Beached Boat Tells Tale of Pathetic Tragedy.

BOAT SWAMPS, FOUR DROWNED.

Young Men Were on Way
to Dance in a Leaky
Boat.

FACED HEAVY SEA.

Boat With One Lifeless Body in
it Found on the Shore at
Miguasha.

Jacob Dickie, of Fleurant's Point, P. Q., William Wafer, of the same place, John Nelson of Heron Island and Andrew Carr of Dalhousie, all young men ranging in age from twenty to twenty-five years perished Monday night by the swamping of a row boat between Dalhousie and Miguasha.

The young men left Dalhousie about 8 o'clock to attend a dance at Albert Casey's, Miguasha. The boat they started in was the property of William Parker. It was only eight feet in length and was said to be in a leaky condition. To make the trip even more hazardous a high sea prevailed at the time the young men started.

Lifeless Body in Boat.

When none of the four returned to Miguasha that morning some apprehension was felt for their safety; but for some reason or another the dance at Casey's did not take place and there was no way of ascertaining whether or not the quartette reached Miguasha. All doubts in the matter were dispelled, however, shortly after ten o'clock when word reached Dalhousie from Miguasha that the boat in which the boys had embarked was found on the shore at that place with the lifeless body of Nelson in it.

Two young sons of Joseph King of Miguasha were hauling sea weed on the shore when they came suddenly upon the boat.

Boys Were Horrified.

It was half full of water above the surface of which protruded Nelson's head. Carr's cap was discovered later on the shore, a short distance from the boat. Horrified the boys hastened home and informed their father of the discovery. He went with them to the boat and then got into communication with the authorities at Dalhousie. Coroner Ferguson viewed the body and decided that an inquest was unnecessary. It being quite evident that the tragedy was caused by the swamping of the boat. There were no marks of violence about Nelson's body. Just how he happened to remain in the boat is a mystery.

Other Bodies Not Found.

The remains of the young men were conveyed to Dalhousie to await the arrival of Henry Nelson, brother of the deceased, from Heron Island. The bodies of the other three have not yet been recovered, but a grapping party is searching for them today.

Nelson was a clerk in the Royal Hotel at Dalhousie and a popular young man. His sister Mona left Dalhousie early yesterday morning for Boston. Nelson was to have returned from the dance in time to bid her good-by. A telephone message was sent to her at Moncton and she immediately returned to Dalhousie.

Boat Was a Heedoo.

Strange to say George Moffat of Dalhousie was drowned from same boat about seven years ago. It is also singular to relate that three of the drowned men had brothers which met a similar fate. Ernest Nelson, brother of John was drowned at Mission Point five years ago by the capsizing of a pilot boat. His body was never found.

William Carr, brother of Andrew was drowned at Dalhousie, Sept. 25, 1905. His body was found at Stonehaven, ten miles below Bathurst on Nov. 12.

Edward Wafer, brother of Jacob was drowned three miles above Dalhousie seven years ago.

Relatives notified.

Peter Carr, brother of Andrew, who is now in Everett, Wash., was notified today of his brother's death. John Nelson intended leaving for Parry Sound on Nov. 6 where he had work. All the young men were unmarried.

Wm. Wafer was the son of Peter Wafer of Fleurant's Point and Andrew Carr was the son of Charles Carr of Dalhousie. The fathers of Dickie and Nelson are dead.

MINISTER OF RAILWAYS

PAYS US A SHORT VISIT.

Presents a Medal While Here to Veteran Railway Man
and Listens to Delegation From Board of Trade.

ON INSPECTION TRIP, WELL PLEASED SO FAR.

Touring for the first time the road over whose destinies he is now presiding, and inspecting as he goes, Hon. George P. Graham, Canada's minister of railways and canals, reached Campbellton on a special train from

parted for Moncton. To a reporter for "Events," Mr. Graham expressed himself as well pleased with the general condition of the road he had so far inspected. He said that nothing had been definitely decided upon in the

HON. GEORGE P. GRAHAM.

the west, about 3 o'clock yesterday afternoon. With him were, Mrs. Graham and Miss Graham, M. J. Butler, deputy minister of railways and canals, and the following intercolonial officials: D. Pottinger, general manager; E. Triffin, traffic manager; W. B. McKenzie, chief engineer; T. C. Burpee, engineer of maintenance; G. R. Joughins, supt. of motive power; Evan Price, district superintendent and others. The party remained here about a half an hour.

The first thing Mr. Graham did on his arrival was to present to Alexander Henderson an imperial service medal in recognition of Mr. Henderson's long and faithful service as track carpenter at Campbellton. The medal is one donated by the King to those who have had not less than twenty-five years of meritorious service. Mr. Henderson exceeded that term by six years. He entered the service in December, 1874 as track foreman at Welford. Subsequently he was transferred to Campbellton as track carpenter and remained in the service here until he resigned on August 10, 1905. The medal is to be worn on the left breast, suspended by a ribbon of one inch width.

Mr. Graham who made the presentation in the waiting room of the station in the midst of a large number of citizens complimented Mr. Henderson on his many years of faithful service and expressed his pleasure at having the opportunity of conveying to him the token of the King's gratitude. Mr. Henderson replied briefly after which Mrs. Graham pinned the medal on the lapel of his coat.

At the conclusion of this ceremony a committee from the Board of Trade consisting of William Currie, M. P., Mayor Murray, C. F. Clare and William Glover waited on the minister. They pointed out the necessity for a new station here, for a larger freight shed than the one destroyed by fire last week and for a local train which would arrive here from the west in the morning and return at night. Mr. Graham accorded the committee very cordial treatment and promised to take into consideration the matters brought to his attention.

Mr. Graham and the other railway officials inspected the I. C. R. property here and had a look at the ruins of the freight shed after which they de-

matter of a new freight shed for Campbellton, but that in all probability a temporary structure would be erected for the winter months.

Mr. Graham goes from Moncton to Sydney and thence to Halifax and St. John. He has some more imperial service medals to present on his trip and he presented two before reaching Campbellton.

The special which arrived here, was in charge of Conductor R. W. Orchard and J. S. Smith was the driver of the locomotive. Conductor A. McPherson went east with the special and J. C. Morton took the throttle of the locomotive.

The many friends here of Conductor George Levesque will learn with regret of his death which occurred yesterday at Levis. Mr. Levesque had been ill about six months. He was 67 years of age and one of the most popular conductors on the I. C. R. He entered the service thirty-five years ago and for a long time ran on the Maritime between Campbellton and Levis. The funeral will take place Friday morning at Levis.

See account of Nordheim Club's dance on page 2.

LOSS OF SIGHT

MAY BE RESULT

Ambrose Bodin and Louis
Henri Victims of Blasting
Accident.

WERE PROBING CHARGE.

Explosion Suddenly Occurs and
Both Men Were Blinded by
Flying Mass.

