BOY'S MOTHER. (California Paper.) Mrs. John Smith, the wife of the inroom, bearing in her arms a pale and ston, proprietors. sickly-looking infant, ithe reporter saw before him a woman small in stature, with a round face. She was scantily with which tobacco has to be attended clad in an old dress, which seemed but after it is grown. It will imbibe odors of the mockery of an attempt to keep off almost any kind if placed near the source the cold gusts which now and then came of them. A pig sty, for instance, near sweeping the gaol yard. A scrap of a the place where the planter stores his shawl, gathered closely around her frail crops will impart a disagreeable flavor. form and that of her crying babe, added which no care afterwards will divest it of. mesgrely to her physical comfort, and Among the many precautions taken to formed but another line in the picture obtain a faultless leaf for the "Myrtle which had it not been for her surround. Navy" brand, is to ascertain carefully the ings, would have been an impressively methods which every farmer adopts with

stance reproduced below, she would, from time to time, look up into the reporter's face with the fierce flash of desperation in her eyes, and at other times the tears swelled up from long unused springs to flood the face and choke the sound of her roice. Her whole story seemed to be sincere: there was no effort at dissimula

"Mrs. Smith, you are here to answer the charge of assisting in the murder of your own son. Have you any objections to stating to me what impelled you to this act ?"

"I had nothing to do with it, sir. If I could have prevented it I would. My husband told me about an hour before he did it that the Lord demanded a sacrifice of us and that our boy had to die. I beg-CHATHAM. - - JANUARY 11, 1883. ged him to spare my boy. I cried and begged him to consider well what he was about to do, but all the answer he made Another fearful illustration of the sin of me was that Jesus Christ had died for us of men breaking away from authorised and the Lord had told him that our son had to die for His sake. He called my religious instructors and becoming "a law into themselves" is afforded in the follow boy out of the house and told him that he had to die for our Saviour. The boy ask MILWAUREE, Dec. 23. -- Ludwig Roes- ed him if the Lord had commanded us to chel's wife, and a son, aged 22, living three starve and Josiah told him "Yes." Then miles from the city, recently became in- the little fellow knelt down and I knelt sane through religious excitement. Roes- down by his side and his father stood up. chel disappeared on Tuesday. The neigh- He raised the knife, looked hard in the bours yesterday went to investigate, when boy's face, and then drove the knife into the son was found in bed singing hymns his breast. Oh ! it was awful, once it was

and shouting. When asked about his done!" father, the youth nonchalantly replied, "What do you mean? Do you mean to Sarsaparilla "He is in hell." Mrs. Roeschel said the say that the slaying of one of your childspirits had told her that Roeschel was in the wood skirting Lake Bluffs. The son 'No; I felt bad a little, but when he A HIGHLY CONCENTRATED admitted that the family "prayer meeting" was held just before Roeschel's disappearance. Roeschel's body was found saw the boy fall over and a great stream banging in a tree in the woods. It is sup- of blood come spurting from the body that

> blood on the floor of the house were "Had your husband ever been a religi-DOUBLE IODIDES | accounted for by the theory that Roeschel | ous man ? Had he ever shown any sympwas clubbed by his wife or son. Mrs. toms of religious insanity?" Roeschel received the news of the finding "No, sir. He was not a religious man. of the body without emotion, and said her He believed in God, but did not follow house was full of witches. When asked why her husband killed himself, she answered that "he had something on his this happened, and used often to read me swered that "he had something on his controlled the stabilish its superiority over the numerous mixtures called Blood Puringers and the while praying with God that the back. He was all the while praying with God that the Lord. I begged him not to thers?
> T. C. STRÁTTON, Esq.

EARS FOR THE MILLION Foo Choo's Balsam of Shark's Oil ositively Restores the Hearing and is the On y Absolute Jure for Deafness Known

This Oil is abstracted from reculiar species of small White Shark, caught in the Yellow See, known as Canchardoba Konderthi. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddheit. Priest about the year 1410 Its cures were so numerous and Many so SERMINGLY MERCULOUS, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no Deaffersh has existed among the Chinese Prople. Sent, charges prepaid, to any address at \$1.00 per bottle.

