WINTER CARNIVAL NOW ASSURED

PREPARATIONS FOR THIS BIG EVENT NOW WELL UNDER WAY

Chaperons Appointed and Working Energetically—Names of Fifteen Candidates Already Received—Prospects Look Bright For A Real Successful Affair.

Although apparently an impossibility less than a month ago Campbellton's first Winter Carnival was assured. Plans for this big winter event were begun in earnest on Monday and are now well under way. The carnival will be held under the auspices of the Campbellton Hockey Club and will be open to contestants from both Campbellton and Newcastle counties. A Miss Campbellton will be chosen as the Carnival Queen, and the names of fifteen candidates have already been received. Prospects look bright for a real successful affair.

The Carnival is scheduled to open here on Thursday evening, Feb. 7th, and "Miss Moncton" (Miss M. Smith) will be on hand for the opening. The carnival committee have been most fortunate in this respect for it was at first feared that the popular Queen of the carnival would be unable to attend. A wire was received late yesterday afternoon from her stating that she would, without fail, arrive here on the evening of the 7th. Her presence on the opening night will be a feature of the carnival for besides being a very popular young lady as attested to by having the distinction of receiving the largest number of votes of any Queen chosen in Eastern Canada last year, Miss Smith is most admirably representative of the finest type of Canadian womanhood and a most charming and accomplished girl. There is no doubt but what citizens here will extend to her royal visit a warm welcome to our town.

Tentative Program
In view of the extensive preparations being made by the Carnival Committee the opening of this carnival promises to be of a most spectacular and colorful nature. It is the purpose of the committee to arrange for a large number of citizens to meet Miss Moncton and her family on the arrival of the Ocean Limited on Thursday night and a torchlight procession to escort the royal couple to the Town Hall where His Worship Mayor McKay will formally welcome Miss Moncton and all visitors to Campbellton. Following appropriate speeches from other prominent citizens the Winter Carnival will be officially declared open.

ANOTHER CITIZEN PASSES AWAY

Mr. John C. Ferguson Died at His Home Here Monday Afternoon

Campbellton is to-day mourning another of its sturdy and respected citizens in the passing away of Mr. John C. Ferguson, who died at his home here Monday afternoon after a few weeks' illness.

Mr. Ferguson was born in Campbellton sixty-eight years ago, his father being Douglas Ferguson and his mother Sarah Dickie. He lived his entire life here, and has served in many public positions, especially in the early development of Campbellton. He was on the Council board during the installation of the water and sewerage systems, and was also a member of the school board when the first grammar school was built here.

He was also an active member of St. Andrew's Presbyterian Church, being a trustee for many years, and a Past Master of Campbellton Lodge, F. and A. M.

He is survived by a widow, Mary Currie, and three daughters, Mrs. Roy Harper, Elderly, Sask. Mrs. Elsie of North Boston, Mass., and Mrs. W. B. Wilson, Eldon, P. E. I.

The funeral was held Wednesday afternoon at 2:30 o'clock and was very largely attended. The services were conducted by Rev. W. W. McNair, assisted by Rev. W. Camp. The pallbearers were Messrs. W. H. Miller, Robert Patterson, H. J. Collier, Gordon Harper, Albert McFarlane, and Raymond Andrew.

PRINCESS

Princess Zehob, wife of the new minister from Egypt, His Excellency Youssouf Pasha, is the newest member of Washington's fashionable set.

OLD RESIDENTS ON ROAD MATTER

Says Good Level Country Can Be Picked For Proposed Highway

The Graphic has received the following letter from an old resident of the Upsalquitch which no doubt gives reliable information in reference to the country through which the proposed Campbellton-St. Leonard highway will pass. We publish this information in the hope that it will facilitate matters.

To the Graphic, Campbellton.
Gentlemen:
I saw in your paper where engineers were surveying for a highway from here to Saint-John, and that they were going to start in the vicinity of Glenora.
If they start in the vicinity of Glenora, they will have first to build a horse bridge at the Upsalquitch River, and have a mountainous road up Gros Brook.
I think it would be better to come to Glenora and go up Gros Brook, and then have that side through to Robinsonville crossing the Upsalquitch River there. On the other side of the river they will have three gulches to cross. From either one will cross Adams Gulch about a mile and a half from the railroad, then across Gros Brook at the forks, across the railroad some place above there, and then have that side through to Edgewick and you will have a level road through and there will be no necessity of building any bridges.
Hoping that this piece of information will be of some benefit in the construction of this highway, and that if I am able to give any information concerning this route I will be very glad to do so.

Yours truly,
THOMAS FELIX,
Dawsonville, Ont., Co. N. B.

SUDDEN DEATH OF JUDGE CHANDLER

Judge of Supreme Court Passed Away This Morning After Short Illness

St. John, N. B., Jan. 28.—Hon. W. B. Chandler, judge of the Supreme Court of New Brunswick, King's Bench Division, died at the Sign of the Lantern Inn, 123 St. James street, shortly before 1 o'clock this morning. The cause of death was heart disease.

Hon. W. B. Chandler was born in Westmorland County, the son of the late Mr. and Mrs. E. B. Chandler, and was in his seventeenth year. He was educated in the schools of his native county, later going to Harvard, where he read law, graduating from that university in 1876. He was admitted as an attorney of the Supreme Court of New Brunswick in 1876 and one year later was admitted as a barrister. Several years later he formed a partnership with the late Hon. Henry R. ...

NEW COUNCIL IS SWORN IN

One Administered at Town Clerk's Office Friday Evening

Campbellton's new Town Council, sworn Friday evening at the Town Clerk's office, the full board being present.

After the oath was administered the council met at a committee of the whole and discussed matters pertaining to the work of the year.

