WILD STORM OVER THE GREAT LAKES.

Several Wrecks Reported—Some Lives Lost

Steamer Sarah E. Sheldon Driven Ashore a Total Wreck—Two of Her Crew Drowned.

CLEVELAND, Ohio, Oct. 20.—During a fierce storm on Lake Erie today the steamer Sarah E. Sheldon went ashore four miles east of Lorain. She carried a crew of 13 men, a number of whom jumped overboard when the vessel began to go to pieces. It is believed that at least two of the crew were drowned. The Sheldon will be a total wreck.

The steamer Wisconsin, while leaving the Lorain harbor late last night, ran upon a partly completed breakwater, and for a time the vessel was threatened with destruction by the heavy sea. Later she was pulled off and it is now believed that she had sustained great damage.

The steamer Sarah E. Sheldon was loaded with coal for Detroit river and left here late last evening. She was caught in a heavy gale that set in shortly after she left this port, and it is thought became unmanageable as the result of a broken rudder. The boat finally struck on the rocks four miles east of Lorain and will go to pieces. The Sheldon is a wooden vessel built in 1875 and is over thirty years old.

The steamer Prince, a freight carrier which left here last night barely escaped striking the breakwater as she was leaving this port during the height of the storm. The vessel was thrown on her beam ends repeatedly. She finally managed to turn and reënter the harbor.

DETROIT, Mich., Oct. 20.—The lower lakes were swept last night by the heaviest storm of the season. Navigation across the lake at Kilm crossing at the mouth of the Detroit river is entirely suspended today for all but light draught craft. The forty mile southwest wind last night having lowered the stage of the water at the crossing to the lowest in many years. The wind reached 40 miles an hour here last night and today is blowing 30 miles and slowly increasing in velocity. Lake Huron is being lashed by a 42 mile gale off Alpena, while reports from Lake Erie today are that the wind is blowing 30 miles and increasing in velocity. The Michigan coast is being lashed by a 42 mile gale off Alpena, while reports from Lake Erie today are that the wind is blowing 30 miles and increasing in velocity. The Michigan coast is being lashed by a 42 mile gale off Alpena, while reports from Lake Erie today are that the wind is blowing 30 miles and increasing in velocity.

ROBBED AT HUSBAND'S GRAVE.

CHICAGO, Ill., Oct. 19.—Pickpockets robbed the widow of Patrick McGarry today while she stood at the open grave of her husband, a boiler manufacturer, whose murder a few days ago furnished the police with a mystery.

Shortly after the members of the family returned from the cemetery they discovered that bureau drawers had been looted. An examination showed that two purses, one belonging to Mrs. McGarry and the other to Mrs. Louis McGarry, her daughter-in-law, had been rifled.

\$40,000 FIRE IN HARTFORD.

HARTFORD, Conn., Oct. 20.—The furniture storehouse of Wise, Smith and Company, on Pratt street, which was known as the Old Courant Building was burned early today. There was great danger at one time of the flames extending to other structures, but the firemen were summoned by a general alarm and succeeded in confining the blaze to the storehouse. The building was filled with furniture, all of which was burned, the total loss being estimated at \$40,000. The cause of the fire is unknown.

WOMAN RUN OVER; FATALLY INJURED.

Fell From Train at Vanceboro—Crushed Body Arrived on Noon C. P. R.

Miss Lillian Fraser, of Cumberland county, Nova Scotia, is the General Public Hospital in a very critical condition and the physicians in charge have grave doubts as to whether she will live. Miss Fraser was injured early this morning by falling beneath a Pullman car at Vanceboro.

The injured woman, Miss Fraser, is about 35 years of age, and for some time past has resided in the vicinity of Boston. She was enroute to North Port, near Amherst, to visit her widowed mother when she met with the accident, which occurred on the Maine Central railway before the train was handed over to the C. P. R. Miss Fraser occupied lower berth, No. 3, in the Pullman that left Boston late last night. When the train reached Vanceboro early this morning Miss Fraser was up and dressed. She walked out to the front end of the Pullman car and was enjoying the early morning air while the Boston train and the Montreal express were being coupled together.

It was about 7:50 o'clock that the cars were shunted together and the sudden jar threw Miss Fraser from the platform. She fell underneath the Pullman and when her screams attracted attention to her she was lying underneath the truck of the car.

One leg was almost cut off, only a portion of the skin holding it to the upper portion, the cut being just below the knee. The foot of the other leg was fatally crushed and she had a bad cut on the forehead.

The Pullman car was the Dalmatian and the train people think that all of the big trucks went over the unfortunate woman but nothing definite is known. As soon as the accident was discovered Dr. Young of Vanceboro was summoned and he at once had an improvised cot arranged and the woman was placed on board an extra baggage car that was being brought to this city. The baggage car was used as it was found that the unfortunate woman could be made more comfortable there than in any of the other cars. Dr. Young accompanied her to the city. When the train arrived here the car was sent to No. 10 track, that nearest the driveway at the southern side of the depot where the ambulance had been backed in so that Miss Fraser was easily removed from the car to the ambulance and then to the hospital.

Dr. James Christie was at the depot at the order of general superintendent Downie of the C. P. R., who was also there to see that everything possible for Miss Fraser's comfort was done although the accident did not occur on his line.

Shortly before the Star went to press the officials at the Hospital said that Miss Fraser was still alive but very low.

FLY YOUR FLAGS TOMORROW FOR NELSON AND TRAFALGAR

Tomorrow will be the 100th anniversary of Lord Nelson's great victory at Trafalgar Bay and as a fitting tribute the day will be celebrated in every country where the Union Jack flies. Every school child knows that the great and glorious Nelson died for his country, every man and woman realizes his victories meant for the nation and every reader of poetry and prose has read the many songs and the patriotic eulogies of Copeland, Keble and the Nile to say nothing of Trafalgar.

