Nova Scotia Public Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \longrightarrow (meaning "CON-TINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Nova Scotia Public Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles sulvants apparaîtra sur la dernière image de chaque microfiche, seion le cas: le symbole → signifie "A SUIVRE", la symbole ♥ signifie "FIN".

Les certes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

NOVA SCOTIA BOARD OF FIRE UNDERWRITERS.

CONSTITUTION.

SECTION 1.—This Board shall be known as "THE NOVA SCOTIA BOARD OF FIRE UNDERWRITERS," and is formed in the interests of all Companies engaged in the business of Fire Insurance in the Province of Nova Scotia.

Officers.

SECTION 2.—The Officers shall consist of a President, Vice-President, Secretary, and Honorary Treasurer. The duties of the Officers shall be as follows :--

(a) It shall be the duty of the President (and in his absence of the Vice President) to preside at all meetings of the Board and to summon special meetings when he deems it necessary, or when requested on a written requisition of any six or more Agents. In the absence of the President and Vice-President, the Chairman shall be the senior Agent present.

(b) It shall be the duty of the Secretary to take minutes of the proceedings of all the meetings, which he shall record in a book provided for that purpose, and to forward copies of the same, when printed, to each member of the Board and to their several representatives authorized to receive the same. He shall also collect all assessments, fees and fines and promptly deposit the same with the Honorary Treasurer, taking the latter's receipt therefor, inspect risks, and generally faithfully perform and fulfil all and singular the duties appertaining to a position of this nature.

(c) It shall be the duty of the Honorary Treasurer to receive all moneys on account of the Board, and to pay out the same only on cheque or order signed on behalf of the Board by its President (or in the absence of the President by the Vice-President) and countersigned by the Secretary; and said Honorary Treasurer shall render an account for each calendar year, as soon after the close thereof as possible, duly certified to by the two Auditors hereinafter provided.

Members.

SECTION 3.—Any Fire Insurance Company authorized to do business in Nova Scotia may become a member of this Board, upon application in writing, to its Secretary, and receiving a majority of votes cast at any meeting thereof, and upon signing the Constitution and By-Laws. Said company may be represented at all meetings of this Board by the Agent personally, or in his absence by a responsible deputy duly accredited.

In the case of a Company newly commencing business in the Province (other than by taking over en bloc the business of a retiring member of this Board) or one not heretofore a member of the Board, an entrance fee of \$25.00 must be paid.

Rating Committee.

SECTION 4.—(a) There shall be a Rating Committee, composed of three Agents representing Companies members of the Board, all of whom shall retire each month and be replaced by other Agents, according to a roll arranged alphabetically to be prepared by the Secretary at the beginning of each business year. The Secretary shall be *ex-officio* a member of this Committee. Two Agents with the Secretary shall constitute a quorum.

CONSTITUTION.

(b) It shall be the duty of this Committee to recommend rates on all risks submitted to them for that purpose; but rates thus recommended shall be handed to the Secretary by the Friday previous to the regular meeting of the Board, and shall take effect only from the time of their adoption by the Hoard.

(c) Any member may cover a risk, pending confirmation by the Board of the Committee's recommendation; provided, however, that requisitions for all ratings shall be filed with the Secretary, and a list of all such be sent by the latter with the Notices of Meetings of the Board, at least two days in advance thereof.

(d) No reduction in rate shall be made in the case of a risk already held by a Board Company on the application of any other Company, except with the consent of the company or companies already interested in the risk.

Meetings.

SECTION 5.—(a) Regular Meetings of the Board shall be held on the second and fourth Tuesdays of each month at 3 p. m., and at all meetings of the Board seven agents shall constitute a quorum.

(b) The Annual Meeting shall be held on the second Thesday in February at 3 p. m., at which a President, Vice-President, Secretary, Honorary-Treasner and two Auditors for the ensuing year shall be elected by ballot. No member shall serve as President for more than two years in succession. Any vacancy occurring during the year may be filled up at any meeting of the Board.

Members to Comply with Tariff.

SECTION 6.—No Agent or sub-Agent, representing any Company belonging to the Board, shall take risks to or for any Company not belonging thereto at rates below those adopted by the Board or contrary to its Constitution, By-Laws, Rules or Tariffs; and all Agents or sub-Agents of members of this Board representing any Company not a member thereof, must give a guarantee in writing to its Secretary that all risks taken by them shall be in compliance with said Constitution, By-Laws, Rules and Tariffs.