ROBERT Z. WALKER DIED TUESDAY

C. N. E. Superintendent. Passed Away at Royal Victoria Hospital, Montreal.

Fredericton, Jan. 29.—Robert Z. Walker, assistant superintendent of the Canadian National Railways with headquarters in Fredericton and in charge of the St. John Valley Railway and the Canada Eastern divisions, died at the Royal Victoria Hospital, Montreal, this morning at 8 o'clock following two operations and an extended illness.

Deceased was born at Shediac Road, Westmorland county, in 1862, and entered the railway service thirty-five years ago as an operator at Falmouth Junction, and was later stationed successively at Newcastle, Dalhousie and Chatham Junction. In 1908 he was appointed C. N. E. station agent in this city and in May, 1913, he was appointed assistant superintendent in charge of the St. John Valley Railway and the Canada Eastern. He is survived by his widow, Mrs. Z. Walker, Miss Moffatt of Dalhousie and who has been in Montreal for some weeks past with Mr. Walker; one brother, James Walker, of Shediac Road, and several nephews and nieces, including Jasper Humphrey, C. P. R. superintendent at Montreal, and Frank Walker, a Wall Street broker, in New York. An only son, George Walker, who was a student at Fredericton High School, died about six years ago. St. John as the result of injuries received while playing football against St. John High School with his team.

DALHOUSIE NEWS
The many friends of Mr. and Mrs. Desre Roux will regret to hear of the illness of their two little children. The baby being badly burned and the little boy with bronchitis.

A. T. LeBLANC, K.C. FOR THE JUDGESHIP

Claims Being Strongly Pushed by Resigning and Other Supporters

The vacancy upon the Supreme Court Bench of New Brunswick created by the death of the late Mr. Justice Chandler will shortly be filled and friends here and throughout the whole province are pressing the claims of A. T. LeBlanc, K. C. of Campbellton, who is eminently qualified for the position.

In discussing Mr. LeBlanc's appointment to this honorable position the *Fredericton Evening Express* says: "About a year ago when reports were circulated that Mr. Justice White might retire because of age, at that time, rather precarious condition of his health, a boom for the elevation of Mr. LeBlanc to the bench was vigorously started by some of the more energetic of the French Academics in New Brunswick. They pointed out at that time in their propaganda that since the death of the late Sir Pierre A. Landry there has been no French speaking member of the Supreme Court bench, although they urged, the French speaking people in New Brunswick had increased in New Brunswick had increased ...

RESTIGOUCHE MAN DIES IN WEST

Stricken With Paralysis While Hurrying to Bedside of His Sick Wife

While hurrying from Upper Michigan to the bedside of his wife in Green Bay, William Elziger, formerly of Oconto, was stricken with paralysis Wednesday evening and died a few hours later in the same hospital where his wife was ill.

Elziger was on board Northwestern Train No. 102 when the stroke came. He was unconscious when taken from the train and rushed to Dalhousie hospital. Death occurred early Thursday.

Mrs. Elziger, who is seriously ill, has not as yet been informed of her husband's death. She entered the hospital about a month ago, suffering from a very painful illness, and since has gradually grown worse. She is about 50 years of age. She was formerly Miss Maloney of Oconto.

Information regarding Elziger's relatives and the future disposal of his body is not available today. He had been connected with the William Bonifas Lumber company of Bonifas, Mich., and was between 65 and 70 years of age—Bonifas Mich. paper.

Mrs. Elziger was a native of Dalhousie N. B. but has resided in the west for a number of years, he was a brother of the late Edward and Joseph Elziger (pilots) of Dalhousie, also a nephew of Mrs. Andrew Elziger of Jacquet River.

Win From High School By Score of 3-2—Rambler and Wanderers Tie 4-4—Both Contests Clean and Fast.

CAMPBELLTON WINS BONSPIEL HONORS

Town Curlers Total 187—Newcastle Second With 177—Annual Banquet

Chatham, Jan. 25.—Campbellton won the North Shore bonspiel play in which was closed today. Campbellton's score was 187 and the score of the Newcastle players, the runners-up, was 177. The first of the trophies was won by Bathurst and this year's bonspiel was the fourth contest for the second trophy. Bathurst won in 1921 and in 1923, and Campbellton has won in 1922 and now in 1924. To retain the trophy it is necessary to win it three times.

The total scores for the bonspiel were: Campbellton, 187; Newcastle, 177; Bathurst, 176; Chatham, 153, and Dalhousie, 128. It was decided that the bonspiel should be held next year in Campbellton.

The total scores by skips and clubs participating in the two days' play will be found below:

Club	Score
Chatham	153
Irving	37
Snowball	39
Ruddick	37
Jardine	37

The visiting curlers and a number of local people were royally entertained by the Chatham Curling Club after the close of the last game Thursday evening.

About 150 people sat down to the splendid banquet which had been prepared by the ladies of the I. O. O. F. After they had done full justice to the meal, Vice-President McKendry, acting as Toast master, arose and proposed the toast to the King.

President R. R. Snowball extended the visiting curlers the welcome of the Chatham Club. He then proposed the toast to the visiting curlers.

This was responded by F. J. McKendry of Campbellton, H. F. McKendry of Dalhousie, E. P. McKay of Bathurst, and C. J. Morrissey of Newcastle.

The toast to the town was proposed in a pleasing speech by a former mayor James Nicol, Mayor Hickey replied assuring the North Shore Curling Club of every courtesy during the stay in town.

As a final toast, Mr. McKendry named The Clergy. This was ably responded to by Rev. J. H. A. Anderson.

