The copy filmed here has been reproduced thanks to the generosity of:

Archives of Ontario Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Archives of Ontario Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

HORSES.

The President's Prize for a Stallion.

T. C. STREET, Esq., M.P., anxious to improve the breed of good Horses, in this section of the Province, offers a prize of £30 to the Horse, which shall, by Judges appointed by the Association for the purpose, be pronounced the best, and which shall answer the following description:—Fully 16 hands high; well topped; round in the barrel and deep in the chest he must have weight in proportion to his size and be a good traveller—such a Horse as would be likely to produce a breed of good Carriage Horses, in which this country seems deficient. To enable any horse to compete for this prize, he must have stood publicly for mares in some part of Upper Canada, during the season of 1852. Competition for this prize not to exclude the exhibitor from any of the ordinary prizes of the Association.

N.B.—Mr. Street, also, offers a prize of £20 for a similar Horse, next year, to be decided at the Annual Exhibition of the Association in 1853. Such a horse must be owned in Canada and have stood an entire season in some part of this section of the Province. The horse that may win the Premium this year, will not be eligible the next.
