The copy filmed here has been reproduced thanks to the generosity of:

Library of the National
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
nationales du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

The Secretary shall keep a similar register of student associates.

15. Members and student associates shall pay on such registration an annual fee as shall be required by the by-laws. The names of those in default shall be removed from the respective registers by the secretary, after one month's notice to the parties, and shall not be re-inserted except upon the payment of all arrears and such fine (if any) as may be imposed by the by-laws of the association.

16. The council may direct that a name be removed from the register in the following cases; (that is to say) at the request or with the written consent of the person whose name is to be removed, or where the name has been incorrectly entered, or where a person registered has, after the passing of this act, been convicted, either in Her Majesty's dominions or elsewhere, of an offence which, if committed in Her Majesty's dominions, would be a misdemeanour or higher offence, or where a person registered is shown to have been guilty after his registration and either in Her Majesty's dominions or elsewhere, of any conduct or breach of the by-laws, orders or regulations, of "The Province of Quebec Association of Architects" or of conduct infamous in a professional respect.

When the council shall have removed the name of any person from the register, the name of that person shall not be again entered upon the register, except by a resolution of the council or by an order of a court of competent jurisdiction.

6

The council may, by resolution, direct the secretary to restore to the register any name removed therefrom either without fee or upon payment of such fee not exceeding the fees in arrears or unpaid, and one additional renewal fee as the council may, from time to time, fix; and the secretary shall restore the name accordingly.

The name of any person removed from the register at the request of such person or with his consent, shall, unless it might, if not so removed, have been removed by order of the council be restored to the register, on his application and on payment of such fees not exceeding such fees as shall be in arrears, and one additional registration fee, as the council, from time to time, may fix.

17. If the secretary shall wilfully make, or cause to be made any falsification in any matters relating to the register he shall be deemed to be guilty of a misdemeanour, and shall, on conviction thereof, be imprisoned for any term not exceeding twelve months.

18. Any person who wilfully procures or attempts to procure re-registration under this act by making or producing, or causing to be produced, or made any false or fraudulent representations or declarations, either verbally or in writing, that he is entitled to such re-registration, shall be deemed guilty of a misdemeanour and shall, on conviction thereof, be sentenced to imprisonment for any term not exceeding twelve months.

19. There shall be paid to any architect registered under this act summoned to attend any court, civil or criminal, for the purpose of giving evidence in his professional capacity, or in consequence of professional services rendered by him as an architect, for each day he so attends in addition to his travelling expenses, (if any) and to be taxed and paid in the manner by law provided with regard to the payment of witnesses attending such court the same fee or allowance as is payable to provincial land surveyors.

20. All fees payable under this act may be recovered as ordinary debts due to the association, and all penalties under this act may be recovered and enforced before one or more justices of the peace, in the manner directed by the Revised Statutes of Canada, chapter 178, entitled: "The Summary Convictions' Act" and an act amending the same.

Any sum or sums of money arising from conviction and recovery of penalties as aforesaid shall be paid immediately upon the recovery thereof by the convicting magistrate to the secretary of the association.

Any person may be prosecutor or complainant under this act, and the council may allot such portion of the penalties as may be expedient towards the payment of such prosecution.

21. Subject to the other provisions of this act, all notices and documents required by or for the purpose of this act to be sent, may be sent by post and shall be deemed to have been received at the time when the letter containing the same would be delivered in the ordinary course of the mail, and in proving such sending, it shall be sufficient to prove that the letter containing the notices or documents was prepaid and properly addressed and put in the post. Such notices and documents may be in writing or in print, or partly in writing and partly in print, and when sent to the council or other authorities, shall be deemed to be properly addressed, if addressed to the said bodies or authorities, or to some officer of the council, or authority, at the principal place of business of the council or authority, and when sent to a person registered under this act, shall be deemed to be properly addressed if addressed to him according to his address registered in the register of the association.

22. All moneys arising from fees payable on registration or the annual renewal fees, or from the sale of copies of the register or otherwise, shall be paid to the secretary of the council, and by him paid over to the treasurer, to be applied in accordance with such regulations as may be made by the council, for defraying the expenses of registration, and the other expenses of the execution of this act, and subject thereto towards the support of museums, libraries or lectureships, or for other public purposes connected with the profession of architecture, or towards the promotion of learning and education in connection with architecture.

The council shall have power to invest any sum not expended as above, in such securities as shall be approved by the Government of the Dominion of Canada, or of the Province of Quebec in the name of any three of their number appointed as trustees, and any income derived from such invested sums shall be added to and considered as part of the ordinary income of the association.

The association may also use surplus funds or invested capital for the rental or purchase of land or premises, or for the building of premises to serve as offices, examination halls, libraries, museums, or for any other public purpose connected with architecture.

23. The secretary and treasurer shall enter in books, to be kept for that purpose, a true account of all sums of money by them, or either of them received, and paid under this act, and such account shall be audited and submitted to the council at such time or times as the council may require.

24. It shall be the duty of the secretary to keep the register in accordance with the provisions of this act, and the by-laws, orders, and regulations of the council.

All deeds of the association shall be signed by the president and secretary and sealed with the common seal of the association.

25. This act shall come into force on the day of its sanction.