Ambrose Bodin aged 59 and Louis Henri, aged 17 may both lose their sight as a result of an explosion which occurred Tuesday morning on the intercolonial railway about thirty-five miles from here.

Bodin and Henri were engaged in blasting work. They put in a charge of dynamite lighted the fuse, stepped back and waited; but for some unaccountable reason the expected explosion did not take place. They waited a minute or two and then started to investigate. Bodin probed the charge with his pick while Henri stood by. Suddenly the shot went off. A mass of splintered stone flew up striking both the men in the face and almost rendering them unconscious. Other workmen, who were near at hand hastened to their rescue, neither of the wounded men were able to open their eyes and both were badly bruised and disfigured about the face. They were at once placed on board a train and brought to Campbellton. On their arrival here they were conveyed to the hospital, Dr. Pinault was summoned and did everything in his power to relieve their sufferings. Later it was found necessary to remove Bodin's left eye. The operation was performed by Drs. Pinault and Lunan. The physicians have not yet determined whether it will be necessary or not to remove the other eye, but will make every effort to save it. Both of Henri's eyes are in bad shape also and it may be found necessary to remove them.

Both Bodin and Henri belong to Bonaventure. The former is a married man and has a family.

August Beaudry, barrister of Perce died in the hospital at Quebec on Sunday after a lingering illness.

Advertisers who wish to use local readers in the first issue of The Morning Graphic should send them in early Friday and for subsequent issues locals must be sent in early on day previous to issue.

LINGERING COLD.

Withstood other Treatment but
Quickly cured by Chamberlain's
Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by all druggists.

Indigestion

Stomach trouble is but a symptom of, and not a true disease. We think of dyspepsia, heartburn and indigestion as real diseases. They are symptoms only of a certain specific nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Restorative—Dr. Shoop's Restorative. Acting directly on the stomach nerves, alone brought that success out that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and allay complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Dr. Shoop's Restorative
A. MCG. McDONALD.

Driven to Drink

many a good man has been by home laundry work, with lumps of starch and waves of blueing deco'ating his shirt front, and saw edges on his collars to annoy him. It makes his heart glad when he can see his linen immaculate and find with a snow white color and artistic finish that he can have put on by expending only a few cents. It is worth dollars in comfort and satisfaction to have your linen laundered at the

THEY REVEL IN THE GLORIES OF THE WALTZ TO ORCHESTRA'S SWEET AIRS

NORDHEIM OUTING CLUB'S "AT HOME" WAS ONE OF THE SEASON'S BIG EVENTS

Well gowned women, tuneful music and pretty decorations helped to make the "at home" of the Nordheim Outing Club, Friday night in the Opera House one of the most successful affairs of its kind ever held in Campbellton. The members of the club were the hosts of nearly a hundred couples who danced merrily from nine o'clock until the early hours of the morning.

The dancing took place on the big stage of the theatre, which was elaborately decorated with Chinese lanterns, flags and bunting. The ensign of the club occupied a conspicuous place among the decorations. The scene presented by the dancers from the auditorium was a very pretty one.

The program consisted of about sixteen dances the music for which was supplied by McEachern's orchestra of Chatham, who upheld their reputation as providers of delightful dance music.

At midnight an excellent supper provided by the lady members of the club was served. It was 3.30 when the affair broke up and all present voted the club members capital hosts. The committee which had the af-

fair in charge and to whom a great deal of credit is due for its success consisted of the following: R. K. Shives, F. W. Kennedy, F. E. Lockhart, G. E. Farrer and F. E. Shephard. The chaperons were Mrs. H. Lunam, Mrs. S. Moffat, Mrs. C. F. Clare, Mrs. F. E. Blackhall, and Mrs. J. Wilson.

LADIES.

Miss Cameron, pale blue organdie, velvet-trimmings; Miss Alexander, white point d'esprit over white taffeta, and satin trimmings; Miss Patterson, white organdie; Miss Lida Patterson, fawn silk organdie, lace trimmings; Mrs. E. A. LeGallais, cream organdie, chiffon trimmings; Miss Fawcett, cream organdie; Miss Lamie, (Dalhousie), cream organdie; Miss Asker, blue and white organdie and lace; Miss Graham, cream voile, embroidered trimmings; Miss Wall, white point d'esprit over silk; Miss Mol Wall, white point d'esprit over silk; Mrs. H. S. Alexander, fawn taffeta, persian embroidery; Mrs. A. G. Berry, black silk, white silk trimmings; Miss Dewar, natural Pongee silk and lace trimmings; Mrs. A. H. Ingram, white organdie; Miss Bullman, white net, lace trimmings; Miss Stella McKenzie, (Dalhousie), white organdie; Miss Cassie Shaw, (Dalhousie), white muslin; Miss Janet Shaw, (Dalhousie), pale blue dotted muslin and lace; Miss Shaw, (Dalhousie), white organdie; Mrs. S. W. Dimock, white china silk; Miss Lydia Duncan, Pale blue organdie, lace trimmings; Miss Emma Mowat, Pink and white silk organdie; Mrs. R. McKenzie, green silk; Mrs. A. A. Andrew, Pongee silk; Miss Haskill, (Bangor), white embroidered linen; Miss Mowat, pink and white mull, dresden trimmings; Mrs. Barclay Gerrard, cream organdie, satin trimmings; Miss O'Regan, (Dalhousie), cream crepe du chene; Miss Quinlin, cream voile; Miss Maud O'Keefe, cream net over blue silk; Miss Amelia McLellan, cream silk poplin, satin trimmings; Miss Payne, cream mohair, silk trimmings; Miss Harris, pale blue embroidered mouseline; Mrs. A. D. McKendrick, blue silk, chiffon trimmings; Miss Minnie Harquail, fawn silk organdie over mauve silk; Miss Maud Henderson, white organdie and lace; Miss Fair, pink and white silk organdie; Mrs. S. H. Lingley, green silk and lace; Mrs. W. I. Cates, silk organdie and lace; Mrs. W. A. Mott, flowered silk mull and lace; Mrs.

A. E. G. McKenzie, pale blue crepe de chene and cream lace; Mrs. A. LeBlanc, grey taffeta and lace.

CHAPERONS

WHEN YOU EAT TOO FAST.

you have indigestion, perhaps cramps, or in any case the system is overloaded with matter that should be eliminated. Breath gets bad, eyes look dull, head aches are frequent.

Why not cleanse and purify the whole system, why not strengthen the stomach, enrich the blood and assist your overtaxed digestive organs? Easily done with Dr. Hamilton's Pills; their action is most gratifying. In every case they give the exact assistance the ailing organs require. You'll feel fit and fine, eat with a relish, sleep like a top, have a clear color and restful sleep if you regulate your system with Dr. Hamilton's Pills. Price 25c per box at all dealers.

