to be chosen as hereafter provided; and such other members of the Society as may be chosen by the Local Committees, according to the ninth Bye-Law.

7th. An Annual Meeting of the Society, open to all its members, shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurer shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August, and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The Members of the Church in every part of the Province, are invited to co-operate with the **DIOCESAN CHURCH SOCIETY**, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the **DIOCESAN CHURCH SOCIETY**. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention:—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England, in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee; and, lastly, the written approbation of the Bishop.

- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
- 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some Members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. An Annual Sermon shall be preached before the Society. The Preacher, time, and place, to be appointed by the President.

14th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office; but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

15th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

PRAYERS

APPOINTED TO BE USED "AT ALL MEETINGS OF THE SOCIETY, AND OF THE COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favour our Sovereign Lady, Queen Victoria; and so rule her heart that she may in all things seek Thy honor and glory. Prosper with thy blessings the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but above all, for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ: to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be thy name; Thy Kingdom come; Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen

REPORT.

THE Executive Committee have the satisfaction of presenting their twenty-fifth Report, containing an account of their proceedings during the year 1862, together with a statement of the prospects of the Society for the present year. They would first record with gratitude their sense of the support and protection which Almighty God has vouchsafed to this Society during the twenty-six years of its existence. They acknowledge that to Him alone must be referred whatever blessings to the Church have sprung from their labors in its cause. They especially thank Him for imparting that spirit of harmony and Christian charity which has always prevailed at their counsels; and they humbly ask for a continuance of divine help and guidance to those who are striving to do their part in Christ's Church militant.

During the past year a vacancy has occurred in the executive committee by the death of Mr. Wm. Marvin, who, since the year 1845 has been a useful member of the committee, constant in attendance at its meetings, and ever ready to do for the Society any service in his power.

The executive committee regret that several of the missions to which they have formerly given some assistance, are now without missionaries; but they trust that the number of young men preparing for holy orders will enable the Bishop soon to fill up all vacancies where any adequate means of support can be provided.

A review of the Society's work during the past year, is not without much cause for encouragement. Its efforts have been directed almost exclusively to the support of clergymen; and their returns which are published in the tables of statistics, will best shew what work the Church is doing in this Diocese. For some years to come we must maintain a great struggle while passing from a state of comparative dependence to one of self-support. We have no anxiety for the result, because God will defend and support His own; yet we must remember that each member of the Church is as much responsible for the part he takes in the great work as if the result de-

pended upon himself alone. We look forward to the time of self-support with hope and confidence, as to a period of renewed life and activity.

Under the present circumstances of our Church, the executive committee have thought that the resources of the Society should be husbanded as much as possible. They have, therefore, refrained from extending its operations as far as might otherwise have been done. They have reason to think that this Society is every year more appreciated by Churchmen; and that its objects, general and special, are well calculated to call forth and guide the exertions of all in unity and brotherly emulation.

From the returns for the year 1863, the committee observe with pleasure that more care has been taken to enrol the Sunday-school children as members of the Society. They are confident that hereafter the good fruits of such training will fully appear.

They have the satisfaction of stating that there is a probability of a little increase of income in 1863; since the contributions from the parishes are generally larger than in last year, although there are some, where owing to changes and vacancies, no collections have been made.

The income for general purposes is a little more than that of the year 1861. The amount received during 1862 from the subscribers to the D.C.S. was \$4251.64, which should correspond with the lists published in the last Report. From this amount the sum of \$679.35 was reserved by the parishes toward their several Endowments, leaving \$3572.29 at the disposal of the Executive Committee during 1862, for the general purposes of the Society.

WIDOWS' AND ORPHANS' FUND.

The receipts during 1862 were:—

Special in subscription lists.....	\$32.00
Donation.....	20.00
Premiums paid by the Clergy.....	548.36
Collection in the Parishes.....	217.98
Interest on money funded.....	546.55
	\$1364.89

The amount of premium appears much larger than formerly, in consequence of the payment of back premium by a clergyman who received a certificate in 1862.

The collections in the country parishes are about the same as last year, although the amount received is much less, in consequence of the collection in St. Paul's Church, Halifax, not being paid in to the Society before the end of the year.

The total receipts for this fund are somewhat larger than in 1862, yet the committee regret to say that in nearly one-half of the parishes no collections have been made. Annexed is a list shewing the amounts *received* from the several parishes during the past year. The average income for the last seven years is \$1184.

The charges upon the fund are now \$340 per annum. There are forty clergymen holding certificates; average premium, \$12.12, corresponding with the age 41-2.

