TWELVE PAGES—ONE CENT

Queens Spent The Morn In Dreamland

Say Woman of 76 Tried to Kill Husband

Put Poison in Soup, is Alleged Act of Mrs. Campbell, in Manitoba.

Portage La Prairie, Man., Feb. 9.—Charged with attempting to murder her husband by putting strychnine in his soup, Mrs. Marion Campbell, aged seventy-six, was remanded yesterday until Feb. 14.

According to the police, the aged couple, who reside at St. Ambrose, had not been getting along well, and on January 29, Mrs. Campbell partook of some soup, which caused partial paralysis, from which she is now suffering in Portage General Hospital.

RUSSIA TO TRY TO RETURN ITS FLAG TO SEAS

Ambitious Programme Planned by Soviet Government to Develop Own Carriers for Trade.

New York, Feb. 9.—The present year will see the return of the Russian flag, under the auspices of the Soviet Government, to the trade routes of the world, it plans to build up the Bolshevik navy and now considered ready for operation prove successful.

The Soviet Government, it is reported from England, is becoming an important ship owner. Its chief instrument in its shipping ventures at the present time is the Arosco Company, which has its headquarters at the Government House, Moorgate, London.

This is described as a British company, but its staff is half Russian and half English, and its activities in the operation and management of the Soviet shipping company, known as the Government House Steamship Company, or, as it is called in Russia, the Torfort.

This latter enterprise has its headquarters in Petrograd. It owns a fleet of twenty modern steamers, with a deadweight tonnage capacity of 60,000 tons, and is at present carrying on a regular cargo service from the Baltic to England and other points in Europe.

Another sign of the Russian determination to build up a shipping industry is the arrangement it has reached with the White Star Line and other British shipping companies for regular services, which, while not yet finally concluded, is expected soon to receive the stamp of finality.

The Canadian Pacific line has also opened an office in Moscow, under the management of Mr. D. M. Stokviski, and are expected eventually to take a prominent part in Russia's drive to recover goods on the sea.

Other activities of the Arosco Company in London at present include the handling of the reconstruction of the Volunteer Fleet, known as the Dobrovol, which is mainly engaged in the Baltic trade.

During the open season at Petrograd a number of important shipments took place, and during this period, from May to November, Arosco vessels carried an average of 100,000 tons of coal and general cargo a month from British ports to Russia, returning loads with cargoes of timber, hides and furs.

A special effort is being made to develop the oil tanker trade in the Black Sea. Sailings are being arranged between Batoum and European ports, and a headquarters for the shipping industry has been established at Odessa. A yearly expedition to the Kara Sea, similar to that sent out last year, when five vessels of 3,000 tons each together with an ice-breaker, took out a general cargo, and returned laden with hides, asbestos, graphite, wax and furs, is planned by the Arosco Company.

Old King Carnival At The City Gates; Bid Him Welcome

ST. JOHN'S BIG WEEK OF PLAY AND SPORT TO BEGIN TOMORROW

Official Opening at Ice Arch at 2.30 Saturday by Governor Pugsley—Then For Merry Days With Great Skating Meet Outstanding Feature.

King Carnival comes tomorrow. It is the great playtime of the Loyalist city. After weeks of preparation and work on the part of those entrusted with the details, St. John is ready to embark on a week of merry-making. The gala week is at hand and the people are waiting in eager anticipation for the events which will make history.

From all across our fair land and from the land of our cousins to the south will come skaters to battle for the highest honors in the amateur skating world. Big things are at stake and the people are poised in breathless expectation of seeing records smashed even as glass. International titles are under the hammer and the highest bidder will win purely on his merits.

The city will be deluged by an influx of followers of clean sport and will take on a holiday aspect in keeping with the spirit of the event. It is taking it on already, in fact. See the ice arch well under way at the head of King street; see store decorations already begun.

NO IDLE MOMENTS. Of attractions there will be plenty and there need be no idle minute in waking hours for the committee in charge of arrangements has seen to it that there is something to suit every taste and every purse. From now on every train coming to the city will bear crowds of pleasure seekers hastening to the Mecca of outdoor sports. A great deal of time and effort has been expended to make the meet a success and the "Tired Business Man" will leave his desk and allow his stenographer to leave her typewriter; if the large employer of labor will send his men scurrying to the lake, if the butcher and baker and candlestick maker will carefully lay away the instruments of their calling and seek the great outdoors and all that it offers them, then the burning of the midnight oil and the long days of unending despatch in vain will not have been in vain.

The one aim and object is to give St. John a chance to inherit for all time the reputation acquired last year as the winter sport city of the North American continent. Only by co-operation on the part of each and every citizen can this be made possible.

It takes an affair such as this to show what latent possibilities there are in the city. Just so soon as the announcement was made that St. John would be the scene of the international skating meet the spirit which makes for success began to manifest itself, and when the added event, the making of a whole week of carnival, was suggested, the people rallied round with enthusiasm.

The merchants of the city are observing Carnival Week in their stores and the visitors from other parts of the province and outside will be enabled to combine business and pleasure in such a way as to make either one of them worth while the visit. St. John merchants are going to consider it an honor to aid the Carnival Committee and they merit all the support and patronage in their Buyers' Carnival.

Next week will be replete with thrills. The official opening of the Carnival will take place tomorrow afternoon at 2.30 and once having got the formalities out of the way the city can give itself up with abandon to the pursuit of pleasure through the witnessing of sport that they will find worthy the name. Sport in its many winter time aspects, will be carried on culminating on Wednesday, Thursday and Friday in the battles royal on Lily Lake. Speed Kings and aspirants for the crown will wage battle on the glazy surface and seniors, juniors and youngsters will be there in force.

We're away! The first gun will be fired tomorrow at 2.30 under the ice arch at the head of King street. Then, the sky's the limit. Everybody get behind and push and we won't need a gun to keep our skidding on the upgrades. Let's go! 'Rah for the Carnival!

As Hiram Sees It

Many Dead In Mine Explosion In British Columbia

Twenty-eight Bodies Had Been Taken Out This Morning

Feared Others will be Added to List—Rescue Parties Work All Night Trying to Reach Entombed Men.

(Special to The Times) Campbellton, B.C., Feb. 9.—While walking from here to Athol a few nights ago, James Rutherford, caretaker of the W. H. Miller Co. fox ranch there, was caught in a bilizard and had both hands severely frozen. Mr. Rutherford removed his mitts while attempting to unlock the door of the building at the fox farm, and after falling he found that his hands were numb and that he could not get the mittens on again. He took a short cut across the field to a nearby house, but the snow was deep and it was some time before he arrived, and both his hands were badly frozen. It was found necessary to take him to the Soldiers Memorial Hospital on Sunday morning. It is still feared it may be necessary to amputate both of the injured hands.

While at work in a saw mill at Delta, hosiery Junction, Peter Irving of Eel River, a millwright, had a narrow escape from a horrible death on Monday morning. He was accidentally caught in a revolving shaft, and was buried around twice before the machinery could be stopped. It is feared his injuries may prove fatal.

(Special to The Times) Campbellton, B.C., Feb. 9.—Twenty-eight bodies have been recovered, and it is feared that other men entombed in the second level of Mine No. 8, as a result of an explosion of fire damp, will not be taken out alive.

The mine is owned by the Canadian Collieries Co., and is two miles from Cumberland. The explosion took place at 8 o'clock last night, a short time after the night shift went to work. At five o'clock this morning the task of digging through the immense accumulation of fallen debris disclosed by the force of the explosion was being pressed vigorously. The work was rendered perilous by deadly gas and the lack of air.

