VICTIM OF FOUL PLAY

Minnie Stevens, Western Union Operator, Believed Murdered in New Brunswick

EDMUNDSTON, N. B., October 13.—The discovery of the body of Miss Minnie Stevens in the Madawaska river has caused intense excitement in this community. Indications point to murder. The attention of the police was drawn to the scene of the crime by the discovery of a set of false teeth and a hair switch. Spots of blood were found on a fence and a small pool of blood was also discovered.

The police officials followed the blood stains to within fifteen feet of the river where the bank is very steep. On further investigation the body of the unfortunate woman was found in the river near the spot. Marks found on the throat indicated that she might have been choked and other marks pointed to her having been hit on the head with some instrument.

Miss Stevens was seen about 9 o'clock Tuesday evening at the post office, which is about 125 yards from the place where the blood was discovered. Coroner Cyr has empaneled a jury to hold an inquest.

The body has been taken to Saint Beville hospital, where an autopsy will be performed. The blood stains were found first at a place near one of the principal streets of the town and within about fifteen feet of a street light.

Miss Stevens was assistant operator at the Western Union Telegraph company's office here. She came to Edmundston about three months ago from Middleton, N. S., and it is thought her home is near that place.

HALIFAX, October 13.—Miss Stevens, the victim of the Edmundston tragedy, was well known in different Nova Scotia communities. She was as the above dispatch says, employed with the Western Union at Middleton. While there she boarded with a lady named Mrs. Lodge, who knows her very well. It is also said that Miss Stevens worked in Halifax, but if she did it was not with the Western Union, as they have no recollection of her at the local office.

Miss Stevens' former home was in Aylesford, but she has not lived there for some years. She was an adopted daughter of Mr. and Mrs. Thomas Hill, who resided there before the war. Later the Hill family moved to Boston, but recently they returned to Nova Scotia and took a farm at North Kingston, where they now reside.

Wm St. Pierre, of Edmundston, whose movements have been watched by officers, has been arrested on suspicion of having been connected in some way with the death of Miss Stevens.

THE HUNTING SEASON

Moose may be killed from Oct 1st to Nov 15th.

Open season for deer is from Oct 15th to Oct 31st.

Regarding birds—Partridge killing is prohibited. Woodcock and Wilson Snipe may be killed from Sept 1st to Dec 1st. Black Duck may be killed from Sept 1st to Jan 1st.

Flower and Yellow Legs from Aug 15th to Dec 1st.

Other shore birds are protected throughout the year.

It is unlawful at any time to kill wood duck, pheasants, spruce or partridge.

Wild fowl must not be killed with bullets.

Wild geese, brant and wild ducks may be killed between Sept 15th and Jan 1st.

Non-residents cannot hunt in Nova Scotia without taking out a license.

Halifax Chronicle: The All-Halifax baseball team defeated Middleton by a score of four to one, in the game played on the Wanderers grounds Thursday.

CORRESPONDENCE

THE REFERENDUM

To the Editor of the MONITOR:

DEAR SIR: We, the pastors of the respective Bridgetown churches, desire to submit the following to the thoughtful consideration, not only to those to whom we minister but to every individual who to day possesses the right to cast a vote:

1. It is a well known axiom that every privilege implies and carries with it a corresponding obligation.

2. The privilege of the franchise carries with it the corresponding obligation to make the greatest possible good use of it.

3. If every public spirited citizen records his vote at an election on a political question, he should certainly so do at a "Referendum" on a moral question.

4. Such a "Referendum" vote is to be taken next Monday, Oct 25, on the question—"shall the importation or bringing of intoxicating liquors into the Province be forbidden?"

5. Let there be no confusion of thought as to the issue. The prohibition asked for is the prohibition for beverage purposes only.

6. The question of importation for medicinal or scientific purposes is not involved.

7. As well as being a MORAL question of supreme importance, "Prohibition" is also an ECONOMIC question of the highest order.

8. The beverage use of liquor has ruined the lives and characters of untold thousands.

9. The beverage use of liquor has resulted in crime, vice, suicide, insanity and racial degeneracy.

10. Liquor in the home for beverage purposes makes the home a school for future drunkards.

11. Strong drink throughout all history has made fiends out of men, starved little children, clad them in rags, and rewarded tender affection with curses and abuse.

12. Women, too, have fallen victims to its blighting power.

13. Wherever total abstinence has been adopted either voluntarily or enforced by "prohibition" the place that was erstwhile a wilderness has soon blossomed as a rose.

14. If the foregoing propositions be correct and we submit they cannot truthfully be gainsaid, it then follows

15. That no man or woman who has the right to vote and who, at the same time, has the highest welfare of their fellow citizens and this fair Province of Nova Scotia at heart, will be so indifferent as to refrain from voting on Monday next.

16. That, sinking all personal predilections, and simply remembering the greatest good for the whole community, all such will mark their ballot with X opposite the word "YES."

17. Responsibility rests upon every man and woman who possess the right to vote to take the time to cast that vote on Monday next.

18. Every employer must on polling day, allow to his employees who are entitled to vote, at least two hours, in addition to the noon hour for voting, and that employees must be paid for these two hours (Dominion Elections Act Section 15).

19. This Referendum presents the opportunity of a life time.

20. Responsibility rests upon every one possessed of the right to vote to "Come to the help of the Lord, to the help of the Lord against the mighty."

21. We should not be satisfied with a mere majority but we should endeavour to make it as big as possible.

22. Those who are indifferent, or place their X otherwise than opposite the word "Yes", help the liquor interests.

All of which is respectfully submitted.

Truly Yours,
ERNEST UNDERWOOD,
M. S. RICHARDSON,
G. T. BRYANT

THE HARVEST FESTIVAL

To the Editor of the MONITOR:
DEAR SIR: The Harvest Festival held in Baptist Church at Ingleswood from the 10th to 14th inclusive, proved a grand success indeed.

Realizing the sum total of \$148.64 and we wish through the columns of your valuable paper, Mr. Editor, to convey to all those who responded to our appeal in such a noble and generous manner in every effort to

ANNAPOLIS COUNTY S. S. ASSOCIATION

Forty Seventh Annual Session Held in Lawrencetown Last Week

The 47th annual convention of the Annapolis Co. S. S. Association met in the Baptist Church, Lawrencetown, on Oct 7th, 1920, with 47 delegates present. The day was fine. The devotional services were helpful and the spiritual tone of the convention was good.

