have left me and my appetite is real good. I can recommend Dr. Chase's Nerve Food most heartily, knowing it to be an exceptionally good medicine."

Being slightly laxative Dr. Chase's Nerve Food regulates the action of the excretory organs and through its restorative influence on the nerves and muscles ensures the healthful and vigorous action of the respiratory and digestive systems. If you are weakened by overwork, worry or disease, this great food cure is bound to be of benefit to you. As a restorative it has never been approached, 50 cents a box, at all dealers, or Edmondson, Bates & Co., Toronto.

Dr. Chase's Nerve Food

Did you see any sharks when you crossed the ocean, Mr. Spittkins? asked Miss Purling.

Yes, replied Spittkins sadly: I played cards with a couple.

How to Beautify the Complexion

To have a soft, smooth skin, free from eruptions and pimples, the blood must be healthy and pure. Ferruzone invigorates enfeebled blood, and cleanses it of all impurities and poisons; it brings color to the lips and cheeks, brilliancy to the eyes, whiteness the teeth and sweetens the breath. No tonic compares with Ferruzone in rapid action and permanent results. Try it. Price 50c at druggists, or Polson & Co., Kingston, Ont. Dr. Hamilton's Pills cure Headache.

PERSONALS

Hantsport Advance

Miss Maggie Fowler, daughter of the late Capt James Fowler of Apple River, is visiting Mrs Edwin Harvie on Cottage street.

Mrs Minnie Marsters of Burlington is visiting Mrs Theophilus Marsters on Station avenue.

Mr William Lantz and family of Boston, have been shopping with friends in Hantsport and vicinity. Mr Lantz returns to Massachusetts this week.

Mrs. Charles Lindsay of Boston, and Mrs. Lindsay, are stopping at Mrs. Robert Burns.

Miss Ethel Dill, who for three years had charge of the primary department of the school here, and her sister Miss Edna Dill, are the guests of their aunt, Mrs James Cochran. Miss Dill is teaching in Shubenacadie this year.

Mr and Mrs Wright of P. E. I. are visiting at Mrs George B. Dawson's.

Mr. George Dawson returns to Amherst Tuesday, after spending his two weeks vacation at home.

Mrs Strong and son of Apple River are the guests of Mrs N Hunter.

Mrs C Gentles of Dartmouth is spending a few days with Mrs J C Spence.

The house on Spencer's Island, known as "Klondyke" with all its contents was destroyed by fire last Saturday. No insurance.

Minard's Liniment Cures Disteraper

A teacher asked, Who was the first man?

Little boy, at rear of class, George Washington.

Why do you think George Washington was the first man? Because he was first in war and peace and in the hearts of his countrymen.

Another boy raised his hand. Well, Johnie, who do you think was the first man? Don't know his name, but it wasn't Washington.

Why are you so positive? Well, my history says he married a widow, and there must have been someone ahead of him.

A POPULAR BELIEF

THAT RHEUMATISM IS DUE TO COLD, WET WEATHER

Such Conditions Aggravate the Trouble, But it is Now Known to be a Disease of the Blood—Outward Applications Cannot Cure It

The once popular belief that rheumatism was entirely the result of exposure to cold or dampness, is now known to be a mistake. The disease may be aggravated by exposure, but the root of the trouble lies in the blood, and must be treated through it. Liniments and outward applications never cure, while Dr. Williams' Pink Pills always cure because they make new, rich, red blood, in which disease finds lodgment impossible. Concerning the use of these pills Mr. A. G. Lacombe, Sorol, Que., says:—"For upwards of five years I was a victim to the tortures of rheumatism. At times the pains in my knees, shoulders and hip were almost past endurance. At other times I could not dress myself without assistance. I tried several remedies, some them very costly, without getting any more than temporary relief at the most. At this juncture a friend urged me to try Dr. Williams' Pink Pills, and spoke so highly of the pills that I decided to try them. Almost from the first these pills helped me, and by the time I had taken seven or eight boxes, every twinge of rheumatism had disappeared and I was feeling better than I had for years. I would strongly advise similar sufferers to give Dr. Williams' Pink Pills a fair trial, as I am confident they will not only drive away all pains and aches, but leave you strong, active and happy."