The following bodies had been brought to the surface early today: Mitchell, Martin Ely, Peter Common, Jack Webber, Robert Smith, Peter Menzies, A. Bonner, Jim Gibbs, Thomas Williams, J. Freeling, Vincent Cavallery, "Sooty" Turner, Adam C. Harrison, Andy Robertson, Norman Harby, two unidentified white men, and eight unidentified Orientals.

Grave doubt was expressed today that the men still in the mine could get out alive, because the air seemed to be completely cut off. So far mine officials have made no announcement as to the number of men caught by the explosion.

Tales of heroism and heart-rending stories there are by the score. One lad, Matthew Mitchell, brother of Billy Mitchell, who was killed, says that while he was working near the scene of the explosion and had just left it when the explosion occurred he was able to get to the surface. His first words were: "Well, Billy is down there and he's all right."

As ventilation was restored by construction of temporary stoppings on cross-cuts, the rescuers proceeded to the mine. They encountered numerous falls and considerable debris. At midnight the rescuers had gone approximately a mile underground but they had not reached the actual working places of the miners.

One hundred and forty-one miners entered the mine yesterday, but nine of them had checked out before the explosion, so that 132 men were in the mine when the accident occurred. A Chinese lies in the hospital who came through the gas and lived. Stunned by the explosion, he said, he began to run for the tunnel mouth, two miles distant, passing a number of white men tottering their last few steps. He spoke to Bob Brown and tried to help him, but Brown fell to the ground saying: "I am very tired." Staggering on the Chinese passed other groups of huddled men and stumbled finally to safety.

The disaster is the second one to occur in this mine within six months. An explosion there on August 4, 1922, lost 13 lives. Dawson, N. H., Feb. 9.—Two miners of the 122 entombed came out alive today, unassisted. The men were Charles Candale and Phil H. Martine.

DEASY IS FOR PEACE; LYNCH FROWNS ON IT

Mulachy Offers Amnesty Up to Feb. 18 in Hope of Irish Happiness.

Dublin, Feb. 9.—Hopes for a reconciliation between the Irish Free State government and at least an important part of the republican element, were brighter today in consequence of the developments that led Richard Mulachy, minister of defence, to offer amnesty to all in arms against the government, if they were to lay down their arms on or before Feb. 18.

The minister's proclamation was the result of a whole week of carnival, was suggested, the people rallied round with enthusiasm.

The merchants of the city are observing Carnival Week in their stores and the visitors from other parts of the province and outside will be enabled to combine business and pleasure in such a way as to make either one of them worth while the visit.

Next week will be replete with thrills. The official opening of the Carnival will take place tomorrow afternoon at 2.30 and once having got the formalities out of the way the city can give itself up with abandon to the pursuit of pleasure through the witnessing of sport that they will find worthy the name.

Sport in its many winter time aspects, will be carried on culminating on Wednesday, Thursday and Friday in the battles royal on Lily Lake. Speed Kings and aspirants for the crown will wage battle on the glazy surface and seniors, juniors and youngsters will be there in force.

We're away! The first gun will be fired tomorrow at 2.30 under the ice arch at the head of King street. Then, the sky's the limit. Everybody get behind and push and we won't need a gun to keep our skidding on the upgrades. Let's go! 'Rah for the Carnival!

HON. A. LACOMBE, PRISONERS HAD WINE ROOM KEYS

Charge of Inefficiency Made Against Sheriff—Leniency to Jail Inmates.

Waterloo, N. Y., Feb. 9.—Inefficiency and misconduct on the part of Sheriff Burr E. Smalley of Seneca County, in the operation of a "jail de luxe" charged by former Under Sheriff Charles A. Long in a complaint mailed to Governor E. Smith and the State Prison Commission, requesting the removal of the sheriff. Sheriff Smalley is charged with misconduct and violations of the law and his trust under ten counts.

The complaint charges that he allowed Harry Bakenbaster to live in the sheriff's personal quarters and to have his wife with him on a visit; that Bakenbaster was allowed to drive his car at will, attend shows and a circus in Geneva and to hire out on farms about the county.

That Walter Allison also was allowed to roam about the village, attend shows at restaurants and hire out at the Brush Soap Works, the report states. John Love, held for burglary and grand larceny, was allowed similar privileges. Long says, and on one occasion was twenty-eight miles from the jail.

The complaint alleges that prisoners carried keys to the liquor store, drank beverages held for the courts, and were drunk on county premises. Allison and Bakenbaster were used as special police during the Lafayette celebration on June 28. William Durham was allowed to hire out as a painter and has escaped from custody, the complaint sets forth.

On Way to Newfoundland. Halifax, N. S., Feb. 9.—Sir Richard Squires, premier of Newfoundland, is expected to arrive in Halifax tonight and sail for St. Johns on the Sackpen on Saturday.

The Evening Times and Star

ST. JOHN, N. B., FEBRUARY 9, 1923.

The St. John Evening Times is printed at 27 and 29 Canterbury street, every evening (Sunday excepted) by The St. John Times Printing and Publishing Co., Ltd., a company incorporated under the Joint Stock Companies Act.

NEXT WEEK IN ST. JOHN.

St. John will be a centre of universal interest next week because of the international skating championships at Lily Lake. The fastest amateur skaters on the continent will be here. Canada and the United States will compete for the honors. There will be many American as well as Canadian skaters, for the series of skating events already held at different places has given assurance that remarkable exhibitions of speed on the blades will be given at the international meet. It is a new thing to have secured this meet at St. John, and the most should be made of the opportunity to show the city to the best advantage as a winter sport centre. The visitors who were last winter received so good an impression that it was not at all difficult to get this city's meet. Not only have we senior skaters who have made splendid records, but we have younger talent of championship quality to compete with the best of the continent can produce. We have done wonderfully things in the last two years in regard to ice sports, and that is but the beginning. The citizens would all feel a personal interest in the skaters, and in the success of next week's events in this city. Much depends upon the weather, but that must always and everywhere be reckoned with. The carnival spirit must be abroad, and it is never cruised by the weather. The coming of certain of the carnival queens from Montreal will add to the interest of the events which are sufficiently varied to make next week unique in local experience. Whatever any citizen may be asked to do would if at all possible be done with hearty good-will, in the name and for the honor of St. John.

UNHONORED HEROES.

The dispatches yesterday told of a doctor in Michigan who crossed the wide stretch of ice at great personal risk to reach a patient in sore need of help. On arrival he found that an airplane had already brought another physician, and his services were not needed. That does not detract from the heroic devotion of this man to the status of his profession. The incident serves to remind us of what the country practitioner has to endure in portions of this province during such a winter as the present, when in remote areas like the Michigan doctor who has no snowshoes to reach some homes. We are reminded also of the suffering which many before it is possible to get medical assistance from many miles away, over roads at times well nigh impassable. There is the greater need of an extension of the public nursing service, so that the medical man, when his illnesses are prevalent and the averting very difficult is continually aware of those in need. Not until the public health service reaches out to every locality will it have accomplished its aim and done that which ought to be done in the interests of all the people. In the meantime, all honor to those like the Michigan doctor who are not deterred by hardship and even danger when the call to service comes.

The two amendments to the reply to the speech from the Throne at Ottawa were disposed of early this morning. Both were rejected by a large majority. They served the purpose of giving some critics of the Government the opportunity to address the House and the Government, but they also gave the Government opportunity to reply. The Prime Minister certainly has no reason to complain of the result of the first two divisions. On one of the amendments the Conservatives opposed the Government, and on the other they supported it; while the Progressives split its vote on both. Mr. Baxter embraced the opportunity to get in line as one of the destructive critics behind Mr. Meighen, to whom everything that is not Tory must necessarily be wrong.

