Should Define Stand.
 Pending the reception of the German proposals it would be foolish in the extreme to say that they were only a diplomatic move on the part of Germany. Even if they were, nothing but good should come of it if the entente allies have the opportunity to place their case before the world. They can indicate the terms upon which they are prepared to negotiate peace. They could inform neutrals of their position.

Peace Advocates Mobbed.
 Sylvia Pankhurst, the militant suffragette, and a number of sympathizers, endeavored to hold a "demonstration" at the East India Dock gates this afternoon to demand peace. A big crowd assembled and mobbed the speaker. The police interfered and rushed Miss Pankhurst and her friends to the police station, followed by a crowd.

Well-known Toronto physician who died Saturday, after a long illness. He served overseas with the University Base Hospital.

Colonel Gordon was possessed of a winning personality and in a singular manner won and held the esteem and sincere affection of his many patients and friends. In 1913 he gave up general practice to devote himself to special work on the heart and spent the greater part of the year in London, Eng., working in conjunction with Sir James McKenzie.

When Toronto University Base Hospital was organized, Colonel Gordon was appointed to the staff and went overseas with the hospital in May, 1915. He was invalided home in July, and after undergoing an operation for appendicitis, was attached to the medical staff at Exhibition Camp where he served until he was taken to the following April.

In religion he was a Presbyterian and a member of Bloor Street Presbyterian Church. Colonel Gordon is survived by his widow, 2, son, Lieut. A. R. Gordon, and a daughter, Margaret Helen; also three brothers, Col. J. R. Gordon of Sudbury, Major C. W. Gordon (Ralph Connor), Lieut.-Col. Henry Gordon, and a nephew, Capt. Athol Gordon, all on active service in France.

The funeral will be under military auspices, the time of which will be announced later, as the family are expecting Major C. W. Gordon's arrival in Canada, today, from France.

Germany must try to prevent the entente from giving an evasive answer. We expect a cleavage of views at the outset of the negotiations, but great apparent divergencies of opinion will have less significance when the real objections are made. The standpoint of both parties are already partly identical regarding the general fundamental aims of the war, and the German note must be understood as meaning the intention to re-establishment of international conventions for the avoidance of international conflicts and guarantee international peace.

Referring to the possibility of alleviating the burden of armaments, the Zeitung expresses the belief that an agreement to this effect is possible owing to the sufferings caused by war, and adds:
 "If Germany must not be asked to precede the others in reducing her forces. Moreover, Germany does not believe in abrogating general military service, also there are many objections against such a step. It would be abrogated if there were a common organization of nations, in which Germany would have an important place."

Discussing the question of armaments, the paper explains that Germany's fleet has been built up for defensive purposes, and continues:
 "If Germany should be asked to be restricted in the future, other naval powers, including the United States, must do likewise. Great Britain must recognize the need of a fleet to protect her seas. The regulation of traffic might properly be under international organization."

The paper concludes:
 "If the peace offer is not accepted and Germany is prepared to fight until her victory is complete, then the peace will be of quite a different kind."

Germany must try to prevent the entente from giving an evasive answer. We expect a cleavage of views at the outset of the negotiations, but great apparent divergencies of opinion will have less significance when the real objections are made.

*It's a Simple, Efficient, Satisfactory,
Economical Household Labor-Saving
Device That Compares Favorably
With Similar Electric Cleaners at
Almost Double Its Price*

ALMOST EVERYONE knows what a wonderful household labor-saving device is the Electric Vacuum Cleaner, but few housewives fully realize its convenience, quickness, and thoroughness in cleaning household furnishings day in and day out. The cost has probably been prohibitive for many homes owning one heretofore, but the price of the "Electro-Vac," the machine illustrated, should revolutionize vacuum cleaner buying in Canada, making it possible for more homes to appreciate its wonderful convenience—in fact, this price should bring it into almost universal use.

The reason the "Electro-Vac" is one of the greatest electric vacuum cleaner values in Canada, is due to the Eaton policy of buying and selling for cash.

Some Important Features and Interesting Facts About the "Electro-Vac"

WITH SUCH an efficient machine as the "Electro-Vac" it's possible to thoroughly extract dust and dirt from household furnishings, remove crumbs from the floor after each meal, lint and thread from the sewing room or make short work of a littered floor after a house party. Its combination suction cleaner and carpet sweeper can be attached to any household cycle with not more than 115 voltage.

It has two rear roller-bearing wheels that make it easy running over any kind of rug, and a tilting device for raising or lowering the machine to run easily over edges of rugs or over thresholds.

The motor is assembled as a separate unit to the case and propels a strong, eight-blade fan at a high speed, which in turn sucks up the dirt with amazing quickness, and deposits it in a dust-bag, where it cannot leak out, even though you thump the bag. This dust-bag is fastened to the side of machine and, therefore, does not get in the way when handle is lowered to run machine underneath a bed or couch.

The casing of the "Electro-Vac" is of sanitary nickel-plated steel that is perfectly smooth inside and out, so as not to hold the dust or dirt.

This machine has an oiling system with an auxiliary feed to prevent burning out bearings through insufficient oiling.

The brush of the "Electro-Vac" is a self-adjusting tension type, located in nozzle of machine. It is easily removed and can be regulated high or low, and is very easily cleaned.

Its extra attachments can be fastened to front of machine without taking it apart or turning it upside down.

It starts and stops by simply turning to top of handle—no danger of shock—and has 20 ft. insulated connecting cord that screws into any electric socket.

We guarantee each machine perfect, correctly adjusted, powerful and durable.

THE T. EATON CO LIMITED

MACLEAN AND NICKEL ARE UNDER DISCUSSION

South York Conservatives Pass Resolution Endorsing Borden and Hearst.

MEMBER STANDS FIRM

Will Not Retract One Inch From Position on Nickel Question.

