AUSTRIANS ARE GETTING READY TO MEET GREAT ITALIAN SPRING DRIVE

All Villages in the Adige Valley Cleared of Civilians and 300,000 Austrian Troops Assembled For Defence.

New York, May 16.—A Rome despatch to a news agency here to-day says:

Austrian troops have abandoned their advanced positions before Rovereto in expectation of a heavy Italian offensive in the direction of Trent. All villages in the Adige River valley up which the Italian armies might be expected to move have been cleared of non-combatants. The Austrian authorities put the order of evacuation into effect on Sunday, according to several Italian citizens of Trentino villages, who slipped by the Austrian lines.

Three hundred thousand Austrian troops are now concentrated on the Trentino-Tyrole front. The Austrians are dragging guns up the mountain

paths and making every preparation to meet the expected attack.

Italian troops, meanwhile, continue to improve their positions in the region of Rovereto, while artillery systematically wrecks Austrian defences as rapidly as they are constructed.

The war office has issued a detailed statement of the Italian operations for the last two months, including a report on the recent Isonzo offensive. It was stated that the Italians attacked both in this zone and in the Trentino to prevent Austrian troops from being sent into action with the Germans at Verdun. In the two months period, the Italians have captured 2,000 prisoners, two field guns and 17 machine guns, and have destroyed 13 enemy aeroplanes and five hydro-

WHOLESALE ARRESTS NOT GOOD POLICY

More Serious in Ireland Than Even the Military Executions.

INSTANCES OF COERCION

People Marched Off to Meet Fate No One Knows About.

By Special Wire to the Courier.

London, May 16 (Montreal Gazette editorial)—The Daily Chronicle, in an editorial, deplors the fact that the military executions in Ireland have been succeeded by what it calls the even more serious mistake of wholesale arrests all over the southern provinces. It says:

"Ever since the swift suppression of disorder, the military authorities have been busy arresting and imprisoning not merely members of the various organizations with which Irish volunteers, or the citizen army had points of contact."

TOO MUCH COERCION.

"The loyal nationalist majority are tried almost beyond endurance. Instead of magnanimity they experience the harshest coercion. Day by day in towns and villages they witness gangs of prisoners marched off through hedges of bayonets, their own friends and relatives among them, arrested, no one knows on what evidence, to be deported, no one knows where to meet a fate—no one knows what."

"Was it for this they remained loyal? Is it for this their sons and brothers have been fighting in the trenches of Flanders and the east?"

BAD EFFECT IN U. S.

The Chronicle says these proceedings have the worst possible effect in the United States, and further The London Times Washington correspondent also reports the American press unanimous in condemning them. The Chronicle's parliamentary correspondent points out that one fact arising out of the disturbances is that they cleared the ground for the erection of some new structure of government. Moderate Unionists, he declares, are clamorous for a settlement, while the Nationalists are in a conciliatory mood. Were the Home Rule act put into operation at an early date they would agree, if need be, to the doubling of Ulster's representation in the Irish parliament.

BUTTONS FOR REJECTED MEN

Brantford Has Decided to Issue Them to Those Turned Down by Doctor.

Brantford has definitely adopted the A. R. button for rejected men. This step, considered for some time, was determined upon yesterday at a meeting of the Brant Recruiting League, those present being Lt.-Col. H. Cockshutt and Messrs. Gould, Watt and Brewster, 1,000 of the buttons were ordered, and are expected in the city shortly.

That there will be no mismanagement of the matter, is evident from the manner in which the buttons are issued. Any man desirous of obtaining one must submit himself for examination, no matter whether he already holds a rejection certificate. If, after being examined by the doctor, he is found unfit, he is given a button together with his certificate, both of which bear a distinguishing number. The records of all buttons issued, and headquarters, so that if any deception is practised through the exchanging of buttons from their holders to other men, physically fit, the trickery may be discovered. Little difficulty is anticipated in this way, however, the majority of the rejected men being glad enough to have a symbol to distinguish them.

HELFFERICH NEW MINISTER OF THE INTERIOR

Probable Choice to Fill This Post in the German Government.

FRIENDLY TO UNITED STATES

New Office Not Quite So Important as it Formerly Was.

Berlin, May 15.—via London, May 16.—Dr. Karl Helfferich, the present minister of finance and the youngest member of the cabinet, is the most likely candidate for the post of minister of the interior and vice-chancellor, made vacant by the resignation of Dr. Clemens Dibelius. Dr. Helfferich is a man of thorough business training and was one of the strongest forces in the recent crisis in German-American relations in favor of reaching an understanding with the United States. In his statements in the April debate of the Reichstag's ways and means committee on the submarine issues and his reports to newspapers on the latest German note contributed materially to overcome the desires of advocates of unlimited use of the torpedo and bringing about a settlement of the controversy with the United States. With the impending separation of the problems of food regulation from the ministry of the interior and the creation of a separate department of government with plenary powers to control food prices and distribution, the ministry of the interior still remains the most influential department of the civil administration. The new director or directors, of food supplies (for the powers, may be entrusted to a dumviariate with one military power) apparently has not been selected, but Baron von Stein, head of the food supply department of the ministry of the interior, is the most prominent of the candidates.

OUTBREAK IN KUPASKASING PRISON CAMP

300 Austrian Prisoners Started a Riot Last Friday.

TROUBLE LASTED SEVERAL HOURS

One Dead, Several Wounded, Some Fatally, is the Result.

Cochrane, Ont., May 16.—One man dead, nine seriously wounded, several fatally and four injured is the result of an outbreak instigated by 300 Austrian prisoners who arrived at Kupaskasing prison camp, 60 miles west of here, on the N. T. R., from Petawawa on Wednesday last under guard of 300 soldiers.

AN INVESTIGATION

Gen. Logie, commanding the Toronto district, is in camp conducting an investigation.

The new arrivals, who started the uprising and who already had given considerable trouble at Petawawa, refused to go to work and turned on their guards.

TURKS MAKING HARD FIGHT TO WARD OFF THE RUSSIAN DRIVE

Loss of Erzerum and Trebizond are Felt and Forces of Islam are Trying to Recover Lost Territory.

London, May 16.—(New York Times cable)—A despatch to The Daily Chronicle from Petrograd says: "The Turks in Asia Minor are making a hard fight to ward off the consequences of the loss of Erzerum and Trebizond and, if possible, to recover their position. They have reinforced and rearranged their troops and received from their Austro-German allies approximately a division of infantry and a brigade of cavalry, besides artillery, aeroplanes and motor cars."

TURBINE EQUIPMENT COMPANY MAKES AN OFFER TO WATER COMMISSIONERS OF NEW PUMP

Secretary of Company Put Proposition up to the Board Yesterday—Certain Questions Regarding Offer Company Must Reply to by Next Friday.

Messrs. Chipman and Power, consulting engineers, met Mayor Bowley and Commissioner Montgomery in the Mayor's office, to discuss matters relating to the new Pump installation before meeting the contractors at the special meeting called for 3 o'clock yesterday afternoon.

The whole situation was discussed at a special meeting of the board held at 3 p. m. yesterday.

Those present were J. W. Bowley, K. C., Mayor; Chairman John Fair and A. G. Montgomery.