The Turk doubtless realizes that war with the Allies would weaken his hold on what he retains of European soil. He may threaten, but to attack the Allied fleets is another story. Only a reckless and fanatical spirit would counsel such a course, and the end would not be satisfactory to Turkish ambition.

It is announced that the Conservatives will not contest the seat in the Commons vacated by the death of Hon. W. C. Kennedy. Hon. Mr. Baxter, judging from his speech yesterday on the Tory revival in the country, will be peeved.

Referring to Premier Veniot's order to have prohibition enforced, the Montreal Transcript says:—"The principle of prohibition is now accepted; the only question is that of finding out the best method of putting the principle into practice. The Government derived some money from the operation of the prohibition act last year, but it can not look for a permanent item of revenue from that source. As the bootlegging business is throttled, the Government can lighten the restrictions on the legal sale of liquor, and the growth of the temperance sentiment will do the rest."

The Free State Government of Ireland is trying the effect of a ten days amnesty upon the Republicans. It should have good results among the moderates, although De Valera and his personal following will probably go on plotting and committing crimes against the State.

With 190 entries for the great skating races next week Lily Lake will set the pace for the continent. Not only will the kings of speed be there but a great number of coming fast ones, with St. John splendidly represented.

The erection of the hydro sub-station will now be proceeded with and the citizens will hope to see it in readiness for service in May for at least a portion of the territory to be served as fast as a distribution system can be provided.

Australia is forced by the development of the group system to resort to a coalition government, representing three parties. This will be an interesting experiment.

St. John people are highly gratified with the reports that come from Montreal of the fine impression made there by Miss St. John.

The United States has a record surplus of potatoes. Mr. Brewster growers would be well advised to grow more of mixed farming and not depend upon one crop.

GOVERNMENT IS SUSTAINED

Both Amendments in Ottawa House Defeated.

Majority is 88 in One Case and 86 in the Other—Hon. J. B. M. Baxter Says West Panned at Expense of the East.

Ottawa, Feb. 9.—(Canadian Press)—After a week's debate and the defeat of two amendments, the House early this morning adopted the 155th reply to the speech from the throne. First came the vote on the sub-amendment submitted by Captain J. I. Shaw of West Calgary. This was defeated 114 to 76.

Conservatives present all voted for the sub-amendment. All Liberals noted against it. Progressives split. Fourteen of them voted with the Government, namely, Messrs. Macdonald, McKeown, (Tombkins), Sales, Black, (Huron), Milne, Pritchard, Sexsmith, Elliott, (Dundas); Carmichael, Millar, Kellner, McElride and Humphrey.

Mr. Forke, Progressive leader and member of the Government, voted for the sub-amendment. One Labor member, Win. Irvine of East Calgary, voted for the sub-amendment, the other J. S. Woodworth of Winnipeg Centre, voted with the Government against it.

The Hoey (Progressive) amendment was defeated 140 to 54. Liberals with the exception of A. R. McEwen, voted against the amendment, Mr. McMaster voting in favor. Two British Columbia Progressives, Messrs. McElride and Humphrey, voted with the Government. The remainder voted for the amendment.

Both Labor men voted for the amendment. Messrs. Hammell and Binette, who left the Progressives to join the Liberals during the recess, voted with the Government in both divisions.

Following the votes on the amendment, the motion for adoption of the address was declared without further division.

In the debate, J. J. Hughes, Liberal, expressed his approval of compulsory arbitration of labor disputes. High freight rates were, he said, working grave injury to P. E. I.

Hon. J. B. M. Baxter, Conservative, at Ottawa, charged the Government with discriminating in favor of the west in the matter of freight rates. He expressed disapproval of the action of the C. N. R. directors, in fixing the western terminus of the eastern division of the system at River Du Loup harbor commissioners. He declared that the export trade should be carried by the

WHAT'S WHAT

By Helen Doole

In "Rabbit," the realistic successor to "The Social Game," the author has read the too-familiar story with all that is new, however, and made it a new story. How many readers have seen the character of the "Rabbit" in the eyes like this?

No well-bred woman ever makes a scene in public, whatever the temporary cause. The "Rabbit" is only too eager to "start a scene" and her husband is a crowd of strangers can hear her loudly proclaiming her "Rabbit" as a "Rabbit" in the eyes like this?

THE WOULD-BE POET'S LAMENT
I'd like to write with feu d'esprit,
A bon mot or plain poetry,
But when at last I've caught a rhyme,
My meter—turn—turn—won't keep time.

Alas! I lack the fire divine—
I should have said, "I'm a poet,"
And Pegasus, I find today,
Is—turn—turn—an hiatus.

I pray ye editor's decree
Will be "The Jingle pleases me,"
Accompanied by check or bill,
So that my—turn—turn—I can fill.

—Hattie S. Heymann.

LIGHTER VEIN.

Headlines.

Josephine (reading aloud conclusion of long letter)—"Then, I will come home and marry the sweetest little girl on earth."

Juliet—"What a dirty trick! After being engaged to you!"

Dubious Blessing.

Young Housewife—Aren't you the same man I gave a piece pie to yesterday?

Hollo Stone (humbly)—No'm, I ain't him. I'm his executioner.

That his last words was that he forgives you.

Breathless.

Sly Sutor—I—er—really couldn't live without you, Nancy. You are the—breath of my life.

Nancy—Oh, Reggie! Have you ever tried holding your breath?

The New Idea.

Uncle Joe—So tomorrow you bring home your bride?

Sammy—Naw, under that old-fashioned, Shaker, taking with home to her folks for a while.

MORNING NEWS OVER THE WIRES

The tender of the Arnold Variety Store, St. John, was accepted for stock to the value of about \$4,000, formerly owned by Philip Ein, of Woodstock, who assigned to Sheriff Foster. The tender was slightly below fifty cents on the dollar.

The mail steamer Kyle running between St. John's, Nfld. and Louisbourg, N. S. arrived at port aux Basques yesterday, putting in for shelter. During a terrific battle with wind and waves her second officer, Mr. Carter was washed overboard and drowned.

The Maritime Express, which left Halifax on the track last night at Evans' near Sackville. A wrecking crew sent from Moncton and it was expected that the line would be cleared by midnight.

During a fire yesterday in the St. James Catholic Parochial School in Baltimore in which the upper portion of the building was destroyed. The principal of the school said he thought the fire was of incendiary origin. The loss was estimated at \$20,000.

EGYPT'S CABINET QUILTS OVER SUDAN CONFLICT

Cairo, Feb. 9.—The Egyptian ministry tenders its resignation, but King Fouad declined to accept it. The crisis arose through differences with Great Britain over the Sudan.

The new constitution prepared by the Egyptian government over the Sudan, but the British government opposed this claim as inconsistent with the agreement according to which Egypt and the Sudan were to be united under the Egyptian Government a virtual ultimatum, expiring at seven o'clock last Saturday evening, to eliminate the objectionable clause.

The Egyptian ministers yielded, agreeing to a compromise and reserving the question of the sovereignty of the Sudan for future negotiations.

Government system to Maritime Province ports.

Sir Henry I. Drayton, Conservative, West York, said that economy was the necessary for Canada at the present moment. Accordingly he proposed to vote for the amendment to the address moved by J. T. Shaw of Calgary. He would not, however, vote for the main amendment, that of E. A. Hoey, of Springfield.

A. R. McMaster, Liberal, Brome, said that he would not vote for the Shaw amendment since he felt it as superfuous, he must vote for the Hoey amendment in favor of tariff legislation however. He believed that it was better to amend the Government's legislative programme early in the session rather than after the budget had been passed and the Government's plans had been fully worked out.

Today in the House of Commons, Government business is the order of the day, and several Government notices of motion will be taken up. These include a resolution regarding France's gift to Canada of a tract of land at Viray Ridge, resolutions regarding condoning livestock, fruit containers and sale of seeds, and a loan to Vancouver harbor commissioners.