Hear What the Deaf Say! It has performed a miracle in my case
I have no unearthly noises in my head and he nucn better.

I have been greatly benefited.

My Ivafuess helped a great deal—think anothe ottle will cure me.

"Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation. Write at once to HAYLOCK & JENNEY, TDey Street, New York, enclosing \$1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never reg-et doing so."—EDITOR OF MARCATILE REVIEW.

How the Doctor was Paid.

"Two dollars a visit !" cried Dot in smay, forgetting entirely that she had me to look for a spool of No. 40 in amma's drawer, and opening her own eyes wider and wider as she read the heading of an old bill of Dr. Cogs-

And where is all the money to come you see?" from ?", she asked herself, sadly. "We will get vory poor," continued Dot, shaking her little brown head slowly over the bill. After thinking awhile,

Mamma and aister Margie were sew.

ing. Dot went quietly to Mrs. Ledyard and whispered:

won't we, Mamma?" Mamma smiled. A sad smile, Dot thought, as she replied : "You're better There's a nice fire on the hearth, and you can work away like a bee. We'll owing days:

"The doctor wasn't coming to see white turnips, sliced in a cutter, over need it soon, you know," added Mam- Donnie, after all, and there wasn't any which I scatter 21 bushels of shorts.

think I never once thought that Mamma and dister Margie were making those things to sell, nor how much 'twas costing to have the doctor coming every day, and sometimes twice a day. Poor Donnie! Perhaps he's worse than they SUCCESSFUL EXPERIMENTS WITH ENSILAGE.

right up here, while you tell Tom all thoroughly rotted, in better condition

After a while, Dot managed to say : who are ill, two dollars every time he in storing coarse fodder.

answered Tom, wonderingly.

him hundreds of dollars !" "I suppose we do, " he said.

eves swimming again. "No, I don't believe we have."

said Dot, with another sob.

are all waiting for you." "The boys have come, Dot," said and joists. The bottom of the sile was Tom, giving her a hasty kiss. "Now, also sm othed off with cement. The top FRESHNESS and PURITY

remember not to worry. It's coming of the sile was constructed of two-inch out all right."

"Tom always thinks everything's going to come out all right," she said, determined to be miserable. "I just know he thinks Dr. Cogswell isn't going to charge, but he is, for here's one bill though it is most permanent in its characteristics." to charge, but he is, for here's one bill and he's probably, got another all barrels of cement in its construction.

He could just as well not charge," be built of good material; but, excepting she went on, "for Edith Olcott told me for experiment, I do not regard wooden he was ever 'n' ever so rich, and that siles as economical in the end, since they he's got a house in the city even pret-tier than this. But how could one be?"

will only last a few years at the most.

Again, I would recommend to all those she wondered. "How could any room be lovelier than the one Mrs. Crane took Edith and me into the other day? the little one with the window looking on the lake, and the little bed with curtains and everything blue, carnet and the little bed with curtains and everything blue, carnet and the little bed with curtains and everything blue, carnet and the little bed with curtains and everything blue, carnet and the little bed with curtains and everything blue, carnet and the little bed with curtains and everything blue, carnet and the little bed with curtains and everything blue, carnet and the little bed with curtains and everything blue, carnet and the little bed with curtains and everything blue. tains and everything blue, carpet and of treading. I regret that I built the corners of my silo square, and intend at some ter's room, and she's coming in the future day to remedy this defect by makspring. Tom just wanted to comfort ing them on a circle.

they're workin' and cryin'." the words, "O God, please don't let it harvested an excellent crop, notwithstandbe more than we can pay." "Let ing the dry weather, my fields having what?" asked Mamma.

of it, for he happened in the next morn- less from the effect of drought than those