The games lost or tied by clubs were as follows:

Club	Won	Lost	Tied
Campbellton	9	7	0
Bathurst	11	4	1
Newcastle	9	6	1
Chatham	7	8	1
Dalhousie	8	12	1

over the bare appearance so very of the garden noticeable around buildings. The plants branch low and gracefully and the foliage is a rich green. The plants are so arranged that they can be made into dense arched screens, massive groups to close out undesirable views of out buildings, dry-stone walls, and other plain features. The plants are in flower, or they will be, and the groups are in light and graceful adjacent features. An overripe cluster of flowers is shown in the foreground. The plants should not look as though they were built in a thicket.

Group-planting is more attractive than single specimens, and the plants are more pleasing than the mass-planting. The plants in a group are arranged so that they form a natural, uncontrived predilection as to the position within the group. Five plants

kind make a good group and may be sufficient for many purposes. A group made up of one kind of plant is usually more attractive than a group with each plant different. It is allowable of course to have variety by introducing a specimen of another kind. If, for example, a group is made of five plants, one of them may be a bushy honey-suckle, one or two may be Japanese barberry and one may be a plant of the same kind as the one placed in the front of the group for advantage, but in such planting the barberry should predominate. A

(4) of which there are many fine varieties, is the best. The Siberian Pea Tree (*Caragana arborescens*) is also satisfactory. For evergreen the Pyramidal Arborvitae (*Thuja occidentalis pyramidalis*) Thread-leaved Retinospora (*Cupressus pisifera glabra*), Savin Juniper (*Juniperus Sibirica*) and Dwarf Mountain Pine (*Pinus montana Mughus*) will be found to be among the best.

Campbellton, N. B., Jan. 31, 1924.

THE WINTER CARNIVAL
The opening of a Winter Carnival in Campbellton this year will give the new Town Council an opportunity to demonstrate its boosting ability. If this pretentious affair is to prove the success that it should there will be need of enthusiastic co-operation from those in local authority who will be able to make appreciable contributions towards the success of this big event. In other towns and cities throughout Canada where these Winter Carnivals are being held, Civic Councils and Boards of Trade have given grants of money and helped most generously in various ways. Despite the fact that our new council board declared its policy of economy their is nothing to prevent them from assisting liberally in making Campbellton's Winter Carnival a big success. In view of the splendid advertising value of such an affair we believe that generous support may be confidently expected.

PROGRESS
The survey of the new highway from here to St. Leonard's or, at least from Campbellton to Kedgewick was begun this week by Government engineers. If this first link in a proposed cross province road is continued and to the American boundary it will doubtless become a great tourist route between Maine and other Eastern States and Northern New Brunswick. The possibilities of this can not fail to appeal to all residents of the North Shore for it is one of the developments which will do most to usher in a new era of growth and prosperity in Restigouche and the surrounding country.

In commenting on the new highway, the St. John Times says: "The Restigouche people are very keen about this road. They have been improving their hotel accommodation and desire increased tourists traffic. No part of the province is more confident of its future than the north-eastern portion, provided cheap power can be secured and for this it looks to Grand Falls. The rest of the province must keep its eye on the north portion."

Very good statements indeed to come from a paper of Southern N. B. and not unattended by considerable significance. Apparently there is an impression in the south that the north is up and coming. Let us get more of that spirit into our own community and municipal life and make the impression more general. Confidence in the future of our town and country is the first requisite to steady progress, and with the splendid commercial and industrial possibilities of the north shore there is no reason why we should not have both.

NEEDS RECONSIDERATION
The members of the Town Council are being severely criticised by the fair citizens of Campbellton because

they passed, at the last meeting of the Council, an order that the Town Hall be not let for dances in future. Really the new Town Hall is the only suitable place in which a large gathering of this kind can be held, and it does seem too bad that this order should be put through without giving the matter due consideration. Aside from the aspect of a considerable revenue from this source and every dollar is needed, there is always the fact that the young people and some of the older ones too, may be forced to go to some less whole some place for amusement of this kind.

Taking all things into consideration, and keeping in mind that the Councilors are after all only the representatives of the people, we feel we are voicing the wishes of the majority when we state that this order is not popular and should be reconsidered.

GENUINE CASE OF SMALLPOX ON I. N. R.

Alex Gauthier Sanitary Inspector at Kedgewick notified the Secretary of Restigouche Sub. district Board of Health, A. McE. MacDonald that he (Gauthier) suspected there was a case of smallpox at Maltais Sliding, I. N. R. The secretary on receipt of this information after advising him to keep a careful watch over the suspect notified Dr. Marchand to investigate the report. Dr. Marchand at once investigated the report and notified the Secretary that it was a genuine case. Dr. F. Desmond was immediately called to Campbellton to take the necessary steps for the control of the case and prevention of the disease spreading.

UNITE TO KEEP OUT THE HOHENZOLLERN

Paris, Jan. 28.—Under the terms of the treaty signed at the French Foreign Office on Friday by Premier Poincare and Doctor Eduard Beneš the Czech foreign minister, France and Czechoslovakia agree to adopt common measures to prevent a return of the Hohenzollern dynasty to Germany.

Both countries also undertake to act together in all matters threatening their common security and to submit to arbitration or the international court of conciliation questions no susceptible of diplomatic settlement. They further agree to defend the integrity of existing treaties in which they are both concerned and to consult one another before concluding new agreements.

TWO FIRES DURING THE WEEK

Damage by Smoke and Water Amounting to About \$5,500.

During the bitterly cold weather of the past week the local fire brigade were twice called out by fires which, although not attended by serious damage, appeared in their first stages to be rather dangerous. The first fire occurred on Thursday night last in the Bank of Nova Scotia Building at the corner of Water and Andrew Streets and occasioned a loss estimated at about \$3,500. The second blaze which broke out in the St. Louis Hotel early Sunday morning caused damage amounting to about \$2,000.