In the Senate, the resolution regarding the export trade should be carried by the

5 Princesses, Princes, In N. Y., And Society Can't Turn A Wheel!

- 1. Princess Xenia
2. Prince Christopher
3. Princess Anastasia
4. Princess Alicia
5. Prince Andrew

New York, Feb. 8.—Society's "Royal" is in the discard—that is, so far as the social game is concerned. The unbecoming hand that many a fifth avenue matron planned to play this season has been laid down, so to speak, and death has taken the trick. The sudden demise of ex-King Constantine of Greece, brother of Prince Andrew and Prince Christopher, the two female members of the royal party in America, has forced the social game to their honor.

Perhaps the most elaborate was that planned by Mrs. William Randolph Hearst, famed as a brilliant and lavish hostess. One of her characteristic, and gorgeous and expensive affairs had to be called off at the last moment after thousands of dollars had been spent.

Now that their stay in New York is concluded, however, and the Greek party about to depart for Palm Beach, where the same strict seclusion will be kept, many ambitious hostesses will sigh with relief, for it has been tantamount to have three perfectly good princesses and two princes in town, and society unable to turn a wheel.

Retributive justice! Perhaps, for those of New York's elite who snubbed the Cleveland triple king, for now that she has become the Princess Anastasia and they would do her honor, the price is snatched from their hands.

There is no question that a skater can't see that he is in perfect condition when he is nursing an injury. Charlie's showing in late meets proves conclusively that he is having the best season of his career and is steadily improving. Comparing the records of last year with this we find that, excepting Jewtraw, Charlie is out in front of those who were beating him last year and but for the sensational performance of Kasky it is reasonable to suppose that he would be leading the field.

The International event to be held in this city is the pinnacle of skating events for this year and the skaters will strive as they have never before at the other meets to place in the different events. Then there are skaters such as Donovan, Corcoran and Reed who are liable to go out and win a race at any time and thus upset at the last minute calculations of any other skater.

There are those who may fancy Kasky, but the wonderful performances of Jewtraw cannot be overlooked. He has equalled the world's record for the three-quarter mile. With the exception of his defeat at the hands of Joe Moore, he has not been defeated in any starts this season. Joe Moore is proving that he is as good as ever, he also equalled the 220 yard world's record and broke the record for the three-quarter mile made by Jewtraw earlier in the season.

Charlie Gorman has skated in practically every meet and has proven his consistency. Both Steinmetz and McWhirter from the past records of each should be better and show the effects of the training they have received since leaving home. Donovan is always a pretty good bet to place, especially in the longer distances, so looks from here as though the points will be pretty well divided and that the skater who shows the most consistency in winning has a good chance to win the meet notwithstanding that he may not place first very often. Frank Garnett has shown a tendency to improve all season and no doubt will be among the point winners.

The entry of Hilton Belyea into the field this year is another feature looked upon with interest. Hilton has entered only the longer distances and when he is in a race it can be depended upon that there will be no losing. It would not be very surprising to see the three-

quarter mile mark shattered again as well as the three mile record. Championships are won and lost by inches and broke in the luck may win or lose for anyone. Steinmetz, Jewtraw, Gorman, Kasky, Moore, Donovan—there is something to think about in selecting an international champion.

Mr. Corr has been in close touch with the big skating events in several years, has officiated at meets in Montreal, and

is called off at the last moment after thousands of dollars had been spent.

Retributive justice! Perhaps, for those of New York's elite who snubbed the Cleveland triple king, for now that she has become the Princess Anastasia and they would do her honor, the price is snatched from their hands.

Keep Tabs on the Weather Man
How to dress for the day can be readily determined by a glance at a Thermometer placed just outside the door. The correct solution of your heating problem and proper attention to the health of your family as regards temperature in the home can be decided each day by means of an indoor Thermometer. Every home should have at least two.

McROBBIE Foot St. John 50 King Street

MRS MARY PETERSON Bangor Commercial.—The death of Mrs. Mary Peterson, widow of the late Peter H. Peterson of this city, occurred Sunday at her home, 68 Pier street, at the age of 79 years. Mrs. Peterson had lived in Bangor for the past 60 years and was a devoted member of the Hammond street Congregational church. She is survived by three sons, Charles H., Frank and Albert E. Peterson, all of Bangor; two brothers, William Stewart of Chatham, N. B., and Charles Stewart of Logville, N. S., and a sister, Mrs. James McMillan of St. John, N. B.

Announcing "Society Brand" Suits FOR SPRING. Fresh, New Models have just arrived and are very desirable in every way. When we say they are "Society Brand" Suits you'll recognize that they are of freshest styles, choicest materials—and that the tailoring is especially fine. Donegal Tweeds, herringbone stripes, light overblends, and checks are all represented among the new arrivals. The new patterns and colorings are attractive features. You'll want to have some of them to brighten up your wardrobe. There are two, three and four button models, and a nice variety from which to make selection. Styles for men and young men \$31 to \$52. Your inspection is invited. (Men's Shop—2nd floor.)

REDUCTION Sale 25% OFF EVERYTHING NOW. D'Alaird's. The annual meeting of the Fundy Chapter, L.O.E., HELD ANNUAL MEETING. The annual meeting of the Fundy Chapter, L. O. D. E. was held last evening in the G. W. V. A. rooms with Miss Alice Fairweather presiding. Miss Ethel Mellick in her report secretary, showed that the chapter had a balance of \$263.91. Miss Fairweather gave a short address as retiring regent. Miss Harriet Smith reported as educational secretary. Miss Margaret Bolton, Echo secretary, read her report. It was decided to contribute to the U. N. B. scholarship for a returned soldier. A resolution of regret at the death of a former member, Miss Frisby, was passed. The report of Miss Frances Alward, the secretary, told of contributions and help extended to the civic war memorial fund, the River Glade hospital, the Lancaster D. S. C. R. hospital, the St. John County Hospital, the Red Cross recreation hut, the Patriotic Association and the G. W. V. A. It also mentioned the holding of two rummage sales and a tea and sale.

Unfailing protection against winter chills

Thermogene provides you with the simplest, most effective way of relieving winter ailments. You simply take this soft, fleshy, medicated wadding from the familiar orange-coloured box, and apply it to the skin over the affected part.

Thermogene acts promptly upon the circulation, dispersing the congestion which is responsible for your pain, and finally giving complete relief.

Thermogene may be worn day and night without the least inconvenience. It gives you a delightful sense of warmth and comfort, and of protection against chill and dampness.

When you need Thermogene, you need it urgently, so never be without it.

done to the supply of good things to eat. An entertainment of stunts by some of the lads was enjoyed by the other members and by the visitors present from the South End Club. Those in charge were W. K. Haley, president of the Playgrounds Association; Miss E. Heffer and Walter Evans.

A Quick Relief for Headache
A headache is frequently caused by badly digested food; the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc. 15 to 30 drops of Huber's Syrup will correct faulty digestion and afford relief.

At the Garrison Sergeants' Mess last evening the steamer Montclair concert party entertained the members of the mess with a musical programme which was thoroughly enjoyed by all present. The following is the programme: Song, Mr. Hunt; violin solo, Mr. Jackson; song, W. Barrington; duet, Parnage and Peirce; banjo solo, H. Collins; song, Mr. Deering. On behalf of the members of the mess Sergeant Thomas Tracey heartily thanked the concert party for their kindness in putting on the concert. B. Watson was pianist for the evening.

