ERZBERGER'S STATEMENTS ARE BRANDED AS UNTRUE BY A FORMER FRENCH PREMIER

Alexander Ribot Describes Declaration Made by German Finance Minister That Allies Sought Peace Through the Vatican As "a Distortion of the Truth."

Havre, July 28.—"A distortion of the truth," was the characterization applied today by Alexander Ribot to the recent statement by Matthias Erzberger, the German finance minister, declaring that Great Britain and France made peace overtures to Germany through the Vatican in 1917, which Germany rejected.

Mr. Ribot, who was French premier and foreign minister at the time in question, made this declaration in a statement to Marcel Huin of the Echo de Paris. The former premier explained the occurrence as follows:

"Pope Benedict, in August, 1917, suggested proposals to serve as a basis for overtures to Germany. France and Great Britain both decided to decline the proposals. The pope, however, suggested that the British minister, Lord Balfour, should make an overture to Germany through the Vatican in 1917, which Germany rejected. Mr. Ribot, who was French premier and foreign minister at the time in question, made this declaration in a statement to Marcel Huin of the Echo de Paris. The former premier explained the occurrence as follows:

NEGROES SWEAR TO DIE RATHER THAN SUBMIT TO INJUSTICES

Chattanooga, Tennessee, July 28.—Declaration that before the negroes of the country again will submit to "Many of the injustices which we have suffered at the hands of the white men, they will have to kill more of them than the combined number of soldiers that were slain in the great world war" is made in a letter written to President Wilson by the Rev. J. G. Robinson, president of the African Methodist Episcopal Church at Chattanooga, and made public here today.

The letter written by the Rev. Robinson, who acted as spokesman for the delegation of shiphands and laymen on the African church, which presented a pledge of loyalty to President Wilson at the outbreak of the war, appeals for the president's support in behalf of legislation to prevent lynching, and to force southern states to place negroes on juries.

Material is added to show that Prince Maximilian of Baden, then imperial chancellor, finally took the initiative and gave out to the Kaiser an official statement that the emperor had abdicated as emperor and king of Prussia, although it is averred that he had not done either, and has never renounced the throne of Prussia.

"At Abbeville," the premier said, "we asked ourselves, ought we to arrest the march on Paris or prevent the Germans from getting to the sea. Both viewpoints were defended by men of equal ability."

"A great allied officer said to me one day, 'If Paris falls, what shall we do?' I answered, 'If Paris falls, France will be in ruins. You ask me, 'What are you going to do for us?' I answer, 'Everything' for there could be no greater injustice than if France showed herself miserably towards those who have defended her."

INFLAMED GUMS— THE CAUSE OF TOOTH-BASE DECAY

Just as the strength of a building is dependent upon its foundations, so are healthy teeth dependent upon healthy gums.

Permit the gums to become inflamed or tender and you weaken the foundation of the teeth. This condition is called Pyorrhea (Riggs' Disease). Loosening of teeth is a direct result. And spongy, receding gums invite painful tooth base decay. They act, too, as so many doorways—infected germs to enter the system—causing other ailments.

Pyorrhea (Riggs' Disease) attacks four out of five people who are over forty. And many under that age, also. Its first symptom is tender gums. So you should look to your gums! Use Forhan's, which positively prevents Pyorrhea if used in time and used consistently. It also scientifically cleans the teeth—keeps them white and clean. Brush your teeth with it.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

QUOTERS STAGE EXCITING
MATCH AT LOCAL GROUNDS

H. Storie Wins in Finals—Old-Time
Game Is Witnessed By a Large
Number of Spectators.

Saturday's blazing sun did not daunt local quotters from staging their weekly match on the quotters grounds, King street. The match was scheduled for 11 o'clock, but the sun was so hot that quotters began to gather to witness the game. The match was keenly contested, but the home team won by a round was one of the best that has been seen in this city since the old time sport was one of the main factors in the sport line in Western Ontario.

H. Storie, lightweight champion of Canada and who has held the cup for the last four years, was drawn against R. Brooks. Brooks gave him one of the best runs for the match that Storie has had in his career. Storie won out by six points.

Next week another match will be staged here, and it is anticipated that even a larger number of fans and players will take part. The grounds are in an excellent condition. Saturday's scores were:

First Round.

Two parties of returned soldiers from overseas service arrived in the city at 8 o'clock Sunday morning. A party of 8 officers and 124 other ranks off the S. S. A party of 37 military patients which crossed the Atlantic on the hospital ship Essequibo, docking at Portland, Maine, Friday, arrived at the Grand Trunk downtown station yesterday morning, travelling in special hospital coaches. The soldiers were met by the civic reception committee and conveyed to Carling Heights in motor cars.

