*The Board of Home Missions meets on the third Wednesday in each month, with the exception of August and September.

BYE-LAWS
OF THE
BOARD OF HOME MISSIONS.

1st. At all the meetings of the Board or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. The Bishop of the Diocese shall be Chairman of the Board, and the very Rev. the Dean and the Archdeacon of Nova Scotia shall be, *ex officio*, Vice Chairmen. There shall be also a Secretary, an Assistant Secretary and a Treasurer.

3rd. The Board shall consist of the Chairman, Vice-Chairman, Secretary, Assistant Secretary and the Treasurer of the Board, who shall fill the same offices in the Committees; of all Clergymen licensed by the Bishop of the Diocese, together with twenty Laymen to be chosen by the Diocesan Synod. At each ordinary meeting of the Synod one-half of the whole number of lay members of the Board shall go out of office, but they or any of them shall be eligible for re-election; the new members, having been proposed, seconded and elected by ballot, shall be placed at the bottom of the list. No one shall be elected a member of the Board who is not an annual contributor to its funds of at least one dollar.

4th. The Board shall meet monthly during the year, with the exception of August and September, seven being a quorum for the transaction of business; and a general meeting thereof shall be held annually in July, or at the time of meeting of the Synod, to which matters may be referred from the ordinary meetings of the Board, and such appeals addressed as have hitherto been allowed to the general meeting of members of the D. C. S. A special meeting may be called at any time by the Chairman, or, in his absence, by a Vice-Chairman.

5th. The members of the Church in every part of the Province are invited to co-operate with the Board, by forming Local Committees under the direction of their respective clergymen, either in each Mission or Parish or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the Board.

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision to be appointed by the Board, shall then have received the approval of the Board ; and lastly, the written approbation of the Bishop.
- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.

- 11.—It shall also be one of the objects of the Board to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen ; but no part of the funds shall be appropriated to these objects, except such as shall be specifically given and paid for these objects.

To these objects, generally, the contributions will be applied ; while those who desire it may have their individual contribution scrupulously confined to any one or more of these objects.

7. The accounts of the Board shall be closed on the 31st December in each year, and shall be audited in one month from the time by auditors to be appointed by the Board.

8th. None of the above Bye-Laws shall be altered, except at an Ordinary Meeting of the Synod ; and a full years notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

Prayers

APPOINTED TO BE USED "AT ALL MEETINGS OF THE BOARD, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy Name, and finally by Thy mercy obtain everlasting life, through JESUS CHRIST our LORD. *Amen.*

(Board of Home Missions only.)

O GOD, from Whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen Victoria; and so to rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing our missionary work. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavours of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through JESUS CHRIST our LORD. *Amen.*

(Board of Home Missions only.)

O LORD JESUS CHRIST, Who at Thy first coming didst send Thy messenger to prepare Thy way before Thee, grant that the ministers and stewards of Thy mysteries may likewise so prepare and make ready Thy way by turning the hearts of the disobedient to the wisdom of the just, that at Thy second coming to judge the world, we may be found an acceptable people in Thy sight, Who livest and reignest with the FATHER and the HOLY SPIRIT, ever one GOD, world without end. *Amen.*

(Board of Foreign Missions only.)

Almighty GOD, who, by Thy Son JESUS CHRIST, didst give commandment to the Holy Apostles that they should go into all the world and preach the Gospel to every creature, grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes that are scattered abroad as sheep having no shepherd. O Heavenly FATHER, LORD of the harvest, have

respect, we beseech Thee, to our prayers, and send forth laborers into Thine harvest. Fit and prepare them by Thy grace for the work of their ministry; give them the spirit of power, and of love and of a sound mind; strengthen them to endure hardness; and grant that both by their life and doctrine they may set forth Thy glory, and set forward the salvation of all men, through JESUS CHRIST our LORD. *Amen.*

(Board of Foreign Missions only.)

O merciful GOD, who hast made all men, and hatest nothing that THOU hast made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed LORD, to Thy flock, that they may be saved among the remnant of the true Israelites and be made one fold under one Shepherd, JESUS CHRIST our LORD, Who liveth and reigneth with THEE and the HOLY SPIRIT, one GOD, world without end. *Amen.*

Almighty GOD, Father of all mercies, we Thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which our work has been thus far sustained; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour JESUS CHRIST; to Whom, with THEE and the HOLY GHOST, be all honour and glory, world without end. *Amen.*

Our FATHER, which art in Heaven, Hallowed be Thy name; Thy kingdom come; Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the Kingdom, the power and the glory, for ever and ever. *Amen.*

WHEN THE BUSINESS IS ENDED.

The grace of our LORD JESUS CHRIST, and the love of GOD, and the fellowship of the HOLY GHOST, be with us all, evermore. *Amen.*

RULES AND REGULATIONS.

"It shall also be one of the objects of the Board of Home Missions to provide for the Widows and Orphans of deceased clergymen, but no part of the funds shall be appropriated to this object except such as shall be specifically given and paid into the Synod therefor."

1st. In accordance with the above, the Board of Home Missions will open a special account for this object, to be called the Widows' and Orphans' Fund. This fund shall be formed, and consist of all subscriptions, donations, legacies, and other contributions given and paid to the Synod for this special object, and of all premiums received under these Rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object, and none other.

2nd. A Standing Committee of seven members shall be appointed, in whom, together with the Secretary of the Board of Home Missions (who shall be paid as Secretary of this Committee), shall be vested the whole management of this matter, subject to an appeal to the general Society.