MILKING COWS USED TO TEACH BOYS ARITHMETIC
St. Louis, Mo., Feb. 8.—Boy inmates at Bellefontaine Farm, the municipal industrial school, who are studying dairy farming are taught arithmetic by milking cows.
Instead of problems about discounts and invoices, the boys are required to figure in detail the amount of money earned by each cow in his care. The cost of grains, silage, hay, and beet pulp fed to the cow is balanced against the value at wholesale prices of the milk which each animal produces.

REAL ESTATE
On Wednesday of this week we sold the last of the attractive self-contained homes which we built on DUFFERIN AVENUE, PORTLAND PLACE, during the past season. This and the comments of the scores of people who inspected and admired these homes is conclusive evidence that the people of St. John appreciate and demand comfortable self-contained homes, well planned, well built and situated in surroundings that make for home enjoyment.

In April we will commence construction work on PORTLAND PLACE on our home building programme for 1923. You are invited to watch these homes grow through every stage of construction from the pouring of the steel reinforced footings of the basement walls to the finishing of the interior woodwork and the grading of the lawn and garden.

We are introducing several new models this year. Some of these will have four bedrooms. The first houses built will be ready to move into during the month of September and will be sold on terms to suit the means and income of people who now pay rent.

WHAT'S DOING IN THE MONEY AND STOCK MARKETS TODAY

CANADIAN RAIL PRESIDENT SEES N. Y. BANKERS

Sir Henry Thornton, National Railways Head, on a Short Visit, Starts Talk of Financing.

(New York Tribune.) Prospects of financing by the Canadian National Railways in the American market took more definite shape yesterday when Sir Henry W. Thornton, president of the system, paid a flying visit to the financial district. The understanding is, however, that he did not on this visit discuss with bankers here the requirements of the Canadian railways during 1923, and what part of these it may be feasible or desirable to meet on this side of the border. No information as to the amount of money that the Canadian National Railways will want from the New York market is at present available, and it is doubtful if preparation of the budget has yet advanced to the point where the officials themselves are clear as to what will be done. The preliminary consideration which has already been given the matter indicates, however, that some financing will almost certainly be undertaken here. The system, according to bankers, has no maturities to take care of and so far as is known, its needs are not so pressing but that any operation projected can be deferred until market conditions are entirely favorable. The Canadian National Railways have an established borrowing record and have an arrangement with Dillon, Read & Co. whereby the latter act as their fiscal agents in this country. The only loan floated in New York last year involved an issue of \$11,000,000 three-year notes, put out last March, but in 1921 the borrowings of the system amounted to between \$50,000,000 and \$75,000,000. In 1922 part of these requirements is anticipated, were met from the \$100,000,000 loan of the Dominion Government. The fact that the Canadian National issues placed in the United States have borne the guaranty of the Canadian Government has enabled the railways to obtain accommodations at less cost than would otherwise have been possible.

TAKES FIRM STAND ON PROFESSIONALS

President of U. S. Amateur Hockey Body Says They will be Rigidly Dealt with.

Pittsburgh, Pa., Feb. 8.—When any club in good standing in the United States Amateur Hockey Association prescribes its specific charges of professionalism in writing, supported by credible and reliable testimony, "they will be rigidly dealt with," said W. S. Haddock, President of the association, in answer to a telegram from F. J. Sullivan, former manager of the Westchester hockey team of New Haven, Conn.

Sullivan called upon President Haddock to announce his official attitude if it were shown that league players were being paid money and had received money last year. Haddock's answer was that he would stand by the rules and regulations, Mr. Haddock said, and is being supported by the fans.

The President said he had instructed the referees to pay special attention to the use of skates by players to injure an opponent. "It is getting to be too frequent a habit for a player to put the front or back of his skate into an opponent," declared Mr. Haddock. "Any player caught using his skates for such purpose will be barred from the game, he added."

President Haddock announced tonight that until the end of the present season he will assign referees for all championship games without consulting the clubs involved. Such assignments, he said, would stand unless it was shown that the capability or honesty of the referee was questionable. "This action was taken to overcome the objections of some clubs to certain referees for minor reasons."

The staff from which Mr. Haddock will make selections of referees includes John McGrath, Harold Mitchell, Tom Monro, H. H. Jacobi, Jr., J. H. Brown, G. M. Wiggett and Frank Schweitzer.

KING'S COUNTY LODGE MEETING

At the annual meeting of the Kings East County Lodge L. O. L. in Sussex Wednesday, officers were elected and installed as follows: County Master—Simon P. Friars, Sussex, N. B.; Deputy Master—T. S. McAuley, Lower Millstream; Chaplain—Robert Willis, Sussex; Rec-Secretary—J. A. McKnight, Lower Millstream; Fin-Secretary—Harvey Robinson, Millhamville; Treasurer—W. S. Hall, Sussex; Director of C. G. Manning, Newton; Lecturer—David Taylor, Newton; 1st Dep. Lecturer—A. D. House, Cornhill; 2nd Dep. Lecturer—Abram Mabee, Jeffrey; Musical Director—E. W. Oliver, Newton.

GOOD DEMAND FOR PUBLIC UTILITY, STEEL AND OIL SHARES—QUIET IN MONTEAL

New York, Feb. 9.—(Opening).—A good demand for public utility, steel and oil shares opened a firm tone to opening prices in today's stock market. North American advanced 1 point, followed by the higher, and higher, as did Utah Copper, Inveitible Oil, Pan-American and Texas Company. Steel closed upward movement without any more fear of indigestion.

NEWS NOTES OF STOCK INTEREST

(McDougall & Cowan, Private Wire) New York, Feb. 9.—Standard Oil (Ohio) declared quarterly dividend of \$2.50 on common payable April 2, 1923.

\$250 A SHARE IN CHICAGO

(Boston Herald.) The report of Eastern Steamship Lines for December, and the trading months of 1922, makes pleasant reading in the weekly statement of the Federal Reserve Bank, apparently having a cheerful effect on sentiment.

ACIDS IN STOMACH CAUSE INDIGESTION

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc. are due to an excess of hydrochloric acid in the stomach and not, as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is retarded, food ferments, causing the disagreeable symptoms which every stomach sufferer knows so well.

PRICE DECLINE IN FURS CAUSES SOME ANXIETY

Trade Professes to Believe Drop Can Be Checked, Although Buying Is Light. New York, Feb. 6.—While most fur factors were concentrating their attention on the progress of the auctions at Montreal yesterday, it was reported that the downward drift of prices, strongly resisted by owners of raw fur, was becoming more apparent in staple articles.

REFINED SUGAR ADVANCED

Montreal, Feb. 9.—The feature of the sugar trade yesterday was the stronger feeling that developed in the local market for refined sugar, and the three local refiners marked up their all grades 10c per 100 lbs. and are now selling standard granulated at \$3.15 per 100 lbs. in bags, while the Acadia refiners were unchanged at \$3.25 per 100 lbs.

GUATEMALA EXPORTS MARBLE

The first exportation of marble ever known from Guatemala, and so far as Mexico has ever seen, is being shipped from Guatemala City, in a steamer, in 1922, when 437 cubic feet were sent from Puerto 457 Barrio to New York City. It is estimated that 400,000 cubic feet of 200 cubic feet destined for Peoria, Ill., an American concern has been developing a deposit at Marol, Department of Zacapa, Guatemala, for many years, but lack of suitable means of transportation between the mine and the railroad, has greatly delayed efforts at exploitation.

BUYERS THROUGH NEW YORK IN RECORD NUMBERS

New York, Feb. 8.—New York City is preparing to handle one of the largest throngs of merchandise buyers the city has ever seen. The influx of foreign buyers is expected to be even larger than that of last August. Hotels are receiving reservations from buyers at a greater rate than they have experienced in several years. Merchants and resident buyers are hourly receiving lists of buyers who expect to arrive here from all parts of the country within the next few days.

