Card of Thanks

I wish to thank the citizens of town and country, for the very liberal share of patronage given me at my store during the year 1904. That our clean, frank methods of doing business has been appreciated by you is shown by the large volume of business done here.

Lam, yours very truly,

R. N. WYSE.

REASON Nº 2

Red Rose

Because it is tested by skilled tea tasters.

Tea tasting can well be called one of the fine arts. A man who can taste several hundred cups of tea a day. and, by his keen senses, detect the slightest difference between them, and who, blindfolded, can tell where each and every tea was grown, not only the country. but the particular district, and often the very plantation -such a man is the professional tea taster.

is a master in his profession. He learned the business in London: English long tea tester by right of birth, as both his Father and Grandfather were tea tasters. It came natural to her and he is to ognized as one of the best judges of the Aireste

He and his assistants do nothing but taste the teas: and superintend the line bg
