Since the lamented demise of Charlotte's late representative in the Dominion Parliament, it was supposed that the Hon John McAdam would have been permitted to go to Ottawa without contesting an election; and to very ways, even (while). of Charlotte County, it seems unseemly for a new opponent to start up, as it were merely through and in the spirit of factious opposition. Had the gentleman who enters the arena to fight Mr. McAdam consulted the council of Miss Prudence, it is more than likely that that sage old maid would have said:—"Arthur, dear, you have asked my advice—I give it—take it You have represented Charlotte County—try and do so again; and now is your fit opportunity. "Honest John," you know, has resigned his seat in the Local Parliament; and now ask the electors to put you there in his place, and you will thus learn whether you are considered the most worthy against all comers. If they, the electors would not and will not elect you for the Local Legislature, much less will they for the House of Commons."

We opine, however, that the supposed prudent suggestions of Miss Prudence would not be heeded by Arthur, and he will rather go into political warfare with a man well on in years than with or against the merely through and in the spirit of factions opposition. GENTLEMEN,—I am again a Candidate to represent you in the Dominion Parliament, and solicit a continuance of the support so generously accorded me in the past. If elected, I will give my best energies to the development of the varied interests of the Dominion, and especially those of the City I have so long had the honor of representing.

On the day of nomination I will refer at length to the important subjects that have engaged the attention of Parliament during the past five years. Your Obedient Servant, S. L. TILLEY.

To the Electors of the City and

Jest to offer myself, a Candidate, to represent you in the Dominion Parliament, and to solicit your votes and support for the purpose. The great and advancing interests of the Culy and County—as the front door of the Confederacy—demand the highest attainments and best efforts of a representative. I respectfully trust that my qualifications may suit you, and that my intimate acquaintance, not only with the City but with every part of this Province, and the interest I have long taken in great measures to improve it, may recommend me to your favorable consideration.

If elected I will interest myself in the agricultural and mining interests of the country, and it shall be my pride to elevate the condition of this City and County, and to place us first in the Dominion for manufacturing and fishing, shipping, and mercantile prosperity.

The encouragement of your manufacturing interests of every description, which I have long advocated, more especially as employments for retaining our children, working people and wealth in the Country, shall have my best exertions, and the making of the Bay Verte Canal, and the enlargement of our Harbor; upon which I have written so much, shall engage my unceasing efforts for the speedy accomplishments of these very desirable ende.

Finally, Gentlemen, my desire is to increase the wealth of every family and individual in this City and County, and to enact such just and equal laws as will produce harmony, contentment and happiness. I will further express myself on nomination day.

Your truly, ob't, servant,

DAVID S. KERR.

Fo the Electors of the City of St.

M response to your urgent request that I ahould allow myself to be put in nomination at the forthcoming election of a member for the City of St. John to represent you in the Dominion Parliament, after due consideration, I cheerfully accede to your wishes, and consent to blace my services at the disposal of the electors of the City of St. John, particularly in the interests of our own City, Province and people, whose rights and claims I consider have been completely ignored during the past five years. J. S. BOIES DEVEBER.

To the Electors of the City and County of St. John-GENTLEMEN,—At the request of many of your number, I have been induced to become a Candidate at the approaching Election; and having nearly all my means invested in Manufactures. Shipping and other property

GENTLEMEN,—At the request of many of your number, I have been induced to be come a Candidate at the approaching Election; and having nearly all my means invested in Manufacturee, Shipping and other property among you, I am largely interested in endeavoring to promote the prosperity of your city and county.

If elected I will earnestly labor to procure for the Province what it is entitled to in the Union, as I desire the people of this Province to be put in all respects on exact equal terms with the people of her sister Provinces and I will oppose all attempts of the General Parliament to interfere with the rights reserved to the several Provinces.

I will also try to lighten the taxes upon the country, as well by introducing greater economy in the public service, as by every other means in my power, for I believe that our power to successfully compete with our neighbors in manufactures and all other industries mainly depends upon our ability to keep our people free from burthens, and, by consequence, to make the cost of living cheap in the Dominion, I will labor to bring about freer trade relations with our neighbors, the clixens of the United States.

I will support whatever I believe will be for the interest of the Dominion generally and for yours in particular; and I respectfully solicit your support.

Your obedient servant,

A. H. HANINGTON,
