Base Ball Team Play at Grand Falls—
Interesting Interview With Florida Man—Other News

The Bath Baseball team played the Grand Falls team at Grand Falls on Friday last. The game was called at 6:30 p.m. Grand Falls taking the field, Bath at bat. No runs were scored by Bath in this inning. Grand Falls, however, scoring 5 runs. After this get-away, the "Monquaters" settled down and the game became more interesting. The final score was 5-3 in favor of Grand Falls, when the game was called on account of darkness. Batteries, Bath—Shaw, P. Estabrooks, C., Turnbull, P., Shaw, C. Batteries, Grand Falls—Layton, P., Ester, C., Umple, B. Bases, Brown.

Frank Estey, formerly of Wicklow, but now residing in Florida, arrived last week to visit his brother, Carey Estey, of Wicklow. Mr. Estey, who is accompanied by Mrs. Estey and daughter, made the trip as far as Boston by rail and from Boston on by motor. Mr. Estey has been engaged in fruit growing, making a specialty of the growing of Valencia oranges. Mr. Estey who is an interesting conversationalist, stated that last year had been a hard one for the Florida growers, but that the five years preceding had been prosperous ones. Oranges were sold off the tree last year for 50c a box and he has had as high a yield as 25 boxes from one tree. Oranges, however, are as a rule sold at auction in the New York and Boston markets. Truck farming, said Mr. Estey, is also extensively engaged in, and stated a case of where one man, a specialist in his line, two years ago, made \$40,000 out of the growing of cucumbers. Mr. Estey is being warmly greeted by his many old acquaintances, many of whom he has not met for several years.

Prof. Lang, Lowell, Mass., is visiting Mrs. Tracey, Main Street. John Murphy and Miss Katie Murphy, accompanied by little Miss Mary McLaughlin, left last week for Portland, Me.

Mrs. P. C. Martin, Mrs. Herb Starford of Grand Falls and Mr. and Mrs. King of Bangor were the guests of Mr. and Mrs. Charles T. Bohan on Wednesday last.

Mrs. Clarence Dunphy, Sackville, N. B., was in town on Wednesday last. On Wednesday, 23rd inst., a trial, which created considerable interest, was held in Magistrate Bramley's Court, when John Dawson and his son, Charles Dawson, were called to answer the charge of assaulting one Lawrence Halloran. The trial was the sequel of a dispute arising out of the annual district school meeting. Bath, Mr. Dawson, sr., and Mr. Dawson, jr., pleaded guilty to the charge, the former of attempted assault, was fined one dollar and seven dollars costs; the latter ten dollars fine and ten dollars costs. G. W. Montgomery appeared for the plaintiff; the accused were undefended.

Mr. and Mrs. Harold Kearney, Boston, arrived home on Saturday.

Mrs. A. M. Knowles, Boston, is on a visit to her mother, Mrs. Harriett Barker, and brother, Perry Barker.

THE REAL PAYMASTER

By Robson Black, Manager Canadian Forestry Association

Forests are jobs. Trees mean trade. Logs are the raw material, not of lumber or paper, but of pay cheques. It is an incidental matter that the forest gives us telegraph poles. It is a very important matter that the forest gives us 120,000 workmen, supporting a half million of Canadian dependents, and distributing \$500,000,000 to maintain Canadian prosperity. Conservation would never bother itself with trees if trees were not the substance of human employment. The Forest Protectionist would not sweat a drop for a square mile of Spruce if he did not know that some vast industry, a thriving town and a thousand contented homes are tied to Spruce trees by an inseparable bond.

We Canadians set 6,000 forest fires a year and nine-tenths of them through human recklessness, but those beacon lights of prodigality mean nothing if they do not tell us that we have put the torch to the livelihood of thousands of men; we have signed an unrepentable note for our children and our grand children to pay. Let it be laid down as an ugly and undisturbable fact that in the present situation with forest demand jammed hard against dwindling forest supply, every forest fire must be paid for. Every mile of Spruce or Pine or Fir given to the annual bonfire will have to be bought back by the next generation in higher costs

of lumber and paper, in forfeited industries, in dwindling public revenues, and a sacrifice of population.

EDITORS ON WAY BACK TO CANADA

Given Fine Farewell as Ship Sails From Glasgow

London, July 27.—That the party of Canadian weekly newspaper editors who have just completed an extensive tour of the United Kingdom and Europe had endeavored themselves to all they met was demonstrated yesterday when many distinguished men and women came to see them off as they sailed from Glasgow aboard the Canadian Pacific Liner "Montaurier." An official farewell was tendered them, the pipe band of the city police playing Scottish airs while the ship moved away. The editors said that their brief visit to Scotland was one of the most enjoyable episodes of a memorable trip, during which much good had been done in cementing the friendship existing between Canada and the old country. France and Belgium. Their reception at all points had been extremely cordial and much interest had been taken everywhere in their untiring expositions of the great possibilities Canada offers the settler, tourist and investor. It is felt that this missionary work is bound to bear good fruit in the future. The "Montaurier" is due at Quebec Aug. 1.

GOOD WORD FOR HARTLAND'S NEW M. D.

The Kings County Record, which is the Sussex newspaper, says: "Dr. Walter Chestnut is the son of Mr. and Mrs. James Chestnut, of Sussex. He graduated about a year ago from McGill University with high honors in medicine and surgery and since that time has been connected with the medical staff of the St. John hospital. During his stay in St. John Dr. Chestnut took a prominent part in the hospital work and his skill attracted much attention among the other practitioners who gave him great praise for his proficiency and pronounced him an exceedingly clever young doctor. There is no doubt Dr. Chestnut by his ability and integrity will win for himself a warm spot in the hearts of the people with whom he has decided to make his home. Hartland is fortunate in securing Dr. Chestnut as a citizen and medical adviser."

FIRE AT WOODSTOCK

A fire broke out Monday afternoon in a large house at the corner of Green and Albert streets, owned by Daniel Thompson and occupied by Albert Graham. A high wind was prevailing and the sparks ignited the shingles on several houses, making the situation very serious for a time. The residence of W. S. Sutton, a long distance from the burning building, caught on the roof and burned through, doing immense damage. The Orange Hall was also on fire and was saved after a lot of hard work.

The roof of several other buildings caught and the firemen and citizens were kept busy for several hours. Many of the houses in the near vicinity escaped owing to the roofs being of steel.

The Thompson house is almost a total loss, and is covered by insurance. The other damaged buildings are also insured. While the water pressure was good, it was deemed advisable to bring out the big engine, but it was not put into commission. There was much excitement during the conflagration and several families were in readiness to move out.