The anniversary will be celebrated here by the Sons of England and St. George's Society. Tonight at White's restaurant the Sons of England will have a banquet. On Saturday evening St. George's Society will hold a smoker and patriotic evening and on Sunday morning the Sons of England will hold divine service at St. Mary's church. The order of service will be as follows:

Opening Hymn, "All people that on earth are true, to Deum and Jubilate to cathedral chants."
Prayers for the King.
Reading of the Declaration of the Rights of Man, 1789.
Anthem, "Fear not O Land, but be glad and rejoice."
Hymn, "Praise to our God Whose bounteous hand."
Hymn, "Praise the Lord: Today we sing."
The service will be read by the rector Rev. Dr. Raymond.

After the Benediction the national flag will be accompanied by the band of the 62nd regiment.

His worship Mayor White has published a proclamation asking all citizens to fly their flags on Saturday and there is no doubt that the city will be gay with bunting on that day.

Moncton Convention Endorses Plan—Reforms Suggested in S. S. Work—J. N. Harvey Superintendent

(Special to the Star.)

MONCTON, N. B., Oct. 20.—At this morning's session of the Sunday School Convention Rev. F. A. Wightman and John Morrison, of P. E. Island convention, were invited to seats on platform. T. S. Simms, the chairman of the executive committee, reported the following recommendations:

First—That a standard of excellence, possible of attainment, be adopted for the parish and county work.

Second—That the finance committee be instructed to make at the beginning of each year, a budget covering all probable outlays for the year, that in conjunction with the county executives they apportion this budget among the counties.

Third—That a new department, to be known as "The Adult Bible Class Department," be created and placed under charge of a superintendent.

The adult Bible class was organized in concurrence with the above and J. N. Harvey, St. John, elected superintendent. Rev. A. Leves reported from the joint convention on union with P. E. Island in favor of union, the organization to be known as the New Brunswick and P. E. Island Association. The report was adopted by a standing vote and the staging of the Doxology and prayer.

WOMEN WHO SHOULD NEVER MARRY.

The woman who promptly declares that she cannot have a pocket handkerchief, never made a bed in her life, and adds with a simper that she has "been in society ever since she was fifteen."

The woman who would rather nurse a pugdog than a baby.

The woman who thinks that men are angels.

The woman who would rather die than wear a hat two seasons old.

The woman who expects a declaration of love three times a day.

The woman who buys ornaments for the drawing room and borrows kitchen utensils from her neighbors; and who thinks table decorations are of more importance than good food.

The woman who wants things just because "other women" have them.

IRVING'S ASHES IN WESTMINSTER.

Buried Today Under Statue of Shakespeare.

Great Crowds Witness the Ceremony—King Edward and the Prince of Wales Sent Representatives

LONDON, Oct. 20.—Under the statue of Shakespeare as the interpreter of whose plays he won fame, the ashes of the Earl Henry Irving were today given burial in Westminster Abbey.

The service was held in presence of representatives of all walks of life. General Sir Dighton Probyn, keeper of the privy purse, and the Prince of Wales by Lieut. Col. Wm. H. P. Carrington, comptroller of the prince's household, while the cabinet ministers and ambassadors attended in person. Whitlaw Ried, who is visiting in Scotland, came to London purposely to testify America's regard for the dead tragedian.

Long before the hour set for the service immense crowds gathered around the abbey, and those having cards of admission were in their seats as early as ten o'clock. Those who were unable to secure admittance remained about the entrances until the conclusion of the ceremony, when, in common with thousands of others, they passed through to the burial place.

KID MCCOY WEDS A WEALTHY WIDOW.

His Fifth Marital Venture—Says He Is Through With Sporting Life—He Is Norman Selby Now

NEW YORK, Oct. 20.—The Herald says: Norman Selby, who during his career as a middleweight pugilist in the prize ring was known as "Kid McCoy," was married last night at the Algonquin Hotel here by the Rev. James L. Lee, of the Westminster Presbyterian church to Mrs. Lillian E. Ellis, widow of the late Edward C. Ellis of Schenectady.

Immediately after the ceremony Mr. Selby said that he had dropped the name of McCoy forever. He remarked, "I promised my wife that when we married the sporting life I have led would be left behind. I have seen everything. Nothing in the long experience I have had with sporting people appeals to me. With that kind of life I am done. I intend to drop the name of McCoy forever. I want my friends to know that it will offend me if they pledge their assistance in this matter. I am now getting to be a business man."

It is Mr. Selby's fifth matrimonial venture. He was twice divorced from and three times married to Julia Woodruff. It was during his stay at a farm in Saratoga that Edward C. Ellis and his wife, who was formerly Lillian Earl, an actress, became acquainted with Mr. Selby.

Ellis was a man of wealth. He inherited a fortune upon the death of his father, the founder of the Ellis Locomotive Works at Schenectady. His health was willed to his wife when he died in 1904.

MILLIONAIRE MOTORIST TRIED FOR MANSLAUGHTER.

NEW YORK, Oct. 20.—A cable despatch from Paris says: Elliot Fitch Shepard, a son of the late Col. Elliot A. Shepard, and a grandson of the late W. H. Vanderbilt, was arraigned yesterday on a charge of manslaughter. On August 8 he was automobiling in company with Tom Thorne, a race horse owner, and the car which Shepard was driving struck and killed a girl. Ex-Minister Poincaré conducted the prosecution. He made a scathing attack on the prisoner, which aroused some of the audience to such an extent that the president of the court threatened to clear the room.

He said the time of the accident the car was travelling at the rate of eighty miles an hour. The prisoner was fully aware of the rate, but did not stop. Shepard testified that the automobile was going only at the rate of 15 miles an hour. They did not know that an accident had occurred until they read of it in the newspapers. The court deferred decision.

PIONEER EXPRESSMAN DEAD.

The town of Lucerne has bought for \$200,000 the old guillotine, and announced that it will lend it to other towns at \$50 an execution.

FAIR OF NATIONS ENDS TOMORROW.

Yesterday's Success Beats All Records.

But for Prince's Arrival it Might Have Continued Next Week—3,000 in Attendance Yesterday.