3rd. The Diocesan Synod undertakes to pay out of this Widows' and Orphans' Fund the pensions which become due under the following Rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund shall, within one year from taking Orders, or from his admission into the Diocese, apply to the Secretary for a Certificate of Pension, and shall pay the annual sum or premium therefor as hereafter mentioned.

5th. Any applicant after such period or time shall only be permitted to receive such Certificate at the option of the Committee, and upon such terms as they shall direct.

8th. If any clergyman marry the second time, he shall pay the annual sum or premium for the age he may be when he marries the second time.

9th. Upon payment of the first sum or premium the applicant shall receive a Certificate, as hereafter mentioned, and the same sum shall be paid by him, up to the time of his death, on the first day of January in each year.

10th. If any person fail to pay the amount of his premium within 40 days after the payment becomes due, all claim to the pension under his Certificate shall be forfeited, and the same shall thereupon become null and void ; but if he desires to have his claim to the pension renewed it shall be in the power of this Committee to re-admit him on such terms as they see fit.

11th. Removal of the clergyman from this Diocese, except in the case of any clergyman who shall become a missionary of the Board of Foreign Missions of this Diocese, or who undertakes work in Algoma while a Missionary Diocese, forfeits all claim to the pension. Seventy-five per cent. of the amount of premiums paid by the holder of the Certificate himself shall be returned to him upon the surrender of his Certificate.

12th. If any clergyman shall go beyond the limits of Europe, or of North America 35° North latitude, without the leave of the Committee, he shall forfeit all claim to the pension.

13th. The widow of every clergyman who shall have paid the annual sum or premium (subject to the above exceptions) shall receive a pension of \$100 per annum during widowhood.

14th. If at any time it is the opinion of the Committee that the state of the funds will safely warrant their so doing, they shall have power to increase the amount of the pensions.

15th. If the widow die or marry again, the child or children of her deceased husband shall receive the pension. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females; while those who are still under those respective ages will receive the full amount of the pension.

16th. If the wife die before the husband, his child or children shall at his death receive the pension, under the above limitation as to ages.

17th. The pension shall be payable half-yearly, on the 1st day of January and the 1st day of July in each year, and shall commence on the first of these days which shall happen after the decease of such person holding a Certificate, and terminate on the first of those days which shall happen after the death of the widow or child, or the happening of any other event by which, under these Rules, such pension is to cease.

18th. The Clergy of Prince Edward Island shall be entitled to participate in the benefit of this fund on equal terms with the Clergy of this Province.

19th. The Certificate to be granted shall be in the following form, under the seal of the Synod and the signature of the Secretary; and on the back thereof or annexed thereto shall be printed the above Rules.

20th. None of the above Rules or Regulations shall be altered except at a regular meeting of the Synod, after a full year's notice of the proposed change.

 The Widows' and Orphans' Committee do not consider the Fund responsible for the payment of a larger pension than the \$100 named in the Certificate.

"It shall be one of the objects of the Board of Home Missions to provide for superannuated and incapacitated Clergymen ; but no part of the funds shall be appropriated to this object except such as shall be specifically given and paid into the Synod therefor."

1st.—In accordance with the above, the Board of Home Missions will open a special account for this object, to be called "The Superannuation Fund." This Fund shall be formed and consist of all subscriptions, legacies and other contributions given and paid to the Synod for this special object, and of all benefits arising therefrom; and this Fund shall be held and applied to and for this object, and none other.

2nd.—A Standing Committee of six Laymen shall be appointed, in whom, together with the Bishop of the Diocese as chairman, shall be vested the whole management of this Fund.

3rd.—The Diocesan Synod undertakes to pay from the proceeds of this Fund the pensions which may become due under the following Rules.

4th.—Any Clergyman of the Church of England within this Diocese wishing to participate in the benefits of this Fund shall make application to the Committee, who shall decide each case upon its own merits, and have power to grant such amount of pension (not exceeding \$200) as they think expedient. But should the Committee refuse to grant the pension an appeal may be made by the applicant to the General Meeting of the Board.

5th.—No Clergyman admitted from abroad into this Diocese shall receive any benefit from this Fund unless he shall have served for at least seven consecutive years in this Diocese, or shall have paid into this Fund a sum to be named by the Committee.

6th.—The pension shall be for life, unless circumstances should arise (either from the falling off of the Fund or otherwise) which may make a revision necessary.

7th.—If the pensioner resides out of this Diocese, sufficient proof of his identity should accompany each draft for his pension.

8th.—The pensions shall be paid half yearly in advance, on the first of January and the first of July in each year, and shall commence on the first of those days that shall happen after the pension is granted,

and terminate on the first of those days that shall happen after the death of the pensioner, or the happening of any other event by which such pension is to cease.

9th. If any pensioner should be so far relieved from his disability as to be able to resume the discharge of Clerical duty, the pension shall be suspended during his relief from such disability.

10th. None of the above Rules or Regulations shall be altered except at an ordinary meeting of the Synod, after a full year's notice of the proposed change.

Endowment Rules.

The following Rules for the guidance of the Endowment Committee were adopted May 17, 1850 :—

1st. The investment of Endowments may be made in lands, houses, stock in banks or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Committee, and to be conveyed and held for the benefit of the Incumbent or resident Missionary for the time being of any Parish or Mission for which they are designed, the said Incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

2nd. The conveyance of trust of such Endowment may be made either to the Society for the Propagation of the Gospel or to the Church Corporation of the Parish or to the Diocesan Synod.

