The copy filmed here has been reproduced thanks to the generosity of:

The Nova Scotia
Legislative Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

The Nova Scotia
Legislative Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

GENERAL REGULATIONS.

1. The Exhibition grounds and buildings will be opened on Monday, September 30th., at 9 o'clock a. m., and continue open during the day till sunset, for the reception and arrangement of Exhibition articles and animals. Exhibitors on arrival will immediately report themselves at the Secretary's office, who, with assistance of Committee of Management, will allot appropriate pens or space for their exhibits. This day none but members of the General Committee, officials, exhibitors and necessary attendants will be admitted.
2. Live animals, flowers and perishable articles will be received on Tuesday morning from sunrise up to 9 o'clock, unavoidable delays to be dealt with, at the discretion of the Committee.
3. The Exhibition will be open to the public on Tuesday, October 1st, at 2 o'clock p. m., when an opening address will be given. The Grounds and Building will be open each succeeding day to visitors from 9. a. m., to 6. p. m. Admission 25 cents. Children 10 cents. Bands of music will be in attendance daily.
4. The Judges will meet at the Secretary's office on Tuesday, October 1st, at 9 a. m., obtain entry books and proceed to award premiums. On completing their work, which must be finished by Wednesday noon, they will personally show their books to the Secretary and will be furnished with the requisite Prize Tickets; which it will be their duty to place carefully, and as soon as possible, upon the various articles, before giving up their books and report.
5. Exhibits may be removed from the Grounds on Friday afternoon the 4th, at 3 o'clock, immediately after the closing address has been delivered. The Treasurer will commence to pay premiums on the Grounds at 9 a. m., on Friday. Prizes not claimed within three months from the close of the Exhibition will be forfeited.
6. Every intending competitor must transmit to the Secretary, not later than the dates mentioned below, an entry paper, containing a correct list of the animals or articles which he intends to exhibit, together with certificate of pedigree in the case of thorough-bred stock, or else a reference to the registry numbers of the Nova Scotia Stock Register. Any competitor failing to transmit his entry certificate at the proper time will be excluded from competition. No fee is charged for the entry of animals or articles.

[For the convenience of exhibitors and judges, a list of all cattle recorded in the Nova Scotia Stock Register, with their registry numbers, and the numbers of their sires and dams, will be published in the *Journal of Agriculture* about the 1st day of August.]

7. Horses, cattle, sheep, swine and poultry, must be entered on or before Saturday, 7th Sept. three weeks preceding the show, and the age of each animal should be stated in years and months, at date of exhibition; the precise date of birth to be given when necessary.

8. Plants and Flowers, Fruit, Grain, Roots, Vegetables, and other field and Garden products, Agricultural Implements, and manufactures of all kinds, articles not elsewhere enumerated, may be entered up to Saturday, 21st September, one clear week preceding the show.

9. Exhibitors of bulky articles, requiring extensive or unusual accommodation, should communicate with the Secretary on or before Monday, 9th September, in order that there may be time for the committee to make the requisite arrangements.

10. All articles for exhibition must be on the grounds on Monday, 30th. September, after which day none will be received, except live stock, fruit, flowers, and other perishable articles, which will be received up to 9 a. m., on Tuesday, October 1st. All necessary erections, and bulky articles requiring to be put together on the grounds or in the buildings, must be finished, and all waste material and rubbish removed, not later than 12 o'clock, on Saturday, 28th September as no such work can be permitted during the show week.

11. Exhibitors will in every case give the necessary personal attention to whatever they exhibit. Necessary attendants upon live stock and workmen actually required to attend to machinery, will be furnished with admission tickets free with their names written upon them, which tickets will be good at the *Exhibitor's Gate only* during the show ; such tickets to be obtained from the Secretary by personal application.

12. All articles for competition shall be the production or manufacture of the Exhibitor ; field produce must be the growth of 1878 ; and all live stock must have been owned and kept by Exhibitor in the Province not less than three months prior to the Exhibition.

13. Articles from other countries, and especially from other Provinces of the Dominion, are solicited, but not for competition. The Committee will have the power of granting a limited number of honorary certificates for such articles.

14. All expenses incurred in the conveyance of articles or animals, to and from Truro, placing them in the exhibition, and maintaining them while there, shall be borne by the exhibitors, who must likewise undertake all risk of loss or damage. Articles must in every case be delivered and unpacked free of expense to the committee.

In Class IX, and for all miscellaneous exhibits, similar to those embraced in this class, "Delivery Checks" will be furnished, when such articles are given in charge of Exhibition officials, and no such exhibits can be removed from the building, unless these "Delivery Checks" are presented to those in charge of the Department.

15. Each exhibitor will receive from the Secretary an entry ticket

for every article to be exhibited by him, and he is required to affix such ticket upon the article or animal which he exhibits or on the stalls.

16. When fewer than three competitors appear for any prize, and where the articles exhibited are of inferior merit, the judges shall have the discretionary power of awarding or withholding prizes or reducing their values. No articles can take two prizes, or be exhibited in two collections, unless the contrary is distinctly expressed in the prize list. In estimating the merits of live stock the judges are requested to take into consideration where animals of different ages are competing against each other.

17. The committee are required to reject articles which they shall consider unworthy or unfit for exhibition.

18. No person shall be allowed to enter for exhibition more than one specimen (or required quantity) in any one section or class. This rule is not to apply to animals.

19. During the exhibition all vegetable products and manufactured articles shall be under the control of the Exhibition Superintendents, and all live stock shall be taken charge of by their owners,—the Superintendents giving all practicable assistance in providing the necessary accommodations and food. Hay, straw, oats, and roots will be supplied on the grounds at reasonable prices, and there will be a free supply of water.

20. All articles exposed for sale shall have the prices affixed, and be sold by the owners, or by parties appointed by them for that purpose. No auctioneer will be allowed to sell animals or articles on the grounds or in the building without the written permission of the President or Secretary of the Committee, and the time and place of sale specified in such permission must be strictly adhered to.

21. Articles sent for competition or exhibition shall not be removed from the exhibition rooms or grounds, till the time appointed, under forfeiture of any prizes or awards that may have been made to the respective exhibitors.

22. Any person who shall attempt to interfere with the judges while in the discharge of their duties, or who shall attempt to influence their decisions by his presence or remarks, or who shall afterwards, within the limits of the show grounds, use any contemptuous or abusive language, in consequence of any award made, shall forfeit his right to any premiums to which he might otherwise be entitled, and be otherwise dealt with as the Committee may determine.

23. Any exhibitor who may feel aggrieved in consequence of any irregularity, is requested simply to draw the attention of the Committee to the Department, or of some member of the General Committee to such, without entering into any discussion apt to cause hindrance or distraction. Should he not receive what he may consider sufficient redress on the spot, he must nevertheless abide by the decision given,

GENERAL REGULATIONS.

but he may, at the close of the Exhibition, bring the matter before the Committee by written statement, with a view to full enquiry.

24. No animal can be admitted within the enclosure that has not been previously entered in accordance with Regulations 6 and 7, and animals of an inferior character, unworthy of a place in the Exhibition, will not be admitted under any circumstances.

25* Space will be provided for any article that may be forwarded for exhibition, subject to approval of Committee, apart from such as are mentioned in the Prize List. Awards of merit will be given for such, all of which exhibits must be entered on the Secretary's Book in the manner prescribed for those that come within the Prize List.

29. Exhibitors must supply themselves with proper fastenings for safely securing the animals in their stalls. All bulls over nine months must have nose-rings.