There will be no services in the Anglican churches at Hartland, Glassville or Beaufort on Sunday next, as the rector will be at SHIP LAKE, where he is the preacher at the annual open air service.

EAT AND GROW THIN

No longer need you surrender sweets when reducing! Listen to this, from the address of Dr. McLester to the annual convention of the American Medical Association:

"The effort of many obese people, said Dr. McLester, to avoid all starchy foods and to eschew all sweets is without reason. Carbohydrates are the chief source of energy for the maintenance of

LEAVING HARTLAND

The many friends of Mrs. James McLeod are regretting her departure from Hartland, which takes place on Friday next. She is going to St. John for the winter and expects to join Mr. McLeod in the spring at Detroit. Her two little grand-daughters will accompany her.

On Friday afternoon the ladies of the U. B. M. S. made a picnic supper in her honor which was held at the U. B. parsonage. The president, Miss A. Estabrooks, read an address assuring Mrs. McLeod of the high regard in which she was held by them and regretting her going. She was asked to accept a gift of remembrance, which was a very fine silk scarf. Mrs. McLeod was taken completely by surprise, but replied in a few well chosen words, thanking the ladies for their kind thoughtfulness.

On Monday Friendship Chapter No. 6 O. E. S. entertained at an afternoon tea at the pleasant home of Mrs. John Kewick in her honor. Paul Worthy Matron Evelyn Teddie poured and Mrs. Kewick was assisted in serving by Mesdames Allan DeWitt, Mary Macintosh and Kelley. Besides the members of Friendship Chapter the guests included Mrs. Elie Richardson, Boston, Mrs. E. L. Corbett, St. John, Mrs. Ward Brown, Lunenburg, Me., Mrs. Henry Teddie and Mrs. Harriett Kewick. Mrs. Keith and Mrs. Lash entertained very nicely with piano solos and readings. Mrs. Arthur Dickson, Associate Matron, then presented Mrs. McLeod with an emblematic pin and the following address:

Dear Sister MacLeod: The officers and members of Friendship Chapter No. 6, O. E. S. of the Eastern Star, have heard with deepest regret of your intended departure from our midst. Your loyalty and devotion to our regard, and although you go to a city that has no chapter of the Eastern Star, yet we trust that your ardor will in no wise be dampened and the noble enthusiasm you have displayed in our work here will be the means of kindling a flame that shall spread until the city of St. John can boast of a most efficient chapter and thus bring us a long step nearer the realization of one of our fondest dreams, a Grand Chapter for the Province of New Brunswick. Time will bring its changes and, we hope, a full measure of prosperity for our order, we shall always be an especially warm place in our affections for those who struggled along with us in the days when we were few in number with many obstacles to overcome. We ask you to accept this little token of our esteem and with it the assurance that you will be followed by our best wishes for your happiness and prosperity in your new home, and although separated from us by distance, we shall still be united by a strong bond of fraternal love and sympathy. May God bless you and keep you true to the high ideals exemplified in the ceremonies of our beloved order. Fraternally yours.

The Officers and Members of Friendship Chapter No. 6 O. E. S.

In replying Mrs. McLeod thanked the chapter for their gift and their thought of her, assuring them she would never forget her association with them. She also reminded them of the obligation they had all taken saying if we lived up to those ideals, as we were expected to, our influence for good would be felt not only among our own members but the community at large.

Yesterday Mrs. McLeod was again made a guest of honor. The W. C. T. U. gave a picnic for her entertainment which was held on the lawn of Mrs. Alfred Moore.

The usual services will be held in the Hartland United Baptist Church next Sunday. The preacher for the day will be Rev. P. J. Quigg, so favorably and well known by the people of Hartland. His many friends will be glad to welcome him to the town and be delighted to hear him again.

There's the Emancipation proclamation of those who have out-candy in order to reduce!

H. PRICE WEBBER WILL SPEND
A FEW WEEKS IN N. B.

Friends of H. Price Webber were very glad to greet him yesterday upon his arrival in the city from his home in Augusta, Me. Mr. Webber was always a favorite with the St. John public when people patronized the Theatre instead of the moving pictures. He has appeared with his company in almost every place with any public in the Maritime Provinces. Probably no man has a wider acquaintance than

the genial actor-manager who can still go into any part of New Brunswick and hail his friends by their Christian names, ask after their families in a pleasant, hearty way, and bring back a recollection of old times to those who were accustomed to see Mr. Webber appear upon the scene.

Price has not lost his resemblance to Sir Wilfred Laurier, of which some of his friends think he is quite proud. He still carries his white plumes in abundance and his voice is as clear as it was twenty years ago when everybody could hear it in any part of the hall.

Mr. Webber proposes to spend a few weeks on a New Brunswick vacation. Some of the time he will pass with his friends, Mr. and Mrs. Archibald Seaton, at Fair Vale. Years ago when James Seaton was proprietor of a printing office in St. John, Price Webber used to go in and take possession of one of the type cases, setting up his own handbills and, if necessary, just for the sake of keeping himself in practice, using one of the small presses to print them. As Briggs says, however, "those days are gone forever," but the genial Webber who began life as a printer in the city of St. John and who still retains an affection for old places and old faces will never forget the printer's case. — Telegraph-Journal.

Edmundston Locals

J. W. Hall is on the sick list this week. Earle Nesbit of St. Stephen is a guest of Mr. and Mrs. J. M. Stevens. Mrs. Gunter of Fredericton is the guest of her mother, Mrs. T. M. Richards.

There will be a great many people at the races next week. W. H. H. will be good weather. Toss Mavor of the Bank of Montreal, Hartland, is a guest at the home of Mr. and Mrs. A. W. Brebner. Mr. and Mrs. A. McKenzie of St. Stephen and their son Jack was the guest over the weekend at the home of Mr. and Mrs. J. M. Stevens.

Mr. and Mrs. H. P. Frenchette, Madawaska, Me., and their son, left by automobile this morning for New York City, where Mr. Frenchette will make his selection of goods for the autumn trade.

Mr. and Mrs. Boswell Malcolm accompanied by Mrs. T. Malcolm motored through here and were the guests for a day or two of Mrs. Babin on their way to Fredericton and North Shore points.

Miss Joyce Amos and Miss Rita Amos, the former from Derby and the latter from Newcastle, are spending their vacations in Edmundston the guests of Mr. and Mrs. Malcolm Amos and Mr. and Mrs. T. Hutchison.