Lead Fair of Nations. After some consideration this morning it was definitely decided that the Fair of Nations should close its doors on Saturday evening, the principal reason being that the rink is needed next week for the Prince's reception. It was also decided that the children of the Protestant Orphan Asylum and of St. Vincent's Asylum should be invited tomorrow. A new attraction, which was decided upon this morning, was that tomorrow, in the tea room, starting at six o'clock, suppers of bread and brown bread will be served for 25 cents. This new feature will probably be very popular.

The programme, which will be rendered by St. Mary's band this evening, is as follows:

March—The Staffords, Orde Hume. Medley—Overture, It's Up To You, Mackie Meyer. Serenade—Summer Dream, P. Hans Fish. March—Yankiana, F. C. Lettis. Waltz—Down the Vale, Ernest Allen. Medley—March, Patriotic, Williams. Selection—Bohemian Hall, Balfe. Waltz—Just For Elms, Manly and Durand. March—Megaphone Bells, Dr. E. M. Blakey. God Save the King. (Continued on Page 4.)

LAWSON HOLDS MANY INSURANCE PROXIES.

May Get Control of the Big Companies—He Holds More Proxies than the Officers.

PHILADELPHIA, Oct. 19.—The Press today publishes the following statement in reference to insurance: "Considerable interest has been manifested in Boston ever since the announcement was made by Thomas W. Lawson in an interview, that he held over 15,000 proxies from policyholders as to the details of his holdings. It is known that a large number of western policyholders have responded to Mr. Lawson's request for proxies and that the governors and insurance commissioners of several western States have pledged their assistance in this matter. The following figures have been obtained, showing just what has been accomplished. The estimates in the following statement have been compiled only until August 20 last, though the clerks in Lawson's office are busy tabulating the returns received since then. The figures up to the beginning of the present month will be completed in a few days and will then be made public.

"From June 20 last to August 20 Mr. Lawson had received proxies from policyholders in the New York Life, whose policies represent a total of \$17,850,100; in the Equitable they represent \$18,745,266; in the Mutual Life, \$13,977,640; and miscellaneous insurance to a total of \$4,247,610, or a great total of \$54,820,616.

"In his testimony before the investigating committee in New York, President McCall, of the New York Life, testified that about 25,000 proxies were held in the home office by himself and associates and on these the annual election for officers and directors were controlled. It is believed that when the total number of proxies received by Lawson is made public, it will show that he controls more proxies than any of the officers of the big companies.

Mr. Lawson is perfecting a scheme to make these proxies operative, but just how he proposes to work out his scheme has not yet been fully developed.

The Big Wrestlers Have Gone to Montreal—Mt. Allison Defeats St. Joseph's at Football—McGovern in Old Time Form.

WRESTLING.

BIG MEN GO TO MONTREAL. Geo. Kennedy left last night for Montreal with his two husky wrestlers, Maupas and Hedger. The latter was feeling pretty dejected over his defeat of the night before, but there was perfect friendliness between the men, and wrestlers rarely have cause for ill-will towards another.

Maupas had a blackened eye and both had fingers more or less wrenched, but otherwise the night's hard bout had left no mark upon them. As neither man can speak English an interview was hard to obtain. Maupas by the way is an expert photographer and could show some splendid negatives of himself which he had taken and developed.

On Friday these big men which Kennedy has drawn to Montreal with the lure of the \$10,000 prize, will meet at Schenck park. Here Maupas will go up against another French wrestler by the name of Paul Chouinette. Karl V. DeWitt, who has twice met Maupas without either scoring a fall, will clinch with Apollo, the Irish giant, who tips the scale at 285 pounds.

Stefan Logier and Geo. Schnable will also appear the same night.

ATHLETIC.

HAD A SPLENDID RECORD. Alfred Schrub, who was recently suspended by the Amateur Athletic Association of England, has made a record in the athletic field. For years he won the four and ten mile championships of the National and Southern Counties Cross-Country Associations, and for years he was holder of the one mile flat championship. He holds all amateur records from one and a half to eleven miles, his time for the former distance being six minutes 47.3 seconds, and for the latter fifty-six minutes 23.4 seconds.

FOOTBALL.

Mt. Allison, 14; St. Joseph's, 0. SACKVILLE, N. B., Oct. 15.—The Mt. Allison football team defeated the St. Joseph's football team 14 to 0. In the first half the St. Joseph's boys started in with a rush and made things interesting for the home team, but Mt. Allison gradually forced the ball toward the visitors' territory, and Doe in a mix-up secured the ball, making the first try for Mt. Allison, which Jake Line, which Jakeman succeeded in kicking goal. Score, 11 to 0.

In the second half the ball hovered around centre field until the latter part of the half, when Doe secured the pigskin and placed it once more behind St. Joseph's line. During this half Centre Manning, Slatery and Jakeman were slightly injured, which put a damper on matters for a while. Attridge replaced Comler.

DROWNS HER BABY; THEN TRIES TO DIE.

WINSTED, Conn., Oct. 19.—After drowning her five months old son in the Farmington River, Mrs. Henry Collins, twenty-two, of Collinsville, who was released from the State Hospital for the Insane at Middletown last Friday, attempted suicide today in front of the Chicago express on the Central New England Railway, near Cherry Brook station.

When she heard the shrill blast of the locomotive and the rattle of the train bearing down on her she rolled off the track, where she had thrown herself. Questioned by the crew of the express why she had attempted her life, the woman, whose actions showed she was mentally unbalanced, said: "I have killed my baby and I want to die. I am sorry I didn't have nerve enough to stay on the track."

Search for the child disclosed it in the shallow river, a short distance away with a heavy stone on its breast. At the home of Catherine Collins, where the woman was taken from the railroad track, she said:

"I am glad little John is dead. He was better 'normal.' I first threw him into the river and he drifted down stream quite a distance and lodged out of water. He cried, and I waded into the water, holding his body over my head, while I placed a stone on his chest."

In the first round show that a second was wasted in getting the men into action. Half a dozen boxers climbed through the ropes and announced their challenges. They were gotten rid of in record time, and then the gang rang for the men to begin. For one of the second was called slowly out of their corners there was the suspense which always follows the other defeat, such as George Dixon's another in the same ring at Murphy's hands a few weeks ago.