Dr. Williams' Pink Pills are the greatest tonic medicine in the world. These pills not only cure rheumatism, but all the troubles whose origin comes from poor blood or weak nerves, such as anaemia, consumption, neuralgia, kidney trouble, St. Vitus dance, partial paralysis and the irregularities which make the lives of so many wretched a source of misery. Some dealers offer substitutes, and in order to protect yourself you must see that the full name "Dr. Williams' Pink Pills for Pale People" is on the wrapper around every box. Sold by all dealers or sent by mail, post paid at 50 cents a box or six boxes for \$2.50 by writing direct to The Dr. Williams' Medicine Co., Brockville, Ont.

The Robb Engineering Co. of Amherst are about to establish a branch of their business in the United States. Mr J A Mumford of Hantsport, is one of the directors of the new company, and consulting engineer.

A Sluggish, Inactive Liver

When the liver is clogged by the inactivity of the kidneys and bowels, it becomes torpid and fails to filter the bile from the blood, thus producing biliousness and a general impairment of the digestive system.

The tongue is coated, the head aches, digestion is imperfect; there is aching of the limbs and back, feelings of fullness, weight and soreness over the stomach and liver; the eyes become yellow and jaundiced, and the complexion muddy; the urine is scanty and highly colored, and the bowels irregular, constipation and looseness alternating. There is little use of treating the liver separately, as it can never be set right until the kidneys and bowels are made active in removing the waste matter from the body. It is for this very reason that Dr. Chase's Kidney-Liver Pills have always proved so wonderfully successful in curing the most chronic cases of liver complaint, biliousness and complicated ailments of the kidney, liver and bowels.

One pill a dose, 25 cents a box. All dealers, or Edmondson, Bates & Co., Toronto.

Dr. Chase's Kidney-Liver Pills

Spell ferment and give it a destination, requested the teacher. For me n't, to work, responded a diminutive maiden. Now place it in a sentence, so that I may be sure you understand its meaning, said the teacher. In the summer I would rather play out-of-doors than ferment in the schoolhouse, returned the small scholar.

Liver Pills

That's what you need; something to cure your biliousness and give you a good digestion. Ayer's Pills are liver pills. They cure constipation and biliousness. Gently laxative. 25c. All druggists.

Want your mustache or beard a beautiful brown or black? Then use BUCKINGHAM'S DYE for the whiskers. Sold by all druggists, or B. F. Buckinghams, 25 N. 3rd St., Philadelphia, Pa.

The Advertiser

Published every Friday
H. G. HARRIS,
Editor and Publisher

The Board of Trade and fruit growers of the county are awake and determined that slow and ill ventilated boats shall not receive a subsidy for carrying our fruit. Sir Frederick Borden in his speech on Thursday last stated that he understood the boats now on the line to London were only making 8-12 knots and urged the growers to bring their grievances home to the Dominion government. A movement is now on foot for the shipment of a quantity of apples to Great Britain via Montreal. The matter will be fought out this year as there is not a great quantity of apples to be shipped and if the Halifax boats are not considered suitable they can be shipped through other ports.

We call attention to a communication in this issue from C. O. Allen in reference to transportation of fruit. This matter is a very live question with our fruit growers and the agitation for proper ventilation and faster boats will be continued until the remedy comes. Much more will appear in our columns later both editorially and as correspondence on this vexed question.

The meeting of the ratepayers on Wednesday evening was not very well attended. Probably the electors who had been informed by advertisement through our columns of the nature of the meeting were perfectly willing to have the sum of \$1200 voted for paying for a proper and much needed heating apparatus in the Academy building and also the sum of \$600 for apparatus etc., in connection with the Mutual Training department. Both these appeared to be necessary expenditures to maintain the efficiency of our schools, and the sums as above were voted, the amount being repayable by installments for a short term of years.

SIR FREDERICK BANQUETED

Sir Frederick Borden, member for Kings County and Minister of Militia, was banqueted in Canning last Tuesday evening by the Canning Liberal Club.

The banquet was given in the rink which looked very attractive decorated in flags, bunting and autumn leaves. In back of the head table hung the Liberal motto "Liberty, Fraternity, Equality" and in the centre of the hall, suspended from the beams overhead, was a banner with the following "1874-1902" signifying Sir Frederick's term of office as representative from Kings in the Dominion House.

