ANCIENT CAPITAL'S WINTER SPORTS

Many Parties of Visitors Arrive from Various American Cities.

Skiing Has Caught On—Circumnavigators' Club Members Enjoying Themselves—Hudson Bay Huskies as an Attraction.

Quebec, Jan. 19.—Quebec's winter season is now in full swing, as the heavy snowfalls of the past week have put the toboggan runs and ski jumps in excellent condition. The ancient city has been gay with the vivid color of picturesque blanket coats, while several thousand townfolk and visitors crowded Dufferin Terrace to watch the triple toboggan slide and the snowshoe races organized by the Mountain Snowshoe Club this afternoon. The Quebecers have taken to skiing this year as never before, and Citadel Hill has been thronged with young people from three years old upwards, swooping gracefully down the steep declivity. To many American visitors this keenness of the French-Canadians for winter sport has come as a revelation, and on every side one hears their admiration of the smart turnout of the girls and the healthy vigor of the youths. The country surrounding the city is ideal for snowshoeing and sleighing expeditions, as it is dotted with picturesque old villages. Over two hundred and fifty guests, mostly bent on winter sport, registered at the Chateau Frontenac over the weekend, including large parties from New York and smaller contingents from Boston, St. Louis, Indianapolis, Detroit, Dallas, Texas, Northampton and Beverly, Massachusetts. Sixty-five came from Montreal and nearly fifty from Sherbrooke, the latter being members of the Sherbrooke Snowshoe Club, who marched up to the Chateau garbed in their gray and red costumes, led by a bagpipe band. The New York visitors include a large party from the Circumnavigators' Club, under the leadership of Newton W. Gilbert, ex-governor of the Philippine Islands, and W. E. Stevens. All members of this club have circled the globe, and this year decided on a Quebec celebration in view of the important part played by French-Canadian explorers in opening up routes around the world. At a dinner given in their honor by Hon. Frank Carroll, a Canadian member of the club, and member of the Quebec Legislative Council, old French chansons of the days of Jacques Cartier were sung by a quartet from the Mountain Snowshoe Club, in co-operation with the Chateau Frontenac, which presented each member with a book reproducing the words and melodies. On Saturday the Circumnavigators' club held a banquet in the evening were initiated into the mysteries of curling at the Garrison Club. Governor Gilbert stated: "It would be difficult adequately to express my appreciation of the quantities and grandeur which characterize this delightful old city. I have visited many quaint quarters of the world in my travels, but none which combine quaintness with beauty as Quebec city does."

Hudson Bay Huskies. A novel feature of this year's winter sport programme is the team of five Hudson Bay husky dogs which ply on Dufferin Terrace. Mr. Vassiliev, the ski instructor at the Chateau, has also introduced the sport of ski-joring with these huskies. The Mountain Club has organized an attractive series of races on Dufferin Terrace this afternoon, as one of the most popular clubs with membership limited to one hundred. Its costume of blue and red is highly picturesque, and it includes some of the foremost athletes in the city. Mr. Edgar Allie, president of the club, assisted by Messrs J. E. Jolin and A. Mondor, ex-presidents, and Mr. G. Letarte, vice-president, acted as judges. The Quebec Snowshoe Club entertained the Sherbrooke Snowshoe Club on Saturday at a vaudeville concert, followed by a smoking concert at the Chateau Frontenac, and held a church parade on Sunday. The Etiole House had a snowshoe trip to Sillery, the Hudson Snowshoe Club held its ski-joring, the Amateur Ski Club went ski-joring, starting from the Chateau, the Union Quebec-Leski enjoyed a snowshoe tramp to St. Michel's, and vast numbers used the toboggan chutes on Dufferin Terrace. Quebec has never taken hold of the winter sport idea with such enthusiasm, and all are agreed that, given suitable weather, the prospects of a successful season are of the brightest.

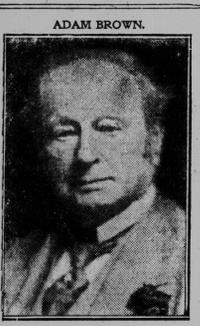

CLEARED FOR HERE WITH LIQUOR?

Motor Schooner Run Down and Then Big Lot of Assorted Found.

New York, Jan. 19.—When the motor schooner *Terria A.* was run down by the British steamship *Sheaf Field* and was forced to put into quarantine here yesterday, federal officers say they found 1,900 packages of assorted liquor, worth \$150,000, in her hold and evidence that the little craft had been engaged in extensive rum-running operations. The vessel cleared from West End, Grand Bahamas, Jan. 3, for St. John, N. B., with the liquor aboard. Deputy Surveyor of Customs, Wm. Henderson, reported that the vessel had no manifest and no papers to show to whom the liquor was consigned. Capt. Lake explained his proximity to the shore with the statement that he feared stormy weather. At the time of the collision, he said he had anchored to make engine repairs.

The Races Will Be On This Afternoon

Some people in the city this morning were doubtful as to whether the races would be held this afternoon on account of a light fall of snow which commenced about 10 o'clock, but official word was given out at eleven o'clock that they would be held. This is the big day of the meet, the day on which the mayor proclaimed a half-holiday so that the great mass of the city people could see the races to decide the championship of Canada. Today the big attractions will be the 440 yards, the half-mile and the three mile races with the final of the race for boys under twelve years of age and the race for boys eighteen and under. In the 440 yards last year Charles Gorman, the local speed artist, broke a world's record and this year he will be on hand to try to out-gait the pick of speed skaters of the continent, both Canadian and American.

ADAM BROWN. Hamilton's grand old man, who, last week, once more moved the resolution of thanks to the staff at the annual of the Canada Life Assurance Company. Mr. Brown, who is close to his 80th birthday, has moved this resolution at this meeting every year since 1884, with the exception of three occasions when either ill, injured or absent from the country.

ELIMINATIONS FOR THE SKATERS

Meet in Pittsburg in Preparation for National and International.

Pittsburg, Jan. 19.—Elimination contests to select skaters for the national and international championship meets at Pittsburg, Seneca Lake, and Lake Placid will be held here tomorrow night under direction of the Western Pennsylvania Skating Association.

CHICAGO MUST PAY MORE FOR BURGLARY INSURANCE

Chicago, Jan. 19.—Insurance companies announced today an increase of 50 per cent. in the rates for burglary and theft insurance in Chicago. The increase, said to have been made because of the prevailing criminality, also will apply to other large cities, it is understood.

PLAN STAR IN THE WINDOW OF DRY AMERICAN HOMES

Chicago, Jan. 19.—On Jan. 16 the second anniversary of the birth of prohibition in the United States, the Woman's Christian Temperance Union celebrated the day by launching a campaign to mark every home and place of business in the country where liquor is never used.

A. S. FORSTER.

The newly elected mayor of Oakville, Ont., is a well known newspaper man, and the proprietor of the Oakville Star which he began to publish when he was seventeen years of age. He was born in the town of Haldon County in 1918, and was reared in Oakville for 8 years.

COMMISSION ON RING BOUTS

Montreal Takes Control of Boxing Exhibitions.

New Classes are Established—Rubber Centres for Baseballs on Pacific—A Golf Course for Women Only.

Montreal, Jan. 19.—All boxing and sparring exhibitions in Montreal are placed under the control of a boxing commission, according to a by-law adopted by the executive of the city council yesterday. All such bouts are to be limited to fifteen rounds, and the license fee is to be \$100. The by-law also applies to wrestling matches. The commission is to be composed of five persons appointed for a term of three years and shall give their services gratuitously.

LIBERALS OF ONTARIO TO HOLD CONVENTION

Toronto, Jan. 19.—It was announced yesterday that the convention of Liberals Ontario will take place at the Canadian Foresters' Hall, Toronto, on March 1 and 2.

NEW ORLEANS, LA., Jan. 19.—Two new weight classes were officially adopted by the U. S. National Boxing Association last night and champions in these two divisions will be determined and recognized during 1922.

BASEBALL

San Francisco, Jan. 19.—Baseball with rubber centers will be used in the Pacific Coast League during the 1922 season. For several years the official league balls have had cork centers, which it is believed will make the balls look lively. The rubber ball, it is thought will not be so lively.

PREMIER TO NORTH YORK; A QUICK TRIP

Ottawa, Jan. 19.—(Canadian Press)—Hon. W. L. Mackenzie King left the capital last night for Toronto. He will speak at Newmarket this afternoon, following the nomination proceedings for the constituency of North York. Mr. King is not making the trip in his private car, but is travelling as a passenger in an ordinary Pullman.

HAS MADE RECORD IN CREATING PEERAGES

London, Jan. 19.—All records in creating peerages have been broken by the present administration, according to the new issue of "Debrett." In the six years now expiring, ninety-four peers, 238 baronets and 2,016 knights have been created.

As Hiram Sees It

"I was just a little bit disappointed in them these skatin' races yesterday," said Mr. Hiram Hornbloom to the Times reporter. "It don't just seem to me to be right to skate a mile in the last lap. Better call it a one lap round on a round once. What's the use in loatin' round the river when I was a young feller we went at it from the start. It aint the feller that kin make a spur that's the best skater, but the one that kin strike his gait an' keep goin'." But it was a great day. Yes, sir—it was a great day. It was good to see them clean-lined young fellers on the ice. An' if anybody says St. John aint a reel five sportin' town, after this, I'd like to see a word with him out behind the barn, where Hanner couldn't hear—I would, by Hen!"

TAKE UP MATTER OF DOUGLAS AVE. GRADE CROSSING

Question Before the Railway Commissioners Today. Also Hear Application for Reduced Rate on Fertilizers—Minto Coal Interests Case to Follow.

Arguments in connection with an application for a reduction of the freight rates on fertilizer and crushed lime in New Brunswick and Prince Edward Island and an application of the City of St. John for the creation of an overhead crossing over the C. P. R. near the reversing falls in the city were heard by the board of railway commissioners here today.

Complaint by the St. John Board of Trade regarding allowance for coal car doors, carried on in behalf of the coal interests at Minto will be taken up after these two matters are disposed of.