Breaches of the Tariff.

SECTION 7.—All alleged breaches of the Board's rates or regulations shall be brought before a general meeting of the Board to be dealt with as hereinafter provided.

Hallfax Agent Responsible for Violations.

SECTION 8.—In the case of Companies having Agencies over the Province reporting to an outside centre, the Halifax Agent shall be responsible in all cases of alleged violation of Rules or Rates, and shall be furnished promptly by his Head Office with any information respecting their business in the Province outside his Agency which may be called for under the Rules. The Halifax representative of any member under accusation shall be furnished with the particulars of the charges at least one week before the meeting at which the charges are to be considered. The Halifax member shall be cited to appear before the Board at which such charges are to be considered.

Authority of Board to Investigate Complaints.

SECTION 9.—The Board shall investigate every complaint laid before it in writing; and it is authorized to demand a full explanation, also in writing, from the Halifax Agent of the Company which is charged with an infringment of the Constitution, By-Laws, Rules or Tariffs; and, in the event of conflicting or contradictory statements, it may demand the inspection of the member's (or its Agent's) books by the Board, or any one appointed by them for this purpose; and in the latter case he shall report thereon in writing to the Board at the first meeting thereof after such investigation has been held.

Refusal to Furnish information.

SECTION 10.—Should the Halifax representative of any member under accusation, refuse to furnish information, or in any way set the authority of the Board at naught, a statement of the facts shall be forwarded to the Head Office of the Company concerned, and a copy thereof be enclosed to the party himself at least four days previous to the aforesaid statement being sent to the Head Office. offe

Sub-Agent directly or indirectly in excess of such ten per cent., provided that in the event of a change in an Agency of any Company by reason of death or otherwise, the new representative may receive the same commission as that paid the deceased or removed Agent, unless such new Agent shall already represent another Company, in which case he shall not receive a higher commission than be may be receiving from the Company or Companies previously represented by him.

(g) In the case of Agents or Sub-Agents at present or heretofore acting for any member or its representatives no higher commission shall be paid than that which may have been allowed in the past; and no member or representative of a member, who shall appoint as Agent or Sub-Agent any person or persons who may already represent another Company or Companies, shall allow the Agent or Sub-Agent so appointed a higher rate of remuneration, by direct commission, profit commission or otherwise, than he may have been receiving from the Company or Companies he already represents.

(\hbar) In every case where a higher commission or remuneration than ten per cent, has been allowed to Agents or Sub-Agents at present representing any member, the amount of such commission or remuneration shall forthwith be reported to the Secretary in writing by the member allowing the same, and the Secretary shall make an entry of the amount of such special commission or remuneration against the name of such Sub-Agent in his register.

(i) The preceding section shall not apply to the remuneration paid any General Agent who controls the business of his Company for the entire Province, either exclusive or inclusive of Halifax.

No Return of Fremium.

SECTION 3.-No Agent, or other representative of a member, shall, directly or indirectly, return any portion of the premium to the assured, or any person representing the assured.

Cancellation of Policies.

SECTION 4.—When a policy is cancelled at the request of the assured, and return premium demanded, the short rate for the time the Policy has been in force shall always be charged, except in cases of re-adjustment.

Short Term Rates.

SECTION 5.—All assurances for a term less than one year shall be charged according to the short period rates.

Agents to Report Deviations.

SECTION 6.—It shall be obligatory upon every Agent to report immediately to the Secretary, in writing, deviations from the Constitution, By-Laws, Rules or Tariffs which may come to his knowledge.

Renewals.

SECTION 7.—Upon the passing and adoption of a new Tariff, the renewal of an existing Policy shall be granted only at the revised rates, in the same manner as if it were an entirely new transaction.

Agent Responsible for Sub-Agents.

SECTION 8.-Every Agent shall be held responsible for the action of his Sub Agents and all persons in his employment.

Penalties for Writing Under Tariff Rates.