Mr. R. N. Austin, Secretary of the Turbine Equipment Company; Mr. C. H. Waterous representing the Waterous Engine Works Company, who are parties to the contract for the installation of the new pumps; Messrs. Chipman and Power, consulting Engineers for the Board, and Prof. R. W. Angus, B. A. Sc., who made the official test of the pumps, were present at the meeting. A general discussion took place. The commissioners took the stand that the contractors had not fulfilled their contract or lived up to their specifications.

It was pointed out by the Engineers Professor Angus from his report where the deficiencies were and what it meant in dollars and cents to the board.

Mr. Austin made several propositions, which were finally reduced to writing as follows:

1. The Board of Water Commissioners, Brantford, Ont.

Gentlemen,—As official tests on the pumping equipment which was installed by your company at your water works pumping station have shown that it will not meet the guarantee, we wish to notify you that we will install a vertical low lift motor driven centrifugal pump having a capacity of eight million gallons, which will be operated by a 15 horse-power motor. This pump will be arranged to lift the water from the well into which the existing intake pipes are connected, so as to reduce the suction lift by five feet. This will enable our present pump-in equipment to give their guaranteed capacity and efficiency.

C. P. R. QUEBEC HOTEL DAMAGED BY BAD FIRE

\$25,000 Loss by Blaze in the Chateau Frontenac.

By Special Wire to the Courier.

Quebec, May 16.—The famous Canadian Pacific Railway hostelry known the world over as the Chateau Frontenac, standing over the Dufferin terrace, on the very cliffs of Cape Diamond, was threatened with entire destruction last night when about 11.30 a blaze was discovered under the copper roof of the kitchen section in the servants quarters.

Firemen, summoned by a general alarm, were busy on the scene until 7 this morning, in their efforts to keep the fire from spreading to the guests apartments, and in this they succeeded, although the roof and upper stories of the servants' ward were badly gutted. Figures on the extent of the damage could not be obtained early to-day, but they are placed close to the \$25,000 mark.

As it is, the roof for the length of a few hundred feet, was torn open to allow streams of water to play on the

BLAZE, BUT BREAKFAST WAS SERVED AS USUAL TO-DAY IN THE CHATEAU.

Officials of the hotel to-day refused to discuss the cause of the fire, but all are emphatic in declaring the origin is purely accidental.

CORPORAL TAPLEY IS COMING HOME

Word received from Quebec to-day announces the arrival in that harbor of the Allan liner, Scandinavian, carrying 158 invalided soldiers.

Among this number is Corporal F. Tapley of Brantford, a member of the 4th Battalion. He enlisted in the 2nd Battery immediately upon the outbreak of war, and left the city with a quota of the battery on Aug. 28, 1914. At the time of his enlistment Corporal Tapley resided on Herbert Street, Grandview, was employed by Schultz Brothers, and was a married man with six children. He had had a great deal of previous experience in the artillery, having spent three years in the Royal Fusiliers, London, and three in the 22nd Sherbrooke Field Battery. A regrettable incident is the fact that a son of Corporal Tapley was killed by a train only a few days ago. The returned soldier will, in all probability arrive in the city to-morrow evening, when he will be accorded the usual civic reception.

EXTRAORDINARY INTEREST IS BEING TAKEN IN THE TRIAL OF SIR ROGER CASEMENT

Not in History of London Has Public Feeling Been Worked up to Such an Intense Pitch of Expectancy.

London, May 16.—10.51 a.m.—For hours this morning crowds of people stood in line around Bow Street police station waiting for the resumption of the arraignment of Sir Roger Casement on charges of high treason in connection with the Sinn Fein rebellion.

The little court room was crowded within five minutes after the doors were opened and many hundreds of men and women were unable to obtain admission. Superintendent Quinn of Scotland Yard, who is in charge of the police arrangements, voiced the popular feeling about the hearing when he said:

"I have followed every notable case that Bow street has known in many years, but the court has never been the scene of an examination so full of dramatic interest as the present one. The tense state of public feeling due to the war, has, of course, been a factor, but the case in itself has features which raise it far above the level of any criminal hearing in my memory."

There was some speculation to-day as to whether Casement's lawyers would place him on the stand at this preliminary hearing. It is generally believed that this will not be done. His lawyers refuse to state whether they will consider such a step or not.

WOMAN IDENTIFIED HIM.

The first witness of the day was Mary Gorman, a typical Irish girl, who was the first witness to identify Casement as one of the men who landed from the German submarine at Tralee. She testified she saw three men passing a farm yard gate early Good Friday morning.

She was asked by A. H. Bodkin, for the prosecution whether she could identify any of the three men. She replied:

"Yes, sir," and pointed to Casement. The prisoner bowed his head and scribbled more diligently than ever on the pad of paper.

BY-LAW TO RAISE \$58,000 FOR HOSPITAL NEEDS WILL BE SUBMITTED TO PEOPLE ON MONDAY, JUNE 26TH

City Council Last Night Decided to Ask the People to Give It Permission to Issue 20-Year Debentures to Cover Hospital Needs—Erie Avenue Paving Was Discussed at Same Length, and Half of It Will be Done This Year—Mr. Hatley Addressed the Council on the Bell Memorial.

COUNCIL WILL MEET NOW AT EIGHT O'CLOCK

Finance Committee to Report Next Meeting as to Whether City Can Give Money Grant to the Two Local Battalions—Old Bill for Preparing Plans of New City Hall Settled.

The By-law authorizing the city to issue debentures for the sum of \$58,000 in order to raise money for hospital uses, passed the necessary two readings at the City Council last night and will be voted upon by the ratepayers on Monday, June 26th. There will be two polling subdivisions in each of Wards 1, 2, 4 and 5, and one sub-division in Ward 3. The places for voting and deputy-returning officers were chosen last night, also, but there may be one or two changes in these before voting day.

His Worship the Mayor was in an economical mood last night and opposed several matters which were brought forward. He declared he had striven earnestly to keep down the tax rate, and had no desire to see a deficit at the end of the year.

Erie Avenue will be paved from the Tail Race to the City limits. This was recommended in the report of the Board of Works, and carried, although the Mayor spoke against it on the score of economy.

Mr. Hatley was present and outlined briefly the various things it was intended should be done in putting the Bell Memorial in final shape. The Council approved the plans, but Mr. Hatley was informed he could not get him financial assistance. He said he thought the money could be raised in some manner elsewhere.

Ald. Ward referred to the finance committee a suggestion that the city should aid financially the two local battalions. This also the Mayor spoke against, saying that in military and patriotic matters, Brantford had made a proud record, but financially she could no more.

Until the short days come in October, the City Fathers will convene to deliberate at eight o'clock in the evening instead of at 7.30. This was decided upon last night.

Ald. Bragg, A. O. Secord and Dowling were absent last night, and Ald. Minshall the latter part of the evening.

REGARDING THE MINUTES.
Ald. Ward questioned whether the Council should make a practice of taking the minutes as read. The Mayor thought it all depended upon whether they were important or not. The minutes of the last council, as is the custom, were taken as read, Ald. Ward making a motion to that effect.

A letter of thanks was received from the local Council of Women for the city's hospitality in receiving the Marquis and Marchioness of Aberdeen and giving them a civic luncheon.

COAL OVERWEIGHT.
The coal inspector's report showed that all coal weighed during April ran from 5 to 23 pounds overweight. The overdraft against the city at the end of May amounted to \$7,932.29 according to Mr. Bunnell's report.

The Children's Aid Society asked for a grant of \$300 to help on the work of the institution.

