Among the speakers at the an-Academy, Ashfield, Msas., the other day, was Professor Charles Eliot Norton of Harvard, who also presided. In the course of his remarks. Professor Norton said : "We have, indeed, a very perfect system of popular education, but of true education of the people there is not enough to guarantee the prosperity of the Republic. The minds of the mass of Americans are still in a prehistoric, or, at least, in a mediæval stage. It is folly to call a community educated in which such an organization as the A. P. A. can spread widely. Its members have not learned the first, the simplest lesson of good citizenship." This is only the naked truth, but it required some courage to say it out.

During this period Gen. Herbert was encouraged by seeing Canada assume her share of the burthen necessary to secure the inviolability of her Pacific coast, and by exceptional ellorts made by militia units allotted for the defence of Halifax and seguimault, in order to fit themselves in the defence of manded, but would throw the columns of manded, but would throw the columns of allotted for the defence of Halifax and Esquimault, in order to fit themselves for the duties they have to perform in the time of emergency. General Herbert had observed with pleasure the general awakening throughout the militia of a spirit of emulation for practical efficiency, together with a considerable development in rifle shooting. He expresses appreciation of the excellent material in the rural militia and commends the sobriety, order and soldierly behaviour hat the different camps of exercise. He extends his thanks to the officers and men of the permanent of exercise. He extends his thanks to the officers and men of the permanent force, and urges them to continue to present to the active militia the high standard of efficiency. The address closes by conveying the best wishes to all ranks, coupled with the hope that he be remembered by them with feel-ings of esteem and respect those which he will always bear towards the Canadian comrades and fellow subjects Canadian comrades and fellow subjects whom he had the honor to command.

The bread that bringeth strength I want The water pure that bids the thirsty live. I want to help the fainting day by day. I'm sure I shall not pass again this way. I want to give the oil of joy for tears, The faith to conquer crowding doubts and

fears. Beauty for ashes may I give always. I'm sure I shall not pass again this way. I want to give good measure running o'er, And into angry hearts I want to pour The answer soft that turneth wrath away I'm sure I shall not pass again this way. I want to give to others hope and faith. I want to do all that the Master saith. I want to live aright from day to day. I'm sure I shall not pass again this way.

-Great Thoughts

Curse not the web of circumstance ; Is God no God to thee? A brooklet ripples not by chance To join the brimming sea; By law its habbling waters dance, And skip in minstrelsy.

And are the laws of sea and brook But fables in thine eyes? And are the leaves of nature's book Writ with eternal lies? Is there no God of law to look On man, and sympathize?

Are great worlds moving without plan That plan by chance begot ? The smallest insect doubt may scan Shows wisdom, without blot; Then, be ye patient, foolish man,-God is, or law were not.? -Blackwood's Magazine

Our supply of Haszard's Improved Turnip Seed is grown exclusively for our own trade by Messrs. James Carter & Co., the Queen's Seedsmen, London England. This is the leading seed growing establishment of Great Britain. We supply to this firm yearly a few pounds of the true genuine stock of Haszard's Improved Turnip Seed, contracting for the growth from this stock of a certain specified quantity, and when harvested we take the whole of it. No other firm in Canada can buy a No other firm in Canada can buy a pound of this seed except from us.

OUR HASZARD'S IMPROVED COSTS OUR HASZARD'SIMPROVED COSTS US MORETHAN ORDINARY STOCKS. A firm of world-wide reputation, such as James Carter & Co., of London, does not need to contract at low prices; their prices are high but they are experts in seed growing, and we can depend on having the best that can be produced.

We cannot risk our business reputation by handling doubtful seed, How-EVER CHEAP; and no farmer can afford to risk his valuable acres by SOWING DOUBTFUL SEEDS, however cheap. Buy Haszard's Improved Turnip Seed in our sealed packets, and you have the best in Canada. The price is 45 cents per

HOME GROWN HASZARD'S IM-PROVED.—We have had grown for the past two years near Charlottetown some choice seed of the true Haszard's Improved, and we believe it is better than even our English stock. We call it "Carter's Home-Grown Hazard's Improved." It is sold only in sealed packages at 50 cents par lb. ages at 50 cents per lb.

The above named strains of Turnip Seed, and also Carter's Prize Winner Swede (40 c per lb), are put up only in sealed cardboard packages, ½ lb, ½ lb. and 1 lb sizes, and each package bears our name and address. For sale by our authorized Agents in

all the leading trade centres of P. E. Island, and at our Seed Store, or will be sent by mail, postage paid, on receipt GEO. CARTER & CO.,

Young and Old

Can be properly suited at our establishment. We never had a greater variety of superior cloths than we are showing to-day. The man who can't find exactly what he wants must be very hard to please. By the way, do you know why the clothing made by us looks so well and wears so well? It is because we employ none but the best s because we employ none but the best killed workmen, who have orders to light nothing. An inferior workman.