Mr. H. H. Wickwire M. P. P., presided. To his right sat the guest of honor Sir Frederick and to his left Premier Murray. Following these came I. B. Oakes, Charles Martial, M. P., Hon. J. W. Longley, D. C. Fraser, M. P., Hon. A. Drysdale, M. P. P., T. B. Flint, M. P., B. Russell, M. P., Rev. Mr. Cooper, M. P. P., H. J. Logan, M. P., Lieutenant Colonel Irving, Lieutenant Colonel Humphrey, B. H. Dodge, M. P. P., Mayor Yould, Peter Innis, George E. Boak, Warden Balcom.

The four large tables running the whole length of the rink were occupied by other prominent men of Kings from both parties. Order was called at 11 o'clock and after blessing by Rev. Mr. Ackman, Kentville, all started to work to relieve the tables of their heavy burden of cables which the inner man was anxiously waiting to do justice to.

The first toast "The King." The next toast "The Governor General" was proposed by the chairman and all joined in the singing of "He's a Jolly Good Fellow" followed by three cheers. "Our Guests" came next.

"Our Honored Guest" was ably spoken to by the chairman who made reference to the faithful services of Sir Frederick to Kings.

Sir Frederick responded to these remarks and was received with tremendous applause. In an exceedingly happy and eloquent speech he stated that he was unable to adequately express his pleasure to return to his native county and receive such an oration as that just given. He also made mention of conferences between the Colonial premiers, Mr. Chamberlain and members of the Imperial government in regards subjects of importance to Canada. The result of these would be announced when Sir Wilfred arrived home.

Speaking of the trade arrangements as discussed at the conference in England, he said, the Colonies would never agree to a free trade arrangement, as each nation was in duty bound to collect revenues to carry on their government, and to build up their country.

Referring to the policy of the government he said the conditions of the county demanded certain protective duties and it was the policy of his government to respect the wishes of the people.

C. F. Cooper, M. P. P., proposed "the Dominion Government and Parliament" which drew splendid speeches from D. C. Fraser, M. P., and C. Martial, M. P. "The Provincial Government" was given by T. B. Flint, M. P., and capitally responded to by Premier Murray. I. B. Oakes proposed "the Provincial Legislature," and E. M. MacDonald, M. P. P., and B. H. Dodge, M. P. P., made good responses.

The Chairman proposed "the Municipal Council" and Dr. Balcom and others made responses. "The Learned Professions" was given by W. Manning Sanford and Attorney General Longley in his inimitable style and Dr. W. S. Woodworth replied. Dr. B. Russell eloquently proposed "the Defenders of the Empire," and Col. Irving, Beckwith and Humphrey and Major Northup responded. "The Ladies" was ably proposed by A. M. Covert and happily responded to by Rev. Mr. Gaetz.

After a short speech by Sir Frederick the dinner was brought to a close by the singing of

GOD SAVE THE KING

FRUIT TRANSPORTATION

To Editor of ADVERTISER:—

A deputation comprising members of the Kings County Board of Trade and others interested, waited upon Sir Frederick Borden at the Hotel Aberdeen on Thursday evening of last week. The object of this meeting was to put before the Minister of Militia the deplorable state of affairs the fruit growers of this county are placed in, as regards the steamship service from Halifax to the United Kingdom.

It was indeed reassuring to hear Sir Frederick say that he had the interests of his native county at heart. If our representative allots to this endeavor the energy and ability he has shown in conducting the affairs of the department of militia of Canada, there is not the least doubt whatever, but that our grievances may be speedily remedied.

He stated that in the past he had opposed subsidizing steamship companies, but now realized that the fruit growers of this valley are placed in a peculiar position, with the usually large quantities of apples to ship from Halifax, and if an extra subsidy was required to give a sufficient service, he would carefully look into the matter and give it his full support. Another statement Sir Frederick made and one we should not forget, that it was the duty as occasion arose, to point out to the government our needs and ask for what we wanted—that the present government was a selfish one and desired to stay in power and in order so to do would have to please the people, in other words to "Kick" when things are not right.

Sir Frederick offered to send to the government any telegram the Board of Trade should present. Accordingly the following day, through a committee a lengthy telegram was submitted to him, protesting strongly against such boats as the Evangeline and Loyalist, as the latter boat had only the day previous arrived in Halifax after a reported 13 days passage from London, which only allows her an average speed of 8.8 knots, and neither boat having had placed in them the fan ventilation system.

Just fancy such boats as these paddling across the Atlantic at an 8½ knot speed expecting the fruit growers patronage.

BUY AN UMBRELLA!