ENJOYABLE CONCERTS.

Two very enjoyable concerts were given last Wednesday and Thursday, Oct. 23rd and 24th in the lodge, Port Daniel Centre, both concerts being under the management of Fred Mauger in aid of the new St. James church. The programme for the first evening was as follows:

PART I

Chorus, "The Land of the Maple", children Port Daniel West Sunday school.
Recitation, "Firing butter" Mr. A. Horrie.
Song, "Hide behind the door when papa comes", Miss Maude Sullivan.
Song, "Island of Dreams", Mrs. R. P. Travers.
Dialogue, "Starting in life", Misses E. Smith, J. Sullivan, Messrs A. Horrie, C. Dow, E. Mauger.
Recitation, "Little Jim", Miss Elvina Dow.
Banjo Solo, "Marjory", Geo. Walker.
Instrumental, "The Washington Post", Fred Mauger.

Stick to Merchant Tailoring.

Next Waverly Hotel, BOX 486, CAMPBELLTON, N. B.

BOVRIL creates appetite

BOVRIL added to any dish gives it the delightful odor of roasting beef.

Makes your mouth water—puts your appetite on edge.

Its rich, beefy flavor, starts the gastric juices flowing, helping the digestive organs extract more nutrition from the food you eat.

BOVRIL is not a mere extract. It contains in concentrated form all the essence, substance and flavor of prime beef.

When tired out, try a little BOVRIL in a cup of boiling water, with a soda biscuit. 'Twill refresh and strengthen you.

All good cooks keep BOVRIL always on hand. There's not a day passes that it cannot help make some dish more palatable—more nourishing.

All good grocers sell BOVRIL.

Recitation, "The Dead Dolly", Miss Georgina Elliott.
Song Duet, "O tell us merry birds," Mrs. R. P. Travers and Mrs. Journeau.
Recitation, "When Father carves the duck," Miss Eliza Journeau.
Song Duet, "I long to hear that song again," Mrs. A. Smith.
Song, "The Bird on Nellie's hat," T. Mauger.

Miss E. Smith and Messrs T. Mauger, C. Dow.
Song, "Land of Hope and Glory," Mr. Chadwick.
Song Duet, "Who's to blame," Mrs. Journeau and Mrs. Travers.
Recitation, "Guilty or not guilty," Miss A. McKenzie.
Song, "Oh ye voices gone," Miss A. Smith.
Banjo Solo "Romance," Geo. Walker.

PART II

Song, "The Chinese Song," Wm. McKenzie.
Song, "There let me rest," Mrs. Journeau.
Dialogue, "Marry Maloney's Philosophy," Mrs. A. Elliott, J. Sullivan.
Song, "Travelling," T. Mauger.
Recitation, "Signing the farm away," Miss Bella Beebe.
Song, "Anchored," Mr. Chadwick.
Dialogue, "The train to Mauro,"

Instrumental, "Blake's Grand March," T. Mauger.
Address, Rev E. R. Roy.
God save the King.

At eight o'clock the lodge was crowded; with people and many were unable to enter, and obliged to wait till the following evening. (Continued on Page 6.)

CURES Inside Ills

A sneeze—a sniffle—a cold in the head—a cough. Serious trouble may result unless you recognize the symptoms and eradicate them at once. There's a sure remedy for inside ills—take it in time and save doctor's bills. A few drops of

Johnson's Anodyne Liniment

taken on sugar will work wonders. The first dose makes a big improvement in your condition, whether you are suffering from a sore throat, a cold, cough, tonsillitis, bronchitis, asthma or other disorders of the respiratory organs. For pains in the stomach, cramp, colic, cholera, morbus and diarrhea, a few half-teaspoonful doses will bring relief and effect a speedy cure.

For outside aches and pains, cuts, bruises and lameness Johnson's Anodyne Liniment is invaluable. Always have a bottle within reach. Sold everywhere. Guaranteed under Food and Drugs Act, June 30, 1906. Serial Number 315. 25 and 50 cents a bottle. I. S. JOHNSON & CO., BOSTON, MASS.

ANSLOW BROS., Publishers,
CAMPBELLTON, N. B. Nov. 7, 1907

What a pity it wasn't the station.

The increased price of milk is very apt to encourage race suicide.

That this is the balloon age is evident from the way prices are going up.

The weather man seems to be in sympathy with the Sabbath observance law.

Meanwhile the New Brunswick opposition leaders continue to strut about the country.

The Thaw trial will likely be pulled off after the New Year. Well, we can stand a couple of "thaws" in January.

Despite the ease with which divorces are procured across the border the crime of bigamy is as prevalent as ever.

It is significant to note that while the prices of most commodities have gone up the price of whiskey remains the same.

Most cities are worrying over the price of milk, but Campbellton has always been content to worry over the price of water.

It is to New Brunswick's advantage to retain a power government which is working harmoniously with the government at Ottawa.

Whether the coming winter will be severe or not we are unable to tell, but one thing we are certain of and that is that it will be long enough.

Pittsburg makes war on "beauty doctors," says a headline. This is tough on the Pittsburg wives who are trying to compete with New York actresses.

It must not be imagined that all Englishmen who come to Canada have the glorious time that the Bishop of London and Rudyard Kipling had.

H. B. Ames says that representatives reflect the character of the electorate. The good people of Kings, New Brunswick will scarcely agree with him.

Political aspirants of the opposition persuasion should not overlook the fact that Mr. Hazen's tickets do not guarantee to take them as far as Fredericton.

Canada's unlimited possibilities are always apparent to the distinguished Englishman whose sojourn in this country is one round of luncheons and fetes in his honor.

Mr. Turgeon's overwhelming defeat of Mr. Bonar in Bellechasse shows pretty plainly what the people of Quebec think of the "Nation" cry of some conservative leaders.

The words of the song, "What a difference a few hours make," made famous by Raymond Hitchcock in "The Yankee Consul," doubtless recurred to that noted actor when he suddenly decided to disappear the other day.

It would become Mr. Hazen and his followers much better if they would deal with the problems which confront this province on the floors of House, instead of gadding about the country discussing them between sessions.

Seemingly a woman never knows nowadays whether her husband has another wife or not.

A portion of Wall street will doubtless recover in time to contribute to the election campaign funds.

It might advance the cause of justice some if more lawyers had the courage of County Attorney Connolly of Portland.

The vacancy in Colchester will give that county an opportunity to send another of Nova Scotia's most brilliant sons, Hon. B. F. Pearson to Ottawa.

Halifax gives its retiring chief of police a liberal superannuation allowance. This is in striking contrast to what the town of Campbellton does.

Borden is to hold his Ottawa meeting the night before parliament opens. He can scarcely separate himself from Fowler and Foster on that occasion.