Hon. J. B. Carvell, chairman of the board, presided and there were also present Dr. F. B. Rutherford and S. J. McLean, members. Hon. Dr. J. B. M. Baxter and W. H. Harrison appeared for the city of St. John; Hon. R. E. Finn, solicitor, and Hon. Walter Lee, minister of agriculture, for P. E. I. Premier Foster and I. C. Rand for New Brunswick; D. McKenna, of Sussex, for the New Brunswick Agricultural Societies Unit; C. F. Inches for the Minto coal interests.

ENVER REPORTED TAKEN; TRIAL ON TREASON CHARGE

London, Jan. 19.—A Constantinople despatch to the Reuters Agency confirms the report that Enver Pasha, former Turkish minister of war, has been arrested at a place not named by the Soviet authorities. At the request of the Angora government he will be escorted across the Anatolian frontier and sent to Angora, where he will be tried by the Turkish Nationalists for high treason.

FEARS ANARCHY IF ARMY DISBANDED

War Minister Does Not Like Order Issued by Allied Ambassadors.

Sofia, Jan. 19.—Anarchy is feared in Bulgaria if, in obedience to orders of the Allied council of ambassadors, the country's once proud and formidable army is disbanded. The minister of war says the frontiers would be endangered and the internal order of the country menaced. The council's order gave Bulgaria a month in which to comply with the edict to disarm completely.

SEIZED LIQUOR REPRESENTS A FORTUNE

New York, Jan. 19.—Police efforts to enforce prohibition in New York, from April 4, 1921, to the end of the year, included 98,996 bottles, 4,794 barrels, 2,161 cases, 910 jugs, 815 containers of various kinds and capacity, and 1,113 cans confiscated.

CHINESE SITUATION AT WASHINGTON TODAY

Washington, Jan. 19.—The Washington conference will deal today with the Chinese situation. The first subject to be taken up will be the Chinese eastern railway, and some means will have to be devised for ascertaining and buying out the Russian stockholders.

ARCHBISHOP GAUTHIER DEAD

Passed Away Early Today in Ottawa.

Was 76 Years Old and Had Been Ill for Some Time—Had Shown Remarkable Qualities as Student and as an Administrator.

(Canadian Press) Ottawa, Jan. 19.—Most Rev. Charles Hugh Gauthier, D. D., archbishop of the metropolitan province of Ottawa at 238 St. M., succumbed after a lengthy illness. The cause of death was stated to be intestinal grippe. He was 76 years of age. His Grace passed away peacefully. With him at the bedside were Father Gauthier, of Alexandria, a nephew; Mr. MacDonald, another nephew; Monsignor Lebeau of the Basilica; Dr. John L. Chabot, his physician; Sister Martha and Miss McElroy, his nurses; Sister St. Felix de Valois, superintendent of Water street hospital.

WOODSTOCK FIRE

Woodstock, N. B., Jan. 19.—Fire early this morning totally destroyed H. W. Cowan's stock of clothing and furnishings and N. D. Lister's barber shop, and seriously damaged Dr. H. Thompson's dental rooms. The fire looked very serious for a time, as it was in the centre of the business district. The firemen were able to confine the blaze to the Cowan's store, Newham & Slipp, druggists, Manner's Department Store, and W. P. Dibble & Son, hardware, had water and smoke damage. Mr. Cowan's stock is partially covered by insurance. The building is owned by J. A. Lindsay and is insured.

BURIED TODAY.

The funeral of Pte. Adrian Van Oostrop took place this morning from Mr. Power's Undertaking Parlor to Fernhill. Burial services were conducted by Rev. W. T. Dunham, Representative from the D. S. C. R. and Lancaster Hospital and Red Cross were in attendance, in addition to other friends.

GOES TO NEW YORK.

D. J. Cahill, who is officiating as passenger agent of Canadian Pacific Steamship, Ltd., liners at Atlantic ports, will leave today for New York to assist in the embarkation of the Empress of Britain, due to sail from there on January 21 on her first cruise to the West Indies.

HELD BOOTS SOCIAL.

The Willing Workers Society of Victoria street Baptist church last evening held a novel boot social. A picnic evening was spent. Dainty refreshments were served and a neat sum realized for the building fund.

A PARTY FOR LONDON'S POOR KIDDIES

A party and entertainment was given for poor children by the Shaftesbury Society and Ragged School Union. The photograph shows Wm. Noxon, Ontario's Agent-General in London, serving the kiddies. Sir John Kirk (with hat on) is beside him.

HERE'S THE NEW CANADIAN "NICKEL"

Made of Canada's own important and almost exclusive metal nickel. The coin is the same size as the United States nickel, but is of better quality. Lord Byng struck the first of them from the new dies now busy turning them out at the Ottawa mint.

W. M. McDUGALD.

Who is the new chairman of the Montreal Harbor Board. He has been president of the Odegensburg Coal and Towing Co. for many years.

WOODSTOCK FIRE

Woodstock, N. B., Jan. 19.—Fire early this morning totally destroyed H. W. Cowan's stock of clothing and furnishings and N. D. Lister's barber shop, and seriously damaged Dr. H. Thompson's dental rooms. The fire looked very serious for a time, as it was in the centre of the business district. The firemen were able to confine the blaze to the Cowan's store, Newham & Slipp, druggists, Manner's Department Store, and W. P. Dibble & Son, hardware, had water and smoke damage. Mr. Cowan's stock is partially covered by insurance. The building is owned by J. A. Lindsay and is insured.

BURIED TODAY.

Made of Canada's own important and almost exclusive metal nickel. The coin is the same size as the United States nickel, but is of better quality. Lord Byng struck the first of them from the new dies now busy turning them out at the Ottawa mint.

ARCHBISHOP GAUTHIER DEAD

Passed Away Early Today in Ottawa.

Was 76 Years Old and Had Been Ill for Some Time—Had Shown Remarkable Qualities as Student and as an Administrator.

(Canadian Press) Ottawa, Jan. 19.—Most Rev. Charles Hugh Gauthier, D. D., archbishop of the metropolitan province of Ottawa at 238 St. M., succumbed after a lengthy illness. The cause of death was stated to be intestinal grippe. He was 76 years of age. His Grace passed away peacefully. With him at the bedside were Father Gauthier, of Alexandria, a nephew; Mr. MacDonald, another nephew; Monsignor Lebeau of the Basilica; Dr. John L. Chabot, his physician; Sister Martha and Miss McElroy, his nurses; Sister St. Felix de Valois, superintendent of Water street hospital.

His grace was born on Nov. 13, 1844, of French-Scottish parentage. His father was the late Gabriel Gauthier and his mother Mary McKinnon. He was born in a "cradle of Catholicity of Ontario," in the town of Alexandria, Glenagary county, Ont., and received his primary education in the Christian Brothers' school there, afterwards entering Regio-Polis College, from which he graduated with honors in 1863, at the age of only 19.

Owing to his success, he was appointed professor of rhetoric and having completed his course in theology, was ordained to the priesthood on August 24, 1867, at Perth, Ont., in St. Jean Baptiste church.

In 1869 he was appointed by the then Bishop Horan, of Kingston, in charge of the parish at Gananoque, and was transferred from there in 1875 to Westport. Towards the end of the same year he went to Williamstown. It was during his stay at Williamstown that Father Gauthier displayed remarkable executive and administrative ability, for when he was appointed in charge of this parish, he found it was loaded with debt, which he succeeded in liquidating in a very short time, and in addition, procured enough funds to build the churches of St. John and St. Ita, at the same time leaving a substantial balance in the treasury. He was then given charge of the creation of a parish at Glen-Nevis, and within a few years he had built St. Margaret's church at a cost of \$45,000. As a reward he was called to the important parish of Brockville, where he was named dean in 1886. The convent and separate school there are monuments to his ability and indefatigable zeal.

In 1888 he accompanied Rev. Dr. Cleary on a trip to Europe and three years later was appointed vicar general of the diocese of Kingston.

On September 6, 1889, he was consecrated as archbishop of Kingston diocese and his first work was to enlarge the cathedral which he accompanied so successfully that today it is considered one of the finest sacred edifices in the dominion.

SCHOOL QUESTION IN ONTARIO

Toronto, Jan. 19.—The questions of permitting the establishment of separate schools and also of giving separate school board a share of corporation taxes have not yet occupied the attention of the Ontario cabinet, so it was announced yesterday. It is understood that the government is not likely to announce its course of action until after the Legislature opens.

It is said that there is little likelihood of the separate high school proposal receiving sympathetic consideration, but that there is some sympathy with the claim for some equitable division of corporation taxes.

POPE ILL BUT SYMPTOMS ARE NOT SERIOUS

Rome, Jan. 19.—Reports this morning from the secretaries of Pope Benedict, who is suffering from an attack of grippe were no change since yesterday. The Pontiff had quite a severe fever yesterday, but so far as known, grave symptoms have not been their appearance. A bulletin issued later said that his bronchial catarrh had not spread, and that his temperature had diminished.

ALBERTA FARMERS AND MEAT EXPORT BUSINESS

Calgary, Jan. 19.—United Farmers of Alberta at this time will not go into the co-operative meat export business. The 1,043 delegates who are attending the annual convention decided yesterday to table indefinitely a report recommending that the association go into the business of shipping chilled beef to British markets on a co-operative plan.

NEWPORT NEWS TO GET THE BIG JOB

Washington, Jan. 16.—The contract for the reconstruction of the Lehigh Valley building Company, according to Representative Helling, Republican, Massachusetts, who has been attempting to have the work done at the Boston navy yard.

SIEGFRIED STOLEN FROM BERLIN STATUE

Berlin, Jan. 19.—Somebody has stolen the imperial sword which Siegfried is shown forging behind the Bismarck statue in front of the Reichstag Building. The mythical hero himself, one of the allegorical figures surrounding the base of the statue, was left unostended, but the sword is missing.

The Audit Bureau of Circulation audits the circulation of The Evening Times.

A WONDERFUL SUCCESS.

That the president of the International Skating Union should declare St. John should have the next international championship is the finest tribute that could be paid to Lily Lake, to the method in which sports are conducted here, and above all to the Young Men's Catholic Institute, which made the venture and brought the national championships to this city. The international president told the banquet last night that in all his experience he had never seen a place so ideally fitted to stage a great skating meet as is Lily Lake. All the visiting officials and the skaters agree that nowhere have they seen such crowds as witnessed the races here, and nowhere have they got so hearty and generous a reception. It is worth while to have this said about St. John and to have it repeated all over the continent. Yesterday was a wonderful day in the sporting annals of the city. All who in any way contributed to its success are heartily congratulated. While our people have liked to see their own representatives make a better showing in the events, yet they did so well when up against the fastest skaters in the world that there is only room for a feeling of pride in their achievement—and they may do still better today.