Upon arrival at Tecumseh Barracks, the veterans were taken onto the strength of the Western Ontario Military Hospital, and were given full medical and nursing attention. The local Red Cross in the dining hall at Tecumseh Barracks, with the demobilized party off the S. S. Regina, The Canadian Garrison Regiment brass band was in attendance.

The soldiers off the Regina were provided with their discharges from the service and transportation to their homes. NAVIMOZA, THE GREAT, IN "REVELATION" AT GRAND NEXT WEEK

Miss Grace Nelson, Popular
Prima Donna, in Return
Engagement.

Metro's great special production de luxe, "Revelation," which will be shown at the Grand all this week three times daily, is a revelation in fact as well as in name. It reveals the art of the great Nazimova in a way unprecedented. "Revelation" is a mighty drama of the screen, based on a powerful story, that reaches the heights of sublimity, and descends to the profoundest depths of the human heart. In "Revelation" the great Russian at last has a vehicle worthy of her genius and worthy to lead the list of her wonderful series of Metro features.

"Revelation" provides Nazimova with a role that demands the full sweep of her abilities. As the Parisian grizette, whose soul is laid bare in this gripping story, Nazimova is gay and fascinating, capricious and wilful as a summer storm, cold and calm one minute, tender and pure with the serenity of an Arctic sunrise, the next. She is selfish, mad, passionate—she is noble, and self-sacrificing.

MISS GRACE NELSON.
Miss Grace Nelson, the popular prima donna, returns to the Grand today for a week's engagement. Of the many splendid singers who have appeared in this city during the past season, Miss Nelson is the supreme favorite, and her many local admirers will welcome this return engagement. The possessor of a wonderful personality and a cultivated voice of remarkable power, wide range and splendid tonal qualities, Miss Nelson has gained for herself the enviable reputation of being the finest in her line. For the last half of the week, Miss Nelson will offer a complete change of program.

Other attractive features of this bill will be a comedy and the Gaumont news weekly.

Nazimova, the great, in a special production de luxe, "Revelation," the sublime motion picture of a decade, adapted from the novel "A Rose Bush of a Thousand Years," at Grand all this week.

Theodore Roosevelt Snaps

GOVT. HITS COMMERCE

Appeals For Harbor Improve-
ment at Port Stanley Get
Deaf Ear at Ottawa.

Twelve hundred citizens of Cleveland, Ohio, leaned over the rails of the steamer Theodore Roosevelt for two hours yesterday afternoon, and in concert with five thousand residents of London, St. Thomas and other Western Ontario ports, noisily wondered what must the others be like if Port Stanley is, in truth, "the finest harbor in the world." The Sunday trip of the Roosevelt, inaugurated the new high-speed daily service between Port Stanley and Cleveland, a boon secured by painstaking effort on behalf of chambers of commerce and boards of trade. The ship, which is perhaps the largest that has ever visited Port Stanley, hove up on the horizon in mid-afternoon, and reached the harbor mouth at 4 o'clock. That seemed to bear out the contention that she is the fastest big passenger vessel on the Great Lakes. She entered the harbor cautiously and made her way to her pier on the west side between the grain elevator and government warehouse, while fishing tugs and other small craft, with shrieking whistles screamed their salute.

Ohio Commands Canada.
The Ontonagos, who had responded to advertised admonitions to "Spend a Day in Canada," left the big ship much interested in their new adventure, and as they scattered about the vessel, commented it freely. Meanwhile, the captain attempted to turn his vessel at her pier, but as her stern swung into the river she touched bottom, and he was compelled to abandon that enterprise. He then concluded to come ashore alongside the wharf in his original position and there he loaded his passengers, together with several hundred London and Western Ontario people, for the return journey.

IRON FOR STRENGTH

You need iron in the blood! Every healthy man or woman should have about as much iron in his or her body as there is in an ordinary railroad spike. To gain this iron, the best way is to take Tonal-iron Capsules, a combination of iron in its most soluble form, recently discovered, and now having a marvelous effect on the blood. The capsules are a form of iron readily taken up by the blood. The blood cells get round, rich red in color, the cheeks are pink, the appetite improves, and one feels full of "snap" and "vigor"—instead of tired before the day is half done. The eyes take on a lustre and the body feels that tingle which one gets from a cold bath. For sale and guaranteed by all good druggists, or sent by mail on receipt of \$1. Tonal-iron Laboratories, Box 134, London, Ont.