3rd. When real property is purchased and conveyed for Endowment it shall be free from any debt or incumbrance.

4th. The annual proceeds arising from such Endowment shall be withheld from any Incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the churches in his Parish or Mission during the continuance of such suspension.

5th. The Endowment Committee shall hold any sum contributed toward the endowment of any Parish or Mission in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission ; and if, in the judgment of the Endowment Committee, such

opportunity or proposition for endowment shall come within the true intent and scope of the foregoing regulations, they shall authorize the said sums to be paid to the Parish or Mission so applying for it.

6th. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the General Meeting of the Board, at their meeting then ensuing.

7th. All applications from any Parish or Mission to the Endowment Committee for aid shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Board of Home Missions in its favor in such Mission; and shall state the nature, situation, value and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Committee to form a correct judgment; all such applications to be made to the Secretary of the Board of Home Missions, who is, *ex officio*, Secretary of the Endowment Committee.

The Endowment Committee, in a Report May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a Parish may withdraw from its ‘*Reserved Fourths*’ and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Board, and the interest be payable to the Incumbent.”

“With reference to the control of the Board over the *Reserved Fourths* the Committee state that they have no wish to interfere in any way with the rights of the Parishes to manage their own property. They would merely, for the better security of this Fund for the support of the Clergy. recommend—That a rule be adopted which would require that, when an investment made by any Parish from its *Reserved Fourths* may be paid off, the money be returned to this Board to be held under the same rules and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted; the second is still under consideration.

RULES AND REGULATIONS.

CLAUSE 1.—Where there is no special condition, all grants shall be made for three years from the first of the month preceding or following the date; yet the Board may, for what it considers good and sufficient reasons, discontinue a grant after six months' notice. In every case the grants shall cease at the expiration of the three years, unless renewed at least six months before their termination.

CLAUSE 2.—All Parishes or Missions receiving aid from the Board shall, by their Wardens or other representatives, pay into the funds of the Board, through the Secretary, at least one month before the 31st March, 30th June, 30th September, and 30th December in each year, such amount as may by mutual consent be arranged between themselves and the Board; provided always, that the Board, if in any case it is satisfied that half yearly payments would be more for the interests of all parties concerned than quarterly, may frame their agreement with the Parish accordingly.

CLAUSE 3.—At the beginning of every quarter—to wit, on 1st April, 1st July, 1st October, 1st January—the Secretary shall accept the order of the Missionary for the preceding quarter's salary as agreed upon jointly by the two contracting parties. But where half-yearly payments have been allowed, the Secretary, at the expiration of the six months, if the amount due from the people has not been paid up, shall only accept the order for the amount of the Society's grant for that period.

CLAUSE 4.—When a Parish or Mission fails to make its regular remittances when due, the Secretary shall at once make enquiries by letter, or, if thought necessary, shall visit in person, or a deputation may be sent, to enquire into the cause of such default, and report to the Board. Should the amount due from the Parish not be paid within three months from the date at which it becomes due under the agreement with the Board the grant shall cease, and it shall be the duty of the Treasurer to make no further payments; nor shall the grant be renewed until the arrears due at the time of the cessation be paid up.

CLAUSE 5.—The aim of the Board is, and it should be that of the Missions themselves, to make the Missions as quickly as possible self-sustaining, in order that the funds of the Board may be applied to the opening of new Missions and to the extension of the work throughout the Diocese.

CLAUSE 6.—In furtherance of the objects of the Board it requires that each of its Missionaries shall take care that every eligible person within their respective Missions be solicited to contribute to the General Fund of the Board, and that quarterly returns of the amount of such contributions shall be made by the Missionary to the Secretary in Halifax.

CLAUSE 7.—The Board, for reasons which it shall deem good, may allow a Parish or Mission to pay a certain specified amount of their Incumbent's salary in kind, at *Cash* prices, and his receipt for the sum in the form of a bill of items, shall be counted by the Wardens or Representatives towards making up the amount to be paid by the Parish or Mission; and may also allow the receipt of the clergyman for money given at the offertory to be received from the Wardens as part of the conditional payment required by the Board from the people.

Churches.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Board of Home Missions that no clergyman should, when building a Church, rely upon aid from the Board without first ascertaining whether it is in the power of the Board to grant any assistance.

All grants to Churches are made on the following terms, namely :
That the first moiety be called for within one year, and the second

within two years, from the date of the grant. The first moiety may be obtained when the exterior is finished and the second when the interior is finished. Grants to Parsonages are made on similar conditions.

The Endowment Committee receive and hold any money given in trust for Church purposes, and pay over the annual interest arising from the same when invested towards the furtherance of the special object for which it was given.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Board.

The Board will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure unless the people there consent to pay *toward the Endowment Fund of their Parish or Mission* all the proceeds of whatever glebe lands may be in that Parish.

All subscription lists received before the 31st December in each year will appear in the next forthcoming Report, while those received after that date shall be omitted.

If the reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Board.

☞ The attention of the Local Committees, is particularly requested to the above regulations.

All applications for aid from this Board are proposed at one meeting of the Board and considered at the next.

No person shall be qualified to vote at any general meeting of the Board, nor to be elected a member, who has not been a subscriber for three months preceding the day of meeting.

