Ayer's Sarsaparilla. TOR PURIFYING THE BLOOD, nothing has ever been offered which can compare with this EXTRACT OF SARSAPARILLA. It is found a great promoter of heaith, when taken in the spring, to expel the humors that rankle in the system at this season of the year. Many complaints have their origin in the spring, and in the causes above mentioned, for which no better remedy has ever been devised. By its use multitudes can spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system strives to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find its obstructed and slugs shin the veins; cleanse it whenever it is foul, and your feelings will tell you when. cleanse it when you and it is obstructed and sluggs in the veins; cleanse it when over it is foul, and your feelings will tell you when.
