Dear Professor Du Rouze:-

Mr. Howard Murray has given the sum of \$1,000. to be devoted to scholarships in French in the School of Commerce. Two scholarships are to be given each year amounting to \$100. each. It is suggested that they should be awarded on the basis of work done during the Third Year and paid out in the Fourth Year to students who continue French.

As we would like to make the definite announcement as soon as possible we would be glad to have your suggestions.

Yours faithfully,

Director.