The morning session was devoted principally to business and reports. The Rev. W. C. Machum, our Field Secretary, being present gave an address on the new association plans and programmes.

The devotional service in the afternoon was conducted by Rev. M. W. Brown.

The principal speakers were Rev. W. C. Machum, an address on "The School Standard" after which Mrs. C. S. Balcom conducted a grating exercise which was listened to with much interest and profit and will not soon be forgotten.

Rev. J. A. Swetnam then gave an address "evangelism" in S. Schools which was an interesting feature of the afternoon.

Song service led by Rev. J. A. Swetnam opened the evening session. After reports of committees, Rev. H. P. Patterson gave an address urging a deeper interest on the part of God's people in S. S. work.

The interest might be so deep that those owning autos or teams might provide a way for those who cannot walk to S. School. After a Solo by Rev. J. A. Swetnam we listened to a stirring address by Rev. R. A. Sidonius showing how much the Sunday School can help the church and many other good thoughts we all would do well to remember.

We would not forget to speak of the generous hospitality of the people of Lawrencetown. We were well entertained and we felt that we had spent a pleasant as well as a profitable day together.

The following are the officers for the coming year:

Pres. Dr. J. E. Hall, Lawrencetown; Vice Pres. Rev. H. P. Patterson, Grosville Ferry; 2nd Vice Pres. O. P. Goukher, Middleton; Secty Treas Mrs. E. A. McLellan, Deep Brook; Rec Secty Mrs. Amos Frail, Clementsport; Supt Children's Dept. Mrs. C. S. Balcom, Lawrencetown; Supt Young Peoples Dept. Rev. J. A. Swetnam, Nictaux; Supt Adult Dept. I. J. Whitman, Torbrook; Supt Education, Dr. Hutchins, Middleton; Supt Administration, C. F. Armstrong, Nictaux; Supt Bible Readings, Mrs. Frail, Clementsport; Representative to Maritime Con Rev. H. P. Patterson.

ANNIE L. SAUNDERS,
County Secty Treas

make our worthy object a success. Our greatest thanks, especially, to Mrs. Harry Huggles whose rich voice in song for the first time in that little edifice dedicated to the worship of God, was like sunshine to the very soul, accompanied by Mrs. Little whose wonderful control of the musical instrument gave the audience such enjoyment that will long remain in memory and Mr. John Irvin, K. C., gave a very interesting address on the development of the race, from the dark ages, apparently from the form of clay into the present day, also giving the committee great praise for the good work in the community. A unanimous vote of thanks was extended them for their noble entertainment and, by the way, we must not forget the lofty extremity of the entertainment by the Baptist Choir, Bridgetown, who favored us with talent that could not be surpassed here below, for the Angelic host enjoyed it all. However, we accomplished the task, the debt will be cancelled in full, the church will be free and the people can worship at their own good will, also in memory to their dear relatives in the Riverside Cemetery there was to be erected a stone in the year 1911. Hast thou heeded it? Again we thank you, Mr. Editor, for the valuable part you have contributed.

H. S. JONES,
Church Clerk

BEAR RIVER

Mr. A. G. McIntyre has returned from New York.

Mr. W. G. Clark returned from Halifax on Monday.

Miss Blanche Purdy has returned home from Boston.

Mr. Bertou Froude, of Bear River, is sick with typhoid fever.

Mr. Pearl Henderson has returned from New Brunswick and Maine.

Mrs. F. H. Bone, of St. John, made a flying visit to Bear River last week.

Dr. and Mrs. L. J. Lovett are spending a month's vacation at White Sand Lake.

Miss Edna Peck has gone to Wolfville to resume her studies at Acadia College.

Melba and Winnifred Sullivan have returned from Freeport where they spent their vacation.

Miss Ethel Berry has gone to Westbrook, Mass., to visit her sister, Mrs. Alfred Munroe.

Mr. A. B. Marshall has been confined to the house for the last week with a severe cold.

Mr. and Mrs. George Nichols, of Acadiaville, spent Sunday with Mr. and Mrs. W. C. Woodworth.

Mr. and Mrs. Harold Bay spent a few days in Bear River en route to their new home in Middleton.

The farmers of Bear River and vicinity report about fifty per cent of their potatoes rotten.

The schooners Valdaire and Neva have arrived the latter bringing a cargo of hard coal from N. Y.

Mrs. Arthur Longmire, of Hillsbury, spent the past week with her parents, Mr. and Mrs. W. C. Woodworth.

Mr. and Mrs. W. E. Miller, Annie and Clara motored to Bear River from Yarmouth on Thursday, returning on Friday, Oct 7th.

Mr. Corning Woodworth and Archie Adams, who are working in Carleton, Yarmouth Co., spent the week end at their homes.

Miss Marion Woodworth and Miss Anna Marshall, of the Bear River teaching staff, attended the funeral of the late Mr. Alfred Bell, of Acadiaville, last week.

Mr. Frank Harris is home from Newfoundland where he has been engaged as an electrician and has accepted a similar position with the Clark Pulp & Paper Mills.

Moose hunting is the order of the day. Seventeen have been brought out to date. Among the successful hunters are Mrs. W. M. Romans, Stanley Rice, E. Hawkins, George Chute, Rupert Harris and John Morine.

NOT AT HOME

I was busy cleaning my gas stove when the door bell rang. I was just about to open the door when I saw it was our pastor. So I stood back behind the door and told my little son Louis to open the door and tell him I was at the store.

But he pushed the door so far back behind the door and told my little son the door, and when Louis told him I was out, he laughed and said: "All right, sonny, but the next time your mamma goes out, tell her to take her feet with her."

HAS NO PAIN NOW

What Lydia E. Pinkham's Vegetable Compound Did for Mrs. Peasey of London.