IMMIGRATION

The Halifax Chronicle points out that more people are wanted in Canada, but expresses the fear that the rules as to who may be admitted may be so strict as to shut out many who would be a genuine asset to the country. Expected settlers from the mother country on other ground than that of disease, and it gives this illustration: "Less than sixty years ago, when times were harder than they have ever been since, there landed at a Nova Scotia seaport a Scottish family so poor that they were scarcely sufficiently clad. They made their way to an inland town on foot—most of them barefooted. From that family came two clergymen, one of whom is now the able and widely known one of the most able and widely known in Canada. Every member of the family is now an invaluable acquisition and blessing to the Dominion."

This is undoubtedly a notable case, and it is also true, as the Chronicle points out, that our own forefathers came here poor and yet built up the country. This further statement is also true: "Immigrants with nothing but their hands to depend on for a living flocked into the Canadian west by tens of thousands annually where the country was without capital to support them for a month. Did they become dependent on the communities to which they went or on the governments of the provinces? No. They immediately began to build up and enrich their surroundings."

The question of course turns upon whether newcomers would now go on the land or crowd into the already overcrowded cities. We do not want more people in the cities at present, for we deplore the trend of our population from the rural districts to the towns and cities. The need of the country is more people on the land, and certainly not to carve out homes where there are three and four already. Undoubtedly great pressure will be brought to bear to gain admission for great numbers of people of the sort that does not take to the land, and that is the condition to guard against, in addition to making sure that the physically and mentally defective are shut out. Conditions have greatly changed since the first settlers came to this country.

JUVENILES AND PROBATION.

What would happen in St. John if we had a properly constituted juvenile court and probation system, and if the provincial government would proclaim the Juvenile Delinquents Act in this province? The answer is found in a report of a speech delivered in Montreal this week by Dominion Parole Officer Archibald. We quote: "Mr. Archibald drew attention to two important items of legislation adopted at the last session of parliament, which, apparently, escaped the notice of social workers and those interested in penology. One enactment provided for the application of the probation system to adult offenders, the other raised the age of juvenile offenders from sixteen to eighteen years, that is to say, up to the age of eighteen offenders are to be considered as juveniles, treated in the special courts and not brought into the police magistrates' courts."

All offenders up to the age of eighteen years would be kept away from the ordinary police court and dealt with in the juvenile court. We quote again: "While the amendments to the Criminal Code and the Juvenile Delinquents Act rest within the powers of parliament, it remains for the provincial governments to put such changes into force. Mr. Judge Archibald stated, only British Columbia had proclaimed its intention to adopt the probation system for adults. This system is an extension of the suspended sentence, but in-

cludes supervision by competent authority and relieves the first offender of the stigma of a prison sentence."

Mr. Archibald, in setting forth the reasons for the Parole Act, told the following story about St. John to illustrate the fact that some youthful offenders never had a fair chance in life: "He instanced the case of a youth of eighteen who died in the infirmary at Dorchester, N. B., who on his dying bed had asserted that he never had a chance. Following up the case he found the mother in St. John, N. B. She had been betrayed, stole in order to reach Boston, was captured and convicted and sentenced to three years' imprisonment. The son had been born in the penitentiary. When released, the mother had walked from Dorchester to St. John, but failed to find a friendly hand on the way, and finally sought refuge in a dive in St. John, from which four murderers had been traced. In such environment the growing lad had no chance."

When the Parole Act was adopted great doubt was expressed as to its efficacy, but— "Against that he (Mr. Archibald) gave the result of the experiment. Of 13,112 who had been released from penal institutions under the act, 303 only committed further offences and were subsequently convicted. In 469 cases licenses were revoked. In some instances the men had neglected to report. Some of these men were later allowed out and there was no instance of a man forgetting to report a second time. In advocating the probation system, Mr. Archibald said that it provided for the man who was conscientious, his wrong-doing. It permitted restitution and allowed the man to go back to his own community to work out his salvation. As an example of the success of this system, he said that in Massachusetts and New York ninety-eight per cent. of first offenders released had made good citizens."

Mr. Archibald favors for prison purposes a system of cottage residences with central workshops and hopes so that the families of prisoners will be reached. It permitted restitution and allowed the man to go back to his own community to work out his salvation. As an example of the success of this system, he said that in Massachusetts and New York ninety-eight per cent. of first offenders released had made good citizens."

Mr. Archibald said that it provided for the man who was conscientious, his wrong-doing. It permitted restitution and allowed the man to go back to his own community to work out his salvation. As an example of the success of this system, he said that in Massachusetts and New York ninety-eight per cent. of first offenders released had made good citizens."

LIGHTER VEIN.

Set His Mind at Rest. "Is this a first-class restaurant?" asked the haughty individual. "Oh, yes," answered the waiter, "but we don't mind serving you."

Correct. Fortune teller—You will marry a light man. Noah (joyously)—That's Dinny! Shure, don't be wor-kr for th' electric company.

Compulsion. "There's no use, I must take up golf." "Need the exercise?" "No; I want to understand what my friends are talking about."

Warranted a Cure. "Doctor," said he, "I'm a victim of insomnia. I can't sleep if there's the least noise, such as a cot on the back fence."

"This powder will be effective," replied the physician, after compounding a prescription. "When do I take it, doctor?" "You don't take it. You give to the cat."

An Irishman was involved in an argument with a Scotsman, and repeatedly called upon "good old St. Patrick" to witness the fact that he was telling the truth.

Much annoyed, the Scotsman said: "To the blazes with St. Patrick!" But the son of Erin promptly retorted with "To the blazes with Henry Leuder, then!"

At a concert devoted to Richard Strauss' work the conductor, after performance of one piece, tapped the desk with his baton and told the orchestra that the next piece would be "Tod und Verklarung."

"Good heavens!" exclaimed one of the violinists. "The last played that."

New Canadian Record On First Day Of Meet

Jewtraw Takes the Highest Honors at Opening Session.

More Than 7,000 People at Lily Lake Yesterday—Local Boys Make Fine Showing—Skaters and Visitors Guests at Banquet.

The first events in the Canadian speed skating championships were held on Lily Lake yesterday afternoon and were witnessed by more than 7,000 fans. Three events were run off—the 200 yards and the one mile for seniors, a half mile for boys under fifteen, and two heats for boys under twelve. Initial honors went to Charles Jewtraw of Lake Placid, who captured the 200 yards and took second place in the mile. In the former he established a new Canadian record of 19.4 seconds. The previous record was 20.1-5 seconds. McWhorter of Chicago was second in the point winners, securing the mile event and secured thirty-two points for taking second honors in the 200. Bobby Hearn won third place in the 200 final, when Wheeler was disqualified and secured ten points, while Fosman took third in the mile and secured ten points.

From a local standpoint both Charlie Gorman and Frank Garnett made a fine showing, but the breaks were all against the former, and the latter lost a chance to enter the final of the mile by a close decision. In the 200 yards Gorman won his heat and semi-final, and he shot off in trouble during the first turn and went off his stride. He quickly recovered and was after Jewtraw, Moore and the others like a flash. On the second turn he again went off his stride and despite a phenomenal burst he failed to place in the final. He was out of the race when he fell and he was out of the race when he fell and he was out of the race when he fell.

To William Logan, son of Fred Logan, former International champion, who won his heat quite handsily and in the final was closely followed by his brother, who fell and he crossed the line with a wide margin. His style and powerful stroke won the admiration of all and officials predict that he has the makings of a champion.

A feature of the afternoon's entertainment was the dancing by the ladies of the Y. M. C. I. They were led by Misses Edna Stevenson and Perry, a classy demonstration of dance steps and figures by Davis, Foster and Moore. All were heartily applauded.

The events not previously published follow: Senior Mile. First heat—McWhirter, Chicago, 1st; Becker, New York, 2nd; Wheeler, Montreal, 3rd. Time, 19.4-5.

Second heat—Steinmetz, Chicago, 1st; Moore, New York, 2nd; Gorman, 3rd. Time, 20.1-5.

Third heat—Pickering, Paterson, 1st; Boyd, 2nd; Jewtraw, 3rd. Time, 3:21.5.

Fourth heat—Donovan, St. Paul, 1st; Garnett, St. John, 2nd; Jewtraw, Lake Placid, 3rd; Stevenson, Toronto, 4th. Time, 3:09.4.

First semi-final—Gorman, 1st; Wheeler, 2nd; McWhirter, 3rd. Time, 3:18.1.

Second semi-final—Fosman, 1st; Boyd, 2nd; Jewtraw, 3rd. Time, 3:21.5.

Final—McWhirter, 1st; Jewtraw, 2nd; Fosman, 3rd. Time, 3:21.5.

Half-mile, Boys Under 15 Years. First heat—Logan, St. John, 1st; Chandler, St. John, 2nd; Buckley, St. John, 3rd. Time, 1:41.4-5.

Second heat—Finch, Lake Placid, 1st; McKenzie, St. John, 2nd; Stewart, St. John, 3rd. Time, 1:41.4-5.

Third heat—Crosier, St. John, 1st; O'Neill, St. John, 2nd; Bridge, St. John, 3rd. Time, 1:41.4-5.

Final heat—Logan, 1st; McKenzie, 2nd; Crosier, 3rd. Time, 1:35.

440 Yards, Boys Under 12, Unfinished. First heat—Won by Raymond Murray, New York, 2nd, Time, 44.2-5.

Second heat—Leonard, St. John, 1st; Garnett, St. John, 2nd. Time, 53.5-5.

Banquet Last Night. The marked success attending the efforts of the committee in charge of the championships, the efficient manner in which they were carried off and the intense interest manifested by the citizens of St. John in the big classic warrant this being awarded the International Skating Union of America, who was a guest of honor at a complimentary banquet tendered the skaters and a number of guests last evening.