BECOMING A FARCE

Are the people of this country opposed to capital punishment? We are inclined to believe that the majority are. It is the rule nowadays in this country when a murderer is condemned to death to circulate a petition among the people which has for its object the commutation of his sentence to life imprisonment. A petition of this kind, as a rule, almost universally signed and in due course forwarded to the authorities at Ottawa who in most cases accept it at its face value, which is very little. Unless strong reason can be shown for executive clemency the law is allowed to take its course. And why shouldn't it? If a man is convicted of wilful murder, and the penalty for wilful murder is death, then let it be death. If we are not in sympathy with the law of capital punishment let us do away with it, but so long as it is a law, let us respect it and see that it is carried out, instead of trying to make a farce of it by circulating and signing petitions praying for the commutation of a murderer's death sentence to life imprisonment or by trying to work at the eleventh hour, the played out gag that he is insane. If there is insufficient evidence to establish his guilt he should be liberated; if there is sufficient evidence to establish his guilt he should receive the punishment the law imposes.

CAN'T BACK IT UP.

The Chatham World says that it would be much to Sir Wilfrid Laurier's credit were he to ask for Sir Frederick Borden's resignation. Why? Will the World be good enough to tell us why? Yes, what has Sir Frederick Borden done or left undone that he should be asked to tender his resignation as a minister of the crown? If the World believes the story about Sir Frederick published recently by a Winnipeg paper and repeated by an English journal and bases its remarks on that story, why doesn't the World publish it, too, and attempt to give its readers some sort of a reason for saying that it would reflect credit upon Sir Wilfrid to ask for Sir Frederick's resignation? The reason why the World doesn't is quite obvious. It fears the result of a libel suit, and its fear is based on a doubt of the truth of the story. If the World is not in a position to back up its statements it should hold its tongue. It is highly unfair and unwarranted to say that

Sir Frederick should resign when it is scarcely possible to say why he should resign.

A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proved to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough. Rev. James A. Lewis, Pastor Milaca, Minn. M. E. Church Chamberlain's Cough Remedy is sold by all druggists.

Notice of Sale.

To THOMAS DUNCAN of the Parish of Addington, in the County of Restigouche and Province of New Brunswick, Farmer, the heirs of the late Henry Duncan and all others whom it doth or may concern.

Notice is hereby given that under and by virtue of a power of sale contained in a certain Indenture of Mortgage, bearing date the second day of July, A. D. 1891, made between the said Henry Duncan in his life time, party of the first part and Mary Buckenfield of the Town of Campbellton aforesaid, Spinster, of the second part, and duly recorded in the office of the Registrar of Deeds in and for the County of Restigouche as No. 4374 on pages 118-119-120 and 121 of Book "L" of said records, there will, for the purpose of satisfying the monies, both principal and interest secured by said Indenture of Mortgage (default having been made in the payment thereof) be sold at public auction in front of the postoffice in the Town of Campbellton aforesaid, on Monday the twenty-seventh day of January next, at eleven o'clock in the forenoon, all that certain lot, piece or parcel of land situated, lying and being in the Parish of Addington "known as the Henry Duncan Homestead," and bounded and described as follows:—

"On the west by a lot of land owned and occupied by Robert Adams, (now the property of John Adams) on the east by Lot number nine called the Hoar Lot and on the North by the River Restigouche containing two hundred acres more or less." Excepting and reserving therefrom the Lot of land occupied by Stewart McLaughlin.

Together with all buildings and improvements thereon standing and being, privileges and appurtenances thereto belonging or in any way appertaining.

Mary Buckenfield, Mortgagee. Oct. 21st, 1907.

The Jeweller,

CAMPBELLTON, N. B.

CORRESPONDENT'S CHIT CHAT

DALHOUSIE

FRIDAY.

There was considerable excitement last evening over a fire alarm sounded at J. C. Barberie's residence. The people responded promptly to the call, but it resulted in no damage being done. It was just a chimney fire.

We are informed that the Dalhousie Lumber Co. is putting in a few camps this winter. This news will be gladly received by merchants and all concerned. Many of the men are leaving daily for the woods.

Our water system is now about completed and many of the private residences are getting taps put in.

Chas. Morrissey of Newcastle spent Sunday in town.

Extensive repairs will be made shortly on the I. C. R. station here. W. G. Mawhinney of Charlottetown is contracting for same.

Many of the farmers are bringing in oats and provisions. Prices range from 45 to 50 cents per bushel.

We note the return of H. Ulickan to resume his old duties as brakeman on the branch train.

The Royal Bank of Canada has lately made considerable improvements to its interior.

Miss Muriel McNaughton is the guest of Mrs. C. H. LaBelle. She intends remaining a month.

Arthur McGregor of Lewis, P. Q., paid us a flying visit. He was accompanied by his wife who remains at her father-in-law's. He returned by the Maritime this morning.

Mrs. Dea of Boston and Miss Stella Troy of Dalhousie left here today, the latter intending to resume her nursing duties at Framingham, Mass.

Patrick Troy arrived Sunday from Cape Cove. The sisters made \$230 at their bazaar.

GASPE

FRIDAY.

On Sunday night a light fall of snow occurred here followed by rain, which continued until Tuesday evening.

Mrs. H. LeBoutillier has returned on S. S. Campana from Montreal. The Gaspe Lumber and Trading Company's store is now running with a fine stock of high class groceries, and a fine stock of dry goods.

Sch. Horlet, Norwaglad, put into Gaspe having lost his two anchors at Cape Cove on Sunday while loading fish there.

The deepest sympathy of the community has gone out to J. C. Calhoun the well known lumberman of Gaspe on the death of his wife who passed away at her home in New Brunswick on Monday the 21st inst. The lumbering is now in full swing again; the 3 companies here having got their camps in. Men still continue to be scarce here, although there is plenty of work and good wages offering.

The work on the railroad is progressing favorably and quite a piece of the road has already been graded.

Best congratulations to Mr. and Mrs. P. Guignon on the arrival of a fine boy.

E. Limesurier has just returned from a hunting trip and has brought back a fine specimen of moose.

Flour is still high, Royal Household, \$6.50, Glenora, \$5.75, Perfection, \$5.50. Hay and oats are also high, the former being \$25 per ton.

CHATHAM

SATURDAY.

Thanksgiving day was generally observed here by practically all the store keepers, though all the larger industries were running full blast. Services were held in the Methodist and both Presbyterian churches. The schools all had a holiday and the pupils at

ARMOUR LIMITED TORONTO

NOUVELLE

Miss Anna Bentley of the Fredericton Normal School is the guest of Miss Agnes Wilson.

After having rain for the best part of the summer it is again welcomed by the farmers, for it enables them to get their potatoes dug, which owing to the ground being frozen they had to leave till now.

We were pleased to see Gordon Keays back again visiting his old home and friends. Mr. Keays has been for the past four years in Temiscouata. While down here he was hiring men for the lumber camps, and among those that left with him on Wednesday we remarked his brother John, Willie Greene and Sherman Dickie.