London, Ont.—"I suffered with periodic pains, was weak and run down, could not eat and had headaches. The worst symptoms were dragging down pains so bad I sometimes thought I would go crazy and I seemed to be smothering. I was in this condition for two or three years and could not seem to work. I tried all kinds of remedies and had been treated by physicians, but received no benefit. I found one of your booklets and felt inclined to try Lydia E. Pinkham's Vegetable Compound. I received the best results from it, and now I keep house and go out to work and am like a new woman. I have recommended your Vegetable Compound to my friends, and if these facts will help some poor woman use them as you please."—Mrs. J. F. PEASEY, 200 Rectory Street, London, Ont.

Scott's Emulsion is a food- tonic that is of special significance to children. Those who are not thriving ought to take Scott's Emulsion

Marine News

The schooner Leuka, Capt. Tupper, is discharging a cargo of soft coal for W. E. VanBlarcom, Digby.

Schr. Edith Bellevue, Capt. Albert Melanson, arrived at Portland, Maine, Sept. 28 Borarie, Dutch West Indies.

J. Willard Smith reports that the schooner Ononette has been chartered to load coal at New York for Yarmouth.

J. Willard Smith has announced the charter of the schooner C. Mande Gaskill from Hillsboro to Newark with plaster.

The tern schooner Souvenir, Out-house, from Parrsboro for Grand Harbor, Grand Manan, with soft coal was at Digby Friday.

The fishery officers of the Maritime Provinces to the number of about 50 have been attending a course of lectures and fishery course at Truro

The schooner Dorothy M. Smart, Capt. Snow, arrived at Digby on Monday with 50,000 pounds of fish and Thursday sailed for the North Shore for bait.

Liverpool Advance: The new schr built by Thomas Rawling, at Little Brook, Digby County, has been towed to this port, where she will be sparred and rigged and made ready for sea.

The Weymouth tern schr Westway, Capt. William Brooks, which was put afloat from John F. Devenant's slip at Meteghan recently has been chartered to load hard wood at Meteghan, Meteghan River and Weymouth for Portland, Maine.

Kentville Chronicle: Steamer Amelle arrived at Kingsport on Saturday last to load potatoes for the Havana market for the United Fruit Co's.

The potatoes were rushed forward and the steamer was loaded in the fast time of one day and a half and the steamer got under steam on Tuesday.

Digby Courier: The large five masted auxiliary schooner Calamers, 1,260 tons bound from Algiers to St. John put into Westport on Sunday and reports her machinery out of order and that the vessel is leaking.

She was under a charter to load deals at St. John for a transatlantic trip, but the time of that charter expired on September 20 and it has consequently been cancelled.

Capt. William Snow, who for the past season has been sailing the Yarmouth schooner Annie L. Spindler, arrived in Digby Saturday, after one of the best seasons in the history of fresh fishing out of Yarmouth. Every trip was a big one and for the six last trips the schooner made, the crew, on each occasion shared over \$100 per man per trip.

The schooner is now in charge of Capt. Albert Amiro, who during the past season was in charge of Mr. Amiro's salt banker Lewis M. Smith.

USE "DIAMOND DYES" Dye right! Don't risk your material. Each pack contains a "Diamond Dye" color chart with directions so simple that any woman can color into old garments, draperies, coverings, everything, whether wool, silk, linen, cotton or mixed.—No other kind—then perfect results are guaranteed even if you have never dyed before. Druggist has "Diamond Dyes Color Chart"—10 rich colors.

LEQUILLE Mrs. Lillian Armstrong arrived from Yarmouth on Saturday and is the guest of her sister, Mrs. G. I. Harnish.

Mr. and Mrs. Butler, of Yarmouth, Mrs. Dan Saunders and son Lamont, of Clarence, and Mrs. Richard Saunders, Annapolis were recent guests of Mr. and Mrs. Sidney Saunders.

Mr. and Mrs. George Barteaux and children spent the week end in Bridgetown, the guests of Allen Walker.

EVERY CHILD needs nourishment that not only sustains strength but also promotes normal growth.

SCOTT'S EMULSION is a food- tonic that is of special significance to children. Those who are not thriving ought to take Scott's Emulsion

Scott & Bowne, Toronto, Ont.

Mr. Oscar Andrews and son, from Granville, spent last week with friends here.

Miss Belva Height, who has been visiting her brother in St. John, returned home Wednesday.

HIS LIFE RUINED BY DYSPESIA

Used He Tried "FRUIT-A-TIVES" The Wonderful Fruit Medicine

MR. FRANK HALL

Wyevale, Ontario. "For some two years, I was a sufferer from Chronic Constipation and Dyspepsia."

I tried every remedy I heard of without any success, until the wife of a local merchant recommended 'Fruit-a-tives'.

I procured a box of 'Fruit-a-tives' and began the treatment, and my condition commenced to improve immediately.

The Dyspepsia ceased to be the burden of my life as it had been, and I was freed of Constipation. I feel that I owe a great debt to 'Fruit-a-tives' for the benefit I derived from them."

FRANK HALL.

50c a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

NORTH RANGE Mrs. Oscar Andrews and son, from Granville, spent last week with friends here.

Miss Belva Height, who has been visiting her brother in St. John, returned home Wednesday.

The potato crop is above the average but many report that they are rotting in their cellars.

Miss Annie M. Bragg was the over night guest of her friend Mary A. Thomas Wednesday 6th.

Mrs. John Franklin, who has been visiting her father and other relatives in Cape Cod returned home accompanied by her sister and niece.

The Digby County Baptist Quarterly meeting will be held at the North Range Baptist Church October 20th and 21st (Wednesday and Thursday).

Messrs. Henry and Edward Andrews, from Boston, spent a few days with their mother and relatives in this place recently, returning to their homes Tuesday, the 5th.

Miss Hazel Grey, from Bloomfield, Mass., spent a few days with the latter's brother, Mr. George Andrews, in Outram, Anns Co., last week.

The W. M. A. S. met at the home of Mrs. Langley Thursday the 7th, 16 members present and one new member enrolled. The Ladies of this Society have raised \$109.00 during the past year.

Mrs. Edward Bragg returned home from Massachusetts Wednesday the 6th, after spending very pleasantly nearly four weeks with friends and relatives there. Mrs. B. Height also returned same day after visiting her brothers there.