SECTION 9.—Any Agent, or Sub-Agent, taking a risk under Teriff rates, shall, on his attention being called thereto, he required to obtain the full rate, or cancel the Policy; except in a case where, by such violation of the Tariff or Rules, he has obtained a risk which was held, or just expiring, in another Company a member of this Board, in which case cancellation shall be obligatory.

Infringement by One Member no Excuse for Another.

SECTION 10.— If an Agent, or Sub-Agent, of a member of the Board infringe or break any of its Rules or Tariffs, the same shall not be considered either an excuse or justification for any other member, or its Agents or Sub-Agents, so doing. und

Notices of Expiry.

SECTION 11.—The sending out of notices of expiry at less than Tariff rates, or otherwise offering to underwrite a risk at less than Board rates, shall be held to be a breach of the Tariff.

Penalties for Infringement.

SECTION 12.—Any Agent, Sub-Agent, or other representative of a member reported as having infringed in any way the Constitution, By-Laws, Rules, or Tariffs of the Board, shall, on such report being confirmed, for each such offence pay a penalty of five dollars to the Secretary towards the expenses of the Board. All such violations shall be noted on the minutes of meetings of the Board, and printed therewith. Such fines shall be payable within thirty days from the date of their imposition, by the Halifax representative of the offending member, whose right to vote at the Board meetings shall be suspended after said thirty days until such fine be paid ; and a further fine of fifty cents per month shall be payable for each such offence for every month, or fraction of a month, in excess of the thirty days within which said fine is first made payable.

Non-Tariff Companies.

SECTION 13.- No Tariff office shall effect re-assurance with non-Tariff Companies when the same can be placed with a member of this Board, nor shall a member accept re-assurance from such Companies.

Piecing of Cancelled Risks.

SECTION 14.—It shall not be competent for Agents or Sub-Agents representing more than one Company in any way infringing the Tariff Ratings or Regulations, by which he shall be compelled to cancel a Policy, to place such risk with any other Company he represents or controls.

Notice of Ratings.

SECTION 15.—After each and every meeting of the Board where recommendations as to Ratings have been confirmed, notification thereof shall be immediately sent to all resident Agents of members of the Board, and to all Sub-Agents, in the locality where change has been adopted; also, to all nonresident General Agents or Managers controlling Nova Scotia business.

Rating of New or Altered Risks.

SECTION 16.—In cases of buildings newly creeted, or where alterations affecting the character of the risk are made, and in all other cases not provided for in the Tariff (but only in towns and places where specific Ratings have been established) the Rates must be fixed by the Board, in manner set forth in Section 4 of its Constitution, before insurances are permanently accepted.

Value not inserted in Policy.

SECTION 17.-No Policy, having the value of the property at risk inserted therein, shall be written by any member of this Board.

Payment of Premiums.

SECTION 18.—All premiums on risks situate within the County of Halifax are payable in cash, and if not paid within thirty days from date of commencement of risk, the insurance must be then cancelled. It being understood, however, that a note in payment of premium may be accepted, provided that interest at current rates be added thereto.

Resolutions.

SECTION 19.—At meetings of this Board all resolutions must be reduced to writing before being submitted to the meeting.

Amendments.

SECTION 20.—The By-Laws of the Board may be changed or amended by a majority vote at any meeting : written notice of such change having been given four weeks previously.

1.—BUILDINGS HAVING MORE THAN ONE OCCUPATION, and not specifically rated, shall pay the highest rate fixed for any occupancy therein.

2.—MERCHANDISE OR MOVEABLE PROPERTY, not otherwise provided for, shall not be insured at a less rate than one and a-haif per cent. $(1\frac{1}{2})$ per annum.

3.-No dwelling in Nova Scotia, outside of the City of Halifax, shall be rated below one-half per cent. per annum.

4.—ALL INSURANCE FOR A GREATER TERM THAN ONE YEAR shall be charged according to the annual rate, unless otherwise specifically provided, (for instance, a risk for three years shall be charged three annual rates without discount.)

5.—Academies, Alma Houses, Colleges, Court Houses (without Jails), Hospitals (other than Insane Ayslums), Seminaries, Nunneries, Convents, School Houses, Churches, Meeting Houses, Odd Fellows, Temperance, and Masonic Halls without scenery, Dwellings, and Fire Halls also occupied as dwellings, whether specifically rated or not, may be taken for a term of three years at twice the rate named for a single year. Private Boarding Houses cannot be insured for three years unless three annual premiums are charged.