Whether or not civil servants will pay an income tax, as the city will be decided by courts. As Judge Hardy is an interested person, the city solicitors are taking steps to have another judge hear the case.

THE L. E. AND N. STATION.
Mr. Cartwright of the Dominion Railway Board wrote to the city some time ago asking the city to give reasons why it insists that the L. E. and N. should take over the gore opposite the proposed new station before it approves of the site. The Mayor forwarded the reasons a week ago and asked for a hearing, and so the matter lies now in the hands of the Railway Board. The letter was referred to the City Council.

The Commission of Conservation or City Planning is holding a conference in Ottawa next month and asked the city to send delegates. Their communication was filed.

The Railway Commission forwarded a resolution to the council asking that all communication regarding the operation of the Municipal Railway be forwarded immediately to the commissioners to avoid delay. Col. Leonard explained that he always informed the commissioners of such communications, though they might not be referred to them.

THE CITY HALL PLANS.
The City Solicitors recommended that \$100 be paid to Mr. Taylor of Taylor and Bodley, in satisfaction of his claim for submitting plans some time ago for a new city hall.

This letter caused considerable discussion. Ald. Ward, thought he could recall a resolution put through the council some years back authorizing the council to get plans prepared but not to go beyond \$200. Ald. Minshall thought somewhat the same. Ald. Welsh said the Buildings and Grounds committee of that time had had a conference with the architect and told him to prepare a plan, but gave him no authority for anything elaborate. Ald. Pitcher stated the account had come before him last year, when he was on the Buildings and Grounds committee, and he had found that Mayor Hartman, who was then the first magistrate, had told the architect to go ahead, but not to exceed \$200. He was in favor of the

matter being looked into, said Ald. Fitcher. Ald. Mellen claimed expense, Mayor Spence and ex-Ald. Ryerson, last year's chairman of finance, repudiated the debt, and he understood Mr. Hartman claimed he never authorized the preparation of the plans.

IT JUST DEPENDS.
Ald. Harp asked if the Council could be bound by a chairman of a committee. The Mayor replied that in some cases it could, it depended on circumstances. He believed that the recommendation of the solicitor should be followed. Personally he knew nothing of the matter. The city clerk offered to bring up the old records on the matter, but the Buildings and Grounds committee seemed to favor the payment, so the council authorized its payment accordingly.

The Buildings and Grounds committee from a manufacturing firm to install an incinerator for the consumption of garbage in Brantford.

INDIGENT PATIENTS.
Ald. Ward inquired about the hospital account against the city, of indigent patients. He wanted to know if there were any foreigners indigent. Was anyone looking after it? This was a time when very few people were out of work. Each case should be reported in full.

The Mayor said Mr. Eddy looked after that. He was employed by the city and the hospital.

Ald. Ward said he never reported to the council.

AID. WILEY EXPLAINS.
Ald. Wile explained that at the beginning of the year he and Ald. Harp were a sub-committee of the finance committee to look into the matter when the first account came in. Mr. Eddy collected from every patient that he could. The city never issued a cheque. It was impossible. Ald. Wile said to get all to pay, particularly foreigners. The accounts were always checked carefully.

CURB PETITION.
A petition was received, signed by E. Moule and others, asking for curbing to be placed on the west side of Peel street between Chatham and Sheridan street, the property owners promising to pay for it. Only three out of four ratepayers interested signed. Ald. Ward, the Mayor, he wished it to go to the Board of Works, and to the Board of Works it went, though because the petitioners offered to pay the cost the Mayor said the Council should grant the petition upon a certificate from the clerk.

A BIG ACCOUNT.
A list of accounts was passed. The Brant Sanatorium put in a claim on the city for \$1,469.30. Ald. Pitcher asked if the county paid any share. The city clerk did not know. Ald. Ward suggested to the mayor, that as representative of the city on the Brant Sanatorium Board, he should look into the matter. The Mayor said he had been so busy he had no time to do so, but he would as soon as possible. Ald. Ward suggested a special committee, if the Mayor was too busy, which Ald. Wile thought a good idea. But the Mayor stated he would look into the matter himself.

REPORTS.
The Board of Works reported as follows:
1. That Mrs. E. L. Maynard, 172 Eagle avenue, be granted use of the city property adjoining her premises for the balance of the year.
2. That the petition of G. E. Nightingale and others of April 19th, in reference to the location of a boat house under Victoria Bridge be filed, the control of the canal level being in the hands of the Western Counties, Limited.
3. That the local improvement concrete pavement on Erie avenue passed in 1914, be preceded with this year between the Tail Race and Emile street.
4. That the plans of Dunington-Grubb presented by the Secretary of the Bell Memorial, dated May 12th, 1916, for the lay out of the memorial property on West street between Wellington street and Chatham St., be approved, but that the construction of the curbs, walks and roadways adjacent thereto be a matter for further agreement.

NARROW AT NELSON ST.
The gore would be narrowest at Nelson street, but would widen out by the First Baptist church. On the left side proceeding towards the station the board would widen as the gore narrowed. Mr. Hatley explained that the property decided to the church at the corner of Pearl and West streets cut into the gore, and the committee in charge was anxious to get a triangular piece of symmetrical land. On each side would be planted 5 juniper trees.

On each side of the gore and from the station was a roadway at least 20 feet wide. Between Nelson and Wellington it was 27 feet on the West St. side and 30 feet on the Wellington street side.

APPROVAL, BUT NO MONEY
Ald. Ward said it would be easy for the council to approve the plans, but it could not finance the plans. The board of works had nothing to give. He suggested trying Ottawa, there seemed to be rivers of money down there.

The report of the board of works was adopted.

FINANCE COMMITTEE
The committee on finance reported as follows:
1. The following communications were filed: Stephen Jones, 21st Dec. 7, 1915; Geo. A. Stinson & Co., of April 13, 1916.
2. That the communication of H. S. Tapscott, secretary of the Brantford Horticultural Society of 14th of

Hood's Pills

March, 1916, be filed, and that the Society be granted the sum of \$100.
3. That the communication of Nan-nie B. Patton, of the Salvation Army Rescue Home of Hamilton, be filed and that they be granted the sum of \$25.
4. That the communication of the Salvation Army Home of Toronto be filed, and also that of the Serbian relief committee of the 29th of March, 1916.
Ald. Freeborn explained that in regard to clause three, many citizens of Brantford were cared for in that home. He wished the sum could be fifty dollars.

The report was adopted.
BUILDINGS AND GROUNDS COMMITTEE.
The committee on buildings and grounds reported as follows:
1. That the tender of Schultz Bros. for alterations on the Market street shed, as per plans and specifications as prepared by F. C. Bodley, be accepted, it being the lowest tender, and that the city solicitors be instructed to prepare the necessary agreement.
2. That the communication of Chas. Stiemma of the Adams St. Hotel, filed, as it is within the province of the Chief Constable to deal with the matter of dogs running at large.
A great number of old letters were ordered filed.

RAILWAY COMMITTEE
The committee on railways reported as follows:
That all communications pertaining to the location of The Lake Erie & Northern Railway station at Brantford, be referred to the Brantford Municipal Street Railway Commission, and that they take such action in the matter as is deemed in the best interests of the municipality of the city of Brantford.
Only two members of the committee, Ald. Hesse and Ald. P. H. Secord, signed this report, the other members being absent.