On Tuesday, Oct. 22 a pleasant party was held at the residence of John Keays' dancing and singing being the chief amusements. About twelve o'clock a dainty luncheon was served and dancing was again resumed till the wee small hours. The merry party returned to their homes, all well satisfied with their night's pleasure.

Miss Louise Arsenault is visiting her parents and friends here.

George McDonald has accepted a good position on the new railroad in Port Daniel.

Social and Personal

Evan Price was in Moncton Saturday. A. E. G. McKensie went to St. John this week.

J. S. Harquail, barrister, Dalhousie was in town today.

Mrs. Wm. Dolferly returned this week from a visit to St. John.

W. A. Trueman, town solicitor paid a visit to Albert county and St. John last week.

Mr. and Mrs. Joseph Murphy of Managashan, P. Q. have removed to Campbellton.

Rev. A. J. Vibert, M. A. of Riviere du Loup, paid a flying visit to the rectory last week.

Mrs. Pearl Chaytor will be at home to her friends at the residence of Mrs. (Dr.) Murray, Friday afternoon and evening, Nov. 8th.

Clifford Miller who was operating a linotype machine on the Boston Herald arrived here this week to assume similar duties on the Morning Graphic.

Rev. R. J. Coleman and little daughter, Etta, have been spending a few days with Rev. E. A. Dunn, M. A. of New Carlisle and with Rev. E. Roy, M. A. of Shigawake.

Minard's Liniment cured Druff.

NOTICE OF SALE.

To John F. Silasas of the Parish of Dalhousie in the County of Restigouche and Province of New Brunswick, farmer, and Mary Silasas his wife, and to all others whom it shall or may concern:

NOTICE is hereby given that under and by virtue of a power of sale contained in a certain indenture of mortgage bearing date the first day of February, A. D. 1905, made between the said John F. Silasas and Mary Silasas as his wife, and James Martin of the Parish of Colborne, in the County of Restigouche, farmer, of the other part; and which mortgage was duly registered the second day of February, A. D. 1905, as No. 7446 on pages 618,617, 618,619 and 620 in Book V., of the Records of the County of Restigouche, there will for the purpose of satisfying the monies secured thereby, default having been made in the payment thereof, be sold at public auction on Monday, the Twentieth Day of January, A. D. 1906, at two o'clock in the afternoon, in front of the court house in the town of Dalhousie, in said county, all and singular that certain lot or parcel of land and premises, situate, lying and being in the parish of Dalhousie in the County of Restigouche and bounded as follows:

Beginning at a certain stake standing between lots number ten and eleven, on the east drain of Highway Road, three hundred and fifty feet from cedar stake standing on the southwest corner of lot number three deeded to John R. Hamilton, thence running southerly along the said Highway fifty feet to a cedar stake standing on the aforesaid drain between lots number eleven and twelve, thence easterly at right angle to said Highway, one hundred and sixty feet to a cedar stake standing between corners of lots ten and eleven, thence westerly one hundred and sixty feet to the place of beginning, containing eight thousand square feet, being part and parcel of land deeded to James McNair by Eliza Barberie.

Dated at Dalhousie this fourth day of November, A. D. 1907.

ROLAND MOFFAT, Assignee of Mortgage.

WOMAN'S WORLD.

Mrs. J. R. Foraker, who will be married to her cousin and go to live in Siam.

The men of earth build houses—halls and chambers, roofs and domes—But the women of the earth—God knows!—the women build the homes.

—Nixon Waterman.

Last week we talked of a man in his home, in his office and in society. Today, let us discuss the newly married woman and what is too often her methods of making herself as unattractive as possible in her own home. That sounds rather an odd subject.

Impoverished Soil

Impoverished soil, like impoverished blood, needs a proper fertilizer. A chemist by analyzing the soil can tell you what fertilizer to use for different products.

If your blood is impoverished your doctor will tell you what you need to fertilize it and give it the rich, red corpuscles that are lacking in it. It may be you need a tonic, but more likely you need a concentrated fat food, and fat is the element lacking in your system.

There is no fat food that is so easily digested and assimilated as

Scott's Emulsion of Cod Liver Oil

It will nourish and strengthen the body when milk and cream fail to do it. Scott's Emulsion is always the same; always palatable and always beneficial where the body is wasting from any cause, either in children or adults.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

GREAT INDEED.

Will be the Advantage Derived from an old Remedy in new Form.

MR. A. MCG. McDONALD,
OUR LOCAL DRUGGIST
INTERESTED.

The Public Marvel, and Doctors Everywhere Pleased.

Probably no branch of science has made such wonderful strides as have been made in the practice of medicine. Diseases that a number of years ago were considered fatal, are now known to be curable. Even consumption is no longer looked upon with the dread that it formerly inspired.

It is right on this line of wasting diseases that we now have news of a wonderful discovery—one that is bound to revolutionize the science of medicine and startle the world. Every one is familiar with methods that have been employed by physicians for years, in cases that they were afraid would develop into a decline. In all troubles of the throat, lungs, bronchial tubes and other similar ailments that were known to end disastrously, about the first thing the doctor would do would be to recommend cod liver oil, for cod liver oil has been recognized for a great many years as possessing peculiar medicinal properties particularly adapted for the cure of such troubles.

Everyone knows the objection, however, to the use of this nauseating remedy. So extremely disagreeable is the taste and smell of cod liver oil that many people have actually been unable to take a single dose of it. Many others have made heroic efforts to take the medicine but have been obliged to abandon it after struggling with the horrible stuff for a few days.

The consequence is that thousands have died in incurable diseases who might have been saved, had it been possible to administer this potent medicine. Enough people have been able to assimilate cod liver oil to prove to the medical profession and the world at large, its intrinsic value. Such patients as were blessed with unusually strong stomachs derived benefit from the oil. Why, then, could not a form of it be devised to be administered to patients whose digestive organs had been weakened by disease?

This is exactly what scientists and chemists have been aiming at for years, and this is exactly what has been accomplished by two prominent French chemists. Their secret has been brought to America and our own Mr. McDonald has succeeded in connecting himself with the prominent firm of Boston Chemists who are placing this new preparation on the market.

The preparation in question, now that it has been discovered, like all other great inventions, is simple. By a peculiar process the liver of the cod is treated in such a manner that there is obtained an extract which contains all, and only all, of the curative properties that have made cod liver oil famous. The horrible smelling, nauseating-tasting fat that has always been a part of this remedy has been entirely discarded.

This curative extract is the basis of Vinol, Mr. McDonald is presenting to the public. It is combined with Organic Iron and Beef Peptone, dissolved in a specially made medicinal wine, and the result is a preparation that is delicious to the taste and, extremely comforting to the stomach.