Mrs. Landers entertained on Tuesday at two tables of bridge. The guests were Mrs. T. J. Scott, Miss Mary Snowball of Chatham who was the guest of honor, Miss Blonnie Matheson, Miss Phyllis Hall, Miss Helen Murchie, Miss Dorothy Hall and Mrs. Gineberg. The first prize was won by Mrs. Scott, the second one by Miss Dorothy Hall, and the third one by Mrs. Gineberg.

The Editor returned from Ellsworth and Bangor on Saturday. Dr. Lawson of St. Stephen was here this week the guest of Aaron Lawson. Donald Fraser, Jr., is now a member of the office staff of the Fraser Companies headquarters.

Mrs. S. A. Bell of Cabano, Que., was a visitor last week at the home of Mr. and Mrs. George Birnie.

Mrs. Mona Snowball of Chatham has been the guest of Mr. and Mrs. J. M. Stevens for the past week or two.

Mrs. A. W. Brebner, Walter and Billy Brebner, accompanied by Mrs. N. Franchetti, motored to Woodstock on Saturday, returning on Tuesday.

D. H. Vanwart motored down river this week. He is on his way to St. John to visit his parents, and where he will meet Mrs. Vanwart and Donald and Jimmy.

The Sacrament of The Lord's Supper will be administered at the morning service of St. Paul's church in Fraser Hall next Sunday. A full attendance of members is requested.

Mr. and Mrs. Frank Fournier accompanied by Mrs. Lynott, returned by automobile from Montreal where they had gone with the latter's daughter, Mrs. Nello, who has been a guest here for the past few weeks. Mrs. Nello is returning to California.

We are glad to hear that Miss Jean Barnett who was formerly with the Fraser Companies at their head offices here, and recently has been with that Company at their Fredericton office, is back again at the head office. The very many friends of Miss Barnett will be glad to see her back again not least of all the various church organizations where she did such valuable work.

BACK ACHED TERRIBLY

Mrs. McMahon Tells How She Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Chatham, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for a run-down condition after the birth of my baby boy. I had terrible pains and backache, and was tired and weak, not fit to do my work and care for my three little children. One day I received your little book and read it, and gave up taking the medicine I had and began taking the Vegetable Compound. I feel much better now and am not ashamed to tell it to any woman I think feels as I do."

—Mrs. J. R. McMahon, 153 Harvey St., Chatham, Ont.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has for nearly fifty years been restoring sick, ailing women to health and strength. It relieves the troubles which cause such symptoms as backache, painful periods, irregularities, tired, worn-out feelings and nervousness. This is shown again and again by such letters as Mrs. McMahon writes, as well as by one woman telling another. These women know and are willing to tell others, what it did for them; therefore, it is surely worth your trial.

Women who suffer should write to the Lydia E. Pinkham Medicine Co., Coughing, Ontario, for a free copy of Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women."

where the Prince is an idol. But it is to be noted that his prospective visit to South Africa, postponed for the general election in that country, may be proceeded within a few months, although he has recently said that he hopes to visit Canada in the fall. There is plenty of time between now and then for the Prince to make a choice, but hardly for a marriage. Royal wedding are not thus hastily arranged and carried out. Many folks in Britain believe that the Prince is not heart free, and others argue that he doesn't want to marry yet. The latter also point out that there is a difference between promising to look for a bride and finding one within a definite time.

Railways now Preparing for Harvest Rush

Interior view of one of the new lunch counter cars operated on Canadian Pacific lines.

A number of steel Colonist cars—the one above forms part of the equipment of most trains.

Harvesters' train leaving Ste. Anne & Bellevue.

Interior view of Colonist car used on harvesters' trains.

Cutting of all wheat is expected to begin within about a week, says a report of the Ontario Department of Agriculture, and as a rule fall wheat is looking very promising. Western reports are also very encouraging, but just what the harvest is expected to be will not be generally known until representatives of the three prairie Provincial Governments and the two railroads meet in Winnipeg to discuss the labor situation and the best means of securing help to harvest whatever crop there is. However, the crop reports issued to date by the Agricultural Department of the Canadian Pacific Railway have been very optimistic and this company is already gathering and distributing equipment to various points in anticipation of the movement of harvesters.

The movement of harvesters has developed into a department in railroad transportation offices. As once the movement starts it must be carried through to completion as speedily and effectively as possible, the attention of a large staff is concentrated for nearly a month before, during and for some time after the rush on assembling equipment, distributing it to the various parts of the country from whence the harvesters are coming, packing up the special trains, securing supplies for the lunch cars, and the hundred and one things which have to be looked after in order to create smooth running and of which the traveler usually knows nothing and probably cares less.

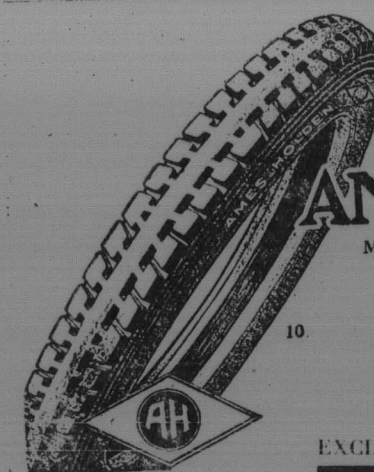

During the last four years the Canadian Pacific Railway has handled some 55,000 west-bound harvesters. Last year this company inaugurated the Lunch Counter car which afforded facilities hitherto

unknown to excursionists and, although perhaps not as a direct result of this innovation, over 26,000 men travelled in special trains over Canadian Pacific lines.

This year the company is making practically the same preparation as last. As soon as it is known just how many are required to work in the harvest the excursions will be arranged and trains made up. The excursions originate from as far east as the Maritimes and as far west as the border of Ontario, but all are of the same type as far as rail equipment is concerned.

Colonist cars are used which afford comfortable seating during the day, facilities are afforded those who wish to prepare their own meals in a small kitchen at the end of each car, and at night bunks may be pulled down as an upper berth or the seats extended to afford comfortable sleeping quarters. The lunch counter car in which as many as fifty men can take a meal at the same time is an important section of the train. The traveling harvester is sure of being able to secure a meal to suit his purse and of the food supplied him being of good quality and served in a sanitary manner. Last year this department on Canadian Pacific lines served over two hundred thousand meals, and the experiment was so much appreciated, and proved such a success that it has now become a regular institution.

Old timers traveling west now-a-days regard the trip as a holiday and the number of women and children who have been seen travelling with the harvesters since the standard of service rendered has been what it now is, has increased to a remarkable degree.

LOCAL AND PERSONAL ITEMS

Mrs. Mary Burt of Woodstock is visiting relatives in Centreville.

Mr. Bradley and Harold Jameson of Grand Falls spent the week-end in Centreville.

