ROBERT L. SIMMS, ATTORNEY-AT-LAW

Robert L. Simms, B. A., was sworn in Attorney-at-law at Fredericton on Thursday last adding another of "Brighton's" young men to the list of those who have succeeded along educational lines. He is the youngest son of Webster Simms, deceased, a well known pioneer of Knowlesville and widely respected for his upright character.

Mr. Simms has obtained his education through great difficulty and opposition and deserves much credit for the hard work accomplished. Reared in a remote country district he did not have opportunity of obtaining an education. Moreover when eleven years old he was bereft of his father and deprived of school most of the year, but he succeeded in getting

to Normal School and later to the University of New Brunswick where he graduated last year in the First Division in every subject with first class honors and as valedictorian. At college he was one of the most popular young men at U. N. B. and was elected to the most important offices and as president of his class, president of the debating society and manager of the college monthly.

Mr. Simms was endowed with unusual talents for public speaking and even at his present age is regarded among the cleverest speakers in the country.

When at the University he was a member of the college debating team that contested the Mt. Allison University at Sackville.

On September, 1911, he married A. Laura Glass daughter of John Glass of Windsor, a successful young school teacher and undergraduate of U. N. B. They have one child, a bright boy of three years.

News of Baptist Ministers

Rev. George Kincaid has held a very successful revival at Pembroke. He was for a time assisted by Rev. Angus Dalbeck of Danforth, Me.

Rev. L. A. Fenwick is meeting with success in his work on the Jacksonville field. He has been engaged in special services at Jacksonville, and the prospects for an ingathering seem good. At the last annual district meeting Pastor Fenwick was elected secretary of the Second District.

Rev. J. S. Mackay returned last week to St. John after a three weeks' evangelistic campaign at Windsor. A time of refreshing was enjoyed, the church being revived, while several professed their faith in Christ for the first time. The stress of work in connection with the potato harvest interfered with the attendance at many of the meetings.

RECRUITING RALLY AT HARTLAND

The crowd at the recruiting meeting in Lyric hall at Hartland on Thursday evening was so great that the platform was used to accommodate a portion of the people and then a great many were unable to gain admittance.

Before opening the general meeting S. S. Miller, chairman of the Board of Trade, explained the situation as regards the disposal of the money raised at the gun picnic and stated that a vote of the meeting would decide the matter.

W. D. Kleth, moved, seconded by J. T. G. Carr, that unless objections came from outside districts, the treasurer of the fund be authorized to forward the amount in the bank, about \$1,225, to the treasurer of the Canadian Patriotic Fund.

B. N. Shaw suggested that the money be retailed for wounded soldiers returning home, but, as this found no support, the original motion was carried without a dissenting voice.

The band then opened the general meeting by playing the national anthem and a stirring march, after which the chairman, Donald Munro, M.L.A., introduced Fred Squires who outlined the position of Great Britain in the struggle, painting in glowing colors the heroism and bravery of the "soldiers of the King" and pointing out the brutality and savagery of the German people as exemplified in their militarism.

Capt. L. P. D. Tilley of St. John, made a telling speech, pointing out why the young men, especially, should respond to the call of King and country. If they failed in this hour of their country's need the time would soon come when they would be compelled to serve, and this, he believed, no young man of Carleton county would care to have recorded against him when the war is over.

The chairman, Donald Munro, said he had a son at the front and wanted to go himself but for some reason he had not been given the privilege. However, he had been given the position of recruiting officer for Carleton county, which he took on the stipulation that any money which would accrue to him should be turned over to the patriotic fund. If he could not go and fight he could at least give his time for the cause at home.

Sergeant Knight, the first man who volunteered from Canada, and who is crippled for life from wounds in battle, was the next speaker. He drove home to the young men their duty in the present crisis. He said there is a roll of honor in this campaign, and there is a roll of dishonor, the latter being kept by God against those who refused to aid in putting down the Kaiser and his people, who are defying all the laws of God and setting up their might as superior to that of the Ruler of the universe.

Sergt. Knight made a most touching appeal for recruits and as a result 12 men has signed up within 24 hours afterwards.

The meeting closed with the playing of the National Anthem by the band, the audience heartily singing the words.

Much credit is due the ladies of the Red Cross, who provided a dainty lunch for the speakers, the band and the workers in the recruiting campaign.