Mr. McDonald has indeed been fortunate in making arrangements to handle this new remedy which goes under the name of Vinol. It is worth any one's while to talk to him about it and to learn directly from him the good that is being done by finding a way to administer what has always been a horrible and much dreaded medicine, in a form that is actually delicious, to say nothing of being a hundred times more efficient.

Even women of the aristocracy are not above trade, the Duchess of Sutherland upon one occasion, when she visited Russia, having packed her trunks with samples of Highland tweed, with which she used to drum up trade, from which she has been called the "drummer duchess."

In Colorado the State Federation has a fund like that of the College Alumnae association, 11 girls having received help last year. The girls helped to show their appreciation by returning the money as soon as possible. The emergency aid has in the past done such work in St. Louis.

MOTHERS, HERE IT IS!

A friend and comforter, an unceasing aid in every house for the hundred and one ailments that do turn up. Nervine is too valuable to be without. If something exten causes trouble, if it is cramps, indigestion or headache, Nervine cures. For cold on the chest, aching limbs or lame back rub on Nervine and get ease at once. As a family safeguard nothing is known to excel Polson's Nervine. Get the large 25c bottle from your dealer.

ENJOYABLE CONCERTS.
(Continued from page three)

The concert commenced shortly after eight with the chorus which was very much appreciated. A very beautiful duet was sung by Mrs. Travers and Mrs. Journeau of Shigawake, "O tell us merry birds, which was encored. Geo. Walker from Gascon being present gave two banjo solos, "Marjory" and "Romance" accompanied on the organ by his brother. A comic song, "The bird on Nellie's hat," by Mr. Manger was encored. The song, "He walked right in, turned round and walked right out again," was then sung. The Chinese song by Mr. Wm. McKenzie was one of the best numbers of the evening. The chairman, Rev. E. R. Roy closed the concert with an address.

Women Suffer Agonies from Kidney Trouble

GIN PILLS CURE THEM

There is Mrs. Ripley, for instance. She suffered terribly with her back. It ached, ached, ached—all the time. Even when she lay in bed it ached. She could not get up. It finally became so bad that housework was impossible.

She certainly was a discouraged woman when she began to take GIN PILLS. And there isn't a happier, healthier woman in the Dominion than this same Mrs. Ripley to-day.

Williamdale East, May 9th. I cannot refrain from writing you the best of my back, and had suffered for twenty years, until I got "gin pills."

GIN PILLS cured her kidneys. She has been well ever since. GIN PILLS are a grand medicine for women.

Try them at our expense. Mention this paper when writing and we will send you a free sample so you can see for yourself just what GIN PILLS will do for you. The Bole Drug Co., Winnipeg, Man.

Cock-a- Doodle-do

We're justified in crowing over our competitors. Our cocks, stop cocks, etc., are cock of the pipe. Our joints don't leak. Sewer gas we lead out. We don't find it in the house except when we fix some other fellow's plumbing. Ever have your house tested for sewer gas and leaks? That's one thing we do. Then we fix things. It's worth the cost.

TOWN TOPICS

The Schubert Symphony Club and Lady Quartette is appearing at the Opera House this evening to a crowded house.

George LaBel of Eel River crossing had a stroke of paralysis Saturday evening. He is now under the care of Dr. Doucet.

Thirty-four drunks were arrested during the month of October. Two vagrants were also run. The fines amounted to \$78. Seventy-one meals were served during the month.

An anniversary service will be sung in the Matapedia R. C. Church on Tuesday next at 9 a. m. in commemoration of the death of Dr. J. A. Pineault. Friends are invited to attend.

The police are busy gathering in the dog taxes. They have already collected over twenty and hope to double this number in the next few days. Two or three dog owners told the officers that their animals were not worth the tax and that the police better shoot them.

Prof. Robert Turner billed as America's leading lecturer, traveller and entertainer will present his new illustrated lecture "Ben Hur" in the new hospital building, Campbellton on Monday evening next. On the following evening he will lecture on "Beautiful Ireland." Both entertainments which are under the auspices of the A. O. H. and in aid of the Hotel Dieu Hospital should draw crowded houses.

Felix Fleiger an old resident of Cove Road, five miles from Dalhousie died very suddenly at his home, about three o'clock this morning. Mr. Fleiger, who was 85 years of age ate his supper as usual last evening, but later complained of feeling unwell. Deceased leaves six sons, Joseph, William, Felix, Thomas, James, and Alex and one daughter, Sarah. He had been a resident of Cove Road nearly all his life.

Messrs. Malcolm and Richards were at St. Leonards last week. They report about three inches of snow in that vicinity. Operations on the St. Leonards end of the Malcolm road have been suspended for the winter and all the men who were working on that end have been brought over here. Mr. Malcolm hopes to be able to continue the work on this end until along in January. He now has six hundred hands on and expects a hundred more Italians this week.

A quiet wedding was solemnized Wednesday evening last at the Baptist parsonage by the Rev. F. J. Stachouse when Mary N. MacBeth of Tide Head was united in marriage to Wm. R. Millican of Campbellton. On their return a reception will be held at the home of the bride's brother, John MacBeth, Tide Head.

Archibald Fracker was on Monday sent up for trial by Magistrate Connors of Chatham after a preliminary hearing in the police court. R. A. Lawlor appeared for Alderman Mesereau, and E. P. Williston, of Newcastle, for Archibald Fracker. Dr. Duffy testified to attending plaintiff and detailed the injuries received at the hands of defendant. Anthony Adams swore he remembered October 25th; that day he saw Mr. Fracker about 10.10 a. m.

He had a conversation with him; Mr. Fracker said he was laying for Mr. Mesereau and was going to kick the head off him. In the afternoon J. Y. Mesereau told of the assault. The case will come up in January at Newcastle.

Rev. W. A. Thomson will preach (D. V.) at Matapedia on Sunday, Nov. 10th at 1.30.

Rev. Geo. Bernier who was recently stationed at Campbellton has been appointed assistant to Rev. Father Levesque of Tracadie.

A number of the readers of "Events" have gained the erroneous impression that this paper is to be discontinued when "The Morning Graphic" makes its appearance. "Events" will continue to be published each Thursday and while many of its readers will prefer to read the daily in future "Events" will not be without its patrons.

The marriage took place at New Carlisle on the 23rd of Miss Annie Marie LaBel, daughter of L. P. LaBel, Esq., registrar and J. A. Doucet, notary, and crown lands agent. After a sumptuous breakfast at the home of the bride's father the happy couple left for Montreal and the west. The bride was the recipient of many handsome and costly presents. She is very popular in New Carlisle and has the best wishes of hosts of friends.