If you don't need one now you will be sure to later on. We are showing a superior line in both Ladies and Gents, bought direct from manufacturers fitted with our own selection of latest handles and patent "20th Century Runne attachment," at prices that will save you money.

J. W. RYAN
White Hall, — Kentville

The returns on our apples will be small enough this year without allowing them to become damaged in old steamers that were out of date for the Calcutta route, but considered sufficient by Furness Withy & Co. to transport the results of our hard earnings to the British market.

The writer is skeptical as regards the efficiency of the fan ventilation, which we were assured would be placed in these boats, unless the air circulating through the cargo is first cooled by artificial means similar to the Lundie system, which is something between a refrigerator and the ordinary hold of the steamer, where pure air is given at a temperature of about 55 degrees and which system is adopted by the Montreal boats, and is attainable by the fruit growers of this valley to-day, at only one shilling rate of freight per barrel extra.

C. O. ALLEN,
Woodburn Farm, Oct. 6th.
(The above was by mistake omitted from Tuesday's issue.—Ed.)

OBITUARY

ELISHA BURBRIDGE

The death of Mr. Elisha Burbridge occurred on Thursday morning the 2nd inst., at his residence Village House, Kentville.

The deceased was born in Canada Feb. 10, 1825 and was in his 78th year. He was the youngest son of the late Wm G. Burbridge of Canada.

For about one year he complained of not feeling well but was able to be about the house and town until a week before death claimed him. When he complained of not feeling well his children did all in their power to rid him of his sickness. Thinking that a change from valley air to that of the seashore would prove beneficial they took him to Black Rock and spent the past summer there. He seemed to have a feeling that it would be his last visit to this place so he took advantage of the visit. He spent much of the time in visiting the places of prominence of his younger days.

For the past fifteen years he did business in the Village House which is so well known to travellers and railroad men. With all these classes of men he made warm friends of which they were many. He also was well known throughout the town and county.

A widow, three daughters, one son, three sisters and two brothers survive to mourn the loss of a kind and loving husband, father and brother. The children are Mrs. Emma Lockhart, Kentville; Mrs. Etta Lombard, North Cambridge, Mass.; Mrs. Alice Palmeter, South Framingham, Mass., and Owea Burbridge, L. Canard. Mrs. J. Hutchinson, Lockhartville; Mrs. Wm. Hutchinson, Hillston; Mrs. D. McLean, Weston and Messrs. Chas., L. Canard and Henry of Kentville, are sisters and brothers of deceased.

Funeral was held last Friday afternoon from St. Paul's Presbyterian Church. Rev. E. C. Ford, Port Williams, officiated assisted by Rev. Mr. McMillan and Rev. Mr. Day. Music was furnished by a choir composed of members of the Baptist and Presbyterian choirs. A large concourse of friends and acquaintances of the deceased followed the remains to their last resting in Hillston Methodist burying ground.

The members of the family have the sympathy of their many friends in their sad hour.

Dr. Johnson, the Dominion statistician, of Ottawa has been spending a few days in Wolfville.

NEVER IS TIME more precious than when some members of the family is attacked by colic, dysentery or any bowel trouble. The doctor is distant but if Perry Davis' Painkiller is near all danger is soon ended.

 Box and Bulk paper in New Shades and Shapes.
 A variety of grades and prices.
W. J. ROSS
 Webster St. Kentville, October 6th, 1902.

As an assurance that the MacLachlan and McClasky concert is of the best ever offered to the people of Kings County the management would like to say that it will be patronized by Acadia Seminary, Wolfville, the students of that institution knowing a good thing when they hear of it. Tickets are on sale at Eaton's book store, Kentville, and Rand's drug store, Wolfville, get yours before they all go. There will be a special train to Wolfville after the concert.

The delicate patterns in China Dinner and Tea Sets that have been opened at W. E. Porter's this week cannot but please all lovers of China beauty.

WANTED.—A girl to look after children and do plain sewing. Address at once P. O. Box 7, Kentville. if.

Under the McDonald rural school movement, Theodore Ross, of Prince Edward Island, has been appointed travelling instructor to a group of schools. In Nova Scotia George B. McGill has been appointed consolidated school teacher and Percy W. Shaw, travelling instructor.

We learn from reliable authority that the freshman class at the Maritime Business College, Halifax, numbers upwards of one hundred. The following from the Western part of the Province are enrolled in this class: Miss Mary M. Stairs, Hillaton, Miss Vera M. Watson, Wilmot, Mr. Ansbrey A. Whitman and his sister Miss Lottie, from Torbrook.