His remarks were greeted with enthusiastic and prolonged applause. He as well as the other speakers also paid a glowing tribute to the hospitality that St. John has shown to the visitors. They all were unanimous in the statement that the meet so far has been one of the most successful ever held on this continent. Charles Owens presided and acted as toast master. The banquet was served by a committee of fifty women of the Public Women's League, under the direction of Mrs. F. H. Foster, convener of the social committee. Mrs. D. P. Chisholm was general convener of the committee co-operating in the conduct of the championships.

The guests. All the skaters who are taking part in the meet were amongst the guests, who include also His Lordship Bishop LeBlanc, Hon. R. J. Ritchie, L. Rubenstein, secretary of the international meet. He said there were some youngsters in St. John who were going to make a name for themselves. St. John had champions in the

S. U. J. A. M. Belding, Frank White, R. E. Melville, general manager and secretary-treasurer of the Montreal A. A. A.; Belding-General W. O. Doods, vice-president of the M. A. A. A.; Commissioners Thornton, Bullock and Jones, W. E. Roughton, of the M. A. A. A.; G. L. Short, N. B. commissioner of the Boy Scouts; Rev. W. Duke, and a large number of local and visiting priests, and all the officials of the meet.

The big gymnasium was decorated for the occasion with bunting and numerous Canadian and American flags. An orchestra played during the banquet, and the largest affair of its kind ever held in the city and was characterized by abundant good humor, cordiality and enthusiasm.

The toast of the list, that to the King, was honored by the singing of the national anthem. The Chairman. It was his happy privilege, as chairman of the committee in charge of the sports, Mr. Owens said, to welcome the skaters of the evening. Applause greeted his reference to the good relations between Canada and the United States and to his reference to the visiting athletes from Upper Canada and the west. The meet would stand out as the greatest skating event in the history of the city. He thanked the visiting officials for their assistance in conducting the meet.

The toast to Canada was honored by the singing of "O Canada." In responding, Judge Armstrong spoke briefly. He commended the excellence of the meet at Lily Lake yesterday and concluded with a humorous reference to the weather and prospects for today's programme.

To the United States. The toast to the United States was honored by the singing of "The Star Spangled Banner."

In responding to the toast, H. S. Culver, of the local United States consul, congratulated the committee upon bringing to St. John one of the greatest sporting events in the world. "I want to say that I am heartily gratified at the noble welcome St. John has given to the boys from over the sea," said Mr. Culver amid great applause. He thought that good sports would help to lift the world out of the slough into which it had fallen.

Frank Head at this juncture contributed two much appreciated solos to the programme. He sang "Funiculi Funicula" in an opening number and as an encore sang the steele song. Hon. R. J. Ritchie. Hon. R. J. Ritchie was greeted with song when he arose to reply to the toast highly of the city and the press that this morning there would be some good body to deny that he was a jolly good fellow. He followed with numerous witty sallies and complimentary things about the Y. M. C. I. He felt that the sports had made yesterday a red letter day in St. John's history. He spoke in complimentary terms of the skaters from the United States and other parts of Canada. The closer the people of Canada and the United States get together, the better for both countries and for the world. Citizens of both countries had good reason to feel proud of their home lands, he said.

His Worship the Mayor. In responding to the toast to St. John his worship Mayor Schofield thanked the committee for the invitation to be present. He heartily welcomed the visitors to St. John and the local press in acquiescing the public with the personalities connected with the meet either as officials or competitors.

While the local press would like to see the local men win, he felt he was voicing the sentiment of the people of the city, province and Dominion. Three cheers and a tiger were given for the institute.

In replying, Father Duke said the great lesson of the meet to him was one of faith, the faith of the executive of the A. S. U. in placing the meet in the hands of the Y. M. C. I. He felt that all who took time and trouble to come, the faith of the people of the Women's Council would justify the faith placed in its success. The members of the executive had left nothing undone to make the meet a success. He hoped that more records would go today. He thanked visiting officials for their presence and encouragement.

He said that the mayor of Chicago had asked him to assure the mayor of St. John of his support in anything that might be done along these lines.

"I want to say that right here in St. John today I saw the most wonderful sight I have ever seen in the way of skating in my quarter century of experience," said Mr. Fitzgerald. St. John had proven beyond a doubt that they could hold the international skating championships and he hoped this city would get them.

Suggests Eastern Association. J. A. Taylor was no stranger to St. John but had been intimate with sporting men in this city for many years. He had sent skaters here years ago. McCormack, he thought, was the first St. John skater to visit Montreal. He would take this opportunity of publicly thanking Mr. White for his years of work and the Y. M. C. I. for the manner in which they were conducting the meet.

He suggested the formation of an eastern skating association with headquarters in St. John, and closely connected with the national and international bodies.

St. John had every right to look back with pride to the past and with utmost confidence to the future. It would be hard to find in all the world a more aggressive aggregation of skaters than were taking part in this meet, he said.

International Meet Next! Frank White thanked the visiting skaters for coming. He was glad that the international meet had been mentioned. The Y. M. C. I. committee had demonstrated its ability to conduct an international meet. He said there were some youngsters in St. John who were going to make a name for themselves. St. John had champions in the

RECENT DEATHS

Michael Ryan.
One of the best known residents of the city and one who had lived here all his life passed away yesterday in the person of Michael Ryan, 201 Duke street. Mr. Ryan's death came very sudden and as a shock to his many friends. He was quite well on Tuesday. He retired from the meat business several years ago. He kept in the city market. Besides his wife, he leaves two sons, John, of Long Beach (Cal.), and Stephen, at home. Three daughters, all at home, Kathleen, Nan and Mary, also survive.

John T. Kelly.
New York, Jan. 18.—John T. Kelly, Irish comedian, who supplied thousands with laughter during the heyday of Weber and Fields Music Hall, died on Monday at the age of 70 years at the Fordham Hospital after suffering from bronchitis for some time. He lived with his daughter, Annie Kelly.

PRESBYTERIAN CHURCH MEETINGS

The Presbyterian churches throughout the dominion held their annual congregational business meetings last night. In St. David's reports were read from the Women's League, the Y. P. A., Women's Foreign Missionary Society, St. David's Brotherhood, Y. P. M. S., Sunday school, forward movement, Memorial Hall, Junior Mission Band and Old Country Club. The following were elected: Trustees, Harold D. Fowler, J. S. Malcolm and R. S. Ritchie; secretary, S. F. Jamieson; treasurer, I. Frank Archibald. The treasurer's statement showed total receipts of \$31,880.70 and disbursements of \$21,474.24, leaving a balance on hand of \$10,406.46, of which \$8,964.75 is for the Memorial Hall. The financial report at St. Andrew's showed receipts of \$25,784 and expenditures of \$28,774. Trustees were elected as follows: F. Neil Brodie, Thomas Guy, W. G. Stratton, R. P. Cowan, J.

H. Stevenson, H. F. Rankine, C. F. Inches, J. A. Robertson, G. S. Bishop, F. C. Young, J. R. McKay and J. H. Hamilton. At St. Matthew's church it was reported that an overdraft of several hundred dollars had been cleared off and there was a bank balance of \$55. The following reported for the various branches of the church work: Austin Galbraith and Miss Ethel Turner, Sunday school; Miss Jennie Kean, ladies' visiting committee; C. F. Stevens, Scouts; Miss McLean, sewing circles; Miss Jean Scott, Women's Missionary Society; John Thornton, forward movement; J. F. Gregory, choir committee; Miss Lena Nicholson, Y. P. S.; Robert Brittain, trustee board; and Miss Louise Schroeder. The following were elected trustees: John Thornton, J. F. Gregory, Robert Brittain, L. D. Brown, William Nickerson, Mr. Sinclair, Mr. McCarthy, Mr. Coleman and George Thompson. The annual report of the session was read by Rev. W. H. Spencer, moderator

F. W. Daniel & Co. LONDON HOUSE Head of King Street

of the session. Rev. Wm. Bevis, moderator of the Lorneville church, congratulated this church on the excellent showing made in the last year. The trustees appointed at the meeting of the First Presbyterian church, West Side, were as follows: Duncan McLean, J. S. Williamson, A. W. Fraser, Walter Allingham, H. McAfee, James Anthony, W. S. Fyfe, W. S. Macaulay and D. Allan. At the annual meeting of Knox church held last night, K. J. MacRae was elected chairman and W. S. Clawson was appointed secretary. The opening devotions were led by the minister, Rev. H. Moorhead Legate. All of the different societies presented reports showing that good progress had been made in every department. The trustees elected were as follows: D. L. MacLaren, D. W. Armstrong, W. L. Caldwell, K. J. MacRae, J. B. Hamm, W. H. Campbell, H. D. Page, J. Cecil Mitchell, J. J. Struthart, H. H. McMillan, J. Sanford Clayton, R. A. Sewell. The members of the ladies' society were elected as follows: president, Mrs. W. S. Clawson; vice-presidents, first, Mrs. G. K. McLeod; second, Mrs. H. V. McLeod; third, Mrs. Joseph A. Smith; secretary, Mrs. D. L. MacLaren; treasurer, Miss Pearl Clark; committee of benevolence, Mrs. T. Graham and Mrs. W. J. Cox; treasurer of benevolence, Mrs. G. M. McLeod; hospital aid, Mrs. W. L. Caldwell. The annual congregational meeting of St. Columba's Presbyterian church was held in the church rooms and was well attended. The minister, Rev. William Townsend, occupied the chair. All of the societies of the church presented good reports showing that the year had been a very successful one in every branch of the church's activities. The church finances were very encouraging. The trustees elected were as follows: John Baird, chairman; Daniel Campbell, Thomas Snodgrass, Joseph Semple, William J. Stinson, Leonard C. Cogle, treasurer, J. Packard Campbell, Arthur Doherty, Harper Henderson, William H. Stinson and George S. McPherson. When the business of the meeting was completed a social hour was enjoyed.

CORSICA IS NOT MERELY NAPOLEON AND VENDETTAS

Corsica was one of the Mediterranean regions advanced by France in claiming that a sizable navy was necessary to defend her possessions in three seas. The following information from the Washington headquarters of the National Geographic Society is based on notes by Clifton R. Adams, recently returned from Corsica.

"Few people know Corsica as more than a little island, the birthplace of the Emperor Napoleon and the home of an almost savage race. But today, because it is so little known, it is one of the most delightful corners of the earth.