Then there was a flash. McGovern was in action. Like a panther leaping at his prey, McGovern sprang across the ring. Murphy was prepared for the rush and neatly sidestepped. Again Terry was after him. This time McGovern's left glove reached Murphy's face and the Harlemite clinched. McGovern held himself free before the other had a chance to try his favorite up-curtain with his right. Two more rushes and clinches followed in rapid succession.

Then Murphy rushed and his left and right reached Terry's face. The latter noticed them no more than if they had been caresses of a fly. Terry rushed again and received. Murphy stood up after the next clinch and hammered away viciously, with Murphy breaking away.

"It's the same old Terry," said some one in the crowd, and a roar greeted the children of a Chinese mandarin. The British consul is co-operating with the United States authorities in demanding the release of the girls.

MONTREAL GIRLS SLAVES IN CHINA

Women in New York, Chicago and San Francisco Banded Together For Vile Traffic.

CHICAGO, Ill., Oct. 19.—Following a conference with the federal immigration authorities, who declare Chicago girls are being lured from their homes to become the slaves of wealthy Chinese in the Orient, Chief Collins last evening ordered Mrs. Lettie Hayward, 483 North Clark street, to leave Chicago in six months or go to jail.

While the authorities believe Mrs. Hayward is one of a band of women, some in Chicago ports and others in New York and San Francisco, who are exporting American women to foreign countries, Mrs. Hayward admitted she had made annual visits to the United States, always stopping at her home in Chicago.

The chief admitted he had been in communication with James L. Rodgers, United States consul at Shanghai. Mrs. L. E. Muller is said to be the Shanghai agent of the syndicate. Wealthy Chinese in Chicago and San Francisco are said to be implicated. Government officials made public yesterday names of several girls who have been brought from Montreal, Canada, to Chicago, and have disappeared. Evidence has been collected to indicate that the girls are offered work in hotels in Hong Kong or lured by descriptions of a life of luxury as governesses for the children of a Chinese mandarin.

EVICTED, SHE DIES OUTSIDE OLD HOME.

Woman Expires in Dark Hallway When Turned Out of Flat Where She Owed 6 Weeks Rent

NEW YORK, Oct. 19.—In a dark hallway, before the door of the apartment from which she had been evicted half an hour before, Mrs. Theresa Ross, forty years old, of No. 215 East Twenty-eighth street, died yesterday afternoon. By the light of a candle held by a neighbor, Father O'Connor, of St. Stephen's Church, heard the woman's last confession.

Haunted by the fear of being treated at a public hospital, the woman had fallen in arrears of her rent in order to pay a physician to attend her during the last two months. A bankbook showing a deposit of which \$21 remained to her credit was found in her handbag.

For five years the woman had lived in the four story tenement from which she was yesterday evicted. She was a cook, and until two months ago had steady work. The woman became ill, according to the neighbors, her husband, Dominic, deserted her. Along with the woman the woman became ill, according to the neighbors, her husband, Dominic, deserted her.

Let me stay in the flat over night," Mrs. Ross pleaded. "I'll never ask another favor of you." The janitor told the woman the marshal had locked the door.

"My husband may be able to let you in when he comes home," she added, as she left the woman.

A little later Mrs. Devano, a tenant, hearing a faint moan, went to investigate. Mrs. Ross pleaded for a drink, declaring she felt ill. Mrs. Devano gave the woman a glass of water, and left to return a little while later and find that the woman was half unconscious.

Suppose you do like the tea you are using. How do you know it is the best tea you can get for the money?

MANY were satisfied with the tea they were using before they tried Red Rose Tea. When they tried Red Rose Tea they found it had that "rich fruity flavor," found it was strong—that it requires less to make a cup of good tea than the brand of Ceylon alone they had been using.

Now, why not be sure you are getting the best tea to be had. You cannot be sure till you try Red Rose Tea.

FREDERICKTON NEWS

FREDERICKTON, N. B., Oct. 19--
The wedding is announced to take place here on Wednesday, Nov. 20th, of Miss Sadie Thompson, daughter of Senator and Mrs. F. P. Thompson, and H. LeRoy Shaw, son of Mr. and Mrs. A. McN. Shaw, now treasurer of the Imperial Life Insurance Co. at Montreal.

The china tea set offered by J. J. McCallan, Ltd., of St. John, N. B., proprietors of Tea Rose Blend, to the person who made the nearest to the correct estimate of the paid attendance at the exhibition, was won by Edward Duffy, of Lower Saint Marys, York Co., N. B. The exact attendance as given out by Secretary Hooper was 24,375, while Mr. Duffy's guess was 24,435.

Indian Commissioner Farrell visited the Indian village at Kingsclear yesterday, and presided at a pow-wow of the Millicet Braves of that place for the election of a chief. Andrew Paul, who has just completed his term as chief, was re-elected for another three years. In the evening the event was celebrated by a supper and dance, which was kept up until a late hour. Mr. Farrell says the Indians of Kingsclear are peaceful, sober and industrious, and give him very little trouble.

It has been learned that the depart-

is not a case of an elopement that was
intimated, but was because of ill-treat-
ment, which she says she received from
her husband. She is credited with say-
ing that her husband was jealous of
her and used to frequently abuse her.
The woman left for Boston by boat
last Saturday, and is now located in
Merrimac, Mass., where she is earning
her own livelihood and making plans for
the education of her child.

ST. JOHN STAR.

ST. JOHN, N. B., OCTOBER 20, 1905.
NELSON AND TRAFALGAR.

A hundred years ago tomorrow
Trafalgar was fought and Nelson died.
And though many things have happened
since that day and all who shared
in its glory are dust these many years,
British hearts still beat high to the
memory of its greatness and British
love and honor for its heroic victor
have lost nothing in the wear of time.

It is a fortunate thing for Britain
that the cynical assertion, "The evil
that men do lives after them; the good
is oft interred with their bones," was
not verified in Nelson's case, fortunate
that the glorious status of his private
life are forgotten and "in their stead
his name and glory cling to all high
places like a golden cloud forever."