INDIANTOWN AND LANCASTER FERRY SERVICE

Tenders are invited by the Indiantown and Lancaster Ferry Commission for the maintenance and running of a ferry and ferry service between Indiantown (so called) in the City of Saint John, and Pleasant Point, in the Parish of Lancaster. The specifications of Ferry will be supplied at time of making the tender by the tenderer, and must conform with all laws, rules and regulations governing ferries. The highest or lowest or any tender not necessarily accepted.

TAKE SALTS IF RHEUMATISM IS BOTHERING YOU

After a meeting of the Knights of Columbus last night the gathering was addressed by D. S. Connolly who spoke on "The Sad Old Earth." The Millerville Summer Club held its second dance of the season in the Venetian Gardens last night. The Gardens were tastefully decorated with St. Valentine decorations. A spot dance and an elimination waltz were held. Suitable prizes were given to the winners.

LOCAL NEWS

The ferry department reports for January were more than \$600 larger than for the same month of 1922. There was an increase of 27,400 passengers and 1,208 teams carried and of \$22,238 in revenue. This is a decided change from the falling off which has been showing for the last year.

HIGH PORT DUES HALT REVIVAL

New York, Feb. 8.—The slight revival in shipping and commerce at foreign ports which has been noticed in the last month or two is hampered by port dues considerably above the pre-war level. The irregularity in these increases also acts in favor of certain ports at the expense of others, according to statements in the foreign press. British harbors are handicapped as compared with the Dutch and Scandinavian, and these in turn suffer by the prevailing low rates at German ports.

SPORT NEWS OF A DAY; HOME AND ABROAD

GOLF

St. John Men at Pinchurst.
Pinchurst, N. C., Feb. 8.—T. Russell Brown of Lake Champlain, winner of the qualifying medal and the title in the Winter Golf League's recent championship tournament, led a field of about 125 players in the qualifying round of the nineteenth annual winter tournament at Pinchurst today and won the medal with a round of 89-92-75.

Canada will be represented in the first division matches by Ned Beall of Quebec. The former north and south champion came in fourth with a card of 86-41-79.

Ferry W. Thomson and his son, Eric D., of the Riverside Club, went around together as usual, and as usual qualified for the same division and within a stroke of each other. Eric went out in 42, but took 50 to come home. His father tied for the last berth in the top sixteen, with a card of 91, but dropped to the second division in the play-off.

HOCKEY

Acadia Defeats Mt. A.
Wolfville, N. S., Feb. 9.—Acadia University defeated Mount Allison 5 to 4 here last night in the western section of the Maritime Intercollegiate Hockey League.

Sussex High Wins.
Sussex, N. B., Feb. 9.—Sussex High School defeated St. John High School 12 to 0 in an interscholastic hockey league game here last night.

Fredericton Shuts Out Rothersey.
Fredericton, N. B., Feb. 9.—The Fredericton High School hockey team shut out Rothersey 7 to 0 in the interscholastic hockey league game here last night.

New Glasgow Wins.
Truro, N. S., Feb. 9.—New Glasgow Independents defeated Moncton, Victorias 5 to 4 in an exhibition game here last night.

New Haven Team Wins.
New Haven, Feb. 9.—The New Haven hockey club, appearing for the first time since their reinstatement in the S. A. H. A., defeated Boston University in an exhibition game here last night 4 to 1.

Quebec League Disrupted.
Sherbrooke, Que., Feb. 9.—Quebec in the Provincial Hockey League has defaulted its remaining games. This disrupts the league, since only two teams are left in.

Games Cancelled.
Summerside, P. E. I., Feb. 9.—The Dorchester-Summerside Crystals hockey game scheduled for tonight was cancelled because of rain delays.

Nova Scotia Games.
Halifax, N. S., Feb. 9.—New Glasgow defeated Antigonish three to nothing at Antigonish last night. New Glasgow defeated Bridgewater 5 to 3 at Bridgewater, and Sydney defeated North Sydney 9 to 1 in Nova Scotia hockey games last night.

City League.
The Juniors took three points from the Ramblers in the City League. Bowling game on Black's alleys last evening with total pinfalls of 1,400 to 1,264. Cooper, for the losers, had an average of 106 1-3.

C. P. R. League.
The Passenger Department of the C. P. R. last night won from the Car Service Department in a game on the Imperial alleys by the total score of 1,261 to 1,117.

Y. M. C. I. League.
In the Y. M. C. I. League last night the Hawks took all four points from the Robins, with total pinfalls of 1,902 to 1,193.

Telephone League.
The game between No. 1 and No. 2 teams in the Telephone League last night on the Victoria alleys resulted in a win for the former. The total pinfalls were 1,223 to 1,178.

Clerical League.
S. Hayward took three points from the Atlantic Sugar Refinery last night in a Clerical League game. The totals were 1,223 to 1,207.

SKATING.
Postpone Races.
The heavy wind last night was responsible for the postponement of the skating races scheduled for the South End rink. If weather conditions are favorable, there will be a children's carnival on Saturday afternoon.

Offer For Dan Hedgewood.
An offer for the purchase of Dan Hedgewood last been received by the Woodstock Driving Club from Athol, Mass. The amount named is more than three times that paid for the horse, but the owners will not sell this season, as they wish to attempt to hang up some new records.

TURF.
A special meeting of the ways and means committee of the Health Centre was held last evening, with Mrs. E. Atherton Smith presiding, and final arrangements were made for the big carnival to be held next week at the Arena. The patrons for this event will be Lieutenant-Governor and Mrs. William Pungley, Hon. Dr. and Mrs. W. E. Foster, Mayor and Mrs. G. Frey Fisher, the Minister of Health, Hon. Dr. W. F. Roberts, and Mrs. Roberts. The reports of the various committees were found to be satisfactory. It was decided to have substantial prizes for the best, most original and most comical costumes. The Loyalist Temple, Pythian Sisters, will have charge of the sale of sandwiches, cake and coffee.

Plans are well under way for the

big military ball to be held in the Armory on Tuesday evening, and it promises to be the social feature of the week. Permission has been granted for officers to appear in uniform, and it is thought that a great many will attend.

The correct military dress as outlined by Colonel Houlston, in a notice attached to recent orders, is as follows:

(a) Mess dress with miniature medals and decorations.

(b) Blue uniform with medal ribbons.

(c) Khaki uniform (slacks and tunic) with medal ribbons.

(d) Evening dress with miniature medals and decorations.

All Ready For Big Bout.
Promoter Farnon announced this morning that everything is in readiness for the big boxing carnival, which is to be held in the Opera House next Wednesday evening. He says that

Lady's first prize—Silk Umbrella and \$5.00.
Lady's second prize—Electric Iron.
Lady's third prize—Box Stationery.
Lady's fourth prize—Silver Gravy Spoon.

Automobile Instruction Class

The automobile evening class in the Auto Service Club has started and is proving a great success. Ladies and gents, old and young, are taking advantage of this wonderful opportunity to learn about the most popular machine in the world today, in the most up-to-date evening class ever taught in this city. Our practical demonstration method of instruction is guaranteed to teach you.

YOUR OPPORTUNITY

Owing to our first class running over the number we can conveniently handle in one class, we are going to enroll a few more pupils and start a second class. If you wish to take advantage of this offer you will have to act quickly. A small payment will insure you an enrollment. You can get full information regarding same at the office of the

AUTO SERVICE CLUB, 130 POND ST. or call Main 214. Open evenings. 8874-2-10

Both of the principals, McIntyre and Paris, are training faithfully and are in the pink of condition. He expects

TENNIS

Will Play in Finals.
Barcelona, Feb. 8.—J. B. Gilbert of Great Britain, yesterday won the right to play in the finals for the world's covered courts lawn tennis championship against the champion, M. Cochet of France.