At the General Meeting in 1869, the following resolution was adopted :

The Church property in any Parish which is actually occupied by the Incumbent of the said Parish shall be valued by competent valuers upon his taking charge, and be considered at the same value for salary during his incumbency ; and the valuers shall be appointed as follows, viz. : one by the Parish, one by the Board of Home Missions, and another by those two.

PROSPECTUS.

Church Endowment Fund.

Forasmuch as the Committee appointed in 1858 to raise an Endowment Fund for the support of the Ministers of the Church of England in this Province have resigned, and the proposed scheme is now in abeyance, many members of the Church, deeply impressed with the necessity for immediate action, and believing that some of the obstacles encountered by the Committee have disappeared, have resolved (in compliance with the request of the Lord Bishop) to attempt to carry out this important work without further delay, availing themselves of a very liberal offer of James R. Mose, Esq., to devote his time and attention for one year to the promotion of this object, as Secretary and Agent without any remuneration.

It is proposed to raise a sum of money as an Endowment Fund for the Church of England in this Province, upon the basis of this Prospectus, and strictly in conformity with it; the money subscribed and paid to be held for the present, in trust, for that purpose, by the Hon. M. B. Almon, and Edward Binney, Esq., the Treasurer of the Fund—to the latter of whom subscriptions may be paid—and who will receive and hold the same as Trustees, provisionally, until the next annual meeting of the Diocesan Church Society of this Province, when all subscriptions, which shall have been received by them, shall be paid over to the said Society (provided it shall consent to receive the same) which shall also receive all further subscriptions and contributions of this Fund, unless at any time hereafter it should be thought advisable to apply for an Act of Incorporation for said Fund.

All monies so collected to be held by the Diocesan Church Society in trust, solely and strictly for the objects, purposes, and designs, and under the rules, regulations, and provisions set forth in the present Prospectus. The future management and investment of the said trust funds to be vested in a Committee of the said Society, to be appointed at such annual meeting of the Society; but neither the Society nor such Committee to have any power to change, or in any respect to vary from, or to control the objects, purposes and designs of such Fund, set forth in the said Prospectus, or any of its rules, regulations, and provisions whatever.

1. The proceeds and annual income arising from this Fund shall be appropriated solely and exclusively towards the support and maintenance of the Church of England within this Province in the following manner.

2. The annual deduction of £100 stg. which the Society for the Propagation of the Gospel intend to make from the amount of their present grant, (which has been transferred by them to a sub-committee of the Diocesan Church Society,) shall be made good out of the proceeds of this Fund, so that the said grant shall be kept up and maintained in its full integrity, at the sum which may be required, for the purpose of paying all the Rectors and Missionaries who shall be on the list of the Society for the Propagation of the Gospel, on the day when this Fund shall go into operation, the full amount of the salaries to which they may on that day be entitled from the said Society.

3. Whenever and as often as any of the Rectors or Missionaries on the said list on the day above named shall die, or from any course shall cease to be entitled to receive the salaries to which they were at that time entitled, out of the said grant of the Society for the Propagation of the Gospel, then the said grant is no longer to be kept up at its former amount, by contribution from this Fund as will suffice for the payment to those Rectors and Missionaries still living, and entitled to receive the same salaries from this Fund. And every new Rector or Missionary, appointed in their places, shall be paid out of the annual proceeds of this Fund a yearly sum, according to the class and scale arranged for that purpose, and herein contained.

4. In like manner, whenever and as often as any of the present Rectors or Missionaries, now on the Government list and paid by it, shall die, or cease to be entitled to be so paid, then every new Rector or Missionary appointed in his place to any parish or mission shall be paid out of the annual proceeds of this Fund, according to the same class and scale; and whereas, there are some parishes and missions of which the incumbents are not paid either by the Government or by the S. P. G., the said incumbents and their successors shall be on an equality, in respect to their claims upon this Fund, with the successors of the Clergymen now upon the lists of the Government or of the S. P. G.,—it being understood that "parishes" shall have always the first claim upon this Fund, except on all questions under Clause No. 8, which shall still be decided by seniority of appointment, as there provided.

5. If from an unforeseen cause, the present grant of the Society for the Propagation of the Gospel, subject to the present reduction of one hundred pounds (£100) stg. a year, should fail, or if the present provision by Government for certain Missionaries should not be continued (neither of which contingencies it is fully believed will occur, and are only hereby provided for "ex abundanti cautela") then in such case, the annual proceeds of this fund shall, according to their means, be appropriated towards the payment of the old Rectors and Missionaries, whether on

the Government list or on that of the Society for the Propagation of the Gospel, and of the other Rectors and Missionaries claiming under this Prospectus, rateably by an equal per centage deduction from the old salaries and new allowances, under Clauses Nos. 3 and 4, as the state of the Fund may require and will permit.

6. If the annual proceeds of this Fund, after providing for the payment of fifty-one claimants according to Clauses Nos. 3 and 4, should exceed the amount required for fully carrying out the proposed scheme, then, in the first place, the surplus shall be devoted to the payment of additional Clergymen, under the same classification and at the same rates, and preserving as nearly as may be the same proportionate numbers in each class as are herein prescribed. But if at any time the income of this Fund shall exceed what is necessary for the fifty-one payments now provided for, and such additional payment as may hereafter be agreed on, and there shall be no need nor opportunity of adding to the number of Clergymen to be paid out of this Fund by any further sub-divisions of parishes, then such surplus shall be applied to increase the allowance to each Clergyman, "pro rata."