The Mayor held the approval of this site was not a matter for the Railroad Commissioners, it was a matter for the Council. Other council members thought so too. Ald. P. H. Secord said that all that was meant to be considered in this report was the matter of the application of the railway to cross Water Street, just below the take into the canal. Ald. Pitcher thought it was a matter for the Council to deal with and when the mayor explained that he had given the reasons for the city withholding the approval of the site of the new station, and that the matter now lay with the board, the report was withdrawn.
Ald. Pitcher said that the L. E. and N. had bought 10 feet of the Gore from the city and then had returned it. He was under the impression that if the railway company bought that piece of land the street was to be made the same width that it is now. The Mayor declared he did not understand that.

HOSPITAL NEEDS
A by-law to provide for the issue of debentures for the sum of \$58,000 for hospital purposes, was given two readings. The by-law was sponsored by Ald. Wile and carried unanimously. During the committee, Ald. Freeborn took the chair.
The by-law provides:
1. To raise \$58,000 by debentures in sums of not less than \$100, dated Oct. 1st, 1916, interest payable half-yearly for 20 years.
2. Interest at the rate of 5 per cent per annum payable half yearly, on April 1st and Oct. 1st.
3. \$4,800 levied per year to meet principal and interest.
4. Money used for hospital purposes only.
5. Vote to be taken on Monday, June 26th from 9 a.m. to 5 p.m. The polling subdivisions with the deputies will be as follows:
Ward 1—Thos. Ion, 33 Edgerton St., Norman Welsh, 66 Oxford St., Ward 2—Albert Scruton, Sr., Terrace Hill St., Charles Read, House of L. Vansickle.
Ward 3—E. Cutmore, 122 Market Street.
Ward 4—Thos. Conboy, 194 Nelson St., Jos. Ness, 235 Murray Street.
Ward 5—H. Adams, 524 St. James St., shop; Jos. Hawkins, 106 Erie Ave.

6. By-law to take effect from and immediately after the passing thereof.
The advertising for the by-law will be published in the Courier.

THE DISCUSSION
Ald. Ward wanted to know if the by-law could not be deferred until the first of the year. The Mayor said it could not be deferred. It would be cheaper, said Ald. Ballantyne, to give the advertisement to each paper after late-ly, than both each time.
The by-law was adopted in committee and will go to the people June 26th, but the polling booth and deputies above are not yet absolutely final.

8 O'CLOCK NOW.
Ald. Wile moved, seconded by Ald. Welsh that the meeting of the Council for May 29th and the meetings from June to September, the council should convene at 8 o'clock. Carried.

FOR THE SOLDIERS.
In two or three weeks the 125th battalion would leave Brantford and would probably not return before going overseas, said Ald. Ward. This battalion was justly the pride of Brantford. It had not as yet received

Every One a "Six"
HOW MANY MILES
Are There in a Gallon of Gasoline?
That depends on the type of motor in your car. When you buy a "McLaughlin" Six Valve-in-Head Motor Car you not only get the last word in comfort, style, power and speed, but you guarantee that you get an automobile which will give you THE HIGHEST GASOLINE MILEAGE.
It is an admitted fact that the McLaughlin "Valve-in-Head" Motor does give 15 per cent. more power than any other type of gasoline motor, which means 15 per cent. more mileage per gallon of gasoline. This is not a theory but a fact engineering principle resulting from the perfecting of the "McLaughlin" Valve-in-Head Motor. Hundreds of users of "McLaughlin" Valve-in-Head 45 Horse-power cars give evidence daily that they are getting 22 miles or more per gallon of gasoline while touring with full passenger load, and many users report over 26 miles per gallon.
REMEMBER, COST OF OPERATION IS A PART OF THE COST OF YOUR CAR.
With the price of gasoline going up, the proven economy of the "McLaughlin" Valve-in-Head car should make it the preference.

THE PRINCESS PAT.

John Cort will present "The Princess Pat" at the Grand Friday Evening May 26, Victor Herbert wrote the music and Henry Blossom is responsible for the book and lyrics. Fred C. Latham staged the piece and this is important because "The Princess Pat" is said to be one of the prettiest and daintiest, from the standpoint of stage direction that has been seen in a long time.

Mr. Herbert has written one of his most melodious scores for "The Princess Pat." Every number is worth while and some of them notable "Love is Best of All," "For Better or for Worse," "I need Affection" and "All for You" are gems. Mr. Blossom has written a splendid story and dressed it up with some good lyrics.

Mr. Cort has engaged an excellent company throughout the cast of principals including among others, Charlotte LeGrande, Earl Benham, Philip H. Eyley, Effie Toye, Ben Hendricks, George S. Sregario, Francis Bryan, Tots Marks and Oscar Figman.

The chorus girls and boys can sing the Herbert music on the key with spirit. There will be an augmented Herbert Orchestra.

ONIC TREATMENT FOR THE STOMACH
The Modern Method is Most Successful in Treating Indigestion.

The old-fashioned methods of treating indigestion and stomach troubles being discarded. The trouble with the old-fashioned methods was that when the treatment was stopped the trouble returned in an aggravated form. The modern method of curing indigestion and other stomach troubles is to tone up the stomach to nature's work. Every step toward recovery is a step gained, not to be lost again. The recovery of the appetite, the disappearance of pain, the sense of gas—are all signs on the road to health that those who have used the tonic treatment remember distinctly. Dr. Williams' Pink Pills are a blood-builder, tonic medicine, every constituent of which is helpful in building up the digestive organs, and is therefore the very best remedy for chronic cases of stomach trouble. Thousands of cases like the following prove how successful this treatment is—Miss Amy Browning, Cornith, Ont., says: "I have found such great benefit from Dr. Williams' Pink Pills that I would be ungrateful if I did not publicly say a good word in their favor. I was badly run down and my stomach was in a very bad condition. All food distressed me, and left me inclined to eat. I suffered from nausea and dizziness and frequent headaches, and this was further aggravated by pains in the back and legs. I was in this condition for several years, and although I had tried medicine from several doctors it did not help me. Then I heard of Dr. Williams' Pink Pills and began taking them. I am glad to say that they soon helped me, and now I am as well as ever; can eat all kinds of food, with fish, and have not an ache or pain." You can get these pills through any dealer in medicine or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from the Dr. Williams Medicine Co., Brockville, Ont.

PARIS

BAD ACCIDENT
A very exciting runaway occurred last evening about 7:30, when Pte. Jack Latimore of the 125th Battalion set with a severe accident. He was driving a horse that belonged to Chas. Durham, liverman, down River street when the holdback broke, causing the horse to run away, throwing out Pte. Latimore. Latimore was picked up by some soldiers and carried into Dr. Dunton's office, when it was found he had sprained his left ankle and fractured his right wrist, as well as getting a shaking up. He was later taken to his home in Knills' auto, and at the time of writing was resting quietly, though he will be laid up for some weeks. The horse in its mad chase down River street, ran into the hydrant opposite Blackhurst and Gills store, and turning the buggy over three times and frightened another horse which was standing near by, before finally being captured. On Sunday, anniversary services were held in the Congregational church, when Rev. Mr. Morley of Bradford, preached two powerful and eloquent sermons, and the choir sang several anthems. Last night the annual supper was held. The room was prettily decorated with flags and bunting, while the tables looked sweet with cut flowers and house plants. After ample justice had been done to all the good things provided by the ladies, a social hour was spent, interspersed with music and song.