Boarding Houses in the City of Halifax, not commercially exposed and not having accommodation for more than ten boarders, shall be rated as private dwellings; when over ten boarders to be specifically rated as boarding houses.

6.—MORTGAGE CLAUSE. If the Mortgage Clause as asked for by the Birkbeck Investment Co., or any other similar mortgage clause covering in whole or in part real property, be attached to any policy or policies, a charge of 25 cents per \$100, must in all cases of annual policies be imposed and collected in addition to the ordinary rate of premium. Double the above rate must be obtained on three years' policies, and short rates according to Tables A and B of Tariff, be charged on policies having less than the full term to run.

7.—SUBROGATION CLAUSE. The following clause must be inserted in all policies issued in the name of a mortgagee, viz.: "It is expressly agreed that, in case of loss, the insured hall assign to this Company a portion of said mortgage equal to the amount of loss paid."

8.—TEXTILE MILLS if supplied with sprinklers and up to the standard of first-class mills are exempt from tariff rates. Under this head are included all Cotton, Woolen, or Silk mills, or any mill in which Woven Fabrics are manufactured.

9.—ACETYLENE GAS. For each Approved Standard Machine installed and insintained in accordance with the following rules, in the building insured or in any building connected therewith, approved by the Board, no extra charge will be made. If it is not installed and maintained in accordance with said rules, double rates must be paid.

No charge shall be made for an Approved Standard Machine when installed outside in a first-class building, or in a building of any construction detached not less than 15 feet.

If the apparatus in the building insured, or in any building connected therewith, or within 40 feet thereof, has not been approved by the Board, or if it is not installed and maintained in accordance with said rules, double rates must be collected.

ACETYLENE GAS RULES AND REGULATIONS.

- (1.) No apparatus for generating acetylene gas shall be installed until that particular pattern of machine has been examined and approved by the Canadian Fire Underwriters Association. Any manufacturer of such apparatus desiring to have the use thereof sanctioned by this Association, must furnish the Secretary with a copy of working drawings and specification of materials used in making the machine, one of which he used lexibit in full working order, and submit same to such tests as may be required by the Inspector of the Association. The expense of such inspection shall be paid by the manufacturer. If the apparatus is approved by this Association, the manufacturer shall sign an agreement that all machines made and sold by him shall be as shown by the drawings and specification.
- (2.) Every generator shall be of suitable capacity, substantial construction, and on approved principles, the interior parts easily and readily accessible for examination, double generating clumbers required, as there is no means of telling whether carbide is exhausted and gas may give out after dark.
- (3.) All danger of corrosion must be eliminated, and no copper or any alloy thereof to be used in the machine.
- (4.) There must be no possibility of escape of gas whilst the charge of carbide is being renewed.
- (5.) In generators where the carbide is alternately dipped into, and raised out of the water, suitable precautions shall be taken to prevent the carbide being accidentally precipitated into the water, and thereby causing a too rapid generation of gas.
- (6.) In machines where the pressure of gas causes in inverted vessel to rise and fall inside of another that contains liquid, the clear space between the two shall be at least one inch all round, not only to secure free motion, but that the surface of the water may be plainly visible without the aid of a glass tube.
- (7.) Liquid seals must be in their natural condition, not liable to be thickened by deposits of lime or other foreign matter.
- (8.) The liquid seals (except those from which the gas is properly piped away) shall be of sufficient depth to resist any possible pressure of gas inside the generator, and in no position shall they be less than six inches.
- (9.) The supply of water to the carbide shall be immediately and automatically cut off before the pressure of gas inside the generator exceeds three inches of water, and a properly protected water guage, or guages, shall be so placed as to show the actual pressure of gas inside the generator and gasholder.
- (10.) Suitable pipes must be provided, through which the gas shall freely and safely pass from the generator and gasholder into the external air at a pressure not exceeding three inches of water, and before it becomes possible for it to escape by any other means.
- (11.) The pipes for the conveyance of gas from the generator to the gasholder, and those for the escaping gas, shall be at least one inch internal diameter.
- (12.) The apparatus must be located in a dry room, without artificial light or fire heat, and having good ventilation to the outer air near the ceiling.