For, minus his sins, as he stands in the
mind of the people now, there is not in
all British history a more splendid ex-
ample of British worth, not one whose
qualities of heart and mind, whose
magnificent courage, passionate loyalty
and unswerving devotion to duty better
fit him to be a pattern and an inspira-
tion for those upon whom the empire
depends today.

And there has been no Englishman
who has inspired more men to emulation
of all that was best in him. There
have been others as brave and as loyal
and as devoted but none of them has
won the hearts and seized the imagina-
tions of the people as Nelson has. His
life, which reads like a romance, his
fascinating personality, his wonderful
victories and his dramatic death all
have tended to apotheosize him as the
deity of militant patriotism. And
everyone who has worshipped at his
shrine is, for that devotion, a better
Briton.

"No one or twice in our fair island
story the path of duty was the way to
glory," and none ever more splendidly
came by the arduous path to the
shining tablelands than Nelson.
Duty was the keynote of his career
from the day when, a twelve-year-old
lad, he entered his country's service to
the day, just a hundred years ago,
when, his service ended, he whispered
with attentive lips "I have done my
duty." It led him to the Arctic and to
the tropics and over almost every sea
and through innumerable
battles, but he followed joyfully.
What it brought him through was suc-
cinctly summarized by himself when,
after his victory over the Spaniards at
Cape St. Vincent he was required to
present to the government, as a matter
of form, a memorial to entitle him to a
pension. He said he had been in four
general actions with the fleets of the
empire, in three cutting-out expeditions
and in the capture of three towns. He
had served ashore with the army four
months and commanded the batteries in
two sieges. He had personally as-
sisted in the capture of seven sail of
the line, six frigates, four corvettes,
eleven privateers and fifty sail of mer-
chantmen. He had been engaged with
the enemy one hundred and twenty
times, in which service he had lost his
right eye and right arm and received
several severe wounds. And this was
before his three crowning victories; the
Battle of the Nile, in 1798, the Battle
of Copenhagen—when he battled fierce
came forth all the might of Denmark's
crown," in 1801, and the Battle of Trafal-
gar, on October, 21st, 1805, when he
paid the last full measure of his devo-
tion.

The stories of this great fight indicate
that Nelson knew before the battle
joined what lay await for him there
and prepared to meet it as fearlessly
as he had met every chance into which
his loyalty led him. He wore his
admiral's coat with all his stars.
"In honor I gained them," he said in
answer to his friends' remonstrances,
"and in honor I will die with them."
Later, when all preparations for the
battle were ready and he had bidden
his captives farewell, he said, "I can do
no more. We must trust to the great
Dispenser of all events and the Justice
of our cause. I thank God for this
opportunity of doing my duty." Then,
as his last word to the men he loved
and who worshipped him, he flung out
the imperishable signal that shall thrill
British hearts as long as British blood
runs red, "England expects every man
to do his duty." A few hours later he
thanked the God into whose presence
he was passing that England had not
been disappointed and that he himself
had been allowed to fulfill the expectation.

It is a greater England now, thanks
largely to this heroic man, and the
need is greater also for men who will
do the duty that their country sets
before them. The foes are not the
same as called out of Odis Day that
great October morning; they come not
with guns and cutlasses and banners;
they are not even foreign—but they are
more deadly dangerous than those
whom Nelson crushed and the spirit that
filled him and his men was never
more sorely needed than now. Right
in our midst they creep and crawl,
gnawing at the foundations of national
honor, of national self-respect and
decency. Oh, for a man of Nelson's
courage and Nelson's spirit to wake
the people and lead them and save us
again.

Yes, 100,000 times each day. Does
it send out good blood or bad blood?
You know, for good blood is good
health; bad blood, bad health. Ask

THE WIND IN THE WOOD.
The wind is walking in the wood,
I hear him whisper to the trees;
They stand as they have always stood—
They cannot wander where they
please.

He murmurs to them soft and low,
They start and tremble to and fro,
But firmly rooted they remain.

For on a midnight wild and black,
When louder, fiercer came the call,
A birch tree in the tempest trembled,
Once struggled to escape their thrall.

And, lo! at daybreak she was found
From her companions torn apart,
Her leafy crest along the ground,
Shattered and riven to the heart.

missions for the current year. A com-
mittee was appointed to regulate sal-
aries of missionaries in the home field.
A grant of \$10 was ordered to be paid
to Whitehead church, Grand Manan.
At the close of the meeting a special
meeting of the executive for the Baptis-
t board was held. It was decided to
pay the balance of the 20th century
fund to the new home mission com-
mittee as soon after incorporation as
possible, and all notes held by the
previous treasurer for money loaned by
the former board, are to be delivered
to the trustees of the 20th century fund
to be held by them until the incorpo-
ration of the new company.

A joint meeting of the executives of
the Baptist and Free Baptist Young
People's conventions was held in Mon-
ton on Wednesday night, and it was
then decided to unite the work in the
several fields at once.

DIAMOND ADVICE.

PUT YOUR MONEY INTO DIAMONDS.
Diamonds in your possession
represent money—more money
than you pay for them after you
have worn them a while, for the
advance in price is very marked
and there is positively no danger of
Diamonds depreciating in value in
our time. Of course it is always
necessary to choose wisely and get
the right prices when you make
your selection; therefore it is es-
sential that you should choose your
gems at a responsible house and I
have a record and a reputation I
can't buy for them after you have
a stock of set and unset gems allow
for the best selection in this city or
province.

Respectfully yours
W. TREMAINE GARD,
77 Charlotte St. Direct Importer.

UP OR DOWN?
Hi—The last time I ever saw Jones
he said he didn't like this city—that it
was too hot for him.

Hi—How did it turn out?
Di—I guess he'd rather be here than
where he is now.

Hi—Where is he now?
Di—I can hardly say. He's dead.