South York Conservatives, at their annual meeting, in the Labor Temple Saturday, endorsed the nickel policy of the Borden and Hearst governments, and called upon their federal representative, W. E. Maclean, M.P., to give further and serious consideration before uttering of publishing any more criticisms of the nickel policy of the two governments.

The resolution of endorsement was moved by Dr. Evans, and seconded by the newly-elected vice-president, R. L. Baker. There were about 40 members of the association present, of whom 36 announced themselves as entitled to vote. Upon the call for ayes on the motion of disapproval about half the voters raised their hands. The rest voted neither approval nor disapproval, and it was declared carried by the president.

The motion read: "Resolved, that the Liberal-Conservative Association of South York heartily endorses the nickel policy of Sir Robert Borden and the aggressive and loyal attitude of his government during the war; also the splendid efforts of Hon. W. H. Hearst and his government in their munificent contributions of money and efforts during its continuance. We also endorse the precautions taken by federal and provincial governments to prevent the exportation of Canadian nickel to enemy countries."

W. Edwards was the first to open up the nickel discussion, when he questioned the advisability of electing H. H. Ball to another term as secretary of the association, when it was not known definitely whether Mr. Maclean was going to run as a third party candidate, a Conservative, or a Liberal. "During the last few months," he said, "the nickel policy of the government has been discussed in the 'World' newspaper, and the criticism has been launched against the loyal Conservative party. Mr. Maclean has taken a very strong stand against the government's nickel policy. I have always supported Mr. Maclean and would like to see him continue to represent the riding. Whether he has left, or not, I do not know. Is he right, or is he wrong? I want to hear his explanation so that we can get together."

Ben McCrae protested against the discussion, declaring that the business of the minute was to elect a secretary. "No man in the room," he said, "has any more brains at the front than Mr. Ball. He has two there, one of whom has been wounded." In any event, he argued, he was interested to know whether our boys were fighting in metal produced in Canada. He declared he was not sorry that the nickel question had been aired by Mr. Maclean.

Did Not Retract. W. E. Maclean, in his address, did not retract one inch from the stand he had taken on the nickel question. His views, he said, had been announced time after time in parliament and thru the press, and he intended to stand by them and leave it to the people of the country to judge him. When he was elected, he reminded them, he reserved the right to use his own judgment on all questions as they presented themselves.

In regard to the nickel question," he continued, "as soon as this present house was elected and ever since I have been in parliament I have been in favor of the national policy up to the hilt in regard to the manufacturers of this country, and especially in regard to keeping our own resources for the benefit of our own country."

If there was anything clear about the nickel question, he said, it was that Canada should have a great iron and steel industry of her own, and that she should develop her own resources in the way of ores. "And from the day I entered parliament," declared Mr. Maclean, "I have been a persistent advocate of the national policy in connection with our nickel. I have asked time after time why the nickel industry could not be controlled and developed in our own country by our own companies and not be taken out of the country for the benefit of foreign workmen."

believed the government was coming to the point where it would take over the nickel output of Canada. When the speaker mentioned that he did not care to give all the information he had secured, several members, including Dr. Godfrey, called "Give it."

Mr. Maclean: "How much nickel from the Canadian mines has been caught on the ships of Norway, of Sweden and Denmark and taken into British ports and confiscated?"

R. L. Baker: "If the statements you make are correct, do you not think it would have been in the interests of the party to air your protests in parliament or discuss it with the party leaders?"

Mr. Maclean: "I did take it up in the house time after time. I have presented it in parliament and to the leaders. Twice I withdrew my own bills upon the promise of action."

"The government has had lots of time to investigate the nickel question," called some members. "I would like to see the thing investigated."

Dr. Godfrey Speaks. Dr. Forbes Godfrey when called on to speak, vigorously denounced Mr. Maclean's nickel criticisms as hurtful to the Conservative party and also to the great cause. Nickel in 1914, he said, was not as valuable as it is today. And Mr. Maclean knew very well that it was impossible to refine it in Canada. He said that Mr. Maclean was not a member of parliament.

The doctor pointed out to the members that if the Deutschland did get a cargo of nickel, New Caledonia kept no tab on her production, and Norway produced a thousand tons a year, and there was some production in the United States also. "Five thousand of the best secret service men in the world, he said, guarded Canada's nickel on the other side, and the British Government had declared itself satisfied. Did that not satisfy Mr. Maclean?"

Mr. Maclean, he continued, had wanted to bring all Canadian nickel back to Canada after it had been refined in the States. "All right, then," he said, "let's bring it back and pile it all up behind The World office. How is that going to assist the allies to get munitions from the States? The war would be over in a month and the allies would be beaten." The doctor claimed Mr. Maclean's stand as inexplicable, but should accept the statements of the leaders of the government to the effect that proper precautions were being taken.

Geo. S. Henry, M.L.A., said Mr. Maclean seemed to have wandered away to a camp of his own. He believed the little discussion would bring him back to the fold. As to the government taking his advice in 1914, if Britain had taken Lord Roberts' advice when there never would have been a war, he could not understand it. In the face of Hon. Mr. Meighen's explanations, Mr. Maclean could still believe Canadian nickel was reaching the enemy.

Heve Canadian nickel was reaching the enemy. J. Underwood said he had a son at the front and if he thought Canadian nickel was being used by the enemy he would withdraw him. He said he preferred to believe Hon. Arthur Meighen and Bonar Law to Mr. Maclean. He believed that in publishing the nickel articles Mr. Maclean was acting against the interests of Great Britain in the war.

F. P. Reeves from Humber Bay, declared that W. E. Maclean was doing more to hurt recruiting than any other Conservative in Canada. The election of officers resulted as follows: President, J. R. MacNichol, ward six; first vice-president, R. L. Baker, North Toronto; second vice-president, Dr. Hopkins, seventh ward; recording secretary, H. H. Ball.

