II. And be it enacted, that all persons paying an annual subscription of twenty shillings or upwards, or making at one time a donation of twenty pounds or upwards, shall be entitled to be members of the said society, having been duly admitted, pursuant to the Bye-Laws thereof, provided that such annual subscription or donation be actually paid into the funds of the society, and provided that no person now a member of the said society, or who, hereafter, may become a member of the same, shall at any time hereafter, continue a member of the same, unless he shall have heretofore paid, or shall hereafter pay at one time into the funds of the said society a donation of at least twenty pounds, or shall hereafter annually, and from year to year, pay into the said funds the sum of twenty shillings or upwards: and if such annual subscription, or payment of any such annual member, shall not be paid on the first day of May in each year, such member shall thereupon cease to be a member of the said society, until such annual subscription or payment shall be actually paid, or until such person shall otherwise become a member of the said society, under some Bye-Law or Rule thereof.

III. RULES AND REGULATIONS

PASSED AT DIFFERENT TIMES, AND NOW DIRECTED TO BE PUBLISHED.

THAT no resolution or proceeding inconsistent with or modifying any resolution or proceeding adopted by a general meeting, be entertained by the executive committee in Halifax, except upon a month's notice to the committee being given by the person proposing the same, and that no such resolution or proceeding be carried into effect until the same shall have been confirmed by a general meeting to be summoned for the consideration thereof, if necessary to be arranged before the annual general meeting.

That a corresponding committee of three residents in Windsor, or its neighborhood, the chairman whereof shall be, if possible, a member of the executive committee, be appointed to meet on the second Wednesday in every month, and at such other times as may be expedient, upon summons of the chairman, to confer with the officers of the College or Collegiate School upon any subject to be submitted to them either by such officers, or by the executive committee in Halifax, in reference to the College or School, and to report thereon to the executive committee.

A month's notice shall be given of all resolutions affecting the rights of members, or creating new offices or salaries.

No individual shall be entitled to vote under a parochial certificate, unless he be authorised by a parish meeting.

All annual general meetings of this association shall be holden at Windsor.

That the treasurer make up his annual account to the 30th of April in each and every year.

All undergraduates, resident at College, shall be competent to compete for the prize or certificate for modern languages.

At the annual meeting held at Windsor, June 29, 1859, Dr. King moved the resolution, notice of which was given at the last annual meeting by the Rev. Dr. Twining, in reference to the mode of election of Governors, viz. : that the present mode of voting for each individual separately and in alphabetical order be discontinued, and that the usual mode of putting all the names proposed on the same ballot, out of whom those having the highest number shall be declared elected, should be adopted; which motion was seconded by Dr. Almon. After considerable discussion, Mr. A. M. Cochran moved in amendment that the following proviso be added: "Provided that no person shall be declared elected as Governor unless he have a majority of votes cast." The amendment was seconded by Nepean Clarke, Esq., and carried. The original resolution of Rev. Dr. Twining, as amended by Mr. Cochran's proviso, then passed.

At the general meeting, October 17th, 1856, it was *resolved*, "That the right of voting by proxy be in no way interfered with."

The following resolution was passed at the general meeting, 24th June, 1857:

Resolved, That the ballot be not sent round for any officer of this association, or of the Board of Governors, whose name has not been previously proposed and seconded by some member of the association; and that the ballot be not taken until all the names of the persons intended to be proposed for any office be given.

REPORT.

In conformity with the requirements of the Act of Incorporation, the Executive Committee present to the Incorporated Alumni their twelfth annual report.

The past year has been marked with one interesting feature in connection with the College, which is worthy of note, viz. : the Convocation which was held at Windsor in November last, for the purpose of conferring the degree of Doctor in Civil Law upon our distinguished countryman, Major-General Sir W. Fenwick Williams, K. C. B. ; an honor which the gallant General himself declared he prized as highly as any of those which have been so profusely heaped upon him by his Sovereign.

