Canadian Government on Dis-
armament.
- Mr. Max Wershof - Legal Adviser and Assistant Under-
Secretary of State for External
Affairs.

page 2

Mr. Paul Beaulieu	-	Canadian Ambassador to Brazil.
Miss Margaret Meagher	-	Canadian High Commissioner Designate to Kenya.

In addition to these representatives, a number of observers, including Members of the Senate and the House of Commons, will attend the session. The delegation will also include advisers drawn from the Permanent Mission of Canada to the United Nations and from the Departments of External Affairs and Finance.

Brief biographical sketches of the above-mentioned delegates are attached.

1914

1. The first part of the year was spent in the field, collecting specimens and making observations on the habits of the various species of birds and mammals which were abundant in the region.

2. The second part of the year was spent in the laboratory, where the specimens were prepared and the observations were recorded. The results of the work were published in the form of a report to the Bureau of Biological Survey.

3. The third part of the year was spent in the field, where the work was continued and the specimens were prepared and the observations were recorded.