DISPLAYS STRING OF LIQUOR ADS IN CHURCH. Rev. Ben Spence Used It to Emphasize His Argument. Rev. Ben Spence delivered a temperance sermon at Parkdale Methodist Church, Dunn avenue, on Sunday morning. In order to emphasize his argument that liquor advertisements should not be carried by newspapers, he had a string of liquor advertisements displayed in the church. They had been cut, he said, from a newspaper he bought on Saturday.

Only by Service to Others That Freedom Can Be Formed. In the course of an address on "Building Karma" last night, in Canadian Foresters' Hall, David King of Detroit spoke of national karma as the result of the loyalty or neglect of a nation of its national dharma, which he defined as the special duty which each nation specifically owed to humanity.

Stenographic Reporters Give Diplomas to New Members. The Chartered Stenographic Reporters' Association held a dinner on Saturday evening at the St. Charles Hotel, the occasion being the presentation of diplomas to new members. The guest of the evening was A. E. Donovan, M.L.A., who had kindly consented to present the diplomas. Mr. Donovan, while reporting that he was not a shorthand writer, expressed himself as being deeply interested in the association, and heartily in sympathy with its objects and aims.

French Do Part. Referring to Quebec, he said, that the French-Canadians had enlisted as well as the English-speaking Canadians and the man who criticizes the French-Canadians was not familiar with the facts.

Sub-Lieut. H. R. Brown said that 242 recruits from the Province of Ontario had been secured for the navy, 27 of these having been added during the past week. These numbers, he declared, to be satisfactory, when compared with other provinces, but were small when the great need for men was considered.

Miss Constance Boulton said that 1,000,000 Germans in foreign lands were prevented by the British navy from going home to fight at the beginning of the war, and this was an important factor in the German failure to reach Paris. Dr. A. A. Macdonald presided.

being deeply interested in the association, and heartily in sympathy with its objects and aims. The gentlemen admitted to membership were: W. L. Brockell, A. G. Newell, H. E. Short, A. F. Lowry, V. L. Taylor, S. W. Brown, H. Emerson and F. Clitheroe.

CONSCRIPTION BEST AND FAIREST WAY

Must Come if Canada is to Keep Pledge, Says Capt. W. C. C. Innis.

HOLD RALLY FOR NAVY

Declares French-Canadians Have Done Equal Part in Recruiting.

"The voluntary system has always proved unreliable," said Capt. W. C. C. Innis in his address at the recruiting meeting on behalf of the Royal Navy at Loew's Theatre last night. The speaker told the audience why conscription should be in force in Canada.

His opening words, "I am going to talk fifteen minutes tonight on conscription," were greeted with prolonged cheering. "The casualties today," he said, "are more than the number of men who are enlisting. The time has now come to get down to business if we are going to take our share in the winning of this war. The voluntary system has ever failed in a crisis. We have relied on the patriotism of a portion of the population of this country and today we are not getting recruits."

Conscription, he said, did not mean that the military authorities could go into every house and take away every able bodied man. It spelled rather commensurate and fairness. Every man and woman in the country would have a duty allotted and that duty would be what he or she was best able to perform. "We have a solemn pledge to keep to the boys we sent away and if we do not have some form of conscription we are going to fall in our pledge."

French Do Part. Referring to Quebec, he said, that the French-Canadians had enlisted as well as the English-speaking Canadians and the man who criticizes the French-Canadians was not familiar with the facts.

Sub-Lieut. H. R. Brown said that 242 recruits from the Province of Ontario had been secured for the navy, 27 of these having been added during the past week. CANADA IS DRUNK WITH PROSPERITY

(Continued From Page 1).

come to Ottawa. To illustrate the volume of business done, Mr. Flavell said that the amount of money which the board would expend was over two and a half times greater than all the expenditure in a normal year by the government on the bill. And the auditors of the British Government before they left last week, assured them that they had found everything from start to finish wholly satisfactory.

"In carrying out this business," the board adopted the simple and direct method of determining there should be absolutely no patronage, no consideration of personal, or family, or social, or party interests," said the speaker. He pointed out the staff in administration of such a department.

"What I attempted to say in Toronto the other day was that in a great rounded warehouse where shells are inspected and passed upon when there is any suspicion concerning them, I had seen shells from Canada which should never have left the shop of the manufacturer if their work had been properly inspected, and I was surprised to see the headline in the paper the next day 'The Shells From Canada are a Failure.'"

Must Ensure Quality. He said that the failure on the part of a manufacturer to deliver shells was a thing so grave that he ought not to be able to sleep at night until he had made every arrangement he knew how.

Every failure on the part of a Canadian workman to work as many hours as he is able to work, every failure on the part of a Canadian manufacturer to plan and layout his work so he will be able to sleep at night until he has delivered that which he has promised to deliver, it is a crime against the state," he said. "God give them for it."

CIVILIZATION HAS FAILED IN PURPOSE

So Declares Rev. W. J. Southam in Sermon at All Saints' Church.

MEMORIAL SERVICE

Held in Honor of Members of Cameron Orange Lodge Who Have Fallen.

Civilization and arbitration have failed instead of Christianity, according to Rev. W. J. Southam, pastor of All Saints' Church, Wilton avenue and Sherbourne street, who delivered a striking sermon before a large congregation last night in a memorial service held for the eight members of Cameron Lodge, No. 618, Loyal Order of Orangemen who have fallen in action.

He declared that Humanity & Co. had always failed and would continue to fail until men accept Jesus Christ as an incentive. Arbitration was denounced, he said, but was not the solution of the problem of war. He stated that Christianity hasn't been tried or honestly applied.

Rev. Mr. Southam characterized Emperor William of Germany as a mad dog and a cancer. He declared it was useless to consider the peace proposals of a mad dog; that it could only be shot and the German cancer cut out in the interests of the German people and of liberty.