WEDDING BELLS

BISHOP-TITUS A marriage of much interest to friends in many places was solemnized at Freeport Baptist parsonage, on Wednesday morning, Sept. 22nd, at 10.30 o'clock, when Miss Elva B. second daughter of Mr. and Mrs. Elieha Titus, of Westport, became the bride of Claude Wetmore Bishop, of Liverpool, formerly of Digby. The bride looked very charming in a navy blue tailored suit with velvet hat to match and handsome furs, the gift of the groom. She carried an arm bouquet of sweet peas and ferns. They were unattended. Rev. G. W. Brook performed the marriage ceremony, giving the double ring service. Only relatives and near friends of the bride and groom were present. The happy couple left immediately by auto for Tiverton, accompanied by her parents and sister, Miss Freda, from there they proceeded by S. S. Keith Cann to St. John. After visiting points of interest in New Brunswick and Nova Scotia, they will make their home in Liverpool. Mrs. Bishop is well-known through Nova Scotia, being one of our most successful school teachers, and gifts from many friends attested the popularity of the young couple. Good wishes of a host of friends go with them to their new home.—(Digby Courier.)

The happy couple have returned from their honeymoon trip and are occupying the property of the late Charles Hutchins, on Gorham Street. The groom is the manager of Kinless' Drug Store—Liverpool Advance.)

ANOTHER PAPER GOSE The Kentville Chronicle says: The Yarmouth Daily Post, published by Mr. James Wallis for a number of years, has ceased publication. They are trying times for all newspapers, and with the price of paper and other things which make up a newspaper still advancing, it will be a survival of the fittest.

IT'S UNWISE to put off to-day's duty until tomorrow. If your stomach is acid-disturbed take KI-MOIDS the new aid to digestion comfort foods. A pleasant relief from the discomfort of acid-dyspepsia. MADE BY SCOTT & BOWNE, MAKERS OF SCOTT'S EMULSION

BUSINESS SUCCESS

Every merchant must observe certain fundamental business laws to obtain real business success. It has been stated that approximately 90% of those who engage in business ultimately fail. This condition would not prevail if the small business man would strive for new business in an energetic and intelligent manner.

There are many theories but only one sure method by which public attention can be gained and held and that is advertising. Every successful merchant has some device to place before the public his claim for the public's patronage. He has the business knowledge and foresight to know that if he fails in this he is giving a competitor the advantage.

The proof of this statement will be found in the columns of this paper. The history of nearly every national advertiser starts from obscurity; followed so vigorously that today Scott's Emulsion is known the world over for its tonic virtues for those in mid life and a strength giving food for growing children.

After long scientific experiment Scott & Bowne have also produced a digestive tablet, Kimoids, which is becoming very popular after one year's sale. The same method was used and is being used to gain public attention and approval, and their experience has taught them that the public must be both informed and reminded that there must be no shirking but keep everlastingly at it.

The makers of Scott's Emulsion and Kimoids know exactly how much business they do in the territory covered by this paper. If results did not justify the expenditure, they would not use our columns. The point is this: If it is good for a national advertiser, it is good for you. Mr. Local Merchant to advertise persistently in the MONITOR.

WEST PARADISE Mr. and Mrs. Rohar, of Beaconfield were Sunday guests at the home of Mr. Fletcher Bent.

Mr. and Mrs. Gordon Hirtle and little daughter Phyllis, have been visiting Mrs. Hirtle's parents, Mr. and Mrs. Wallace Saunders.

Mr. and Mrs. Wm. Bezanon, of Brickton, are making their home for the present with their grand daughter, Mrs. Arthur Bent.

Mr. Frank Poole celebrated his birthday recently. A number of friends gathered at his home in the evening and spent a very pleasant time.

Mr. and Mrs. Alonzo Daniels, of Centrelea, and Mr. and Mrs. Henry Sanford, of Lawrenceport, were guests on Sunday of Mr. Norman Longley.

Mrs. Burke and daughter, Mrs. Branscombe, who have been visiting the former's sister, Mrs. Norris Daniels, left on Tuesday, the 5th, for their home in Moncton.

RHEUMATIC PEOPLE

Can Only Find Relief by Enriching the Blood.

Rheumatism is a disorder of the blood. It attacks people when the blood is overcharged with acid and impurities, thus setting up inflammation in the muscles and joints.

Wet weather or cold weather may start the tortures of rheumatism, but is not the cause. The cause is in the blood and the blood only.

Victims of this malady have every reason to fear the first dull ache in the limbs and joints, followed by sharp pains through the flesh and muscles; these are the symptom of poison in the blood which will shortly leave the victim pain-racked and helpless.

There is only one way to cure rheumatism, and that is through the blood. Liniments, hot applications, and rubbing may give temporary ease, but cannot possibly root the trouble out of the system.

That can only be done by the rich, red blood which Dr. Williams' Pink Pills make. This new blood drives out the poisonous acids and impurities, and the rheumatism disappears.

If you are a sufferer from this painful malady begin the use of Dr. Williams' Pink Pills and see how soon the pains and stiffness of the joints fade away, leaving behind new energy and new health.

You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

ROUND HILL

A miscellaneous shower was given Miss Louise Williams on Sept. 29th. Mr. C. H. Tupper dug from one hill of potatoes 7 lbs 7 ozs, when weighed.

Mrs. C. H. Tupper and daughter, Louise and son John spent a few days in Bear River, the guests of Mr. and Mrs. Frank E. Jefferson. While there they attended the exhibition.

SHOULD ADVERTISE

The Baptist church at Westport is still without a pastor and is anxious to settle one at once. The field at Tiverton and Central Grove is also in need of a pastor at once.

Safe, Swift & Sure

Directly Zam-Buk is applied to a Wound or Sore, Pain is Soothed, Inflammation Disappears, and Healing Starts.

Zam-Buk is so penetrative and so powerfully antiseptic and germicidal that nothing else has ever been known like it. This result is attained by the unique character of Zam-Buk's rare herbal ingredients and the scientific way in which they are refined and blended together.

Zam-Buk first ensures that the flesh is medically cleansed, before healing begins. For instance the cut, scald, burn or wound that addressed immediately with Zam-Buk never festers.