Features that added interest to the program was a flag drill by 16 young girls, and a sweet solo by Mrs. C. H. Taylor.

The presence of Lieut. W. B.

RECRUITING AT CENTREVILLE

A patriotic meeting was held in the Opera House on Friday evening, Nov. 12. G. L. White, M. L. A., was chosen as chairman. The meeting was opened by the singing of "O Canada" by a chorus of 24 voices, Lieut. Col. L. Kennedy was the first speaker, followed by a chorus of 11 girls, "Rally around the flag," led by Miss Bessie W. Campbell. The next speaker was Rev. H. Penna, followed by a solo by Miss McCain. Third speaker, Lieut. Teed, chorus, "We will never let the old flag fall."

Donald Munro, M. L. A., was in excellent form and displayed much force; solo by Miss McCain. Capt. L. P. D. Tilley spoke next, this being his first visit here. His speech was excellent and bore much fruit. Rev. W. J. Hurlow of Tracy Mills made one of his forcible appeals and was much appreciated by the large audience present. The meeting closed by the women's verse of the National Anthem followed by God Save the King. The following is a list of recruits obtained by Capt. Tilley: George Long, Barry Long, Harry Mason, Harry Margison, James Murry, Frank Hamball, John Fogg, Alex Burberry, Walter Hand, all of Centreville and Otis Green, Tracy Mills, Harold Reid, Knoxford.

Shaw, home on sick leave from active service in France, was inspiring to the audience, since he is a native of the village and well known in Carleton county. In a modest manner he rehearsed some of his experiences, but being still a member of his corps his utterances were necessarily restricted.

Despite the rough weather a large audience attended a recruiting meeting at Coldstream on Monday evening and six men enlisted. The speakers at this meeting were S. S. Miller, M. L. Hayward and Rev. I. E. Van Wart, besides several of the new recruits.

The call to battle resounds throughout the land and all over this county, as well as elsewhere in Canada, the summons is now taken seriously. Several additional names are expected to be placed on the honor roll this week.

To date those who have enlisted since Friday are:

Frank L. Dickinson,	Hartland
Henry Sharp,	"
Halden A. Sipprell,	"
M. Birdsall Cox,	"
J. Harvey Belyea,	"
Stephen Hanning,	"

James Pratt,	Coldstream
Walter Hayward,	"

The first seven in the list are married men.

In the list will be noted the name of a former county councillor, and the principal of Hartland School.

Ladies will delight in seeing the handsome and ultra-stylish samples of winter coats and suits now on display at McLauchlan's. These are made to measure and the orders should be left early. OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. At any drug store.

NO MORE FREE SPACE

During the period of its existence The Observer has given away many hundreds of dollars worth of its advertising space to churches, money-raising events, picnics, public meetings etc. Since the war began the amount of space given away would, if paid for, enable the manager to pay all his debts. While much is given gladly, not nearly so much is given as is asked for. In the past month there have been such demands for free advertising that a record was kept. It was found that, if all was published, The Observer would have to double in size and employ at least two more compositors. As it is, and as it has been for more than a year, the whole time of one member of the staff is required to set the advertising matter the paper is asked to print free. A few weeks ago one detailed report was printed that kept a compositor busy two days at a cost of \$7, and the manager received not so much as a vote of thanks. What is worth having is worth paying for. People appreciate only that which costs them something.

All newspapers are experiencing this added burden in this most trying period of their existence. Most of them have drawn the line and have announced a regular schedule of charges for the service they have too long rendered free.

Henceforth The Observer will make charges for other than commercial advertising as follows:

For announcing any meeting or enterprise the object of which is to raise money for any purpose whatever, except for the Red Cross and Patriotic Fund, which will be announced free, a charge of 25 cents will be made. The notice must not exceed 10 lines. Cash must be sent with the copy.

For announcing any meeting other than religious, Red Cross or Patriotic, which will be done freely and gladly, or any kind of an announcement that is not "news" in the general sense, but is of special value to an individual, or a group of persons, or a society, the regular rate of 5 cents a line must be paid. Cash must be sent with the copy.

Financial statements, detailed reports of contributions, of any kind whatsoever, will be charged at 2 cents for each line. These reports must be prepared ready for the compositor, otherwise a further charge must be made. Cash must come with the copy.

Displayed advertisements of any kind, whether for patriotic or grocery advertising must be paid for at the rate of 10 cents a single column inch.

