Both the Republicans and Democrats are expected to look with some favor on this preposal, from the fact that it will take the question out of politics during A Good Offer posal, from the fact that it will take the question out of politics during the Presidential contest and partly remove an issue that neither knows how the people might regard. The idea is not a dignified one, but it may temporarily save the treaty from rejection and even make its acceptance a passibility.

A Song of Rest.

fell many a time like thunder rain—
O weary heart! that through the years
Beat with such bitter, restless pais,
To-night forget the stormy strife.
