The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

SONGS  
OF  
GROWTH

BY

JAMES L. HUGHES

CHRISTMAS  
1911

ELL  
ALL

To Miss Alice Harding  
with all Good Wishes

I have a garden in my heart  
With flowers of beauty rare;  
Fond memories of my dearest friends,  
And you are blooming there.

I have fine pictures in my heart  
Of those I found most true,  
And often, when I am alone,  
I sit and look at you.

I have sweet music in my heart  
Of rich and varied tone;  
In life's great choir of voices, I  
Can always hear your own.

## The Laws of Growth

I shall keep true touch with the universe,  
And the vital light of the fire divine  
Will direct my life with a vision clear,  
And achieving power will be surely mine.

I shall climb the heights where true progress leads;  
I shall learn the secrets of Nature's laws;  
I shall teach new truths that will upward guide,  
I shall work for justice and freedom's cause.

I shall sing no song of despair or grief;  
For my failures past I shall weep no tears;  
I shall garner courage, and faith, and love  
To give hope and strength in the coming years.

I shall search the lives of my fellow men  
For the good, the noble, the true alone;  
For the things I see in their lives I know  
Will re-act on me and transform my own.

I shall turn my face to the sun all day  
Till he sets at eve in the golden west;  
And the work of life will give growth and joy,  
And the afterglow will bring peaceful rest.

## Freedom To Grow

It does not give new power to grow,  
To learn what men believed;  
Men kindle truly, when they know  
The work men have achieved.

The soul its richest growth attains,  
When from all bondage freed;  
We should not bind it with the chains  
Of prejudice or creed.

The revelations of past years,  
Should stimulate, not bind;  
No ancient thought, no hoary fears,  
Can check the strong, free mind.

The victories mankind has won,  
Should point to duties new;  
The noble work the past has done,  
Should guide to broader view.

True leaders are the men who dare  
To climb alone, to see  
A higher vision in clear air  
From cloud and darkness free.

## Happiness and Growth

Oh! why should I weep when the world goes wrong?  
I go to the woods to see  
The flowers and ferns, for they always give  
A message of hope to me.

Oh! why should I garner my sorrows up?  
I go to the shady glen,  
And drop all my cares on the river's breast;  
They never come back again.

Oh! why should I grieve when misfortunes come?  
I climb to the hilltop high,  
And silently look, till my heart is full  
Of joy, at the cloudless sky.

Oh! why should I worry in life's dark hours?  
I turn to the stars, and lo!  
They whisper a lesson of comfort sweet,  
And life has a radiant glow.

Oh! why should my troubles destroy my power,  
Or rob me of joy? I know  
I stand in the centre of light and growth,  
And duty says, work and grow.

## Partnership in Growth

I plant a seed; a flower blooms; I know  
That I alone could not have made it grow,  
And yet I know full well, that power divine  
Produced the plant in unity with mine.

God enters into partnership with me:—  
No greater thought than this can ever be  
Revealed to finite mind; all things are mine  
If I accept and use the power divine.

God is my silent partner; He will do  
No work of mine, but it is surely true  
That I may trust him to supply my needs.  
Life's flowers will grow, if I will plant the seeds.

## Growth in the Best

If the friends I trusted have proven false  
I can think of those who have still been true;  
I have planted seeds that have never grown,  
But I think with joy of the flowers that grew.

If my heart grows faint, at the fount of faith  
I can drink fresh draughts and my strength renew;  
If my life grows narrow, my thought may soar  
On the wings of hope to a broader view.

For there are no fetters to bind my soul  
When the wider vision has set me free;  
And there is no evil without some good  
Of a larger kind that is close to me.

## Aiding Growth

I can transform a barren place  
By planting there  
Fine fruits and flowers, producing growth  
And beauty rare.

I can enkindle barren lives  
To vital glow  
By hopeful word and kindly deed,  
And they will grow.

I can bring water to the flower  
That droops, and then  
It will revive, and with fresh strength  
Will bloom again.  
So to dark lives my heart may bring  
Love's cheering light,  
And hope's bright star will ever shine,  
When it is night.