7. The subjoined scale is that referred to in Clauses 3 and 4. It provides for fifty-one Clergymen, and is based upon carefully prepared calculations, so that reliance may be placed upon the capabilities of the Fund to supply the payments proposed for the respective classes.

The Clergymen are to be divided into three classes :

CLASS 1. will contain twenty-one Clergymen, who must have officiated in this Province more than fifteen years, who are to receive £75 Currency per annum.

CLASS 2 will contain fifteen Clergymen, who must have officiated in this Province more than five years, who are to receive each £50 currency per annum.

CLASS 3 will contain fifteen Clergymen, who are to receive each £30 currency per annum.

8. All removals from one class to another must depend not only upon the standing of the individuals, but also on vacancies in the upper classes. If at any time there shall be more Clergymen holding appointments within the Province than the number for whom provision is made in clause 7, or by the Committee under the conditions of clause 6, then admission to class 3 must also depend upon vacancies in that class,—the seniority of original appointment in this Province deciding the question. The standing of any Clergyman who, after leaving this Diocese, except on account of ill health, shall return to it again, shall be reckoned from his appointment to a parish or mission on his return, and any previous service shall not be reckoned. Province shall cease to hold any parochial or missionary appointment, but shall not leave the Diocese, and after an interval shall again be appointed to any parish or mission, he shall take his place upon the lists in the position in which he stood when he ceased to officiate, as soon as a vacancy shall occur in the class to which he belonged.

9. Every Clergyman applying for his salary under this scheme must furnish proof that provision has been made by those to whom he ministers for the payment to him of at least one hundred pounds (£100) currency for the past year, or at least fifty pounds (£50) currency for the past half year.

NOTE.—This amount may be made up from local endowments, from the subscriptions of his congregations, from pew rents, or from any other source (except from this Fund), and may include the fair estimated yearly value of the Glebe or Parsonage, if any. This estimate shall be settled by the Committee, and every care shall be taken to arrive at a just and equitable conclusion.

10. The application of the Clergymen shall be made annually or semi-annually to the Secretary of the Church Endowment Committee. It shall state the number of years' service in this Province of the party applying, and contain a solemn declaration, either by himself or by the Churchwardens, or by three members of the Vestry, that the amount guaranteed by the parish has been actually and "bona fide" subscribed. Upon this application, with such statement and declaration, the Treasurer of the Fund shall be authorized by the Chairman to pay to the applicant the amount to which he is entitled by his length of service.

11. On the expiration of eighteen months from the commencement of his incumbency or mission, and at the end of each half year thereafter, the application of the Clergyman shall be accompanied by a certificate that the whole of the subscription for the year preceding the last six months has been "bona fide" paid. And if such certificate be not furnished, he shall nevertheless be paid the amount then due from this Fund, but he shall not be entitled to any further payment so long as he shall remain in the same cure until he be again enabled to, and do, certify that the payments due under the agreement with his people are not more than six months in arrear.

12. It is proposed that the sum of forty thousand pounds (£40,000) currency shall be raised, but if this amount be not realized, then the payment of each class of Missionaries will be reduced "pro rata"; and this scheme is not to go into operation until at least twenty thousand pounds (£20,000) shall have been subscribed and paid into the hands of the Treasurer. It is hoped, however, not only that the sum of £40,000 will be subscribed, but that by judicious management it will so accumulate as to secure a provision for the increase of parishes, missions and missionaries in this Province.

13. As this Fund is raised with a view to the support of the Ministry in places where a sufficient provision for the clergyman cannot be procured without assistance, it is to be understood that no Clergyman receiving an income of two hundred and fifty pounds (£250) currency and upwards per annum, from any of the sources mentioned in the note to clause 9, shall be entitled to any payment from this Fund.

14. No Missionary receiving any portion of this stipend from any Society in England, at the time when this Fund goes into operation, shall receive any payment from this Fund, except such as is secured to him under clauses 2, 3, 4 and 5, so long as he continues to receive the payment from such Society in England.

The foregoing Prospectus was accepted and adopted at the Annual General Meeting of the Diocesan Church Society, at Halifax, on the 12th day of October, 1860; and the following gentlemen were appointed the Committee to carry the Church Endowment Fund into effect:—Hon. M. B. Almon, Hon. Mr. Justice Bliss, A. M. Uniacke, Esq., D. C. L., Hugh Hartshorne, Esq., D. C. L., A. M. Cochran, Esq., M. P. P., C. B. Bowman, Esq., C. H. Harris, Esq., Q. C., W. C. Silver, Esq., Wm. Hare, Esq., J. C. Cogswell, Esq., D. C. L., J. B. Snow, Esq., P. C. Hill, Esq., D. C. L., Edward Binney, Esq., J. W. K. Rowley, Esq., Brenton Collins, Esq.

At a meeting of this Committee, held in Halifax on 24th October, 1860, the following officers were appointed:—Hon. M. B. Almon, Chairman; A. M. Uniacke, Esq., Vice do.; Edward Binney, Esq., Treasurer; J. R. Mosse and Nepean Clarke, Esqrs., Secretaries.

And the Prospectus, as above was ordered to be printed and circulated.

REPORT

OF THE

Board of Foreign Missions,

AND

Corresponding Committee of Central Board of Domestic and
Foreign Missions.