The fire in the bank building originated from defective wiring between the basement and the first floor. The flames progressed between the walls and it was not until the expedient of making several openings in the ground floor of the building was resorted to that the blaze was exposed. The fire was discovered by the American Consul who has his offices on the second floor of the building about ten o'clock and although the night was a bitterly cold one and the firemen handicapped by the density of the smoke the squad which answered the alarm with its usual promptness did very effective work. It was only a matter of minutes after the outbreak of the fire until the three storey building was filled with smoke. Consequently the telephone operators were obliged to abandon the switchboard and hurry to the open air. As there is no fire escape on the building their exit had to be negotiated by way of the stairs and was accomplished none too soon. Incidentally telephone communication was tied up for about an hour.

Although all apparent danger was over by twelve o'clock the fire brigade were occupied at the scene about five hours. One of their number, Wallace Henry was overcome by smoke while on duty in the basement and recovered upon being given first aid at MacDonald's Drug Store. The bank suffered no loss in documents of any kind but the damage wrought by smoke and water was considerable. Several windows were also broken. Business in the building was resumed on the following morning and repairs will be effected shortly. Had the blaze proved serious as was at one time feared the damage would have aggregated large figures. Besides the bank offices on the ground floor the American Consulate, the local branch office of the New Brunswick Telephone Co., the police magistrates and two apartments are also located in the threatened building.

FAVORS TOWN MANAGER PLAN

Head of Citizens Research Bureau, Toronto Makes Interesting Statement

St. John, N. B., Jan. 28.—Dr. H. L. Brittain, head of the citizens research bureau, Toronto, and R. Fraser Armstrong, members of the staff of the bureau, who are at present making a civic survey of Fredericton both went on record here tonight as in favor of the city manager plan for the municipal government. They said that the commission form had failed because it combined both executive and legislative functions in the same individual. Under the city manager plan they advocated a small council, of say five to nine members, whose duties would be solely executive.

OXFORD FOUNDRY IS PREY OF FLAMES

Loss of \$40,000 is Reported in Fire This Morning With Thermometer 20 Below

Amherst, N. S. Jan. 28.—The Oxford Foundry Co., located at Oxford, 20 miles from Amherst, was burned out this morning, a clean sweep being made of the buildings with the exception of the front end of the office. The loss is placed at \$40,000. Fire started in the moulding shop between the hours of six and seven o'clock, and rapidly swept through the structure, next catching the machine shop and then carrying to the office building.

PREMIER VENIOT TO BROTHERHOOD

Address Delivered At St. John Monday Evening—Full of Interest

St. John, N. B., Jan. 28.—"We are not beggars in the Maritime Provinces. We are not second-class citizens. We are not threatening our sister provinces nor does New Brunswick envy them the progress which they have been able to achieve through sacrifices which they have been willing to undergo in order that confederation might hold together, but it seems to me that our upper Canadian friends should get in closer touch with us, that they should not allow the spirit of the almighty dollar to be the sole object prompts them in the development of the country. We cannot always endure, without some protest, the very apparent lack of interest on their part in the future growth and prosperity of the Maritimes. If our people had acted in that way in 1867 there would be no Canada today as we see it."

EXPLOSION BURNS GLOUCESTER MAN

Driver of a Logging Tractor Lit Match to Examine Gasoline Tank

Bathurst, N. B., Jan. 28.—Lighting a match to examine the gasoline supply of a logging tractor he was operating for the Bathurst Lumber Company, Ben Boucher sustained bad burns about the face from the ensuing explosion. He is also a patient at the hospital, where it is expected that his recovery will leave no more serious traces of the accident than a somewhat disfigured face.

PROHIBITION BEATEN IN TURKEY

London, Jan. 28.—Prohibition in Turkey came to an ignominious end Sunday, says a despatch of the Daily Mail, when Premier Ismet Pasha's proposal to restore liquor as a state monopoly received the unanimous approval of the National Assembly.

LUMBER DEALERS AND SALES TAX

Department of Customs Calls for Monthly Return Now

Ottawa, Ont. Jan. 28.—Manufacturers of lumber and wholesale or retail lumber dealers hereafter must obtain a sales tax license and make a monthly return of sales of lumber to non-licensees, according to an order issued yesterday by the Department of Customs. The order says that "the tax shall be computed on not less than fifty per cent of their selling price to such purchaser" at the rate of six per cent.

Retail lumber dealers who do not manufacture lumber or who do not sell lumber to other dealers, or manufacturers need not take out a sales tax license.

CARD OF THANKS

Mrs. E. D. Lutz and family wish to express their heartfelt thanks for the sympathy and assistance of the many kind friends of their sorrowful family and acquaintances during the family's recent bereavement.

CARD OF THANKS

Mr. O'Donnell, chief of the Fire Department, expresses thanks to Mrs. Hensborough for sandwiches and cake, and Mr. Laffey for glass given the funeral on the night of the fire at the Bank of Nova Scotia.

DEATH OF JAMES ROBINSON

It is with feelings of deep regret we record the death of Mr. James Robinson at the age of 50 years which occurred at his home at the Bridge on Sunday morning after a short illness. The funeral services were held Tuesday afternoon at 2 p.m. at the St. Andrew's Church. Mr. Robinson's relatives were largely attended.

DEATH OF A CHILD

Mr. and Mrs. W. P. Burns have the sympathy of the entire community in the death of their bright little six years old son, Holly which occurred Monday morning at a short illness from diphtheria. The funeral of the little child was held yesterday morning at 10 a.m. at the St. Andrew's Church.