In The Observer's reading matter type there is an average of six words to a line.

Articles of 300 words or more must be in not later than Monday evening. Short paragraphs can be accepted up to Tuesday evening.

Purely news items are gratefully received if of interest to Carleton county people, but few bother to send these unless they are of particular benefit to themselves—and that is the line of demarcation between "news" and "advertising."

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

Western Union Improvements

The Western Union local service has recently been greatly improved. A new line has been run on the C.P.R. connecting Houlton and Presque Isle, and Hartland is now in direct touch with Boston without the necessity, as hitherto, of relaying messages to St. John. The company now has nine lines along the river, four on the east and five on the west side. Two of those on the west side are under lease of the Dominion government and run from the cable station at Canso, N. S., to Ottawa. Needless to say the messages that pass over these wires during the war would be of great interest. But they are transmitted in secret code and not even the operators know their meaning.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

Lamont-Belanger

At the home of John Ritchie Lamont, West Glassville, on Wednesday afternoon, John Morrison Lamont was united in marriage with Miss Alice Belanger of Edmundston. The ceremony was performed by the Rev. James Colhoun, Glassville, after which Mr. and Mrs. Lamont received the congratulations of their friends to whom Mr. and Mrs. J. R. Lamont extended sumptuous hospitality. Numerous wedding presents were bestowed upon the young couple and many good wishes for their long continued happiness and prosperity. They purpose living at West Glassville for some time and expect to move to their home near Bristol early in the New Year.

EAST FLORENCEVILLE

The Woman's Institute met for the month of November at the home of Miss M. H. Manuel. The meeting opened with conundrums of which some were very puzzling. A paper was then read on "Winter Health Rules for Children" by Mrs. W. L. McCain. Some good hints were given although Mrs. McCain has no children to practise them on. This was followed by a reading, "Dr. Dodd" given by Marion McLean. After a short intermission Mrs. A. B. McCain gave a most interesting paper on "How to Make the Institute Interesting and Helpful." One important fact she mentioned was that all members who had part in a meeting should come or else get some one else to take their place. All enjoyed this paper immensely.

Miss Muriel McCain gave a helpful paper on "Keeping Accounts in Every Household." We are sure if accounts were kept, the house could be run much better. The next meeting is to be at Mrs. Tom McCain's. All are requested to wear aprons.

Leslie Stiles was operated on for appendicitis on Saturday. All hope for his speedy recovery.

He states that he volunteered his services along with his fellow officers at the outbreak of the war, and that he has since offered his services to the 55th 64th and 104th C. E. F. He is still ready to do service at home or overseas, acting in any capacity. He appends to his letter to the minister a list of the men who are now serving the empire from his company, and concludes with the remark that so far his proffered services have been ignored.

Missionary Meeting in the Baptist Church

Miss Augusta Slipp, provincial secretary of the Woman's Missionary Society addressed a meet-

ing on Sunday evening in the United Baptist Church. Mrs. Horace Nixon presided. There was a good sized and attentive audience. On the platform were Misses Edna Sipprell, Hildah Boyer, Clara Hagerman and Fay Seeley dressed in Telugu, Burmese and other Oriental costumes. One of these costumes was exceedingly valuable, a purple silk with woven gold border, worth about \$200.

Miss Lottie Sanford a former missionary had been presented with this by a Rajah of India whose son she had nursed through a serious illness. The Rajah was full of gratitude, and asked what jewels he might present to her. She wanted no jewels, but asked for a garment exactly like the one worn by his favorite wife, which he gladly gave, and which was sent to Miss Slipp later to be used in her missionary meeting.

How to Pack Parcels for Soldiers Abroad

The post office department
gives out the following:

The public is urged to exercise
every care in packing parcels for
the troops, as careful packing is
essential to ensure delivery of the
parcel in good condition.

Parcels sent abroad require a
higher standard of packing than
is necessary in the Canadian
parcel post, and this applies with
even greater force to parcels for
the troops. Those which are in-
adequately packed run great risk
of damage or loss of contents.

Thin cardboard boxes, such as
shoe boxes and thin wooden boxes
should not be used; nor does a
single sheet of ordinary brown
paper afford sufficient protection.
The following forms of packing
are recommended:

1. Strong double cardboard
boxes, preferably those made of
corrugated cardboard, and hav-
ing lids which completely enclose
the sides of the boxes.
2. Strong wooden boxes.
3. Several folds of stout pack-
ing paper.

