The copy filmed here has been reproduced thanks to the generosity of:

Vancouver City Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shell contains the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Vancouver City Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par la première page et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par la seconde page, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole $\rightarrow$ signifie "À SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

S. L. HARRIS, OWNER.

Glenwood Boston Terrier Kennels

CHAMPION WAMPAGNE DELIGHT

Is a dark brindle and white dog, nicely marked, with an extra good tail; in type and conformation he is a Boston Terrier from ground up.

He shows Boston Terrier character to a marked degree and has the symmetry and finish that is regarded as the Hall mark of a producing sire. A glance at his pedigree is convincing, for he is second to none in producing blood lines or as a producer, for he has sired the following big winners: Wampagne Queen of Hearts, who has beaten Ch. Revelio Beauty, Ch. Lady Ringleader, Ch. Bright Eyes IV and Ch. Queenie VI. A few others are Patricia Jay, Rockliffe Fancy, Rockliffe Boy, Rockliffe Lady Delight, Wampagne Natona and Perfection who beat Ch. Dallene Sensation.

Wampagne's high class quality has been demonstrated by a sensational career during the comparatively short space of two and a half years at the principal shows of the East, where he came before some of the most prominent specialty judges in the United States by whom he was awarded first and special in competition against many of the most noted Boston Terriers exhibited.

As a stylish shower in the ring he has received many commendations by the writers and authors of the Kennel Press.

A few of his wins are: St. Louis, Springfield, L.K.A. of America, Newark, Mineola, Brighton Beach, Portland Maine, Philadelphia, Lynn, Grand Rapids, Erie, Staten Island and Haver-Hill.

Bitches will receive every attention when on a visit.

Stud Fee \$20.00

Stud Fee payable at time of service.

Choice of litter in lieu of Stud fee will not be entertained.