TOO BAD.
He—Snaggs went out in his new au-
tomobile for the first time yesterday.
She—Supplies are likely to be scarce
towards the end so that if the friends
of the Y. M. C. A. would make another
effort it will be much appreciated.

FAIR OF NATIONS.

(Continued from Page 1)
The Fair of Nations has now opened
for the third day. All this morning the
ladies worked industriously cleaning
the booths and restocking them. Al-
though the ladies in charge made little
effort to induce the visitors to pur-
chase, there was hardly a booth without
some goods for sale.

The ladies in the tea room were par-
ticularly busy this morning recovering
from last night's devastation. 214 tickets
were taken up on the first night and
220 tickets last night so that with the
kindness, attentiveness and ladies,
at least 600 meals must have already
been supplied. The St. John people
have proved most generous in supply-
ing the tea room but with the wonder-
ful demand which is being made upon
the supplies are likely to be scarce
towards the end so that if the friends
of the Y. M. C. A. would make another
effort it will be much appreciated.

The Japanese booth to-day is prettier
than ever. Among the new supplies
which have been obtained are Japanese
postcards which will probably have
a good sale. There is a very interesting
collection of old Japanese stamps.
This is a piece of Japanese em-
broidery over 100 years old on which
the initials of the Emperor Meiji are
embroidered. The embroidery is on
the tail of a tortoise which attained its
tail after 10,000 years. Arishima, was
a Japanese who is said to have lived
300 years, the god of Longevity having
presented him with a box which he
never leaves to open. Arishima ob-
eyed this injunction for 300
years when persuaded by his young
nephew he opened the box and
expired immediately. The legend
has a remarkable resemblance to the
fall of Adam and the penalty. It is the
intention of the ladies to charge a five
cent admission fee, to-night as was
done last night at the Turkish booth.
The ladies and the Canadian booths
this morning were reinforced with
large quantities of refreshments. The
Canadian booth with its pretty post card
display, has been fairly stripped. Of
the 100 post cards, only about 40 are
left. These however include some very
pretty Japanese war cards which have
not hitherto been displayed. If any cards
are left on Saturday it is proposed to
have a reduced sale for the children.

The Scotch booth last night was in
charge of Mr. Ernest Philip. Mrs.
Frank Peters and Mrs. Percy Bourne,
assisted by Misses George Collins and
Pearl Leavitt. Today Mrs. Gilchrist
and Mrs. Collins are in charge. Two
pipers each night make the air tremble
with the barbarian, but Scotch music
of the bag-pipes. It is not so regarded by
the Scots who gather for every cor-
dial at the first sound of the pipes.
Yesterday there were no less than
1,000 paid admissions and standing
room was at a premium. The Artillery
band gave a splendid programme dur-
ing the evening. The St. Mary's band
will furnish music tonight and the
Cornet band has volunteered for Satur-
day evening.

MORE INJUSTICE OF AMERICAN OFFICIALS.

An aged man and his son, his sole support, were ruthlessly separated yesterday in the Union depot by the U. S. immigration officials, and the old man sent on to his destination, Worcester, Mass., while the young fellow was detained here.

The two are Italians, named Nicholas and Mack Ghina, who about sixteen years ago settled in Worcester. Some time ago they moved to Inverness, Cape Breton, and started a dry goods store there. The business did not prosper and they decided to return to Worcester, where Mack Ghina was earning good wages as a weaver.

The young man had his right eye injured seven years ago as a result of a fall from a tree, and the iris is partly clouded. For this reason the officials refused to allow him to re-enter the country where for years he had been a reputable citizen.

BIG FALLING OFF IN CANADA'S EXPORTS.

OTTAWA, Oct. 19.—The trade statistics for the Dominion for the quarter ended September 30, was issued today. Compared with the same time last year, there is a decline of more than \$1,000,000 in the exports, which is to be accounted for by the slow movement of the most important commodities. The Montreal papers have been commenting upon this fact. The imports show a gain of more than \$1,000,000. The imports were \$7,824,845, compared with \$5,585,865 for the three months in 1904, or an increase of \$2,238,980. The value of the exports was \$1,183,815. There was a decrease of about \$2,000,000 in the output of the mine, a similar amount in the output of forest products, and their products increased by about \$300,000. The agriculture decreased by about \$2,500,000, while manufactures show a gain of more than \$200,000.

IRISH GUARDS' BAND.

The Irish Guards' band last Monday evening proved to people of St. John that it is the finest musical organization that has been here for years. The pleasure found by those who attended the concert may be repeated on Tuesday evening next, when the band will again appear in the Queen's rink. Two concerts will be given, in the afternoon and evening, and the prices of admission will be lower than on the previous occasion. For the afternoon concert tickets will be fifty cents to all parts of the building, and for the evening, fifty, seventy-five and one dollar will be charged. An entirely new programme will be provided, and by request several of the selections given last week will be repeated as extras. The plan of the seats will open on Monday at A. Chip Smith's drug store, and as the seating capacity of Queen's rink is less than that of the Victoria rink all who intend hearing the concert should secure their tickets early.

"I forgot myself," he said humbly. "You forgot me," she protested gently, touched by the sign of contrition.

CHAPTER X. THE next two months were busy ones for Brewster. Miss Drew saw him quite as often as before.

His greeting almost carried Monty off his feet. He took him long to grasp the immensity of the disaster.

"Good heavens, Monty!" cried the broker. "You're joking. Lumber is away up now. It can't possibly go a fraction of a point higher."

caught napping again either," said one of the bystanders earnestly. "Do you think so?" And there was a note of relief in Monty's voice.

When Brewster's bewildered eyes raved over the figures the stock was quoted at 112. His sigh of relief was heard, but misunderstood.

There had been little to excite the Stock Exchange for some weeks; nothing was active, and the slightest flurry was hailed as an event.

CHAPTER XI. IT was not that he had realized heavily in his investments which caused his friends and his enemies to regard him in a new light.

GASTAWAYS LEFT TO FATE AT SEA. Gloucester Fisherman in Dory, Frantic With Hunger and Thirst, Accuses British Tramp.