Inspector Noble and Constable LaBel of New Carlisle arrested Jim LeClare at Campbellton on Wednesday last on a warrant sworn out by Detective Noble for stealing a silk umbrella and coat from the Matapedia station in July last. The officers searched LeClare's baggage and found the missing articles. The accused was taken before Magistrate Stiles of Matapedia. He pleaded guilty and was committed to the jail at New Carlisle to await his trial.

Duncan and McLennan are manufacturing two refuse consumers, one for the River Louise Lumber Company of Jacques River and the other for the William Richards Company. The sad death of Philemon Cyr occurred Oct. 28, Monday morning. The boy had been sick five weeks. The little fellow's death is much regretted by all who knew him. His school teacher collected money from his class mates and sent to a green house in Sussex for a beautiful crown. The funeral was largely attended.

W. G. Fenwick of Bathurst has purchased from J. J. S. Hackey of this place, his fast pacing mare Star Lace 217 1-4. This mare holds the record of the Bathurst track 2.22; also the one half mile record 1.06 1/2. Star Lace has worked miles in 2.15 since Mr. Hackey purchased her in New York. Mr. Fenwick intends racing her in the ice meets to be held at Amherst and New Glasgow this coming winter. The mare does not wear the hoppers. She is being fitted by driver S. P. Bishop who also has the pacing mare Violet R. 2.35.

The publishers were compelled to postpone the first issue of the Morning Graphic because of the non arrival of machinery parts. The new paper will positively appear on Saturday morning. The destruction of a typesetting machine and a large quantity of heating type in the freight shed has proven a great inconvenience to the publishers of the Graphic and on this account the first few issues of the new paper may not be as good as the publishers would wish for. The linotype machine now in operation in this office is the only machine of its kind in the Lower Provinces. More modern than the ones in use in St. John and Halifax.

Mrs. Ellen McLaughlin one of the best known and most highly esteemed ladies of the town died at her home here on Saturday evening at the age of 79 years. Deceased was in failing health for some time past and although her condition was such as to cause her friends much alarm, the sad news of her death came as a great shock to her many friends. She leaves to mourn the loss of a kind and loving mother, three sons, Daniel J. Stewart and James of this town, and one daughter, Mrs. Henry Duncan, also of this town. The remains were forwarded on this morning's local to Dalhousie where interment took place yesterday. Much sympathy is extended the sorrowing family in this their sad bereavement.

W. S. Harkins has written manager Dimock of the Opera House asking for open time in December. It is altogether likely that Mr. Harkins will bring his excellent company here for a week, but in order to do so he will have to jump from Halifax to Campbellton. The following is from a recent issue of the St. John Telegraph: If the proverbial sign, S. R. O., could have been made to read "packed to the doors," it would have conveyed to the expectant theatregoer a better idea of the interior of the Opera House yesterday afternoon, when W. S. Harkins presented his holiday bill, The Man From the West. The attendance is said to have eclipsed all records and the returns showed that more than 1,500 people were present. The Man From the West is one of the strongest pieces in the repertoire of the Harkins company. It was admirably acted and contains plenty of bright comedy throughout to relieve the intensity of the drama.

TO SPAN RIVER AT MATAPEDIA.

Long Cherished Hopes of Bay Chaleur People to be Fulfilled.

BRIDGE FOR TEAMS.

Three Governments Will Build it and it Will Cost Altogether About \$45,000.

An interprovincial highway bridge at Matapedia has long been the cherished hope of the representatives of the adjoining counties of New Brunswick and Quebec, and the fulfillment of it seems to be assured.

On Thursday last a party of gentlemen consisting of James Reid, M. P.; Hon. C. H. LeBlond, chief commissioner of Public Works, of N. B.; Wm. Currie, M. P.; A. R. Wetmore, provincial engineer; John McBeth, councillor for Addington; D. A. Arsenault, councillor for Balmoral; Councillor J. H. Taylor, A. B. G. McKenzie, S. Martin, and H. B. Anslow of "Events." Campbellton, left here on the local for Matapedia, and were then met by Hon. Charles Marcell, M. P., John Hall Kelley, M.P.P.; L. A. Vallee, provincial engineer; R. O. Styles, mayor of Matapedia; Hugh Sillars, secretary treasurer Southeast Restigouche, Councillor Adams, and P. E. Amiot, Dominion Engineer.

After a very pleasant greeting the party with the engineers walked over the I. C. R. bridge between the two provinces at Matapedia, and upon the pier of which it is proposed to construct the interprovincial highway bridge, and inspected the site, the various estimated costs of erection being explained by the engineers.

The ground a little lower down the river, at the head of the island was also viewed, as was also a proposed site at Adams Point, about a mile and a half above Matapedia. While the latter point has some features to recommend it, it is generally thought that the central site is the one which will meet with universal approval, and no doubt this one will be finally selected.

After the inspection the party returned to the Restigouche hotel, where they enjoyed a hearty Thanksgiving dinner, and later left for home.

MEETING AT MATAPEDIA.

(From our own Correspondent.)
MATAPEDIA, Friday.—Mr. Charles Marcell, M.P., for Bonaventure, deputy speaker of the Commons arrived here yesterday morning from Ottawa and is the guest of his sister in law Mrs. Pinault. He came to attend a meeting of his constituents in this district to explain to them the position of affairs in connection with the proposed interprovincial bridge over the Restigouche at this place. Mr. J. H. Kelly, M.L.A., came up from New Carlisle and both members addressed a meeting here last evening in the Municipal Hall. It was presided over by Mr. Robert Noble, mayor of Restigouche Township and Warden of the county and Mr. R. O. Styles, mayor of Matapedia. Both members received a very cordial reception and the crowd cheered their efforts to secure this district for the bridge. Rev. Father Stairs, was present along with Mr. Percy Baker of the Restigouche Salmon Club. Mr. N. Richard, mayor of Matapedia and the leading people of the district. Rev. Father Pettit, parish priest of St. Alexis sent a letter joining in the movement.

Today Messrs. Marcell and Kelly met Hon. Chas. LeBlond, chief commissioner of Works of New Brunswick, Jas. Reid, M.P., Wm. Currie, M.L.A., and Messrs. Amiot, engineer of the Public Works of Canada, Wetmore, engineer of New Brunswick and Vallee, engineer of Quebec, to decide upon the site of the new bridge. This bridge is to be composed of the superstructure of the former I. C. R. bridge here, which, valued at \$45,000 was given by order of council and vote of parliament as a contribution of the Dominion towards the interprovincial bridge, to which the Dominion Parliament and the legislatures of New Brunswick and Quebec are to add a cash contribution. The expenditure is estimated at \$30,000 which with the superstructure will bring up the total cost to \$45,000. It will be a great boon to the whole district and enable the residents of the Matapedia and Restigouche valleys to reach Campbellton easily. Mr. McBeth, Premier of Quebec and the New Brunswick government and especially Hon. Chas. LeBlond are furthering the undertaking which seems sure of success. This bridge ought to be ready for use in a year.