Expressing the belief that there will be more wars and rumors of war, Rev. Mr. Southam stated that the second coming of the Prince of Peace will herald the end of armed strife between nations. The pastor closed with an appeal for constant prayers for the soldiers and success of the allied armies.

Impressive ceremonies marked the services. Members of the lodge occupied seats in a reserved section of the church. Those for whom the services were held are: Ptes. R. G. Carter, John S. Hamilton, R. C. Turnbull, George Tracey, John Humphries, George Brownlee, James Green and Lance-Corporal Smythe.

Four Canadian Officers Given Honors at Buckingham Palace. Canadian Associated Press Cable, London, Dec. 11.—Major Duncan McIntyre and Lieuts. William Hoy, Elgin James and John Youngs have been invested with the military cross at Buckingham Palace.

\$50 REWARD

Will be paid to any person giving information that will lead to the conviction of the party or parties who stole a 5 Passenger Touring Car from in front of The World Garage, in St. Enoch's Square, about 5.45, Thursday, Dec. 14th. The car was afterwards wrecked in Queen's Park.

Masons in Their Campaign More Than Attained Objective

It is announced that the campaign to raise \$125,000 for the new Masonic Temple to be erected at Yonge and Davenport road, at a final cost of \$200,000, resulted in \$110,555 being subscribed, a sum nearly \$90,000 in excess of the amount asked for. There was also a conditional subscription of \$1000 and a number of subscriptions to come in during this week. The leading subscribing division under captaincy of William Croft, raised \$27,206. The temple will be erected free of mortgage.

SIR SAM HUGHES IN CITY.

Sir Sam Hughes arrived in Toronto Sunday morning from Ottawa and spent the day at the King Edward where he met a number of his friends. He left town last night.

King George at the Front. ROYAL VISIT to the BRITISH TROOPS. DURING the GREAT ADVANCE. OPENS TODAY AT THE STRAND. STARTING TODAY AND CONTINUING ALL THIS WEEK, THE TORONTO WORLD will present the official motion pictures of His Majesty's tour of the war zone in France undertaken during the past summer at a period in the great advance, introducing the leading personalities of the war on the Western Front, and showing something of the titanic struggle from the viewpoint of the High Command. Says The London Times: "Like the Somme film, the pictures are of historic interest, and are likely to arouse as much, if not more, attention. The King's tour lasted about five days; and the 32 different incidents, of each of which there are several photographs, give a vivid impression to the onlooker of what his Majesty saw and did during his journey. Cinema experts declare that this film is the greatest success that has yet been achieved in the picture world." Says The London Daily Mail: "There are historical incidents that grip the attention, such as the conference attended by the French Premier, Minister of War, General Joffre and General Foch, and a surprise is provided when a little girl insists on coming into the picture to welcome the King. No other cinema film has shown more graphically than this the newly-won ground, ploughed by thousands of shells, and the devastation of the German trenches." Says The Liverpool Courier: "The King's recent visit to his armies in the great advance on the Somme is undoubtedly one of the finest pictures shown in connection with the war. For nearly an hour the audience were transferred into travellers accompanying the King. Particular interest is attached to the pictures of the battlefield around Fricourt and Mametz, taken while under German shell fire, and that of Pozieres under enemy bombardment." Says The London Financial Times: "A private view of a new film dealing with the King's recent visit to the Somme area was given yesterday at the Scala Theatre, and it is undoubtedly one of the finest pictures shown in connection with the war. The photographer has captured every item of interest from the time of the King's arrival in France to his return to England's shores. The pictures should create quite as much enthusiasm as the famous Somme film." Presented Under the Auspices of THE TORONTO WORLD at the STRAND THEATRE. AFTERNOON PRICES 5c, 10c, 15c. EVENING PRICES 10c, 15c, 25c, 35c.

FORESEES ON CAN. Capt. Bruce Statesman. Eloquent appeal. Robert Lennox of the 80th Brigade brought three volumes at Shea's Hippodrome were held in evening, and large Lennox declared for volunteers and would be some for vice. YORK COUNTY AND SUBURBS

MOUNT DENNIS EARLSCOURT
HOPES THOSE AT HOME PRAY FOR FIGHTING MEN
Remembrance Asked in Letter From Capt. G. M. Barrow.

The following letter was received by the Rev. Mr. Summerhayes, rector of the "Church of the Good Shepherd", Anglican, Mt. Dennis, from Captain G. M. Barrow, chaplain in charge, Shorncliffe, Canadian Cavalry Training Brigade, Shorncliffe, Kent, England, Nov. 16.

My dear friends: The Advent season is approaching. At the beginning of the church year just finished, I was if not with you, yet near you. Now it is the beginning of the church year commencing, and I am far away from you. Yet my thoughts are so often on the little church which I built and love with the worshippers in it. Often I think of you on Sundays, thinking of you all as I picture this person or that person in their accustomed seat.

I met a man yesterday when I was taking a service at a large hospital in Folkestone. This man, who both his eyes have had to be removed, yet asked somebody to take him to the service. I watched him singing what he could of the hymns and saying what he remembered of the prayers. His pale face told me he was the brightest of the lot of them. Do you always remember to pray for all those when you go to bed at night? Do you remember to pray for those who stand perhaps knee deep in mud and water in the trenches? Do you remember to pray for those who are afraid to move for fear another bullet may find them? Do you pray for those who minister to these poor souls? Oh! if you could see those wonderful nurses and doctors going about the wards as I see them, a cheery word to downcast, a gentle touch to the suffering, angels on earth are they. Do you pray for the countless thousands who spend their nights sobbing their hearts out for those dear ones whom they will see no more. Oh! when you think of it, it is all so terrible! All of us, even those who never thought about prayer, are relying on the "folks at home" to pray for them. "It is your part of the war," you are helping for the Red Cross; you are working on munitions. Yes! it is true, but do remember "Not by might, nor by power, but by thy spirit, saith the Lord." This is the reason of my tone in this letter, to arouse the careless. Remember the boys of our wonderful navy. Help your present pastor all you can. I hope you may be able to help me again. God bless you all and bind you more closely to him and the little church. It is the earnest prayer of your friend and parish priest, Gore M. Barrow.