At the cemetery the last two or three days have been devoted to the digging for and driving of posts, and stretching wire for the new fence, by a crew of capable workmen from the Baptist congregation. The monuments have all been replaced to their former locations, and the place ready for seeding. People who have viewed the place before, hesitate now when going by to note the transfiguration.

A number of the young bloods attended the dance at Gallivans, Deer-ville, on Friday evening.

Mrs. F. M. Brown returned on Friday from a visit to St. John.

On Tuesday afternoon a fleet of eight or ten automobiles conveyed the members of the Baptist Sunday school to Nickerson's Lake, Houlton, where they spent the afternoon in the enjoyment of a bi-glenic, returning as the cool shades of evening fell.

A well contested 7-inning game of baseball was played on the Bath diamond on Tuesday evening, by teams from Bath and Centreville. The game was closely contested throughout and ended in Bath winning by a small margin—4 to 3.

Dr. and Mrs. Field and Miss Rayworth Field returned on Monday last from a week's vacation at St. John and St. Andrews.

Miss Evelyn Peppers returned last week from Woodstock where she had spent a pleasant vacation with her friends.

Mr. and Mrs. John McLauchlan, Miss M. McLauchlan of Woodstock and J. M. McLauchlan of Montreal, were at the Kennedy House on Saturday.

Dr. and Mrs. T. V. Hunter and children of Detroit, Mich., were callers in town on Saturday. Dr. Hunter was one of the former principals of the Centreville School.

Mr. Bernier, federal scale inspector of Edmundston spent the week-end at the Kennedy House.

Mrs. Robert Riley and Jack Riley are visiting relatives in Woodstock. Mr. and Mrs. R. J. Lee and family accompanied by Mrs. Lee's sister, left on Friday afternoon for Shediac by motor.

Church of England services for Sunday, Aug. 3: St. James, Centreville, Matins, 11 a.m.; Church of the Good Shepherd, E. Florenceville, Evensong, 3 p.m.; St. Barnabas, Greenfield, Evensong, 7 p.m.

United Baptist services for Sunday August 3: Centreville, 11 a.m. and 7:30 p.m.; Centreville, 3 p.m.

Mr. and Mrs. A. G. Fields, Woodstock, were visitors in town on Sunday.

Mr. and Mrs. Arthur Burpee of Woodstock were guests over the week-end of Mr. and Mrs. George Burpee.

Mr. and Mrs. Ernest Burt of Woodstock spent Sunday at Mrs. P. W. Campbell's.

Mrs. Everett of Andover is visiting Mr. and Mrs. Harry Grant.

Mr. and Mrs. H. Patten and Mr. and Mrs. L. London were in Woodstock on Sunday.

"Thorns and Orange Blossoms," one of Bertha McChay's old sob-sister stories, when ma was a girl, was given in its screen version on Wednesday evening with Estelle Taylor and Kenneth Harlan in the main roles. The play followed the old story very closely and was full of heart throbs. On Saturday evening Viola Dana was shown in "Don't Doubt Your Husband," showing just how far a tinge of jealousy would lead a spouse on the matrimonial breakers. A cartoon, "Walrus Hunters," and a sparkling comedy "Short Orders" was added to the programme. See page 7 for immediate attractions.

Dr. and Mrs. G. J. Burt and family of Fort Fairfield were Sunday guests of Mr. and Mrs. S. W. Burt.

A FISHING EXPEDITION

(Edmundston Observer)

R. W. Hammond and the Editor spent a couple of days at Griffin's, Que., this week, trying to coax the speckled beauties to leave their watery homes in order to appease the appetites of lovers of trout. They met with considerable success, especially in bites, the bites being more numerous than the fish. Most of the bites, however, came from the winged pests. During the wee sma' hours of the

night the music from the mosquitoes was only equalled by their exquisite surgical skill in extracting the rich red blood of the Editor and Mr. Hammond. But apart from mosquitoes, how great a thing it is to get into the woods, to feel the thrill of a trout on the line, to make the camp fire and sit around the same with a well drawing pipe, to lie upon the fragrant balsam and cedar, and to hear the birds at their morning concert, and to watch the sun putting on its clothes in the early morn. How near one gets to the heart of nature as one watches the ducks with their quivering numerous families swim across the river, or the King Fisher accomplish a task so much easier than ones self, or to observe the infinite variety of plants and flowers. And after a night with mosquitoes, how sweet a thing is a well made bed with clean sheets and a room proof against mosquitoes.

There are three dozen trout less in the Madawaska River than there were previous to our fishing expedition.

EVELYN BUBAR

Evelyn, ten-year-old daughter of Mr. and Mrs. Charles Bubar of Gordonville, died on July 21. This child was never well but seemed to be in her usual health up until a few days before her death, when she was taken suddenly ill and was only sick a few days. Her death came as a shock to her parents. The funeral was held on Wednesday from their home and was conducted by Rev. P. J. Quigg of Woodstock with interment in the Gordonville cemetery. Much sympathy is felt for the bereaved parents as she was their only daughter. Besides her parents two small brothers remain.

SEWING CIRCLE GOSSIP

There was some discussion at the Sewing Circle this week about newspapers. The wife of the Radio Operator said that newspapers were the things that added most to the comfort of living. "How many of us today," said she, "would have known about LUXOR COFFEE if we had not read about it in the newspapers? Newspapers advertising of a good article helps everybody; it helps the consumer to acquire a knowledge of the things he ought to buy, and it helps the producer of such articles to make his sales profitable. How glad I am that I read the advertisement of LUXOR COFFEE and decided to buy a half pound trial tin."

Murphy—"I just heard a man call another man a liar, and the man that was called a liar said the other man would have to apologize or there would be a fight."

"And why should that make you so sad?"

"The other man apologized."

The worried countenance of the bridegroom disturbed the best man, tiptoeing up the aisle, he whispered,

"What's the matter with yo' all, Erasmus? Has yo' lost de ring?"

No, I ain't lost no ring," blurted out the unhappy Erasmus, "dat's safe enough. But Joe, I's certainly lost mas enthusiasm!"

Brown Six-Row Potato Sprayer

BROWN POTATO SPRAYERS have for several years been the favorite with the potato growers on the St. John river for the reason that the clog proof nozzle makes it possible for the operator to spray for hours without stopping to clean the nozzles.

THE DOUBLE CYLINDER DISPLACEMENT PUMP takes its power from wheels by a convenient chain drive direct from axles thus doing away with side motion and drive chain trouble. The pump has brass plunger 2 1/8 inch in diameter, packed with graphite composition, from the outside thus assuring a high pressure at the nozzles. All check valves in pump are brass fitted to brass seats and can be easily ground or replaced. Large air chamber tested under higher pressure that assures a steady pressure at the nozzles.