The regular weekly meeting of the Epworth League of Wellington St. Methodist church last evening was in charge of the missionary committee. Miss Hazel Brown presided, and Miss Hazel Ryerson read the Scripture lesson. An interesting feature was an address on "Missionary Giving" by the pastor, Rev. Dr. Henderson. A diet by Messrs. George Easterbrook and Fred Cole was thoroughly enjoyed by the large number present.

BOARD OF EDUCATION.
The matter of re-arranging the schedule of salaries for principals and male assistants of Public schools and for teachers at the Collegiate Institutes was dealt with at a very busy session of the management committee of the Board of Education last evening. While no particulars have been announced, it is understood that the committee will recommend some increases to take effect from January 1, 1917. A report will be submitted at the next meeting of the full board.

PLUMBING BY-LAW
It being the desire of the plumbers of the city to increase the fees of the by-law licensing plumbers and electricians, and include steam, hot water, sprinkler fittings and all classes of pipe installation, and to prohibit men outside of the city from taking out licenses for such work unless they comply with the transient traders' by-law, which carries with it a by-law of \$100.00, City Clerk Leonard has written to the city clerks of several municipalities requesting information concerning similar by-laws in their respective cities. St. Thomas and Woodstock reply that they have no such by-laws, while Geo. F. Hardman, chief plumbing inspector of Stratford, has sent a copy of the by-law in question to the city clerk here.

BURNING OF THE MORTGAGE AT B.M.E. CHURCH

Interesting and Happy Ceremony Carried Out Last Night.

An event of the most solemn and impressive nature, as well as one of great pleasure to all, was that performed last evening in the B. M. E. Church, when the mortgage on that building was ceremoniously burned. The document was held by the officials of the church, and was set alight by Mr. Lucas, Rev. Mr. Jackson, the pastor of the church, then held the receiver upon which the paper burned to extinction. The ceremony was celebrated in fitting manner by all the members of the church. At 5.30 in the afternoon, supper was served by the Ministerial Union, while in the evening an excellent program of musical numbers and brief addresses was presented in the church, before one of the largest gatherings ever assembled in that building. After the singing of the hymn "All Hail, the power of Jesus' Name," by the entire congregation, an invocation was offered by Rev. Llewellyn Brown. A musical number by Miss A. Gardner, and a reading by Frank Brown were then given, both meeting with a favorable and well-deserved reception. A brief address was next delivered by Rev. G. A. Woodside, after a solo by Miss T. Marshall, Rev. Llewellyn Brown and Rev. Dr. Gordon also addressed the congregation. The Margboro St. Church quartette rendered an excellent vocal number, as did also the quartette of the B. M. E. church. Two numbers which elicited great applause were a solo by Miss Rolling of Barrie, and a reading by Miss A. Wilson of Guelph, both of whom were heartily cheered. Another most pleasing number was a reading by Mr. Lawrence Hamilton. Mr. J. Lucas then spoke briefly, on behalf of the local church, following which the pastor, Rev. T. H. Jackson also delivered an address, in which he told of the excellent assistance and co-operation rendered the B. M. E. by all the other churches of the city, and expressed the gratitude felt by all for their loyal support. Mr. Jackson also reviewed the work accomplished by the B. M. E. during the past year. The burning of the mortgage was then solemnized, following which Rev. S. R. Drake, superintendent of the B. M. E. Church of Canada, who occupied the chair in a most able manner, delivered a most eloquent and interesting address, commenting upon the interest which is being taken in the present day questions by the people of the B. M. E. church. With the singing of the National Anthem, the evening's entertainment was then brought to a conclusion. It had been expected that Mayor Bowby would be able to be present at the ceremony, and to address the gathering upon such a momentous occasion, but owing to the meeting of the city council, His Worship was unable to come.

The Fair and Square Principle of Merchandise Which Governs the Selling-Policy of This Store

MERCHANDISING to-day is a science. No longer is it just a matter of "Keeping Shop" and being governed by "Rule of Thumb" methods. The store-keeper who conducts his business along these lines, marking his goods up to the limit of what he thinks they will bring, is not giving his customers a square deal. The up-to-date merchant knows to a fraction of a cent what every dollar's worth of business costs him, and adds to this only a small margin for profit, depending on big sales to bring results. As sales go up, selling-cost comes down, and he can afford to sell on a closer margin. Modern labor-saving equipment, as everyone knows, whether in factory or store, saves time and money. This Store, with its modern time-saving and money-saving equipment is establishing a new standard in merchandising and value-giving. The "Rule of Thumb" method can find no place here. The fair and square principle rules—take only moderate profit, giving the difference in good values to you.

There's Many a Good Suit for a Very Low Price in the Fashion Salons To-morrow!

There are the Suits between \$12.75 and \$20.00 which scores of women have been eagerly waiting for. They are exactly the kind of Suits which one woman wants to save a finer suit from too constant duty, and another woman wants because they are light enough for Summer vacation wear, and cost so very much less than their regular and earlier prices that one does not mind knocking about in them. They include pretty nearly all the fashionable cloths and colors and cuts of the season—serges, gabardines, poplins, checks, navies and blacks, grays, tans, mixtures; coats long and coats short. It is impossible, of course, to go into details about them, for sizes are broken and there are only a few of each style. But everybody's size is here, in one thing or another, and there is a treasure-trove in plenty for those who don't mind hunting.

Sporting Comment

The western clubs of Edward Grant Barrow's circuit were unfortunate in striking bad weather for their opening games, three of them being postponed, while Rochester fans are wishing that theirs had been called off, as they suffered defeat at the hands of Providence.

Cobb Throws Dirt in Boehling's Face

Washington, D.D., May 16.—Ty Cobb was hissed by Washington fans yesterday afternoon for the first time in his life. In the third inning the Georgian singled and Boehling caught him off first-base, the infield eventually turning him down and the pitcher making the put-out. Boehling called Ty, a vile name as he applied the ball to him, and Cobb retaliated by throwing dirt in his face.

Washington Defeats Detroit in Overtime

Washington, May 16.—Detroit was defeated 6 to 5 in an eleven innings game here yesterday. Washington knocked Covelleskie out of the box in the seventh, when they scored three runs and tied the score. Five pitchers were used, Johnson and Dubic finishing. In the eleventh the latter passed the man and an infield out, and Shank's sacrifice fly put over the winning run. Score: R.H.E. Detroit 6 0 10000000—5 8 2; Covelleskie, Dubic and Stange; Boehling; Ayers, Johnson and Henry.

Cleveland Knocks Markle Off the Mound

New York, May 16.—Cleveland made it two straight from New York here yesterday, winning by a score of 6 to 4. Cliff Markle was knocked out of the box in three innings, and lost his first game since he came to the New York Club last September. Caldwell, who succeeded Markle, was ordered off the field in the 7th inning. Baker made his second home run of the season. Score: R.H.E. Cleveland 6 0 10000000—2 4 0; Smith, Cheney and O. Miller, Myers, Meadows, Ames and Snyder, Gonzales.

Providence Takes Rochester Opening

Rochester, N.Y., May 16.—Providence took a seven-innings game from Rochester 6 to 4 by taking advantage of the home club's errors in the final frame. The game was called on account of rain. Score: R.H.E. Providence 6 0 10000000—3 6 0; Rochester 4 0 10000000—2 4 0; Billard, Tincup, Slierman and Yelle; Ritter and Hale.