10.—CALCIUM CARBIDE. Permission may be granted to keep Calcium Carbide for the purposes of sale to a quantity not exceeding one hundred and twenty pounds, and for purposes of use in connection with an Acetylene Gas Machine, one hundred pounds.

When such permission is granted, the following form of permit shall be used :--

PERMIT FOR STORAGE OF CALCIUM CARBIDE WHEN KEPT FOR SALE IN ANY BUILDING.

Permission granted to store not exceeding one hundred and twenty pounds of Calcium Carbide in within described premises for sale, and only in metal packages, raised two inches from the floor, in a dry and well ventilated room or shop, and that not exceeding one hundred pounds of Calcium Carbide be allowed in a building for use in connection with an Acetylene Gas Machine.

11.-GASOLINE, VAPOR LIGHTS OR OTHER PRODUCTS OF NAPTHA. Where these are stored or used for illuminating purposes in any building, or within ten feet thereof, the following rates shall be charged :--

"For any quantity over one gallon and not exceeding five gallons of any of the above, a charge of 25 cents per cent. be made, on building and contents, for each additional five gallons or any part thereof, 10 cents per cent., its remaining provisions to stand unchanged."

Example of above :

For one gallon, no extra charge. Over one gallon and not exceeding five gallons, 25 cents per cent. Over five gallons and not exceeding ten gallons, 10 cents per cent. Or for ten gallons, 35 cents per cent. Each additional five gallons or any part thereof, 10 cents per cent.

12.—PETROLEUM IN THE CITY OF HALIFAX AND DARTMOUTH. Where the quantity exceeds five barrels in a building isolated 300 feet, to be rated at 2½ per cent.; and when in the open air, and distant not less than 300 feet from any building, 2 per cent.

13.—STORAGE OF PETROLEUM. Permission shall not be granted for the storage of Petroleum or other inflammable Oils (except Naptha, etc., as provided for under Rulo 11) in larger quantities than five barrels without an extra premium, as follows :—From five to ten barrels, one per cent; exceeding tenbarrels, $1\frac{1}{2}$ per cent; in addition to the rating fixed for the building and contents. This rule applies only outside the City of Halifax and Dartmouth, and the next preceding Rule shall apply only to the City of Halifax and Town of Dartmouth.

14.—GUNPOWDER. When permission is granted to keep gunpowder on the premises, the quantity shall be limited to twenty-five pounds (the quantity allowed by law)

15.—ELECTRIC WIRING.—The Rules and Requirements of the National Board of Fire Underwriters for the Installation of Wiring and Apparatus for Electric Light, Heat and Power as recommended by The Underwriters National Electric Association, to govern.

16.—REDUCTION OF RATES. When Rates in any town have been reduced by this Board, by reason. of improvements in facilities for extinguishing fires, or otherwise, such reduction shall not be granted on any existing Policies, until the same mature and be renewed; and no cancellation shall be made for the purpose of re-writing a risk at the reduced rate.

17.-DYNAMO OR MOTOR CLAUSE. When a Board Company is asked to cover any dynamos ormotors, the following clause shall be used:

- "This insurance excludes any loss or damage to Dynamos, Exciters, Lamps, Switches, Motors, or any other Electrical Appliances or Devices such as may be caused by Electrical Currents, artificial or natural, and will be liable only for such loss or damage to them as may occur in consequence of fire originating outside of the machines themselves.
- It is agreed that in case of fire or when Dynamos are not in use, that each Dynamo shall be carefully covered with a waterproof cover."

18.—AVERAGE. In all cases where Contents are insured in more than one building under oneitem, the Policy must be written subject to one of the following clauses:

REGULATIONS RESPECTING THE STORAGE OF PETROLEUM AND NAPTHA.

REGULATIONS

RESPECTING THE POSSESSION AND STORAGE OF PETROLEUM AND NAPTHA.

Noticee is hereby given that by Order-in-Council of the 27th May, 1880, and under the provision of the Act 43 Vic., chapter 21, entitled, "The Petroleum Inspection Act, 1880," His Excellency the Governor-General has been pleased to approve of the following regulations for the possession and storage of Petroleum and Naptha :---

Io.—In cities and towns where there are municipal laws or regulations respecting the storage of petroleum and the product thereof. Petroleum and Naptha, which have been inspected, as required by the said Act, and the inspection fees paid, may be stored in any building or place which is in conformity with the municipal regulations in that behalf.