The Treasurer's Reserved Fund, and the Funded Donations, will be held in future under one head; as the "Reserved Fund." The amount has been somewhat increased by the addition of that part of the grants for Missionaries during 1861 and 1862, which was not used in consequence of vacancies in the missions.

ENDOWMENT OF PARISHES.

The Endowment Committee have received during 1862 \$2,153.56 from the following sources :—

Reserved Fourths.....	\$679.35
Special Subscriptions.....	80.84
Interest.....	593.37
	<hr/>
	\$1,353.56
In trust, interest payable to the incumbent of the Parish.....	800.00

It will be seen that this fund is slowly and steadily increasing at the average rate of \$1200 a year.

The committee regard this fund with much interest, believing it to be the foundation for the future endowment, to a certain extent, of every parish and mission in the diocese. They hope that the present wants of the several parishes may not compel them to withdraw their money from the Society where it is accumulating for their benefits.

For the better care and security of this fund, the Endowment Committee have recommended some additions to the Rules under which it is held. The most important of which is to the effect that when an investment made by any parish from this fund shall be realised, the money shall be returned to this Society, under the former conditions, until such time as the Parish may be able to procure another satisfactory investment.

The suggestions of the Endowment Committee, together with a memorandum of the amounts owned by the several parishes at the end of 1862, will be found in the *appendix*.

During the past year the following amounts have been paid to the parishes :—

From money in *Trust* :—To Newport, Interest for 1861, \$75.00. Guysborough, \$18.18. Digby, \$22. Antigonish, \$22. Manchester, \$5.77. Horton, part of money held in trust, \$200.

From the "Reserved fourths," to be invested by the parishes for the benefit of the Incumbent :—To Liverpool, \$222. Wilmot, \$119.80, and Lunenburg \$100.

SUPERANNUATION FUND.

At the last general meeting, the Society adopted Rules for the regulation of this fund, entrusting its management to a sub-committee of six lay members of the Society, with the Bishop as their chairman. Something has already been collected and invested for this object, as the commencement of a capital fund which will ensure some provision in future for those clergymen who from age or infirmity may become unfitted for further work in the Church. The committee earnestly recommend the subject to every churchman, and express a hope that the clergy may be able to make one collection for it in each year until the fund is firmly established.

The Rules will be found in the *appendix* to this Report.

MISSIONARIES.

Toward the support of Missionaries, to meet in general the same amount from the people, there has been paid during 1862 :—

which is a little less than last year, in consequence of a vacancy during part of the time at Westport, and the discontinuance of payments to Barrington, where the missionary now receives aid from another source. A table of statistics, shewing the Church's work carried on in these missions, will be found in the Appendix.

Both Bridgewater and Westport are now vacant; the missionaries having been removed from those missions, the one to Tusket, the other to Bridgetown.

The executive committee has lately made a grant toward the support of a missionary at Turns Bay and the shores adjacent, where there are many church people who have been long without the regular services of a clergyman. It is also proposed to resume in part the support of a clergyman at Milford, and thus as far as possible to extend the missionary work of the Society.

During 1862, the Society has paid the second moiety of a grant to a church at N. W. Arm, Sydney, \$10.00; for books returned for the fourths of their remittances to Yarmouth, New Dublin, and Lunenburg, \$62.13; to the preacher of the annual sermon, \$20; advertising, \$22.08; sent to S. P. G. for Heathen, being special donations during several years, \$91.50; printing the 24th Report, \$174.00; Secretary's salary, \$120.00; in all, \$2,871.71,—leaving a balance in the hands of the Treasurer, at the end of 1862, of \$2214.96. From which must be deducted salaries for missionaries not called for in 1862, and other unpaid grants to the amount of about \$1200.

The Rev. the Rector of Guysborough has sent to the Society an interesting account of his parochial work. The abstract of which will be found in the table of Statistics. At the last Easter meeting the parishioners passed a vote of thanks to their Rector for his kindness and liberality in giving up toward the endowment of the parish the interest of certain funds held for the support of the clergyman there.

The executive committee have much satisfaction in again receiving a contribution from Arichat, C. B., and unite with their clergyman in hoping that the parish will not again fail to acknowledge the claims of the D. C. S. upon all churchmen.