Eddie Plank Failed to Defeat Athletics

Philadelphia, May 16.—Eddie Plank pitched against Philadelphia, his former club, yesterday for the first time in his career, and the home team defeated St. Louis 5 to 4. Plank was in excellent form until the seventh innings, when singles by Lajoie and Stellbauer, Pick going to first on being hit, Schang's triple and a passed ball sent four runners home and won the game. Score: R.H.E. Philadelphia 5 0 1000040X—5 9 2; Plank and Hartley; Bash and Meyer, Schang.

Dick Rudolph Weakens and Pittsburg Wins

Pittsburg, May 16.—Pittsburg won from Boston yesterday 8 to 7. Both sides began scoring in the first inning, five hits apiece giving each four runs. Cooper and Harmon were both hit hard, but the visitors were able to do little with Mamaux. Rudolph was also hit hard for six innings, when he gave way to Ragan, who stopped further scoring. Score: R.H.E. Boston 7 0 000000—7 14 2; Pittsburg 8 0 000000—8 13 3; Rudolph, Conroy, Ragan and Gowdy; Cooper, Harmon, Mamaux and Wilson, Gibson.

VOTE OF FIFTEEN MILLIONS OF DOLLARS MOVED BY COMMONS TO CANADIAN NORTHERN RY.

Without any demand for a division the members of the House of Commons yesterday passed the appropriation of \$15,000,000 to be lent to the Canadian Northern Railway Company to tide it over its present financial difficulties. They also after a brief discussion approved of the principle of Hon. J. D. Reid's bill providing for the acquisition of the Quebec, Montmorency and Charlevoix, the Quebec and Saguenay and the Lotbiniere and Megantic Railways, at prices to be fixed by the Exchequer Court, by giving the measure its second reading.

No Division on the Question—Mr. R. R. Bennett, Who Formerly Opposed a Grant, Withdrew His Opposition But Said That Under Ordinary Circumstances Both G. T. P. and C. N. R. Should Go Into Receiver's Hands.

Ottawa, Ont., May 16.—Without any demand for a division the members of the House of Commons yesterday passed the appropriation of \$15,000,000 to be lent to the Canadian Northern Railway Company to tide it over its present financial difficulties. They also after a brief discussion approved of the principle of Hon. J. D. Reid's bill providing for the acquisition of the Quebec, Montmorency and Charlevoix, the Quebec and Saguenay and the Lotbiniere and Megantic Railways, at prices to be fixed by the Exchequer Court, by giving the measure its second reading.

COUNSEL AT ENQUIRY.

Sir Wilfrid Laurier enquired at the opening of the sitting if there was any truth in a newspaper despatch that the cruiser Rainbow had captured a vessel of Mexican register, but chartered to Germans, and carrying a cargo of sugar, corn and cotton. He was told by Hon. J. D. Hazen that the Rainbow had seized a power schooner called the Oregon.

Secretary of War Baker is Asked to Approve of the Plans.

Washington, May 16.—Governor Dunne and most of Illinois congressmen asked Secretary of War Baker to-day to approve the plans for an inland waterway to connect Lake Michigan with the Gulf of Mexico. Secretary Baker had appropriated \$5,000,000 for the canal within its borders. Secretary Baker indicated that the project should await congressional legislation regulating waterways and power projects.

Exhibition in July.

Buenos Aires, May 16.—The committee in charge of the organization of the National Centenary Exhibition, to be held in the month of July, is now to see operation. The Exhibition will be held in the spacious building situated at Florida and Sarmiento streets. A large number of local industrial and commercial firms, also a number of North American, Brazilian and Uruguayan concerns have signified their intention of participating.

Cincinnati's Errors Help Phillies to Win

Cincinnati, May 16.—Cincinnati's errors were costly and Philadelphia won yesterday's game here by 7 to 4. Score: R.H.E. Cincinnati 4 0 000000—4 9 3; Philadelphia 7 0 100000—7 10 1; Rixey, Demaree and William Kiliter; Toney, Knetzer, Mosely and Clarke.

COOPER HAS JUMPED "SHAG"

Former Brantford Catcher Evidently Did Not Like "Human Crab." Warren, Pa., May 16.—Frank Shaughnessy is already having his troubles as manager of the Warren Club, which will play in the Interstate League. Catcher Cooper, who starred for Brantford in the Canadian League last year, reported recently, but only remained a day or two. He did not tell anyone where he was going, but quietly slipped out of town on Wednesday, departing for sections unknown. Shaughnessy has been convinced that Cooper jumped and will request an investigation, though it is said that he had not signed with Warren. Cooper told some of the players he could hook on with a higher salary club in the Eastern League. "Shag," said that he was not worrying about Cooper, whose loss means that Petie Powers will be the first string catcher for the local club.

WANT TO JOIN LAKE MICHIGAN WITH THE GULF

Secretary of War Baker is Asked to Approve of the Plans. Washington, May 16.—Governor Dunne and most of Illinois congressmen asked Secretary of War Baker to-day to approve the plans for an inland waterway to connect Lake Michigan with the Gulf of Mexico.

M.P.P. DEAD.

Bracebridge, Ont., May 16.—Samuel H. Armstrong, member of the legislature for Muskoka, died here this morning after an illness of only a few hours from heart trouble. He was prominent in business and municipal affairs, having been mayor for seven years and previously councillor for a like period. He was elected to the legislature at a bye-election in 1912 and at the general election 1914.

Linen Shoes in Fashion.

Vienna, May 16.—Linen shoes have become the fashion for spring and summer in Vienna this on account of the confiscation of the leather supplies for military purposes. The new linen shoes are being made in light colors, white, light brown and brown, and a variety of other shades. They are said to be strong and comfortable and cost but three dollars a pair, as compared with the eight dollars at which leather shoes are now priced.

WHY NOT BIG FAREWELL BY SPORT EVENTS?

Field Day of Sport Suggested as a "Good-bye" to the 125th. The 125th Battalion is going very soon to camp, and when it goes, there will not only leave Brantford as fine a battalion as ever marched, but one representative of every branch of sport carried on in the city. There is not a person who will be carrying on any sport this year in the city, but the 125th who used to play in the same game.

Killed by Pickets

Police in Cleveland Tried to Stop "Protest" Funeral for Martyr. Cleveland, May 16.—Police to-day planned to prevent the holding of union bakers of a "protest" funeral for Joseph Feld, striking baker, who was killed Saturday night by pickets at one of the bakeries of Edward Rosen, where a strike is in progress. Union bakers had announced that they would parade carrying the body of Feld past all of Rosen's bakeries and his home. Rosen, his two sons, an son-in-law are under arrest charged with Feld's murder.

Ulster and Nationalist V... ogized and Made F... Will be Considered W... London, May 16.—The Dublin respondent of the Daily Mail graphs: As a result of enquiries I convinced that a new Irish police being shaped along the following lines:—Irishmen are to be given greater share in the government their own country, an Execu Council, a sort of Irish Cabinet, ting in Dublin, to be responsible the control of Irish affairs, but to itself under the control of the Bri Parliament. At the moment there not be any talk of an Irish House Commons. The Ulster sentiment be respected as well as the Nation

22 LIBERALS ARE ELECTED

Montreal, May 16.—The surprise in the nominations for the Quebec Legislature yesterday was the large number of eleven-hour retirement from the provincial contest, and consequent election by acclamation at least 22 Liberals. So far as hea from last night three Conservative have also been returned without fight at the polls next Monday. Premier, Sir Lomer Gouin, and Provincial Treasurer, Walter Mitchell, go back to the House with the trouble of putting in a few week of electioneering, but the other members of the Government have not been so fortunate. Col. Smart election in Westmount was conceded from the first, he being at the time of the election of Arthur Sauve, another Conservative, was one of the biggest surprises of the day. Up to the last moment it was thought he would have been opposed by Dr. Paget.