HONOR MEN WITH COLORS
The unveiling of the honor roll in memory of the men who have joined the colors since the outbreak of war, connected with the Earlscourt Men's Own Brotherhood, was unavoidably postponed at yesterday's meeting of the organization. Rev. Arthur Wallace, president, read the names numbering ninety-three, during the proceedings and announced that the ceremony would take place at next meeting.

HOLD WEEKLY SHOOT.
The weekly shoot in connection with the British Imperial Rifle Association was held Saturday afternoon at the Earlscourt Rifle Club, 431 Queen's Ave. W. The following were the results: W. J. O'Brien, 63; J. J. O'Brien, 60; H. Webster, 55; J. Webb, 51; W. Halsey, 50; J. Hamby, 47; C. Oldfield, 43; J. O'Brien, 42; W. O'Brien, 39; J. Blackburn, 35; J. Hamby, 31; J. Roberts, 21, and C. Oldfield, 15.

PRESENTS FOR SOLDIERS.
Thirteen soldier members of the I.O.G.T. Star of Earlscourt Lodge at present overseas with various regiments, were glad to be presented with the receipt of parcels sent as New Year's gifts by the boys and girls of the juvenile lodge of which G. West is the energetic superintendent.

FREE SKATING RINK.
The public department has arranged for a skating rink for the children of the Earlscourt district to be placed on the vacant land, the property of the city, adjoining the Assoc. Avenue Fire Hall.

WESTON
PRESENT PRIZES AT WESTON HIGH SCHOOL
The annual commencement entertainment of the Weston High School was held on Friday night before a large audience. J. Gardiner occupied the chair and presented the certificates to the successful upper school candidates. The matriculation certificates were presented by J. M. Pearson and those of the lower school were presented by D. Brewster. Miss McDonald was awarded second place for the scholarship of the County of York, Markham School having the honor of capturing the first and third. The prizes for this are as follows: First, \$100; second, \$80; third, \$40. An excellent entertainment was presented by the pupils.

The suburban railway is making rapid progress in changing the gauge on the Weston road. This however, has been nearly accomplished. There has been a large gang of men handling the work.

The tracks have to be narrowed 1 1/2 inches to make them standard. At the end of this week all the tracks of the suburban will be uniform, as well as a standard size.

REFUSE SERVICE BY ELIGIBLE MEN

New Method is Advocated to Bring Clerks and Employees to Time.

With a very small attendance at Massey Hall last night a "Wake up Canada" meeting was held in aid of the 25th Q. O. R. Battalion. In introducing Claude McDonnell, M. P., Mayor Church, who presided, told of the two brothers of Mr. McDonnell who are at the front. One general and both have won the D. S. O. and C. M. G.

"We have embarked in the war not for the purpose of making a trade, but so win it," was a statement of Mr. McDonnell's that was received with much applause. Since the beginning of the war the troops of Britain at the front have been increased twenty fold, and those of Canada, twelve fold. During the first few months the forces of the allies were much less than those of the enemy, but they were equal. Those who went from Canada understood that they would be backed up.

Speaking of the recruiting plans of the 25th Q. O. R. Battalion, he thought they would be successful and they bore a great resemblance to those of the national service board, which would be operated mainly through the various post-offices. By this plan every male would be inventoried and if fit for military service would be induced to enlist from the older and younger men he would be replaced if in a necessary occupation. Whether there would be

Beautiful New Pianos \$250

This is about our last announcement of the sale of these splendid Boudoir models of the Krydner Piano, suitable especially for apartments. Built to sell for \$300 to \$325, twelve of them are offered by us at the Xmas price of \$250.

There are only a few of the twelve now left, and Monday will doubtless witness the close of this timely offer.

It has made it possible for a dozen families to brighten and cheer what would otherwise have been a quiet Christmas. It will add perpetual joy to these homes. Will yours be one of them?

Surely when you consider it requires an outlay of only

\$10 Cash

and a few dollars a month; you will seize the chance, ere it passes, and secure one of these instruments,

BRAKEMAN FALLS FROM ENGINE AND IS KILLED

Edwin Wilkins Caught Under Locomotive and Meets Almost Instant Death.

Edwin Wilkins, aged 45, of 19 Astor street, employed by the C.P.R. as a brakeman in the West Toronto Yards, was almost instantly killed about 3 o'clock yesterday afternoon, when he slipped off the running board of engine No. 1212, just west of Runnymede road. The engine was traveling at about six miles an hour at the time of the accident. He was caught under the locomotive and terribly mangled. Dr. Clelandman was called and had the body removed to Speers' undertaking parlors. An inquest will be opened tonight there. The late Mr. Wilkins is survived by his wife and four children. He had been employed by the company for about four years.

Improved Equipment to Montreal Via Canadian Pacific.
Electric-lighted compartment and containing one drawing-room and four compartments, is now operated daily in train leaving Toronto 11:30 p.m., arriving Montreal 8:55 a.m. Further particulars from Canadian Pacific ticket agents or W. E. Howard, district passenger agent, Toronto.

Hockey 28th 10 All Stars 3 Baseball Lichtenhein to Sell Royals Wrestling West End Results

WONDERFUL SPEED DISPLAYED BY SOLDIERS' HOCKEY TEAM

All Stars Snowed Under in Opening Pro. Game of Season in Arena.