From Albion Mines the Rev. D. M. Grindon writes:—

“Though not quite so large a contribution as on one or two former occasions, from this parish, it is not far from them, and considering that our circumstances are not so favorable as then, we look upon the present as shewing a very satisfactory result to our efforts. The D. C. S. holds a warm place in the affection of some amongst us, and if from any cause there appears danger, of the ordinary local support not being given to it, that regard is shewn by an increase of individual liberality, as in the present instance.”

The Missionary at Beaver Harbor, when forwarding the contribution from that place, remarks:—

“I trust the Committee of the D. C. S. will take into consideration that the people here have now for the first time to make provision for their own clergyman. My predecessor being liberally subsidized by the D. C. S., received nothing from the people himself, but when I took charge a change was made in this particular, and the Bishop himself spoke most seriously to the people on the necessity of making provision for their clergyman. They have responded to this call to the best of their present ability, and I doubt not, the measure will eventuate beneficially to the interest of the Church; but the period of change is always one of difficulty, and it will necessarily be some time before our subscriptions to the D. C. S. regain their original tension.”

From the Rector of St. Luke's, Halifax.

“It is a satisfaction to me that although we have been engaged in a work of some magnitude, the erection of school rooms, I have no occasion to plead an excuse for our contributions to the D. C. S. which have exceeded any former year, amounting to \$1028.00. Nearly the whole of which has been paid through the offertory, and has been deposited in the Treasury of the local committee; a few dollars yet remain unpaid. In making this commu-

nication, I cannot refrain expressing my hearty desire that something may be done by the Society to relieve the painful destitution which exists in the outlying districts of my Parish, and which with all our exertions we find it impossible to remedy.* We have many souls fainting for lack of knowledge—for lack of bread—and it is almost a reproach to us on the very borders of the city. I need not assure the Society of my readiness to assent to any arrangements which may be thought necessary, and that our prayers for the success of your work will accompany our alms, and we trust they will go up as a memorial before God.

From the Missionary at Barrington.

I forward you our list of subscribers to the Diocesan Church Society for this year. I am very thankful in doing this, to have the privilege of sending an increase of subscriptions to the Society of about twenty dollars; this has not been obtained without a good deal of exertion, but the result of this exertion is most satisfactory to me, not so much on account of the amount of increase to the funds of the Society, as it being an evidence that the ignorant prejudice and blind bigotry that has been so general in our community for so many years, is giving way, and that there is a growing disposition to regard us as Protestants and as Christians, and with some, a conviction that our regular and enlightened and rational services may be quite equal, if not even superior to the spasmodic excitements of most of the denominations around us.

The Rector of St. Margaret's Bay, describing the condition of the people under his care, writes:—

From some I received for the D. C. S. every cent in their possession, and one man who rowed me between three and four miles in his boat to see a sick person, over a rough sea in a very cold day, insisted on giving the fee which I paid him, to the D. C. S., though he and his family were then subsisting on one meal a day. I could not refuse the donation, remembering our blessed Lord's acceptance of the widow's whole living,—but took care to bring his case to the notice of other parishioners, who soon provided for the immediate wants of his famishing family.

* Arrangements have been made, which, with the aid of the D. C. S., will provide a resident missionary and regular services in this district.

ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub-Committee, were adopted by the Standing Committee, May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages, or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of

any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation or the Parish, or to the Diocesan Church Society, if it should hereafter become incorporated.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension.

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a Resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

The Endowment Sub-Committee, in a Report to the Executive Committee, dated May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a parish may withdraw from its *Reserved fourths*,” and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Society and the interest be payable to the incumbent.

“With reference to the control of the Society over the *Reserved fourths*, the committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better

The first recommendation was adopted by the Executive Committee,—the second is still under consideration.

RULES OF THE WIDOWS' & ORPHANS' FUND.

The following is the 11th object of the Diocesan Church Society :

"It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society's funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor."

1st. In accordance with the above, the Society will open a special account for this object, to be called "The Widows' and Orphans' Fund." This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object, and no other.

2nd. A standing sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society, (who shall be paid as Secretary of this sub-Committee,) shall be vested the whole management of this matter.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows' and Orphans' Fund, the pensions which become due under the following rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund, shall, within six months from the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant, after such period of time, shall only be permitted to receive such certificate at the option of the sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every clergyman applying for a certificate, according to his age at the date of his first application; it being understood that any parish or congrega-

tion contributing to the fund more than £2, then the excess be counted toward payment of the premium of the minister or ministers for that year :

7th. If any Clergyman marry the second time he shall pay the annual sum or premium for the age he may be when he marries the second time.