CURLING

Scottishmen Badly Beaten.
Winnipeg, Feb. 8.—Overwhelming the Scottish contingent by an aggregate of 145 to 69, the Manitoba team won the fifth annual test match for the Strathcona cup yesterday. By establishing a margin of seventy-six over the visitors, twenty-three more than that established by the Ontario team, the Manitoba Curling Association wins the trophy from the Scots, this being the arrangement under which the games were played.

Jones Cup.
On the St. Andrew's rink last night the second semi-final match in the Jones' Cup competition resulted in a win for the rink skippered by Dr. S. B. Smith over that of R. M. N. Robertson by a score of 11 to 9.

St. Stephen Rink Fire.
The night porter in the Queen Hotel, St. Stephen, yesterday morning discovered a fire in the St. Stephen curling rink, apparently started from a smouldering cigar stub. The prompt response of the fire department to the alarm saved the rink. Very little damage was done. On Thursday night the St. Stephen curlers had entertained the Thistles from St. John.

BADMINTON.
Trinity Wins Third.
The Trinity Church Badminton Club won its third game in the Church Badminton League last night on the Army court by defeating the St. James' Club by a score of 14 to 2. Trinity is now in the lead in the church league.

Championship Play.
Toronto, Feb. 9.—Considerable progress was made yesterday in the first day's play in the second annual Canadian Badminton championships, and the ladies' singles were narrowed down to the semi-finals with two Toronto ladies, Mrs. C. A. Boone, the champion, and Mrs. Huggles George, Miss Brunette of Quebec, and Mrs. Hicks of Kingston still in the running. The men's singles were featured by the defeat of the champion, Col. A. E. Snell of Ottawa by G. H. George of Vancouver in the third round.

BASKETBALL

Fredericton Defeats Rothersey.
Fredericton, N. B., Feb. 9.—The Provincial Normal School basketball team defeated Rothersey Collegiate team here last night in the interscholastic basketball league by 25 to 14.

GORMAN WINS SECOND IN MILE

Fell in 220 Yards, Jewtraw Equalled World's Record—Willie Logan Captured 440 for Juniors.

Charles Jewtraw made a great comeback in the Astoria Gold Cup championships, skated on Lake Placid yesterday when he equalled the world's record for the 220 yards in the semi-final. He also romped home a winner in the final, with Paul Forman second and Joe Moore third. On the last turn Steinmetz fell and carried Charlie Gorman of this city with him. The mile event was won by Edward Reed of Chicago, with Gorman second and Valente Bialis third. The time for the 220 yards was 19.9-2 seconds, and for the mile 19:20.

big military ball to be held in the Armory on Tuesday evening, and it promises to be the social feature of the week. Permission has been granted for officers to appear in uniform, and it is thought that a great many will attend.

For the mile 2:40-4.5. Jewtraw skated his final in 19 seconds flat.

Willie Logan of this city continued his good form and won the 440 yard race for boys under sixteen years. His time was 40.9-2 seconds.

Jewtraw is away out in front for the gold cup with 360 points. Gorman is second with 200 and has a good chance to win the handsome runner-up cup.

Murray Bell of this city is also participating in the races.

big military ball to be held in the Armory on Tuesday evening, and it promises to be the social feature of the week. Permission has been granted for officers to appear in uniform, and it is thought that a great many will attend.

The correct military dress as outlined by Colonel Houlston, in a notice attached to recent orders, is as follows:

(a) Mess dress with miniature medals and decorations.

(b) Blue uniform with medal ribbons.

(c) Khaki uniform (slacks and tunic) with medal ribbons.

(d) Evening dress with miniature medals and decorations.

SYDNEY CHURCH WANTS PASTOR OF ST. ANDREW'S

Call Coming to Rev. Dr. F. S. Dowling to be Associate with Rev. Dr. Pringle.

Rev. Frederick S. Dowling, minister of St. Andrew's Presbyterian church, yesterday received a telegram from Colonel John Pringle, pastor of St. Andrew's Presbyterian church, Sydney, N. S., notifying him that a call was going forward from that church to him to act as colleague to Dr. Pringle. Mr. Dowling said this morning that he would be unable to give any answer to the call until it had passed through the hands of Presbytery.

The telegram said that the congregation of the church on Wednesday night had decided to send a hearty and unanimous call to him. The church's congregation, Sydney, is the largest numerically of all the Presbyterian congregations east of Montreal and it was felt that Colonel Pringle should have an associate.

Mr. Dowling said that he, of course, felt highly honored at receiving a unanimous call from a congregation of the stamp of St. Andrew's. He would be unable to make any answer until the matter was placed in his hands by Presbytery and this would not be until the following meeting in March at the earliest. The call would first have to pass through the Presbytery of Sydney and then, if forwarded in time, would come before the March meeting of the St. John Presbytery. It would probably then be placed in his hands, Mr. Dowling said, for a decision.

Mr. Dowling came to St. John more than seven years ago and has made himself well known and liked by both his congregation and people of St. John generally. He is one of three Presbyterian ministers who were here when he came and who still remain in the city. In all the other churches some changes have been made during these years. Rev. Mr. Dowling is a native of Ontario and has held several important Presbyterian charges, including Orillia, Edmonton, Deseronto, Toronto and St. John.

LOCAL NEWS

SHOULD BE HOME.

In the course of proceedings in the police court this morning the magistrate took occasion to remark that in the last five days there had been no fewer than five juveniles before him for being out doors around midnight. He commented strongly on such a condition of affairs.

DEATH OF BOY.

Friends of William Y. Beatty, Waterloo street, will sympathize with him and other members of his family in the death of his six-year-old son, George Barry. Besides his father, two brothers, William and Wendell, and two sisters, Pauline and Ethel, survive. The funeral will be on Monday at Young's Cove Road, Queens County.

NOVELTY SHOWER.

Miss Doris Cameron of Harcourt was tendered a novelty shower last evening at the home of Mrs. Fred A. Morton, 4 Church street. The guest of the evening was pleasantly surprised by many beautiful and useful gifts, including cut glass and linen. The evening was pleasantly spent in games and dancing, and refreshments were served.

LAST CAR CLUB

Sixteen members met last evening at the home of Mr. and Mrs. McClean, Charlotte street. The usual five rounds of whist were played. The winners were Mrs. McClean and Leticia Caddell. Consolations were awarded to Miss Doris Nickson and S. Caddell. Jummy refreshments were served by the hostess after the third game. The party broke up at 11:30.

TO OPEN IN UKRAINE

Notification was received in the city this morning from the headquarters of the Red Star Line that they had received permission from the Soviet government to open an office in Kresgawitz, 25 Kiev, Soviet-Ukraine for their shipping business there. The communication also stated that plans were under way to extend their organization to other important Ukrainian centres including Kharkov, Kamennat-Podolsk and Odessa.

WITH THE BOWLERS.

Friends of Hartley Wheaton will be pleased to hear that he recently won a five-stringing match in a bowling tournament held on Archie Walsh's Academy in Melton, Mass. His scores were 100, 103, 104, 107 and 118. In his letter he said that Archie Walsh and T. H. Croix were the winners during Carnival Week. Mr. Wheaton said if they make the trip he will accompany them. Since leaving St. John he has been in the employ of Mr. Walsh. He is reputed to be one of the quickest pin setters in the game.

CITY PUTTING ON ITS GAY DRESS FOR THE CARNIVAL

Ice Arch is Well Along and Street Lighting Work Progresses, Poles and Windows Being Decorated.