Why suffer from Kidney and Liver trouble when hundreds of worse cases have been cured by using Kidney Quro Pills.

Nerve Food

Hantsport

The Bluenose made her last trip of the season on Saturday.

George Patton has sold his staunch pony to Mr. C. E. Burgess.

Mr. Arnold Dill and family have removed from Windsor to Mr. J. B. North's house at Hants Border.

The barquentine Africa left for Patsboro on Thursday night in charge of Capt Fielding.

Miss Edith Manning of Manchester, England, spent Sunday of last week with her friend Mrs. A. C. Davidson.

Men working on the blocks here and laboring men who are not residents say that they have difficulty in getting board in Hantsport.

It would seem that there should be families here who would be glad to accommodate them.

In Kentville when we lived there it seemed to be a fashionable thing among private families to keep a boarder or two.

Sept. 29th.—A number of men have been at work the past few weeks getting ready for the new iron bridge.

That is to take the place of the wooden one over the Cornwallis River.

The abutments are now ready, waiting for the iron work which is expected daily.

It is hoped in a few weeks that traffic can be resumed. The work has been in charge of Mr. R. Newcombe from Canning.

Mr. Hiltz, a young man in the employ of R. E. Rockwell, was injured by being struck with a loose belt, while passing through A. Wood's mill, where he had gone to get some grain threshed.

Mr. and Mrs. S. Schofield were thrown from their wagon while coming down Beech hill during the past week, but escaped serious injury.

Miss Florence and Miss Evelyn Boyle have gone to Boston.

October 1st.—The United Lumber Company has commenced to repair the old mill dam at this place.

T. Quinn a noted mill man from St. John is in charge.

Messrs. Harvey and Bishop of Greenwich, passed through here Friday with the hide and antlers of the moose they succeeded in shooting in the woods back of here.

The moose was the finest ever seen in these parts.

Mr. James Cushman is here visiting relatives, after an absence of some time in the States.

Horse sheds are to be erected at once to accommodate church goers and Division members as well.

There is quite a gang of men at work tearing away the old dam and making ready for the new one.

Mr. Jacob W. Pick of Benjamin's mills, Falmouth, drove to this village last Saturday. He has presented his son Porto, with his beautiful animal.

The exhibit was opened on the 28th. It now presents a very tidy appearance.

THE DAY OF MIRACLES is past, but many who are cured of itching, bleeding or protruding piles by the use of Dr. Chase's Ointment look upon their recovery as next thing to miracles.

It is not uncommon for persons who have undergone painful, risky and expensive operations in vain to be finally cured by this wonderful ointment. It is the standard cure for piles.

THE NEW COIN Five-cent pieces of the new reign with the effigy and titles of the King instead of that of Queen Victoria are in circulation here.

The design has remained unchanged except as to date since the first silver coined for Canada forty-three years ago.

Now there are a number of changes besides that of the sovereign. The form is now a crowned bust to the right instead of a laureated head to the left.

The inscription which reads "Edward VII. D. G. Rex Imperator." Edward VII. by the grace of God, King Emperor, is augmented by the title "Emperor," while "Canada" is relegated to the reverse.

The small letters "DES." under the bust, stand for George W. DeSaulle, chief engraver at the Royal Mint.

The new coinage of the mother country, among other things, differs from that of Canada in that it bears a simple uncrowned head of the King. In relegating the name "Canada" to the reverse the practice of the other colonies has been followed.

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Vapo-Cresolene tablets, ten cents per box. All druggists.

THE ANAEMIC YOUNG GIRL

Easily noticed by her Faded Cheeks, Bloodless Lips and Dull Eyes.

Perhaps she is sixteen. Suddenly she seems to lose strength. Her beauty fades because her vitality is steadily decreasing.

Dark circles appear under the eyes which become lustreless and dull. Her spirits droop, for no one can be contented and happy in such a condition.

This may be quickly corrected by taking Ferruzone. It supplies what is lacking in the blood, purifies and strengthens it, and keeps it in perfect order.

Ferruzone makes plenty of red blood corpuscles that manifest themselves in a healthy ruddy complexion. It aids the stomach to do its work, and creates a natural healthy relish for food.

