## TO FATHERS OF FAMILIES.

Bills and foul state of the stomach causes more sickness and death in families than all other causes of disease. In the latter part of September, however, when the atmosphere everywhere is polluted from smoke, smoke from stagnant pools and decayed vegetation, whole families are laid low by malignant Forest Pills, and their children are taken away from them, preceding from a bad and foul state of the stomach. No parent can be ignorant, nor to know the great danger existing from helminthes, nor worse would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!! Yet thousands of cases of death occur every year, through the want of parents to attend to the early symptoms of life and foul stomach.

Symptoms of life may always be known by some unfeeling physician which it gradually sick stomach, however, after the first few hours' taste in the mouth, after loss of the skin, languishings, etc., and other symptoms of a similar nature. Almost every parent at this season of the year is liable to the neglect of which is liable to bring in a dangerous disease, and the physician who does not know his art well, Dr. Haley's Forest Pills are sufficient to keep a whole family from bilious attacks and sicknesses from months to a year. A single dose, two or three thousand and excellent for all diseases, given to children, and adults, healing the body, and restoring health and appetite, curing and preventing all manner ofills and attacks and many other disorders.

**SALTS AND CASTOR OIL.**  
No reliance can be placed on salts, Castor Oil, &c., as well as purgatives, pass off with the salts, leaving the bowels inactive and the stomach in a bad condition as before. Dr. Haley's Forest Pill acts on the gall and liver, and is a most excellent emetic, and from 5 to 6 for a grown person, caries away the body's waste matter, and restores health and appetite, curing and preventing all manner ofills and attacks and many other disorders.