The Board of Foreign Missions have much pleasure in reporting a substantial increase in the contributions of the Parishes towards the different objects now included under the name of Domestic and Foreign Missions.

This Diocese at the last meeting of the Provincial Synod occupied the unenviable position of last upon the list of Dioceses as regards the amount of money subscribed for this purpose. The Board are thankful to say that more than double the contributions of last year has been forwarded to the Treasurer of the Central Board.

The first charge on the general Fund is the proportion of the Bishop of Algoma's Salary promised by this Diocese which has been duly paid. The special Funds have been carefully appropriated in accordance with their respective designations.

It is a subject of congratulation that the claims of Missions in our own Dominion and in Foreign Lands are exciting increased attention on part of the members of the Church; and that while other Christian bodies are vieing with each other in their efforts to advance the cause of Christ among the heathen and the large number of immigrants who have made their home among us, the Church of England is at last becoming aroused to a sense of her duty and is endeavouring to discharge it. The semi-annual appeals of the Bishops have been widely responded to; and there are few parishes in this Diocese which do not now exhibit this unmistakable sign of spiritual life and vigour. A deeper interest in Missionary work has been created which must undoubtedly react upon our Congregations, and bring down upon them the blessings of the Great Lord of the Harvest.

The receipts for 1884 are herewith submitted.

REPORT

OF THE

Widows' and Orphans' Committee to the Board of Home Missions.

Your Committee have again to report an increase in the Parishes contributing to the Fund. This year 49 Parishes have made returns, against 43 last year. Although gradually the number of those who take an interest in this object is creeping on, we cannot rest satisfied until the whole Church is roused to make proper provision for the widows and orphans of those who have given their lives to her service. No object brought before the congregations appeals to their feelings more strongly than this, and your Committee are convinced that in the case of those Parishes not yet helping in this work the response, if called for, would be willingly made.

Each widow upon the list received \$75 for the half year ending Dec. 31, 1884, \$100 for half year ending June 30, 1885. The payments are made in advance.

The list of Beneficiaries has been decreased by the death of Mrs. Bullock and Mrs. Owen of Lunenburg has been added, so that there are now sixteen widows as before drawing the Pension.

The available funds for 1884 were \$3800.38 derived from the following sources :

Balance from 1883.....	\$1233 89
Premiums of Clergy.....	508 07
Collections & Don.....	788 92
Interest on Investments.....	1269 50
	\$3800 38

Shewing a decrease in Collections & Don. of \$3.25, an increase in Premiums of Clergy of \$22.34, and a decrease of \$187.78 in the interest on investments.

The following are the securities held for the Fund at the end of 1884 :

*Provincial Debentures £800 Stg.....	\$3893 28
Dom: & other stock.....	3800 00
Savings' Bank.....	1219 17
Mortgages & Estates.....	17713 62

*These Debentures have been since paid off, and are now bringing 3% only, while awaiting better Investment.

There have been several changes in the list of members :—

Rev. J. D. H. Browne, retired on leaving the Diocese, receiving 75% of premiums paid by him; Rev. T. B. McLean, of England retired with the same privilege. The certificate of Rev. H. Spike, of N. B., has lapsed. Rev. Dr. Owen has died. Revs. F. Partridge, John Partridge, R. C. Caswall and W. C. Wilson, have been accepted on the Fund.

The list has thus lost three and gained four, leaving 55 names; as follows :—

Every Clergyman upon the Fund is required by Rule 7, to make at least one collection annually in its behalf.

The attention of the annual meeting of B. H. M. is directed to the importance of this rule.

EIGHTH ANNUAL REPORT

OF THE

BOARD OF HOME MISSIONS.

THE BOARD OF HOME MISSIONS in presenting its Report, begs to announce that the amount of subscriptions from the Parishes will fall considerably short of the amount for 1883-84. There are, perhaps, several reasons for this. One is to be found in the general dullness of trade and scarcity of money in circulation; another in the failure in several parishes of the fishing interest; and a third in the lateness of the period at which the collections were made. This latter is partly to be accounted for by the tardy publication of last years reports, which was caused by breach of contract on part of the printers, and which could not be anticipated.

As it is, however, although the whole amount is less than that of last year, many parishes have increased their subscriptions; in some cases double last year's amount has been sent in; and in one mission, that of St. Matthias, Halifax, more than ten times as much was collected. The large and important parish of Lunenburg has been thrown upon its own resources after receiving aid for many years from England, and in addition to this is providing between \$300 and \$400 a year towards the district of LaHave. This has to the regret of the Board, curtailed the direct subscription of that parish to the Home Mission Fund to a comparatively small sum.

The Board would earnestly enforce upon the attention of the Church at large the necessity of greater exertions being made to increase the fund for General Purposes. That is the main and most important trust which the Board administers. Its only appropriation is for the immediate need of the several missions. It is the church's constant answer to the Gospel's constant appeal. The stipends of our clergy, small as they are, must not be cut down. Missions can only be closed to the disgrace of the church; and yet instead of leading the way, as from her traditions and inherent privileges she ought to do, she is compelled to hang her head in shame by the side of those who have separated from her.

It is with much concern that the Board has received notice through the Lord Bishop, that the venerable S. P. G. has been compelled, from failure of contributions in the mother country, to reduce the amount granted to this Diocese by £450 sterling. This will necessitate a

corresponding effort on part of our Church people to rise to the occasion and supply the deficiency. The Board feels that much more might be done, and that no exertions should be spared until at least \$10,000 a year is to be relied upon for General Purposes. There are two ways in which contributions can be increased. One is by a more particular canvass of each eligible person, the other by bringing in the Sunday School children of the Diocese as regular subscribers. The Board would draw the attention of the Clergy to these two points.