BROKEN LANTERN CAUSES BLAZE WHICH DESTROYS I. C. R. FREIGHT HOUSE.

Signalman Was Swinging Lantern When it Came Apart Setting Fire to Platform Adjoining Shed.

GOODS DESTROYED VALUED AT \$10,000.

A lantern which a signal man here was swinging Thursday night on the I. C. R. platform opposite the freight shed came apart. The lower portion exploded and fell to the platform. In a second the platform was on fire. The signal man, however, stamped and put out the blaze and in a few minutes the occurrence would have been forgotten had not fire and smoke been detected between the freight shed and the platform. The signal man in stamping out the blaze probably caused a spark or two to drop down a crack in the platform whither a portion of the oil had flowed. An effort was made at first to extinguish the blaze between the shed and platform with buckets of water, but it was soon found that this could not be done. An alarm was then sent in and the fire department responded promptly, but the freight shed which was saturated with oil and full of combustible material was burning in many parts by the time the water was turned on. Two good streams were played on the building as well as on the freight cars in the yard. In spite of this the shed was soon a mass of flames and two or three cars were ignited. The burning cars were shunted down to the station where another stream was played on them, and although they were badly scorched were saved from destruction. At two o'clock in the morning the freight shed and its contents were a smouldering mass. Very little freight was saved. Thursday being a holiday the freight shed hands did not work, and as a consequence there was two days' freight in the shed. Among the articles destroyed was a typesetting machine for the Morning Graphic, as well as about \$500 worth of head type, etc. for the

same paper and a large quantity of macaroni and other provisions which Mr. Malcolm had obtained for the Italians working on his road. There was also six months' supplies in the shed for the G. N. W. Telegraph Company here, three pianos for local parties and other valuable goods. Wm. Currie & Co. were among the heavy losers. In fact half of the business houses in the town were inconvenienced by the fire. Luckily the freight for the Lady Ellen had all been taken out.

A hundred weight of gun powder for the I. C. R. trackmaster here caused a slight explosion. I. C. R. officials estimated the value of the goods in the shed when the fire occurred at about \$10,000, but some think the estimate altogether too low. Nearly all who had goods in the shed have filed their claims and it is to be hoped the government will make an early settlement. Box cars are being utilized for the storage of freight here until such time as a new shed is completed. Inspector Noble whose duty it was to investigate the origin of the fire was not informed of the lantern episode although he questioned sharply all who knew about it, and it was only by a piece of clever detective work on his part that he learned the facts and this saved the government a good deal of money for it being suspected that the fire was of incendiary origin, the authorities would doubtless have been compelled to employ secret service agents. Chief Detective E. A. Williams of the I. C. R. arrived here Monday night and with Mr. Nole held a sworn investigation at which the man who dropped the lantern admitted the facts.

MANY MATTERS DEALT WITH AT TWO MEETINGS OF BOARD

A meeting of the Town Council was held on Thursday evening of last week, Mayor Murray presiding.

After the reading of the minutes and other routine business had been transacted, the report of the Police and Licence Committee recommending that the services of Policeman John Duncan be dispensed with after Dec. 1st, was adopted. Coun. Miller read a letter from A. E. Alexander offering to loan the town \$17,000 at five per cent. to be repaid at any time after six months' notice, (the amount of principal \$10,000 on interest now due to be part of such \$17,000) and the whole to be secured by water and light bonds at five per cent.

After some discussion the offer was accepted. Coun. Miller submitted figures on a safe from the firms of J. & J. Taylor and Goldie & McCulloch, but the council thought it advisable to have more information as to quality of safe and price before purchasing.

The Water and Sewerage Committee were given authority to procure figures on 10 to 18 inch pipe for the reservoir, new water main from the reservoir.

W. H. Wallace was heard before the council in regard to a notice of trespass on town property at the reservoir. Another letter was read from W. A. Mott on behalf of John Duncan protesting against his dismissal from the police force, claiming that he had been appointed for the year and could not be rightfully dismissed unless good and sufficient cause were shown why such action should be taken. The letter was referred to the Town Solicitor.

Another letter was read from W. A. Mott, on behalf of John Cameron, re his sidewalk grievance.

Coun. Taylor stated that he had met Mr. Cameron that evening and had ascertained from him that if a temporary plank was placed over the sidewalk this fall and the old grade to his residence restored permanently in spring, he would be satisfied.

Coun. Taylor further stated that he immediately gave the necessary instructions and the temporary work had been done. The letter from Mr. Mott had apparently been written previous to this.

Mr. Cameron was heard before the board in reference to the matter and stated that he wished to have a grant from the council that the old grade would be restored next spring.

After considerable discussion the Public Property and Street Committee were authorized to enter into an agreement with Mr. Cameron guaranteeing the fixing of the approaches to his premises.

Coun. Mowat from the Electric Light Committee reported on the request from Hotel Dieu hospital for a reduction in rates for electric light and also that the new wiring of the hospital be wired: 1st. That we have no recommendations to make in regard to reduction of existing rates; 2nd. That the Electric Light Department has exception of inspection.

Dr. Cates was heard before the Council in regard to the petition for sewer near his residence presented to Council some time ago.

Coun. Andrew stated that the matter would be attended to as soon as possible.

The plans of a portion of the water and sewerage systems of the town prepared by the Manager of the department, J. Art Williams, were submitted to the Council for inspection.

On motion the sum of \$17,000 was voted to Mr. Williams to reimburse him for cost of materials in plans, said sum to be paid as soon as plans were completed.

Coun. Andrew stated that no permit had been issued for the fish tank at Royal Hotel and nothing had ever been paid for the service. He wanted to know if Council wished to have the service discontinued until the permit was issued.

In the discussion which followed it was brought out that Mr. Sproul was liable to a fine for not complying with the water regulations. It was understood that the fish tank service would be cut off at once.

DISMISSED OFFICER PROTESTS.

John Duncan Claims He Should Have Been Given a Year's Notice.

Another meeting of the Council was held last evening, the full board in attendance. A letter was read from W. A. Mott on behalf of John Duncan protesting against his dismissal from the police force, claiming that he had been appointed for the year and could not be rightfully dismissed unless good and sufficient cause were shown why such action should be taken. The letter was referred to the Town Solicitor.

Another letter was read from W. A. Mott, on behalf of John Cameron, re his sidewalk grievance. Coun. Taylor stated that he had met Mr. Cameron that evening and had ascertained from him that if a temporary plank was placed over the sidewalk this fall and the old grade to his residence restored permanently in spring, he would be satisfied. Coun. Taylor further stated that he immediately gave the necessary instructions and the temporary work had been done. The letter from Mr. Mott had apparently been written previous to this.

Mr. Cameron was heard before the board in reference to the matter and stated that he wished to have a grant from the council that the old grade would be restored next spring.