GRANTING WIN AGAIN

Canada beat the Swiss 22-0 in the third game which the Canadians have played at Champeau, France. Great Britain's team which has on its itinerary four Canadian stars of former years won from Belgium scores 20-0.

The U.S. team, which looks like Canada's closest contender tomorrow at 2 p.m.

MOTORISTS MEET IN ST. JOHN

The February meeting of the New Brunswick Automobile Association is to take the form of a "post-graduate luncheon" and will be held in Pythian Castle, St. John, on Friday, Feb. 1. Short addresses on "Good Roads" will be delivered by the President of New Brunswick and Nova Scotia and others. There will be a discussion of the Dominion Good Roads Convention to be held in St. Andrews in June.

TO FORM RADIO CLUB

A meeting of all those interested in radio will be held in the Curling Club on Friday evening at 8 o'clock for the purpose of establishing a larger degree of co-operation among local radio-owners and thus eliminating some of the irregularities which are frequently annoying to those listening in. It is also the purpose of the meeting to form a Radio Club with the objective of bringing about better service to radio users.

MONTREAL APPLIES FOR OLYMPIC GAMES OF 1928

Yesterday afternoon, the Quebec Branch of the Amateur Athletic Union of Canada, decided to apply for the Olympic Games of 1928 to be held in the City of Montreal. The application was forwarded to President W. E. Findlay of the Union, who will transmit it at once to the Central Executive, with the understanding that arguments in favor will be presented verbally at the annual meeting of the Olympic governing body in Europe next summer.

CAMPBELLTON BEAT AT CHATHAM

Last night the local team was beaten by the last senior hockey squad of Chatham. The players on being interviewed this morning said they had no excuse to offer. They were beaten by a better team who scored in all points of the game. The score at the final goal was 5-2 in favor of Chatham. The locals are now out of the race for Championship honors while new comers with Moncton, 12-0, Moncton time Chatham on her own for the league is here. On the other hand if Chatham wins her next two games she is tied with Moncton.

OBITUARY

John B. Cochran

On the 7th of January 1924, at the residence of his son-in-law, Irving Campbell, of Richfieldville, Mr. John B. Cochran died at the age of 74 years. The deceased had been an employee of the Shawmash Co. for several years and although a strong, healthy man for his years, he was stricken with pneumonia and died in a few days.

The end came apparently without suffering and he passed away, firmly trusting in his Saviour—in the all-merciful power of the blood of Jesus.

A short funeral service was held in Richfieldville and the remains were then taken to his former home and burialplace, namely New Richmond, Wednesday the 9th inst., in the presence of St. Andrew's Presbyterian Church, the service being conducted by the Rev. M. McKay.

Besides a sorrowing widow, he leaves to mourn for him four daughters, Miss Margaret and Mrs. Irvine Campbell of Richfieldville, Mrs. T. Marston of Boston and Mrs. M. Murphy of Winnipeg and four sons, William of Oak, Ont., Angus of British Columbia, David of Campbellton and Robert of New Richmond. There also survives him, one brother, Peter of New Zealand and one sister, Mrs. Clara Munroe of Portland, Me. Much sympathy is expressed for the bereaved family who mourn a thoughtful husband and a kind and loving father.

John Hogan

On Sunday morning the 27th inst., the grim reaper visited Chapleau, Ont., carrying off an aged and much respected gentleman, John Hogan of Campbellton, N. B., who was spending the winter with his daughter, Mrs. R. F. Murphy. Fortified with the last rites of the church, and retaining consciousness till the very last, he had a most beautiful death.

Mr. Hogan was born at Charlton, Nov. 10th 1842, spending most of his years there. He followed up railroad work for forty-three years, starting on the I. C. R. where it was being built, as walking-boss from Campbellton to Belvidere Quarry and afterwards being Station Foreman for a number of years, when he took over the supervision of the construction. Upon retiring in 1910 he became a member of the local lodge in appreciation of forty-three years faithful service without a demerit mark. He lived an exemplary life, his charity being prominent in all his works. His death will be mourned by a large circle of New Brunswick people as he had the happy knack of making and holding friends, who wish then many years of happy wedded life.

In 1912 he moved to Campbellton and built a lovely home where he spent his remaining years until leaving for Chapleau, last August. He leaves to mourn the loss of a kind and affectionate husband and father, his wife, formerly Mrs. Michael Doyle of Benou, one daughter, Mrs. R. F. Murphy, Chapleau, Ont., one son, Joseph, one step-son, R. P. Doyle, also an adopted daughter, Rev. Sister Mary Philip Neri of Worcester, Mass., one brother William of Cornhill, California, owner of a large fruit ranch. The community extends sympathy to the bereaved ones in their sudden sorrow. The large number of masses offered for the repose of his soul by Chapleau friends were silent tokens of the esteem in which the aged gentleman was held. The remains were transferred to his old home in Charlton, N. B. The funeral services were held on Wednesday morning the 30th at St. Francis Xavier's Church, Rev. Fr. Street officiating, assisted by Rev. Father Laidlaw, who made some beautiful remarks. A large number attended the funeral from Campbellton and Dalhousie to pay their last respects.

LOCAL MAN DIED OF INJURIES

A fatality occurred almost in front of the Campbellton depot on Monday morning when Louis Savage, a car inspector, was run over and fatally injured. The unfortunate man was crossing the tracks carrying two suitcases of coal with which to fill the stove of his out going train. There was a cloud of steam and smoke around an engine which was standing in the siding. Savage passed behind this engine and as he stepped onto the next track an engine which was moving backwards struck him. He was knocked down between the rails and dragged about the length of the engine. One of his legs was severely mangled, the bone protruding below the knee. The flesh on the thigh was laid bare exposing the bone. Although it was a most gruesome sight, a sleigh was immediately requisitioned to carry the man to the hospital and Dr. Phaulst summoned to the Hotel Eden.