The Board would also strongly recommend to the Parishes the revival of the Local Committees, which have been allowed to fall into abeyance. These might consist of either males or females, or both ; and every Parish might avail itself of their services with great advantage to the subscription list.

It is to be earnestly hoped that Parishes which have become self-sustaining will not fail to make liberal returns to the General Fund, which has been allotted on the strength of a certain contribution from each Parish ; a falling off therefore renders the Board unable to keep its engagements with the Clergy, which is much to be deplored. The income of the current year from subscriptions will fall \$500 short of our requirements. From January next the grant of the S. P. G. above referred to will be decreased by about \$2190.00. The Clergy are therefore urgently reminded of this, lest the collections, to be made in October next for the ensuing year, coming as they do so soon after the very late collections for this year, should be in danger of being lost altogether, as has once before been the case. The most strenuous efforts will be imperative to prevent this.

The Board has to complain of the apparent carelessness of many parishes with regard to their returns. Some are not yet received. Some clergy have sent part of their money, but no names ; whilst others have forwarded the lists of names but no money. It is absolutely necessary that the returns of B. H. M. subscriptions should be promptly and perfectly made, and that more stringent regulations should be adopted to ensure that result.

The receipts for 1884, were as follows :—

Widows' and Orphans' Fund.....	\$2566 49
Reserved Fund.....	473 53
Superannuation Fund.....	2016 07
Parish Endowment Fund.....	1336 28
Bishopric Endowment Fund.....	18 58
General Purposes.....	5154 64

*Returns from Parishes and Extracts from Letters.

ACADIA MINES.—Total \$78.10. Increase \$11.80.

It is much to the credit of this Parish, that in spite of the closing of the mines and the general dulness of the iron trade, and the help last year of a large individual subscription not given this year, it has increased its amount so substantially.

ALBION MINES.—Total \$71.54. Decrease \$1.81.

AMHERST.—Total \$97.64. Increase \$22.64.

ANNAPOLIS.—Total \$78.58. Increase 9c. This list includes Rosette and Dalhousie. This Parish receives no aid from B. H. M., and supports its own curate.

ANTIGONISHE.—Total \$54.62. Decrease \$13.74.

ARICHAT.—No returns.

AYLESFORD.—Total \$40.22. Decrease \$7.28.

BADDECK.—Total \$35.26. Decrease \$3.84.

BEAVER HARBOR.—Total \$33.48. Decrease \$18.62.

BLANDFORD.—No returns.

BRIDGETOWN.—Total \$49.00. Decrease \$13.60.

BRIDGEWATER.—Total \$45.50.

CHESTER.—Total \$65.34. Decrease 2c. (This list includes \$2.15 to Foreign Missions.)

CLEMENTSPORT.—\$24.12. Decrease \$2.34.

M. McCully writes:—"This amount is not as large as the amount sent the first year I was here. I might add in explanation that the members of the Church in this Parish do not exceed thirty families, and that the subscription to the College Fund, Boards of D. & F. Missions, W. & O. Fund, and clergyman's stipend are all responded to when appeal is made. Besides this there is always a considerable sum required yearly for the maintenance and fitting up of the Churches: and we have been steadily working in this direction every year. I might also add that during the last two years and 8 months, the people have raised for all Church purposes some Four Thousand Dollars.

CORNWALLIS.—Total \$42.96. Decrease \$6.31.

COLE HARBOR.—Total \$22.80. Increase \$8.18.

DARTMOUTH.—Total \$21.00. Increase \$22.63.

DIGBY.—Total \$78.79. Decrease \$20.29.

FALKLAND.—Total \$25.30. Decrease \$3.25.

*This digest is shorter than usual this year, as the letters themselves are fewer in number.

GLACE BAY.—Total \$36.06. Decrease \$7.34.

GRANVILLE.—Total \$51.20. Decrease \$9.25.

HALIFAX—ST. LUKE'S.—Total \$735.87.

St. Luke's Parish sets a good example to the Diocese in the amount its contributions to all Church purposes. If the subscription to B. H. M. is slightly smaller than last year, it is because some other good object has received more. The liberality of this congregation is proverbial.

ST. MARK'S and ST. JOHN'S.—Total \$140.00. Decrease \$10.

This Parish has been purchasing a new Organ for their Church during the past year, which has caused the B. H. M. list to be somewhat smaller than last year. We trust that next year these growing Parishes will be able to send in more to the cause of Missions.

ST. PAUL'S.—Total (from private contributions) \$20.

ST. GEORGE'S and ST. MATTHIAS.—Total. Increase \$1.42.

The increase this year is most marked in the case of St. Matthias, which has sent in a much larger amount than last year. This little congregation has been for 6 years struggling for existence, but now by the diligent exertions of the Curate of St. George's, Rev. W. C. Wilson, who has charge of this district under the Rector of St. George's, nearly one thousand dollars has been raised within the past twelve months, putting the building out of debt, and enabling it to be finished inside.

ST. GEORGE'S PARISH is trying to clear off a heavy debt which was incurred some 10 or 12 years ago, and will be unable to do as much as it would for Missions until itself free. The people have done what they could.