Saturday night's pro hockey season opener deserved a bigger attendance than was in evidence. Despite the fact that the 28th Battalion moved the All-Stars under to the tune of 10 to 3, it was a real lively contest, with an abundance of thrills.

The All-Stars drew their first blood when Harry Cameron went down alone and scored on a long shot over the defence. In five minutes the soldiers evened up when Duncan and Oatman combined down the side and Duncan notched from the corner.

Called All-Stars. The Blue Stars were called All-Stars, probably because Newy Lalonde, Pitre and Marks journeyed upon from the east to don stardom.

OFFICERS ARE ELECTED FOR ONTARIO FOOTBALL

John De Gruchy is Again President—War-time Season Was Successful.

The O.R.F.U. held their thirty-third annual meeting in the King Edward Hotel on Saturday afternoon, with a small number of representatives in attendance.

Two notable features of the season were the absence of any protest from the serious injuries reported. The secretary also mentioned that the amount being laid for a larger representation next year, several strong groups being expected to operate.

WRESTLERS SHOW FORM IN OPEN TOURNAMENT

Opening Competition of Season in the West End Y.M.C.A. Gymnasium.

The wrestling club of the West End Y.M.C.A. pulled off their first open tournament in the large gymnasium Saturday night. While many of the best wrestlers have answered the call of being and country, the coming in of new men made the tournament a most successful one.

The final in this class proved that E. Grose, the W. E. boy, has improved more than his followers. He was first at first, and he was first in a little over one minute of actual wrestling.

Mr. E. Chapman, a one time champion wrestler and boxer of Canada, is refereeing the entire tournament. During the tournament he held those present that he had never witnessed such clean and yet aggressive wrestling.

DOUBT AS TO CIRCUIT OF INTERNATIONAL

Syracuse Likely to Be Added and Richmond, Newark or Montreal Dropped.

Buffalo, Dec. 17.—It is possible that Bill Dineen, American League umpire, will be part owner and manager of a minor league team next season. Present plans call for several shifts in the make-up of the International League circuit.

There is a considerable doubt as to whether the Virginia city will be added to the International League circuit. The location of the Virginia city is also a question as to whether or not Virginia league ball doesn't satisfy the well as the International League.

LOOKS LIKE MONTREAL GETTING OFF BALL MAP

Montreal, Dec. 16.—The Montreal Baseball Club franchise may be sold soon by President Sam Lichtenhein, and the new owners will operate the franchise in Montreal.

Mr. Lichtenhein stated last night that he had offered the club from no less than three different syndicates, but that satisfactory terms had not yet been reached.

CHANCE TO MANAGE LOS ANGELES

Los Angeles, Dec. 16.—Recent reports that Frank Chance, manager of the Chicago National League Club, would quit baseball unless offered that position again, were disproved today.

JOB FOR JOE TINKER

Chicago, Dec. 16.—Rumors that Joe Tinker would be manager of the Columbus American Association Club next season were that the club stockholders were to take over the Columbus Club and use it as a farm for Chicago players.

REDDY, WITH TEN YARDS WON POTATO HANDICAP

The athletic events at Central Y.M.C.A. drew a fairly good crowd on Saturday night when the 60-yard potato race, fence vault and the milk walk were run off.

The fence vault was won by Chester Mullin, and Kenchie, the scratch man, who cleared the bar at 3' 11" and beat out Bonney, the scratch man, who cleared over 9 feet.

CALL FOR MORE MEN FOR FORESTRY WORK

Construction Workers and Tree-fellers Are Wanted in England.

Great Britain has requested more forestry and more construction battalions, and these Canada will send forward, said Hon. A. E. Kemp, minister of militia, in addressing the civic luncheon party in his honor in the King Edward on Saturday.

Many present thought he was reflecting on his predecessor when he said that he must now "call a closed season for speeches," as men connected with military affairs must be men of action, not of words. He had hesitated to accept the onerous portfolio, but finally had done so from a sense of duty. He was glad there had been no election.

As for peace, he had confidence that whatever steps were taken by the allies would receive the loyal support of Canadians. If they must fight on, they would do their duty as they had in the past.

Premier Hearst said Ontario in no rickety spirit was behind Mr. Kemp. Archbishop MacNeil said that if Canadians ever realized that Canada was in actual danger they would need no description to select the men. Archbishop Coyle said Canada was in danger today, and that if education could not teach them so other steps must be taken.

Col. Denison said the allies should refuse Germany's peace terms without even stating terms, lest the German people should be misled by these terms to fight more desperately.

The gathering was large and representative. Among those at the head table were, besides the speakers, Col. Sir Henry Pellatt, Hon. Dr. Fyfe, Gen. Logie, Col. McEwen and Claude Macdonnell, M.P., Mayor Church presided.

LAIM THE PROFITS.

Disappointed in Getting Job They Ask for Damages.

Claiming \$33,000 as profits which they might have made John H. Parker Canadian Limited, of Toronto, sues the Hamilton Hotel Co., Limited, of Hamilton for damages for alleged breach of contract. The writ was issued at 400-402 Dundas St. W. by Judge McKeen. The allegation is that the plaintiffs, who are contractors, were employed to build the hotel, which was to have cost \$700,000, and that afterwards the contract was let to another company.

MAYOR SMELLS A RAT.

Thinks Plotters Are at Work in St. Thomas and That Public Interest Suffers.

Mayor T. L. Church, president of the Ontario Municipal Electric Association, has expressed his surprise because of the refusal of the St. Thomas city council to allow the people of that place the principle of public ownership of hydro-generating plants as well as the transmission systems. That opposition to the question was entirely legal was the declaration of Mayor Church.

INVITE DUKE TO LAY CORNER STONE

Devonshire Gives Permission for Palatial Hotel to Use His Name.

COST FOUR MILLIONS

Names on Board of Directors Among Most Prominent Citizens.