The injured man was so seriously injured that it was not advisable to operate at the time of his arrival at the hospital. Everyone did everything possible for him but he passed away about six o'clock that afternoon.

The deceased was about 45 years of age and leaves tomorrow his loss his second wife whom he married three years ago; five sisters and four brothers also survive. Miss Nellie Savage, Boston, Mass.; Mrs. James Coyle and Mrs. Edward Fitzgerald, Milford; Mrs. Michael Reynolds, Windsor, Ont.; Mrs. Blake Randall, Rye Centre, New Hampshire; William J. James and Charles, Main street, St. John and Robert of Campbellton.

The sympathy of the entire community goes out to the wife and family of the deceased.

ARRESTED FOR CRIME COMMITTED IN 1920

Fredericton, Jan. 29—Walter Henry, of Lake George, arrested at St. Stephen for the local police on a charge of forgery in connection with a raised check, appeared in Police Court here this morning and was remanded to jail until February 7.

The charge preferred against the accused was laid in November 1920 by W. T. Gerald, manager of the local branch of the Canadian Bank of Commerce, the offence having been alleged to have been committed on September tenth of that year. A warrant for the arrest of the accused has been held here since then.

A check issued by the Mavis Lumber Company for \$6 is claimed to have been raised by Henry to \$60.

Restigouche Sub-District
Board of Health

LIGHTS OFF
Owing to a ground in the wiring about the switch-board at the electric light station Friday night lights were off for about an hour, while the staff looked the trouble and made repairs. The Opera House program had to be suspended while at the Burns Night dance under the auspices of the Canadian Society lanterns and candles were substituted until the lights came on again.

GOING ON WORLD CRUISE
Mr. and Mrs. E. A. Smith, St. John, left last Thursday night to join the party which is making the round the world cruise in the Canadian Pacific steamship Empress of Canada. They will sail from New York on Wednesday, Jan. 31, and will return to Canada in June. The trip will occupy about four and a half months and will include many delightful excursions on land as well as the tour de lace on the steamer.

GOES TO FREDERICTON
Mr. S. D. Hebert, who has carried on business in Chatham for a number of years, has sold out his establishment to G. E. Jones, of Restigouche. Mr. Hebert is removing to Fredericton to take over the business there of Stanger & Harrison. Mr. Hebert will be much missed especially in Chatham where he has always taken a deep interest in town affairs. He served several terms at the council board, was a prominent member of the Curling Club and Chairman of the two track committee of the Exhibition Association. His family will not remove to Fredericton until spring.

Neighborhood NEWS

The Graphic requests its readers throughout the various districts to send notes to the Graphic. For interesting, newsy notes we can always find space.

Dee Side

The weather for the past week has been very cold here.
Mrs. Burpee Canning of Campbellton is at present visiting her aunt Mrs. Wm. McLaughlin.
Mr. David Ferguson of Amqui is spending a few days at his home here.
Misses Isabel Pratt, Ethel Ferguson, Mrs. Wm. McLaughlin, Mrs. E. Dow, Canning and Messrs. Wm. McLaughlin, Cameron McLaughlin and Roland McLaughlin spent a very enjoyable evening at the home of Mr. and Mrs. Murdoch Barr, "Wyvern Brook," on Friday evening last.
Mr. Donald Myles passed through here on Friday enroute to Wyvern Brook.

Port Daniel Centre

The first home game in the Cape Coast Hockey League was played here on Thursday Jan. 24th between New Carlisle and the local club. The teams lined up as follows:
Port Daniel:
F. Blou (capt) Goal
F. Dunn Def.
J. A. McPherson Def.
E. Dow Centre
L. Gagnon R. W.
E. Acteson L. W.
F. Jones Spare
P. Ray Spare
W. Crozier
New Carlisle forced the game from the start, and the puck remained in the Port Daniel territory for practically the whole period only the excellent work of Blou in goal and the defence kept New Carlisle from scoring. They were finally rewarded after fifteen minutes of play when Hall opened the scoring on a rebound from Robertson, the second goal came 3 minutes later when one of the Port Daniel defence men helped a New Carlisle forward to score. First period ended New Carlisle 2, Port Daniel 0.
A tied mistake was made in the second period when Dunn was put on left wing and Acteson on defence because after the first period the defence men of Port Daniel had down the combination of the New Carlisle forwards who scored three times in this period and were further assisted in the scoring by Acteson who seemed excited, and after receiving the puck from Blou shot back at his own goal, seeing the E. D. goalies had lots of work to do he was not prepared for Acteson's shot. Play was a little rough in this period and L. Gagnon was hurt, 3 penalties were handed out in this period, 2 against New Carlisle and one against Port Daniel.
Second period New Carlisle 6 Port Daniel 0.
In the third period New Carlisle scored 5 times and had the best of the play all through. In this period the Port Daniel defence men could not keep up the pace set by the New Carlisle forwards and were practically useless, 2 minutes from time E. Dow scored for the home boys with one of his old time shots and saved a victory for New Carlisle.
Third period ended New Carlisle 11, Port Daniel 1.
New Carlisle has a good team being strong in every position and well deserved to win.
For Port Daniel, Gagnon showed well until hurt, and it took Dow, a couple of periods to regain his old stride, Dunn showed up well on defence and should have been left where he played a strong game in the first period, Blou in goal did well and certainly deserves great credit in keeping the score down.
Chas. Enright refereed the game but was rather lenient in the matter of penalties.
The local club needs a lot more practice and surely showed it, but seeing they had only been on the ice a couple of times previous to the game, they could not keep up the pace after the first fifteen minutes.
Never mind boys, come on we are all with you and with practice and combination you ought to be heard from again.