REVOLVING TWIN PADDLES in tank to assure Bordeaux mixture being well mixed when in operation.

The HUNDRED GALLON TANK is square and of cypress wood, with the top removable in case of any trouble in the tank, whereas with the barrel tank sprayer it is impossible to do this.

THE WHEELS ARE GENUINE SARVIAN WHEELS, 4 feet in diameter, with 3 inch tire, all of good material that will stand for years which is very necessary in a sprayer that is to carry 100 gallons.

THE AXLE is cold roll steel 1 3/4 inch in diameter and we have never yet known one to break.

Hundreds of these sprayers are now in use and have given perfect satisfaction. We have a limited number for the season of 1924 and would advise anyone in need of a sprayer to place his order with us or with our agent nearest to him. The price is \$200 on reasonable terms.

HARTLAND, N. B., JULY 30, 1924.

MRS. TODD'S THANKS

Mrs. G. O. Britton, president of the Women's Institute, has received a very kind letter from Mrs. William Todd thanking the ladies for the address given her at the Lieut. Governor's reception, also for the beautiful bouquet of flowers. Following is the address which was read by the president at that time:

To Mrs. William F. Todd,
 Respected Madam: The politicians and the near politicians, who, on behalf of the Town and County, have extended so heartily a welcome to His Honor the Lieutenant Governor, have very properly, but somewhat incidentally, included yourself in that welcome. It has therefore seemed eminently fitting and proper that the Women's Institute of the Town of Hartland should extend to you a personal and individual welcome, and to express our unalloyed appreciation of a visit from the first lady in the land.

We make no apology for doing so. The influence of women upon the course of human events has been recognized by history. It has been established as one of the first social axioms that "The hand that rocks the cradle is the hand that rules the world." Later on when assertive man had plucked from the hand of tyranny the power of the electoral franchise the principle was established that while woman was not entitled to a vote "Every woman was entitled to a voter." That saying too, has been thrust into the discard and today in our Province and Dominion woman has finally established her right to the franchise on equal terms with the sterner sex, who have monopolized it for so many centuries.

That this innovation will be marked by a great change for the better in public affairs and in the elevation of our politicians and public standards, we cannot doubt. That there is a crying need for such improvement and intelligence, informed us long before our persistence obtained the highest right of citizenship.

The work of the Women's Institute in this province is of course perfectly familiar to you, being carried on as an agency of the local government, and we are well aware of your warm personal interest therein. We will not weary you by attempting to give any particular account of the local activities of the local institute, beyond observing that our institute is flourishing, serving local needs to the best of our ability and endeavoring to live up to those standards of social service which are the institute's justification for existing. In conclusion, we again welcome you to all the rights and privileges of the Town, assuring

you of our keen appreciation of the high honor of meeting you upon this occasion and to trust that you will be pleased to repeat your visit, at least as early as the summer of 1925.
 The Women's Institute of the Town of Hartland.

Health Restored by The Fruit Treatment

Fourteen years ago, Mr. James S. Delagaty, of Collett Plains, Man., was a nervous wreck. His system was shattered by Nervous Prostration, and he was reduced in weight from 140 to 115 pounds.

He wrote on May 15th, 1917, "Every medicine I tried proved useless until a friend induced me to take 'Fruit-a-tives.' I began to mend at once. After using this fruit medicine for three months, I was back to normal. I have never had such good health as I have enjoyed the past six years. We are never without a box of 'Fruit-a-tives' in the house."

Writing again on September 27th, 1923, Mr. Delagaty says, "I stand by my letter to you in 1917—I still recommend 'Fruit-a-tives.'"

"Fruit-a-tives" is a complete fruit treatment—being made of the juices of fresh ripe fruits and tonics. 25c. and 50c. a box—6 for \$2.50—at druggists or sent postpaid by Fruit-a-tives Limited, Ottawa.

AUTO ACCIDENT

What has resulted in a very serious accident took place in this community early Wednesday morning of last week, when Edward Tumbleton and Mac McKellan were thrown from the car in which they were travelling. They were on their way from Perth to their home at Birch Ridge when almost in front of the Red Rapids post office along the Tobique river road their car turned over throwing its occupants out. McKellan escaped with little or no injury but Tumbleton sustained serious injuries. He was rushed at once to his home and from thence to the Woodstock Hospital where he is under the treatment of Dr. Rankine. It was found upon examination that he has four ribs broken at the back, a fractured skull, a punctured lung in addition to a couple of bad cuts about the face. The latest report is that he is in a very critical condition.

"DAVID COPPERFIELD"

David Copperfield is on the screen at last! Who can ever forget the story of that much-abused little boy who moans with so many hardships and sorrows, but who finally comes into his own as an author and lover? Neither can we forget the host of characters both lovable and evil which surround him through his life. From the masterful pen of Charles Dickens came the tale of David Copperfield in the form of a novel, but it is vastly more than fiction. It is the life of the novelist to a certain extent as he himself recorded it. And strange indeed are some of the people with whom he had to deal. Take, for instance, Mr. Wilkins Micawber, who confidently expects "something will turn up." Such a character is one that no one but Charles Dickens would have met

or would have created in story form had they met him. And to transfer this man to the screen and make him a living, breathing person would seem to be almost an impossibility. But that is what has been done in David Copperfield. And he is not just an actor playing the role of Micawber.

For years the reading world has revelled in the works of the famous author, Charles Dickens. Throughout the universe the young and the old have raved over the novel, "David Copperfield," which Mr. Dickens declared was his favorite story. When arrangements were made to adapt the romance of David Copperfield to motion pictures, there was great concern over the manner in which it would appear as a screen production. The picture has been made with great care, precision and despatch and the result has been that the makers have adhered closely to the original theme of the world-loved story.

Here and There

It is announced that vigorous efforts will be made by the Government of Manitoba to effect the actual settlement of 224,000 acres of vacant provincial land now under the administration of the Crown.

For the week ended June 21st traffic earnings of the Canadian Pacific Railway amounted to \$3,301,000, as compared with \$3,159,000 for the corresponding period of 1923. This is an increase of \$142,000 or 4.4 per cent.

Reports from the Roynan gold fields of Quebec continue to indicate a great future for that territory. Development is proceeding apace and the English capital now flowing into Canada in search of good investments is interesting itself in this area.