## Faith and Growth

The noblest hero is the man whose faith  
Grows stronger as the night grows dark and drear,  
Who bravely struggles on to overcome,  
Though foes oppose, and there is none to cheer.

True to his vision and with dauntless heart,  
Enthusiastic, though he climbs alone,  
Faith leads him upward that he may reveal  
Some truth he sees to others yet unknown.

The highest happiness the heart can know  
Comes, when his victory at last is won;  
And in his triumph on the mountain crest  
He stands serenely, when his work is done.

Be not distrustful, doubting unbelief  
Ne'er led to high endeavor to achieve;  
The men who have transforming power are those  
Who in themselves, their cause, and God believe.

## Prayer and Growth

If I use my power, I may justly ask  
For a higher power, it is vain to pray  
For a deeper insight, unless I strive  
To perform the duty I see to-day.

The Divine Creator makes no mistakes;  
I must use with zeal for a purpose true  
What I now possess, or he'll never give  
Any greater power, any vision new.

God has never promised to do my work,  
But He gives more wisdom and insight still  
To reveal my duty, if I respond  
To His guiding spirit, and do His will.

'Twould be reckless waste to give me new power,  
If I do not try to achieve the plan  
That He has revealed; if I do not prove  
In the work of life that I am a man.

## Growth by Doing

Believe him not who says that "men do wrong  
Because they love wrong better than the right;"  
God made man well—with power for higher life,  
With love of work and longing for the light.

Men do the wrong because they do not see  
The glory of the good they might achieve;  
Christ taught mankind "to do His will to know  
His doctrine." Men grow blind who but believe.

Pure joy is never found in doing wrong;  
'Tis doing brings delight; men love to do,  
Because transforming gives them faith, and hope,  
And lifts the soul to wider, clearer view.

To do to-day the duty that we see  
Reveals tomorrow's duty, and supplies  
Achieving power for upward growth; and life  
Grows sweeter, richer, grander, as we rise.

## Growth in Selfhood

He is the greatest man who knows  
He is a thought of God,  
Endowed with leadership to climb  
Where man has never trod;

With special gift; with vision clear  
Revealed to him alone  
Of work enriching human life;  
With thought before unknown;

With power to make new flowers bloom  
In barren lives, or light  
A torch high up the mountain side  
To make the path more bright.

## Self Faith and Growth

"We are but worms, all flesh is grass,"  
The mournful preacher taught.  
'Tis true - compared with God himself  
Mere human power is naught.

But God created us, and gave  
Us power to grow, and do  
Each day some noble work, and be  
More strong, more wise, more true.

We represent Him, and should feel  
The honor of our trust;  
We should be worthy men, and not  
"Unworthy worms of dust."

God's faith in us should give us faith,  
That we may ever be  
Prepared to undertake with joy  
Each duty that we see.

He fails who undervalues power  
He has, but dare not use;  
More power he cannot gain, and what  
He has, he'll surely lose.

A wormy Christian basely creeps,  
When he should bravely fight  
With faith in God and true self fait..  
To win for truth and right.

## Upward Growth

Will you climb life's mountain with me my friend?  
'Tis a long and a testing climb,  
But we grow by climbing, and growth means life,  
When our lives with the right keep time.

We will gain new power on our upward path,  
As we struggle to reach the height,  
When the mists roll back and we see all things  
In a stronger and brighter light,

And we'll see more clearly our fellowmen  
Who are weak, and who need our aid,  
Who have slipped and fallen, and must be roused  
By the faith of the undismayed.

And our hearts will glow, when they rise and look  
At the heights with fresh hope again,  
And begin to climb with a firmer step,  
And the swing of achieving men.

I am glad you'll come for I surely know  
I'll be stronger, if you are near;  
In the long dark nights, and the fierce wild storms  
I shall need you my heart to cheer.

## L'Envoi

Dear friend, through all the future years  
My Christmas wish will be,  
That higher hopes and truer growth.  
May come to you and me.