They Are Needed Here.

Tokio, May 16.—The export trade in Japan umbrellas is rapidly increasing. In recent years the export amounted in value to \$8,000,000 and this year the figures are expected to be exceeded. Manufacturers in Japan are now overwhelmed with orders from China, India and other countries in the South Pacific because of the falling off of imports from England and Europe generally.

IRISH CABINET MAY BE FORMED TO SIT IN DUBLIN TO RULE IRISH AFFAIRS

Ulster and Nationalist Volunteers Will be Officially Recognized and Made Forces of the Crown—Irish Policy Will be Considered When Premier Returns to London.

London, May 16.—The Dublin correspondent of the Daily Mail telegraphs: As a result of enquiries I am convinced that a new Irish policy is being shaped along the following lines:—

First—Irishmen are to be given a greater share in the government of their own country, an Executive Council, a sort of Irish Cabinet, sitting in Dublin, to be responsible for the control of Irish affairs, but to be itself under the control of the British Parliament. At the moment there will not be any talk of an Irish House of Commons. The Ulster sentiment must be respected as well as the Nationalist.

Second—Both the Ulster and the Nationalist Volunteers are expected to receive official recognition and to be made forces of the Crown.

This is regarded as far better than suppression or disarmament. Neither force is disloyal to Great Britain, and both may be usefully employed and brought into a sort of union with one another by recognition.

There is foundation for the belief that an enterprising Irish policy is actually being considered by Premier Asquith and the Nationalist and Ulster leaders. The negotiations which will follow the Premier's return to London will treat with this project.

CHURCH BELLS FOR WAR USES

Berlin Firm Buying Them and Forwarding Them to the Army.

Copenhagen, May 16.—Schleswig newspapers, commenting on a recent order of the military authorities, say that it seems that they favor the wholesale dismantling of church bells for ammunition purposes. The order was occasioned by the publication of a memorandum from the Consistory at Kiel, which stated that a Berlin firm had sent a circular letter to the German clergy offering to buy all the church-bells in Germany and forward them to the army.

The General Commanding at Brantford immediately prohibited the firm from circulating the clergy for this purpose, and issued another circular letter to the clergy warning them not to deal with private firms but to apply direct to the army headquarters.

THE "BRIDE" CAME TO DEATH BY SUICIDE

Man Dressed as Woman, Found Near Windsor, Killed Himself.

Windsor, Ont., May 15.—Coroner Labelle has issued a certificate giving the cause of death as "suicide" in the mystery surrounding the finding of the body of a man dressed in a woman's rich bridal costume, which was suspended from a beam in a deserted summer cottage on the Canadian shore nine miles north of this city Sunday evening. The body, which had been hanging several months and was so decomposed that identification was impossible, was found by S. J. Jackson, a Detroit man, on his return from a canoe on Lake St. Clair.

He saw what he thought was a woman's figure awaying in one of the upper rooms of the cottage and knowing that the house was deserted, he investigated. The body was suspended by a belt taken from a woman's house wrapper. The bridal clothing was of good material. Close to the body on the floor, was a baby's cap and a complete set of male attire.

BY-LAW TO RAISE

(Continued from page 2)

any money from the city, but the county had given it a grant. Ald. St. Ward thought the 125th should not leave the city without some financial assistance from the city. It was impossible to carry on battalion organization and get their needs, which the government did not provide, without assistance. The 125th and the 215th needed funds. 10-day many sympathetic women were appealing to the people of the city to save rags, old papers, etc. so as they could be disposed of and the funds go to the battalions.

SOMETHING SHOULD BE DONE
Brantford people were public-spirited enough to support their own battalion. Therefore Ald. Ward said that he moved, seconded by Ald. Jennings, "that in the opinion of this Council, a grant should be made to the 125th and 215th over the battalions and the finance committee should give this matter its serious consideration and report at the next meeting of the Council."

No other place in the province had omitted to give any grant, concluded Ald. Ward, that he knew of.

Ald. Harp thought the battalion would have gone before the Council met again.

"Will that grant go to the officers or the privates?" asked Ald. Pitcher.

"To the whole battalion," said Ald. Ward.

THE MAYOR'S POSITION.
The Mayor referred to his telegram explaining Brantford's attitude on military matters, to the Toronto Star. Brantford has assessed a mill on the dollar on the ratepayers for patriotic purposes. The government should equip its own soldiers. Brantford could not afford any more. Brantford had done nobly in the past, but it should not go beyond its estimate.

THE FINAL DRAFT.
Ald. Wiley thought the resolution committed the Council. The Mayor stated the words "in the opinion of this Council," committed the Council to a grant. This interpretation seemed to impress the Aldermen, and they voted in favor of the resolution, and so Ald. Ward changed his motion ruling out the "opinion" and simply referring the matter to the finance committee.

The Council adjourned at 11:45 to meet again on Monday, May 29th at 8 o'clock.

PLEADING SET OVER FOR A COUPLE OF DAYS

Wolfe Von Igel Will Not Appear on Charge Until Wednesday.

New York, May 15.—The pleading of Wolfe Von Igel, former secretary of Captain Franz Von Pappen, to two indictments charging respectively conspiracy to blow up the Welland Canal and violations of the United States customs laws, was postponed until Wednesday in the federal district court to-day on application of Assistant District Attorney Wood. Pending the determination by the state department of the status of the papers seized in Von Igel's office at the time of his arrest, it is expected that another postponement will be asked on that date if necessary.

Trouble at Smyrna

Attempt Made to Blow Up the Home of General Von Sanders.

New York, May 15.—A news agency despatch from Saloniki to-day says: An attempt is said to have been made to blow up by dynamite the home of General Leman Von Sanders at Smyrna, according to a report sent to the London Post from Constantinople. It is not known whether any damage was done or whether anyone was killed or injured.

The same despatch asserts that the people of the Hauran district of Syria are in a state of revolt and have proclaimed autonomy.

SAW GREAT AIR BATTLE

Passengers on Andania Witnessed German and Briton Fight.

New York, May 16.—Passengers on the Cunard Line Steamship Andania, which arrived to-day from London were spectators of a thrilling air battle between a German taube and an English monoplane while the ship was in the English channel on May 3. The German machine, the passengers heard, had just come from a bomb attack on the town of Deal, and the English machine was pursuing. They circled about and darted to and fro not more than 600 feet above the ship, the passengers said, and the popping of their machine guns could be distinctly heard. They were last seen standing away toward the continent, the English airman still in pursuit.

G. O. OF THE 212TH. ARRIVES OUT WEST

Lieut.-Colonel R. J. Bates in Winnipeg to Command American Battalion.

Winnipeg, May 15.—Lt. Col. Robert James Bates, an American, arrived from Toronto yesterday to assume command of the 212th Battalion, American Legion. Two hundred men of the battalion already recruited are to be sent to Toronto to reinforce the 212th Battalion, "American Legion." The officers accompanying Col. Bates to Winnipeg are Adjutant Miller R. Taylor, Lieut. J. C. Noble, Lieut. S. J. H. Allan and eight non-commissioned officers.