Three carloads of seed grain are being shipped weekly from the provincial seed cleaning and marketing plant at Edmonton, Alta. About 50,000 bushels of seed grain have been handled by the plant since last fall and 20,000 bushels more will be handled before the year's seeding is completed.

The International Paper Company intends to add two new machines to their plant in Three Rivers, Que., so as to increase their production from 300 to 450 tons daily. Another project is also under consideration, viz., to build a plant in Batiscan instead of enlarging the Three Rivers one.

Out of every dollar the Company earns, the sum of 81 cents is spent by the Canadian Pacific Railway in the home markets of Canada for wages, materials, supplies, taxes and insurance, figures recently issued show. In 1923 the total earnings of this great corporation were \$195,874,890, and every community in Canada directly benefited by the expenditure of 81 per cent. of this huge amount in the home market.

The 1924 cut of the East Kootenay (B.C.) forestry district gives promise of running to a grand total of 150,000,000 feet. There is a particularly brisk business in poles of longer lengths and in railway ties, and a cut of some 1,000,000 sawn ties and the usual quantity of the hewn variety is looked for. Sixteen sawmills are now in operation and indications are that there will probably be thirty going before the season closes.

Canada now takes third place, and second place among British possessions, of the gold-producing areas of the world. The total gold production of the world for 1922—the latest year for which returns are available—was 15,440,000 fine ounces, of which the Transvaal produced 7,020,110, or 45.5 per cent. The United States came second, with 2,363,075 ounces, or 15.3 per cent., and Canada followed, with 1,263,364 ounces, or 8.2 per cent.

June 18th was the anniversary of the running of the first Imperial Limited, the Canadian Pacific Railway's famous transcontinental. This was not the Company's first transcontinental, as trains began regular service between Montreal and Vancouver as far back as 1886, but for several years it was the crack Canadian Pacific express. To-day the premier place is held by the Trans-Canada Limited, the fastest long-distance express in the world, which makes the run in 90 hours, or 10 hours less than the time of the original Imperial Limited.

INDIAN HEADPIECES

(Edmundston Observer)
The streets of Edmundston these days give the appearance of an Indian encampment. Everywhere you go you see boys and girls with Indian caps upon their heads. All the colors of the rainbow are represented in the feathers which make up these Indian headpieces. Being anxious to know from whence these caps came, whether the boys and girls belonged to a new kind of secret organization, the Editor went out on the warpath himself to secure the information. After following the trail, and interviewing some of the "Braves and Paposes, and Squaws," he was led by secret paths to the camp of the War Chief himself, which he discovered was R. W. Hammond's store. And he found that in order to belong to his new order of Exalted Red Men, all you had to do was to purchase a quarter of a pound of Lipton's Fam-

ous Tea, for a quarter, and then you were capped. Any youngster who has not got one of these fine Indian caps would do well to visit this store with the necessary 25 cents and secure one for they are going fast, and the supply is limited. And the Tea, by the way, is as good as you can find, for it is grown on the famous Lipton plantations.

MRS. JOSEPHINE DUSKIN

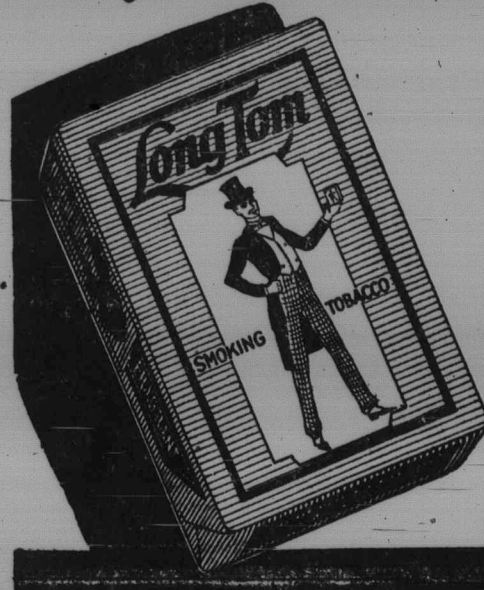

The death of Mrs. Josephine Duskin of Haverhill, Mass., occurred on July 29, after a lingering illness of cancer. Her remains were brought to her old home in Canterbury for burial. The services were conducted by Rev. P. J. Quigg and the burial took place in the Canterbury cemetery. She leaves to mourn their loss her husband, three sons and one daughter and five brothers, James Miller of Hartland who went to Haverhill and brought the remains home for burial is a brother of the deceased. She professed religion a number of years under the labors of the Rev. David Brooks and, united with the Canterbury Primitive Baptist church. Much sympathy is felt for the family in their bereavement.

KATHLEEN HATHAWAY

Much sympathy is felt for Mr. and Mrs. Alphonse Hathaway of Aroostook in their loss of Kathleen, their daughter of 12 years. She died in Community Hospital, Fort Fairfield, from blood poisoning last Thursday noon, July 17th and was buried on Friday in Andover Baptist cemetery. The service was held in Aroostook hall and was conducted by Rev. Erle E. Fytche assisted by Rev. C. O. Howlett.

Baked Enamel Finish Jewett Quality and Power

THE Jewett Brougham is a flashing beauty. Has a brilliant lustre all over the car that will last for years. Produced by a new process.

Each separate steel body panel is dipped three times in finest black enamel—baked three times at high temperature—rubbed after each coat—then fastened to the staunch wood body frame. A fine quality body.

Both front seats fold forward. Easy entrance and exit, either side. Rear seat is wide. Fawn colored velour upholstery, deep easy cushions.

Its 50 h.p. motor gives you "peppy" Jewett performance. Its rugged chassis proves the advantage of strength over light, flimsy construction. Try this car—yourself—today!

"Was Freed of Gall Stones And Persistent Backache"

Mr. Alexander Bradley, R.R. No. 1, Carp, Ont., writes:

"I suffered from gall stones, and commenced taking Dr. Chase's Kidney-Liver Pills. I feel safe in saying that these pills completely overcame the trouble, as it is some years since I was afflicted in this way, and I have not suffered from gall stones or even backache since. I have also found Dr. Chase's Nerve Food excellent for heart trouble and shortness of breath."

Jewett's greater weight—2805 pounds—makes possible a heavier and stronger rear axle—heavier and stronger frame—heavier and stronger universal joints—heavier, stronger and more powerful motor—a heavier and stronger car throughout. That's why Jewett Six is sturdier and longer-lived than lighter cars. Ask the weight of any car before you buy. Compare its sturdiness with Jewett's. And all this at the price of a light six!

Here and There

Up to the end of May, 1924, over 779,000,000 fry of different kinds were distributed through the Canada from the fish hatcheries operated by the Department of Marine and Fisheries, a recent despatch from Ottawa declares.