"So many races have fought for it in the obscure centuries that the present-day Corsican is a mixture, exhibiting many of the racial traits of the adventurers from Tyre and Phoenicia, the Goth, Vandal, Moor, and Saracen as well as the Roman, Genoese, and Pisan of the later centuries.

"The love of liberty is still strong, and in some of the smaller mountain towns, the older men say that they never ceased fighting for independence until after August 15, 1769, when the island was formally declared a French possession. As happened, Napoleon Bonaparte was born on that day in the beautiful little port of Ajaccio, with its orange and almond groves, its mimosa trees and its graceful palms.

Paoli, Corsica's Hero.

"During the struggles of later years Pasquale Paoli appeared as the leader of the Corsicans against the oppression of Genoa, and while he in turn was forced to submit to the rule of France, he is considered as the real hero of Corsica, and his picture can be seen in many a mountain home to this day. His tomb is a milder man, often very poor, always kindly and honest and hospitable to travelers. It is a matter of native pride that there are no beggars in Corsica.

"Calvi, on the north coast, claims the birth place of Columbus. Bastia is an important port on the northeast coast, near Cape Corso and opposite Italy. Ajaccio, the capital, is the most charming city of all the island, and lies on the Gulf of Ajaccio to the southwest.

"There are few towns or cities to compare with these two except Calvi, Sartene and Bonifacio, and a few little mountain towns along the short railroad line which connects the principal ports. The 'routes nationales,' excellent highways, penetrate to the most inaccessible mountain villages. Motorists have their cars brought over from the continent. Hotels are not so comfortable as those of the mainland, but each year since the war travelers have been coming in increasing numbers and the hotels are improving.

"Mountains are the wonder of the island—long ranges of rugged peaks, snow-capped the year round. The climate is adjustable and the traveler can stop where best suited. From sea level up to about 1,500 feet there is the climate of Italy and Spain, with such vegetation as citrus fruits, small grain, and the cooler climate like the lower Pyrenees or Provence.

"Higher than 5,000 feet is the climate of the Alps or Scandinavia. Here are the magnificent state forests of high pine trees or superb chestnuts or graceful beech and birch.

380,172 BOTTLES OF ASPROLAX ARE SOLD IN TWO MONTHS' TIME

New Scientific Discovery is Rapidly Becoming Sensation of the Drug Trade Throughout America.

BREAKS UP A COLD BY REMOVING CAUSE

Thousands Using It With Gratifying Results—Great Superiority Over Ordinary Remedies Clearly Demonstrated.

Remarkable as it may seem, 380,172 bottles of Asprolox have been sold in two months and Dr. Smathers' new scientific treatment for colds is rapidly becoming the sensation of the drug trade throughout America.

The great superiority of Asprolox over the ordinary remedies heretofore prescribed has been clearly demonstrated, and people everywhere have been quick to recognize it as a preparation of remarkable merit.

Right here in Canada alone 84,564 bottles have been sold and distributed within the past two months, and it is

with difficulty that the manufacturers have been able to supply the large and rapidly growing demand.

The phenomenal success of the preparation can be readily explained and breaks up a cold by removing the cause, while the great majority of the present-day remedies relieve the symptoms only. Asprolox states that it is almost magical in its effect and are recommending it to their friends.

Asprolox is a combination treatment and acts as an anti-pyretic, which reduces the fever; an expectorant, which loosens the phlegm, relieves the congestion and stops the cough; a laxative, which opens the bowels, and an antiseptic which retards germ growth and prevents the spread of infection.

It is delightful to take and produces no unpleasant after-effects whatever. Even children take it readily, and it sets on all, both old and young, with the same gratifying results.

If you are suffering from a cold, go to your nearest drug store and get a bottle of Dr. Smathers' Asprolox. Open it on the spot, take one teaspoonful, repeat the dose in one hour and again in two hours. If by the time you have taken the third dose you are not surprised and delighted, take the bottle back and your money will be refunded without question.

Chronic coughs and persistent colds lead to serious complications, such as lung trouble and pneumonia. Only one bottle of Dr. Smathers' Asprolox is usually sufficient to break up the most obstinate cold.

"Because of the lack of labor and capital, exports are confined to wool, cork, wine, olive oil, charcoal, briars, wood pipes, and big timbers for building in great stocks range the mountains, and the thrifty peasant has his clothing and food from them. In the swift flowing mountain streams are many varieties of fish, and wild bird and mountain sheep can be found in the dense forests in the higher altitudes.

"The best season for a visit is during May and June, when the thick covering of low firs called 'maquis' is in bloom and the whole island is a mass of many-colored flowers. The perfume can be smelled miles out to sea."

Startling Proof That Ironized Yeast Builds New Firm Flesh

FREE!
Mail Coupon below for Amazing
3-Day Trial Treatment. Watch
the Quick Results!

What a Difference!

The above illustrations will give you an idea of what a wonderful improvement an addition of 15 pounds makes in a person's figure. Head in panel how IRONIZED YEAST builds weight.

WARNING!

Not all yeast will bring the desired results. There are certain types which have absolutely no medicinal value. By insisting on IRONIZED YEAST, and refusing cheaper imitations or substitutes, you can be sure that you are taking a vitamin tonic treatment which is unsurpassed in effectiveness, convenience and genuine health-building value.

IRONIZED YEAST Tablets

HIGHLY CONCENTRATED VITAMINE TONIC
Sales Representatives: HAROLD F. RITCHIE & CO., Ltd., Toronto

Beautifies Skin and Gives New Energy to Thin, Run-down Folks

Do you need more flesh? Are you run-down, pale or scrawny looking? Do you lack energy—or is your skin blemished by humiliating pimples, blackheads or boils? If so, here is good news for you! Simply mail the coupon below for the famous Three Day FREE Trial Treatment of IRONIZED YEAST. Take these remarkable tablets—two with each meal. Then get ready for a surprise!

Watch the Quick Results!

You simply will not believe your eyes when you see how quickly your skin begins to freshen, and how quickly pimples, etc., begin to disappear. You will notice an almost immediate increase in appetite and energy. And as for putting new, hard flesh on your bones—not flabby fat, but good firm flesh—thin people report gaining five pounds and more on the very first package of IRONIZED YEAST!

Yeast Best When Ironized

The reason IRONIZED YEAST brings such splendid results is simply this—IRONIZED YEAST is scientifically formulated in highly concentrated form a specially cultured yeast which is grown under the strictest supervision for medicinal purposes—a yeast which is unequalled in every way, containing the correct amount of the two other vitamins—Fat Soluble A and Water Soluble C—which are equally important to health, yet which are lacking in the average modern diet.

These three vitamins bring excellent results even if taken alone—but when taken with a proper amount of easily assimilated organic iron, as in IRONIZED YEAST, these results are secured often in just half the usual time!

READ!

"Gained 10 Pounds!"
"I gained 10 pounds after taking only one and one-half packages of Ironized Yeast for the last three months. It is the most wonderful flesh builder and fat for consumption."
—Mrs. Jesse Baskett.

"Gained 8 Pounds!"
"After I box of Ironized Yeast I gained 8 pounds. My skin has cleared wonderfully, no more pimples—got full of pep and energy."
—A. G. Brown.

"Wonderful Improvement!"
"The improvement in me has been wonderful. Gained 10 pounds, can now eat heartily, and am just full of new life and energy. Never have I felt so good."
—E. E. Currier.

Try Ironized Yeast Today

If you want to banish skin eruptions and quickly acquire a fresh, clean-looking skin—if you are thin and run-down and want to fill out your figure with firm, hard flesh and increase your energy so that work will be a pleasure instead of a tax—then try IRONIZED YEAST at once.

Simply mail the coupon for the wonderful Three Day FREE Trial Test. Or go to your druggist and get IRONIZED YEAST on our absolute guarantee that the first package will bring satisfactory results or your money instantly refunded. You will positively be amazed at the quick improvement IRONIZED YEAST shows in you. Get it today!

YOUNG ARTISTE ON WHISTLING

They Bill Her as the California Mockingbird, but She Takes Her Musical Gift and Its Cultivation Most Seriously.

(Marjorie C. Marks in New York Evening Post.) Whistlers are born, not made. So declares Miss Margaret McKee, who last year in the Hippodrome, suspended in a gilded cage forty feet above stage level, whistled the justification of her art.

Years ago—about ten of them—when Miss McKee was all of ten, she began to study whistling as an art. But even before that, she had shown a natural aptitude, which she thinks essential to the making of a successful whistler.

MAVIS Irresistible! PERFUME 75c. The \$100,000 drop. A subtle combination of 100 bouquets, spiced with the Orient.

birds, until she grew expert at it. She was not much beyond the age of ten when she began to perform in public, at the church auditorium of the Rev. J. Whitcomb Brougher in Hollywood. The congregation were at first a little afraid at the novelty of having whistling in a church, but after hearing Miss McKee whistle classical music to the accompaniment of the organ they requested that such concerts become a regular thing.

teacher on her own account, and she values her pedagogic experience highly. Children, she discovered, are naturally imitative and much easier to instruct than grown-ups. Children are willing to concentrate on imitating a natural model, and do not suffer from the devastating self-consciousness which afflicts many older people.

When Miss McKee left the university to devote her time exclusively to professional whistling her gifts were recognized immediately. After a tour in the west she came east and was one of the headliners in the "Good Times" show at the Hippodrome. At the same time she took courses at Columbia. Last summer she crossed the Atlantic and joined the London company of "The League of Nations" and later toured England and Scotland.

Whistling as an Art. Whistling, she maintains, is an art, not a stunt. It ranks with music made by violin, piano, or the voice, and surpasses them in possessing a four-octave range, infinitely varied shadings, and a great many different tones. Constant study and infinite patience are needed for the making of a whistler. You must practice scales and exercises before you tackle a "piece," must practice the technique of a "piece" before you can whistle it with expression.

shoulders with motley males who now frequent the commission's depots. Wine will be the only beverage sold. BOBBED-HAIR BRIGADE. The bobbed-haired brigade in Britain has a leader, Miss Faith Collin, an actress who did much to create the vogue of bobbed hair by her appearance a few years ago in "Dear Brutus." Miss Collin, who bobbed her golden brown hair when she went on the land during the war, wears it in wavy curls and has never regretted it.

DR. CALDWELL'S LAXATIVE SYRUP PEPSIN FOR CONSTIPATION. You who have raised a family know how hard it is to find an effective yet safe constipation medicine for a baby.