Likewise, Zam-Buk specially gets to the root of Skin Disease. There are no "breakings-out" again when Ulcers, Eczema, Fossil Wounds, Boils, Bad Legs, Ringworm, and Scalp Disease have been treated and cured by the Zam-Buk method.

Of all Druggists and Stores, 50c. a box, 3 for \$1.25. If you have never tested Zam-Buk, a 1c. stamp (for return postage) to Zam-Buk Co., Toronto, will bring FREE TRIAL SAMPLE.

Zam-Buk

LOCAL DEATH ROLL

JOSEPH DEVANY A gloom was cast over Upper Clements on Thursday afternoon when word was passed around that Joe de Vany, eldest son of Mr. and Mrs. Wm. de Vany had succumbed to Bright's disease. He had been keeping around and working in the mill until about four weeks before the end came. This young man who was 28 yrs and 6 months of age, was a quiet disposition, yet a brave spirit. Speaking ill of no one, he set an example of self-sacrifice and devotion to his country, as he was the first from this place, to enlist his services for the great war: going across sometime in June, 1915 with the 6th mounted rifles from Valcartier, receiving the Mons medal returning home at the close of the conflict. Another medal is on the way which will be received by his parents. The funeral was held on Saturday, Oct. 2nd, services being conducted at St. Thomas church at 10 a. m. His comrades-at-arms marched to the cemetery. The floral tributes were beautiful.

DOUGLAS A. SMITH Douglas A. Smith, one of the oldest and best known citizens of North Sydney was fatally injured at Sydney Mines Tuesday afternoon, being struck by a locomotive. Mr. Smith who is a coal inspector for the C. N. R., was walking along the track towards the coal yard when the locomotive came along. He was struck as he stepped off the track and knocked down, sustaining a fractured skull and other injuries. He was taken to Harbor View Hospital where he died a few hours later. Mr. Smith is eighty-three years of age and a native of Prince Edward Island. He has resided at North Sydney many years and was widely known as a ship broker and insurance agent. Mr. Smith is a brother of Miss Fannie Smith, of Digby.

It is impossible to please the neighbors. If you take good care of your child they say you are keeping him too close, and if you turn him loose they say you are letting him run wild. If you punish him occasionally they declare you do nothing but beat the little fellow and if you don't punish him they say they would like to have charge of him for about five minutes.

The six sloops Ennie Darling, Capt. Morse, is here from White Head, Grand Manan, and a sloop from Westport, Briar Island, Capt. Wm Titus and son Holland, with a general cargoes of fish.

WHO KNOWS BEST? It is impossible to please the neighbors. If you take good care of your child they say you are keeping him too close, and if you turn him loose they say you are letting him run wild. If you punish him occasionally they declare you do nothing but beat the little fellow and if you don't punish him they say they would like to have charge of him for about five minutes.

MAGIC BAKING POWDER Contains no alum We unhesitatingly recommend Magic Baking Powder as being the best and purest baking powder possible to produce. It possesses elements of food that have to do the building up of brain and nerve matter and is absolutely free from alum or other injurious substitutes.

Vital Tablets
IS WHAT YOU WANT

There is no other remedy that acts as quickly as Vital Tablets. A Tonic for the kings. They will build up the whole system, especially new blood. Young men and girls will be greatly benefited by taking Vital Tablets. They fortify the system. A great tonic, easily taken. Go to your drug store and get a box to day. Price 50c or by mail. The Schell Drug Co., Montreal.

car 101, attached to the Ocean Limited to Windsor Jet. They are on a visit to the county of Kings, N. S., and other points in the neighboring province.

Mr. and Mrs. Frank C. Harris have arrived at Bear River, where they are to reside. Mr. Harris, who was employed by the Lord Northcliffe interest at Grand Falls, Newfoundland has been engaged as electrical engineer for the new Clark pulp mill at the mouth of Bear River. Work will be commenced in this mill in a comparatively short time early in the New Year probably.

TUXIS BOYS AND TRAIL RANGERS
BY FIRELIGHT

With the Valley Boy's Conference in the background the local Tuxis boys are now planning their winter programmes.

At their meeting on Wednesday evening the "Upstreamers" (Anglican) elected and installed Officers for the ensuing six months as follows:

Pretor, Edward Orlando; Dep. Pretor, Joe Dand; Scripior, Edward Weare; Comptor, George Taylor; In addition, various committees were appointed amongst which was one to promote the formation of a Trail Rangers "Camp". This is the companion movement to the Tuxis for younger boys.

Steps are being taken to bring about the formation at an early period of a Local Advisory Council for Boys' Work.

There has just been published the result of the Tuxis Boys and Trail Rangers National Athletic meet which took place last spring. Seven N. S. "Squares" and seven "Camps" competed in the respective departments. Unfortunately, owing to a transposition of figures, the Bridge "Upstreamers" who should stand third in the N. S. list, are placed at the bottom. Their average is given as 126 whereas it should read 216. The "Tri Mus" an average of 212. The "Torch Bearers" are further down but this is largely accounted for by the fact that owing to their being no local camp of Trail Rangers several members of this Square had to compete against the Tuxis Standard, whereas in age and weight they were in the Trail Ranger Class. There will be a similar contest next year and already the boys are looking forward to a great contention in tripartite rivalry. The great feature of these Athletics is all the boys compete against a Standard rather than against one another—a Standard based on age and weight. Thus each boy strives to do his best for the honour of his Square rather than for himself.

Since the above notes were written the committee appointed by the "Upstreamers" to look into the formation of a Trail Rangers Camp, report the holding of a meeting of the younger boys of St. James Church and the commencement of work with the following as officers: Chief Ranger, James Craig; Sub Ranger, Hector MacLenn; Tally, A. Taylor; Cache, Gerald Weare. Mr. Harold Whitman has kindly undertaken the duties of "Mentor". A name, motto and colours are to be chosen at the next meeting.

HE GOT THE JOB

The colonel of a negro regiment in France charged the adjutant with selecting a suitable soldier to serve as orderly as his billet. The adjutant combed the company for the man and finally found one who had been an elevator boy in a hotel—a smiling, gracious darkey, neat and respectful.

