## DIRECTIONS FOR USING THE TELEPHONE.

---

Call by numbers only, add the letter if any.

When you are called, answer by removing the Telephone from the hook and speaking into the Transmitter.

Do not answer a call by ringing the Bell.

When conversation is finished hang up your telephone and give the Bell a short ring to notify the Exchange to disconnect your line.

Subscribers are respectfully requested to *respond promptly* to telephone calls.

Never leave your telephone off the hook after a conversation is ended.

The operator's duty is to attend to calls only.

Do not use the telephone during a thunder storm.

---

## LONG DISTANCE TELEPHONY.

---

Messages are received and repeated as understood by the Company's Operators, and the Company will not be liable for mistakes or delays in transmission or delivery, or for failure to transmit or deliver the same, beyond the amount of the charges paid to the Company.

The regular tariff rates will be charged for each connection made from a Subscriber's Telephone to outside points.

Subscribers will be held responsible for tolls over such lines whenever their instruments are so used. Refer non-subscribers desiring the use of the Telephone to the nearest pay station.

When a conversation on a toll line occupies over five minutes, one half the full rate will be charged for each additional five minutes, or fraction thereof.

Accounts for messages sent will be collected monthly from Subscribers.

No messages are sent "Collect."