(New York Herald.) With the quiet manner of one who admits defeat at the hands of a long fought enemy, Ben Benson, Gloucester, leaned over the rail of the steamship Heilig Olav yesterday, and told how he and his dory mate had become separated from their vessel by a fog off the banks; of six days spent in the lussing cockpitshell with no food or water, and how nearly crazed with thirst they were finally picked up by an outward bound steamship, which landed them so unscathed.

While it seems incredible that a ship should encounter castaways at sea and leave them to their fate, yet Benson asserts that this one did. He maintains that the steamship, which he thinks was a British tramp, passed so close that he could distinguish figures on her bridge, and passed on her way, without the faintest glimpse of the castaways.

DESPAIR THEN SETTLED ON THE LITTLE craft and the pangs of thirst and hunger came back with added torture.

MCGURDY SAYS HE HAS NO INTENTION OF RESIGNING

NEW YORK, Oct. 19.—Richard A. McGurdy, president of the Mutual Life Insurance Co., made the statement today that he had no intention of resigning, that he was elected to serve until June 7, and nothing can nor will drive him out. It was also announced from the district attorney's office that no action will be taken regarding the George J. Plunkitt matter that was turned over to the district attorney yesterday by the legislative committee that is investigating the insurance companies.

After one of the most sensational and strenuous weeks of the insurance investigation, the committee just before adjournment today concluded the examination of Richard McGurdy, with the exception of a few details he is to supply next week.

Mr. McGurdy has been on the stand the greater part of three days of this week's session, and some of his testimony has been the most startling of any that has been adduced before the committee. His testimony today, however, was very much of a technical nature, though it was of much value to the committee in its work. When he resumed the stand this morning it was to take up his testimony as to the Mutual Life's connection with trust companies that was interrupted by adjournment yesterday. The information furnished by Mr. McGurdy disclosed that the trust companies with which the Mutual Life was connected became very prosperous soon after they were taken up by the Mutual Life. Two cases in point were the Morris Trust Co., at Merriestown, N. J., where the McGurdy family lives, and the U. S. Mortgage and Trust Co. The former is now controlled by the Mutual Life, and Mr. McGurdy testified that besides being a director of this trust company he is a large stockholder and would take more stock if he could get it.

FIRST ALDERMAN FOR LORNE WARD

Stephen E. Stevens, an Old Landmark of North End, is Dead.

The death occurred last night of Stephen E. Stevens at his home on Charlotte street. Mr. Stevens, who had reached his 82nd year, was one of the old landmarks of Indian town, where for years he was engaged in the lumber business. He enjoyed the distinction of being the first councillor from Lorne ward in the town of Portland, prior to the union. He was born at Westfield, Kings Co., and lived in Indian town up to a very recent period, when he removed to the city proper.

Mr. Stevens is survived by his wife and six children—Robert LeBaron Stevens of this city, Arthur W. Stevens of Portland, Me.; Tilly Stevens of Boston; Mrs. Herbert W. Barber of this city; Mrs. Beverly Murphy of Appleton, Wis.

A NOTED PREACHER AND WRITER FROM NEW YORK

Dr. James M. Buckley Will Occupy Centenary Pulpit at the Anniversary Services.

On Sunday next the anniversary of Centenary church will be observed. The preacher for the occasion is Rev. James M. Buckley, D. D., of New York. Rev. Mr. Buckley is editor of the Christian Advocate, which is the leading organ of Methodism in the United States. He is not only the leading Methodist journalist in America, but is regarded as the best orator in the M. E. church assemblies, and one of the leading platform speakers in the denomination. He is somewhat given to controversy, and is a regular contributor to magazines and reviews. He will preach at both services in Centenary on Sunday, and will lecture on Monday evening on "Strange Phases of Human Nature." Dr. Buckley speaks altogether without manuscript or notes. For the Sunday services special attention is being paid to the musical programme.

TIMELY RAIN SAVES GAGETOWN

(Gleaner.)

There is an old saying to the effect that it is an ill wind that does not blow somebody some good, and this saying was brought particularly to notice last night or early this morning when a heavy rain commenced to fall and put out the forest fires which have been raging in Queens and Sunbury counties.

The rain came just in the nick of time, and by its timely arrival thousands of dollars' worth of property was saved, as the flames had reached a point right on the outskirts of Upper Gagetown, or between 300 and 400 yards from the centre of the village.

WANT SURTAX ABOLISHED.

The tariff commissioners are expected soon in the city and merchants engaged in different lines of business are beginning to look about them and consider what representations will be made. Among the questions which will come up is the abolition of the German surtax. At the present time, there are certain lines of goods including certain military supplies which are only made in Germany on which the tariff is 42 per cent, which the dry goods men consider too high. These merchants will ask also that English woolen goods be again included in the preference clauses.

THEIR EFFORTS ARE PREMATURE

OTTAWA, Oct. 19.—The announcement that the Grand Trunk Pacific Railway Co. will offer a prize of \$200 for the best name for the terminal port of the road on the Pacific coast has aroused widespread attention throughout the country. Letters are pouring into the head office from all parts of Canada, suggesting names, but all these propositions are premature. Details of the competition will be announced in due course, and until such time as the conditions are made known intending competitors will save themselves unnecessary work if they refrain from communicating with the officials now. Three officials of the interior department at Dawson have been suspended for being mixed up in a wood contract scandal.

U. S. ASPHALT CO. AIDED VENEZUELA REVOLUTION.

NEW YORK, Oct. 19.—The payment of \$130,000 through American asphalt companies to support General Matos' revolution in Venezuela was testified today by General Avery D. Andrews, vice-president of the National Asphalt Company. Mr. Andrews gave this testimony before U. S. Commissioner Gilchrist in the taking of evidence to be used to settle the suit of the Venezuela government against the New York and Bermuda Asphalt Co. for \$11,000,000 damages for this company's alleged participation in General Matos' revolution. Early this week General Francis V. Greene, former president of the National Asphalt Co., testified to the payment of \$100,000 to General Matos said that not only was the \$100,000 paid but that General Greene failed to reimburse an additional payment of \$30,000 to the revolutionists. General Greene himself personally authorized and approved this latter payment, the witness said. He added that the \$100,000 had been furnished by the Asphalt Company of America, a subsidiary company of the National Asphalt Co.