When the man reported the colonel impressed upon him the necessity for tact.

"Do you know just what I mean by tact?" he asked.

"Yes, sah. When it comes to tact, I see right on de spot. Why, cunnel, jus' las' week I went into the bath house near mah billet, an' foun' one of de madamesses there. I jest stepped back an' say, s. 'Pardon, monsieur.' Now ef dat warn' tac' den I don't know what is."

PROMOTING PURE BRED CATTLE

The livestock men of Alberta have adopted a novel means of promoting their industry, and incidentally, of bringing to the notice of the people both within and without the province, the standing of Alberta as a livestock country.

Thirteen of the largest breeders have donated thirteen superior, mostly purebreds, to the University Farm without any charge whatsoever. These steers represent the cream of twenty-four of Alberta's leading herds, and constitute what is thought to be the finest selection of its kind owned by any institution in Canada.

During the past a number of grade steers had been bought from time to time by the University Farm for judging purposes for the students of the College of Agriculture. The best of these were shown at the local live stock shows and later sold, available, as it enabled going to the larger breeders and paying top prices for selected individuals, and in all probability the breeders would not care to dispose of the animals of the age most suitable. It was felt that this work could be made more valuable to the province at large if instead of using ordinary grade steers, animals of higher merit could be obtained. In any case the cost of labor, feed and housing would be the same.

To Professor A. A. Dowell, Chief of the Department of Animal Husbandry of the University of Alberta, came an inspiration whereby the University was able to obtain the required animals without paying a cent for them, yet giving their owners a good return. It appears in the province of Alberta who are not in a position to do their own fitting and showing. Consequently their herds suffer from a lack of advertisement. Prof. A. Dowell evolved a plan by which the breeders in this position would get their herds advertised at the exhibitions, and the University Farm the desired class of animals. The plan suggested was that the breeders donate five or six calves of the three leading beef herds, and the University would use them for judging purposes for two seasons, and exhibit them at the International Live Stock Show at Chicago. Practically all of the

Alberta Stock Ranch: Purebred Calves for Alberta University Farm.

breeders approached were perfectly willing to assist in carrying out this scheme. The plan was submitted to the Alberta Breeders Association at Calgary last May, and, receiving the entire approval of the association, twenty-four breeders offered the best calves of their herds.

Immediate steps were taken to visit the various farms, and after three months, thirteen calves were selected from the twenty-four herds. Grades were not desired, but pure breeds were preferred.

The big difficulty that Prof. Dowell had in selecting these calves was not getting the owners to consent to part with them, but rather in refusing animals from breeders who offered them. Many of the breeders actually urged the University to send a representative to their farms, and take the best of any of their calves. What is most outstanding about these calves is their uniformity, quality, and also their age. At the present time most of them are from five to seven months old, and without exception they can all account for a 100 pounds per month. All of the animals are on exhibition at all times in the University stables, and a placard hanging over each stall denotes the breeder, and the breeding, of each animal. The animals are kept in the pink of condition and it is the expression of many of the leading live stock men visiting the stables from time to time that, collectively, they are the finest lot of steers of their age owned by any one concern in Canada today. They represent the very best that

WAS BIG SUPRISE TO SYDNEY WOMAN

Had Almost Given Up Hope—Gains 14 Pounds and Recovers Health Since Taking Tanlac.

"My friends and relatives were alarmed over my condition and I did not think I could last much longer myself, but since taking Tanlac I have been restored to perfect health and have gained fourteen pounds besides," said Mrs. Phillip Frazer, who lives on McLeod St., Sydney, Nova Scotia.

"It was about four years ago that my health broke down," continued Mrs. Frazer, "and two years ago I got so bad off that I had to have an operation, which left me in a weaker condition than ever. I was so restless I could never sleep good at night and time after time I went to bed and lay awake for hours before I even closed my eyes. My nerves were in an awful condition and any little unusual noise would frighten me terribly. I was subject to such severe headaches that I would have to stay in bed in a dark room. My appetite was very poor and I never cured whether I went to the table or not, and the little I did force down disagreed with me. I fell off from one hundred and ten pounds to ninety, and was hardly more than a frame and so weak it was an effort for me to get around.

"Finally I decided to try Tanlac, as I had heard so much about it, and I began to improve right from the start. I have finished my sixth bottle and am happy to say that I am a well woman in every respect. My nerves are steady and I am no longer troubled with those awful headaches. I have a splendid appetite and no matter what I eat it agrees with me perfectly. I sleep like a child every night and can stay on my feet from morning till night and do all my household tasks than I have in years. I just feel better and stronger in every way and all my friends say my recovery is marvelous."

Tanlac is sold in Bridgetown by S. N. Wear in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.

MEMORIAL SERVICE AT YARMOUTH

Providence Methodist Church, Yarmouth, was well filled on Sunday evening by a most sympathetic congregation which assembled to pay their last respects to the late Rev. William Phillips, only a short while ago pastor of that church. The memorial service was held at 8:15 after the close of the regular Sunday evening devotions, and in consequence the assemblage was mixed one. The pulpit was appropriately draped in black white in front of it was a profusion of white flowers and ferns which went far in completing the effect for which it was intended. The hymns were much in keeping with the solemnity of the service and solo "Jesus Lover of My Soul," beautifully rendered by S. C. Hood, was also quite befitting the mark of respect that was being paid to the departed clergyman.

The pastor, Rev. Mr. Hockin, was assisted by Rev. D. K. Grant of St. John's Presbyterian church, in prayer, followed by Rev. H. M. Jost, a former pastor of Providence. The address of the evening was delivered by Rev. W. G. Lane, also a former pastor of Providence, and who for so many years had been so closely associated with the deceased in the Nova Scotia Conference, and particularly so during Mr. Phillips' five years' sojourn as pastor.

A REAL LIVE TESTIMONIAL

Given to Professor Hamilton, of Hampton, N. S.

