The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## INTRODUCTION.

OTTAWA is still prosperous, increasing in population and wealth, with many fine residences being built, as well as blocks of stores. There is a danger of it growing too fast, and we feel like sounding a warning.

There is no doubt that our Directory of Ottawa, for 1898-99, will be found to be equal to any previous issue.

We have done our best to keep it up to the highest point in useful and reliable, up-to-date information.

There are eleven more pages in the A.B.C. part of the work than in our last issue, thus shewing a steady increase in the population.

We have avoided increasing the size of the book any more than is actually necessary, by the increased amount of information.

Thanking all who have so kindly assisted us in procuring information,

We remain, yours truly,

The MIGHT DIRECTORY CO. of Toronto, Limited,

J. M. MIGHT, President and Managing-Director.

11-13-15 Adelaide St. East, Toronto, and 88 Sparks St., Ottawa.

Letters for the United States should bear the name of the State as well as that of the Postoffice.

A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded according to its direction.

Letters containing gold or silver money, jewels or anything liable to Custom duties, cannot be forwarded to any country beyond the Dominion, except to the United States.

Letters addressed to initials, or fictitious names, will not be delivered unless addressed in care of a resident or some named person, firm or institution or special P.O. box.

Letters bearing mutilated stamps, or stamps so soiled and defaced as to make it impossible for the sorting clerks to decide whether they have been used before or not, will be sent to the Dead Letter Office.

#### POSTAGE.

Great Britain and all European countries, 5 cents per 1/2 ounce or fraction thereof.

Muller's famous pictures are painted  
in oil color as you know. There is a  
difference in the men who applied the color

# Don't

forget that a really good  
printer knows more of the economic  
cost of production in his line than you  
do, and don't

## WASTE TIME AND MONEY

looking for the lowest bidder, for, nine  
cases out of ten, he is offering inferior  
goods. It's just like any other business  
—you can't get something for nothing

# In Printing

BRING IT TO US, we add that little  
touch that gives it value, and  
we think out the economics for you
