Miramichi Advance.

Beginning with the issue of November 6th, 1890, when the ADVANCE

2nd. The reduction of the price of the paper to

HERALD AND WEEKLY STAR

One Dollar and Sixty Cents a Year!

I have made the foregoing changes in the business of the ADVANCE for two reasons. The first is because many patrons who have been given credit, have abused the privilege to such an extent as to make the business of publishing the paper a non-paying one, and it is necessary, in my own interest and that of those who do pay, that I should no nger continue to furnish the AD ANCE to those non-paying subscribers. The second reason is, that I wish to meet the competition of the city weeklies, which are made up from the type of the dailies and, therefore, cost little for production in comparison with a local paper like the ADVANCE, the type of which must be set up especially

Having published the ADVANCE for sixteen years, and endeavored to make it a creditable representative of Miramichi and North Shore-enterprise—a paper which may be taken into any household without fear that it has catered to sensationalism at the sacrifice of that cleanliness of matter, which is too often neglected by the press of the day—
I have reason to hope the foregoing announcement will meet with
general approval and be the means of largely increasing the circulation