Flatlands

We are now having real winter weather and plenty of snow which is very much appreciated by the jobbers who are busy hauling out their logs.
Friends of Mrs. Ivan Moravetz are glad to hear that she is recovering from her recent illness.

The Misses Velma Fitzgerald and Eva Myles of Tidhead spent Thursday evening here the guest of Miss Mary Ryan.
Miss Kathleen Murray spent the week-end in Tidhead.

On Thursday evening a number of the young people gathered at the home of Miss Florence Firth where an enjoyable evening was spent by all, the chief amusement being dancing. Those present were the Misses Joella Bern, Hilda Firth, Rhoda MacDonald, Kathleen Grace, Bonnie MacDonald and Mary Ryan and Messrs. Lindsay Irvine, George Ferguson, Edwin Bulmer, Jack Anderson, Gordon Firth, Herbert Cooling, Robert Murray, Kenneth MacDavid and Clifton Ferguson.

Mr. Wallace Firth was in town on Thursday.
Friends of Mrs. James MacLeod are glad to learn that she is recovering from a severe cold.
Dr. C. F. Gillis spent Sunday at his home here.

Mrs. Geo. Lutes of Campbellton is spending a few days here the guest of Mrs. W. J. Gillis.
The young people of Flatlands have had no rest so far owing to the bad weather and the water flooding the ice, but we hope to have one soon.

Matapedia

Miss Lucy Irvine has returned home after spending a month down the Cape Coast visiting friends.
Mr. Ray Ross of Hopewell left Monday last for McGill College to resume his duties.
Mr. Ernest McKee returned to his home in Hopewell after spending several months in Buffalo and Niagara Falls, U. S. A.

Misses Grace and Lily Irvine were visiting friends in town on Tuesday last.
We are all glad to hear of Miss Hattie Wilmet of New Carlisle, is the guest of Mrs. Fred Clark of Campbellton.
We are all glad to hear of Miss Hattie Wilmet improving so nicely after being very ill.
We are glad to learn that Mr. Stephen Irvine is up around again after being confined to his bed.

Use the Want Ad. way

Shigawake, Que.

Such a long, long time that no news has appeared from here. There must be something to tell. The last event of the old year to record was the marriage of Edie McKenzie, third son of Mr. Jas. McKenzie to Miss Annie Young, third daughter of Mr. William Young, both of Shigawake. The church was already very nicely decorated for Christmas. The bride looked very pretty in a navy blue silk dress with hat to match. She was unattended. The happy couple left on Monday for

Dalhousie, where Mr. McKenzie works with the Dalhousie Lumber Co.

Mr. Willie LeMarquand of Albany, N. Y. has returned home after spending a few days the guest of Mr. and Mrs. Frank Shene.

Mr. Jasper Robinson gave a dance on Wednesday night for his daughter Miss Phyllis Robinson, who is home on her vacation.

The annual meeting of the United Branches of the W. A. met at the Rectory on Wednesday afternoon, Jan. 16 inst. Some new officers were elected, and some old ones re-elected. Mrs. (Rev.) LeGallais was elected president to the great satisfaction of everyone present. Some new members joined, and we hope to have a very successful year both financially and socially.

A social evening was held in the Parish Hall on Wednesday the 23rd inst. under the patronage of the Mesdames Hayes and Wright, having a two-fold object. Firstly, that every one who wished could come and meet our new minister and his wife, Mr. and Mrs. LeGallais, have a hearty hand-shake and a little chat, secondly, to raise a little money. The nice little sum of \$10 ten dollars was raised which will go towards some much needed repairs on the parsonage.

Choir practice has been held in the Rectory when weather permitted and we notice a marked improvement in the singing, but on the weather!

The Ladies Guild met at the home of Miss Muriel Byers on Thursday night. There was a remarkable good attendance, five new members joining. We sincerely hope the good work continues.

The "Girls Institute" gave a movie-shoe tramp on Tuesday evening. The storm and bad weather lessened the crowd but not the fun, as those who braved the cold pronounced it "well worth it". After the tramp, the crowd returned to the home of Mrs. Kruse where they enjoyed a dainty lunch, and some games and music.

The A. D. C. under the supervision of Mr. LeGallais intend putting on a play in the parish hall before lent. Success to you.

Miss Edna Kruse left on Thursday for a short course at MacDonald College.

January 1924 has so far given us every reason to believe that we have not moved as far south as we thought we had; and the prophets who have been telling us we were going to have "a mild winter and no snow" must have a funny sensation now.

Miss Brown and Miss Sweetman of Port Daniel, were guests of Mrs. LeGallais over the week-end.

OBITUARY

Mrs. Robert Sutherland
Death has claimed another victim of Riley Brook in the person of Mrs. Robert Sutherland, (Carrie Blake). The deceased had been in failing health for over two years. She suffered much but was patient unto the end. The funeral service was held in the Presbyterian Church Wednesday, January 16th conducted by Licentiate H. A. Sopporl who spoke from 2 Tim. 4, 7, 8. I have fought a good fight, I have kept the faith. Henceforth there is laid up for me a crown of righteousness, which the Lord the righteous judge shall give me at that day and not to me only but unto them also that love his appearing.

Not only was this her selection of a text, but she asked to have the following hymns sung at her funeral: "How fair a foundation" and "There is a land that is fairer than Jay". Heartfelt sympathy is extended to her husband and her family of five boys and three girls who are left to mourn the great loss of a faithful companion and mother, also to her aged father Mr. William Blake of Black Point, Restigouche Co. Two brothers and two sisters also survive.

The funeral service was conducted at the grave by the Ladies of the Orange Lodge of which she was a member.

Asleep in Jesus, blessed sleep From which none ever wake to weep.