Every organ of the body is benefited by Ferruzone. It rebuilds the entire system, makes new tissue, strengthens weak flabby muscles, makes thin people fat and sick people well.

No case of Anæmia is too chronic for Ferruzone. It may take time, but if persistently used will cure in the end. It will give you a well developed form, clear complexion, pure breath and will restore the bloom to faded cheeks, and color to the lips more quickly than any other remedy.

Every woman who desires a vigorous constitution, and the good looks that come with good health, should take Ferruzone after each meal regularly. It is a wonderful tonic for the brain, the nerves and the blood, and acts also as an efficient but harmless regulator of the menstrual flow.

In fact for all diseases peculiar to women and growing girls, Ferruzone has no equal as your druggist can tell you.

Three weeks treatment costs 50c., or three boxes for \$1.25. Sold by druggists and dealers in medicine everywhere, or sent by mail if price is forwarded to N. C. Polson & Co., Kingston Ont.

Light two candles with one match, was the prompt answer when a kindergarten was asked if she could suggest a non-murderous substitute for the old proverb, Kill two birds with one stone.

—The Kindergarten Review.

OBITUARY

LAURA ALLEN NORMAN

Laura Allen, daughter of Mr. and Mrs. W. A. Norman, was born in Hantsport, Nova Scotia, March 27, 1882 and died in Oakland August 11, 1902.

Laura was received on probation by the writer in 1892. From the beginning of her Christian life there was a deepening and broadening of her experience year by year.

Her temperament was thoughtful and deeply spiritual. Her pastor and Sunday school teacher were deeply impressed with her growth in the graces of the Christian life.

She was a blessing to her parents, and brothers and sisters in the home, and to all the wider circle of her young friends.

One year ago Laura was stricken with consumption, and while with rare heroism she fought the battle of life, with a desire to live for those that loved her, yet there was beautiful submission to the will of her Heavenly Father.

When the end was near she faced it without a tremor of fear or shrinking. In those last days when the shadow of death was creeping near, her sickroom was a hallowed place which none could enter without being awed and uplifted.

She passed away in great peace, as the night wore away toward the dawn.

Another hand is beckoning us, Another call is given, And grace once more with angels steps The path that reaches heaven.

At Grand Pre, on Sept. 24th, Mr. John L. Faulkner passed away aged 77 years and 10 months. He was much respected as a good man, a kind neighbor and a consistent christian.

The deceased leaves a family of six daughters and two sons and two brothers. The funeral took place on Friday and was largely attended.

REV. RALPH HUNT It was with deep regret that the news of the death of Rev. Ralph Hunt of Jamaica Plains, Mass., was received in this province by the many friends and acquaintances of the deceased.

Death occurred last Wednesday evening after several weeks sickness of typhoid fever. During the past week pneumonia set in which resulted in his death.

The deceased was the youngest son of the late Rev. Abraham Hunt, superintendent of Education for Nova Scotia, who resided at Casard for some years.

He studied at Acadia College and at Newton Seminary. His first charge was the Baptist Church at St. Stephen, N. B., where he remained for a number of years until he was called to the pastorate of the church at Jamaica Plains, Boston, where he labored for 12 years with remarkable success.

He resigned on account of ill-health about two years ago, taking a year's rest. Last fall he took charge of St. James Church, Hamilton, Ont. At the time of his sickness he was visiting in Jamaica Plains.

Dr. Louis Hunt of Sheffield, Eng., J. Johnson Hunt and A. S. Hunt of Halifax, Mrs. Savary, wife of Judge Savary, Annapolis, and Mrs. Chute, wife of Rev. Dr. Chute, professor of Acadia College, are brothers and sisters of deceased.

The Toronto Star reporter investigated the case of Mr. Geo. Warner, and found that after thirteen years of almost total deafness, he had been cured by inhaling Catarrhazone.

This proves that where Catarrhazone treatment is employed, impaired hearing and deafness can be cured. Catarrhazone always brings quick relief, and is warranted to give lasting satisfaction.

All sufferers, from impaired Hearing, Deafness, Head Noises and Ringing in the Ears, are advised to inhale Catarrhazone and derive the great benefit it is capable of affording. Price \$1.00, small size, 25c. Druggists, or N. C. Polson & Co., Kingston, Ont.

Miss Christie Ritchie of Annapolis, who has been taking a course at the Training School for Nurses at Waltham has returned home.

