#### FROM THE STATES.

New York, Sept. 8, p. m.  
The Tribune's special Washington despatch says the President, in a recent conversation with a Louisianaian, said those who imagined that he was hostile to negro suffrage, were mistaken. He urged the Louisianaian to advocate liberal views in Louisiana, and said, "Why cannot you do as Massachusetts does? If a negro can read and write, let him vote. There are not five hundred in Louisiana who can stand the test; but it will be doing justice, and stop Northern clamor."

Sept. 9.  
In the Wirtz trial yesterday, Judge Advocate Chapman stated while Wirtz was an atrocious criminal and responsible for a great many crimes, there are others above and higher than whom Government will seek to hold responsible for growing crimes. Documentary evidence was introduced in the trial, showing that the condition of the Andersonville Prison was well known to the rebel authorities in Richmond. New Orleans papers contain Mexican advices, stating that all refugees from Texas, and other States who have taken up their abode in Mexico, except seventeen, have been ordered to leave Monterey and domesticate themselves in the interior. This is done by imperial decree.

Military operations are to be resumed against the Liberals in Durango and Sonora as soon as the rainy weather is over.

Inspection & Sale, BEER & SONS, Charlottetown, May 17, 1865.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced." &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each bottle, and the bottles are not reduced in size. All twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Fast and astuborn thins.

"I owe much to you, for I verily believe the Plantation Bitters have saved my life."  
REV. W. H. WAGGONER, Madrid, N. Y.

"I have been a great sufferer from Dyspepsia, and had to abandon preaching." The Plantation Bitters have cured me.  
REV. J. S. CATHORN, Rochester, N. Y.

"Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house."  
SYKES, CHADWICK & CO., Proprietors Willard's Hotel, Washington, D. C.

"I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect."  
G. W. D. ANDREWS, Superintendent Soldiers' Home, Cincinnati, O.

"The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business."  
H. B. KINGSLEY, Cleveland, O.

"The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm."  
C. C. MOORE, 254 Broadway.

New-Bedford, Mass. Nov. 24, 1865.  
DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small size-glassful after dinner. Feeling better by degrees, in a few days I was astonished the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully, JUDITH RUSSELL.

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one-half of the weariness, prostration and distress experienced by them, would vanish. James Marsh, Esq., of 159 West 14th St., N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has child now eighteen months old which she has nursed and reared herself, and both are hearty, strong and well. The article is invaluable to mothers." &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck. Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters, in bulk or by the gallon, is an impostor. We sell only in bottles. Sold by principal dealers throughout the habitable globe.