ESPECIALLY FOR WOMEN

"Fruit-a-tives" Now Known as Woman's Best Medicine

"FRUIT-A-TIVES," the famous fruit medicine is particularly well suited for the use of women, because of its mild and gentle action and its pleasant taste. In severe cases of Constipation, Indigestion, Bloating, Sick Headaches, Pain In The Back, Neuralgia, or a General Run-Down Constitution, "Fruit-a-tives" is the only medicine needed to correct such troubles and restore the sufferer to complete health.

"Fruit-a-tives" is invaluable to purify and enrich the blood and build up strength and vigor. A box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

START MOBILIZING AT NIAGARIA TO-DAY

134th Highlanders Battalion the First Unit to Enter Summer Camp.

Toronto, May 16.—Mobilizing of troops for the camp at Niagara commences to-day, when the 134th Highlanders Battalion leave the Exhibition Grounds to take up their quarters at Niagara, the unit to be followed on the two following days by the 169th Battalion from the Exhibition Camp and the 123rd Grenadiers and 125th "Pals," from their respective barracks. The departure of these four units with other movements in contemplation, will make an appreciable difference in the number of soldiers in the city by the end of the present week, and with the concentration of some of the units at Exhibition camp that now are living in billets, Toronto will begin to lose the appearance of a garrison city and return more or less to normal except for the recruiting sergeants in the streets, who will continue their activities as usual.

The 166th Queen's Own Battalion will take up their quarters at Exhibition Camp to-morrow and will be followed on Thursday by the 190th Sportsmen's Battalion.

The Canadian Credit Men's Association (Ontario division) urged the adoption throughout Canada of a daylight saving measure in a resolution passed at the annual meeting.

A. J. Fisher, a bank clerk in Welland, was drowned out of a canoe he had just bought. Gales did considerable damage by unroofing buildings in Galt, and overturning a horse-tower in Renfrew. P. G. Mahoney, M. P. for Westmoreland, was installed as Minister of Public Works in New Brunswick.

22 LIBERALS ARE ELECTED

Montreal, May 16.—The surprise in the nominations for the Quebec Legislature yesterday was the large number of eleventh-hour retirements from the provincial contest, and the consequent election by acclamation of at least 22 Liberals. So far as heard from last night three Conservatives have also been returned without a fight at the polls next Monday. The Premier, Sir Lomer Gouin, and the Provincial Treasurer, Walter Mitchell, go back to the House without the trouble of putting in a final week of electioneering, but the other members of the Government have not been so fortunate. Col. Smart's election in Westmount was conceded from the first, he being at the front, but the election of Arthur Sauve, another Conservative, was one of the biggest surprises of the day. Up to the last moment it was thought he would have been opposed by Dr. Paget.

They Are Needed Here.

Tokio, May 16.—The export trade in Japan umbrellas is rapidly increasing. In recent years the exports amounted in value to \$8,500,000 and this year the figures are expected to be exceeded. Manufacturers in Japan are now overwhelmed with orders from China, India and other countries in the South Pacific because of the falling off of imports from England and Europe generally.

THIS SOUNDS LIKE MADE IN GERMANY

Not Likely Huns Treated People of Luxemburg as Well as That.

Berlin, May 16.—(By wireless to Sayville)—"Advices from Luxemburg state that director-general Welser, asserted in the Diet that Great Britain had declined to supply food for Luxemburg, owing to Germany having occupied that country, who is responsible," says the Overseas News Agency. To this the Luxemburg government responded that the position taken by Great Britain was not well grounded, inasmuch as Germany never had requisitioned food in Luxemburg, but on the contrary had sent provisions there."

DISTRIBUTING SEEDS

Peking, May 16.—The ministry of agriculture and commerce is distributing cotton seeds imported from America to the various agricultural experiment grounds and to magistrates all over the cotton districts of China, who have been requested to have farmers test the seed.

HANGED HIMSELF

Delta, Ont., May 16.—Some time during Sunday afternoon while the rest of the family were attending church at Phillipsville, Charles Tackling, aged 27, took his life by hanging himself in his father's barn. He was engaged in teaching school at Hartley and had been a student at Queen's University for one year.

IRISH EXPORTS HAVE INCREASED

War Good for Business in the Emerald Isle.

Dublin, Ireland, May 16.—Irish exports have increased considerably on account of the war. The official returns just completed for the year 1914 show a total of 77,300,000 pounds, an increase of three and a half million pounds over 1913. The increase is due almost entirely to the shipping trade at Belfast.

It is a curious feature of the report that although 54 per cent. of the Irish exports are represented by farm produce and foodstuffs, thirty-seven per cent. of Ireland's 73,000,000 pounds of import should be food, and the department of agriculture comments pointedly on the fact that a food-producing country should be annually importing great quantities of farm produce, much of which is admirably suited for raising at home.

On the whole the report is regarded as a gratifying record of continued progress in Ireland. In addition to the increase in exports, the decade has also witnessed an increase of imports by 35 per cent. in value and twelve per cent. in bulk. The total imports and exports of Ireland, in fact, now represent a higher per capita value than the average for the United Kingdom, the United States, France or Germany.

Wellington

Linen Shoes in Fashion.

Vienna, May 16.—Linen shoes have become the fashion for spring and summer in Vienna this year on account of the confiscation of the leather supplies for military purposes. The new linen shoes are being made in light colors, white, light brown and tan, and a variety of other shades. They are said to be strong and comfortable and cost but three dollars a pair, as compared with the eight dollars at which leather shoes are now priced.

WHY NOT BIG FAREWELL BY SPORT EVENTS?

The 125th Battalion is going very soon to camp, and when it goes, there will not only leave Brantford as fine a battalion as ever marched, but one representative of every branch of sport carried on in the city. There is not a person who will be carrying on any sport this year in the city, but will have a friend or acquaintance in the 125th who used to play in the same game.

Hence a suggestion has been passed round that before the battalion leaves the city, there should be a monster farewell which would take the form of a "Brant County Day" of amateur sports. The event could be held in Agricultural Park and if all the sporting fraternity in the county took up the matter, the day would be a red letter one in the history of Brantford.

Field Day of Sport Suggested as a "Good-bye" to the 125th.

Killed by Pickets

Police in Cleveland Tried to Stop "Protest" Funeral for Martyr.

Cleveland, May 16.—Police to-day planned to prevent the holding by union bakers of a "protest" funeral for Joseph Feld, striking baker, who was killed Saturday night by pickets at one of the bakeries of Edward Rosen, where a strike is in progress. Union bakers had announced that they would parade carrying the body of Feld past all of Rosen's bakeries and his home. Rosen, his two sons, and son-in-law are under arrest charged with Feld's murder.

TWO MILITARY WITNESSES AT THE INQUIRY

Knew Nothing of the Business End of Shell Buying, They Said.
HUGHES ANXIOUS TO MAKE TIME
All Profits of Shell Committee Were to Revert to War Office.

Ottawa, May 16.-This was military day at the Health-Duff Commission to enquire into the Kytz charges. Only two witnesses were heard, Major-General Benson, who was Master-General of Ordnance during the events that led to Mr. Kytz's speech in Parliament, and Col. F. D. Lafferty, superintendent of the Quebec Arsenal. Both of these were examined by Mr. Hellmuth and cross-examined by Mr. Carvell, but they stated that they had little knowledge of business affairs in connection with the Shell Committee. They were military members and left business arrangements to the manufacturing members.