HUBBARD'S COVE.—Total \$84.50. Decrease \$24.20.

The collections this year were seriously lessened by the late issue of the Reports, which the Missionary usually takes with him on his canvass. The fishing season was not a favorable one, and these causes combined make the subscriptions less than last year. It is to be hoped that next year they will resume or even surpass their former average.

HANTSPORT.—Total \$8.50.

This sum has been contributed by a small number of Church people at Hantsport, by the exertions of Miss Brown. It is indeed cheering to find the members of the Church though far from her services, remaining firmly attached to her and doing their duty towards the cause of Christ's kingdom.

LIVERPOOL.—Total \$299.13. Decrease \$26.13.

LIVERPOOL ROAD.—Total \$38.75. Increase \$3.13.

This Mission never fails to make up about the same amount for the B. H. M. The people here are evidently taught to give on principle.

JEDDORE AND SHIP HARBOR.—Total \$61.74. Increase \$26.28.

This Mission has more than doubled its contribution of last year. Mr. Lowry writes: "We might, perhaps, have done better, I had pushed the matter more urgently. But as there are many other calls on us just now

which practically interfere with the payment of the clergyman's salary, we think the sum sent is even more than can be expected of us."

We add the expression of our sorrow that Mr Lowry has found his health unequal to the heavy strain of the work of this laborious and extensive Parish.

LOUISBURG.—Total \$53.07. Decrease \$14.24.

LUNENBURG.—Total \$24.60.

Mr. Caswell writes: "The Parish is using every endeavour to raise the amount of \$400 promised to the new Mission at LaHave, for the extension of the Home Mission work of the Church, and therefore is unable just at present, especially with the difficulty of a long vacancy in the Rectorship, to do much for the general Home Mission work of the Diocese."

MAITLAND.—Total \$87.28 \$112.76. Decrease \$25.48.

MAHONE BAY.—

MANCHESTER.—Total \$4.40. Decrease 20c.

NEWPORT.—Total \$37.23. Decrease \$1.73.

"Dull times" says Mr. How, is the cry which prevents many willing ones from giving."

NEW ROSS.—Total \$37.60. Decrease \$16.86.

Mr. Groser writes: "The people generally have tried their best to make up my salary, and to pay for urgently needed work done last summer in repainting the parsonage to save the building, which debt has been cancelled. They know too that they will be expected to settle a balance due on our new church lighting arrangements which are here ready to go up in place. So I imagine, as most of them had last fall to buy instead of selling hay and potatoes, that the smaller return than usual represents rather a strong desire than otherwise to do what they could for B. H. M. No doubt another year they will wish to do far better if able."

PARRSBORO'.—Total \$55.89. Increase \$26.01.

We subjoin an extract from Dr. Bowman's letter enclosing returns, "I have much pleasure in remitting to you very nearly double the amount sent last year. Considering the increased demand upon the people owing to the employment of an assistant curate, I look upon the year's subscription as an indication of more life in the several congregations in this Parish."

PETITE RIVIERE.—Total \$32.85. Increase \$8.85.

We are thankful to note a steady increase in the contributions from this Parish, under its energetic missionary.

PICTOU.—

RAWDON.—Total \$40.03. Decrease \$6.71.

SACKVILLE.—Total \$37.24. Decrease \$24.76.

SEAFORTH.—Total \$28.09. Decrease \$20.30.

ST. MARGARET'S BAY.—Total \$30.09. Decrease \$16.79.

SYDNEY, C. B.—Total \$102.05. Increase \$5.03.

SYDNEY MINES AND NORTH SYDNEY.—

TANGIER.—Total \$92.34. Increase \$1.69.

It will be remarked that the special contributions made the list larger than last year. This Parish is striving to increase every year its offerings for objects outside of its own immediate wants.

SPRING HILL MINES.—Total \$11.52.

Mr. MacKenzie says:—"I am sorry that I have been able to collect so little thus far, but this winter our men have not worked half time; have not earned living expenses.

TRURO.—Total \$163.52. Increase \$26.89.

"The amount this year," writes Mr. Kaulback, "I am happy to say, exceeds that of last year \$26.89, and I am convinced that it would have been greater had our collectors been earlier in the field. However, considering our numbers and ability, and that we still have a large debt upon our church, we do not fall far behind many parishes in the diocese in doing our duty towards the B. H. M."

The example of Truro is an inspiring one. In addition to clearing off the debt on their Church and purchasing an organ, the Church people of Truro have increased their contributions to B. H. M., while Foreign Missions are by no means forgotten. This shews what can be done by systematic giving and good management.

The difference between the list of subscribers and this total is explained by the fact that \$18 was remitted as for B. H. M. which was intended for Domestic Missions, or the Canada Missionary Field. The mistake was discovered too late to be rectified, and thus the Home Missions profits to that extent.

WEYMOUTH.—Total \$151.35. Decrease \$24.71.

WINDSOR.—Total \$234.76. Increase \$17.09.

In remitting, Mr. Wilcox writes: "The total is slightly in advance of amount sent from Windsor last year, although considerably behind that of 1882; partly owing to the fact that the Church people here have been called upon very frequently during the last two years to give to the various objects connected with the Church and College, and also partly on account of the Annual meeting having been held rather late in the season."

Windsor, like Truro, sets a noble example to other Parishes, in giving liberally to outside objects while bearing heavy burdens in their own Parish.

WINDSOR FORKS.—Total \$11.25. Decrease \$15.25.