Broiling steak so that it will retain its rich, beef flavor, be tender and juicy, is an art. And, like all other arts, success or failure largely depends upon the artist's facilities—in this case on the broiling door.

Cornwall Steel Ranges

have a door specially made for this purpose. It is roomy enough to broil a large steak, and is so constructed that the broil is placed directly over the fire.

Used also for toasting. No other steel range has so many new and practical features as the "Cornwall." And, it sells at a reasonable price—is from \$13 to \$25 less than any imported range, besides being heavier and better in every way.

Sold by all enterprising dealers. Catalogue and prices sent for the asking.

McClary's

Makers of the "Sunshine" furnace and "Famous Active" range. London, Toronto, Montreal, Winnipeg, Vancouver, St. John, N. B.

For Sale by T. P. Calkin & Co. COLD BROOK

Coldbrook has had its share of excitement the past few weeks. One night about 12 o'clock Mr. Collins our Blacksmith, was awakened by a crash as of something falling and on getting up found a horse in his cellar.

It seems that some one having too much fire-water had driven his horse up on the verandah and in backing off drove on the outside cellar doors which gave way and let the horse into the cellar.

With some difficulty he was got out and horse and driver cared for until able to proceed on their journey.

Mr. Leonard Ward was injured by falling from a load of hay, but by last accounts he was improving.

Mr. Douglas Shatford left on the 18th for Winnipeg to try his fortune with the harvesters.

The Whole Story in a letter: Pain-Killer

From Capt. E. Love, Police Station No. 5, Montreal:—We frequently use FRANK'S PAIN-KILLER for pains in the stomach, rheumatism, sciatica, neuralgia, headache, cramps, and all affections which afflict men in our position. I have no hesitation in saying that PAIN-KILLER is the best remedy to have near at hand.

Used Internally and Externally. Two Sizes, 25c. and 50c. bottles. STOP THE COUGH AND WORK OFF THE GOLD Laxative Bromo-Quinine Tablets (cure cold in one day. No cure, No pay. Price 25 cts.

BRINGS SUMMER BOARDERS A Large Metropolitan Newspaper Which is Helping the Summer Resorts

The Brooklyn Eagle several years ago established a Bureau of Information in Brooklyn, where the public could, free of charge, secure details of hotels and boarding houses for the summer.

The idea at once became popular and branch bureaus were opened in Manhattan and other cities. Country hotel and boarding houses by sending to this Bureau can secure a listing blank, fill it out and return it and then be represented free of cost, and send their circulars and cards for three distribution.

The Brooklyn Eagle has also been considered for two years the best medium for summer boarders in New York City.

The Rocky Point Inn, in the Adirondacks, said: "We are giving the Eagle a larger share of advertising than most other papers, as experience has demonstrated its value to us in past seasons."

Chauncey B. Newkirk of Wurtsboro, Sullivan County, said: "Last season one small adv. brought me five guests."

La Rue Bros., proprietors of the American Hotel of Sharon Springs, N. Y., wrote: "Our house is full and mostly by Brooklyn people. Daily we receive applications for rooms, and all on account of our standing ad. in the Eagle."

For Listing Blanks, Adv. Rate Cards and other information, address EAGLE INFORMATION BUREAU, July 5 Brooklyn, N. Y.

P. GIFFKINS General Manager

January 20th, This is to certify that my sister when at the point of death with pneumonia was pronounced by the first physician to have the black smallpox insect.

In six hours after taking Doctor's Small Pox Cure the pains of the swelling went down in the throat and she could speak; she had been blind for three days and recovered. My two children were vaccinated with the same disease one not vaccinated, they took the remedy it first showed the spots on the one and were not sick afterwards.

spots dried in two days without the one mark. I was in the house all time and took the remedy myself did not take the disease. I believe a sure cure and preventative. I therefore recommend it to all.

HOT AIR FURNACE

PUT YOUR FURNACE IN ORDER

It is the very height of foolishness to delay putting the Plumbing in order. Hot water, furnace, boiler and bath room pipes should all be examined and the defective parts replaced before cold weather commences. We have the necessary skill to do it. Let us FIGURE WITH YOU our bill will be surprisingly low. The best material is used and only skilled workmen employed.
L. G. ELLS & Co.
MAIN ST. KENTVILLE

ST. JOHN, N. B. AUTUMN CARNIVAL.