A calm and undisturbed repose Unbroken by the last of foes.

Her Gain—His Loss.
Mother—Don't feel so upset, Tommy. Little sister has passed the critical point in her illness and will now get well. Tommy (tearfully)—I know it. And now she will want the good things the neighbors send in to her herself.

ON THE JOB

Former Senator Frank Kellogg, now ambassador of Great Britain from the United States, is shown here at his desk in London. He's on the job, folks!

DODGE BROTHERS' 1924 MODELS

Bodies of All Types Have Been Designed to Give Appearance And Greater Comfort

Since January 1, 1924, Dodge Brothers Motor Cars for sale in Canada have been assembled at the Company's new plant at Walkerville, Ontario. The major chassis units will still be manufactured at the Detroit plant as heretofore with the exacting care characteristic of Dodge Brothers production, and as such, will be shipped to the Walkerville factory. All bodies are shipped direct to the Walkerville factory and all enameled, painting and upholstery will be done there.

Canadian hand buffed leather is used in the upholstery and springs and other component material in seats and cushions is purchased and fabricated to Dodge Brothers' standard and dimensions in Canada. Tires, tops for open models, lighting and all electrical equipment is of Canadian manufacture. Dodge Brothers have not simply brought out a complete new line of motor cars; they have done something infinitely better than that.

They have brought new beauty, new riding ease and new mechanical perfection to the product on which their reputation as builders has been founded.

They have built a better and more desirable line of motor cars—yet basically the identity of their product remains the same.

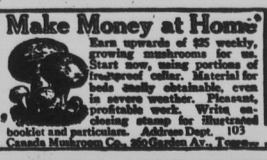

The same sturdy engine is under the hood; the same dependable chassis, improved in numberless details, underlies the body.

The rear springs—now underslung—have been materially lengthened. The wheelbase is longer and the combined result is a notable improvement in riding qualities.

Bodies of all types have been designed to give improved appearance and greater comfort. Lower, longer, with deeper seats and more leg room, the lines of these new cars are low-slung and graceful. The interiors are comfortable and roomy.

New head-lamps and fenders especially designed by Dodge Brothers to conform to the general lines of the car—a long straight hood and owl effect—longer and wider running boards—unusually wide doors—combination stop signal and tail lamp—and instruments attractively grouped on raised panel—are a few of the numerous body innovations common to all types of Dodge Brothers Cars.

For full information as to prices write C. Gordon Anslow or S. W. Dimock, Campbellton.

VICTORIAS TRIUMPH IN OPENING GAMES

(Continued from page 1)

VICTORIAS VS HIGH SCHOOL

In the second game of the double header Tuesday evening the game was not as fast as the first because of the fact that neither of the teams on the ice have had sufficient practice to enable them to put up a perfect game. Both managers contemplate several changes which will be advantageous to themselves and promote better and faster hockey.

The first of the initial period was rather slow, both teams jockeying for position. They gradually warmed up to the play however and showed a fine brand of hockey. Larsen in the nets for the Vics surprised the onlookers. He has a keen eye and spots a hard one with ease. The High School miss Howard on forward line but Ferguson assisted nobly in offensive play.

Duncan scored the first goal after a pretty and quick rush. He worked through the High School players with an air and care of an old hand at the game. 9:28. Two minutes Collet who was an able forward and used his weight to good advantage on defence, carried the puck from centre to within a few feet of the goal where he clasped with Ferguson. The puck slipped past Love, the gentleman hardly knowing where to look for it so quick did it all happen. There was very little combination work at this stage of the game, the play being open and featuring individual rushes.

Two minutes before the bell rung (9:33), Miller marked the first tally for the High School. The period ended with the play in the territory of the Vics. Score 2-1.

Second Period.

9:45. In this period the game was somewhat better than the opening show. However, the plays were mostly solos, very few duets being played. Fairley and Froude were called upon to do some close work but without too many chances for the High School showed up well in this period. He is a strong skater, excels at back checking and hurdl-

Duncan made several good rushes and almost scored twice but he could not find the knot hole in Love's shield. Toward the end of the period some nice stick-handling and some fine combination work. With a little more practice there is no doubt but what this trio will show first class form. Miller is inclined to lose a little but will soon get over that. The period ended with play in the territory of the High School. No score this period 2-1.

Third Period.

10:10. The game started fast and furious as the finals usually are. Murray at Centre for the Vics, shows that he can come back strong after years of inactivity. He scored a nice goal one minute after the face off.

The players on both teams were now at such a pitch of excitement that they had contracted "Aronitis" or had been endowed with wings. Dr. Gaudet although not so fast as in years gone by showed the youngsters some nice stick-handling and manoeuvring. Wetmore and Love play alone on defence during the last stages of the game. Wetmore made great confidences and even went so far as to carry the puck well into the opponents territory under very adverse conditions on several occasions. Larsen was pestered with shots during the last five minutes and it was a great wonder score wasn't reversed.

Four minutes before the close of the period Miller shot the last goal on a nice pass from Fraser.

Wetmore worked his way up to the Victoria's goal and sent a hot one at Larsen who saved. The game sounded and thus ended the first Double Header of the Intermediate League: Victorias 3-H.S. 2.

Line-up

Victoria's	Goal	High School
Larsen	Goal	Loy
Fairley	Defence	Wetmore
Froude	Defence	Ferguson
Murray	Centre	Martin
Gaudet	L. Wing	Miller
Duncan	R. Wing	Stewart
Arsenault	Spares	Wilkins
Collet	Spares	Stevens
Butler	Spares	

Time: 1st period, 2:30; 2nd, 2:30; 3rd, 2:30; 10:11; 10:11; 10:11; 10:11.