A surplus of \$363,011 is shown in the annual report of the Vancouver Board of Harbor Commissioners for the year 1923. Receipts totalled \$725,880. There was an increase of \$4,813,797 in the value of all exports and imports. The actual value of all freights was \$40,693,924.

Among the passengers sailing for England on the Canadian Pacific steamship "Marloch" July 3rd from Montreal was a large party of teachers, who will join the tour of the Overseas Educational League, which this year is covering Great Britain, France and Belgium.

A set of 12 beautiful colored pictorial menu cards illustrative of the history and romance of Canada has just been placed in service by the Canadian Pacific Railway on its crack, transcontinental express, the Trans-Canada Limited and the Mountaineer. Especially interesting are four reproducing authentic photographs of prairie Indians, accompanied by descriptive text.

The newsprint production in May this year both for Canadian and United States mills was greater than the previous months. Canadian mills made a new high record, the total for the month being 117,833 tons, compared with a previous high figure of 115,572 tons and their production for the first five months of the year exceeded that of 1923 by 56,087 tons or approximately 11 per cent.

"Canada is the country for the Scotsman and I am going to bring every opportunity that Canada can offer, especially in farming, before my compatriots," declared the Rev. William Dunlop, M.A., F.R.S.E., of Buckhaven, Fifeshire, when in Montreal recently, on a tour of the Dominion investigating its agricultural possibilities. "But you are sadly in need of more people and we can supply them."

Through the generosity of the British Museum, the Fine Arts School of the City of Quebec has been enriched by the donation of a precious collection of books on arts, which contain over 3,000 reproductions of masterpieces. Among his- toric schools represented are the English of the 14th Century, the Italian of the 16th Century, the German of the 15th Century and the French and Danish of the 18th and 17th Centuries respectively.

For the 12 months ending May 31, Canada had a favorable trade balance of nearly \$200,000,000. Exports during that period totalled \$1,069,715,880 and imports \$873,367,752 in value. This represents an increase in value over the exports of 1923 of \$10,000,000 and of \$32,000,000 over the imports of that year. The chief increases in exports were noted in agriculture, wood and paper.

The first residence of the Jesuit Fathers at Sillery, which was built in 1639, has been presented to the Province of Quebec by the sons of the late Hon. R. R. Robell, a minister in the Laurier cabinet of 1896. This house, which stands at the foot of the path outside the City of Quebec up which Wolfe's army climbed to the Plains of Abraham, is the oldest in Canada and the second oldest in North America, the oldest being situated in Florida.

Something new in the way of "stunts" was staged at Montreal on July 4th by the publicity association of that city, as a send-off to Canadian and United States delegates going to the annual convention of the Associated Advertising Clubs of the World, which opened on July 12 at London, England. The 250 men of the party rolled a huge ball made of wood and canvas through the principal streets from a local hotel to the docks occupied by the Canadian Pacific steamship "Montcalm," upon which they subsequently sailed.

JAMES DEMORE FLANNAGAN.

The death of James D. Flannagan occurred at his home Dover Hill on Sunday morning, July 20, after a long and tedious illness following an operation. He was born in Florenceville April 17, 1894, son of George and Lovey Flannagan, and was therefore a little over thirty years at the time of his death.

Funeral services which were very largely attended by friends and relatives, were held from the Beaconsfield Baptist Church, July 21, and interment was made in the cemetery there. B. A. Flewelling had charge of the funeral. Rev. Moody Wright conducted the funeral service and spoke comfortingly of the promises of future life and immortality. He was assisted by Rev. F. Harold Bickford. Several appropriate selections were sung in the church on that day. The grave by a choir composed of Messdames Boyd Flewelling and Moody Wright and Messrs. Charles Flewelling and David Crabtree. Mrs. J. N. Porter was organist. The flowers were numerous and beautiful, silent testimonies of the respect in which the deceased was held by his friends.

The most beautiful floral offering was a large broken circle by the family. Mr. Flannagan was a young man of wide acquaintance, having many friends who will learn with regret of his early passing.

Besides his grief stricken parents he is survived by five brothers and one sister as follows: Ralph of Beaconsfield, Frank, Harry, Kenneth and Fred, all of Dover Hill and Annie, Mrs. Henry Perley of Florenceville and a large number of other relatives. Among relatives from a distance who attended the funeral was an uncle, William B. Lovely of Boston, who was with him during the last days of his illness and helped to tenderly care for him. The sympathy of the community goes out to the bereaved ones in their sorrow. (Fredericton Gleaner please copy).

Card of Thanks

We wish to thank our friends and neighbors for their many acts of kindness shown to us in the death of our darling Evelyn, also for the many beautiful flowers sent and those who assisted in the singing.

This way clever women resist the years

The simplest beauty secret known—
but the most effective

Every day you see women well along in years, who still retain the charm of youthful, lovely skin. They are not unusually fortunate—just clever enough to resist the years!

They know and follow a simple method, which you may employ as successfully as they do. This tells you how.

Authorities advise this

thorities say, to keep your complexion lovely, radiant, youthful. But beware of harsh cleansing methods. They injure skin.

Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the tiny pores. Rinse—and repeat the washing. Then rinse again.

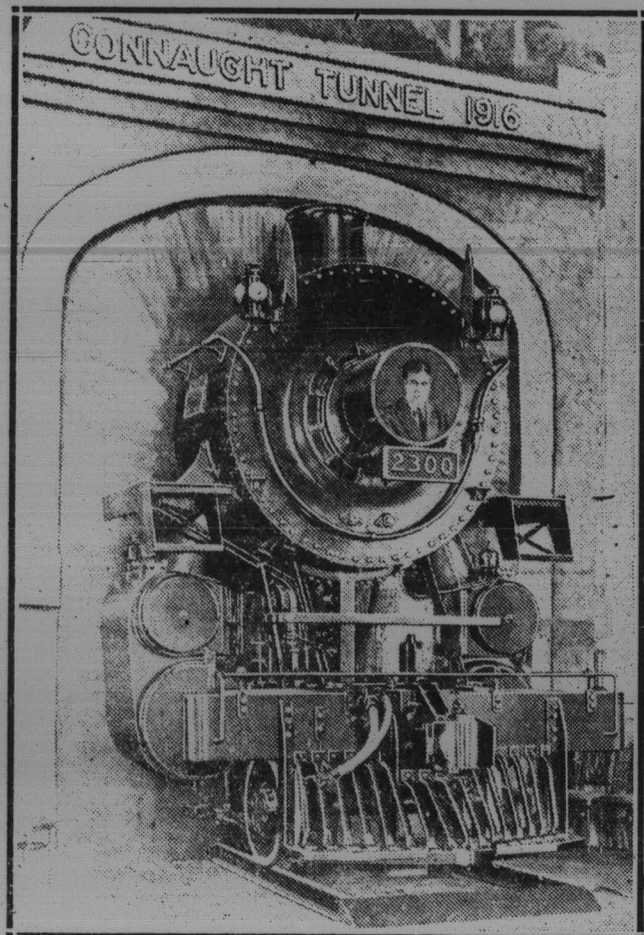

Then—if skin is dry—apply a little cold cream. That is all. Skin so cared for is not injured by cosmetics, by wind and sun, or by dirt.