General Andrews said that this money was really extorted; that it was paid to protect the property of the company and not in voluntary support of the revolution. He said that General Matos came to New York in the summer of 1901 and upon his representation that the company's property was in danger they had paid the \$100,000 and the \$30,000.

\$100,000 THIEF ARRESTED; MONEY MOSTLY RECOVERED

BRIDGEPORT, Conn., Oct. 19.—Edward George Cunliffe, the Adams Express employee who disappeared from Pittsburg with \$100,000 in cash, was arrested here today. He made a confession and expressed his willingness to return at once to Pittsburg. He declared that the money which he took was in the city and that it could be restored, but he declined to tell until his return to Pittsburg. On his person when arrested the detectives found \$200 in cash. Pinkerton detectives traced the fugitive here at this noon he was seen walking down Middle street and was placed under arrest. Cunliffe made no attempt to deny his arrest, and offered no resistance to arrest.

BRISTOL, Conn., Oct. 19.—Nearly \$50,000 of the money stolen by George E. Cunliffe, Oct. 8, from the Adams Express Co. in Pittsburg, was recovered tonight at the home of Joseph W. Boardman, Cunliffe's brother-in-law. For just a week the fortune had lain in an old suit case unknown to Boardman, who was holding the valise expecting its owner would call for it in \$25,000. The exact sum found was \$49,925.55.

Anything for which men and women spend money can be successfully extorted, if you go about it in the right way.—T. W. Crosby, in Agricultural Advertising.

"AN ABSURD AND FOOLISH RUMOR"

QUEBEC, Oct. 19.—Hon. Chas. Fitzpatrick, who arrived in Quebec this morning, simply used the words: "An absurd and foolish rumor," when his attention was called to the reports published of Sir Wilfrid Laurier's probable resignation. Mr. Fitzpatrick will attend the complimentary banquet to be tendered Hon. S. N. Parent by the citizens of Quebec tonight at the Chateau Frontenac. Sir Wilfrid Laurier and Messrs. McLean, Reid and Young, members of the government railway commission, will arrive this afternoon to attend the banquet.

HALIFAX, N. S., Oct. 19.—At a conference held between the Dominion Coal Co. officials and the P. W. The company agreed to make a test of the explosives for the next two or three weeks, and in the meantime will supply bobblitt to the men at the same price as ordinary powder. The men of Dominion No. 2, who went out yesterday on the powder question, will resume work under the above conditions.

IMPORTANT JUDGMENTS IN EQUITY COURT. Reference Ordered in Ouellette vs Lebel--Judgment for Eastern Trust Co., in Suit Against Mrs. Jackson.

IN EQUITY COURT this morning Judge Ouellette in the case Ouellette vs. LeBel, and in the case of the Eastern Trust Co. vs. Jackson.

The first case was held at special sittings of the court held at Andover. The plaintiff conveyed land to the defendant with the understanding that he should maintain and support him.

There was a mistake in the deed of conveyance as to the property conveyed, as admitted by both parties. The plaintiff had a lien on the property and the question arose as to whether he could enforce the lien having ceased to reside on the property.

A reference was order. W. F. Kerton, of Grand Falls, for the plaintiff and Fred LaForte for the defendant.

The case of the Eastern Trust Co. vs. Jackson arose over a dispute over certain bonds and money belonging to the late George R. Jackson, of Charlotte county, who made a will in which he devised his estate to his wife, a number of relatives and Sutton Clark, his business partner, in definite proportions.

Mrs. Jackson alleged that her husband shortly before his death gave her a package containing about \$1,000 and bonds valued at some hundreds of dollars, telling her to put the package in her trunk and to lock it. He further gave her money which he expressly stated was for her personal use.

Mrs. Jackson claimed the contents as a dying gift. His honor held that as the deceased had on the day of his death made a will, in which he provided for Mrs. Jackson, and also because Mrs. Jackson's evidence was not clear as to the deceased making any statements at the time showing that he intended it for her personal use, the gift could not be supported and ordered the package to be handed over to the plaintiff, the costs to be taken out of the estate. Jas. A. Bejays, for the Trust Company, Dr. Earle for the residuary legatees and A. J. Gregory for the defendant.

THIS EVENING. Harkins Company at the Opera House. Meeting of Scarlet Chapter in Orange hall.

SCHR. ALPH W. PARKER A TOTAL WRECK.

Ran Ashore at Cape Cove--Capt. Brooks Her Owner, Lst Also About 5,000 Fresh Fish

Captain Powell, of the steamer Westport III, which arrived in port yesterday afternoon brought the news of the total wreck of the fishing schooner Alph W. Parker.

The loss of the schooner took place on Wednesday at Cape Cove, near Yarmouth. The weather was thick when the schooner ran ashore.

There was quite a sea running at the time and it did not take long to smash the vessel's hull into splinters. Captain T. W. Brooks and crew had to take to their boats to save their lives.

The vessel had a cargo of about 500 fresh fish and the total loss will be between \$1,500 and \$2,000.

The Parker was owned by Captain Brooks, her commander. Captain Brooks and the crew were picked up by the steamer Westport III, at Cape Cove and taken to Freeport on Wednesday night.

The Alph W. Parker is a well-known vessel in this port and Capt. Brooks has the sympathy of very many friends along the harbor front.

COLLIER'S AGENT FATALY INJURED. A despatch from Quebec says that H. M. Henderson, of St. John, the new agent there for Collier's Weekly was probably fatally injured in a collision between a runaway freight car and a passenger car on the Levis electric railway line.

Mr. Jones says the matter is ready for the courts but declined to give any particulars saying he wished first to consult the officials here.

Fred L. Jones, chief preventive officer of H. M. Customs, arrived on the noon train today from Montreal to look into certain matters here in connection with the sale of cigars that have been brought in underground.