Toronto's new four million dollar hotel will be called "The Devonshire." W. S. Dinnick of the Anglo-American Hotel Company, which will construct the new hotel, has just received a letter from the Duke of Devonshire, which states that he is pleased to grant permission to use his name. His Excellency will be invited to lay the corner stone some time in the coming year.

The Devonshire will be fourteen stories and will contain 600 guest rooms. Features will be a Peacock alley and a roof garden.

The hotel will occupy the site of the Yonge street - Arcade, the Dominion Building, and the Canadian Building, and have a frontage of 87 feet on Yonge street and 170 feet on Victoria street, and have a thru-depth from street to street of 289 feet. Approximately, the size of the edifice will be that of the Royal Bank and C.P.R. buildings combined. The site is a particularly happy one, in its location at the centre of the financial, shopping and entertainment districts, and also from the standpoint of the architect.

The board of directors of the hotel company might be termed a select committee of Toronto's most representative citizens. The directorate included: Sir Wm. Mackenzie, K.C., G. P. Schofield, E. F. Johnston, K.C., G. P. Schofield, Alfred Rogers, H. C. Cox, Fred D. Corey, president of the Ontario Power Company, Buffalo, N.Y., and John McE. Bowman, Foremost in forwarding the hotel proposal, which is made a public enterprise by the lack of accommodation for visitors and the need of a social centre, is W. S. Dinnick, secretary of the company.

F. A. Dudley, president of the United Hotel Company, controllers of the largest chain of hotels in the continent, and which will operate The Devonshire, is also allied in the management.

John McE. Bowman, a former Toronto man, who has been called the most successful hotel man in the world, is a recent addition to the directorate, and will personally lend a great deal of assistance in the planning, construction and service of The Devonshire. Mr. Bowman is president of the Biltmore, Manhattan and Commodore Hotel Companies of New York. The Commodore is a two thousand roomed hotel, now under construction—the largest hotel ever built.

The full rights of franchise will be granted to 700,000 Ontario women in legislation, which will be passed by the provincial government, was the statement made in official circles Saturday.

The two causes which are responsible for a change in opinion are the fact that in three years the government must submit a referendum on the result of which the new Ontario Temperance Act will stand or be repealed, and the great and important part women have played during the war. All women more than 21 years of age will be enfranchised, it is declared.

KILLED IN NO MAN'S LAND. Lieut. Acton Burrows Died While Placing Barbed Wire in Front of Lines.

Acton Burrows of 120 Bedford Place has received details of the death of his son, Lieut. Bruce Hoamer Acton Burrows of the 12th Field Co., Canadian Engineers, from letters written by two of his brother officers, Major Trotter and Lieut. A. J. Burrows. According to the information received, Lieut. Burrows, on the night of Nov. 25, was in charge of a party which went out to place barbed wire at an important strategic point. The work was successfully completed and it was while the men were on their way in that a chance shot dropped in front of the party, wounding Lieut. Burrows so severely that he lived but a few moments.

A DARING HOLD-UP. Masked Robbers Take Money From a Davenport Road Grocery Store.

Two masked robbers entered the grocery store of C. A. Bond, 1251 Davenport road, about 10 o'clock Friday night, held up the proprietor and a woman customer at the point of revolvers, and made their escape with \$80 in cash and cheques, after firing a few shots at their pursuers. The cash amounted to \$10. The robbery was effected in five minutes, and the police as yet have not found the perpetrators.

PATRIOTIC FUND DISBURSEMENTS. The Toronto and York Patriotic Fund now issues an average monthly allowance in Toronto of \$15.74 per family. It is estimated that only two per cent of the money goes into undeserving hands. Identification cards now being issued to all on the fund to prevent the cashing of cheques and to assist in the cashing of cheques and to hands. It is probable that the fund which has hitherto dropped from the come wage-earners will be resuscitated. Cheques sent out this month amount to \$152,700, and over 27,000 people are now sharing in the distribution.

OFFER IS EXPECTED. Eleven thousand horsepower has been given to the Hydro Electric company, according to Hon. Wallace Neill, chairman of the Canadian Niagara Power Company, but according to the Hydro-Electric Commissioners and Sir Adam Beck, no written offer or agreement to this effect has been submitted to the power company. It is expected momentarily.

Sydney milk dealers decide to raise prices and thus become liable to heavy fine.

Holland is reported to be mobilizing her mercantile fleet to insure larger imports of foodstuffs.

Clement Leith, Charlotte, North Carolina, waves extradition and will stand trial on charge of embezzlement.

Provincial authorities will collect tax in case of Quaker Oats fire at Peterborough on insurance placed with unlicensed companies.

LOCAL. South York Conservatives endorse government's nickel policy and ask W. F. Maclean, M.P., to seriously consider question before publishing further articles of a critical nature.

Thomas Marshall, Trafalgar avenue, found dead in bed on Saturday by landlady.

College of Pharmacy examination results.

This war will be won by the Army that can put the Last Man, the Last Gun, and the Last Shell into the field

The man is helpless without munitions. That is why women and men serving in munitions plants are "doing their bit" second only to the soldiers in the trenches.

The Munitions you make may save the life of some one near and dear to you.

MARK H. IRISH, Director of Munitions Labor, National Service Board, Canada.

ANOTHER SUMMERSIDE FIRE.

Charlottetown, P. E. I., Dec. 17.—Another fire occurred in Summerside last night when \$12,000 damage was done. George Godkin, Jewellery, and Percy Enman, druggist, were the principal losers. Three men were arrested today charged with incendiarism.

FLOUR UP AGAIN.

Winnipeg, Dec. 16.—Flour advanced 50 cents a barrel this morning, making the price of first patent \$4.50 per sack.

TWO MORE VESSELS SUNK.

London, Dec. 17.—Lloyd's announces

the sinking of the Danish steamer Michael Ontchoukoff, of 2118 tons, and the British schooner Constance Mary, 176 tons register.