8th. Upon payment of the first sum or premium, the applicant shall receive a certificate, as hereafter mentioned, and the same sum shall be paid by him, up to the time of his death, on the first day of January in each year.

9th. If any person fail to pay the amount of his premium within forty days after the payment become due, all claim to the pension under his certificate shall be forfeited, and the same shall thereupon become null and void. But if he desire to have his claim to the pension renewed, it shall be in the power of this Committee to readmit him on such terms as they see fit.

10th. Permanent removal of the Clergyman from this Diocese to any place beyond the limits of British North America or the United Kingdom, except with the leave of this sub-Committee, expressed in writing, or under such conditions as they may impose, forfeits all claim to the pension.

11th. If any Clergyman shall go beyond the limits mentioned in Rule 10th, without the leave of the sub-Committee, he shall forfeit all claim to the pension.

12th. The widow of every Clergyman who shall have paid the annual sum or premium (subject to the above exceptions) shall receive a pension of £25 per annum during widowhood.*

CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The supposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free.

It is the wish of the executive committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made in the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished.

“The endowment sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given.”

“It is the opinion of the executive committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society.”

Form of Legacy.

“I give to the Diocesan Church Society of Nova Scotia, the sum of _____, to be applied to the general purposes of the Society.” And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

“The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that parish.”

At a meeting of the executive committee, October 19th, 1855, the following resolution was adopted :—

“That in future all subscription lists received before the 31st March, in each year, will appear in the next forthcoming report, while those received after that date shall be omitted.”

At a meeting of the executive committee, April 18th, 1856, it was directed :—

“That if reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society.”

☞ The attention of the Local Committees is particularly requested to the above resolutions.

At a meeting of the executive committee in February, 1857, it was resolved :—

“That in future but one sermon be preached before the Society at its Annual Meeting, and that the sum of £5 be offered to the preacher towards defraying his travelling expenses.”

At a meeting of the executive committee, February 19th, 1858, it was

“Resolved, That in future all applications for aid from this Society be proposed at one meeting of the Society and considered at the next.”

At a general meeting of the Society, Nov. 11, 1859, it was

Resolved, That the executive committee be authorized to grant, at their discretion, a sum of money, not exceeding £40, towards an outfit for any newly ordained clergyman of the Church, who may require such assistance, previous to his assumption of actual duty in the Province.

October 17.—At a meeting of the Executive Committee a grant of \$60 was made on the usual terms toward building a parsonage at Sherbrooke.

November 21st.—A grant at the rate of \$60 per annum was made to defray the expense of missionary visits by the Rev. J. Woods to the western part of St. Luke's parish.

The following grants were made for the year 1863 for the support of missionaries :—

A special grant of \$100 was made to the Rev. D. C. Moore.

ANNUAL GENERAL MEETING, OCTOBER 31, 1862.

The Annual General Meeting of the D. C. S. was held in the National School, Halifax.

The following officers were appointed for the ensuing year:—The Rev. Edwin Gilpin, A. M. Secretary; Henry Pryor, Esq., D. C. L., M. P. P., Assistant Secretary; Colonel Myers, Treasurer; also, as new members of the Executive Committee, in place of the first five on the list:—T. B. Aikins, Esq., W. A vote of thanks was unanimously passed to W. C. Silver, Esq., for his long and valuable services as Treasurer of the Society.

The Right Rev. the President was requested to forward a memorial to the Society for the propagation of the Gospel, praying that under the circumstances set forth no reduction be made for the next two years in the "Block Sum," given by that Society to this Diocese.

The Chairman of the Church Endowment Fund submitted to the Society the Treasurer's account of that fund, also the Secretary's account, and his statement of amounts *subscribed* and amounts *paid* up to 29th October, 1862.

It was moved by the Rev. H. L. Owen, seconded by A. M. Uniacke, Esq., and unanimously Resolved, That the grateful thanks of this Society be offered

to the S. P. G. for its liberal donation toward the Church Endowment Fund, and that the Bishop be requested to convey our sentiments to the venerable Society.

It was moved by N. Clarke, Esq., seconded by the Honble. M. B. Almon, and unanimously Resolved, That the thanks of this Society be offered in similar terms to the Messrs. Durell, of Oxford.

The Rev. J. Storrs gave notice of motion at the next meeting, that the 12th Rule of the Widows' and Orphans' Fund be altered, and that at the death of the Clergyman the sum of \$400 be paid to his widow and orphans; and \$100 be also paid as an annuity.

The Society adopted Rules for the superannuation fund in the form printed in this appendix.

The meeting adjourned.