One feature worthy of comment in connection with the Carnival to be held at St. John, from the 8th to the 14th October, is the extremely sportsmanlike manner with which the Halifax men have co-operated with St. John in enabling the arrangement of the finest Boat races probably ever held in the Maritime Provinces. These races will undoubtedly revive the most brilliant events of bygone times of which our older men still speak.

The two best Halifax men will put up a splendid scull race with the local St. John amateur champion, Jas. Ross, son of Elijah Ross, of Paracrow fame. Heffler and Patterson will contest in the double scull event; Heffler, Coates, Patterson and Prender in the Amateur Four, and Warner, Dugan and two others not yet named, in the Professional Four, comprising the best aggregation of Oar-men which ever left Halifax.

The races will be rowed off on Monday, 13th October, at 10 a. m., on the harbor of St. John. A very large crowd is assured from all parts of the Province and the State of Maine, the facilities arranged for cheap travel being very favorable.

Foot Racing has always been extremely popular in these Provinces, and many lovers of sport will look forward with great anticipation to the Foot Racing to be held in connection with the Autumn Carnival at St. John, N. B., from 8th to 14th October. The Editor of the Sporting Times, Boston, now holds the purses necessary to bring up the best sprinters in America. Such men as Piper Donovan, Keene and Hobbs will display their powers, while the leading amateurs throughout the provinces are entering with enthusiasm the contests provided for them.

Altogether the number and importance of the attraction arranged for during each day of the Carnival week, is beyond precedent in the city's experience.

STEPHEN BELCHER, Sheriff.
A. V. Pines, of Shafer & Pines, Plaintiff's Solicitor
Kentville, N. S. October 8th A. D. 1902

WEDDING BELLS.

JONES—NICHOLS.

A pretty home wedding was solemnized last Saturday morning in the parlor of the Grove House, Berwick, the contracting parties being Mr. Harry E. Jones, of Boston and Miss Jennie E. Nichols. The bride is a daughter of Mrs. Nichols, proprietor of the Grove House. The ceremony was performed beneath an arch of Autumn leaves and flowers by the Rev. A. S. Tuttle.

The bride was dressed in a travelling suit of blue Lady's cloth with cream lace trimmings and hat to match.

After the ceremony a wedding breakfast was held, after which the bride and groom drove to Berwick station where amid showers of rice they boarded the Express train en route to their future home in Everett, Mass.

The presents were valuable and useful. The happy couple have the best wishes of their many friends for a long and happy married life.

SIMMONS—MORLEY.

Police Officer, John V. Simmons, of Halifax, was married in St. Mary's Cathedral, Halifax, last Monday morning to Miss Martha Morley, of that city.

The bride looked charming attired in a going away gown of steel grey with lat to match, and was attended by her sister, Miss Lucy. The groom was supported by his brother W. E. Simmons, of Truro.

They arrived in Kentville on Monday's express and spent the day at the home of Mrs. A. McPherson. The groom is a brother of James Simmons, Baggago-master D. A. R. of this place.

New Use for Refined Paraffine Wax

A new and important use for Refined Paraffine Wax seems to have been discovered by a prominent resident of Ohio, living near Lancaster, who had two trees badly damaged by storm, one being a maple and the other an apple. In each case a large limb was broken down from the trunk, but still attached to it. The limbs were propped up and fastened securely with straps, very much as a broken leg might be fastened with splints and then melted refined wax poured into and over all the cracks. The "surgical operation" was entirely successful. The Paraffine prevented the escape of the sap, kept out the rain and moisture which would have rotted the trees, prevented the depredations of insects, and the limbs seem thus far to be perfectly re-attached to the trees.

Good News!

To all my old customers and the public in general. I have again taken up the

MEAT and PROVISION BUSINESS and will be prepared to supply your wants in these lines. Also a well assorted stock of Groceries. Just try us and get Satisfaction.

J. E. BISHOP.
Kentville, June 27, 1902.

Kentville, Oct. 2, 1902. s w

Mr. L. D. Robinson, of Berwick has been appointed principal of the Middleton Schools.
Rev. Mr. Sterling of Clyde River has been in Wolfville for a few days.

MESSRS. C. C. RICHARD & Co.
Gentlemen,—My daughter, 13 years old, was thrown from a sleigh and injured her elbow so badly it remained stiff and very painful for three years. Four bottles of MINARD'S LINIMENT completely cured her and she has not been troubled for two years.
Yours Truly,
J. B. LEVESQUE.