HELP BLIND SOLDIERS.

The proceeds of a very successful bridge, held at the home of Mrs. W. J. McWhinney, will go to assist the blind soldiers in Canada.

COBALT SHIPMENTS.

Cobalt ore statement for week ending December 15, 1916: Aladdin Cobalt Mine 44,600; La Rose Mine 87,290; Mining Corporation of Canada 87,000; Buffalo Mine 64,984; McKinley-Darr, S. M. 56,718; Dominion Red'n Co. 154,000. From Halibury: Pittsburg Lorraine Co. 62,642.

LETTERS TO SANTA CLAUS

Toronto, Nov. 4, 1916. Dear Santa: I have now sat down to write you a line to tell you what we twin sisters would like for Xmas.

Dear Santa: I am writing to tell you that I have a letter you wrote to me since last year and I'll always keep it to make me think of you.

Dear Santa: As it is nearing the time when we expect you to visit us I thought you would enjoy a letter from one of your little friends.

Toronto, Dec. 4, 1916. Dear Santa: I was down to Eaton's Saturday, and seen that you were busy with us children.

Dear Santa: I am glad you are coming to see the little girl and boys. I hope you bring them toys.

Christmas. I wish you a merry Christmas. From Winnie Elliott, 281 Earls Court Ave., Toronto.

Dear Santa: I wish you would bring me a pair of boots and a pair of rubbers. A pair of heavy stockings, some candles and nuts.

Dear Santa: I am 10 years old and go to school every day. I have been counting the days until Christmas and I find it will not be very long.

Dear Santa: I am a little girl nine years old and would like a nice pair of skates, and hope you come to my father, mother and sisters three dear.

I hope you are well. I like the things you brought me last year. I would like a book about Black Beauty.

I would like very much if you would remember me this year, so I will have to tell you what I want.

Lillian Miller, 73 Bellevue Place, Toronto, Dec. 6th, 1916. My Dear Santa: I am glad to write to you as you are always so kind and brings us nearly every thing we ask for.

for get The Poor orphans, will write to you next year. love from Lillian. Dec. 5, 1916

Dear Santa: You don't know how glad I am Christmas is so near, because the Baby doll you brought me last year fell and broke her head all to pieces.

I would like for Christmas—doll, dishes, doll house, doll carriage, writing desk. I think he should bring toys too poor first. I think he is a real man.

I am 9 years old. I would like a doll, skates, and a book. I would also like some handkerchiefs.

I am just 10 years old and this is the first time I have written to you and I wish you would please send me a bicycle.

Dear Santa: I am just 10 years old and this is the first time I have written to you and I wish you would please send me a bicycle.

Dear Santa: I am just 10 years old and this is the first time I have written to you and I wish you would please send me a bicycle.

LEWIS MACHINE GUN CONDEMNED BY BAKER

Weapon Has Been Bought Extensively for British and Canadian Forces.

U. S. War Department is Responsible for Act of Condemnation.

Washington, Dec. 17.—Official condemnation of the Lewis machine gun, extensively purchased for the British and Canadian armies, is expressed in a formal statement issued tonight by Secretary of War Baker.

BRANTFORD COAL DEALERS CLAIM NO COMBINE EXISTS IN THAT CITY

Brantford, Dec. 17.—The civic committee on the high cost of living, has conferred with representatives of coal firms here, the result being that they were informed there was no combine here, tho the dealers or some of them did verbally agree on prices to be charged for coal.

DURHAM MEN WOULD BAN ADVERTISEMENTS

Papers Catering to Liquor Men Should Be Boycotted, Say Prohibitionists.

Taunton, Ont., Dec. 17.—The district division of the Sons of Temperance, in the County of Durham, at a recent meeting, passed the following resolution: "Realizing that liquor dealers are lost to all decency and proof against appeal to high motive, even at this crisis in the time of our country, but are set in their intention to further debauch the people and fill their tills with ill-gotten gains, we appeal to newspapers in Ontario to refuse honor advertisements, and we urge every citizen to refuse to subscribe to or circulate periodicals publishing liquor ads. Further, we ask the legislators to make it unlawful to publish such matter."

WOODSTOCK PIONEER DIES.

Woodstock, Dec. 17.—George Riddell died Saturday morning at the advanced age of 92 years. He was a native of England, and coming to Canada settled in Oxford County over 50 years ago and was known as an excellent sheep raiser. He is survived by five sons and four daughters.

PEACE OR WAR

Progress and prosperity are the watchwords in the Porcupine camp, and will continue so, whether or not peace is declared. DAVIDSON, at 68 cents, is the most attractive issue in the list.

F. C. SUTHERLAND & CO.

Members Standard Stock Exchange. 10-12 KING STREET EAST, TORONTO, ONT.

NOTICE TO THOMPSON-KRIST Shareholders

We have prepared a map with photos of all the producing mines adjoining this property. Blue prints and maps showing the development work from time to time, will be forwarded to shareholders on request.

SILVER

THE RECENT ADVANCE IN THE PRICE OF BAR SILVER HAS ADDED THOUSANDS OF DOLLARS TO THE VALUE BEHIND THE VARIOUS COBALT SECURITIES.

BANK OF MONTREAL

NOTICE is hereby given that a DIVIDEND OF TWO AND ONE-HALF PER CENT. upon the paid up Capital Stock of this Institution, has been declared for the current quarter.

SURVIVAL OF THE FITTEST

The reaction in the Porcupine and Cobalt market has been of inestimable benefit, and as a result of this, the actual strength behind these precious metal securities has been increased double fold.

DOUBLE MINE VALUES WILL COUNT

The issues of merit are bound to "come back" because these have demonstrated mine values in excess of current quotations, as well as company earnings increasing rapidly to absolutely unheard of levels.