FREE RADIUM CLINIC FOR CANCER

Philadelphia General Hospital, Having Two Grams of Radium, Will Give Non-Paying Patients the Benefit. (Douglas C. Miner in New York Evening Post)

Something new in municipal welfare work—the opening of a clinic in a city hospital for treatment of cancer sufferers by radium emanations—look please carefully in Philadelphia. This is the first free radium clinic in the United States. The Department of Public Welfare, being in the value of radium emanations to treat cancer, despite professional disagreements on the score, has purchased two grams of the precious substance. The clinic is an outgrowth of a pay radium clinic in Memorial Hospital, New York.

The radium for the Philadelphia hospital was purchased at \$7,000 a gram, a bargain price, as the ordinary value is \$100,000 a gram. Since there are altogether only 100 grams of radium salts, the city of Philadelphia is fortunate to obtain this amount. Ordinarily radium emanations are sold at \$13 a "millicurie," the standard of measurement for the ray-emitting gas produced. The first test made at the Philadelphia General Hospital resulted in obtaining 250 millicuries, which would sell for \$3,250. When it is considered that the original investment was \$14,000 and that the emanations are given off for 1,000 years, the commercial value of the substance is easily recognized.

But the city proposes to charge only hospital costs, and should the patient be unable to pay even those few dollars a day, both treatment and hospital care will be furnished free. All tiny quantities of the radium gas which are given treatments if their condition is such that it is believed radium will provide relief. From fifteen to twenty patients will be brought to the clinic daily from their homes, for treatment, and a special ward of sixty beds will be provided.

"It is our intention to proceed conservatively," said Dr. C. Lincoln Furber, director of the Department of Public Welfare. "We have no idea that radium is a cure-all. Some cases may require surgical treatment and that will be given or recommended. Others may be beyond the beneficial effects of radium. But we do know that a certain class of cancer cases are very greatly benefited by the radium treatment."

This substance, 150,000 times as valuable as gold, is kept in a lead-lined hermetically sealed safe in the hospital's pathological laboratory. It is in a room protected with a fine network of burglar

FURNISHED ROOMS

alarm wires. It will not be used directly, but only the emanations from the gas thrown off will be utilized.

Finally the purified emanations are forced into a glass tube hardly thicker than a hair. The tube is sealed by fastening with a gas flame. It may be two feet long, depending on the quantity of emanation procured. It is of an inch long, the ends of which are fused and sealed by the delicate mechanism of the apparatus which has been installed.

The minute sections are each placed in a silver container, and this is placed inside a lead-lined metal case which is kept in a box plus-fitted like a jewelry case. The silver tube is placed in a bit of gauze or other substance for application to the cancer under treatment.

The value of the emanation treat-

ALWAYS A FEW GOOD USED Cars which we sell at what they cost us after thorough overhauling. Payment not be brought into intimate contact with the diseased tissues because of the radiation effect. Of course, the nearer it is brought to the cancer, the greater will be the effect. In handling this relatively large amount of emanation, safety measures have been adopted to protect the radium workers from the rays.

In the laboratory tubes are always handled with forceps. Applicators are prepared behind lead-lined boxes. The blocks specially designed to protect the most vulnerable parts of the body. The emanation apparatus is so constructed that the operator stands behind a lead plate at a considerable distance from the active part. Measuring instruments are used to determine the amount of emanation for a set of hours each day within range of the radio activity requires most careful safeguards against the powerful properties of this strong substance.

Source in Colorado and Utah. The chief sources of carnotite ore, from which radium is obtained in the United States, are in Colorado and Utah. The ore is quite plentiful, but the radium content is lower than in pitchblende, the ore found in Bohemia, in which radium was discovered. The

ment is that it does not use up the radium itself. The gas or emanation increases in activity during the first few hours after it is drawn from the chamber in which it has accumulated. Then it dissipates. The tube containing the emanations can be used over and over during a period of decreasing strength lasting almost three weeks. These tiny tubes glow in the dark with an indescribably beautiful greenish gold light, but visible rays have no medicinal effect.

Radium, it is explained by the physicians in charge of the new clinic, need not be brought into intimate contact with the diseased tissues because of the radiation effect. Of course, the nearer it is brought to the cancer, the greater will be the effect. In handling this relatively large amount of emanation, safety measures have been adopted to protect the radium workers from the rays.

For Man and Beast

NORMA TALMADGE A DECIDED HIT AT QUEEN SQUARE

"The Sign on the Door" One of the Best Pictures in Which the Noted Screen Star Has Been Seen.

In "The Sign on the Door," Norma Talmadge, incomparable emotional actress of the silent drama, is seen at her best in the most interesting and absorbing screen vehicle yet given to this talented star.
"The Sign on the Door" opened to a capacity house at the Queen Square Theatre last night. It is a screen version of Channing Pollock's highly successful stage play of the same name, and to merely say that it is a creditable one would be putting the facts very mildly indeed.
A splendid plot is extremely well presented on the screen. The story concerns Ann Hummel, a pretty stenographer, who, through no fault of her own, is compromised by her employer's scapegrace son. Later, when she marries a man of high character and social standing, the fellow comes into her life again. He is killed in a struggle with her husband. The husband does not know that his wife has witnessed the tragedy. An extraordinary denouement follows her act in summoning the police and accusing herself of the shooting.
In this production Norma takes full advantage of the opportunities for dramatic and emotional acting in wonderful fashion. And the technique and artistry of Herbert Brenon, who directed "The Sign on the Door," is apparent throughout the production.
The star has excellent support. Charles Richman is seen as her leading man, and others prominent in the cast are: Lew Cody, David Froster, Helen West and Paul McAllister.
"The Sign on the Door" was adapted for the screen by Mary Murillo and Herbert Brenon. It is a first national attraction.

SO EASY TO BE WELL AND STRONG

Take "Fruit-a-lives" The Wonderful Fruit Medicine

805 Cartier St., Montreal.
"I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headaches and was unable to sleep at night. I was getting so thin that I was frightened."
"The Sign on the Door" opened to a capacity house at the Queen Square Theatre last night. It is a screen version of Channing Pollock's highly successful stage play of the same name, and to merely say that it is a creditable one would be putting the facts very mildly indeed.
A splendid plot is extremely well presented on the screen. The story concerns Ann Hummel, a pretty stenographer, who, through no fault of her own, is compromised by her employer's scapegrace son. Later, when she marries a man of high character and social standing, the fellow comes into her life again. He is killed in a struggle with her husband. The husband does not know that his wife has witnessed the tragedy. An extraordinary denouement follows her act in summoning the police and accusing herself of the shooting.
In this production Norma takes full advantage of the opportunities for dramatic and emotional acting in wonderful fashion. And the technique and artistry of Herbert Brenon, who directed "The Sign on the Door," is apparent throughout the production.

"The Sign on the Door" was adapted for the screen by Mary Murillo and Herbert Brenon. It is a first national attraction.

SIX POINT GROUP

"The Six Point Group" is a new organization in London. It had a luncheon at which Viscountess Rhonda gave an explanation of its aims. The "Six Point Group" was a group of societies and individuals who were in favor of better laws for the safety of children from assault; for the widowed mother; for the unmarried mother and her child; equal rights of guardianship for married parents; equal pay for teachers, and equal pay for men and women in the Civil Service. These were questions which were of importance to the nation. The Group, Lady Rhonda added, knew what it wanted, and it meant to get it; and it would not dissolve until it had put these six new laws on the statute book. A declaration which suggests trouble for the politicians.

FORM ADULT BIBLE CLASS.
At the close of the regular prayer service in the Waterloo Street Baptist church last night the organization of an adult Bible class took place and the officers were elected by ballot as follows: President, H. E. Hoyt; vice-president, Mrs. John Frodham; teacher, Rev. J. A. Sweetnam; secretary, Miss Florence Kierstead; treasurer, Mrs. Amos Gibbs; pianist, Mrs. Gregg. The name selected by the members of the class as its title was "In-His-Name." There were twenty charter members and every one was full of optimism regarding the work which was expected to be a very live class. It will meet regularly at the close of the Sunday school session each Sunday.

LOCAL NEWS

Invitations have been received in this city for the dedication of the Castle Hall erected by Westmoreland Lodge, Knights of Pythias, in Moncton. The event will take place the latter part of this month.

The final session of the life underwriters of New Brunswick and P. E. I. was held last evening at Bond's, where a banquet was served. Addresses by J. G. Stevenson, J. Castle, Graham and H. A. Powell, K. C., featured the meeting. After the speeches several motion pictures were shown.

The executive of the Labrador Mission met yesterday at the home of Mrs. G. K. McLeod to make arrangements for the annual meeting next month. Reports were read from a recent tea and sale. The sum of \$200 was sent to the headquarters of the society recently.

The educational secretaries of the local I. O. D. E. met yesterday afternoon at the residence of Mrs. Frederick Foster to talk with Miss Agnes Laing. Miss Laing told of the proposals of the order in this direction and made some suggestions for the work in this district.

The Retail Merchants' Association are giving close attention to the subject of the water power development at Musquash. A special committee of the association conferred yesterday with Herbert Phillips, who is taking a leading place in the fight for municipal ownership.

The final decision was reached yesterday in regard to the tenders which were received by the Canadian Credit Men's Trust Association for the bankrupt stock and fixtures of the estate of H. A. Ray at Debec. The highest tenderer was J. Gilbert, of Benton, Carleton county, and the stock and fixtures were sold to him at his bid.

The Natural History Society has received a model of one of the woodboats which formerly were familiar along the St. John river. The boat was made by John Rogerson for Alexander Watson many years ago. Mr. Rogerson has also presented to the society the working model from which the ships Homolus and Homowas were built. The model was made by Walter Brown for the London exhibition.

The case of the Maritime Nail Co., Ltd., vs. Gregory was heard in the Chancery court yesterday before Chief Justice Sir Douglas Hasen. The case was to do with a question of law affecting properties in the north end. The evidence was concluded at the afternoon session yesterday and the court adjourned until Friday morning, when the arguments of the counsel will be heard. Hon. J. B. M. Baxter, K. C., and M.