5 Dundonald St., Halifax, N. S. June 23, 1914

To Professor Hamilton:

DEAR SIR—I neglected writing to you after leaving East Middle La Have and it is now three weeks since I arrived in Halifax, and I must say I am feeling well, have a good appetite and can sleep well. I have told lots of people here about you; several are coming to see you for treatment. I am sure it gives me great pleasure to recommend you to people who are afflicted as I was with rheumatic gout in the feet, unable to work or walk. But thanks to your treatment I can now walk and work with comfort. I wish you every success in the future, and many thanks for what you have done for me.

Yours respectfully,
GEORGE E. WOLF.
Minard's Liniment Relieves Neuralgia.

Launching the Empress of Canada

The Empress of Canada, a twin screw geared turbine oil burning passenger liner, built to the order of the Canadian Pacific Ocean Services, Limited, especially for their trans-Pacific service, was recently launched at the yards of the Fairfield Shipbuilding & Engineering Co., Limited, Govan, Scotland.

The christening ceremony, which was performed by Mrs. G. M. Bosworth, the wife of the chairman of the Canadian Pacific Ocean Services, Limited, went through without a hitch.

The ship is 653 ft. long, 77 ft. 9 ins. wide and has a depth to the bridge deck of 53 ft. 6 ins. Her gross tonnage is about 22,000 tons, and she is arranged to carry about 490 first class, 106 second class, 238 third class passengers, and 547 of a crew. Of the cargo space, a large portion has been fitted for the carriage of silk. The ocean speed is about 21 knots. The vessel is built to the highest class of Lloyd's register, to full Board of Trade requirements and sub-divided in full accordance with the requirements of the Bulkhead convention. A complete system of telephones with a central exchange is fitted to the special and private suites and various offices, etc.

The dining saloon is on the upper deck and will accommodate 325 persons, a large reception room is situated forward of the dining saloon with passenger elevator at the fore end, on this deck also is a swimming pool 30 ft. long by 18 ft. wide, and a gymnasium.

Throughout the vessel special attention is everywhere given to the fact that the Empress of Canada is to serve in a semi-tropical climate; public rooms are therefore large and airy and the ventilation amply arranged. The maiden voyage of the Empress of Canada will be a tour of the world, starting from Liverpool, March 13, 1921.

Are You Ready FOR THE COLD WEATHER?

It will soon be here. We have a good stock of Stoves and Heaters, all sizes and price from \$4.00 to \$32.00. Come in and select YOURS and let us set it up for you before the rush starts. You will be better satisfied and all ready for Jack Frost.

We have everything you need in pipe, elbows, collars, dampers, stove boards, coal hods, shovels, ash sifters, stove polish and brushes of all kinds.

Brandram's Genuine B-B White Lead

IT POSSESSED UNUSUAL QUALITY —THAT'S WHY IT HAS SURVIVED

As far back as 1729 this was the standard white lead in England—and when Canada was colonized by Englishmen, they brought with them this favorite brand. And we, their descendants, have been using it, in preference to all other kinds, ever since. It is made today by that same paint house which obtained the formula from the descendants of that Brandram who first discovered the process. The process is the

same as that used in the 18th century—and it is interesting to note that this is the only patented process of white lead manufacture that dates back to so early a period. It is unrivalled for covering capacity and durability—the finest, whitest pigment you can use, either for white paint or as a white base for tinted paints. This is the white lead used in B-B "English" Paint and other B-B products.

A Promise that has made good

When KING COLE TEA was in its infancy we associated with it the slogan—"You'll like the flavor." It was a modest statement, yet when you come to think of it, it covers all that you are looking for in the tea of your choice. How well KING COLE has lived up to its promise is proved by the many thousands of users today.

Perfectly packed in bright lead foil and price marked on every package.

GOLDEN WEDDING AT DEEP BROOK

Mr. and Mrs. W. W. Payson Are Celebrating Their Fiftieth Wedding Anniversary.

Mr. and Mrs. W. W. Payson, of Deep Brook, are celebrating their golden wedding this year. The occasion calls to mind the fact that their marriage was an instance of the union of two splendid and celebrated historical stocks.

At the time of their marriage in 1870 they both were residents of Weymouth. But the second generations lack had been numbered on both sides, amongst the celebrated United Empire Loyalists, of whom so many came to the Maritime Provinces at the time of the American War of Independence.

Mrs. Payson, before her marriage was a Miss Journey. The family was of stanch Huguenot stock. Mrs. Payson's ancestor, who was an officer in the French army, had been driven as a Huguenot, with his family from France at the time of the revocation of the Edict of Nantes, by which French Protestants were made subject to persecution. For a few years he settled in the Channel Islands, with the protection of the British flag. Later he came to American shores. Receiving a government grant of Staten Island, New York, he settled there with his family. Mrs. Payson recalls stories told her by her grandfather, of how the Journey's crossed the Atlantic and came to Staten Island in their own vessel. Their final move was that by which true to the flag which had protected them, they came to Nova Scotia as Loyalists.

The Payson name is one well known around Boston, more especially in Watertown. Coming originally from England to the New World in the pursuit of religious freedom, the family maintained their love for their home land in spite of all. One branch from which W. W. Payson is descended, came to Nova Scotia when the American colonies declared their independence. In New England many of the Paysons were well known, especially the Rev. Edward Payson who flourished there and was regarded as an eloquent and powerful preacher.

The present Mr. Payson's father married in Weymouth, a Miss Oakes. Her mother was a Fitzrandolph, of the famous Virginia family of that name. Through her the family traces a relationship to the Indian Princess Pocahontas. Miss Oakes' father had come direct to Nova Scotia from England, sailing as master of his own vessel. He settled in Acadia Valley, where he built a fine old colonial house, part of which is still standing. He was a man of great wealth and influence through this section of the province and provided employment for many of his neighbours.

The sister of the Miss Fitzrandolph just mentioned married a Mr. Journey. And it is the grandchildren of these two sisters who are celebrating golden wedding this year. There are surviving to this marriage six sons and two daughters, their homes being spread out from Digby county, through New England to Cleveland, Ohio. But few couples live to see the fiftieth anniversary of their wedding day. It is the wish of the friends of Mr. and Mrs. Payson that many happy years lie ahead of them.