St. John today began to take on a real holiday appearance and from all indications the decorations for carnival week will be a feature in themselves. Standing like a sentinel at the head of King street will be the ice arch, with its sparkling decorations and illuminations. The formation of the ice arch was well under way today and its construction is being watched with keen interest. The work of decorating the poles is also being proceeded with and when completed they should prove a striking feature of the main thoroughfares and add to the gala appearance of the city during the big winter festivities.

The interest already manifested by the retail merchants is evident on every side and the store windows are beginning to show it.

A White Way.

That the central section of the city will be well illuminated is assured. Twenty men were employed stringing lights in front of King Square. They will also be placed from the station along Mill, Deek, King, Charlotte and Union streets, and will convert that section into a regular "white way." To this will be added the decorations of the business houses and all combined the city, with an array of flags, bunting, etc., should present a ditting and pretty appearance.

His Honor Lieut. Governor Pugsley and other speakers of prominence will officiate at the carnival opening at the ice arch at 2:30 tomorrow afternoon.

The entry list for the skating races now totals 152 names. Two entries were received this morning; that of Ted Coombs, New England Junior champion, and that of Mr. Fred Moncton. The list is about complete.

Rotary Does It Well

A few members of the Rotary Club have made themselves responsible for the fitting out of one of the juniors entered in the next week. The lad is Charlie Chase, who had entered his name as a junior fancy skater in the list for the international meet. His name was brought to the attention of a couple of the Rotarians and they investigated the case, finding that Charlie was a very decent lad and was working hard in an effort to get his self skates and a costume for the meet but having rather a hard time. C. F. Wetmore talked the matter over with a few others and they decided to take the business of getting a costume out of the youngsters' hands. A pair of skates was supplied by Percy McAvity, Donaldson Hunt provided a sweater, Harold Rising gave him a pair of boots and the rest of his gear, including stockings, cap, white gloves, special trousers and a pair of emblems supplied by Mr. Wetmore, John Manson and Samuel Sinton. The lad will be introduced to the Rotary Club at their meeting on Monday and it is thought he will skate under Rotary colors. He will be at the arena to night in all his costumes on an exhibition.

Alfred Cameron Committed for Trial - An Arrest in Halifax for St. John Police

An interesting illustrated address was given last evening in the Natural History Society rooms by Miss Louise Wetmore on the auspices of the St. John Art Club. The subject of the lecture was the art of home furnishing. In her lecture, Miss Wetmore advocated the use of the local woods in the making of furniture and the committee have arranged to supply by Mr. Wetmore, John Manson and Samuel Sinton. The lad will be introduced to the Rotary Club at their meeting on Monday and it is thought he will skate under Rotary colors. He will be at the arena to night in all his costumes on an exhibition.

ADDRESSING ST. JOHN ART CLUB

An interesting illustrated address was given last evening in the Natural History Society rooms by Miss Louise Wetmore on the auspices of the St. John Art Club. The subject of the lecture was the art of home furnishing. In her lecture, Miss Wetmore advocated the use of the local woods in the making of furniture and the committee have arranged to supply by Mr. Wetmore, John Manson and Samuel Sinton. The lad will be introduced to the Rotary Club at their meeting on Monday and it is thought he will skate under Rotary colors. He will be at the arena to night in all his costumes on an exhibition.

NOW TO CHOOSE A QUEEN OF ST. CROIX

Miss St. John to be Invited to Attend the Final Ceremony.

The St. Croix Courier says that St. Stephen is to choose a queen on Feb. 16, and Calais and Milltown will choose "Misses." Then from the three Miss St. Croix will be selected. Miss St. Croix will be rewarded by a prize of gold offered by the rink management. The rink management has arranged to pay a visit to the border towns, and the committee have arranged to communicate with her on her return from Montreal, where it is sincerely hoped that Miss St. John will be winning the title of Miss Canada.

OAK HALL

Now Has \$12,000 CURLING RINK

Campbellton Says It Has One of the Best in the Provinces.

Campbellton, N. B., Feb. 9.—(Special)—With the completion of the new rink and club rooms on Ritchie street, Campbellton now has a curling rink which will in size and up-to-date-ness compare very favorably with anything of its kind in the Maritime Provinces. The new building, which provides ample room for four sheets of ice, is 170 feet in length and 68 feet wide. This leaves sufficient room for spacious club quarters on both floors. The total cost when completed will be about \$12,000. The rink itself is a substantially constructed building founded on a durable concrete substructure. It is warily clapboarded, and careful provision has been made for adequate light. The front room on the ground floor to which the entrance gives ingress is tastefully finished in Kearswood and Douglas fir, and besides providing cheery and comfortable club quarters will be used as an observatory by spectators watching the matches, as large windows run the length of the room in the rear wall facing the ice.

The banquet hall and kitchen are located on the second floor in convenient proximity to each other. This hall, which will be used for social meetings of the club, runs the full width of the building and is tastefully finished on the same plan as the lower room.

It is the intention of the club to have this apartment luxuriously furnished, and when completed it will doubtless be one of the most pleasing features of the rink. Visitors from various parts of the Dominion who are interested in curling have called to look over the new rink and all have been enthusiastic in their praise. One party from St. John who travels extensively and who incidentally is an old curler declares that Campbellton's new curling rink is equal to any in Maritime Provinces.

REAL ESTATE NEWS

Property transfers recently recorded are as follows—

St. John County—Eliasa P. Elliott to G. W. Logue, property in Elliott row.

J. Rose to J. Valentine, property in Simonds.

Extra. of Irene M. Simonds to Ella Corrigan, property in Acadia street.

Hilfred S. Tait and husband to East St. John Building Company, property in Simonds.

U. N. B. REJOICES IN ACADIA'S VICTORY

Keeps Them in Running in Western League Hockey.

Fredericton, N. B., Feb. 9.—U. N. B. students and followers of the U. N. B. hockey team rejoiced today over Acadia's defeat of Mount Allison University at Wolfville last night in the western section of the maritime intercollegiate league because the result keeps U. N. B. in the thick of the fight and makes a three cornered tie for the championship of the section possible, as was the case last year.

If U. N. B. can win from Acadia when they play next Thursday each of the three teams will then have won a home game and a play-off will be arranged. Last season when a three cornered tie was created Acadia declined to participate in the play-off at Moncton and U. N. B. and Mt. A. played, the latter winning. This year St. John will probably be considered if there is to be a play-off. It is the most central location and could be easily reached by the Acadia team as well as the others.

"Bond's" Passing Into New Hands

Messrs Bond and Scott this morning confirmed a report that their restaurant and ice cream parlors in Charlotte street have been sold to Nick Vassas and Alexander Demerson for between \$40,000 and \$50,000. They said they were not in a position as yet to announce their future plans.

Mr. Demerson has disposed of his ice cream parlor "The Palma" in Union street.

To think of St. John without John Bond as a caterer would be quite an effort for the average citizen. "Bond's" has been the home of the Rotary Club the Canadian Club, the Gyro Club, and of innumerable banquets for a number of years. Bond and Scott have also been caterers at many banquets in quarters larger than their own limited dining hall. John Bond is beloved of Rotarians because on the occasion of an outing or excursion he has always been there with refreshments, and the Boys' clubs have not been forgotten by him. He and Mr. Scott were together in the Dufferin, then opened "Bond's" in Charlotte street, and made it a conspicuous success. Their future plans will be a matter of public interest. The new owners of the Charlotte street establishment also have a successful record, and are now reaching after still greater success.

White-Matthews.

Miss Louise Matthews, daughter of Mr. and Mrs. George Matthews and former resident of Fairville, was married to Earl White in Missoula, Montana on January 17. Rev. J. N. Macdonald performed the ceremony. They will reside in Missoula.

Fire Sale