In accordance with the recommendation of your committee, a second grant of £25 was made at the last annual meeting for the purchase of books for the College Library. This sum has been expended by the committee appointed for that purpose, and forty volumes of works by various authors in the modern languages, and some sixteen volumes of scientific works, have been procured and sent to the Library, where they will doubtless be of great service to the professors in their different departments. In this connection your committee would observe that, being fully sensible of the importance of increasing the Library as much as possible, they deem it advisable to recommend the continuance of this grant for the ensuing year.

The Treasurer's account (which is made up to the 30th of April last) exhibits a balance of £10 16s. 10d. to the credit of the Society; and since then the sum of £65 14s. has been received; but this is subject to the payment of bills for printing, during the past year, of £17 3s. 9d., and also the Alumni Scholarship of £10, and £20 for prizes, in addition to the annual grant of £62 10s. for the Professor of Modern Languages, which will be payable in July, making, in all, £109 13s. 9d.

The grant to the Principal of the Collegiate School, by the terms of the resolution, expired in April last.

Your committee have pleasure in stating that, since they last reported, fifteen new annual subscribers have been added to the list; but at the same time they would again press upon the Association the necessity for fresh exertions to augment their funds, so as to meet the increased annual expenditure.

The sum of £375, which has been for some time on mortgage on real estate in the city of Halifax, has been paid off, and has been placed, on a deposit receipt, in the Bank of Nova Scotia, bearing three per cent. interest, where it remains awaiting a more profitable investment.

Your committee would remind the Society of the important proposition which was submitted at the last annual meeting, by the Rev. Dr. Gray, for the erection of additional collegiate buildings for a chapel, college hall, and museum, the necessity for which becomes every day more apparent. A large committee was then appointed to devise means for carrying out the project, who will probably be now ready to report. The sum of £85 10s. 8d.—proceeds of the sale of a portion of Mr. Merritt's lands—was appropriated to that object; and General Williams, with his wonted liberality, has tendered a donation of £100, to which has been added the donations of Henry Boggs and Edward Binney, Esqrs., of £25 each. Your committee trust that with such a commencement the project will not be allowed to fall through.

Your committee would call attention to the importance of giving a more prominent position to the study of the modern languages. Every day's experience proves the value and usefulness of an intimate acquaintance with these languages, not only as an accomplishment, but as an almost essential qualification for the business relations of life.

There is another subject to which your committee have pleasure in adverting as having introduced a new feature in the routine of collegiate life. They refer to the donation, some time since, by an esteemed alumnus, of the sum of £100, the interest of which is to form a prize to be annually competed for by the cricket club of the College, and such other clubs as may wish to compete for the same, subject to the approval of the professors. The committee understand that the beneficial effects of this judicious donation are already apparent, in stimulating the students to excel in athletic sports, which, while they do not interfere with their regular studies, have the effect

of strengthening the student's prosecu-

of strengthening and invigorating the bodily frame, and of rendering the student more capable of sustaining severe mental exertion in the prosecution of his studies, and of fitting him for the more important duties of after life.

The business to be brought before the present meeting is the election of two Governors in the place of A. M. Uniacke, Esq., and Rev. Dr. Gray, who retire by rotation, and are eligible for re-election, and of the President of the Association, A. M. Uniacke, Esq., and three members of the Executive Committee, who retire by rotation, viz.: Rev. James C. Cochran, Edward Binney, Esq., and A. M. Cochran, Esq., who may be re-elected. The removal of B. G. Gray, Esq., from the Province also creates a fourth vacancy in the committee.

Note in reference to the College Calendar.

AN error has crept into the College Calendar for 1859, page 17, in summing up the yearly fees at the College, from which the student nominated by the holder of a certificate is exempt. The annual amount of such fees is £23 15s., and the whole sum for the three years' course, including 10s. for matriculation, and £3 for the B. A. degree, is £74 15s., instead of £30 15s., as stated in the Calendar—thus greatly enhancing the value of the privilege, now possessed by no less than eighty-five persons, of sending a student to the University entirely free from all fees. It is to be hoped that larger numbers will henceforth avail themselves of such great advantages.