GUARD THE CHILDREN FROM AUTUMN COLDS

The Fall is the most severe season of the year for colds—one day is warm, the next cold and wet and unless the mother is on her guard, the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mothers' best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose of the Tablets will prevent colds, or if it does come on suddenly their prompt use will relieve the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

YOUNG'S COVE

Miss Nina Sarty has gone to South Williamston for an indefinite period. The Messrs. Stewart Sarty and Warren Guest shot a fine moose last week.

Miss Goldie Guest, who was spent some time in Bridgetown, returned home Saturday last.

Miss Lottie Steadman spent the past week with her sister, Beulah and friends, of Hampton.

To remove oil from a carpet, put some flour on the carpet and brush it off very carefully into a dustpan. Keep on applying flour till all the grease has been absorbed.

WE know the sale of the Chevrolet Light Delivery Wagon depends on the satisfaction it gives in actual service. We also know that its valve-in-head motor eliminates fuel waste and delivers fullest power, that its ample bearings cut friction to a minimum, that its perfect balance—strength without weight—insures stability and makes a maximum of power available for actual hauling.

These are only a few of the obvious reasons for Chevrolet ability, durability and economy.

The UNDERWEAR for the Open Air

MEN who like to be out in the brisk out-of-doors even in the severest cold will appreciate ATLANTIC UNDERWEAR. It is so designed that it will not hamper the movements in the slightest degree. The warm, soft, wool yarn from which it is knitted gives an absolute and complete protection from the chilliest weather.

In these respects it is quite unique, and it possesses an unusual quality—it is moderate in price.

ATLANTIC UNDERWEAR is wonderfully durable. Its wearing qualities are such that it has become known as "The Underwear that Overwears".

Sold in five different weights and qualities. Each line is guaranteed to be the best value in its class.

Look for Trademark—It is your guarantee

OCTOBER!

and not a bit too soon to be planning for, and having your Christmas Photographs taken.

Like most things nowadays, Photography has been keenly effected by the rising cost of materials. But we have made a careful selection of the new styles, and are offering you, we believe, the best yet.

The prices range from \$10 per dozen for the best grade cabinet pictures to \$4.50 and \$5 for the smaller ones together with the required 2% Government tax. What else could you get for the money that would go so far or give your friends so much pleasure as your Photograph?

We invite your inspection and would urge again. Please come early.

NEW C.P.O.S. LINER

THE EMPRESS OF CANADA AFTER BEING LAUNCHED.

The Empress of Canada, a twin screw geared turbine oil burning passenger liner, built to the order of the Canadian Pacific Ocean Services, Limited, especially for their trans-Pacific service, was recently launched at the yards of the Fairfield Shipbuilding & Engineering Co., Limited, Govan, Scotland.

The christening ceremony, which was performed by Mrs. G. M. Bosworth, the wife of the chairman of the Canadian Pacific Ocean Services, Limited, went through without a hitch.

The ship is 653 ft. long, 77 ft. 9 ins. wide and has a depth to the bridge deck of 53 ft. 6 ins. Her gross tonnage is about 22,000 tons, and she is arranged to carry about 490 first class, 106 second class, 238 third class passengers, and 547 of a crew. Of the cargo spaces, a large portion has been fitted for the carriage of silk. The ocean speed is about 21 knots. The vessel is built to the highest class of Lloyd's register, to full Board of Trade requirements and sub-divided in full accordance with the requirements of the Bulkhead convention. A complete system of telephones with a central exchange is fitted to the special and private suites and various offices, etc.

The dining saloon is on the upper deck and will accommodate 325 persons, a large reception room is situated forward of the dining saloon with passenger elevator at the fore end, on this deck also is a swimming pool 30 ft. long by 18 ft. wide, and a gymnasium. Throughout the vessel special attention is everywhere given to the fact that the Empress of Canada is to serve in a semi-tropical climate; public rooms are therefore large and airy and the ventilation amply arranged. The maiden voyage of the Empress of Canada will be a tour of the world, starting from Liverpool, March 15, 1921.

A Fish Story From Vancouver Island

View of Sproat Lake, Vancouver Island.

"Truth," said one of the sages, "lives at the bottom of a well." She is also to be encountered in the great silent spaces. I met her on the pine-fringed shores of Sproat Lake, in the heart of Vancouver Island. She sprang unannounced from the lips of a handsome dame of healthy appetites and vigorous mind.

Think of the opportunities and industries there are in this little beauty-spot of three hundred miles by eighty, all sea-girt and serene. Lumbering, pulp-making, mining, fishing, canning, poultry keeping, hog-raising, farming, fruit-growing, dairying, manufacturing. There is a man here who makes cement and at the same time cultivates one of the loveliest gardens on the American Continent, and another who grows flower seeds — nothing but flower seeds — for the biggest seed merchants in the world.

As for play, it is manifold and unending. Sproat Lake is in the heart of the island, reachable at present, through some of the most romantic timbered country God ever made, only by auto, though the steel rail from Port Alberni is pushing ahead.

A huntress in moccasins and velvet receives you, revolver, jack-knife and cartridges slung about her waist and her rifles hard by. This lady, who has a cultured mind as well as a stout heart and a brassy arm, shoots cougar before breakfast, pots bear in the forenoon, hunts deer before tea, and before sundown traps beaver and rodents—all in their season, of course, and when there are no guests around.

Just now she receives you in her house-boat, on the southern shore.

Restriction on Importation Required

Since January 1st, 1920, there has been no Federal restriction on importation for beverage use, and now now liquor pours into dry provinces to supply bootleggers, whiskey smugglers and rum runners. The enforcement of the Temperance Act is thus made more difficult.

Under Wartime Prohibition of Importation crime decreased. Since January 1st, 1920, it has increased, because restriction on importation have been removed.

The opportunity to stop importation of liquor for "beverage use" into this province and

Prevent Illicit Dealers Getting Supplies

is yours on October 25th

FORM OF BALLOT. The ballot to be used is in form as follows:

Shall the importation or bringing of intoxicating liquors into the Province be forbidden?	NO
Shall the importation or bringing of intoxicating liquors into the Province be forbidden?	YES X

Mark your ballot with an X after the word "YES" if you wish to have importation prohibited.

The Bootlegger and the Whiskey Smuggler are disgracing the Province. They must go