20.—In cities and towns where there are no such municipal laws or regulations, and in villages and places other than cities and towns, Petroleum and Naptha, if in any quantities exceeding two barrels of refined Petroleum, or ten gallons of Naptha, shall be stored only in isolated buildings or premises which are at least 100 yards distant from the next nearest building not owned or in the occupation of the person to whom the petroleum or naptha belongs : Provided always, that a license to have in possession and to store naptha shall in each case have been previously obtained from the Inland Revenue Department ; and every such license shall be conditioned that such naptha shall only be sold for use or used for the purposes mentioned in the Act above eited, namely :—

1. For use for illuminating purposes-

(a) In street lamps, in which only the vapor is burned.

(b) In dwellings, factories, and other places of business when vaporized in secure underground tanks outside the building in which the vapor so generated is used for lighting.

2. For use for mechanical or chemical purposes in buildings not inhabited as a residence for family purposes.

EXTRACT FROM PETROLEUM INSPECTION ACT.

44 VICTORIA, CHAPTER 23.

EXTRACT FROM AN ACT TO AMEND THE PETROLEUM INSPECTION ACT, 1880.

[Assented to 21st March, 1881.]

"II. The Governor-in-Council may, from time to time, make such regulations respecting the storage and possession of petroleum and naptha as he may deem necessary for the public safety—special regulations being made as to the importation or possession of naptha; and no person shall have in his possession any such article without having first obtained a permit to that effect from the Minister of Inland Revenue, under such restrictions and regulations as may be made from time to time by the Governor-in Council, for the storage and possession of such acticles; and such permit must be produced to the proper officer of the Customs before the importation of any such articles above-mentioned shall be permitted.

"2. Any person who shall keep or store any petroleum or noptha, in respect of which the provisions of this Act, or the provisions of any order of the Governor-in-Council, or of any Department regulations made by authority of this Act, have not been complied with, shall be guilty of an offence against this Act, and for every such offence incur a penalty of twenty-five dollars, and for any second or subsequent offence a penalty of fifty dollars, and the petroleum or naptha so illegally imported, stored, or kept, shall be seized by any Revenue Officer or inspector having a knowledge thereof and forfeited to Her Majesty."

I.-CLASSIFICATION.

LClass A	4Class D.
2Class B.	5Class E.
3Class C.	

The Classification of each District to depend on-

1. The character and height of buildings, and whether chiefly massed or detached, and roofs chiefly shingle or fire-proof.

2. The means for the prevention of fire as (a) pipe and hydrant water service of sufficient calibre; (b) the same, but not thoroughly effective; (c) tanks or wells; (d) chemical fire engines; (c) steam fire engines; (f) hand fire engines; (g) quantity of serviceable hose; (h) fire alarm systems; (i) local regulations as to buildings, etc.

9.

10.-

STA 12. 13.-14.-

3. Local organizations for fire prevention as (a) paid fire departments; (b) volunteer fire departments; (c) salvage corps; (d) bucket brigades; (c) fire wards and chimney inspectors.

4. The greater or less prevalence of $h \approx s$ in the locality during the past ten years, and the extent to which such as have occurred have been limited or controlled.

5. Municipal or local Taxation of Insurance Companies.

2.-STANDARD OR BASIS RATE.

For Preferred Class	Not yet determined.
For Class A	\$1.25 per \$100 for one year.
For Class B	1.50 per \$100 for one year.
For Class C	
For Class D	
For Class E	3 co per \$100 for one year.
The Standard on Decis Date for each district to be that which a	might fairly he changed for any one

The Standard or Basis Rate for each district to be that which might fairly be charged for any one of three wooden stores adjoining, but free of any special exposure, such stores being each in a single, non-hazardous occupation; other rates being graded upwards or downwards in proportion to the relative hazard.

STOCKS OR OTHER MOVABLE PROPERTY.

Such property being more perishable in its nature than buildings, higher rates are generally charged, except when contained in a building for which a higher rate may be fixed owing to exposure hazard. In the latter case, where there is a probability of salvage on removal, the rate may be the same or even less than that fixed for the building.