4. Additional security is
afforded by an outer covering of
linen, calico or canvas, which
should be securely sewn up.

The address of the parcel
should be written in ink on the
cover preferably in two places.

The address of the sender of
the parcel should also be stated
in order that it may be returned
if undeliverable. The contents
of the parcel should be stated in
writing on the cover.

In the case of parcels sent to
the Mediterranean force, they
should be very strongly packed.
They should be as nearly round
as possible, and well padded with
shavings, crumpled paper, or
similar protective material. The
outer covering should consist of
strong linen, calico or canvas,
and should be securely sewn up.
The use of wooden or metal boxes
with square corners are undesi-
rable as they are liable to injure
other parcels in transit. No pa-
rishable articles should be sent,
and anything likely to become
soft or sticky, such as chocolates,
should be enclosed in tins. Per-
cels merely wrapped in paper or
packed in thin cardboard boxes,
such as shoe boxes, cannot be
accepted.

FATHER GOOD TIMES

Despite the war, or rather be-
cause of the war, Father Good
Times has arrived back in Can-
ada. October was the biggest
month in Canada's history, speak-
ing industrially and commer-
cially.

The sales of grain were the
largest in the history of the
country. Never was so much
money poured into the lap of the
farmer in the same period of
time.

The factories turned out more
goods than in any other month of
our history, with a few excep-
tions. The exports of manufact-
ured goods broke all records.

Railway earnings for the
month, of the three big railways,
showed an increase of five and a
half million dollars over October,
1914, or 34 per cent.

Bank clearings were 785 mil-
lion, as compared with 712 million
in 1914, and 863 million in 1913.
Not a record, but the first increase
during the war.

Father Good Times is here.
If you are not getting your share,
it must be your own fault. Can-
adian Courier.

Thin, brittle, colorless and scraggy
hair is mute evidence of a neglected
scalp. There is nothing so destructive to
the hair as dandruff. It robs the hair
of its lustre, its strength and its very
life; eventually producing a feverish-
ness and itching of the scalp, which
if not remedied causes the hair roots
to shrink, loosen and die—then the
hair falls out fast. A little Danderine
tonight—now—any time—will surely
save your hair.

Telephones—Consolidated, N.B., Farmers,

Far more women than men suffer from nervous
disorders. And little wonder, when you come to
think of the thousand causes of worry and anxiety
which come daily to the woman in the home.
Particularly to those who are nervously en-
ergetic the many demands of society, the numberless
details of home life, and the exacting attention
required by the children, sooner or later wear on
the nervous system.

You begin to worry, and worry upsets the
nerves. The more irritable the nerves become the
more you worry. And thus is formed a vicious
circle, and there is no end to your troubles. Since
the nervous system holds in control all the func-
tions of the body there soon arises a thousand
little ills to make life a burden.

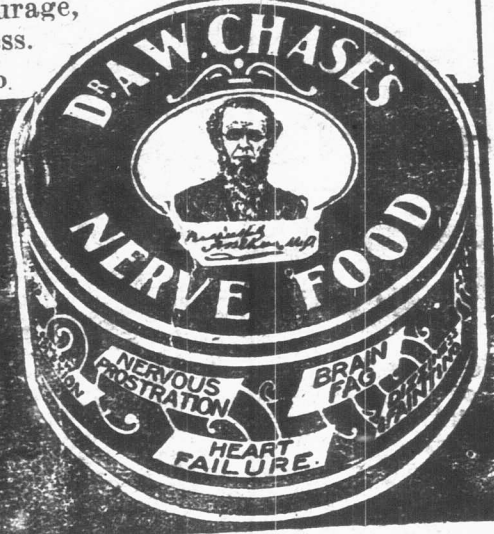

Nervous headaches, spells of indigestion, irri-
table temper and attacks of the blues tend to make
you feel miserable. You cannot rest by day or
sleep at nights, and what reserve force you have
rapidly disappears.

It may not be convenient for you to get away
for a change and a rest, but there is within your
reach Dr. Chase's Nerve Food, and there never
was found a nerve restorative which could be com-
pared to it.

Use Dr. Chase's Nerve Food regularly and you
will soon be able to take a cheerful view of life,
enjoy your daily work and forget to worry. For
with good health comes new energy and strength,
new hope and courage,
happiness and success.