Darling Marie
Sincerely yours
Jack, his the dearest
husband. Love what
his being now? feeling
on to Edie
We have glorious
times, but of course, feel
every few minutes, and
usually feel Jack over
and me. We were both
awake when we got
home last night, but we
couldn't
confront
Edie's return
on to each other, free,
and that kept our
heads to. So I'm going
to try again, next week
Keap of love
Pepp

CHOPS HUSBAND TO DEATH

Delaware Women Attacks Him While He Sleeps, Fearing for Life.

Wilmington, Del., Jan. 18.—Made desperate, she told the police because he had threatened to kill her, Mrs. Robert Liggins, 38 years old, killed her husband with an axe while he lay asleep on a couch.

SAID CELLAR WAS ROBBED.

Port Arthur Man Fined for Selling When he Complained.

Port Arthur, Ont., Jan. 19.—Peter McNab, Fort William, reported to the police that thirty-seven cases of liquor had been stolen from his cellar. Police investigated, and Saturday McNab appeared before Magistrate Palling on a charge of keeping liquor for sale. The magistrate found him guilty and fined him \$200, saying he did not believe the story of theft, but was rather inclined to believe it had been given to the police to cover up disposal of stock in another manner. There had been a lot of that kind of thing going on, he said.

Wolves in Port Arthur.

Port William, Ont., Jan. 19.—Three timber wolves invaded Port Arthur yesterday and were observed by children going to Sunday school. Nearly two hundred pelts have been brought to the city for Government bounty since snow fell this winter.

G. Teed appeared for the plaintiff, and H. A. Powell, K. C., and W. H. Harrison for the defendant.

A mixed Bible class, with a charter membership of twenty, was organized in the Waterloo street Baptist church last night. The officers elected were: H. E. Hoyt, president; Mrs. John Frodsham, vice-president; Miss Florence Kierstead, secretary; Mrs. Amos Gibbs, treasurer; Mrs. Gregg, pianist; Rev. J. A. Sweetnam, teacher.

The Jewel Rebecca Lodge, I. O. O. F., No. 6, held an entertainment for the members of other lodges in Golden Rule Lodge hall, West Side, last night under the leadership of Miss Harriet Smith. Refreshments were served and music and addresses were given by the following: Miss Smith's class, Mr. and Mrs. H. E. Sibson and son, Miss V. Richards, Miss Hazel Elsworth, Miss M. Ervine, J. Salmón, W. J. Segee, G. C. Poole, T. S. Fenwick.

The recently appointed executive of the G. W. V. A. held its first meeting last evening when it elected three additional members as follows:—J. H. Kimball, G. P. Hennessey and Charles Moore. Chairmen of various committees were appointed as follows:—House, R. Y. Ganong; employment, William MacGowan; membership, F. J. Newcombe; entertainment, F. H. Gardner; benevolent, J. G. Dryden; sports, L. S. MacGowan; ways and means, Dr. Peat; by-laws, W. H. Harrison.

The semi-annual meeting of the board of directors of the Paraline Home for the aged in Fredericton was held yesterday afternoon in the King's Daughters Guild. Miss Ella Thorne presided. Miss Daisy Weddall read the report of the finance committee; Mrs. A. T. Murchie for the combined admission and house committee; and Mrs. C. C. Jones for the religious committee. Refreshments were served under the convener'ship of Mrs. D. W. Puddington and Mrs. John Bailock.

KILLS 3 BEARS IN 5 MINUTES.

Sullivan County Hunter Has Lucky Day on Friday the 13th.

Monticello, N. Y., Jan. 19.—Friday the 13th may have been unlucky for some people, but for Nooks Hommel, of Monticello, it was the luckiest day of his life. On that day in five minutes Hommel killed three black bears and obtained enough bear meat to provide himself and friends for the entire winter. Hommel lives four miles from Monticello, where bears are more numerous than any place in Sullivan County. Deer and foxes also are abundant in that section. During the past summer and fall bears had increased in numbers and had become so daring that they raided sheep pens and stock pens on several occasions visited Hommel's prize huckleberry patch. Hommel, who is an old hunter and guide, vowed vengeance on the entire bear family, but waited until ample snow for tracking arrived. Hommel on Thursday took up the trail of a bear and followed it until dark and the following morning resumed the pursuit. Late Friday, after having covered more than twenty-five miles, he ran his quarry into a ledge of rocks. Before the hole in the ledge he built a fire to smoke the bear out. A 200-pounder soon came forth, sneezing and growling. Nooks killed him. Another growl came from the hole in the ledge and a second bear came forth frothing at the mouth and snapping. Hommel killed the charging animal with three shots. Again a growl and rush from the ledge of rocks and the third bear made a lunge for Hommel, who by that time had decided the whole country was alive with bears. By quick footwork and rapid handling of his rifle, Hommel was able to save himself and kill the third bear.

To Promote Use of Milk. Miss Helen G. Campbell has been appointed by the Dominion Department of Agriculture to give public addresses on the value of milk as a diet, particularly in the case of children, and to assist in milk campaigns in urban centres. Assistance in milk campaigns will be given only where asked for by some citizens' organization.

James Mowat. The death of James Mowat, of Enderby, B. C., was announced yesterday. He leaves his wife, two daughters and four sons. Mr. Mowat was formerly a well known resident of St. John.

Borden's ST. CHARLES EVAPORATED MILK

NET WEIGHT ONE POUND

Your winter-time dairy

Blizzards cannot delay it - nor storms retard its delivery to your kitchen -

BLIZZARD! Ice storm! Roads blocked! Milkman delayed! NO MILK! Aren't you in danger of that sort of thing every day in Winter? Can't you just remember days when you honestly didn't know how to get through—because the milkman hadn't come? But if you had a few tins of ST. CHARLES MILK on the pantry shelf—you could afford to smile at the storm! Delicious! Wholesome! Inexpensive! Good for every purpose milk is required for! and THERE! Ready at hand! Waiting for you storm or no storm. Be sure you have a supply of ST. CHARLES in the house this very day. Order from your grocer.

Do you get tired of the same dishes? Then send for the Borden Cook-book. It's full of new and delicious recipes. FREE upon request.

Ritz Dancing Academy

(FORMERLY THE STRAND)

Patrons of dancing in St. John will be glad to hear that St. John's foremost dancing instructor, Mrs. Marie Furlong Coleman, will conduct a large dancing academy in this city, to be known as the RITZ in the immediate future. Mrs. Coleman has taken over the STRAND DANCING ACADEMY and is making extensive alterations, so that with the Ritz' large beautiful floor, unexcelled in Eastern Canada, up to date music and careful supervision, the RITZ promises to be the finest institution of its kind in the eastern provinces.

Watch the papers carefully for notice of GRAND OPENING 19047-1-19

SPORT NEWS OF A DAY; HOME AND ABROAD

GOLF.

Barnes Wins.
Los Angeles, Cal., Jan. 18.—The California State open golf championship was won here today by James Barnes, of Pelham, New York, with a score of 292 for seventy-two holes played in three days' tournament at the Wilshire Country Club.

HOCKEY.

Charlotteville, 5; Moncton, 4.
Moncton, Jan. 18.—In a New Brunswick and Prince Edward Island league game here tonight, Charlotteville defeated Moncton by a score of 5 to 4.

Ottawa scored a ten to six victory over the Canadiens at Ottawa last night. Towards the end of the game the Senators had a full line of subs on the ice.
Sussex defeated Marysville at Fredericton last night by the score of 9 to 1. Marysville was outclassed at all times. Hamilton outplayed Toronto St. Patrick's last night at Hamilton and came out on the long end of a 9 to 4 score.

An interscholastic hockey schedule, including Rothesay Collegiate, Sussex High and Fredericton High, was drawn up yesterday. St. John High did not enter the league. The local school entered a team in the basketball league, composed of Provincial Normal school, Fredericton High, Rothesay Collegiate and St. John High. It was decided that such club would subscribe to buy a cup.

Duluth, Minn., Jan. 18.—Canada captured the international event and Louis W. Hill trophy last night at the Northwestern Curling Association's bonspiel here. The score for the three games was 12 to 24. It was the first time in six years that Canadian entries have won the trophy.

All three of the Canadian rinks participating in the international are from Winnipeg.

A team picked from the Trojans and Alerts defeated the Y. M. C. A. Seniors in a game at the armories last night. The Lincoln team refused to come, and the Y. M. C. A. team were stalling on the ice, so that the game was brought to a halt. The score was 10 to 0. Both teams were handicapped by playing conditions. The Y. M. C. A. Intermediates defeated the High school by the score of 11 to 10. This game was featured by some excellent shooting.

Baltimore, Md., Jan. 19.—Members of the crew of the ice boat Annapolis had a dance on their vessel, lying in the ice off Turkey Point, the music for which was furnished by an orchestra in Washington after the Baltimore sailors had listened to several solos and an address on public health questions.

The Annapolis had tied up for the night when her wireless operator picked up the address over one of the two wireless telephone sets carried by the vessel. He rigged up amplifiers which magnified the sound sufficient to be heard well.

When the music started the men couldn't resist the opportunity to dance in such unusual fashion. The programme was coming from an officers' club in Washington over a sounding set tuned to carry 1,000 miles.

In a match game last night the young ones of Macaulay Bros. first floor, defeated those of the second floor by a pinfall 1010 to 984.

Trocadero took all four points from Sheffield Paper. Total pinfall, 1,320 to 204.

Waterbury & Rising took three points on Atlantic Sugar. Total pinfall, 152 to 1,243.

"The Sign on the Door"

From Channing Pollock's play. Directed by Herbert Brenon. Honestly—a Masterpiece of Screen Production!

SHE flung open the door. There stood her husband over the man to whom she had made a plea. As yet he had not seen her, but he would—and learn the things she had hidden from him in marriage.

Her husband had come to avenge a friend. What would he do when he found her there, too?

Big—Vital—As Fine as the Finest Norma Has Given.

BOY SHOT IN THE BACK
Milton Youth Got Charge Aimed at Rabbit.

Milton, Ont., Jan. 19.—A regrettable shooting accident took place in John West's bush, at Indian Point, near Burlington, as a result of which Stanley Buckle, a 17-year-old Milton boy, may lose his life. He was shot through the back of his right side by James Trevelwell of Burlington, who was aiming at a rabbit. The unfortunate lad was rushed to St. Joseph's Hospital, Hamilton, where the bullet was extracted by Dr. Mowbray.