The simple, correct way

You cannot find a more effective beauty treatment. Because Palmolive Soap is blended of rare palm and olive oils—famous for mild but thorough cleansing qualities since the days of Cleopatra. And it is inexpensive.

Be sure you get Palmolive Soap—which is never sold unwrapped. All dealers have it. Then try this method. Watch the improvement in your skin.

It is very economical. So let Palmolive do for your whole body what it does for the face.

Smokeless Locomotive

Built of wood at the Angus Shops, this full sized model of one of the latest type locomotives was designed originally as a feature of the dinner decorations at the Chateau Frontenac on the occasion of the Quebec conference of the Canadian Pacific Railway officers. Equipped with bell, whistle and electric lights, not a bolt or bar is lacking to mar the illusion which is that of a perfect engine coming through the wall against which it is placed. The headlight holds a portrait of E. W. Beatty, president of the Canadian Pacific. At the Toronto Exhibition, August 23rd to September 5th, the model will be given a prominent position in the Company's exhibit.

PERTH NOTES

Hugh Smith of Fredericton is visiting with his family at the home of Mrs. Smith's parents, Mr. and Mrs. E. W. Larlee.

Burton Davis of Fredericton, is the guest of W. H. McPhail.

H. B. Thompson of Presque Isle was calling on friends here on Friday, after which he motored to Kilburn and dined with Mr. and Mrs. E. W. Cox and Mrs. E. H. Duane.

Mr. and Mrs. Taylor of Boston are guests of Mr. and Mrs. A. F. Grant and other relatives here.

Mrs. A. M. Bird and family of McAdam Jet, passed through town on Saturday enroute to Three Brooks to visit the former's parents, Mr. and Mrs. G. McDougall.

Isaiah Wortman and J. Perry Wortman and little daughter of Wiltipitlock, Me., and Haverhill, Mass., called on Mrs. B. C. Palmer on Monday. They were former residents of this place, having at one time lived in Hotel Perth, but have resided in U. S. A. for many years. They, with their sister, Mrs. Robert Crawford of St. John, and some other relatives from Maine, enjoyed a picnic dinner on the Indian Point.

G. E. Armstrong and family and M. E. Armstrong and family spent Sunday at Netau.

Many Perth friends sympathize with Mr. and Mrs. Harold Green of Wapske in the loss of their home, by fire, on Sunday. They had been away from home and returned late in the evening to find their house in flames. Everything was a total loss.

Miss Lenora Knight of Millerton, is the guest of Miss Lillian Larlee, having accompanied her from Fredericton.

A party of young sportsmen from Philadelphia spent the night here Friday on their return from Tobique where they had been spending two weeks.

IN LIGHTER VEIN

Teacher—"Children, can any of you tell me what is the most dangerous part of an automobile?"

Tommy: "Yes, miss, I can! It's the driver!"

Wife: "I'm afraid our new housemaid is dishonest. Husband: "Come now, my dear, you should never judge by appearances." Wife: "I don't I judge by appearances."

Lawyer's wife: "John, is it better to lie on the right side or the left side?" Lawyer—"My dear, if one is on the right side it usually isn't necessary to lie at all."

Doctor's Wife: "I see in the paper where a man killed for three dollars." Doctor (absently)—"What a small fee! The fellow who did the work must have a fake diploma."

Tramp: "Would you please subscribe half-a-dollar to my fund for beautifying the village?"

The minister—"But my good man, how are you going to beautify the village?"

Tramp—"By moving on to the next village!"

Nervous Woman (to persistent beggar)—"If I give you a piece of pudding you will never return, will you?"

Beggar: "Well, lady, you know your puddin' better than I do."

"I came into this town, sir, as a very small boy, without a shoe to my

feet, or a penny in my pocket, and now look at me!"

"But I always thought you were born in this place."

"So, I was. Doesn't that prove my statement?"

"When you found you hadn't your fare did the conductor make you get off and walk?" asked the inquisitive man.

"Only get off," was the sad reply. "He did not seem to care whether I walked or sat down."

A man was giving a lecture on the subject of "Honesty."

He related that when a boy he saw a cart laden with melons outside a shop and nobody about. On the spur of the moment he stole a melon and darted into a passage.

"I soon got my teeth into that melon," he said, "but instantly a queer sensation assailed me, and a shiver went through me. My resolve was taken at once. I went back to the cart. I replaced the melon—(loud applause)—and took a ripe one!"

The young man on the train, seeing that the handsome girl across the aisle was looking at him very intently.

thought he had made an impression and in a few minutes he changed his seat to the vacant one beside her.

"Haven't we met before somewhere?" he ventured to ask.

"Well, I'm not quite sure," she replied, "but I think you are the man I saw hanging around the night our automobile was stolen."

The young man vanished into the smoking car, amid the snickers of those who had overheard them.

It was very cold, but still the angler sat patiently by the side of the stream, waiting for the bite that did not come.

An aged man approached and took up a strategic position behind him.

"Are these private waters, my man?" asked the angler, looking over his shoulder.

The aged man-shook his head.

"No," he said.

"Then it won't be a crime if I land a fish?" pursued the sportsman.

Again the aged man shook his head, till his grey locks fluttered in the breeze.

"No," he said. "It would be a miracle!"

A benevolent old lady was walking along the street when she observed a beggar. "My poor fellow," she said, "here is a quarter for you. Goodness gracious, it must be dreadful to be

lame! But I think it would be worse to be blind."

"Yer right, lady," agreed the beggar. "When I was blind I was always getting counterfeit money."

MOVED!

Grover C. Campbell has moved his office to the store formerly occupied by McDade's Restaurant on Main Street, Woodstock. This down-stairs location has been fitted as a modern optical room and equipped with instruments for the latest and most up to date method for testing eyes. This with Mr. Campbell's experience in fitting glasses that fit will insure continued satisfaction and greater confidence to his rapidly increasing list of satisfied patients.