Buckle's brother, Jack and William Wilbert, the other two members of the hunting party, saw the shooting and state it was an accident. Full particulars of the affair were telephoned to Crown Attorney Dick here who took no action, as it was quite evident that the shooting was an accident. He, however, notified the lad's parents, Mr. and Mrs. Robert Buckle of John street, who were at once rushed to the bedside of their son, who is still in a precarious condition, and not yet out of danger, as the wound is in a vital part of the body.

LOCAL NEWS

TOBOGGAN PARTY.

Miss Bertie Campbell was hostess to held last evening at Lily Lake. After many good slides guided by D. Latimer the party adjourned to the home of Mr. and Mrs. W. C. Flowers, Wright street, where a delightful repast was served and music enjoyed. Miss Florrie Brown and Mr. Latimer accompanied the singing.

MRS. SEDGEFIELD PERRY.

Friends in St. John were sorry to learn of the death of Mrs. Bessie Perry, wife of Sedgefield Perry of Freeport, N. S., which occurred at her home there on Jan. 10 of pneumonia. Mrs. Perry was a daughter of Mrs. and the late R. A. McGeehan, and formerly resided in this city. She is survived by her husband and three children, her mother and one brother, G. McGeehan of St. John, who have the sympathy of many in their loss. The funeral was held at Freeport.

MENULTY-MOREHOUSE.

A quiet but pretty wedding took place in Holy Trinity church at seven o'clock this morning, when Right Rev. J. J. Walsh, V. G., united in marriage Mrs. Edith M. Morehouse of this city and John Andrew McNulty of P. E. Island. The bride wore a tailored suit of Alice blue velour, with hat to match. She was attended by Miss Kathleen Harding. J. Harris supported the groom. Mr. McNulty is a popular member of the St. John Opera House staff, and by his genial manner has made many friends with the public. Both he and his bride will receive the best of wishes from all in their married life.

WITH THE POLICE.

One of the crowd at Lily Lake yesterday afternoon lost a large silver pin set with rhinestones and pearls, and it was picked up by one of the members of the local police force and taken to central station.

The central police station this morning had a very lively visitor whose youthful antics were a source of amusement to the members of the force there. This stranger is a liver-colored spaniel pup, which was picked up in Charlotte street this morning by Policeman Duffy. Although there is no charge of vagrancy against the pup it is expected that it will be held at the station until someone provides a "visible means of support."

NEW BRANCH OF MILITIA SERVICE

Canadian Ordnance Corps Here—Apportionments in the Service.

Lt.-Col. T. R. Newcomen, M. C., R. C. D., has been detailed to command a school of artillery at Hillsboro, starting yesterday, for a period of six weeks.

A new branch of the militia service has been officially opened here by the formation of a Canadian Ordnance Corps, a non-permanent militia corps, to consist of twenty men, a lieutenant, a quartermaster sergeant, two lance corporals, two lance corporals and thirteen privates. Lieutenant Walter Gates Potter has been appointed to command this branch.

The following appointments have been recorded:

1st Siege Battery—To be major and to command the battery: Lieutenant and Brevet Major T. E. Ryder, D. S. O., M. C. 15th Heavy Battery, 3rd (New Brunswick) Heavy Brigade.

10th Siege Battery—To be major and to command the battery: Major L. W. Barker, D. S. O., from the Corps Reserve, 3rd (New Brunswick) Heavy Brigade.

Certificates have been granted to the following: Lt. Sup'y E. H. J. Barber, New Brunswick Dragoons, grade, cavalry lieutenant; Lt. H. F. Harper, New Brunswick Rangers, grade, infantry captain.

The honorable the minister of militia and defence has approved the following formation of and appointments to Cadet Corps:

Formations:—
No. 140, "A" Company, The Hampton Cadet Corps, Hampton, N. B.

Appointments:—
No. 140, "A" Company—E. D. Angvine as company leader; H. E. March as platoon leader; R. A. H. Hayes as platoon leader; R. Ross as platoon leader; B. Smith as platoon leader.

No. 733, "A" Company—L. R. Nice as company leader; A. C. Amos as half-company leader.

No. 924, "A" Company—J. Wishart as company leader; J. Rabbit as platoon leader; M. Boyd as platoon leader.

No. 934, "A" Company—C. Clark as company leader; M. Brown as platoon leader; J. Armstrong as platoon leader.

NEW ORDER OF WOMEN IN THE CATHOLIC CHURCH

Plans are being perfected for the formation of a new order of women in the Catholic church. This order will not be cloistered, will wear no habit, and will be devoted to work along social service lines. The name given will be "The Sisters of Service," and the Sisters will go out in pairs, one a trained teacher, the other a trained nurse.

The mother house will be in Toronto, and assistance will be given by the various convents in the preliminary training.

In a letter sent out by the Secretary, Mrs. P. G. Kiely, asking for assistance in the formation of this sisterhood, it is pointed out that there is a vast field for its activity among the foreign population on the prairies of the west, that they may be "kept true to the faith of their fathers."

A similar organization, with an enrollment of more than 2,000, has been at work in Australia for some time, and has been very successful.

STRIKE MADE CITY SHORT OF BREAD RATIONS

Mexico City, Jan. 19.—All bake shops in Mexico City will be taken over forcibly by the bakers syndicate on Jan. 26, if demands which caused the present strike of bakers here are not met before that time.

An announcement to this effect was issued last night at the close of the first day of the strike, which left Mexico City short of bread rations.

The strikers gained some support yesterday and continued street demonstrations.

JUDGMENT RE STRANDING OF SCHOONER

Master and Pilot Retain Certificates, Pilot to Pay Costs of Inquiry.

The judgment of the court constituted to inquire into the matter of the stranding of the schooner Frederick H. J., the Negro headwater, on the morning of January 7, was delivered this morning. The court consisted of Capt. L. Demers, Captain J. J. Mulcahy and Captain A. L. McLean, was as follows:

The findings of the court were therefore as follows:

This court, having carefully weighed the matter, finds that both the master, Frederick G. Hawx, and the Pilot, Alfred Cline, were equally at fault.

As the master has to face the expense of repair and the entailing cost of delay, the court will only severely reprimand him and caution him to be careful in the future, and to weigh the remarks of the court with respect to his duties and responsibilities when he has a pilot with him. His certificate is therefore returned.

The court will not deal with the license of the pilot, taking into consideration his long career, but orders that he defray the costs of this investigation amounting to \$215.00, and warns him that should anything further be brought against him and proven, that his license will certainly be dealt with.

TAKE UP MATTER OF DOUGLAS AVE. GRADE CROSSING

(Continued from page 1)

than in other provinces. He said the rate on limestone was only slightly higher than the crushed stone and gravel rates.

Mr. Carvell said that as one who had used the lime he had found it quite expensive.

Dr. Rutherford suggested a conference between the agricultural and railway men to attempt to reach an agreement and report back to the board.

Mr. Hayes said the railway people were glad to meet the shippers at any time and make a report to the board.

To Mr. Hayes Hon. Mr. Lee said on account of rates the limestone in P. E. I. could not be delivered any cheaper than by importing from New Brunswick.

Mr. McDonnell said the difficulty was to make any saving to the farmer and not to the manufacturer. Mr. Carvell said with this and said he did not want, by reducing rates, to throw money into the hands of the manufacturer.

F. W. Beatty, of Stetson, Cutler & Co., said his company manufactured lime and much of the product went on the land as fertilizer.

The proposed meeting of the carriers and agricultural representatives was set for this afternoon.

Douglas Avenue Crossing.

Dr. Baxter said that all parties appeared to be agreed on the principle of the grade crossing. He thought that the representation of engineers of the city, the C. P. R. and the railway commission would straighten away the matter of the land as fertilizer.

He thought the only work of the board would be the apportionment of the cost. He said that the C. P. R. had widened the gap at the bridge by the other set of rails. If the railway was not going to use the tracks to the old bridge, one end of the overhead structure might rest on the site of the old track.

Mr. Flintoff said that the railway planned for the two tracks.

"Then," said Mr. Baxter, "the C. P. R. should pay a higher proportion of the cost."

"Oh! I don't know about that," said Mr. Flintoff.

Dr. Baxter said that the N. B. Power Co. was to pay a proportion of the cost of protection at its crossing and he thought that its cost could be increased. He said that the street railway had filed a defence in which poverty was pleaded.

Dr. Baxter said that the city's proportion of the contribution should not exceed one-quarter. Deducing the commission's contribution, he thought the C. P. R. should pay one-half of the balance and the city and N. B. Power Co. share the balance.

Mr. Ross said the N. B. Power Co. was agreeable to paying a proportion of the cost, but the financial condition of the company, due to strikes, made it impossible. He said the company was about \$300,000 in debt. He said the company paid \$2,200 a year for protection now.

He estimated the cost of the proposed structure at \$110,000—and intimated that the Power Company would bear the cost as suggested by Dr. Baxter if it was made a capital account, as the \$2,200 now paid would about pay the interest on the company's share.

Mr. Flintoff said that the C. P. R. and street railway now share the cost of the crossing.

Mr. Baxter said that the city understood that the old railway bridge was to be removed and he thought the C. P. R. should say if they required one or two crossings.

Mr. Flintoff said the railway could not say now if the old bridge would remain or not, but the C. P. R. requested that the overhead crossing be made to leave an opening for two tracks. He said in accepting a fifty-six-foot opening, as they had a 105-foot right of way, the C. P. R. was really contributing generously to the scheme.

He thought the city's estimate of \$110,000 of the cost was low.

For forty-eight hours, ended midnight Jan. 14, a record of traffic showed the following movements: Street cars, 697; railway, sixty-nine; pedestrians, 654 and vehicles, 735. This was not a very heavy movement, he said, and on its merger the board would hesitate to order the grade separation.

Dr. Baxter said that if agreed upon, the city intended to go ahead with the work now and aid unemployment.

Mr. Flintoff said the C. P. R. favored a steel bridge. As the provincial traffic would be affected he thought the province should bear a share of the cost.

OUR SALE OF WHITE IS YOUR OPPORTUNITY

Commencing this morning at 9 o'clock our Annual Whitewear Sale has wonderful values for you in all the garments you need most.

During this sale you will have the advantage of the lowest prices we have ever offered in a sale of this kind.
